Now their Global financial system was falling apart due to the fiat US dollar, while that Satan worshipping Cabal planned Black Swan Events were on the horizon, as were Mass Arrests of those Globalist Elites, Bankers, Politicians and Hollywood pedophiles.

On Thurs. 17 Oct. 2024 the privately owned by Cabal Bankers, British Crown and Vatican US Inc. Corp fiscal year ended, was not further funded by the US Congress for the next fiscal year and thus that fiat Global Monetary System has been forever closed.

On that same Thursday the gold-backed Chinese Yen replaced the fiat US Dollar to determine the price of oil on the Forex for international trade and all banks closed worldwide that were not Basel III Compliant (monies insured by gold backed currency).

Also on that same Thurs. 17 Oct, the Quantum Financial System Global Currency Reset activated with at least 144 countries currencies being gold/asset-backed and trading at a 1:1 with each other; NESARA/ GESARA also activated across the World to refund Cabal stolen monies to The People, plus the new United States of America Republic started its new fiscal year under a gold-backed US Note.

Sometime between Tues. 22 Oct. to Thurs. 24 Oct. during the BRICS Summit in Russia, they were expected to announce that Global Currency Reset.

And, sometime between Thurs. 24 Oct. and Sun. 27 Oct. seven "Trumpets" or text messages of instructions will be broadcast to all cell phones across the Globe that will warn the World population of upcoming Mass Arrests and Ten Days of Communication Darkness.

***Don't worry about the so-called warnings of a nuclear World War III.** War was threatened as a distraction in order for the Global Currency Reset (GCR) to be set in place. Long ago all 209 nations wanting to participate in the GCR signed an agreement that they would not be at war if they wanted to be a part of the new Global Gold/asset-backed Financial System.*

The Global Military Alliance of those nations has positioned themselves across the planet in preparation for Mass Arrests of Global Elites who have committed Crimes Against Humanity.

To ensure the utmost security for all involved during ten days of Mass Arrests, we will be asked to hunker down in our homes, or a place where we feel safe. We are urged to stock up on food, water, cash and essential items in preparation.

The text messages will be followed by an Emergency Broadcast System (EBS) alert to prepare for ten days of Communication Darkness. During those ten days the Internet and ATMs will not work. Our personal phones will only be available for 911 calls, though a Military encrypted Signal App will be available in order for us to use our phones.

The Mass Media will be taken down and eight hour-long documentary videos will be played 24/7 to inform us of who, what, where, why and how of the Mass Arrests.

After the ten days we will be connected to a new and secure Quantum Internet system; currencies of nations participating in the Global Currency Reset will by then be gold/asset-backed and trading at a 1:1 with each other, while the old corrupt systems of Government, Education, Finance, Health, Trade and Commerce across the Globe will be dismantled, then replaced for the good of the common people.

The time is now to alert as many who will listen. Please warn those you love even though they may think you're crazy. Your goal should be to help others absorb the shock of what is coming.

Also, what the Dems did an illegal thing to put her in as a candidate, as she was never part of the primaries, she never got voted in. This is what other dictators and communist countries do, just putting someone in without anyone having a say in it.”

D. Fri. 18 Oct. 2024 P Diddy Arrest was for the protection of Kamala Harris Hillary Clinton CIA Operatives. ...Mr. Pool on Telegram

- **There is a major infighting** going on inside the Department of Justice Department of Homeland Security (DHS), and FBI.
- **P Diddy was secretly arrested during the Trump administration.** Diddy had become a triple agent forced turncoat. All his videos, servers and collection of famous people having sex, the full INTEL of CIA operations using Diddy to extort thousands of people, hundreds of top celebrities and U.S. top Elites were all copied. Trump's (Military) control over White hats in the FBI and DOJ recorded everything.
- **P Diddy was forced to play a part** that is leading to massive corruption of the DHS, Deep State, FBI, CIA, Clinton Obama Regime.
- has been taken over by the DHS on orders of the highest ranking connected to Biden, Harris, Clinton, Obama, CIA Operations.
- **There is major panic throughout Hollywood** that who is on the sex tapes and who will be revealed from the Kardashians (Kris Jenner) to top Hollywood A listers, actors, producers and corporations.

- **But these names aren't what the CIA DHS Clinton Obama** are worried about. What they are worried about is the CIA Sex Freak extortion blackmail operation is Kamala Harris. She is in the videos, along with Jeffrey Epstein, Bill Clinton and Chris Tucker.
- **This is why Department of Homeland Security** took over the investigation and indictments of P Diddy. The Deep State knew P Diddy was a turncoat and expected to cause chaos in the 2024 Election.
- **In the early 2000s Hillary Clinton tricked Harris** into attending the P Diddy parties and eventually being in the secretly filmed SEX FREAK OFF PARTIES where thousands of underage teens were performers through the decades with private rooms for younger kids and Elites sexual desires.
- **The infighting inside the FBI, DHS and DOJ** is due to obvious corruption happening in their organizations. White Hats are creating chaos inside the agencies threatening through secret channels to expose the corruption of their agencies.
- **Trump's White Hat Military, FBI, DHS operations** already knew these events were going to happen and that Obama, CIA, Deep State FBI, CIA DHS was going to step in and try to secure P Diddy away from the public and from talking.

E. Fri. 18 Oct. 2024 CHECKMATE!!! The Black Swan Event: A Financial Apocalypse with Stock Market and Bitcoin Collapse, Power Grid Blackout, and EBS-Triggered Quantum Energy Revolution ...Gitmo TV on Telegram

- **The Black Swan is coming—a financial apocalypse that will devastate the stock market, crush Bitcoin, and trigger a global blackout.** The EBS will be the signal of the cabal's downfall, ushering in a world powered by quantum energy. The old world will end—are you ready for the reset?
- **The financial system is crumbling under the weight of its own corruption.** The Federal Reserve's reckless money printing, Wall Street's greed, and government overspending have created a bubble that's about to explode. This will be no minor

crash—it will make 2008 look like child’s play. The Black Swan event will collapse the stock market, dragging down cryptocurrencies like Bitcoin and leaving millions devastated.

- **The stock market is teetering on the edge of a cliff.** Skyrocketing valuations, unprecedented debt, and a Fed out of control—it’s a recipe for disaster. When the crash hits, it will be swift, brutal, and wipe out trillions of dollars overnight. Bitcoin and other cryptocurrencies, seen as safe havens, will collapse, sending shockwaves through the financial world.
- **As the system crashes, the power grid will go dark.** The elites will pull the plug in a desperate bid to reset the world. The global blackout will be their last trick, but it will mark the end of their control. When the lights come back on, it won’t be nuclear energy—it will be quantum energy leading the charge, breaking free from their grasp.

- **The Cabal, which has ruled through nuclear energy and financial tyranny, will be brought to its knees.** Their control ends when the power shuts off. The corrupt financial institutions, corporations poisoning the planet, and governments betraying their people will fall. A new world is coming—one where the people hold the power, and the old order is destroyed.
- **This Black Swan event isn’t just about financial collapse;** it’s the beginning of the end for the cabal. The old world will die, and a new era of quantum energy will rise, free from their tyranny. Bitcoin and cryptocurrency will be part of this new world, but first, we must endure the collapse. The transition will be painful, but freedom is coming.
- **Prepare now—the time is near.** The old world is crumbling, and a new dawn is on the horizon.

Stay informed on how QFS ensures your financial security and autonomy.
- **The Quantum Financial System (QFS): Personal Finance Revolution** In a world where financial systems are evolving, QFS emerges as a groundbreaking solution redefining how individuals interact with their finances. Designed to provide unparalleled security, accessibility, and fairness, QFS ensures every individual has access to their rightful funds. As we dive deeper into QFS, it’s essential to understand the guidelines governing its use for maximizing its benefits.

- **QFS Accounts: Financial Autonomy** Each QFS account is uniquely tied to a single person, unlike traditional banking systems. This individualization protects your funds from unauthorized withdrawals and promotes personal responsibility. QFS empowers you to take control of your financial destiny, ensuring your funds are safeguarded from potential fraud.
- **Minors' Accounts: Next-Generation Security** In contrast to traditional systems, QFS restricts parental access to minors' accounts, safeguarding the financial future of the younger generation. Only under specific, predefined circumstances can parents access these funds, ensuring they are used responsibly by the rightful account holder when they come of age.
- **Age Requirements: Empowering Young Adults** QFS is accessible to individuals as young as 18, unlike many systems that impose stricter age restrictions. This policy reflects QFS's commitment to empowering young adults to establish their independence and build financial stability early in life.
- **Discovering Your QFS Account Through the Emergency Broadcast System,** individuals will be informed about their QFS accounts, which have been quietly accruing interest since birth. This revelation will change lives, offering newfound wealth to pay off debts, invest in new opportunities, or secure a comfortable future.
- **Seamless Fund Transfers** One of the most anticipated features of QFS is its ability to seamlessly transfer funds from your current bank accounts. Once you access your QFS account, the system will automatically initiate transfers, simplifying the transition and ensuring your financial stability.
- **Empowering the Homeless** QFS is designed to serve even the most vulnerable, including homeless individuals. With temporary addresses provided for account access, QFS offers financial inclusion and a path to rebuild their lives, breaking the cycle of poverty.
- **Security and Verification** QFS uses advanced quantum encryption to protect your account without requiring invasive biometric data. In case of a lost QFS card, identity verification ensures only the rightful owner can regain access, providing peace of mind and safeguarding assets.
- **Account Balances by Age** QFS account balances are estimated based on age, with 18-year-olds expected to have at least \$3,109,086 and 65-year-olds at least \$11,227,255. This system guarantees financial security for all, empowering individuals at every stage of life with substantial resources to live comfortably and thrive.
- **Conclusion: A New Era of Financial Empowerment** The Quantum Financial System represents a bold vision for the future of personal finance. By emphasizing individual accounts, promoting financial responsibility, and ensuring security, QFS offers a revolutionary path to a fairer, more just world where everyone has the opportunity to thrive. The future of finance is here, and it is quantum.

H. Fri. 18 Oct. 2024: BQQM! Secret Upgrades at Guantanamo Bay: Preparing for the Unthinkable! Civil Unrest Looms as Deep Divides Emerge in America. ...Carolyn Bessette Kennedy on Telegram

- **Guantanamo Bay, long a symbol of secrecy, is undergoing a dramatic transformation.** Recent upgrades at this detention camp point to preparations for massive future events. Fortified courtrooms and heightened evidence storage suggest sensitive trials are coming. Evidence of unspeakable acts is being secured, and the entire facility is ready for unprecedented consequences.
- **The arrival of a V-22 Osprey carrier shows the military's readiness for swift action.** This isn't a simple upgrade—this is preparation for something bigger. Guantanamo is geared for the long haul, with uninterrupted supply lines from South Carolina signaling prolonged operations. The staff is growing, infrastructure expanding—Gitmo isn't going anywhere.
- **But that's not all. FEMA ships—once intended for disaster relief—are now discussed alongside prison ships, raising alarming questions.** Is this the future of mass detentions? The reactivation of firing squads further hints at severe consequences awaiting those imprisoned. The new geriatric hospital indicates detainees will be there for a long time, possibly facing treason trials.
- **Meanwhile, America is on the brink. Civil unrest is brewing,** fueled by deep divisions. The heroic role of President Donald Trump in standing up to political corruption is at the heart of this turmoil. His presidency was attacked by a web of covert operations, but Trump remained unshaken. His fight against three-letter agencies working with foreign entities has ignited a growing sense of betrayal among his supporters.
- **With anger rising, the call for decisive action grows louder.** Justice must be served outside traditional channels, as many see the Justice Department as compromised. Trump's call to drain the swamp is seen as the last hope to save the Republic from the Globalists, the shadowy figures pulling strings behind the scenes. America is at a crossroads, and the next actions will shape history.

Wed. 16 Oct. 2024: Breaking News! Trump Directs Federal Funds to Sponsor Med Bed Healing Centers – Facilities Are Healing Soldiers and Children as the Medical Cabal Faces Collapse!

- **President Trump has directed federal funds to sponsor Med Beds Healing Centers**, marking a revolutionary shift in healthcare. Despite the elite's efforts to keep this technology hidden, Trump's actions are making Med Beds accessible, bypassing the corrupt medical-industrial complex and Big Pharma.
- **These healing centers, backed by federal funding**, will soon be available to heal soldiers, children, and everyday Americans—threatening the elites' stranglehold on healthcare and their profits.
- **The Med Beds are already here.** Underground facilities across the United States have been training technicians in secret.
- **As of now, over 50,000 Med Beds** have been strategically placed in these hidden centers. They are currently being used to heal soldiers and children rescued from elite trafficking rings, victims of the same globalist network that controls the pharmaceutical and medical industries. These children, some of whom have been horribly abused and injured, are now being treated in these secret facilities. Their recovery is nothing short of miraculous, but the media won't tell you that.

Fri. 18 Oct. 2024 UNBELIEVABLE! Government Helicopters Destroy Hurricane Helene Aid Supplies! Black SUVs Wipe Out Relief—Civilians Terrified to Seek Help!

- **The sabotage in Burnsville, North Carolina, on October 7, 2024**, exposes a dark agenda. A military-style helicopter, flying without markings, destroyed critical relief supplies meant for hurricane survivors. The pilots, masked and in military gear, deliberately scattered goods at a United Cajun Navy distribution site, in full view of volunteers who were tirelessly working to support the community after Hurricane Helene's devastation.
- **This wasn't random. Just 45 minutes before the helicopter's arrival, two unmarked black SUVs rolled through**, surveying the area before disappearing. This was a coordinated effort, and the unmarked vehicles and chopper raise serious questions about who ordered this attack.
- **What's worse, local law enforcement had no knowledge of the helicopter or SUVs.** How could this happen without oversight? The answer is clear: this was no ordinary aircraft, suggesting special forces or private military contractors were involved. Their goal wasn't just to disrupt aid—they wanted to send a message: no civilian efforts allowed.
- **This isn't an isolated case.** Across multiple states, relief supplies have vanished, convoys are attacked, and volunteers face resistance. In Florida, supply trucks have gone missing, and volunteers have been blocked by unmarked military vehicles. Civilians in hard-hit areas like Perry and Taylor counties have lost supplies, with no trace of who took them.
- **In North Carolina, reports of unmarked helicopters destroying supply drops** are growing. Relief sites have been torched mysteriously, with storage depots full of donated goods set ablaze shortly after being stocked.
- **This pattern is no coincidence.** The elites fear civilians helping civilians because it undermines their control. Independent recovery efforts expose the inefficiency—and sometimes outright malice—behind official responses. The chaos they need to thrive is shattered when volunteers bring order.
- **So who's behind this?** Is FEMA or another government agency involved? Rumors about FEMA camps and using disasters for darker agendas have persisted for years. In the aftermath of Hurricane Helene, FEMA took control of recovery sites, but civilians report being blocked from helping each other.
- **Is FEMA restricting aid to consolidate control**, or is something more sinister happening? With reports of unmarked helicopters, black SUVs, and masked operatives, it's hard to dismiss this as mere incompetence.
- **The timing is suspicious.** As grassroots efforts gained momentum in Florida and North Carolina, these attacks began. It's a deliberate attempt to keep the people dependent and compliant.
- **The people of Burnsville and other hurricane-hit areas aren't just battling a storm—they're up against forces that thrive on chaos.** The sabotage of Hurricane

Helene recovery is part of an ongoing war to maintain control. If we don't expose the truth now, this will continue every time disaster strikes.

- **Fri. 18 Oct. 2024 Florida:** Florida law enforcement officials arrested 157 people during a human trafficking sting, including 25 illegal immigrants, some of whom allegedly received benefits from the federal government after stepping foot into the country. Polk County Sheriff Grady Judd was joined with representatives from various other law enforcement agencies from places like Marion County, Lake County, Auburndale, Clermont, Davenport, Winter Haven, Lakeland and Tampa, when he announced that "Operation Autumn Sweep" resulted in the arrest of 157 suspects involved in illegal acts related to soliciting prostitutes, offering to commit prostitution, and aiding and abetting prostitutes. Three others were arrested for traveling to sexually batter children. The operation began on Oct. 2, and the investigation found that four possible human trafficking victims were identified out of the 47 prostitutes who showed up to undercover locations to commit prostitution. Judd's office said 96 suspects were arrested for soliciting prostitution, and out of the 157 people arrested, there were 35 felonies, and 201 misdemeanors issued.

- **Fri. 18 Oct. 2024 St. Augustine Florida: A 1700s Ghost Ship Washes Ashore in Florida After Hurricane Milton:** In an eerie aftermath of Hurricane Milton, a fully intact 1700s-era ghost ship washed ashore near St. Augustine, Florida, on Wednesday, baffling both locals and experts. The mysterious vessel, which had been lost to time, emerged from the ocean's depths as the Category 4 storm churned the Atlantic, sending the ancient ship onto the beach. Authorities have cordoned off the area to protect the fragile vessel, believed to be a merchant ship from the late 18th century. Experts suspect the violent storm disturbed an underwater graveyard of shipwrecks, forcing the ghostly relic to the surface. "This is unprecedented. To see a ship this old, in such good condition, simply appear out of the ocean during a hurricane—it's both fascinating and chilling," said Dr. Andrew Clarke, a marine archaeologist on the scene. No crew or cargo has been found aboard the ship, which only adds to the growing mystery. Locals have reported hearing strange sounds near the site, leading to speculation about the vessel's supernatural ties. The ship will remain under guard until historians and archaeologists can document its contents. Though the town is still recovering from Hurricane Milton, the ghost ship has quickly become the talk of St. Augustine, with residents and tourists eager to learn more about the long-lost ship and the storm that brought it ashore.

Paxton alleged that Dr. May Chi Lau, who specializes in adolescent medicine, provided hormone-replacement therapy to 21 minors between October 2023 and August for the purpose of transitioning genders. In 2023, Texas enacted a law banning hormone-replacement therapy and other forms of gender-affirming care for minors. "Texas passed a law to protect children from these dangerous unscientific medical interventions that have irreversible and damaging effects," Paxton said in a statement Thursday. "Doctors who continue to provide these harmful 'gender transition' drugs and treatments will be prosecuted to the full extent of the law." The statement issued by Paxton's office alleged that Lau used "false diagnoses and billing codes" in order to mask "unlawful prescriptions."

O. Fri. 18 Oct. 2024: [DISTURBING!! Thousands of Children Rescued from DUMBs! New Evidence Exposes Tunnels for Torture and Human Experimentation—Hollywood and Government's Disturbing Child Trafficking Connection! - Gazetteller](#)

- [The DUMBs \(Deep Underground Military Bases\) network](#) has long been suspected of hiding some of the most horrific operations imaginable. [The elites responsible for these crimes](#) are scrambling to cover their tracks as the light of truth shines down on them.
- **The latest revelations about the DUMBs network confirm that [It has become a central hub for human trafficking](#),** child exploitation, and grotesque human experimentation—conducted on a scale that defies belief.
- **Survivors and whistleblowers have come forward** with new testimonies that are as horrifying as they are credible. Underground, beneath cities like New York, Los Angeles, and Denver, these bases have been used for far darker purposes than anyone could have imagined.

- **As of mid-October 2024, several DUMBs have been directly tied to new human trafficking rings.** The global elite, using these underground facilities, have facilitated the abduction and trafficking of thousands of women and children through intricate tunnel systems that span not just the U.S., but reach deep into Europe, Asia, and South America.
- **New findings indicate that these trafficking operations are coordinated with military precision.** Children are smuggled across borders, [bypassing traditional checkpoints by utilizing the vast DUMB tunnel networks.](#)
- **The DUMB network beneath the southern U.S. border,** stretching into Mexico, was found to be central to an operation trafficking women and children across Central America. Just last week, a raid by the [Global Military Alliance uncovered a hidden complex where over 500 trafficked children were being held](#) in conditions so inhumane that it defies description.
- **These children were kept in squalid, dark conditions, many of them malnourished and suffering from severe trauma.** Disturbingly, these DUMBs are equipped with sophisticated containment systems, complete with biometric scanners and AI-controlled doors to prevent escapes, showing just how advanced and calculated these trafficking operations are.
- [New whistleblower reports confirm that within many DUMBs,](#) human experimentation is taking place—this is not the stuff of science fiction, but a real and ongoing nightmare. These facilities have been used to conduct genetic experiments, testing on live human subjects, many of whom were trafficked children and abducted adults. (More Info on [gazetteller.com](#))
- **DNA manipulation, hybrid experiments, and attempts to alter human biology are all happening deep underground,** far from the oversight of any legal authority. Some whistleblowers have revealed that children are used in horrific mind-control experiments, designed to create new forms of brainwashing and indoctrination for deep state purposes.
- **One particularly chilling new report came from a former DUMB security contractor,** who described a section of tunnels beneath Los Angeles where live organs were being harvested from trafficked children. These organs, including hearts and kidneys, are sold on the black market to the highest bidders, often to rich elites looking to extend their lives.
- **It's not just Adrenochrome anymore—it's a full-scale harvesting operation that stretches across the globe,** with these organs being transported via secure DUMB channels to buyers in Europe, the Middle East, and Asia.
- **Just last week, new DUMB networks were uncovered beneath New York and Washington D.C.,** with further evidence pointing to their use in trafficking operations linked to high-profile political figures.
- **In Washington D.C., deep within the underground network, investigators found evidence of a sprawling complex** where children were being kept in cages for both trafficking and ritualistic purposes. This underground bunker is connected to various

government buildings via tunnels that were designed decades ago for “national security” purposes, but have since been repurposed for sinister use.

- **In New York, another horrific discovery was made beneath Central Park, where [more than 50 children were rescued in early October 2024](#)** from an underground bunker. These children were in critical condition, many having been subjected to severe physical and psychological torture.
- **The tunnels beneath New York City** are part of a massive DUMB network that links to several key points across the city, including the United Nations building and various high-profile landmarks. This particular section was under the control of a deep state faction known to work closely with international elites, [further connecting global trafficking rings to the DUMB network](#).
- **In a significant turn of events, [the BRICS alliance has now joined the fight against the deep state’s use of the DUMB network](#)**. As part of their new gold-backed currency system, BRICS has been cutting off financial access to known deep state operatives, many of whom have been using DUMB facilities for trafficking and illicit trading. (More Info on [gazetteller.com](#))
- **This move is part of a broader plan** to dismantle the globalist financial empire that has enabled these underground operations to thrive.
- **Recent intelligence from [BRICS insiders suggests that many of the trafficking operations run through the DUMBs](#)** have been tied to global financial institutions, including the IMF and World Bank. These organizations, long suspected of funding clandestine operations, are now being exposed for their role in allowing the trafficking networks to flourish.
- **With the BRICS currency threatening to upend the current financial system**, the elites are growing desperate, using the DUMB network to move their assets—both human and financial—out of the reach of this new economic order.
- **The Global Military Alliance**, which includes factions from the U.S. military, Russian Special Forces, and covert operatives from several BRICS nations, has been actively targeting these DUMB facilities throughout 2024.
- **In a coordinated series of raids, they have liberated [over 10,000 trafficked children from DUMB complexes across North America and Europe](#)**. These missions have been met with fierce resistance, as Deep State forces attempt to protect their underground operations at all costs.
- **In October 2024, [a major raid on a DUMB facility beneath the Nevada desert resulted in the capture of key deep state operatives](#)** who were responsible for orchestrating human trafficking operations across the western U.S.
- **This facility, which was heavily fortified, contained evidence of advanced cloning experiments**, further connecting the DUMB network to illegal bioengineering projects aimed at creating a new class of “enhanced” humans for deep state use.

- **In the next few days, a major broadcast through the Emergency Broadcast System (EBS)** is expected, with over 35,000 Starlink satellites set to disrupt traditional media channels. This broadcast is rumored to include graphic evidence of the atrocities committed within the DUMB network.
- [The EBS will reportedly showcase live footage of the children being rescued](#), along with testimonies from military operatives and survivors who were held captive underground. [The documentary that is set to air globally will be broadcast in 55 languages and 600 dialects](#), ensuring that no one on this planet will remain ignorant of the horrors that have unfolded beneath our feet. (More Info on [gazetteller.com](#))
- **The DUMBs, once hidden in darkness, are being exposed** for what they truly are: centers of human trafficking, genetic manipulation, and the worst abuses imaginable. The world is waking up, and the deep state is running out of places to hide.

R. Fri. 18 Oct. 2024 Military Intel: Beware of the Fake [Disclosure] Orchestrated by the Deep State in Congress—Project Blue Beam, White Hats, and More ...GITMO TV on Telegram

- **Expose the Deep State’s sinister plan with their fake [DISCLOSURE] in Congress!**
They want to blind you with lies while hiding the real truth about Project Blue Beam. This isn’t just about aliens—it’s about power and control! Don’t be fooled by their deception.
- **Project Blue Beam is a weapon designed to manipulate the masses into accepting a New World Order.** The Deep State is following a script—fake alien disclosure to distract us from their ultimate goal: total domination. Behind this is Chuck Schumer, a puppet following a plan meant for Hillary Clinton’s presidency. Now, Schumer holds the baton, leading the charge to control our future.
- **The Fake Alien Agenda:** What’s the endgame? To create a global crisis, making us believe in a staged alien invasion. This is how they’ll push their one-world government on us. Using holograms and technology, they’ll make the invasion seem real. When chaos ensues, the Deep State will swoop in with their “solution” — but it’s all a trap to enslave humanity. Wake up to the truth.
- **The Truth Behind the Lies:** Their real goal is to suppress free energy and advanced technologies that could end their monopoly over oil and gas. Imagine a world where energy is free, where they no longer control us through scarcity. They fear this future more than anything, which is why they want to keep us distracted with this fake alien narrative.
- **This isn’t about ETs—it’s about control,** and they’ve been planning this for decades. The CIA, the Rockefeller dynasty, and other elite groups have orchestrated this elaborate

plan to keep humanity in chains. They'd rather see us struggle than live in a world where energy is abundant.

- **Project Blue Beam is their weapon**, but now that you know, you can resist. The White Hats are fighting back, trying to expose the lies before it's too late. But we need you to spread this truth! Break the illusion, because once we see through their scheme, they lose their power over us.
- **The Cabal's Sinister Scheme:** Don't fall for the fake disclosure. This is their biggest lie, meant to crush your will and force you into submission. But we are stronger than that! Together, we can defeat their illusion and reclaim our freedom.
- **Stay vigilant**, share the truth, and stand strong. The fight isn't over!

S. Fri. 18 Oct. 2024 URGENT ALERT! MILITARY INTEL: Disruptive Event 2 Planned – Military Issued Satellite Phones to Senate in the Coming Communication Blackout! ...Mr. Pool Secrets on Telegram

- **Military intelligence has warned of an imminent event, dubbed “Disruptive Event 2.”** In preparation, satellite phones have been issued to the U.S. Senate, signaling an impending communication blackout. This move highlights the gravity of the situation as secure channels are prioritized to handle emerging threats.
- **As whispers of Disruptive Event 2 grow louder**, the global chessboard shifts, and the stakes have never been higher. The military isn't preparing for a drill—they're preparing for what's coming. The question is: Are you ready?
- **Senators equipped with satellite phones isn't a conspiracy**—it's a direct response to something big. The U.S. military anticipates massive disruptions, likely stemming from international powers seeking to destabilize our nation. China, backed by Russia, aims to cripple America from within—targeting our electrical grid, oil, gas, and financial infrastructure. Four-star General Keane warns that this could be the largest cyberattack in American history. What's worse? It's not just foreign enemies.
- **While tensions rise abroad, Trump, RFK Jr., Putin, and Xi are openly condemning the CIA's corruption.** Is this a global alliance forming behind the scenes, or is it another battle on the world stage?
- **The Department of Health and Human Services has spent \$290 million on radiation sickness drugs, hinting at fears of a nuclear conflict.** The World Health Organization is updating lists for nuclear emergencies, signaling that something catastrophic may be on the horizon. Remember Operation Gotham Shield? The 2017 simulation of a nuclear attack on New York? It's no longer a simulation—real-world events are aligning.
- **The Deep State, CIA, and FBI are allegedly plotting the cyber-attack of the century.** Their goal? To erase investigations into Epstein, Hunter, the 2020 election, and vaccine cover-ups. Their scapegoat? The patriots.

- **The storm is gathering.** The military may be the only path out. The battle lines are drawn, and disruptive events like these will define our future. Prepare, stay alert, and remember: the truth will emerge once the dust settles.
- **The global stage is flickering.** Will this be a seismic shift in history? Or just another chapter in the grand chessboard of power?
- **As always, stay vigilant.** Knowledge is power. The future is not written—it's shaped by those willing to stand and fight.

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

U. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

V. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only

thing accepted at the jail. Paul Cromar #567164 Davis County Jail P.O. Box 130 Farmington, UT 84025-0130 Donations for commissary and other needs can be made at: <https://www.miraclesingodwetrust.com/contact/> Venmo to: @Talmage-Cromar OR mail to: The Cromar's PO Box 942 Pleasant Grove, Utah 84062 (you will receive a gift for your contribution)

W. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

X. Judy Note: Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com
