[The Morning Breaks \(youtube.com\)](#)

The morning breaks, the shadows flee;  
Lo, Zion's standard is unfurled!  
The dawning of a brighter day,  
The dawning of a brighter day  
Majestic rises on the world.

The clouds of error disappear  
Before the rays of truth divine;  
The glory bursting from afar,  
The glory bursting from afar  
Wide o'er the nations soon will shine.

The Gentile fulness now comes in,  
And Israel's blessings are at hand.  
Lo, Judah's remnant, cleansed from sin,  
Lo, Judah's remnant, cleansed from sin,  
Shall in their promised Canaan stand.

Jehovah speaks! Let earth give ear,  
And Gentile nations turn and live.  
His mighty arm is making bare,  
His mighty arm is making bare  
His cov'nant people to receive.

—Angels from heav'n and truth from earth  
Have met, and both have record borne;  
Thus Zion's light is bursting forth,  
Thus Zion's light is bursting forth  
To bring her ransomed children home.

### D. Military in training for Implementation of the Emergency Broadcast System.

- **This will ensure everyone is safely** placed in their home and able to witness the historical moment that reveals all of the truths, cover ups etc. through the E B S which is imminent.
- **There must be a test** and then a review of all occurrences and activities. The possible implications on a National and Global level can be quite complicated so things must be in alignment to the protocols. Yes there are many consequences if things aren't done with precision and perfection. This is the practice run before the real one folks to see responses and accuracy to what is forthcoming which changes humanity.
- **We hear the schedule is now finally firm**, but again I'm just the messenger. Be ready to adjust if needed in regards to possible time changes. Only a select few know the moment of exact and precise timing of events. For security and other obvious reasons it must be properly kept private.
- **The EBS is going to air playing an 8 hour video.** It will be replaying 3 times a day for 10 days Communication Darkness. During those 10 Days of Communication Darkness the following things will happen.
- **We will receive 7 "Trumpets" aka EBS text messages** on our phones alerting us to tune into our TV at this time.
- **Our personal phones will only work for 911**, though we are informed the Signal App, which is military encrypted, will be available for our phone use.
- **Our internet will not work** during that time. Our ATM's will not work. After the 10 days of Communication Darkness, we will connect to a new quantum internet.
- **People are urged to stock up** on at least three weeks of food and water. Be prepared with food, water, toilet paper, generators etc. for this great awakening reveal.
- **We are promised the new Star-link Internet System** by the end of the month.

- **As we speak the teams coordinating this important historic event are revamping the E.B.S to ensure the utmost security for all involved** so remain patient as things get finalized. They want to make certain there are not any interferences of any sort at all. Those making the plan want no one to panic whatsoever because it's simply the release of the truth.
- **After the E B S** and we've gone through the 10 days mainstream media blackout and sat through all the 24/7, (eight hours long movies), do we go back to normal like business as usual? Answer is: After E B S and the 8 hours long 24 7, movies all will change. The, life support, attached to the old and evil systems will be pulled. Humanity, and planet Earth simultaneously move to quantum reality consciousness system (Peace and Prosperity). End of Financial and Human consciousness enslavement. Old systems of Government, Education , Finance, Health, Trade and Commerce etc., will all be dismantled and replaced.
- **We will have new currency** called the USN US NOTE and gold backed.
- **The time is now to alert as many who will listen.** Do not have too much pride. Go warn those you love even though they think you're crazy. Your goal for others is truly to help absorb the shock of what is coming.

#### **E. Starlink and EBS Ready to Send Signal to All Cell Phones in the World. Just Waiting for the Green Light ...Mr. Pool**

- **Starlink is about to transform emergency communications globally.** It's not just another tech launch—this is the beginning of a revolution, one that could reach every cell phone in the world. Imagine that. No one out of reach. Starlink is waiting for the go-ahead to send Emergency Broadcast System (EBS) signals directly to billions of devices.
- **We are in the calm before the storm.** A technological and political shift is on the verge of happening. Starlink, Musk's brainchild, could be the key player in a global plan much larger than any of us thought possible. Some say it's tied to Q's sting operation. Others point to the looming DEFCON One alert, the highest level of military readiness.
- **What's coming? A system that can reach everyone, instantly.** Starlink was supposed to bring internet to remote areas. Now, it's something much bigger: every cell phone becomes a lifeline, capable of delivering life-saving alerts in real time. No one is left in the dark. This is total global communication, like nothing we've ever seen.
- **The implications? Massive.** In moments of crisis—natural disasters, terrorist attacks, anything—the EBS signal can give instant updates, even in the most isolated areas. This is about control, power, and safety. The world is waiting for the green light.
- **DEFCON One Alert:** we've never been closer to the edge. What if this alert is linked to Starlink's signal? Think about it—coincidence? Hardly. Something huge is brewing.
- **Followers of Q are already buzzing.** The grand sting operation to expose corruption on a massive scale may be tied to this. Could the EBS signal be the final piece in Q's plan? Once activated, it could drop the truth to billions at once.

- **We're about to witness a new era of global communication.** The potential is staggering: every phone on the planet receiving emergency alerts, anytime, anywhere. The world is on the brink of something monumental. Stay sharp. When this goes live, it could change everything.

**F. Thurs. 17 Oct. 2024 ALERT! U.S. Aircraft Carriers Line Up in Global Battle Formation – The Entire U.S. Fleet Is Ready for Combat. ...Mr. Pool Secrets on Telegram**

- **BREAKING: U.S. aircraft carriers are now in an unprecedented global formation from the Pacific to the Mediterranean.** This isn't a drill—the world is on the brink. The U.S. Navy's deployment sends a crystal-clear message. Are we staring down the barrel of World War III?
- **In an extraordinary move, the U.S. Navy has formed a battle line** stretching from the U.S. West Coast all the way to the Pacific. This is not a routine maneuver—this is a battle-ready formation, a harbinger of something far more dangerous. The global stage is set for a showdown.
- **The Entire U.S. Fleet Is Ready for Combat Imagine this:** all U.S. aircraft carriers—those massive juggernauts of war—lined up across the world's most critical regions. This isn't for show. This isn't a precaution. This is a move designed for combat. Each of these carriers is armed with devastating firepower, fighter jets, and advanced weaponry—ready to strike at a moment's notice.
- **When America sends its entire fleet into the world's most volatile hotspots,** it's not a signal to stand down—it's a sign that conflict is imminent. From the Pacific to the Middle East and Mediterranean, these carriers are stationed at key flashpoints, locked and loaded.
- **Battle Formation: The World on the Edge of Conflict** You don't line up your entire fleet unless you're preparing for something BIG. In the Mediterranean, with NATO tightening its grip and the ongoing conflict in Ukraine, U.S. carriers mean one thing: they're preparing for the worst. In the Middle East, with tensions at a boiling point, it's clear the U.S. is gearing up for an all-out clash. And in the Pacific, with China's eyes on Taiwan, the U.S. is ready to strike hard.
- **This Is Not a Drill – This Is a Warning to the World** This isn't just a move of strategy—it's an open threat. If anyone challenges the United States now, retaliation will be swift and merciless. Aircraft carriers are the tip of the spear, and they're positioned to unleash unimaginable firepower. Tick, tock—the clock is running out. This isn't some political game. This is war.
- **WW3 INFO: Is the Countdown to World War III Beginning?** The entire world is asking: Is this the beginning of World War III? With U.S. carriers in place, the world is closer to the brink than it has ever been. Taiwan, the Middle East, Eastern Europe—any of these flashpoints could ignite the entire globe. The U.S. is ready. The consequences will be devastating.

- **Military analysts are scrambling, and the panic is real.** This kind of alignment hasn't been seen since the Cold War. The fact that it's happening now, in the midst of the most intense global tensions of our lifetime, should send chills down your spine.
- **The Stakes Have Never Been Higher With U.S. Carriers** now covering the world's most dangerous zones, nations everywhere are holding their breath. The potential for total war is staring us in the face. The destruction, the suffering, the collapse of the world as we know it—it's all on the table.
- **This Is It – Time Is Running Out** The world is watching, and the U.S. fleet is ready. With aircraft carriers positioned across the globe, the balance of power could shift at any moment. This could be the spark that ignites the most devastating conflict in modern history.
- **Are we witnessing the start of World War III?** Time will tell, but one thing is certain—the world has never been closer to the brink of chaos. Prepare. Stay alert. The storm is here.

## I. Thurs. 17 Oct. 2024: [HUGE UPDATE! GESARA's Secret Military Teams Are Seizing Billions! New Biometric NDAs Are Live, Quantum Access Cards Activated, and Starlink Secures Your QFS Redemption Center Appointment! - Gazetteller](#)

- [Elite military and specialized financial teams are taking down](#) key corrupt banking nodes in Zurich, London, and Hong Kong. Arrests of high-profile bankers and corporate operatives are already underway, and assets are being seized.
- **The QFS has activated its algorithms**, tracking every suspicious transaction and asset movement in real-time. The confiscated wealth will be redirected to support the GESARA rollout, ensuring that the corrupt elite can no longer hoard wealth meant for the people.
- [Each Redemption Center is equipped with Quantum Shielding Technology](#), designed to prevent any form of external interference or surveillance. gazetteller.com [This technology, developed in top-secret military labs](#), ensures that only those authorized through the [QFS can access these centers, securing every appointment and preventing unauthorized breaches](#). It's a fortress of protection that shields participants from any external threats or deep-state actors attempting to sabotage the wealth transfer.
- **Participants are now required to verify their identity** through biometric signatures, including fingerprint and retina scans, during their initial contact. This step is designed to prevent any identity theft or unauthorized access. These biometric identifiers are linked directly to the Quantum Access Cards, ensuring that each participant's funds and access rights remain secure within the QFS network.
- **This advanced biometric NDA procedure is essential**, given that intelligence has revealed efforts by deep-state operatives to forge identities and infiltrate the Redemption Centers. By implementing this layer of security, the system guarantees that only genuine participants can proceed, protecting the integrity of the system.
- [The Quantum Access Cards](#) are the key to [accessing wealth under the GESARA framework](#), and they've received significant upgrades. As of October 2024, all cards are equipped with **Real-Time Surveillance Deterrents (RTSDs)**. These RTSDs detect any attempt to access the card outside of the [QFS's secure environment](#). If such an attempt occurs, the card will immediately encrypt all data, locking down until confirmation signals from a [Quantum Communication Hub are received gazetteller.com](#). This

advanced protection ensures that no one can tamper with or hack the cards, safeguarding participants' funds and data.

- **The Quantum Access Cards now include a feature for Direct Quantum Wallet Transfers**, allowing participants to manage [their wealth securely through the QFS](#). This function provides instant, secure transactions, bypassing traditional banks entirely and ensuring complete autonomy over one's finances. This step is part of a broader strategy to make traditional banking obsolete, transitioning everyone into the new quantum financial framework where wealth cannot be manipulated by outside forces.
- **A major development is the full integration of Starlink satellites into the QFS**, forming what is now called the **Q-Grid**. This global network connects the Quantum Communication Hubs established across the eight regions of the United States and other strategic global locations. These hubs serve as the secure points for all communications related to the [Quantum Access Cards and Redemption Centers](#). The Q-Grid uses advanced encryption technologies that are [only accessible through the QFS](#), ensuring that any call, text, or email associated with the T4B 800#s remains protected from external interference.
- **This level of security guarantees that no hostile forces can intercept** or manipulate the communications essential for the financial reset process. Moreover, these hubs are monitored by AI systems that verify every transaction and interaction, [confirming identities and securing appointments](#).
- **The Starlink satellites, now fully integrated into the Q-Grid**, will also play a pivotal role in broadcasting the Emergency Broadcast System (EBS). When the time comes for the GESARA announcement, the EBS will transmit critical information directly through the Q-Grid. This ensures that all participants receive unfiltered updates and that the truth about the financial reset reaches everyone without interference from mainstream media or deep-state propaganda.
- **Operation Sentinel has been launched to oversee and secure the entire Redemption Center process**. [Elite military and tactical units are stationed at these centers](#), prepared to maintain order and protect participants as they complete their appointments. No disruptive forces can interfere with the monumental transfer of wealth. [The military presence is a safeguard to protect those who are receiving their rightful funds under the GESARA mandate](#).

- **Secret Underground Tunnels ran beneath Florida.** The hidden network began under Ybor City where for hundreds of years passageways have been linked to human

trafficking, organized crime and smuggling. These sinister tunnels stretch to the Port of Tampa, hiding chilling secrets.

- **Hurricane Milton which was created by the Cabal** through geo-engineering and HAARP using electromagnetic pulses and ionospheric, flooded those underground child trafficking tunnels that ran through Tampa and beneath Disney World. Fortunately the children held there had already been rescued by the White Hats.  
<https://x.com/GeneralJoeM17/status/1846972527752417660>
- **As of Thurs. 17 Oct. 2024** all tunnels beneath Disney World had been destroyed. The White Hats of the Global Military Alliance made 157 arrests of human/child traffickers connected to Disney.
- **The latest military operations in Antarctica and Greenland** have revealed new global trafficking routes that were previously unknown. Antarctica, long rumored to be a secretive stronghold for the elite, has now been confirmed as a major hub in the global trafficking network. Military forces have uncovered a series of deep underground military bases (DUMBs) beneath the ice, where children were held in cryogenic stasis for years before being trafficked to the highest bidders.
- **The DUMBs in Antarctica** were run by an international coalition of elites headed by members of the Rothschild family, George Soros and Chinese Communist Party officials. These bases were hidden beneath layers of ice and disguised as scientific research facilities to avoid detection.
- **The children held in these bases were experimented on**, genetically modified, and kept in stasis for extended periods of time, waiting to be trafficked to elite clients who wanted children free from the effects of aging or environmental factors.
- **In Greenland**, military raids on secretive elite compounds have uncovered a massive underground bunker system where children from Eastern Europe and Russia were trafficked and held before being sent to elite clients in Western Europe and the Middle East.
- **These bunkers were directly linked to Nordic governments**, who have long been complicit in allowing these trafficking operations to run through their countries. The raids revealed that these children were not only trafficked for sex but were used in ritual sacrifices that were part of occult ceremonies carried out by the global elite.

The group sent notices to the Department of Defense, the Army, and Keller Army Community Hospital in West Point, New York, where the suspected shooter, Army Reserve Sgt. Robert Card, was taken for a psychiatric evaluation in the summer of 2023, stating their intent to sue and citing documented indications of Card's "precipitous decline," according to attorneys for the group. The Department of Defense, the Army, the military hospital and its employees "broke its promises, failed to act reasonably, violated its own policies and procedures, and disregarded directives and orders, including those of Card's treating medical providers," one legal notice said. The legal notice added that the military entities "failed to protect and defend the people of Lewiston, Maine, from a soldier who displayed warning signs of mental illness and specifically expressed intent to commit mass violence" and that they "failed at every opportunity."

**R. Thurs. 17 Oct. 2024 Bombshell! Unmasking the Unthinkable: FBI Seizes Shocking Diddy Snuff Tape Featuring Jay-Z and Beyoncé ‘Sacrificing Children’ in Gruesome Rituals! ...Patrick B. Kennedy on Telegram**

- **FBI seizes a shocking snuff tape exposing Jay-Z and Beyoncé’s involvement in ritualistic sacrifices, including children.** The truth behind Hollywood’s darkest secrets is unraveling, threatening to shake the entertainment industry to its core.
- **In a groundbreaking investigation, the FBI has reportedly seized a snuff tape featuring music industry icons Jay-Z and Beyoncé engaging in ritualistic sacrifices involving children.** These revelations, exposed by an industry insider, have sent shockwaves through the world, forcing us to question the very moral fabric that held these figures in high esteem for decades. What was once whispered in the darkest corners of conspiracy theories is now about to explode into the public eye.
- **The allegations are damning:** for years, Jay-Z and Beyoncé have used their wealth, influence, and the protective cloak of the media to hide their dark secrets. But the FBI is closing in, and the veil of deceit is falling, exposing the terrifying truth. This isn’t just another celebrity scandal—this is an empire built on secrecy, blood, and power.
- **The Beginning of the End: Diddy and the Seized Tape.** When news first broke about the FBI’s Diddy investigation, nobody expected this. As agents dug deeper, they stumbled upon something far more sinister than financial misconduct: a grotesque tape showing Jay-Z and Beyoncé involved in ritualistic killings. The insider claims that this tape exposes high-profile celebrities performing unspeakable crimes, including children as victims.
- **Power, Influence, and a Satanic Agenda:** Jay-Z and Beyoncé’s rise to global superstardom wasn’t just hard work and talent. According to insiders, it was tied to a satanic agenda requiring gruesome sacrifices. For years, rumors swirled, but now the FBI has seized damning evidence. This tape is said to capture the duo participating in Luciferian rituals, with child sacrifices at the core of their quest for power.
- **The Cult of Celebrity and the Media’s Role in the Cover-up:** For too long, Jay-Z and Beyoncé have benefited from an adoring media, protected from scrutiny. But now, with the FBI investigation deepening, the image of perfection they built is crumbling. The media, complicit in this cover-up, has been too willing to ignore the red flags. It’s clear now that the cult of celebrity has been a carefully constructed facade.
- **Luciferians in Hollywood: A Hidden Culture of Blood Sacrifice?** If these revelations prove true, it forces us to confront the reality that Hollywood’s elite is involved in satanic practices. For years, the idea of Luciferians operating in Hollywood was dismissed as fringe conspiracy theories, but this seized tape provides undeniable evidence of rituals involving child sacrifices.
- **This is just the tip of the iceberg.** The entertainment industry is bracing for the fallout. Who else is involved? What other shocking secrets are waiting to be exposed? With the FBI closing in, the elite in Hollywood may soon face a reckoning like never before.
- **Sacrificing Children: The Ultimate Betrayal:** The most horrifying part of these revelations is the involvement of children. The tapes allegedly show Jay-Z and Beyoncé performing sacrificial rituals on children, some believed to be family members of other

celebrities. This ultimate betrayal challenges everything we know about the entertainment industry and even humanity itself.

- **The question now is: can the entertainment industry survive?** Will the public finally wake up to the reality behind the celebrity culture we've idolized? The truth is coming, and there's no stopping it now. Hollywood's darkest days are upon us. The reckoning is here.
- **The entertainment world**, and perhaps society as a whole, will never be the same again. The storm is about to hit.

#### **S. Thurs. 17 Oct. 2024 Warren Buffett, Oprah Winfrey, Rockefeller's Pedophile Network:**

- **In the past few weeks, Warren Buffett, Oprah Winfrey, and the Rockefeller family have been definitively tied to the elite pedophile network**, and the evidence is ironclad. Buffett, often seen as the "wise old man" of finance, has been exposed as a key financier behind several underground child trafficking operations that spanned North America, Africa, and Southeast Asia.
- **Buffett's vast wealth wasn't just used to manipulate markets**—it was used to fund trafficking routes, secretive bunkers, and black-site facilities where trafficked children were tortured, experimented on, and sold to the highest bidders.
- **Oprah Winfrey, one of the most powerful media moguls in the world**, has long presented herself as a champion of children's rights. But the truth is now out: Oprah has been a major player in the trafficking network, using her vast influence to hide the operations behind her so-called "schools for underprivileged children" in Africa.
- **These "schools" were nothing more than fronts to funnel children into the hands of the global elite.** Military sources have uncovered that Oprah's private jets were used on more than 50 occasions to transport children from Africa to Epstein's private islands and other secretive locations across the globe.
- **The Rockefeller family**, long known for their control over global oil markets and international finance, have now been fully exposed as one of the primary funders of this pedophile network.
- **Leaked documents from a Rockefeller Foundation server**—obtained during a military raid in New York City—prove that the family's vast wealth was used to establish a global network of underground bunkers, safe houses, and trafficking routes that spanned from Europe to Asia to Latin America.
- **This network wasn't just about child trafficking.** It was about creating a hidden infrastructure that could operate outside the view of any government or law enforcement agency.

So what did Dr. Fauci say? There was nothing."
- **Rodgers then detailed the highly toxic and expensive COVID death protocols:**"Somebody gets sick, right, send them home till they got really horrible, horrible symptoms, and then bring them back and put them on Remdesivir, which is \$3,000 per dose, and a ventilator. And the statistics are staggering about people who went [on this protocol], especially on ventilators, especially the elderly. And it's devastating and extremely sad."

- **These healing centers**, backed by federal funding, will soon be available to heal soldiers, children, and everyday Americans—threatening the elites’ stranglehold on healthcare and their profits.
- **The Med Beds are already here.** Underground facilities across the United States have been training technicians in secret.
- **As of now, over 50,000 Med Beds** have been strategically placed in these hidden centers. They are currently being used to heal soldiers and children rescued from elite trafficking rings, victims of the same globalist network that controls the pharmaceutical and medical industries. #### **Y. Thurs. 17 Oct. 2024: FEMA is Pure Evil ...Ben Fulford**

- **The truth is that FEMA is actually the real government**, while the federal officials we see are merely puppets.
- **The idea that FEMA exists** to help during disasters is a facade.
- **You know that pathetic \$750 payment** that citizens affected by Hurricane Helene are supposed to receive? Well, first, they have to sign an agreement, and buried in the fine print, it says that if that \$750 loan— yes, loan — isn't paid back within a year, the federal government can seize all of that individual's property.
- **FEMA is actively blocking Americans** from helping their neighbors who have been severely affected by Hurricane Helene.
- **They are also stopping people who have tried to offer aid**, seizing funds and supplies intended for victims, and even worse, purposely reallocating those resources to bring illegal immigrants into the U.S. to replace us.

- **There are tens of thousands of people** in the mountains of North Carolina who desperately need assistance and are being left for dead.
- **Countless others have sadly already lost their lives** due to the intentional malfeasance, incompetence, and inaction of the Biden-Harris administration.
- **FEMA should be designated a terrorist organization** for its handling of these situations.
- **Look up REX 84**, a classified exercise where the government could detain large numbers of American citizens deemed a "national security threat."
- **This is why FEMA operates under the Department of Homeland Security**, which was created by George W. Bush after 9/11, alongside the Patriot Act and the massive Fourth Amendment violations by the TSA.
- **Since its creation in 1979, FEMA** has been operating in the shadows, involved in massive land seizures.
- **OG truth-seekers will remember the "FEMA camps"** rumored to have been built during the Obama administration. Many of these facilities are said to be repurposed Walmarts.
- **FEMA's purpose is to set up a nationwide prison-state** control grid to imprison and detain dissidents as we approach the New World Order takeover of the United States.
- **All of the above is designed to illegally surveil**, censor, and subjugate American citizens.
- **Notice that FEMA hasn't done anything to actually help Americans in times** of great need, like in Maui, Texas, and now, with Hurricane Helene.
- **It's part of the largest human trafficking operation** through the wide-open border.
- **OUR GOVERNMENT IS AT WAR WITH WE THE PEOPLE!!**

**Z. Thurs. 17 Oct. 2024: BREAKING: "Something HUGE is About to Happen" and U.S. Dominance is on the Line. ...Carolyn Bessette Kennedy on Telegram**

- **BREAKING: The global power balance is collapsing!** BRICS is poised to overthrow U.S. dominance at the upcoming Summit. The U.S. dollar's supremacy is under siege, and a resource war is brewing. The Western world is hanging by a thread. This isn't just another political stunt—this is global power shifting before our very eyes!
- **The U.S. on the Brink of Collapse!** Washington, D.C. is scrambling, but it may be too late. BRICS is calculated, relentless, and ready to crush Western control over global affairs. The BRICS Summit in Kazan on October 22 isn't just another diplomatic meeting; it's the stage where the U.S. dollar's reign could come crashing down. What happens next? A seismic shift in the global order that will ripple through every corner of the Western world!
- **A Financial Revolution is Unfolding:** The BRICS Summit could be the new Bretton Woods moment that dismantles the U.S.'s grip on the global economy. This could be the

beginning of the end of Western dominance. It's not just about currency—it's about control over every key resource the world needs to survive.

- **Donald Trump has sounded the alarm:** He warned this shift could be worse than losing a war. Under Biden's weak leadership, BRICS has grown to include powerhouses like Egypt, Iran, and the UAE—nations that now control 35.6% of global GDP and nearly half the world's population! This isn't a warning, it's an imminent revolution. BRICS isn't just a threat; it's a juggernaut ready to destroy the West's economic supremacy.
- **The Resource War is Heating Up:** From lithium in South America to uranium in Africa, BRICS is positioning itself to control the world's future. Putin is leading the charge, ensuring Russia's dominance in the most valuable resources on Earth. And the U.S.? It's staring at disaster as it becomes dangerously dependent on Russia for uranium. If BRICS monopolizes critical minerals, Western tech and renewable energy industries could be wiped out. Supply chains will crumble, and there will be no way out for the West.
- **Iran and Ukraine:** The Hidden Agendas: Washington's secret alliances with Iran and involvement in Ukraine have nothing to do with defending democracy—it's about resource control. Iran, now a BRICS member, holds geopolitical power that could ignite a confrontation reshaping the Middle East—and the world. Ukraine? It's not about defending the innocent; it's about minerals and power, the hidden war for control over the future.
- **Currency Wars Begin!** The U.S. dollar is falling, and BRICS is ready to deliver the final blow with a gold-backed currency that will destroy the dollar's status as the world's reserve. Biden's weak sanctions on Russia have only accelerated this catastrophic shift. Inflation is already hitting Americans hard—from gas to groceries—these are the early tremors of a global earthquake that will shake the U.S. to its core.
- **NATO Prepares for War!** As BRICS advances, NATO isn't sitting still. They've ramped up nuclear preparedness drills. This isn't practice—this is war on the horizon. The nuclear conflict with Russia is becoming more likely by the day. The stakes? Global destruction.
- **The Final Countdown:** The BRICS Summit is the tipping point for the new world order. America's days of dominance are over. Those who understand this shift will seize the future. The rest? They'll be left behind, scrambling to survive in a world where the rules have completely changed.

- **Gyawali confirmed it:** posts criticizing Kamala Harris are automatically demoted. You won't know it's happening, but Meta's "Integrity Team" ensures your posts are buried, your voice silenced.
- **According to Gyawali, even something as simple as questioning Kamala's qualifications**—like whether she's fit for office because she doesn't have a child—will be hidden from your followers without you ever knowing. It's a stealth censorship machine operating in the shadows.
- **But the truth runs even deeper.** Meta has a specialized SWAT team in place to control dissent. Yes, a SWAT team created in April 2024 specifically to silence voices critical of the regime and ensure the Democratic Party's narrative remains dominant.
- **They're using a system called "civic classifiers" to shadow ban users,** suppress their reach, and prevent any content that goes against their agenda from seeing the light of day. This isn't about protecting democracy—it's about controlling it.
- **And who's behind this? None other than Mark Zuckerberg himself.** Gyawali admitted that Zuckerberg is fully aligned with Meta's agenda to sway political outcomes in favor of the Democrats. This isn't just corporate policy—it's personal. Zuckerberg has become the puppet master, pulling the strings to protect Kamala Harris and ensure that Meta remains a tool of the political elite.
- **Here's the bombshell:** Meta isn't acting alone. They're working with intelligence agencies, the FBI, and the CIA in a coordinated effort to suppress dissent. Gyawali hinted that Meta's SWAT team is planning a massive purge of accounts leading up to the 2024 election.
- **If your posts are critical of Kamala or the Biden administration, you're already on their radar.** You won't just be shadow banned—you could be erased entirely.
- **Meta is not just a platform. It's a weapon,** a digital dictatorship enforcing the will of the Biden-Harris regime. The globalist elites are using Meta to control the narrative, manipulate elections, and silence any opposition. And it's only going to get worse.

#### **Zd. Native Hawaiian DEW Victims of Maui Hawaii**

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/

unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**Ze. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

**Zf. "Ken and Barbie vs. Goliath IRS":** Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. Paul Cromar #567164 Davis County Jail P.O. **Zg. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

**Zh. Judy Note:** *Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.*

*"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*

**If you would like notification of the "22 Faces" re-publication release, please email me at:** info22faces@yahoo.com
