*Deep State Cabal Corporate giants like Blackrock and Vanguard were suspected to be behind recent disasters caused by Direct Energy Weapon Attacks (DEWs) that set fires in Maui,*

*California, Wyoming and Texas; a biochemical lab explosion in Georgia and the Deep State Cabal HAARP weather manipulation causing formation of hurricanes and tornadoes that devastated the back countries of North Carolina, South Carolina, plus attacked Georgia, Tennessee and Florida.*

***The disasters opened the door for banker owned US Inc. land grabs and worse, kidnapping for the Deep State's lucrative Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring run by the Satan worshipping Vatican.***

***The Deep State Elites were also believed behind the manmade Covid-19 Plandemic. Abortion drugs were recently found to be in the untested Covid-19 Vaccines, along with Cancer and Heart Attack causing nano-particles. These deadly Vaccines were mandated for millions of employees including the US Military, while hospitals and doctors were paid thousands to get it done. It all fit into the Deep State New World Order Depopulation Agenda 2030.***

***Then there was the 2020 Election Coup successfully accomplished by Deep State Democrats in cooperation with the CIA and Chinese Communist Party. It was easily done through rigging Dominion Voting Machines, stealing votes and blackmailing Congress to certify the election before investigating over 50 verified allegations of voter fraud.***

***Don't you think it was well over time to pray for our own survival? Many did. So did the White Hats – and a miracle happened.***

***Just as Hurricane Milton reached the Florida Coast it's Eye-wall collapsed, the storm splintered and the Category Five Hurricane miraculously and suddenly downgraded to a Category Two. Milton then proceeded inland to flood and destroy the child trafficking tunnels beneath Disney World. Child rescue operations to be announced.***

***In the past week another miracle happened when White Hat Special Forces saved six children kidnapped by the Cabal's Military Arm, FEMA, from the Hurricane Helene disaster in the mountains of North Carolina. Just as FEMA Agents did during the Liahona Maui DEW fires, FEMA was dead set on absconding with children for their financially lucrative International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring run by the Vatican.***

***A third miracle was happening at that same exact time. The White and Red Hat Militaries (Red Hats were volunteer citizen soldiers) fought and won a battle against FEMA. After which they were able to finally arrest (after a thirty year search where he hid behind 18 facial surgeries) the King Pin of Human Traffickers, "High Horseman," plus 41 members of his Satanic Coven. All the while multiple ritually abused Baby and Female Bodies floated by in a flooded North Carolina river.***

***To add to our concerns a Global Financial Collapse was unfolding that was caused by the Cabal. Although, a Quantum Financial System was already fully operational that would soon trigger the biggest wealth transfer in the history of the World.***

***As of today Fri. 11 Oct. 2024, the US Navy and US Aircraft Carriers were lined up in a battle formation from the West Coast, to the Pacific, to the Mediterranean. You would think something was about to happen.***

***Over 10,000 militia members were in, or on their way to North Carolina, South Carolina and Georgia, with another group rushing to Florida – all to fight unlawful FBI Agents, FEMA Agents, or local police who were killing, robbing and intimidating people trying to survive disasters.***

***Texas Rangers and local County Sheriffs have deputized over 3,000 militia members so they could make lawful arrests of any FBI Agent, FEMA Agent, or local police who were involved in crimes.***

***Sheriff Tripp Kester of Davidson County North Carolina called for local citizens to form their own militias to protect the Constitution. “It’s getting real, y’all. Like I’ve been saying: We approach shit a bit different down here. [They] picked the wrong state to bully.”***

***The White Hat Military Alliance has been activated across all 50 states and was preparing to strike at the very heart of FEMA’s corrupt operations. The White Hats have mobilized 5,000 troops in a strategic, coordinated strike aimed at dismantling the elites’ decades-long domination of humanity.***

***Governors across the country have been warned—those who align with the Cabal are going to be removed. Every corrupt official, every Deep State puppet, every bureaucrat involved, every FEMA agent involved, every official who helped cover it up, every Deep State operative who facilitated the abductions were about to face a reckoning, and it won’t be in a courtroom controlled by crooked judges and rigged legal systems. They’re all going to face military tribunals.***

***All would begin with an Emergency Broadcast System Lockdown in preparation for high-profile arrests of elite Cabal members that included bankers, politicians, and media moguls.***

***Washington D.C., New York, Los Angeles, and Chicago were the prime targets for those mass arrests, though they would extend to all 50 states. Every state capital will be hit simultaneously, with National Guard units standing ready to back up the Federal Marshals if any resistance occurs.***

***The most significant targets included Deep Underground Military Bases (DUMBS) located under Denver International Airport, Cheyenne Mountain, and a UFO hangout known as the second Area 51 – the Dugway Proving Ground in Utah.***

***Fort Bragg, North Carolina was the staging ground for the largest military build-up since the Second World War. New units from the 82nd Airborne Division, alongside Task Force Orange (the Pentagon's most secretive intelligence-gathering unit), were brought into Fort Bragg last week.***

***Military Bases in Nevada, Colorado and California were central to covert operations, with Special Forces such as Delta Force and Navy SEALs leading the charge.***

***Additional specialized units have come from Europe to support the US White Hat Military such as the French Foreign Legion and German KSK commandos who have been inserted into New York City and Washington D.C.***

***The Canadian Military has mobilized elite Joint Task Force 2 (JTF2) operatives into Washington State and Montana to assist in operations targeting Cabal-controlled political figures in the Pacific Northwest.***

***Special units from Russia and Brazil have arrived in Texas and Florida to assist in operations aimed at taking down Cabal financial institutions that are embedded within major cities like Miami, Dallas, and Houston. They will be securing financial centers, ensuring that the elites' wealth is returned to the people.***

***All in preparation for a gigantic Worldwide Black Swan Event and NESARA/ GESARA Revolution to transfer wealth from the Cabal back to The People.***

***An Emergency Broadcast System Worldwide Alert was Imminent.***

***Patriots across the Globe could support our fight for freedom by writing to the US Supreme Court:***

## **BREAKING! GESARA Is Here: The Biggest Wealth Transfer in History Begins as the QFS Wipes Out Globalist Banks – Mass Arrests Are Coming, Trump’s Secret Movements, and the 10 Days of Darkness Are Upon Us! ...John F. Kennedy Jr. on Telegram**

- **The revolution is here, and the Quantum Financial System (QFS)** is at the heart of it all. Global elites are shaking—their corrupt financial system is collapsing. GESARA is being executed, though much remains under wraps. October 2024 is the month that will change EVERYTHING.
- **The Biggest Wealth Transfer in Human History** is in full preparation. Trump’s military and the global white hat alliance have been seizing assets from corrupt banks for months, funneling them into the QFS. The quiet phase of this global economic reset is almost over. The trillions stolen by the elites will be returned to the people.
- **October 2024 is the Deep State’s doomsday clock.** The QFS is fully operational, and GESARA protocols are rolling out worldwide. The elites are terrified as their stolen wealth slips away.
- **Forget what you’ve heard**—the 10 Days of Darkness are near. The Emergency Broadcast System (EBS) is undergoing final preparations. When activated, mass arrests of globalists, CEOs, and financial manipulators will follow. All communication systems will be seized to broadcast the truth.
- **October 14 marks a key date.** The old banking system—Bank of America, Deutsche Bank, and JP Morgan—is about to collapse. The QFS will take over as stock markets crash. The elites can’t stop it.
- **While the world watches distractions,** Trump’s military is executing a silent revolution. Med Bed technology, long suppressed by Big Pharma, is about to be revealed. Med Beds will cure diseases that the elites have profited from for decades. By the end of October, expect the first public demonstrations of Med Beds.
- **ISO 20022, the new global financial standard,** is about to destroy the shadow banking system. Offshore havens and hidden wealth schemes will be dismantled, ensuring no escape for the cabal.
- **As we move deeper into October,** the Deep State’s game is over. The QFS will redistribute global wealth, and GESARA will ensure every person has access to wealth, health, and freedom. Trump will be remembered as the man who freed humanity.
- **The world is about to be reborn.** The final victory is ours. Nothing can stop what’s coming.

- **Thurs. 10 Oct. 2024:** A Marine Sniper reports he has 5 FEMA kills in North Carolina. He says, “It’s the fight of our lives.” Remember I mentioned munitions containers being dropped off and bullets in bodies goin' down the river? Much like what happened with Katrina? - **Thurs. 10 Oct. 2024:** Florida Governor Ron DeSantis, “FEMA is not running the show, we are.”
- **Thurs. 10 Oct. 2024:** A Department of Homeland Security inspector general’s report from August reveals more than \$7 billion remain in emergency funding that could be used for natural disasters — even though DHS Secretary Alejandro Mayorkas said last week none was available after Hurricane Helene. Mayorkas, 64, told reporters following the devastation of Helene in North Carolina, Tennessee, South Carolina, Georgia, Alabama and Florida that the Federal Emergency Management Agency (FEMA) “does not have the funds” to endure more hurricanes this fall. “We are expecting another hurricane hitting,” the DHS chief said Oct. 2, days before Hurricane Milton began picking up speed in the Gulf of Mexico. “We do not have the funds.”

#### **G. Thurs. 10 Oct. 2024: FEMA IS PURE EVIL. ...American Thinker on Telegram**

- **The truth is that FEMA** is actually the real government, while the federal officials we see are merely puppets. The idea that FEMA exists to help during disasters is a facade.
- **You know that pathetic \$750 payment** that citizens affected by Hurricane Helene are supposed to receive? Well, first, they have to sign an agreement, and buried in the fine print, it says that if that \$750 loan— yes, loan — isn't paid back within a year, the federal government can seize all of that individual's property.
- **FEMA is actively blocking Americans from helping** their neighbors who have been severely affected by Hurricane Helene.
- **They are also stopping people who have tried to offer aid**, seizing funds and supplies intended for victims, and even worse, purposely reallocating those resources to bring illegal immigrants into the U.S. to replace us.

- **There are tens of thousands of people** in the mountains of North Carolina who desperately need assistance and are being left for dead.
- **Countless others have** sadly already lost their lives due to the intentional malfeasance, incompetence, and inaction of the Biden-Harris administration.
- **FEMA should be designated a terrorist organization** for its handling of these situations.
- **Look up REX 84**, a classified exercise where the government could detain large numbers of American citizens deemed a "national security threat."
- **This is why FEMA operates** under the Department of Homeland Security, which was created by George W. Bush after 9/11, alongside the Patriot Act and the massive Fourth Amendment violations by the TSA.
- **Since its creation in 1979, FEMA** has been operating in the shadows, involved in massive land seizures.
- **OG truth-seekers will remember the "FEMA camps"** rumored to have been built during the Obama administration. Many of these facilities are said to be repurposed Walmarts.
- **FEMA's purpose is to set up a nationwide prison-state** control grid to imprison and detain dissidents as we approach the New World Order takeover of the United States.
- **All of the above is designed to illegally** surveil, censor, and subjugate American citizens.
- **Notice that FEMA hasn't done anything** to actually help Americans in times of great need, like in Maui, Texas, and now, with Hurricane Helene.
- **It's part of the largest human trafficking operation** through the wide-open border.

#### **H. Exposed: FEMA Camps, Walmart, EBS, Underground Tunnels, Deep State, Martial Law, Concentration Camps – The Complete List of 1,000 FEMA Concentration Camps Across the U.S. ...Steve Bannon on Telegram**

- **Discover the terrifying truth behind the 1,000 FEMA Concentration Camps** spread across the U.S., operated by a Deep State alliance, Walmart, and underground tunnel systems. This exposé reveals how the Emergency Broadcast System (EBS) and martial law are part of a massive scheme to strip away freedoms. If you're ready to face the reality of America's downfall, read on.
- **FEMA Death Camps** are not some far-fetched theory. These 1000 camps are real, and they represent a terrifying future where Americans are stripped of freedom, locked away, and controlled. This is not about "emergency management"; it's about total oppression.
- **Behind the Mask of FEMA** lies a network of government tyranny. What the public believes is a disaster response agency is actually the foundation of a new police state. FEMA is armed with executive orders that allow them to take control of the entire nation's resources: food, water, transportation, and even people. Imagine a world where

the government can take everything you own, from your land to your survival supplies, all with the stroke of a pen.

- **Facilities Across the Nation:** FEMA has already established detention centers all over the U.S., each capable of holding thousands of prisoners. Many of these facilities are hidden in plain sight—military bases, old prisons, or even Walmart stores with connections to underground tunnels. One of the most alarming camps sits in Alaska, designed to hold 2 million people. Why would a facility of this magnitude be necessary?
- **Martial Law Will Trigger It All:** Once martial law is declared, FEMA's power will be fully unleashed. This will give the government authority to seize all resources, control transportation, and detain anyone they view as a threat. It will be the end of freedom as we know it.
- **Railroads and Airports Ready:** These camps are not just random locations. They're strategically placed near railroads and airports for easy transport of prisoners. Once the order is given, millions could be detained with no hope of escape. This is the final phase of the Deep State's plan.
- **Executive Orders:** The framework for this police state is already in place. FEMA can take control of the media, highways, and even your home under Executive Orders like 10995, which allows the government to seize communications, and 11000, which authorizes the mobilization of civilians into government work brigades.
- **The Endgame Is Here:** The Deep State isn't just hiding—they're preparing. The pieces are all in place. The question now is, will you wake up in time? Will you stand by and let them take control of your life, or will you fight back before it's too late?
- **The Storm is upon us,** and once it hits, there will be nowhere to hide. This isn't a future we can ignore. This is the road to hell, and it's happening now.

## I. Wars and Rumors of Wars:

## ALERT! U.S. Aircraft Carriers Line Up in Global Battle Formation – The Entire U.S. Fleet Is Ready for Combat ...Benjamin Fulford on Telegram

- **BREAKING: U.S. aircraft carriers are now in an unprecedented global formation from the Pacific to the Mediterranean.** This isn't a drill—the world is on the brink. The U.S. Navy's deployment sends a crystal-clear message. Are we staring down the barrel of World War III?
- **In an extraordinary move, the U.S. Navy has formed a battle line stretching from the U.S. West Coast all the way to the Pacific.** This is not a routine maneuver—this is a

battle-ready formation, a harbinger of something far more dangerous. The global stage is set for a showdown.

- **The Entire U.S. Fleet Is Ready for Combat Imagine this:** all U.S. aircraft carriers—those massive juggernauts of war—lined up across the world’s most critical regions. This isn’t for show. This isn’t a precaution. This is a move designed for combat. Each of these carriers is armed with devastating firepower, fighter jets, and advanced weaponry—ready to strike at a moment’s notice.
- **When America sends its entire fleet into the world’s most volatile hotspots,** it’s not a signal to stand down—it’s a sign that conflict is imminent. From the Pacific to the Middle East and Mediterranean, these carriers are stationed at key flashpoints, locked and loaded.
- **Battle Formation: The World on the Edge of Conflict.** You don’t line up your entire fleet unless you’re preparing for something BIG. In the Mediterranean, with NATO tightening its grip and the ongoing conflict in Ukraine, U.S. carriers mean one thing: they’re preparing for the worst. In the Middle East, with tensions at a boiling point, it’s clear the U.S. is gearing up for an all-out clash. And in the Pacific, with China’s eyes on Taiwan, the U.S. is ready to strike hard.
- **This Is Not a Drill – This Is a Warning to the World.** This isn’t just a move of strategy—it’s an open threat. If anyone challenges the United States now, retaliation will be swift and merciless. Aircraft carriers are the tip of the spear, and they’re positioned to unleash unimaginable firepower. Tick, tock—the clock is running out. This isn’t some political game. This is war.
- **WW3INFO: Is the Countdown to World War III Beginning?** The entire world is asking: Is this the beginning of World War III? With U.S. carriers in place, the world is closer to the brink than it has ever been. Taiwan, the Middle East, Eastern Europe—any of these flashpoints could ignite the entire globe. The U.S. is ready. The consequences will be devastating.
- **Military analysts are scrambling,** and the panic is real. This kind of alignment hasn’t been seen since the Cold War. The fact that it’s happening now, in the midst of the most intense global tensions of our lifetime, should send chills down your spine.
- **The Stakes Have Never Been Higher** with U.S. carriers now covering the world’s most dangerous zones, nations everywhere are holding their breath. The potential for total war is staring us in the face. The destruction, the suffering, the collapse of the world as we know it—it’s all on the table.
- **This Is It – Time Is Running Out** The world is watching, and the U.S. fleet is ready. With aircraft carriers positioned across the globe, the balance of power could shift at any moment. This could be the spark that ignites the most devastating conflict in modern history.
- **Are we witnessing the start of World War III?** Time will tell, but one thing is certain—the world has never been closer to the brink of chaos. Prepare. Stay alert. The storm is here.

- **Thurs. 10 Oct. 2024 Florida:** Gov. DeSantis says He's the Sheriff in Charge in Florida, NOT FEMA: "Now, people have asked me: 'Is FEMA going to do this?' Let me be clear in Florida. We run the show. FEMA is not running the show. We will utilize them to support some of the things we're doing, but you are not going to see FEMA running amok in Florida. I know that's been out there on the internet. That is not going to happen. I'm the sheriff that's in charge here. And we will make sure to protect you. Don't worry about it." Baier then asked DeSantis if Kamala Harris would "ever get through" to him on the phone. "She thinks it should be about her. If I honestly thought that there was something to be gained, I would pick up the phone and call her," DeSantis said. "The fact of the matter is she has no role in this process. She is not part of the chain of command. I'm working with President Biden and FEMA and our state and local partners. And we're getting the job done. She has never been interested in any of the storms we have had in the state of Florida for the entire time as vice president. Now she is out there attacking me," he said. "I don't have time for political games. We have a job to do. We have got people's lives on the line. And that is our sole focus."

Putin has enlisted Hollywood insiders including Mel Gibson and Steven Seagal to put all the chess pieces together so he can make his move. The elites in Tinsel Town are already feeling the effects of Putin shutting down child factory farms in Ukraine, and according to reports on the ground they have begun moving their operations elsewhere – including within the United States and Mexico. - **Thurs. 10 Oct. 2024 Great Britain:** Five regional offices of the British aid agency Save the Children were raided as part of an investigation into alleged child abuse. Prominent figures like Ghislaine Maxwell, Bill Gates and Oprah Winfrey all have donated to Save

the Children. In 2013 Hillary Clinton spoke at the inaugural benefit gala for the foundation, while Jill Biden became the board chair in 2017. This comes at a time when over 325,000 children are missing. ...WH Grampa on Telegram

- **Thurs. 10 Oct. 2024 BBC Guatemala:** Police in Guatemala raided five regional offices of British aid agency Save the Children on Monday as part of an investigation into alleged child abuse. Prosecutors requested information from US authorities in April about the alleged involvement of the organization in smuggling children across the border, according to local media. Save the Children said it was "aware of the activity" at their offices, and denied the prosecutors' allegations. Save the Children is involved in trafficking of children. We have been saying for years that these corrupt charities are involved in child abuse, money laundering and other evil shit. No way this would be coming out on MSM if the bad guys were in control. Was only about a year ago Save the Children charity suffered a huge cyber attack that breached the organization's systems. Information/evidence extraction. - **Thurs. 10 Oct. 2024 CNN:** Courts in northern Virginia and Washington, DC have been quietly hearing cases of alleged sexual assault at the CIA for more than a year, offering fleeting glances of what multiple officials describe as a deep-rooted cultural problem at the spy agency.
- **Thurs. 10 Oct. 2024 Mel Gibson:** Following this twisted web, the narrative takes a darker turn with the idea that children are trafficked along hidden underground routes, drawing eerie parallels to the "Yellow Brick Road" from The Wizard of Oz. These routes supposedly run from Alcatraz, through San Francisco, and into the Bohemian Club, where the elite carry out their nefarious deeds. The idea of the Golden Gate Bridge's collapse symbolizes not only a literal disaster but also the exposure of these hidden truths. As the Great Awakening narrative continues, Nuremberg Trials 2.0 are said to begin on November 20. This event is framed as a moment of reckoning for the elites, suggesting that the Golden Gate Bridge's fall will reveal the bodies and tunnels beneath it, exposing the secrets the powerful have kept hidden for so long. In this story, the fall of Taylor Swift and the Golden Gate Bridge also marks a shift in the financial system, with a move to XRP currency, backed by gold. The bridge's collapse signals the start of this new era, and with it, the end of the elite's unchecked control. Swift's death, real or symbolic, is portrayed as the catalyst for this economic transformation. As this theory unfolds, it draws in famous names like Charles Manson and the Zodiac Killer, all tied to San Francisco's dark history. The theory concludes with a message for those ready to join the so-called "Great Awakening," urging them to open their eyes to the supposed hidden reality that is about to be revealed.
- **Thurs. 10 Oct. 2024 Revealed! Diddy and Epstein Used the Getty Museum's Underground Bunkers for Human Trafficking and Sex Parties!** The revelations about Diddy's involvement in human trafficking and exploitation are more horrifying than

initially suspected. New information paints Diddy not only as an enabler but as a key orchestrator of a network disturbingly similar to Jeffrey Epstein's operations. Leaked documents indicate that Diddy kept detailed video footage of these horrific acts—used to blackmail both victims and participants. According to sources, IV fluids were administered after these parties to help victims recover, a chilling echo of Epstein's methods. The elite's days of hiding behind their wealth and influence are numbered. The truth will come crashing down on them.

**O. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to

be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **Q. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to [jailATM.com](http://jailATM.com) and register. **R. Judy Note: *Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.*** <http://www.youtube.com/watch?v=F626Lsrdwg4>

***"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.***

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.*

*“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
