**Judy Note: In the darkness of early morning Tues. 8 Oct. 2024 the White Hats saved six child
victims of Hurricane Helene who had been kidnapped by FEMA Agents for their international**

Child Sex Trafficking Ring. A White Hat/Red Hat coalition engaged with armed FEMA Agents at the downtown Greenville Airport in South Carolina.

Six blindfolded children flanked by FEMA agents, were being taken from a maintenance warehouse to board a Cessna 441 Conquest. After killing the FEMA Agents and freeing the children, Union forces firebombed the Cessna and FEMA's ground vehicles.

*They then received a radio message saying FEMA reinforcements had learned of the incursion and were heading to the airport from Greenville, Brookhaven and Easley. Although the children were taken to safety we have yet to hear an update on the situation. **Tues. 8 Oct. 2024** White & Red Hats Catch FEMA Trafficking Children: <https://rumble.com/v5i3drh-the-battle-for-the-greenville-sc-airport.html>*

On that same Tuesday 8 Oct. 2024 in Candler North Carolina near Asheville the White Hats arrested the king pin of all time human traffickers, "High Horseman," along with 41 of his men. The coalition had fought off and killed FEMA Agents in order to get to the Satanic Coven of High Horseman whom they had tried to catch for over thirty years.

Chandler NC was considered a hotbed WICCAN community which was composed of witches, witchcraft and the Occult. After Hurricane Helene, numerous babies' bodies had been seen floating in a river running by Candler. The babies weren't from local families, but from a DUMB Underground Tunnel beneath Candler, now flooded, where human trafficking has taken place.

Of present concern was that FEMA, FBI, and ATF agents have erected mobile command centers just outside the projected impact zone of Hurricane Milton as it barreled toward the Sarasota-Tampa area with 160mph sustained winds. Florida governor Ron DeSantis had already announced that the state had control of the situation and didn't want FEMA in his state.

DeSantis had enough of the Deep State kidnapping children from Florida. Navy Seals had recently rescued kidnapped kids from a shipping container in Miami harbor. [Navy SEALs Rescue Kidnapped Kids from SHIPPING CONTAINER in Miami | Real Raw News](#)

The rejection of FEMA's help was expected. FEMA was suspected of actually creating Hurricane Milton in order to feed off the victims, just as they had in Hurricane Helene, Katrina and DEW set fires in California and Maui.

The White Hats had recently arrested FEMA Director Deanne Criswell. During this past year she had evaded capture following the White Hat arrests of FEMA Agents for kidnapping and killing victims of the Maui DEW Fires in Aug. 2023. [Captured! FEMA Director Deanne Criswell | Real Raw News](#)

Why would the Deep State Cabal Elites want to deliberately create crises such as starting the DEW fires in California and Maui that burned the country down, creating mega hurricanes like

Katrina, Helene and Milton that devastated people's lives, or focus on kidnapping children instead of saving them?

It's all about power, control and obtaining children for their very financially lucrative international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring – that's why the Elites worship Satan with pedophile parties and Child Sacrifice Rites and why the US houses the largest Child Sex Trafficking Ring in the World – to honor Satan in return for riches, power and glory.

In Obama's second term he established FEMA with a purpose of enforcing the New World Agenda of complete control over the population. Executive Orders associated with FEMA that suspended the Constitution and Bill of Rights had already been on record for nearly 30 years.

When the President declared a State of Emergency the Executive Orders gave FEMA immediate authorization to put all Presidential EOs into effect, while Congress was not allowed to review the action for six months.

In reality however, FEMA actually has no power over The People no matter how many EOs were signed by a US President. That power was taken away last Feb. when the Supreme Court ruled on the Chevron Deference that sharply cut back power of federal agencies to interpret the laws they administered. It was local Sheriffs who had supreme power over the counties that voted them into office.

Ignoring local authorities, Presidential Executive Orders granted authority to the Department of Justice to enforce the orders through FEMA, to institute industrial support, to establish judicial and legislative liaison, to control all aliens and to operate penal and correctional institutions. The Postmaster General could operate a national registration of all persons, the Housing and Finance Authority could relocate communities, build new housing with public funds, designate areas to be abandoned and establish new locations for populations.

In times of crisis FEMA has complete control over production and distribution of energy sources, wages, salaries, credit and the flow of money in U.S. financial institutions. The EOs allowed the government to seize all means of transportation, including personal cars, trucks or vehicles and had total control over all highways, seaports, waterways, airports, aircraft, railroads and public storage facilities. They could seize and control communication media, take over all electrical power, gas, petroleum, fuels, minerals, food resources and farms. They could mobilize civilians into work brigades under their own control and supervision and take over all health, education and welfare functions.

The Cabal's Biden Harris Admin was suspected to have created and controlled Hurricanes Helene and Milton using Pentagon Weather Weapons – and had even more mega Hurricanes brewing. One was forming alongside Milton as it rushed toward Florida. Another was on it's way to the UK and yet another toward Mexico. Two more were scheduled to hit Florida in the

next three weeks. Florida residents were reporting a large amount of tornados hitting Florida areas, including two inside of Hurricane Milton. The phenomenon simply was not natural.

During the aftermath of Hurricane Helene the Cabal's FEMA lost a battle with the White Hats over a main Satanic headquarters for Human Trafficking in the little town of Candler North Carolina near Asheville. A major Satanic Leader, the High Horseman and 41 of his cohorts were arrested. The White Hats had been chasing the High Horseman for over 30 years. He had changed his identity eighteen times through facial surgeries.

Bodies of the many women and children floating in the water were said not to be from the community, but from a human trafficking underground tunnel that ran to Candler, the number one largest Wiccan community in the World.

The White Hats were also still fighting a battle with Kamala Harris's FBI and FEMA to control North Carolina precious metal Lithium mines. This control of the production of Lithium, a precious metal that was essential in the making of computer chips, was suspected to be the reason Wyoming was on fire due to manmade DEW attacks.

White Hats and Red Hats united to fight FEMA and the FBI in North Carolina. FEMA Director Deanne Criswell was at GITMO, but her underlings continued their reign of terror. After Hurricane Helene's devastation, FEMA deployed 3,500 armed personnel to North Carolina, bringing no relief supplies—only weapons and body bags. As always, they came prepared for war, not aid.

FEMA agents outnumbered the citizens of Asheville, turning the city into a battlefield. One local, who lost everything in the storm, recounted FEMA's refusal to help and their sinister response: "We could've made a deal if you had something to trade."

This cruelty wasn't an isolated incident—residents of Chimney Rock faced even more horrifying treatment. After the Broad River flooded the village, FEMA seized Chimney Rock under eminent domain, leaving residents with no choice but to evacuate or face death. FEMA agents threatened to shoot those who refused to leave, even pointing rifles at those with nowhere to go.

One man, who barely survived the forced evacuation, described seeing neighbors gunned down. "There are bodies everywhere, bullet holes in all of them," he said.

As FEMA terrorized North Carolina, the White Hats finally responded. After a call from Col. Kurtz, leader of the Red Hats, General Smith sent reinforcements. Red Hats had already lost 12 men trying to protect Chimney Rock's lithium deposits, fighting a pitched battle against FEMA and FBI forces.

US Marines arrived, joining the Red Hats in skirmishes across Asheville and Chimney Rock. Special Forces out of Camp Liberty ambushed FEMA personnel, destroying 15 vehicles and

killing 23 agents. Despite losses, including four Special Forces members, White Hats and Red Hats fought bravely.

In Chimney Rock, FEMA agents barricaded themselves in the Esmeralda Inn, shooting at the coalition from the upper floors. Many good men fell in the battle, but the White Hat/Red Hat alliance prevailed, breaking FEMA's grip on the area.

As of now, both sides have sent reinforcements. White Hats and Red Hats vow to remain until every corrupt federal agent is driven out or killed. The battle rages on.

The Cabal's use of Direct Energy Weapons to create fires was well known, especially after the California fires and those that destroyed Liahona Maui in Aug. 2023. The Rock Springs Uplift was known for its lithium content, with estimates suggesting there could be up to 18 million tons of lithium carbonate equivalent there.

Now the Cabal created mega Hurricane Milton (along with a second hurricane and several large tornadoes in the center of Milton) was headed directly toward the US Central Command in Tampa, FL. Central Command's activities were vital for securing America's energy supplies, threats to U.S. national security were addressed and provided counterterrorism against groups like Al-Qaeda and ISIS.

Another Cabal reason to destroy Tampa: Bill Gates and Jeff Vinik have looked at 40 acres of prime downtown real estate in Tampa Florida to transform Water Street into an all-controlling-of-your-life Smart City. The man made Hurricane Milton's destruction would help them seal the deal.

The Global Military Alliance under Trump using a newly formed Restored Republic government were preparing to unleash a global takedown of elite corruption. Generals worldwide were armed, waiting for the green light to ignite arrest wars that were sure to shatter the Deep State Cabal.

A. Update: Government Land Grab From Helene, Milton Hurricanes & Wyoming Fires

- **Wed. 9 Oct. 2024** As Hurricane Milton approached Florida today a second hurricane appeared to the side headed in same direction. Multiple large tornadoes spotted inside Milton. **Around 11:30 EST Milton** was suddenly downgraded to a 2. No reason given, other than a miracle.
- **Wed. 9 Oct. 2024 Florida:** Tornadoes everywhere in Florida! I told you they were going to use weather modification to produce tornadoes under the guise of the hurricane
- **Wed. 9 Oct. 2024 Hurricane Milton was also headed toward the Florida-Haiti 600 miles Interstate Tunnel used to traffic children from Latin America to the Caribbean to the US.** The Florida - Haiti Interstate Tunnel, I-95U or Caribbean International Highway Route 1 is an underwater highway tunnel spanning from southern Florida, outside of Miami to northern Haiti, the city of Cap-Haitien. The tunnel began construction in mid 2009. It is assumed that The Caribbean International Highway construction was completed in 2011 and was also featured on the Discovery Channel's Extreme Engineering documentary series. Why is this tunnel needed to Haiti the poorest country in the Western Hemisphere where millions of people struggle in tent cities?

Half of Wyoming is BURNING right now! I bet you didn't hear a peep about it, did you? You'll never guess what they're going after now! Nearly 73,000 acres of the Bighorn National Forest are now on fire. "The previous largest fire recorded in the forest's 100-year history topped out at around 18,000

acres and took weeks to grow that size. Over the weekend, the Elk Fire grew more than 25,000 acres IN A MATTER OF HOURS.”

E. Tues. 1 Oct. 2024 Currency Revaluation ...Charlie Ward and Friends on Telegram

- **Key Currencies:** Iraqi Dinar, Vietnamese Dong, and Zimbabwe ZIM
- **Iraqi Dinar:** The Iraqi dinar has been undervalued for too long due to years of turmoil and economic instability. But everything is about to change. With this new treaty in

place, the Dinar is set for a major revaluation—bringing newfound prosperity to Iraq and transforming its future.

- **This revaluation won't just boost the economy;** it will bring foreign investors flocking, pushing Iraq into a new era. The elites tried to suppress Iraq, but they can't hold it down any longer. The rise is imminent, and those who know are getting ready to prosper.
- **Vietnamese Dong:** Vietnam's economy has been growing steadily, but the value of the Dong never reflected this progress—because they didn't want it to. Now, with a revaluation, the Dong is set to be on par with the U.S. dollar, signaling the unstoppable rise of Vietnam's economic power.
- **This isn't just about Vietnam;** it's about a global shift, and the opportunities are endless. Trade, investment, and massive economic growth are on the horizon. Those in the know are already seeing the potential. Are you ready to seize the moment?
- **Zimbabwe ZIM:** Zimbabwe has faced economic collapse, hyperinflation, and hardship—but the ZIM is coming back. The revaluation of the ZIM isn't just a step forward; it's a leap towards freedom from the chains the global powers placed on Zimbabwe.
- **This change will restore faith in Zimbabwe's economy** and pave the way for recovery and growth. The old system fears countries like Zimbabwe rising—but it's too late to stop what's coming. The revaluation is about reclaiming power, and those prepared will see rewards beyond belief.

Diddy and his ilk were using a drug referred to as Liquid G, that essentially wipes people's memories. Names as big as Diddy are expected to be involved and he plans on going after banks, hotels, and possibly even pharmaceutical entities. Anyone who was there, he believes was liable since they said nothing when it was happening. "In many of these

cases, the allegation is that the individual was drugged it makes it even more difficult because this particular drug this Liquid G... it almost wipes your memory. Are we talking names as big as Diddy? I expect so....but I've tried to make sure people focus also on corporate entities, to include banks and hotels and perhaps even pharmaceutical entities that were that were maybe not directly involved but were certainly benefiting and profiting from this kind of activity. What I'm focused on is when people are lured to these parties coerced at these parties given illicit drugs at these parties without their knowledge, and then they're taken advantage of and people in the room know this is happening, and participate in it and do nothing about it and then tacitly cover it up. Those people in my mind are just as liable as the individuals who engage directly in the activity. And of the hundred and twenty cases you've taken on so far, what percentage involve minors and what is the split of male and female alleged victims? It's about twenty five out of the hundred and twenty...that number is growing. Twenty-five minors? Twenty-five minors out of the hundred and twenty clients. Wow..."

L. Tues. 8 Oct. 2024 Battle for Greenville Airport: White and Red Hats Find FEMA Trafficking Children, Michael Baxter <https://realrawnews.com/2024/10/battle-for-greenville-airport-white-and-red-hats-find-fema-trafficking-children/>

- **Early Tues. morning 8 Oct. 2024 a White Hat/Red Hat coalition engaged armed FEMA** at the Downtown Greenville Airport in South Carolina, a source in Gen. Smith's office told Real Raw News. He said the alliance expanded its offensive south in response to reports that FEMA and other federal agencies had commandeered the airport and blocked the runways with vehicles and helicopters to stop citizen pilots from bringing relief supplies to storm survivors in North Carolina.
- **For simplicity**, we'll refer to the White and Red Hats as "the Union." The Union strike team confirmed the claim upon arriving at the airport at 2:00 a.m. Tuesday.
- **"Black" helicopters and FEMA Tactical Mobile Command Vehicles** blocked either end of both runways, and four agents ambled about in the dark casually discussing benign topics, such as which team would win the World Series. One goon compulsively glanced at an illuminated watch on his wrist, asking the guy beside him when relief would arrive so he could get some sleep. He complained he hadn't slept in over 24 hours. He pointed at the runways, neither of which was lit, for FEMA must have turned off the edge lights to dissuade bold pilots from attempting a precariously dangerous landing. "No one's getting in or out of here at this hour anyway," the agent said. "I need some damn shut-eye." His companion replied, "We're here till we're relieved; deal with it."
- **Concealed behind buildings alongside the taxiways**, the Union used parabolic microphones to overhear FEMA's chatter. They had been given the transpicuous order to eliminate FEMA.
- **Four Union snipers, whose rifles had either night vision or thermal optics, took positions on rooftops** and aimed at the unsuspecting FEMA agents. The snipers were a

second away from putting bullets in the agents' brains when a "hold fire" message crackled in their earpieces, issued by the team leader.

- **He had seen one of the agents speaking into a handheld radio** and heard him instruct the other visible agents to clear runway 19 because a flight would soon leave the airport. The runway lights got switched on, and the distant rumble of a turboprop's engines filled the Union's parabolic mics.
- **Somehow, they didn't initially spot the pilots** that emerged from the Greenville Jet Center, 1500' away, and boarded a Cessna 441 Conquest, a twin-engine turboprop with a maximum range of 2000 miles. The plane taxied to the Runway 19 threshold and idled.
- **As the Union was assessing its options, six blindfolded children**, flanked by two additional FEMA agents, appeared outside the SAI Flight Companies maintenance warehouse. The feral agents told the crying children to keep their damn mouths shut and walk straight ahead lest they fall on their faces. They were leading the kids to the idling Cessna.
- **"This we weren't expecting, and it for sure put a chink in our plan,"** our source said. "Eight agents. No problem. The task force could've taken them easily, but with kids in the mix, it complicated the mission. The snipers didn't want to risk hitting the children, so they borrowed FEMA's playbook."
- **The goon who had moved FEMA's trucks off the runway had also conveniently left the doors unlocked** and the keys in the ignitions. A Union soldier slipped inside FEMA's armored Bearcat G5 tactical vehicle and awaited orders to swerve onto the runway, blocking it.
- **Meanwhile, Union snipers kept the four roving agents** and the two guiding the terrified children toward the airplane in their sights. One child asked his captor why they were blindfolded at night, to which the agent replied, "So you can't see who we are." "I know who you are—you're FEMA," the kid said, and the agent slapped his face with such force the kid's head spun sideways. "Belligerent punk, keep your mouth shut," the agent said.
- **When a second child stumbled, fell**, and cracked his chin on the shallow steps to the cabin door, the same agent called him a wimp and said, "Soon you'll have something to really cry about."
- **The two agents stood behind the children, pushing them up the steps.** As the last child boarded the Cessna, Union snipers cratered the agents' skulls, and the Bearcat G5 came screeching to a halt a hundred feet ahead of the plane. The driver dismounted and pointed his rifle at the windshield.
- **Elsewhere, Union forces dispatched the patrol**, reportedly with such fury they didn't stop firing until their magazines were empty.
- **"Kidnappers deserve what they get.** Our guys stormed the cramped cockpit and asked the pilot why they were trafficking children. He denied it. He claimed the kids were storm victims and that FEMA was taking them to safety. Well, that didn't sit right. Why

would they have to be blindfolded? And removed in the dead of night? Well, they killed the pilot, justifiably if you ask me,” our source said.

- **After freeing the children**, Union forces firebombed the Cessna and FEMA’s ground vehicles, and searched the buildings for more feds. Although finding none, they received a radio message saying FEMA reinforcements had learned of the incursion and were heading to the airport from Greenville, Brookhaven, and Easley.
- **Rather than stay and fight**, they opted to get the kids to safety, and then return to the airport with a larger force. We’ve been told they did return several hours later, but we’ve yet to hear the results.
- **Our source said the situation elsewhere has worsened.** White Hats have intercepted credible intelligence indicating that FEMA, FBI, and ATF agents have erected mobile command centers just outside the projected impact zone of Hurricane Milton, which is barreling toward the Sarasota-Tampa area with 160mph sustained winds.

M. Wed. 9 Oct. 2024 MASSIVE!!! Trump’s Master Plan Explodes: Military Raids Obliterate Elite Pedophile Rings Hiding in Underground Bunkers from New York to CERN and Antarctica—DARPA’s AI Systems Like THORN Used to Track and Traffic Children! ...David Wilcock

- **This is happening right now, and the world will soon face the truth.** The Deep State’s darkest secrets—the global network of child trafficking and pedophilia that has controlled the highest levels of power for decades—is finally being torn apart. Leading this charge is Donald J. Trump, backed by white hat military leaders and patriots who have had enough.
- **The military has raided Deep State facilities globally**, and the evidence they’ve uncovered will shock the world. As of October 8, 2024, these operations have escalated, with major raids in locations once thought untouchable. The Cabal has nowhere left to hide.
- **Antarctica, long a mysterious land, is now the epicenter of this takedown.** Underground bunkers once used to control global trafficking are being exposed. The military has seized everything—servers, documents, and evidence of the elites’ child trafficking involvement. Antarctica wasn’t a frozen wasteland, but a sanctuary for criminals.
- **Cheyenne Mountain has also been activated**, housing AI systems monitoring deep state activities. White Hats are using satellite tech to map and dismantle trafficking routes.
- **Meanwhile, Silicon Valley has been hit.** Tech giants like Google, Facebook, and Microsoft were integral to the deep state’s surveillance network. Inside their data centers, evidence has been found linking them to child trafficking—and DARPA’s AI was used to track children with software like THORN.

- **In Epstein Island, the military uncovered secret tunnels used for trafficking and ritual abuse.** Kamala Harris, Bill Gates, and others frequented this island as part of a global network.
- **CERN, in Switzerland, was raided next.** Long rumored to be involved in mind control, the military found data proving children were used in horrific experiments. The Vatican's involvement is undeniable, with ties to the Jesuits running centuries deep.
- **Even Berlin's European Central Bank was exposed as a financial hub for trafficking.** The World Economic Forum has been revealed to be funding these operations.
- **In Australia, another raid targeted underground facilities trafficking children from Southeast Asia.** The evidence collected ties Hollywood, U.S. politicians, and global corporations directly to these networks.
- **And Buckingham Palace is now under investigation.** Documents tie the British monarchy to global trafficking—their role in this network is undeniable.
- **New York's underground Wall Street bunkers were also targeted,** revealing how the financial elite used children as leverage in deals. Wall Street isn't just about money—it's about control and exploitation.
- **But the most shocking evidence came from the Vatican's secret archives,** proving the Catholic Church's direct involvement in trafficking children through its orphanages and charities.
- **This is it—the storm is here.** The military has the evidence to bring down the deep state. From Antarctica to New York, no elite is safe. The world is waking up, and the cabal's days are numbered.

BOOM! Japan Warns Bill Gates His “Days Are Numbered” After Abortion Drugs Found in Vaccines!

- **Japan has just issued a stern warning to Bill Gates** after shocking discoveries of abortion-inducing drugs in Covid vaccines sent shockwaves around the world. Japan's Covid Task Force uncovered explosive evidence of a depopulation agenda, with experts like Dr. Fukushima calling for Gates to face crimes against humanity charges.
- **This seismic shift in global health** is unraveling as Japan, known for its integrity, steps up to take on one of the most powerful figures in modern history. The globalist billionaire, Bill Gates, has long been accused of pushing his own agenda under the guise of philanthropy. But now, the mask is coming off. Depopulation? Abortion drugs in vaccines? These aren't fringe theories anymore—Japan's investigation has brought them to light, and the global community is starting to ask questions.

- **Bill Gates has used his vast influence**, through the Bill & Melinda Gates Foundation, to push his controversial health agendas, including population control. His fingerprints are all over initiatives that have long raised eyebrows—from vaccines to so-called “reproductive health services.” And now, Japan is the first nation to call him out on this global conspiracy. The scandal centers around Japan’s investigation into the vaccines distributed during the pandemic. Scientists discovered abortion-inducing drugs—a revelation that points to something far more sinister.
- **Depopulation isn’t just a theory anymore**; it’s becoming a glaring reality. Dr. Fukushima, Japan’s leading voice on this issue, isn’t mincing words. He’s accusing Gates of pushing these drugs as part of a deliberate attack on humanity. Japan’s government is not backing down. They’ve vowed to pursue this to the end, calling for Gates to face the consequences of what they’re calling one of the biggest crimes of the century.
- **The evidence is stacking up**, and the world is watching as Japan takes the lead in this fight for truth and justice. As Gates’ empire of influence begins to crumble under the weight of these allegations, the question becomes: will other countries follow Japan’s lead? Will they finally start to investigate the vaccines and the powerful figures behind them?
- **The global reckoning is here**, and Japan has made it clear—they will not be silenced. Gates’ days of unchecked power are over. The walls are closing in, and the people are waking up. Japan is sounding the alarm, and it’s only a matter of time before the entire world demands justice. This is the beginning of the end for Gates—and it’s all unfolding right now.
- **Wed. 9 Oct. 2024:** A study involving 1.7 million children has found that myocarditis and pericarditis only appeared in children who had received Covid mRNA vaccines. Not a single unvaccinated child in the group suffered from these heart-related problems. This is absolutely shocking.

R. Wed. 9 Oct. 2024: ...The 17th Letter (JFK Jr.) on Telegram

Ladies and Gentlemen,

- **Today, as we stand together**, we embark on a journey not just of distance, but of purpose and vision. We look to the horizon, not as distant observers, but as pioneers of a dream that has been the heartbeat of our nation since its inception – the dream of a Great America.
- **This dream isn't anchored in the sands of complacency** but sails on the winds of progress, equality, and unwavering courage. It's etched in the stories of our forefathers and mothers, who envisioned a land where freedom isn't just a word, but a way of life. A country where the pursuit of happiness isn't confined by the circumstances of one's birth but is an unalienable right for all.
- **Envisioning a Great America** means seeing beyond the challenges of today to the possibilities of tomorrow. It means recognizing that our greatness isn't defined by our past achievements but by our commitment to forging a future that reflects our highest ideals. A future where every child, regardless of race, creed, or background, has the opportunity to achieve their fullest potential.
- **It is a vision of a nation** united not by the sameness of our opinions, but by the shared belief in our democratic principles and the common good. Where our differences are not sources of division, but wellsprings of strength and diversity, enriching the fabric of our national identity.
- **To envision a Great America** is to understand the responsibility that comes with our freedoms. It's to acknowledge that liberty is maintained not through indifference, but through engagement and the tireless defense of our constitutional rights. It requires us to be guardians of justice, stewards of the environment, and champions of peace, both at home and abroad.
- **This vision calls upon us to renew our commitment** to community, understanding that we rise by lifting others. It implores us to build bridges of understanding and empathy, dismantling the walls of prejudice and fear that have for too long divided us.
- **In this Great America**, innovation and tradition walk hand in hand, honoring our history while embracing the future. We lead not by the might of our military, but by the strength of our character; not by the wealth of our possessions, but by the richness of our spirit.
- **Ladies and Gentlemen, the journey** to this envisioned America is not without its hurdles. It demands our collective resolve, our unyielding optimism, and, above all, our unwavering faith in the American spirit. It requires each of us to contribute our best, to hold fast to the values that define us, and to act with the knowledge that our actions today will shape the legacy we leave for generations to come.
- **As we stand on the precipice of tomorrow**, let us hold fast to this vision of a Great America. A country where liberty and justice are not just ideals, but realities for every citizen. Where our unity is our strength, and our diversity our greatest asset.

- **Together, let us step forward** with courage and conviction, carrying the torch of freedom and lighting the way for the world to follow. For in our hearts, we know that when we dream together, when we work together, and when we believe together, there is no limit to the greatness we can achieve.
- **Thank you.**

This includes countries like Afghanistan, Bahrain, Egypt, Iran, Iraq, Jordan, Kazakhstan, Kuwait, Kyrgyzstan, Lebanon, Libya, Oman, Pakistan, Qatar, Saudi Arabia, Sudan, Syria, Tajikistan, Turkmenistan, United Arab Emirates, Uzbekistan, and Yemen.
- **Mission:** The primary mission of CENTCOM is to maintain security and stability in its AOR by deterring aggression, ensuring free access to shared resources (like oil), and, when necessary, defeating adversaries. This involves a mix of military, diplomatic, and humanitarian activities.
- **Military Operations:** CENTCOM coordinates and conducts military operations within its region. This can range from combat operations, like those in Iraq and Afghanistan, to counter-terrorism efforts, maritime security, and support for regional allies.
- **Cooperation and Support:** CENTCOM works closely with partner nations through military exercises, training programs, and security cooperation to enhance regional stability and capability.
- **Humanitarian and Disaster Relief:** Besides combat roles, CENTCOM often engages in humanitarian assistance and disaster relief operations, providing aid where needed within its AOR.
- **Counterterrorism:** A significant part of CENTCOM's focus post-9/11 has been on counterterrorism, particularly against groups like Al-Qaeda, ISIS, and other designated terrorist organizations.
- **Strategic Partnerships:** CENTCOM maintains strategic partnerships with countries outside its AOR to support its missions, including logistics, intelligence sharing, and joint military exercises.
- **CENTCOM's activities are vital for U.S. foreign policy** in one of the world's most volatile regions, ensuring that American interests, including energy supplies, are secured, and that threats to U.S. national security are addressed proactively.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

V. **Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. X. **All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Y. Judy Note: *Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the "22 Faces" re-publication release, please email me at: info22faces@yahoo.com
