More holiness give me,
More strivings within,
More patience in suffering,
More sorrow for sin,
More faith in my Savior,
More sense of his care,
More joy in his service,
More purpose in prayer.

More gratitude give me,
More trust in the Lord,
More pride in his glory,
More hope in his word,
More tears for his sorrows,
More pain at his grief,
More meekness in trial,
More praise for relief.

More purity give me,
More strength to overcome,
More freedom from earth-stains,
More longing for home.
More fit for the kingdom,
More used would I be,
More blessed and holy—
More, Savior, like thee.

- **Amber Alert for Kamar Chawi** who was en route with cartels from Mexico to Tijuana to make entry into the United States. Her mother fell off the train near Sonora Mexico, and the child remained alone with the cartel. @AerialRecovery group has been tasked by Mexican authorities to help find her. The train was headed toward Tijuana, where the cartels are planning to smuggle or traffic the child. Any Border Patrol, CBP or HHS officer following me, please keep your eyes open. We have also sent this up to proper

chains to CBP and HSI. Please pray for little Kamar that God will keep her safe and that she will be recovered and reunited with her family. ...Tim Ballard

- **“The worst thing to ever happen in North Carolina has happened:** It’s snowing with people living outside and in tents freezing in Asheville, Mars Hill, Boone and other remote areas that have yet to receive relief supplies. When snow melts the snow will turn to water and flood more! Many are in tents, many haven’t even been reached yet they are so far out. This is one of the worst situations I have ever witnessed in all my time serving in these mountains. Please keep the following supplies coming: Propane for heaters, little buddy indoor heaters, generators, coats and blankets.” Post via Josh Paul in West North Carolina on **Wed. 16 Oct.** <https://www.facebook.com/share/p/1kKxcQMssy6hyro5/>

His wife and children were buried below him in the mud, and had been dead for three days. FEMA had not even been in the area in these last ten days since Hurricane Helene’s devastation and had prevented others from coming in.
- **A local North Carolina police officer by the name of Mike Destefano is warning Americans not to donate Hurricane Helene relief funds to FEMA** because the money is not being used properly. "Please do not donate to FEMA," Mikey, as he calls himself, says in the video below. "They are hindering a lot of what people are trying to accomplish out in the western part of the state." Mikey suggests that people who want to donate send their hard-earned cash to local churches and nonprofit groups instead because they know better how to spend it on people in need.

Judy Note: Phase Two of a massive military operation has begun. Just this week, new satellite imagery confirmed massive military activity around key Deep State strongholds. Not only is Nellis Air Force Base a hub of activity, but new bunkers have been discovered in Antarctica, where the elites thought they could hide their most advanced technologies and untold riches. And guess what? The White Hats have already infiltrated these facilities.

Antarctica has been a Deep State fortress for decades. They’ve been using it as a black site for experiments, genetic manipulation, and advanced mind control technology. This is documented in classified military reports. The White Hats have seized data and devices from these locations that will shock the world when they’re declassified.

Unusual flight activity has been observed near Area 51, but not for reasons the mainstream wants you to believe. Top-tier insiders confirm that secret bases in the Nevada desert are loading up with elite strike forces, preparing for a final push against Deep State headquarters in Washington, D.C., and New York.

Clandestine operations are underway in Italy, Germany, and even the Vatican, where high-level officials tied to the global child trafficking networks are being rounded up. Dozens of arrests are imminent, and some have already happened in secret.

The Vatican itself has been a key player in the globalist plan, laundering money through shell corporations and offshore accounts, and funding human trafficking operations to feed the sick appetites of the elites.

The White Hats have completely taken control of global financial networks that the Vatican used to funnel dirty money. Blackmail schemes, tied to secret intelligence agencies, are being revealed. The power centers of the deep state are collapsing, and they can't stop it.

The Rothschilds, Rockefellers and other elite families have had their stolen wealth frozen by international task forces loyal to the White Hats.

The White Hats are now zeroing in on Silicon Valley and the global media empire. They know that information control is what has kept the Deep State in power, and now that control is slipping away.

Tech giants like Google, Facebook and Twitter have been colluding with the Deep State for years, spying on the masses, manipulating data and censoring truth to keep us in ignorance. The CEOs of these big tech companies are under constant surveillance. Their communications have been intercepted and secret data dumps have been seized that will soon expose massive voter fraud, spying operations and illegal data-mining schemes that have targeted patriots and freedom fighters.

These tech CEOs are fleeing the U.S., thinking they can find safe havens in foreign countries. But the White Hats' reach is global. There's no escape from what's coming.

The White Hats are not stopping until every last piece of the Deep State is eradicated. This is a global purge, and nobody tied to the Deep State will be spared. [Military tribunals are being prepared for high-profile individuals.](#) The evidence that has been collected is irrefutable—the crimes of the Deep State go deeper and are darker than anything the public has been allowed to know.

The White Hats have it all—names, dates, bank accounts, wire transfers, emails, everything. The Deep State's power has been built on blackmail, corruption and blood money and it's all crumbling. The elites are losing control, and [GESARA is the weapon that will finally free the people from their financial tyranny.](#)

C. Judy Note: *The below is in my opinion only:*

- **Only exchange at a licensed Redemption Center.** If you exchange at a bank you will get a MUCH LOWER Rate, and thus much less money, on your exchange.
- **The Zim can only be redeemed for the first ten days** after appointments are made available. After those ten days it is worth nothing.
- **You can only exchange once** because they are concerned about “double dipping,” where a person exchanges and then goes out and buys more and then tries to exchange it. They will not allow that.
- **Take whatever time is offered** you for your exchange appointment no matter what it is. If you don’t, you will be put at the end of the line.
- **You will likely be required to sign a Non Disclosure Agreement (NDA)** about the specifics of your exchange. Read it carefully before exchanging and take it seriously. If you break that agreement, they will confiscate all your monies.
- **It is my understanding that if you are married,** you both must be present at your exchange and you both have to sign the NDA.
- **It is wise not to take anyone** with you to your exchange. If you do they will have to sign an NDA just like you. If they break that NDA you will lose all your monies.
- **If your circumstances are such** that it is difficult for you to go to your exchange they will make arrangements with the Military to take you there and bring you back home.
- **Remember, everything is tracked on the Quantum Computer.** Your first exchange appointment is your last exchange appointment.
- **If you have questions** ask them to the person on the other end of the line when you make your appointment.

One chance only to exchange, Seriously Savage on Telegram: “I have a friend who has been working with the Treasury (contractor.) He told me that we will get one bite of this apple - ONE. They are concerned about "double dipping." They don't want people to run to the bank, exchange, then go buy more currency and attempt it again. My friend is handling the database with currency holders. If you go to the bank to exchange before your appointment, the bank will take your contact information because they are required to inform the Treasury that you've exchanged - The Treasury will know. Your name and contact info will be marked as "already exchanged" and you will not be given a private appointment. That means if you also have bonds, you won't be able to redeem them. You all can make your own decision, but it might behoove you to wait just in case this is what they're doing.”

G. Tues. 1 Oct. 2024 [CODE RED! Emergency Alert System Engaged: Military Alliance Gears Up for 10 Days of Darkness, Major Strike Imminent, Coded Signals Sent, FEMA Dismantled! - Gazetteller](#)

- **The Emergency Alert System (EAS)** is the linchpin of a global operation to dismantle the Deep State, and it's already in full test mode, gearing up for the most significant exposure of hidden truths the world has ever seen.
- **The EAS tests have intensified,** not just in frequency but in scope, as the Earth Alliance fine-tunes the system to ensure that when the moment arrives, the EAS will strike like a

lightning bolt across every screen, every device, and every communication channel worldwide.

- **Recently, on August 11, 2024, a nationwide EAS test** was conducted at exactly 2:15 PM EDT, but this was no ordinary test. This was a full-scale simulation that went beyond mere alert tones or text messages.
- **It included a series of coded transmissions broadcasted** through high-frequency radio channels and satellite systems, meant to reach not only the general public but also key operatives within the Earth Alliance.
- **Sources close to the operation have confirmed that these tests included encrypted messages** intended to coordinate movements and actions of military units across various undisclosed locations, including high-security sites like Cheyenne Mountain Complex in Colorado, which is known to house NORAD and other critical defense operations.
- **In early September 2024**, reports from insiders at Fort Hood, Texas, revealed that a series of live drills were conducted involving full deployment of the EAS. This included not just the broadcasting of emergency alerts but also the integration of tactical data links used by military and intelligence agencies.
- **These tests are part of a larger strategy** to ensure that when the 10 days of darkness commence, the EAS will function flawlessly, delivering continuous streams of truth to every corner of the globe without interference. These tests are so detailed that they've even involved simulations of cyber attacks to stress-test the resilience of the EAS infrastructure against potential sabotage attempts by the Deep State's remnants.
- **In another unprecedented move**, the EAS went live in several localized areas with unannounced, unscheduled tests on September 16, 2024, in places like New York City, Miami, and Los Angeles.
- **Residents in these areas reported receiving alerts that didn't match the usual EAS test formats**; instead of the typical "this is a test" message, they received garbled transmissions and flashes of symbols that some believe to be encoded messages meant for those in the know.
- **It's no coincidence that these tests are taking place** in major population centers—these are strategic moves designed to test the EAS's capability to handle dense urban environments where the Deep State's influence is most deeply rooted.
- **The urgency of these tests has ramped up dramatically.** Just last month, on August 28, 2024, an EAS test took place that included a 90-second video broadcast in specific locations, showing clips of classified military operations and blurred-out documents. While publicly dismissed as a "technical error," those in the loop understand that this was no mistake.
- **It was a calculated preview of what's to come**—a glimpse into the types of disclosures that will be released during the 10 days of darkness. This was a shot across the bow, a clear warning to the Deep State that the Earth Alliance is ready to reveal everything.

- **The Deep State is scrambling** because they know what's at stake. They've been monitoring these tests closely, and their attempts to disrupt them have so far failed. The Earth Alliance's control over the EAS is ironclad.
- **On August 5, 2024**, reports surfaced that a cyber attack aimed at the EAS infrastructure was thwarted by a rapid response from U.S. Cyber Command. This attack, believed to be orchestrated by Deep State operatives still embedded in key positions, was a last-ditch effort to delay the inevitable.
- **But the Earth Alliance has eyes everywhere**, and their response was swift, shutting down the breach before it could cause any real damage. This was not just a defense—it was a declaration of superiority in the ongoing information war.
- **However, the true threat may lie within our own borders.** FEMA, the agency that should be safeguarding the EAS for public good, is deeply compromised and actively working against the mission of the Earth Alliance.
- **Insider leaks have confirmed that FEMA is not merely a neutral player but is actively collaborating with Deep State operatives**, conducting closed-door briefings with top military officials and telecommunications giants. These meetings aren't about ensuring the smooth operation of the EAS—they're about how to subvert it.
- **FEMA's involvement is not about protecting the public; it's about controlling the narrative.** The agency has been plotting to override civilian communication networks, with plans to censor, delay, or alter broadcasts to protect Deep State interests.
- **FEMA has positioned itself as a gatekeeper of information**, actively seeking ways to disrupt the flow of truth that the EAS is poised to deliver.
- **Reports have emerged that FEMA is strategizing** to selectively jam or block critical EAS transmissions, using sophisticated countermeasures to disrupt broadcasts that threaten to expose their allies within the Deep State.
- **FEMA's leadership is said to be deeply embedded with Deep State operatives**, making them complicit in efforts to hide the truth from the public. Their agenda is clear: to maintain the status quo and shield those who have wielded power from the shadows for far too long.
- **FEMA is a rogue agency acting as the Deep State's shield**, working tirelessly to undermine the very system designed to expose their corruption. This has turned FEMA from a supposed protector into an adversary of the truth, a direct threat to the mission of the Earth Alliance and the public's right to know.
- **The EAS tests are active maneuvers in the Earth Alliance's** strategy to dismantle the Deep State's grip on the world. Specific plans have been put in place to use the EAS to reveal long-suppressed information about everything from illegal bio-labs hidden in plain sight to secret treaties that have sold out national sovereignty to globalist interests.
- **These broadcasts will not be simple news segments**—they will be comprehensive, eight-hour exposés that leave no stone unturned, complete with names, dates, and documents that will prove the Deep State's guilt beyond any shadow of doubt.

- **As these EAS tests continue to escalate**, expect more of these so-called “technical errors” to occur, which are, in reality, previews of the flood of disclosures on the horizon. The EAS is an active offensive weapon designed to tear down the walls of deception.
- **The 10 days of darkness** are not merely a disruption—they are a total reset. During this period, the world will be plunged into a communications blackout like never before. The EAS will be the sole voice, and that voice will be relentless, hammering the truth home with an intensity that the Deep State cannot counter.
- **They can’t hide, they can’t run**, and they certainly can’t spin their way out of this one. The Earth Alliance has ensured that the EAS will operate on an unbreakable loop, continuously cycling through every piece of damning evidence they’ve gathered over the decades.
- **The final countdown is on**, and the EAS tests are the ticking clock that signals the end of the Deep State’s reign.

H. Wed. 16 Oct. 2024 CODE RED! Emergency Alert System Engaged: Military Alliance Gears Up for 10 Days of Darkness, Major Strike Imminent, Coded Signals Sent, FEMA Dismantled! ...Ben Fulford on Telegram

- **The Emergency Alert System (EAS)** is at the center of a global operation to dismantle the Deep State. It’s gearing up for the most significant exposure of hidden truths the world has ever seen.
- **If you've noticed, EAS tests have intensified.** This is not a coincidence. The Earth Alliance is fine-tuning the system for the moment when it will strike like a lightning bolt across every screen and device worldwide.
- **But the EAS is just one piece of a bigger plan.** The GESARA agenda is set to trigger the largest wealth transfer in human history. Trillions hoarded by the global elite will be seized and returned to the people. This financial shift isn't just about money—it’s about breaking the chains of debt slavery and dissolving the central banks that have enslaved humanity for generations. Nothing can stop the flood of prosperity that’s about to be unleashed.
- **Recently, on August 11, 2024**, a nationwide EAS test wasn’t just a routine check. It included coded transmissions sent through high-frequency channels and satellite systems, reaching not just the public but key operatives within the Earth Alliance. Insiders at Fort Hood, Texas reported live drills involving full EAS deployment, with encrypted messages coordinating military movements across undisclosed locations like Cheyenne Mountain Complex.
- **In early September 2024, EAS tests ramped up again** in major cities like New York, Miami, and Los Angeles, but these tests weren’t normal. Residents received garbled transmissions and flashes of symbols, believed to be coded messages for those in the know. These areas are key Deep State strongholds, and the EAS is preparing to disrupt their influence.

- **Just last month, on August 28, 2024**, another EAS test included classified military clips broadcasted in specific locations, publicly dismissed as a “technical error.” This was no mistake—this was a preview of the disclosures set to be released during the 10 days of darkness.
- **The Deep State is panicking.** Their attempts to disrupt these tests have failed, and the Earth Alliance’s control over the EAS is absolute. **On August 5, 2024**, a cyber attack aimed at the EAS was thwarted by U.S. Cyber Command, proving that the Earth Alliance is prepared to defend its information war superiority.
- **The real threat lies within. FEMA, the agency that should safeguard the EAS, has been compromised.** Insider leaks confirm FEMA is collaborating with Deep State operatives, plotting to disrupt the EAS broadcasts that threaten to expose their secrets. FEMA is actively working against the public, positioning itself as the Deep State’s shield.
- **These EAS tests are more than just drills**—they are maneuvers in a larger strategy to dismantle the Deep State’s grip. Expect more so-called "errors" as the system prepares for the massive disclosures coming during the 10 days of darkness. This won’t just be about alert tones—it will be an onslaught of truth, hammering the evidence against the Deep State’s crimes.
- **The countdown has begun.** The 10 days of darkness are not just a disruption; they are a total reset. The EAS will be the sole voice, broadcasting relentless truth. The Deep State can’t hide. The Earth Alliance is ready to reveal everything.
- **This is not a drill. This is the real thing.** The reckoning is here, and FEMA’s betrayal will not stop the EAS from leading the charge.

L. Underground DUMB Tunnels Part 4:

- **Leaked documents from a Rockefeller Foundation server**—obtained during a military raid in New York City—prove that the family's vast wealth was used to establish a global network of underground bunkers, safe houses, and trafficking routes that spanned from Europe to Asia to Latin America.
- **Child sex-trafficking victim Ally Carter** (daughter of arrested superstar and pedophile P. Diddy) says she was raped by Biden and Obama, and is able to prove it. Incidents happened in a DUMB Tunnel beneath the White House.
- **Underground DUMB Tunnels beneath the Playboy Mansion and Getty Museum in California:** The Playboy Mansion is a CIA/Mossad Institution. Beneath were tunnels that connected to other locations including the Getty Museum as a Hollywood Child Sex pedophile Ring furnishing Pedowood Adrenochrome junkies. Hugh Hefner was CIA Mossad Agent and Epstein of the 70ties till to his death.
- **In 2018 the White Hats raided and destroyed a tunnel beneath the Getty Museum in LA California:** An Underground Tunnel ran from the Playboy Mansion to the Getty Museum, a pedophile fortress with more than 12 floors underground. Two million women and children used as sex slaves were there until 2018. There are elevators and practically a city down there where thousands of Sex Slaves were incarcerated. Only people on a certain list could walk there. The elevators lead to a tunnel system that was guarded with high security – a Hell created within another Hell.

- **Tunnels beneath Disney World in Florida:** As of today millions of children have been rescued by US, Interpol and other military forces across the globe. Hurricane Milton which was created by the Cabal through geo-engineering and HAARP using electromagnetic pulses and ionospheric, flooded the child trafficking underground tunnels beneath Disney World. Fortunately the children held there had already been rescued by the White Hats.
- **Now the Cabal is creating Hurricane Nadine** to go over the same area in Florida as Milton in the next month – the next part of the Cabal’s plan to rule the World.

- **Warren Buffett, Oprah Winfrey, and the Rockefeller Dynasty:** In the past few weeks, Warren Buffett, Oprah Winfrey, and the Rockefeller family have been definitively tied to the elite pedophile network, and the evidence is ironclad. Buffett, often seen as the “wise old man” of finance, has been exposed as a key financier behind several underground child trafficking operations that spanned North America, Africa, and Southeast Asia.
- **Buffett's vast wealth** wasn't just used to manipulate markets—it was used to fund trafficking routes, secretive bunkers, and black-site facilities where trafficked children were tortured, experimented on, and sold to the highest bidders.
- **Oprah Winfrey**, one of the most powerful media moguls in the world, has long presented herself as a champion of children's rights. But the truth is now out: Oprah has been a major player in the trafficking network, using her vast influence to hide the operations behind her so-called “schools for underprivileged children” in Africa.
- **These “schools” were nothing more than fronts to funnel children into the hands of the global elite.** Military sources have uncovered that Oprah's private jets were used on more than 50 occasions to transport children from Africa to Epstein's private islands and other secretive locations across the globe.

- **The Rockefeller family**, long known for their control over global oil markets and international finance, have now been fully exposed as one of the primary funders of this pedophile network.
- **Leaked documents from a Rockefeller Foundation server**—obtained during a military raid in New York City—prove that the family’s vast wealth was used to establish a global network of underground bunkers, safe houses, and trafficking routes that spanned from Europe to Asia to Latin America.
- **This network wasn’t just about child trafficking.** It was about creating a hidden infrastructure that could operate outside the view of any government or law enforcement agency.

- **Over 17M people have died from the ‘Covid Vaccines, which is one in 800 people.** The excess death mortality rate skyrocketed with every ‘Vaccine Rollout’ in participating

- **In June 2000 at the Simpsonwood Conference in Georgia**, Big Pharma Executives discussed a possible link between their vaccines and neurological disorders like autism. T. Wed. 16 Oct. 2024 BREAKING: "Something HUGE is About to Happen" and U.S. Dominance is on the Line. ...The 17th Letter (JFK Jr.) on Telegram

- **BREAKING: The global power balance is collapsing! BRICS is poised to overthrow U.S. dominance at the upcoming Summit.** The U.S. dollar's supremacy is under siege, and a resource war is brewing. The Western world is hanging by a thread. This isn't just another political stunt—this is global power shifting before our very eyes!
- **The U.S. on the Brink of Collapse!** Washington, D.C. is scrambling, but it may be too late. BRICS is calculated, relentless, and ready to crush Western control over global affairs. The BRICS Summit in Kazan on October 22 isn't just another diplomatic meeting; it's the stage where the U.S. dollar's reign could come crashing down. What happens next? A seismic shift in the global order that will ripple through every corner of the Western world!
- **A Financial Revolution is Unfolding:** The BRICS Summit could be the new Bretton Woods moment that dismantles the U.S.'s grip on the global economy. This could be the beginning of the end of Western dominance. It's not just about currency—it's about control over every key resource the world needs to survive.
- **Donald Trump has sounded the alarm:** He warned this shift could be worse than losing a war. Under Biden's weak leadership, BRICS has grown to include powerhouses like Egypt, Iran, and the UAE—nations that now control 35.6% of global GDP and nearly half the world's population! This isn't a warning, it's an imminent revolution. BRICS isn't just a threat; it's a juggernaut ready to destroy the West's economic supremacy.
- **The Resource War is Heating Up:** From lithium in South America to uranium in Africa, BRICS is positioning itself to control the world's future. Putin is leading the charge, ensuring Russia's dominance in the most valuable resources on Earth. And the U.S.? It's staring at disaster as it becomes dangerously dependent on Russia for uranium. If BRICS monopolizes critical minerals, Western tech and renewable energy industries could be wiped out. Supply chains will crumble, and there will be no way out for the West.
- **Iran and Ukraine:** The Hidden Agendas: Washington's secret alliances with Iran and involvement in Ukraine have nothing to do with defending democracy—it's about resource control. Iran, now a BRICS member, holds geopolitical power that could ignite a

confrontation reshaping the Middle East—and the world. Ukraine? It's not about defending the innocent; it's about minerals and power, the hidden war for control over the future.

- **Currency Wars Begin!** The U.S. dollar is falling, and BRICS is ready to deliver the final blow with a gold-backed currency that will destroy the dollar's status as the world's reserve. Biden's weak sanctions on Russia have only accelerated this catastrophic shift. Inflation is already hitting Americans hard—from gas to groceries—these are the early tremors of a global earthquake that will shake the U.S. to its core.
- **NATO Prepares for War!** As BRICS advances, NATO isn't sitting still. They've ramped up nuclear preparedness drills. This isn't practice—this is war on the horizon. The nuclear conflict with Russia is becoming more likely by the day. The stakes? Global destruction.
- **The Final Countdown:** The BRICS Summit is the tipping point for the new world order. America's days of dominance are over. Those who understand this shift will seize the future. The rest? They'll be left behind, scrambling to survive in a world where the rules have completely changed.
- **Get ready.** The world as you know it is about to be shattered.

U. Wed. 16 Oct. 2024: EXPOSED!!! New Evidence Confirms HAARP's Weather Weapon Behind Hurricanes Helene and Milton – Nanoparticles Altering Human DNA as Starlink Leaks Help White Hats Fight the Deep State! ...John F. Kennedy Jr. on Telegram

- **As of October 14, 2024,** revelations about weather manipulation, secret tech, and the Deep State's control have shocked those who dared to see. This isn't just about hurricanes anymore. The Deep State is now using advanced tech to manipulate the weather AND assault human physiology.
- **The HAARP-NEXRAD Connection 2024:** Whistleblowers from the U.S. military exposed a network of NEXRAD-HAARP systems. This isn't just weather control—it's mind control. HAARP in Alaska has been upgraded to manipulate the ionosphere and human brainwaves. Cognitive frequency warfare is real. The same systems steering hurricanes are pushing the population into fear, chaos, and compliance. Think the riots during Hurricane Milton were random? Think again. These weather events are psychological operations, making the population easier to control.
- **Seismic Weapons: Earthquake Warfare in 2024:** While everyone's distracted by hurricanes, the deep state has developed SEISMIC WEAPONRY. They've triggered earthquakes with directed energy weapons, using geo-magnetic pulses to unleash destruction. Recent quakes in Turkey, Japan, and the U.S. were no accidents—they were artificially triggered to destabilize key regions.
- **Weather Weapons Tied to DNA Alteration:** One of the most shocking revelations of 2024 is the link between weather manipulation and DNA modification. Leaked DARPA documents show that hurricanes like Helene and Milton weren't just steered for chaos—

they were delivery systems for genetic bioweapons. Aerosolized nanoparticles in these storms interact with the human genome to control the population.

- **By October 2024, even the NIH was implicated.** Leaked emails between Fauci and Pentagon officials confirm these geo-genomic operations are tied to global vaccine rollouts. The storms are timed with flu season to infect and alter the global population.
- **Musk's Starlink in 2024: A Savior for Patriots:** Elon Musk's Starlink satellites are shielding patriots from the deep state's prying eyes. Starlink is disabling the deep state's weather weapons and mind control tech. Musk has aligned with the white hats, using Starlink to disrupt the deep state's manipulations, ensuring global free communication. Millions connected through Starlink are learning the truth in real-time. Starlink is now a key tool in the information war.
- **The Final War: 2024 and Beyond:** As we move deeper into 2024, it's clear we are in the final battle. The deep state is using weather weapons, genetic manipulation, and digital control to establish their new world order. But patriots are fighting back. Leaks suggest a massive counter-offensive is coming, and mass arrests are imminent.
- **The storm isn't coming—it's HERE.** Hold the line, patriots.

V. Wed. 16 Oct. 2024 The 30+1 Primary Provisions of NESARA GESARA: The Ultimate Blueprint for Global Transformation ...David Wilcock

1. **Debt Forgiveness:** All bank-related debts, including credit cards, mortgages, and loans caused by illegal banking practices, will be eliminated. This financial "jubilee" will free people from oppressive financial institutions.

2. **Termination of the IRS:** The IRS will be permanently shut down, and its employees will be reassigned to the new Treasury-based tax collection system.

3. **Abolishment of Income Tax:** Income taxes, including taxes on investments and retirement accounts, will be completely removed, as they were unconstitutionally imposed.

4. **Flat-Rate Sales Tax:** A 14% flat-rate sales tax will be introduced on new, non-essential goods (excluding food, medicine, and used items) to fund government operations, ensuring a fairer and more transparent tax system.

5. **Restoration of Financial Privacy:** New systems will be implemented to protect financial privacy, ending widespread data theft and hacking.

6. **Re-indexing of Precious Metals:** Gold, silver, and other precious metals will be re-indexed within 30 days of NESARA's completion, stabilizing the economy.

7. **Federal Reserve Phase-Out:** The Federal Reserve will be dissolved over the course of a year, transitioning all monetary control to the U.S. Treasury.

8. **Banking Reform:** Banks will face new limits on rates and fees, while citizens gain stronger custody rights over their funds. Banks will be phased out over 3-5 years post-NESARA.
9. **Boost to Senior Citizens' Benefits:** NESARA will increase benefits for senior citizens, ensuring financial support during their later years.
10. **Global Peace Initiatives:** The U.S. will cease all aggressive military actions, focusing on peaceful diplomatic relations worldwide.
11. **QFS (Quantum Financial System):** Most NESARA-related exchanges of foreign currency and bonds will be securely stored in blockchain accounts via the Quantum Financial System.
12. **Humanitarian Project Funding:** Large-scale funding will be provided for domestic and global humanitarian projects, allowing for widespread societal improvements.
13. **Redemption of Currencies and Bonds:** Individuals will have the opportunity to redeem or exchange their foreign currencies and ZIM bonds at specific rates for personal use and humanitarian projects.
14. **Reclamation of Stolen Assets:** Assets stolen by corrupt institutions, including the Federal Reserve and Wall Street, will be reclaimed and restored to rightful owners.
15. **Return to Constitutional Law:** NESARA will restore Constitutional Law within the U.S. legal system, eliminating unconstitutional practices.

17. **New Elections:** Immediate Presidential and Congressional elections will be held within 120 days of NESARA's announcement, wiping the slate clean of previous corrupt regimes.
18. **New QFS Voting System:** A revolutionary voting system based on the Quantum Financial System (QFS) will replace the current election system. Only those who have participated in NESARA benefits will be eligible voters.
19. **Release of Suppressed Technologies:** Over 6,000 hidden patents for advanced technologies, including free energy and medical cures, will be made public.
20. **Privatization of the U.S. Postal Service:** The USPS will be privatized to streamline operations and improve efficiency.

W. Wed. 16 Oct. 2024 The Corrupt Privately Owned Federal Reserve ...Patriot 17 on Telegram

- **The FED system (created in 1913), is part of a world banking system controlled by a coterie of international bankers and industrialists acting in unison to enslave the world for their own demented pleasure.** This is not hyperbole. The FED is widely known as one of the leading financial institutions in the world, as their actions can spur or avoid national depressions. It's run by a board of governors, who most people do not know and most certainly do not elect. At this moment in U.S. history, the FED and the aristocracy behind it has decided to crawl out from behind the shadows. These modern-day aristocrats now known as globalists, are no longer concerned with secrecy and are now ready to unapologetically "conquer" the United States once and for all.
- **The "FED" is assumed to be a part of the federal government, yet it is privately owned and was created near the turn of the 19th Century by a group referred to as the "money trust".** This trust consisted of a few, but very wealthy and powerful Americans. This elite group still exists and are now known by the term globalists. These globalists control the purse strings of the world, and most Americans have no idea who they are.
- **For example, the FED that sets so many conditions for our daily lives have never received a meaningful audit** (maybe Elon Musk can examine the FED as part of making our government more efficient). The FED makes its own policies and is NOT subject to the POTUS or CONGRESS. Members of the FED are hand selected for their loyalty to those globalist institutions and individuals who need their influence (ie., private banks within the system select 2/3rds of the members for 14-year terms!).
- **When it formed, why didn't they make it part of the US Government?** Among the many reasons, control of the U.S. Treasury is a centerpiece of its early formation. This allowed private bankers to gain access to public funds (taxpayer dollars) in our treasury, allowing them the capacity to lend and, more important, collect interest. Additionally, during the FED's early formation, the trust also gave the FED access to the nation's money supply and an ability to control interest rates. How convenient. Don't get me wrong, there have been helpful calculations, market rate adjustments, and various other financial applications applied to achieve positive ends for the good of the country. But, in the end, these were likely meant to shape the economy to benefit the few at the expense of the many.
- **Before weighing into how they plan on shaping an entirely new global economic system, I need readers to understand who these people in the FED are.** It has been staffed with the globalists' cronies from Wall Street, or they are hand selected from the Halls of Congress or off select White House staffs or from certain "think tanks", principally the Council of Foreign Relations. Bottom line, these are seriously connected people, with great influence, but even they are not the final decision makers.
- **Since its inception, the FED has morphed along with the historically challenging times throughout the 20th Century and now into this, the 3rd decade of the 21st Century.** This was a blending of the FED's roles and responsibilities as it related to a

rapidly growing global economy. This is where we see the shift from protecting the United States economy to becoming a principal participant in a global economy. American's financial strength clearly took on greater importance and the globalists took far greater advantage of the wealth of the America people. The shift from a money trust" to a world economic forum, along with its world bank and other globalist institutions is currently why we are so challenged currently to maintain our democracy and our financial strength.

- **The above offers only a glimpse into why our country is in its current dire situation** (more than \$35T in debt, never mind numerous other global and domestic challenges). Those who have been tracking the FED and the global institutions impacting the American taxpayer have likely understood this for some time.

Z. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

ZZ. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

ZZZ. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. ZZZZ. All Tom Fairbanks did was to spend much of his life gathering evidence on the **Ritual Abuse of children in Utah.** In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

ZZZZZ. *Judy Note: Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.*

<http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com
