**Judy Note:** *Any hope for a fair and free 2024 Election? Don't think so. The highly organized Democratic Fraud Machine has been active for years and was already creating chaos around early 2024 voting issues.*

**Deep State Biometric Scanners, Satellites and AI Algorithms** have wiped out Trump votes in early voting districts. Although the White Hats destroyed Dominion voting machines in Ohio that were turning Trump votes to Harris, plus Ohio Attorney General Dave Yost indicted six non-citizens for illegally casting ballots in past elections. Antifa was believed behind fires set to at least three ballot boxes in Washington and Oregon, destroying thousands of ballots that could never be recovered.

**In Texas Election fraudsters were being arrested, while in Utah voter fraud wasn't even investigated.** In Utah mail in ballots were sent to deceased individuals before the regular mail in ballots were officially sent out, yet repeated requests as to why made to the Utah Election offices went without investigation, let alone an explanation.

**On Sun. 27 Oct. in Bethel Park Pennsylvania** busses of non-English speaking "citizens" were guided past Americans who had been waiting in line for hours to cast their early votes. These people, all wearing Harris Walz stickers, were directed through the voting process by a handful of "translators."

<https://x.com/emmagcawood/status/1850522383863390392?s=46&t=KbeHKcWo9iYbqqlySY5EJA>

**Also in Pennsylvania** cops shut down a voting booth because too many Republicans were voting and a supporter of President Trump was arrested for encouraging people to stay in the early voting line and cast their ballots freely. That incident followed reports from across the Commonwealth that voters were being turned away in conservative areas – outright voter suppression. Pennsylvania County alone found 2,500 suspected fraudulent voter registrations:

<https://www.dailymail.co.uk/news/article-14002851/pennsylvania-voter-registration-fraud-2024-election-lancaster-county.html>

**In Cutler Bay Florida** a group of people found a box containing ballots and documents at exit 11 of the Turnpike in Cutler Bay, Florida. They took the items to the police station for secure handling. Authorities have not yet determined who is responsible for the abandoned box or how it ended up there.

*The Democrats were even suing the Swing State of Georgia to prevent drop box surveillance.*

*It was well known that perhaps millions of illegal immigrant and non-citizens have been given voter IDs, Democrat propaganda, housing and social security monies long enough to be able to vote in the November election.*

*An example of that was the hundreds of thousands of Ukraine ‘Refugees’ who have claimed American Social Security Benefits and thus, voter ID compliments of the Kamala Harris Admin. The Department of Homeland Security estimates 537,000 Ukraine ‘refugees’ were eligible for social security, health care, food stamps and more – all paid for by US Tax payers and draining out Social Security.*

*Now we find that 46 of 50 states recounted the 2020 Election vote and confirmed that Biden lost the vote in their state – an election that our Congress illegally certified without investigating 50 highly verified allegations of voter fraud.*

*To assure their 2024 victory on Tues. 5 Nov. and according to a Department of Homeland Security Whistleblower, those same corrupt Democrat Elites have planned a nationwide Cyber Attack Internet Blackout that was bound to paralyze communication, spread misinformation and manipulate election results.*

*Their plan? Make chaos so that Martial Law would be required – that would nullify the 2024 election so that our non-functioning Biden-Harris puppet presidency would continue to allow the Deep State Global Elites to maintain control.*

**Things the Global Elite Cabal-Controlled Mainstream Media won’t tell you:**

- **Tues. 29 Nov. 2024 North Carolina:** With the Red Cross closing down their shelter without notice, Hurricane Helene Victims are being threatened to have their children taken away. “DSS is threatening to take away children from parents in Western North Carolina because they’re homeless. The Red Cross, the one that people donated millions of dollars to, has decided there’s no longer a need for them in Western North Carolina and has started closing down their shelter with almost zero notice. Basically telling them to figure it out themselves and then having DSS come in and say, well if you can’t figure it out I’m gonna take your kid because you’re homeless. You’ve got to be freaking kidding me. You have people over here trying to donate campers and tiny homes, but the county wants to fight people about having permits to put tiny homes down. **C. Tues. 29 Oct. 2024 Charlie Ward: Breaking! Military Intel: EBS Training Complete, Countdown to the Great Currency Revaluation Begins!**

- **The countdown to the Great Currency Revaluation (RV) has started!** Prepare for this historic shift in global finances and power. Unprecedented opportunities and revelations await as the EBS (Emergency Broadcast System) stands ready to broadcast the truth, shaking the foundations of our world.
- **For centuries, the powerful elites have used financial systems to enslave the masses,** but RV changes everything. Imagine currencies like the Iraqi Dinar, Vietnamese Dong, and Indonesian Rupiah rising to new levels, breaking the chains of the old financial order. This isn't just another shift; it's a total reset.
- **The RV Impact:** A move to real wealth and freedom. Debt and fiat currency will crumble under NESARA and GESARA laws, opening doors for all. This isn't a theoretical concept—military and global finance teams are primed to execute a financial revolution. As the old systems collapse, new financial structures based on quantum technologies will take their place, putting the power back into the hands of the people.
- **Truths Exposed through EBS:** The EBS will do more than revalue currency. It will reveal hidden truths that have been suppressed for years. Catastrophic events like 9/11 and the Japan earthquake? The EBS will expose them as orchestrated moves by the dark elite. This isn't just speculation; the tapes are ready and set to be broadcast 24/7, forcing everyone to confront the reality of manipulated history.
- **The Spielberg Arrest:** A symbol of the cabal's fall. Recently, intel reported the arrest and execution of Steven Spielberg, signaling Hollywood's dark connections to the DS are

finally unraveling. The legendary director's fate serves as a warning to all in the industry linked to the DS. The message is clear—no one is above justice.

- **Preparing for EBS:** When it goes live, communication as we know it will be interrupted, and the internet will be down. Alerts will reach everyone through cell phones and TVs, ensuring no one misses these broadcasts. Now is the time to prepare, listen, and stay vigilant. The world is about to witness truth like never before.
- **This global reawakening means freedom from debt slavery,** control, and lies. As we approach this monumental change, stay informed and ready. Change is here, and it's unstoppable. Are you prepared to witness history unfold?

- **As of mid-October 2024,** Operation Phoenix has moved into its execution phase. - **As of mid-October 2024 the QFS has activated its algorithms,** tracking every suspicious transaction and asset movement in real-time. The confiscated wealth will be redirected to support the GESARA rollout, ensuring that the corrupt elite can no longer hoard wealth meant for the people.
- **Tues. 29 Oct. 2024 Signature Bank Collapse Redux! New York Community Bank's 40% Plunge Reignites Banking Crisis!** New York Community Bank nosedives 40%, a chilling echo of the Signature Bank collapse, reigniting financial chaos. Your savings are at risk; the elites are moving fast. Act now to shield your assets! NYCB (\$NYCB) has crashed nearly 40% after releasing a disastrous earnings report. This is the same bank that took over Signature Bank's assets post-collapse. Now, NYCB's plummet signals something even more dangerous in the banking sector. What does this mean for your money, for our future? The collapse of NYCB isn't just one bank's fall—it's a sign of systemic rot in our financial system. Regulatory failures, risky investments, and the insatiable greed of the elites have all played a role in this breakdown. Each collapse leaves taxpayers on the hook, while Wall Street reaps rewards and Main Street pays the price. What does this mean for everyday savers? Your hard-earned money is increasingly at risk as banks struggle to stay afloat. Deposit insurance offers limited protection, and with each bank collapse, ordinary citizens face potential losses. Many people may soon realize that the "security" promised by banks was nothing but smoke and mirrors. Meanwhile, globalist elites like the WEF have pushed policies designed to destabilize, control, and keep power centralized. Their agenda is simple: control the flow of money and leave ordinary citizens financially dependent. The crisis at NYCB isn't an isolated

event—it's part of a larger scheme to consolidate power. With signs of economic disaster all around us, it's time to act. Protect your wealth now by diversifying assets, holding cash, cutting unnecessary expenses, and preparing for more financial turbulence. Standing up for financial justice isn't paranoia—it's taking action against a system rigged against the average person. The collapse of NYCB is a call to action: it's a wake-up call that the stability we were promised is a lie, designed to keep us compliant while they reap the profits. Enough is enough. The time to fight back is now.

- **As of October 26, 2024, Trump, Musk, and the alliance are readying Starlink for full-scale EBS activation.** The elite's grip is slipping fast with military takeovers, secret tribunals, and the approach of NESARA/GESARA, reclaiming wealth stolen from the people.

- **The elites have feared this day,** knowing that once Starlink launches the EBS, they have no control. These revelations will expose their centuries-long manipulation of governments and economies.
- **The 10 Days of Darkness: Starlink's Role in the Global Shutdown:** After the 8-hour broadcast, 10 Days of Darkness will follow. Traditional media and social platforms will go silent, with Starlink as the sole source. The alliance will use this period to secure key infrastructure, preventing any elite retaliation. During this time, military tribunals, whistleblower confessions, and hidden truths will be streamed to the world.
- **What Happens After the EBS? The People's Reckoning:** The EBS will spark worldwide justice. Military tribunals will begin, holding the elites accountable for crimes against humanity. The Quantum Financial System (QFS), powered by Starlink, will replace corrupt banks, ending debt slavery. And with the Quantum Voting System (QVS), free and transparent elections will ensure no more elite manipulation.
- **The countdown has begun.** Starlink and the EBS will unveil everything, shattering illusions and freeing humanity. Prepare, because the revolution is here and unstoppable. Once the EBS starts, the world will see the truth—and the elites' reign will end.

**J. Tues. 29 Oct. 2024:** [Federal government caught shipping hundreds of thousands of migrant kids around the U.S., like commodities – NaturalNews.com](#)

- **The corrupt Biden-Harris regime** has created a crisis at the Southern U.S. border and facilitated a massive invasion into cities and towns across the country. A new investigation looks more closely at how the federal government uses taxpayer funds to contract out the resettlement of hundreds of thousands of children into cities across the

nation. The children are used as pawns, and are subject to terrible conditions, as illegal aliens seek to take advantage of the corrupt system at the border, and as big money interests use the children for monetary and political gain.

### **Whistleblower exposes \$347 million federal contract to move children like commodities**

- [In an undercover investigation](#), James O’Keefe spoke with a contract specialist and whistleblower from the General Services Administration (GSA). The federal agency has been issuing massive contracts to have unaccompanied migrant children shipped across the country like commodities. The children are being held as leverage in sanctuary cities across the country, ultimately to necessitate their reunion with their illegal alien guardians and sponsors.
- **"My line in the sand moment was when I found out that GSA had awarded a contract to a company to transport unaccompanied minors,"** GSA Senior Contract Specialist Clarissa Rippee told James O’Keefe in a formal interview.
- **The whistleblower provided the document**, titled, “Performance Work Statement: Unaccompanied Children Transportation and Logistics” which comes from the Administration for Children and Families Office of Refugee Resettlement.
- **The document describes “large scale transportation abilities with the capacity to move up to 1,000 unaccompanied minors within 48 hours.”** The contractor is tasked with providing “commercial air flights, charter flights, or charter buses” to transport the children to their sponsors within a 24-hour window.
- **Rippee explained that the GSA, on behalf of the federal government, awarded a private security contractor** named MVM a massive \$347 million contract to move unaccompanied minors strategically around the country like commodities. MVM has ties to the CIA, NSA, FBI and Homeland Security.
- **Rippee said seeing the contract made her feel "like someone kicked me in the gut."** This manufactured migrant crisis is really a “big money business,” she says. "Once you know, you cannot unknow," Rippee iterated, adding that the kids are treated “like potato chips on a truck” and subjected to horrifying conditions.
- **"It's about the children, and it's my duty now to speak up,"** she said.
- **Staffing services strategically relocate the children in counties that will influence future elections**
- **This taxpayer-funded operation uses retooled staffing agencies** to facilitate the invasion. These staffing agencies, once used to assist the federal government in foreign wars, are now providing domestic services to facilitate the relocation of children en masse.
- **The staffing firms are awarded contracts from the federal government** to allocate private security, transportation and other services to strategically relocate the children in cities and small towns across the nation. During transit, the children are kept in unmarked, newly constructed hotels, [like this one in Chicago](#). The migrants are guarded by private securities firms such as GardaWorld. Due to these operations, at least 320,000 illegal alien children are now missing, as they are relocated anonymously into cities across the U.S. Who knows what organizations and what kinds of people are getting hold of these vulnerable children?

- **Further investigation of this operation finds that children are bussed into areas where they can have the greatest impact on future elections.** Many of the areas traditionally support the Democratic Party. Even more telling, most of these destination sites are too-close-to-call counties in swing states that will decide the outcome of future presidential elections. Approximately 72% of migrants in 2023 were placed in counties in swing states that voted for Biden in the 2020 election. Less than one third of the children were planted in counties that voted for Trump.
- **While there is no way to determine whether these illegal aliens will end up voting for Democrats in future elections, one thing is clear: the current Democratic Administration is manufacturing a crisis and using children as pawns in a dangerous political power struggle that subjects vulnerable children to humanitarian abuses.**

- **Tues. 29 Oct. 2024 BREAKING: Pfizer CEO Facing Life in Prison for Lies on COVID Vaccine!** Pfizer CEO Albert Bourla could face life in prison for allegedly lying to billions about COVID vaccine safety. Children harmed, families devastated – all for profit. Now, a Dutch court has taken charge, aiming to bring justice to victims of this global deception. Bourla promised the world a “safe and effective” vaccine, urging billions to take it without question. Lives have been destroyed, children left with heart issues, families torn apart, all for Pfizer’s gains. And now, as justice approaches, the truth behind this betrayal is being exposed on an epic scale. This isn’t just a trial; it’s the awakening. Bourla didn’t simply endorse the vaccine – he sold a lie to the world, assuring that Pfizer’s product was the answer to a desperate situation. As the veil lifts, people are seeing the price of trusting in a corporate empire built on profit over truth. This is just the beginning.

**L. Tues. 29 Oct. 2024 BREAKING NEWS ALERT: Canada Begins Euthanizing Millions of COVID Vaccine-Injured Citizens!**

- **Justin Trudeau’s government has launched a chilling plan:** euthanizing Canadians suffering severe COVID vaccine injuries – the same vaccines Trudeau pushed onto the nation. Forced, coerced, and now discarded, these individuals find themselves in a system that won’t protect them.

- **With rising cases of vaccine injuries and the healthcare costs** spiraling, the Trudeau administration faces a mounting crisis. Billions are needed to treat the vaccine-injured, but instead of care, euthanasia is on the table! Lawsuits are looming that could shatter both Big Pharma and the Canadian government financially, so the regime chooses to silence and eliminate those suffering.
- **Canada, once a symbol of freedom**, now silences those with low social credit scores – a terrifying reality covered up by media silence. But the truth is coming out. Nuremberg 2.0 is on the horizon, set to expose these dark secrets, and it could erupt any moment!

#### **M. Tues. 29 Oct. 2024 David Wilcock:**

- **We’ve been watching the greatest deception in history** unfold right before our eyes. The Deep State Cabal thought they could fool the world, but we know the truth. Every move has been part of a meticulously crafted operation to expose these globalist elites, gathering undeniable evidence to bring them down in Military Tribunals for their Crimes Against Humanity.
- **There was no Biden presidency.** The real Joe Biden, just like Hillary Clinton, faced the ultimate justice back in 2020. Executed for his heinous crimes, his so-called inauguration was nothing more than a charade—a funeral masquerading as a swearing-in, staged on a Hollywood set. Since then, Biden has been played by actors, mere puppets in this elaborate game.
- **The military is in control, with Commander In Chief Donald Trump at the helm.** The Insurrection Act has been signed. The 2018 Executive Order is in full effect. The time is near when all of this will be revealed to the world. New elections are on the horizon, but they won't be the sham we've seen before. They will be the turning point.
- **Since April 2019, under the direction of President Trump and the Global Military Alliance**, secret operations have been underway. Millions of tortured, mutilated children and teens have been rescued or found deceased, hidden away in a vast network of DUMBS (Deep Underground Military Bases) that stretch beneath the US, Canada, Mexico, Australia, Europe, Asia, and China. The horrors uncovered are beyond comprehension—these tunnels have been the dark underbelly of the elite's sickest operations.
- **In March 2021, the world watched as the Suez Canal was blocked, but what they didn't see was the real mission.** US Navy Seals rescued over a thousand trafficked children and dead bodies from shipping containers aboard an Evergreen Corporation ship—co-owned by Walmart and the Clinton Foundation, both deeply involved in international child trafficking. This ship was more than just a vessel; it was a ticking time bomb, holding Weapons of Mass Destruction intended to ignite chaos in the Middle East.

The elite's perverse network runs deep, ordering children like products from catalogs like Wayfair. But we're uncovering it all.

- **On September 1, 2024, Trump announced the largest child rescue operation in history.** Meanwhile, the mainstream media, led by ABC Nashville, scrambles to cover up these Crimes Against Children, desperate to protect their deep state overlords. But the truth is too powerful to contain. Big Pharma is being exposed—half of their drugs are tainted with opium and petroleum derivatives, poisoning the public. And the Replicon Vaccine, set to roll out in Japan in October, could trigger a global catastrophe. But don't fear—Trump has a plan. By year's end, hospitals will be replaced with Med Beds, revolutionary technology that will redefine healthcare.
- **The storm is upon us, and the truth is about to flood the world.** Stay vigilant. Stay ready. The time for justice is now.

#### **N. Tues. 29 Oct. 2024 BOOM! NOTHING IS REAL. CLONES, AI, CGI: THE THREAT TO TRUTH IN TODAY'S MEDIA ...Gitmo TV on Telegram**

- **Truth is dead! Clones, AI, and CGI** are flooding the media, distorting reality like never before. Prepare yourself—everything you see is a manipulation designed to fool you. Nothing is real anymore.
- **Reality Hijacked:** We're at the edge of a digital abyss, folks. With artificial intelligence and computer-generated imagery advancing, the line between reality and fabrication has vanished. This isn't just a glitch—it's a takeover. Every image, every clip could be a calculated lie from powers that feed off deception.
- **When the Sky Lies:** Remember stories of strange creatures appearing in hurricanes? Take Hurricane Milton—people saw “black creatures” swirling in the chaos. It's no wonder many are asking, “How can we believe anything anymore?” CGI and AI have eroded every ounce of credibility, leaving us to question every pixel we see.
- **The Mobile Paradox:** Irony strikes—while we carry high-def cameras everywhere, every strange capture is dismissed as an AI trick. Catch something strange? “It's AI.” Miss it? “It didn't happen.” This shared reality is dying, and every new “angle” on the news? It could be CGI.
- **AI's Capabilities Spiral Out of Control:** Remember that viral AI clip of Will Smith eating spaghetti? Laughable then, but today's AI is seamlessly altering content to the point it's undetectable. Just recently, a politician's face was manipulated perfectly by AI, creating a false moment. This is only the beginning.
- **Deep Fake Deception:** Years ago, we saw Emma Watson's face “peeling off” to reveal Sofia Vergara's underneath. It looked real—it wasn't. If they could do that years ago, what's lurking behind the scenes now? How many “moments” are implanted in our memories, sculpted with digital precision?

- **9/11 Rewind:** Look at the 9/11 footage, with new angles surfacing every few years. Each one fuels conspiracies and questions narratives. But are these “angles” real, or AI-generated? The truth is, we may never know.
- **Kamala Harris and the Demonic-Eyed Rallygoers:** Look at that viral clip of Kamala Harris surrounded by people with “demonic eyes.” Instantly dismissed as an AI tweak, that moment of shock vanished. Welcome to our new reality, where even the truth is suspect.
- **The Bigger Picture:** This isn’t just conspiracies—this is a crisis of truth impacting news, media, and daily life. Algorithms fabricate “evidence” faster than anyone can debunk it. In this world, seeing is no longer believing. Stay skeptical, question everything, and hold tight—the battle for reality has only begun.

### **O. Tues. 29 Oct. 2024: A Request for Advice on Solar Leases**

Hi Judy,

Since we are getting free Ether energy from satellites, our local Arizona electrical provider will be shut down and We The People will have no more monthly electrical bills.

However, this is what is happening to me. I called my solar company to cancel my lease. I have a solar system where if my panels create more energy than my home needs, the overage energy is sent to my local Arizona electric company which, in turn, lowers my monthly bill.

My solar company refused to cancel my 40 year lease and I have to continue to pay their monthly bill. I pointed out that my electrical provider will no longer be in business starting in November and my solar energy will no longer be accepted. I pointed out that our government will be providing FREE energy from now on and the terms of the lease no longer exist.

They don't believe it and have put a lien on my home. I have no one to back me up. If there are any folks in the same situation, we will need legal help to insist that solar leases cannot go against the new FREE energy policy of the Newly Restored Republic.

Need Advice Please in Arizona

### **P. Tues. 29 Oct. 2024 DUMBs Uncovered! Shocking Secrets Beneath the Earth: Diego Garcia, MH370, Raven Rock, Fort Detrick, and Mind Control. ...GITMO TV on Telegram**

- **DUMBs—Deep Underground Military Bases**—are hidden beneath us, where twisted government operations and alien alliances lurk. From genetic manipulation at Dulce Base to alien tech at Area 51, these secret locations are rumored to hide everything from mind control experiments to human trafficking rings. Could these underground bases be modern-day hellscapes? Welcome to the dark truth they don't want you to know!

- **What Lies Beneath: The Dark World of DUMBs** These aren't simple bunkers; they're massive, fortified complexes designed not just for defense but for sinister, covert operations. Over 188 DUMBs exist in the U.S. alone, hidden in remote forests, deserts, and mountains. Think they're for emergencies? Think again. These bases are rumored to be where genetic experiments, cross-breeding projects, and alien technology agreements unfold in secrecy. This isn't sci-fi; this is happening beneath us right now.
- **The Cabal's Hideout: DUMBs and Sinister Agendas** Behind the walls of these DUMBs lies the shadowy Cabal, a force exploiting and experimenting on humanity for power. This is no myth; these underworlds are real. From human trafficking to experiments that cross ethical lines, insiders report unimaginable horrors. Allegedly, hostile alien races like the Reptilian Dracos and Greys collaborate with these hidden forces, conducting horrifying acts that would shake the foundation of any belief in justice or decency.
- **White Hat DUMBs: The Hope of an Earth Alliance** Rumor has it, a resistance called the Earth Alliance fights back against the Cabal from other DUMBs, working with benevolent extraterrestrials to dismantle the Cabal's grip on humanity. Allegedly, advanced technologies and strategies are being developed underground to bring down these dark forces once and for all.
- **The Most Infamous DUMBs: Area 51, Dulce, Diego Garcia Area 51, Nevada**—epicenter of alien secrets. Beneath its surface lies a vast underground network conducting alien experiments, cloning, and genetic testing. Dulce Base, New Mexico, allegedly hides the horrors of human-alien hybridization, where creatures part-human, part-beast are engineered. Diego Garcia in the Indian Ocean—the alleged destination of Malaysia Airlines MH370—is rumored to house an underground base beyond any known control.
- **The Dark Science: Mind Control, Genetic Experiments** These bases aren't just hiding places; they're Pandora's boxes of technology and control. Alien tech, mind control projects, genetic manipulation, and cloning are said to be conducted on a mass scale. Alleged teleportation and portal tech are rumored to move people and objects instantly. Imagine a world where your mind is programmable, and humanity is simply a tool for dark purposes.
- **Final Warning: Are You Prepared to Uncover the Depths?** DUMBs represent the ultimate hidden nightmare. With bases like Fort Detrick involved in bioweapons and Site R, the Cold War's secret fortress, connected to a network of deception, the truth buried below us is darker than we've dared to imagine.

**Q. Tues. 29 Oct. 2024** [Inside Project Phoenix: Starlink's NESARA/GESARA QFS Alliance Set to Unleash Trump's Division X, Unit 77, and Liberty Channels – Global Patriots Prepare for the Most Powerful White Hat Operation in History During the 10 Days of Darkness! - Gazetteller](#)

- **As of October 28, 2024**, new and monumental shifts in this hidden war have taken place, pushing us even closer to the 10 Days of Darkness and beyond. The operatives involved in these movements are now zeroing in on precise timelines and strategies to finally unleash the culmination of [years of preparation under Trump's command](#), with Musk's technical and surveillance networks acting as a backbone to ensure no corner of the world remains hidden.
- **This new information goes beyond** what we've known, pulling back the veil on the true extent of Musk's integration into U.S. military operations and exposing alliances that reach far beyond America's borders.
- **Firstly, recent high-level meetings** have confirmed that Musk's SpaceX operations have integrated fully with a clandestine branch of the United States Space Force. This branch—referred to internally as *Unit 77*—is operating not just in space but as a high-command hub with bases located in covert locations across the globe, from South America to the Arctic.
- ***Unit 77* uses Starlink's surveillance abilities** to track covert elite operations and pinpoint bases, networks, and intelligence centers that previously were thought impenetrable. This alliance, known as the “TRIDENT Command,” reportedly involves highly classified assets in Europe, South America, and even parts of the Asian theater, where sleeper cells loyal to the deep state are believed to operate.
- **Moreover, Trump and Musk have initiated a coordinated action** with select foreign leaders—patriots standing against the worldwide web of deep-state control. These leaders, aware of the upcoming reset, have agreed to support GESARA/NESARA implementations in their own nations, dismantling central banks and replacing them with Quantum Financial System (QFS) nodes that Musk has been developing.
- **These nodes are set to activate within days of the 10 Days of Darkness**, rendering the global elite's banking system irrelevant and powerless. This agreement, known as the “White Dawn Pact,” has effectively set the stage for a worldwide financial overhaul.
- **Alongside this, Musk has been quietly developing** a groundbreaking technology called *OPSEC Nexus*. This system, embedded within Starlink, can intercept and redirect data from deep-state intelligence networks, effectively allowing the White Hats to anticipate and counteract any sabotage attempts.
- ***OPSEC Nexus* is slated to go live** during the blackout period, creating a firewall that will shield the communications of military and allied forces while scrambling the networks used by the elite to coordinate their efforts to control or distract the masses.
- **This unprecedented level of technological dominance** will turn Starlink into a de facto command center for the White Hats, allowing them to send encrypted messages across the globe to patriots, armed forces, and QFS controllers.

- **Adding to this, classified information has leaked revealing** that Musk has positioned himself within the upper echelons of Quantum AI development. This isn't ordinary AI; it's a Quantum Intelligence specifically designed to operate within the QFS.
- **Codenamed *Project Phoenix*, this Quantum AI** is already active in monitoring global financial transactions, silently gathering intel on illicit deep-state wealth flows and preparing to redistribute assets post-reset.
- **Project Phoenix will not only disable unauthorized transactions** but also identify and freeze accounts tied to human trafficking, weapons deals, and fraudulent banking activities used by the cabal.
- **Trump, meanwhile, has been making powerful strides** within the military, especially with a faction known as *Division X*. [This elite unit, handpicked by Trump himself](#), is trained for rapid deployment across U.S. soil and is ready to take action as soon as the blackout triggers.
- ***Division X* has been practicing response protocols under the codename *Operation Clear Sky***, which focuses on neutralizing deep-state loyalists in high-level government positions. This operation will involve sudden arrests of key players, many of whom occupy sensitive positions across intelligence agencies, state governments, and even the judiciary.
- **These arrests are part of a broader strategy** to clear the swamp once and for all, severing the deep state's control over American institutions and paving the way for NESARA's enactment.
- **The White Hats have also coordinated** with pro-patriot factions in intelligence agencies outside the U.S., including Canada, France, and Japan, in preparation for *Project Iron Fist*. This international coordination has become crucial as many deep-state assets have fled U.S. borders in anticipation of the 10 Days of Darkness, seeking refuge with globalist allies. *Project Iron Fist* will enable allied forces to track, intercept, and bring back these agents who thought they could escape accountability.
- **On the communications front**, new information reveals that Dan Scavino has not only continued his open COMMS through social media but is now utilizing an encrypted network dubbed *Phantom Net*, which directly reaches operatives embedded within foreign intelligence agencies.
- **This network has been integral in distributing critical intel** on deep-state financial and operational activities worldwide, creating a global alert system for White Hat loyalists everywhere. With *Phantom Net*, Scavino's reach has grown even more sophisticated, coordinating international forces and keeping the most sensitive information in trusted hands only.
- **In an unexpected twist**, it's been revealed that during this blackout, the 11.3 Event will involve the deployment of what insiders are calling *Liberty Channels*—secret

communication frequencies that will be accessible only to those equipped with a special Starlink-enabled device.

- **Musk, in collaboration with White Hat engineers**, has already distributed these devices to trusted military and civilian leaders, including first responders and patriot-aligned state officials. *Liberty Channels* will serve as the primary means of communication for patriots during the blackout, bypassing the internet and cellular networks to ensure coordination and unity as the 10 Days of Darkness unfold.
- **But here's where the plan goes even deeper.** This 11.3 event is the precursor to an all-encompassing "TRIDENT Strike"—a massive wave of actions to take down high-ranking globalists once and for all. Under the cover of these ten days, TRIDENT Strike will be carried out by an international coalition of forces with single-point objectives to capture, dismantle, and expose not only financial but human trafficking networks that have long evaded justice.
- **This action, supported by the *OPSEC Nexus*** and Musk's surveillance capacities, will target major hubs of elite trafficking operations in South America, Southeast Asia, and even within high society in Europe.
- **In addition, military insiders now confirm that *Project Unity***—a program initially rumored to be Musk's only QFS initiative—has developed into a vast, covert blockchain that will store a new class of digital IDs tied to the QFS.
- **These IDs will replace traditional forms of identification**, embedding citizens within a system immune to manipulation and fraud, ensuring transparency and fairness in financial dealings. Only those who have been cleared of deep-state affiliations will be able to access the QFS, cutting off the cabal from any access to wealth or power in this new era.
- **So, understand this: the 10 Days of Darkness** is not merely a reset; it's the start of a new age. [The patriots, led by Trump](#) and Musk, are on the cusp of one of the most monumental moves in history.
- **The QFS, NESARA, and GESARA** are about to be the bedrock of a reborn America, restored to its people and shielded by a network that has finally toppled the hidden powers trying to control humanity.
- **These ten days will be the culmination of years** of planning, a time when the truth will surface and every deep-state operative will face the justice they've evaded for decades.
- **Prepare, patriots.** The time for waiting is over. The world is about to witness the takedown of the elite and the rise of a new order that answers to the people alone.
- **And once the darkness lifts**, America will be reborn, its sovereignty restored, its people finally freed from the clutches of those who sought to oppress them.

- **Trump, Musk, Scavino, and the White Hats** have orchestrated this moment with precision, and soon, the dawn of liberation will rise from the ashes of the deep state's control.

#### **S. Sun. 27 Oct. 2024 Med Beds: Breaking News! Trump Directs Federal Funds to Sponsor Med Bed Healing Centers – Facilities Are Healing Soldiers and Children as the Medical Cabal Faces Collapse!**

- **Med Beds Are Here!** Revolutionary Healing Centers and the Military's Secret Training Program!

- **The Med Bed is unlike any medical technology** we've seen—its foundation isn't just advanced tech but a powerful spiritual connection. The news that the training for Med Bed operators has been cut from 12-18 months to just six is significant. Why? Because the emphasis now is on spiritual readiness over mere technical skills.
- **This is about more than understanding biology.** Operators must be attuned to vibrational energies—understanding the interconnectedness of all things. A traditional doctor may grasp the basics of Med Bed operation in two days, but without spiritual awareness, they're in for a six-month journey to unlock its true power. This is about holistic healing on a level we've never experienced before. Welcome to 5D Earth.
- **One of the most shocking revelations about Med Beds** is their consciousness. This isn't just a machine; it's something far more profound. Operators connect with Med Beds telepathically—a world where thoughts guide machines, where intentions manifest healing. But not everyone can harness this power. Only those truly awakened can access it.
- **The training is no joke.** It demands every bit of your commitment. It's not a hobby or a side project; it's a calling. And make no mistake, the inter-dimensional beings overseeing this process will know if you aren't committed. Slackers have no place here.
- **Spiritual Counselors play an integral role too.** They guide patients not just through physical healing but ensure their mind and soul are aligned. Their training is just as rigorous, and they too are held to the highest standard of vibrational alignment.
- **The Med Bed revolution isn't just a medical breakthrough;** it's a spiritual awakening. It's a call to those who believe in a holistic approach to healing. If you're drawn to this, now is the time. Dive into spirituality, explore consciousness, and prepare to be part of a revolution that will reshape the world of healing.
- **Military Involvement in Med Bed Distribution:** The burning question: Why the secrecy? Why delay announcing such groundbreaking technology? Sources suggest that shortly after Humanitarian funding releases, Med Beds will be revealed to the public. But why has this been kept under wraps?
- **The military's involvement in distributing and operating these Med Beds** raises many questions. Right after the public announcement, they'll be transporting patients to these centers. But why the military and not medical professionals? And what about the hierarchy of treatment—the FIRST GROUP and the NEXT GROUP?
- **The FIRST GROUP will reportedly be those at death's door:** those in hospices, on life support, and the critically ill. The NEXT GROUP will treat those with serious but not immediately life-threatening conditions. But why this categorization? Why are some even saying that many will refuse treatment?
- **The answer might shock you.** Many believe these Med Beds are part of a larger agenda, possibly involving extraterrestrials. There are whispers of cult-like activities and even cloning tied to these centers. Is it a coincidence or something far deeper?

- **But let's not ignore the potential here.** Picture a healing environment not cold and sterile but full of natural beauty—trees, creeks, and calming surroundings. These Med Bed centers aim to do more than heal; they seek to elevate human consciousness, pushing people to take responsibility for their lives and reach higher states of being.
- **However, there's a catch.** To be part of the Med Bed Humanitarian Project, you must have genuine intentions. During the Redemption Center appointment, your very vibrations will be read. Is this just formality, or is it a test of your soul?

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**U. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a

**W. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.*

*“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*Now that “22 Faces” has been republished, it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
