[You'll Never Walk Alone, from Carousel | The Tabernacle Choir](#)

When you walk through a storm  
Hold your head up high  
And don't be afraid of the dark  
At the end of the storm  
There's a golden sky  
And the sweet silver song of the lark

Walk on through the wind  
Walk on through the rain  
Though your dreams be tossed and blown  
Walk on, walk on  
With hope in your heart  
And you'll never walk alone  
You'll never walk alone

Someone is gonna come fix the issue and these election workers are going to be here “until late tonight” and they will “process them later on tonight.” Who trusts them? What a joke.

- **And what's happening right now? Voter fraud like you've never seen.** White Hats are fighting the Deep State's rigged machines across the nation. The Steal is Real.
- **Early voting is underway in several states, and White Hats have already seized or destroyed corrupted voting machines in Georgia, North Carolina, and Tennessee.** Machines flipping red votes to blue. Just recently, the US Army Cyber Command specialists uncovered doctored machines in Fulton County, Georgia—votes changed, flipped, stolen. For every 10 Republican votes, two were stolen for the Democrats. They rigged it. They control it. But we're fighting back.
- **Over 11 million Americans have already voted,** and we have no idea how many of those votes are fraudulent. White Hats are fighting to stop this, but the scale is enormous. Marines destroyed fraudulent machines overnight, and we won't stop. In Muscogee County, Georgia, a soldier tried to vote for Trump, but the machine wouldn't accept it. He called it in—we're tracking every single fraudulent vote.
- **General Smith is FURIOUS.** The White Hats are going after every fraudulent machine, every single compromised system. Marines are taking these machines down. In White County, machines were sledgehammered to pieces after the circuit boards were pulled for investigation. We know the Deep State is watching, but we're NOT stopping.
- **And it's not just Georgia. North Carolina**—battered by Hurricane Helene—is another battlefield. Armed FEMA agents overseeing voting stations? Marines confronted them at Isothermal Community College, and those cowards scattered the second they saw the patriots advancing. White Hats are committed to keeping watch until the last vote is cast.

**F. TUES. 22 OCT. 2024: URGENT UPDATE: 700,000+ Sealed Indictments Activated, Military Tribunals Begin, and EBS Set to Broadcast Live Mass Arrests and Executions—The Cabal's Final Days Are Here! ...John F. Kennedy on Telegram**

- **The sealed indictments—once whispered in shadows—are now fully operational, with 700,000+ active indictments as of October 2024.** This isn't about a handful of corrupt elites; it's a global purge involving high-ranking officials from governments, banks, media, military, and even royalty.
- **These indictments, compiled by military intelligence** and white-hat operatives, detail the worst crimes in human history: treason, crimes against humanity, child trafficking, and more. And it's not just paperwork sitting in some dusty archive—global arrests are happening right now.

- **Special Forces from the U.S., Russia, China,** and other nations are conducting joint arrest operations across the globe, sweeping up the Cabal's key figures. The Cabal's darkest secrets are being exposed and they have nowhere left to hide.
- **Military Tribunals, long in preparation, are now underway.** These indictments are packed with classified intelligence and whistleblower accounts revealing the full extent of the Cabal's control over humanity. Executions are happening behind the scenes—swift justice for crimes so heinous, they can barely be fathomed.
- **Global Sweep: 100+ Countries Targeted:** This isn't just a U.S. operation. Over 100 countries are implicated, with indictments targeting international bankers, world leaders, and key figures from global institutions like the United Nations. Corrupt puppet leaders in countries like Brazil, Switzerland, and Ukraine have already been taken down. The Cabal's global financial elite are being stripped of their wealth and thrown into secret detention centers for interrogation and trial.
- **This is where GESARA's promise kicks in**—the largest wealth transfer in history is happening. Trillions of dollars are being seized from the Cabal's accounts, marking the end of debt slavery and the beginning of a financial revolution.
- **The Elite Are Running Scared:** They thought their wealth and power could protect them. They were wrong. Private jets grounded, assets frozen—the elite are being rounded up and disappearing from their mansions and yachts. Even their underground bunkers are no longer safe. Military forces have been quietly seizing these bunkers, arresting key figures miles underground where they thought they could escape.
- **Mass Public Arrests: The Final Phase:** The Emergency Broadcast System (EBS) will soon unseal these indictments for the world to see. Mass arrests, high-profile trials, and executions will be broadcasted. Bankers, politicians, celebrities, and CEOs will be seen in handcuffs, their empires crumbling before our eyes.
- **These broadcasts will reveal the truth** behind the Cabal's crimes: child trafficking, global wars, and the manipulation of humanity for their gain. The tribunals will be public, and executions will follow, as justice is served for the crimes committed against the world.
- **October 2024: The Countdown to Liberation:** The indictments are no longer rumors—they are fully active. Military forces are executing the largest purge of corruption in human history. The storm is here, and there's no stopping what's coming next. The indictments are airtight, the arrests are accelerating, and the storm is in full force.
- **We are the storm,** and the Cabal's days are numbered.

#### **G. EBS Thurs. 24 Oct. 2024, Ten Days of Darkness Sun. 27 Oct. 2024:**

- **Mr. Pool: On Thurs. 25 Oct. 2024 the EBS Emergency Broadcast System starts.** Prepare by buying food, medications, toilet paper. Get ready. This will be all over the World. Take your money out of the bank.

## **H. Wed. 23 Oct. 2024: Breaking News! Global EBS Alert Set to Activate—Prepare Your Phones for Earth Alliance, Mass Arrests, and Military Tribunals on October 24-25!**

...Gitmo TV

- **The moment we've been waiting for is upon us.** The Emergency Broadcast System (EBS) is set to go live, and this is your final warning. October 24-25 marks the beginning of a worldwide operation that will forever change the course of human history. The Earth Alliance, in conjunction with Starlink and military satellites, is ready to unleash this global alert.
- **If you think this is another false alarm, you're gravely mistaken.** Every phone on the planet will receive a loud, earth-shattering signal. No traditional media, no elites controlling the narrative. This signal bypasses all the lies and brings the truth directly to you.
- **Starlink isn't just about internet access—it's the final blow to the Deep State.** What you'll witness is the beginning of mass arrests, military tribunals, and the total collapse of the corrupt global financial system. This isn't speculation. It's already in motion, and there's nothing the elites can do to stop it.
- **What happens after the alert? The EBS will trigger a broadcast led by Trump and key military leaders.** No more fake news. This will be the real story—the one they've been hiding from you. This broadcast will reveal everything: the mass arrests, the collapse of the corrupt banking system, and the crimes the elites have committed. Prepare for your reality to be shattered.
- **You'll learn about human trafficking networks, the manipulation of wars, natural disasters engineered to control populations, and much more.** There will be no internet, no social media, no TV for days, maybe even up to 10 days. Stock up on essentials now—food, water, supplies, backup power. Once the alert hits, everything will change.
- **Military forces are ready, and patriot militias are being activated across the globe.** This is a coordinated operation by the Earth Alliance, and they've been preparing for years. The elites are panicking. False flags are already being planned to try and derail this mission, but they will fail.

- **Martial law? Highly likely. Military tribunals will be broadcasted through the EBS.** You will witness the fall of corrupt politicians, bankers, and elites. Confessions, arrests, dismantling of their evil networks—it's all coming. The Deep State's time is up.
- **This alert isn't just for the public. It's a signal to Special Forces teams around the world.** Underground bunkers, secret facilities, and hidden elite strongholds are being identified and destroyed as we speak. The elites think they can escape, but they're wrong. The Earth Alliance knows where they are, and the final phase of this military takedown is about to begin.
- **Are you ready? The Quantum Financial System (QFS) will replace the old corrupt system.** The elites' banks, stock markets, and currencies will crumble. The greatest wealth transfer in history is about to take place, and the people will finally be free.
- **We are days away from the most significant event in human history.** The old world is falling apart, and a new era is rising. Prepare yourself—physically, mentally, and spiritually. There's no turning back once this begins.
- **The time for talking is over.** Now, it's time to act. Stay strong. Trust the plan. The storm is here.

### **I. Global Military Checkpoints to Enforce NESARA/GESARA During 10 Days of Darkness! ALERT! 700,000 Indictments Exposed, Arrests Already Underway: EBS Documentaries and QFS Activation**

- **The storm is here, and there's no stopping what's coming.** Every move has been calculated. Now, the global military alliance is ready to dismantle the corrupt power structures that have oppressed humanity for too long. This isn't business as usual. Military Movements are occurring right under our noses. High-ranking generals, experts in psychological and cyber warfare, have been called back to duty for this critical mission. Special Forces, including Navy SEALs, Delta Force, and British SAS, are deployed within their borders, ready to neutralize key Cabal operatives. This is a coordinated, global takedown, happening in over 100 countries. These movements are surgical, aimed directly at the heart of the Cabal's leadership.
- **The Emergency Broadcast System (EBS) is coming, and it will change everything.** A Worldwide Communication Blackout is imminent. This isn't just about preventing the Cabal from coordinating—it's about installing a secure, quantum internet immune to their manipulations. The old internet, riddled with backdoors and surveillance, will be replaced. Military forces have seized control of satellites, ensuring global communication is locked down when the time comes. The Quantum Financial System (QFS) is in motion. More than a financial reset, it's the end of the Cabal's financial stranglehold. Secret bank accounts, offshore havens, and illicit wealth are being exposed. Trillions in assets are being seized as the world shifts to a new credit-based system that will end debt slavery. Imagine waking up to find your debts—mortgages, student loans, credit cards—erased. This isn't speculation; it's a reality unfolding now.

- **EBS Broadcasts will reveal the darkest truths.** Prepare for documentaries that expose the Cabal's most evil acts—human trafficking, ritual abuse, and more. Whistleblowers have risked their lives to bring this evidence forward. The EBS will broadcast non-stop, delivering these revelations directly to the people. High-profile arrests, confessions, and trials will be shown to the world. The elite's crimes will be laid bare for all to see. Global Arrests are in full swing. Over 700,000 indictments have been filed, and arrests are happening. Private jets are grounded, passports seized, and high-ranking officials taken in the dead of night. This isn't just happening in the U.S.—it's a global phenomenon. Europe, Asia, Africa, the Middle East—no corner of the world is untouched.
- **This is the final countdown. Prepare now.** Follow the EBS instructions, stay vigilant, and brace for what's coming. The Cabal is desperate, and there will be attempts to spread disinformation and create chaos. But remember: nothing can stop what's coming. We are witnessing the great awakening. The old world is ending, and a new world is rising. Stay strong, stay united, and trust the plan. You are the storm.

**J. Wed. 23 Oct. BOMBSHELL! White Hats in Control: Massive Military Movements, CEOs Fleeing the Country, Globalists in Panic Mode – GESARA Reclaims Your Stolen Wealth! ...Julian Assange on Telegram**

- **It's happening right now,** more explosive than anyone imagined. The white hats are closing in, and the deep state's empire is collapsing.
- **GESARA, the Deep State's nightmare, is here.** It's not just a financial reset—it's a complete dismantling of the corrupt system. Forget the mainstream lies—they're paid off by the elites who are now running scared.
- **GESARA: The Global Financial Meltdown:** For decades, Globalists manipulated the system, keeping the world in debt slavery. Their power, built on banking fraud and control of your life savings, is now crumbling. GESARA is the final nail in their coffin.
- **GESARA isn't just a reset—it's economic warfare,** reclaiming trillions stolen from the people and crushing deep state schemes. Hidden trillions and black budgets are seized. Central banks are collapsing, and the globalists are panicking.
- **The money stolen from you is being reclaimed.** The elites thought they could hoard wealth while the world suffered. But GESARA ends their game.
- **This isn't just redistribution—it's about destroying the power structures enslaving humanity.** The Deep State's banking system is on the brink of collapse. Elite families and corporations are scrambling to hide their assets, but there's nowhere left to run.
- **Phase Two: The Global Takedown:** The real battle is happening behind the scenes. White hats are in control, and the Globalists are cornered. Phase Two of this operation has begun—it's more explosive than predicted.
- **This week, satellite imagery confirmed massive military activity around Deep State strongholds.** Nellis Air Force Base is a hub of action, and bunkers have been discovered

in Antarctica, where elites thought they could hide their riches. The White Hats have infiltrated these sites.

- **Antarctica has been a Deep State fortress for decades**, used for experiments and genetic manipulation. Insiders confirm that secret data seized here will shock the world.
- **In addition, flight activity has been seen near Area 51.** Elite strike forces are preparing for a final push against Deep State headquarters in Washington, D.C. and New York. Major arrests are coming, including top politicians, banking elites, and CEOs.
- **The Deep State is falling.** This is their last stand, and they're falling faster than expected. Private jets are taking off, headed for secret locations. But they can't outrun the White Hats.
- **You've seen the sudden resignations of Fortune 500 CEOs.** These people aren't retiring—they're running. They know the white hats have them in their sights.
- **Clandestine operations** are happening in Italy, Germany, and even the Vatican, where high-level officials tied to global trafficking are being rounded up.
- **The Vatican has laundered money** through offshore accounts and funded trafficking. Now, their most powerful figures are being exposed. The Rothschilds, Rockefellers, and elite families are losing their grip, with stolen wealth frozen by international task forces.
- **The Final Purge:** The White Hats won't stop until every Deep State piece is eradicated. Military Tribunals are coming for high-profile individuals. The evidence is irrefutable—the crimes of the deep state go deeper than anyone knows.
- **This is our moment, patriots. The storm is here,** and nothing can stop what's coming. Victory is inevitable, and GESARA will bring the freedom stolen from us for too long!

**K. Wed. 23 Oct. 2024 TUES. 22 OCT. 2024: URGENT UPDATE: 700,000+ Sealed Indictments Activated, Military Tribunals Begin, and EBS Set to Broadcast Live Mass Arrests and Executions—The Cabal's Final Days Are Here! ...Gitmo TV**

- **The sealed indictments**—once whispered in shadows—are now fully operational, with 700,000+ active indictments as of **October 2024**. This isn't about a handful of corrupt elites; it's a global purge involving high-ranking officials from governments, banks, media, military, and even royalty.
- **These indictments, compiled by military intelligence and White-Hat Operatives,** detail the worst crimes in human history: treason, crimes against humanity, child trafficking, and more. And it's not just paperwork sitting in some dusty archive—global arrests are happening right now.
- **Special Forces from the U.S., Russia, China,** and other nations are conducting joint arrest operations across the globe, sweeping up the Cabal's key figures. The Cabal's darkest secrets are being exposed and they have nowhere left to hide.
- **Military Tribunals, long in preparation, are now underway.** These indictments are packed with classified intelligence and whistleblower accounts revealing the full extent

of the Cabal's control over humanity. Executions are happening behind the scenes—swift justice for crimes so heinous, they can barely be fathomed.

- **Global Sweep: 100+ Countries Targeted:** This isn't just a U.S. operation. Over 100 countries are implicated, with indictments targeting international bankers, world leaders, and key figures from global institutions like the United Nations. Corrupt puppet leaders in countries like Brazil, Switzerland, and Ukraine have already been taken down. The Cabal's global financial elite are being stripped of their wealth and thrown into secret detention centers for interrogation and trial.
- **This is where GESARA's promise kicks in**—the largest wealth transfer in history is happening. Trillions of dollars are being seized from the Cabal's accounts, marking the end of debt slavery and the beginning of a financial revolution.
- **The Elite Are Running Scared:** They thought their wealth and power could protect them. They were wrong. Private jets grounded, assets frozen—the elite are being rounded up and disappearing from their mansions and yachts. Even their underground bunkers are no longer safe. Military forces have been quietly seizing these bunkers, arresting key figures miles underground where they thought they could escape.
- **Mass Public Arrests, The Final Phase:** The Emergency Broadcast System (EBS) will soon unseal these indictments for the world to see. Mass arrests, high-profile trials, and executions will be broadcasted. Bankers, politicians, celebrities, and CEOs will be seen in handcuffs, their empires crumbling before our eyes.
- **These broadcasts will reveal the truth behind the Cabal's crimes:** child trafficking, global wars, and the manipulation of humanity for their gain. The tribunals will be public, and executions will follow, as justice is served for the crimes committed against the world.
- **The Countdown to Liberation:** The indictments are no longer rumors—they are fully active. Military forces are executing the largest purge of corruption in human history. The storm is here, and there's no stopping what's coming next. The indictments are airtight, the arrests are accelerating, and the storm is in full force.
- **We are the storm,** and the Cabal's days are numbered.

This is why the elites are scrambling to keep a lid on these developments. The BRICS alliance is working on a global satellite system that will allow BRICS countries to control global communications, ensuring that the Western powers can no longer control the narrative or manipulate markets through misinformation. The U.S. intelligence community is terrified because they know that once this system is live, their ability to spy, manipulate, and control global events will be neutralized.

"It felt like someone kicked me in the gut," Rippee added. Rippee, who works inside the General Services Administration (GSA), described the unaccompanied minors as being treated like "commodities... like potato chips on a truck." The contract, which she highlights as an enormous "big money business," involves moving children, often separated from their families, under inhumane conditions. "Once you know, you cannot unknow," Rippee stated, saying that the horrifying conditions she witnessed inspired her to speak out: "It's about the children, and it's my duty now to speak up." Rippee also noted the troubling normalization of such activities within the government, saying, "It's just an accepted part of the bureaucracy. But the reality is, this is exploitation, and it has to stop." Rippee's revelations come on the heels of Border Patrol Agent Zachary Apotheker blowing the whistle on the U.S. Customs and Border Protection in the film "Line in the Sand." ## **P. Native Hawaiian DEW Victims of Maui Hawaii**

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

**Q. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. **S. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That

Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

**Update Mon. 22 Oct. 2024**

Hi Judy,

Tom will be transferred to the prison system tomorrow. Please remove the paragraph from your newsletter with the reference to jail ATM as it is no longer valid.

Tom has a strong testimony that God lives and watches over all. He was reading in Jeremiah 11 and knows that for those who have perpetrated evil against innocent parties, their fate is sealed.

Again, Tom really appreciates everything that everyone has done for him. He feels the love and support.

Sincerely,  
Linda Speirs

*Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.*

*"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
