*The Hunter's Moon or Red Moon rose on Sat. night for the first time of Autumn – perhaps signaling a transition period: a financial reset this week and a Rig for Red preparation of the Military to clean out the Deep State. This is perhaps when indictments, arrests and leaks of documents that reveal corruption becomes more visible – where pursuers become the pursued and when those previously in power will start to face public exposure of their ties to child trafficking, money laundering and political blackmail.*

**Sat. 19 Oct. 2024 Scammer Alert WARNING:** The scammers are working hard scamming people with fake posts then messaging telling people they need to setup a QFS account to keep their assets safe then they send you a link to help you and you deposit your assets you lose everything. This is why they fake posts like the Graham Post that's going around from 2022 with the BS under it. The pictures of Fake cards are all apart of making people think that you can sign up for a QFS account. A QFS Global Card advertised as in the below is FAKE and being put out by the Cabal Deep State. ## **A. EBS, Arrests Underway on over 700,000 Indictments, QFS Activation**

**Sat. 19 Oct. 2024: Global Military Checkpoints to Enforce NESARA/GESARA During 10 Days of Darkness! ALERT! 700,000 Indictments Exposed, Arrests Already Underway: EBS Documentaries and QFS Activation ...Mr. Pool on Telegram**

- **The storm is here, and there’s no stopping what’s coming.** Every move has been calculated. Now, the global military alliance is ready to dismantle the corrupt power structures that have oppressed humanity for too long. This isn’t business as usual. Military Movements are occurring right under our noses. High-ranking generals, experts in psychological and cyber warfare, have been called back to duty for this critical mission. Special forces, including Navy SEALs, Delta Force, and British SAS, are deployed within their borders, ready to neutralize key Cabal operatives. This is a coordinated, global takedown, happening in over 100 countries. These movements are surgical, aimed directly at the heart of the Cabal's leadership.
- **The Emergency Broadcast System (EBS) is coming,** and it will change everything. A Worldwide Communication Blackout is imminent. This isn’t just about preventing the Cabal from coordinating—it’s about installing a secure, quantum internet immune to their manipulations. The old internet, riddled with backdoors and surveillance, will be replaced. Military forces have seized control of satellites, ensuring global communication is locked down when the time comes. The Quantum Financial System (QFS) is in motion. More than a financial reset, it's the end of the Cabal's financial stranglehold. Secret bank accounts, offshore havens, and illicit wealth are being exposed. Trillions in assets are being seized as the world shifts to a new credit-based system that will end debt slavery. Imagine waking up to find your debts—mortgages, student loans, credit cards—erased. This isn’t speculation; it’s a reality unfolding now.
- **EBS Broadcasts will reveal the darkest truths.** Prepare for documentaries that expose the Cabal's most evil acts—human trafficking, ritual abuse, and more. Whistleblowers have risked their lives to bring this evidence forward. The EBS will broadcast non-stop, delivering these revelations directly to the people. High-profile arrests, confessions, and trials will be shown to the world. The elite’s crimes will be laid bare for all to see. Global Arrests are in full swing. Over 700,000 indictments have been filed, and arrests are happening. Private jets are grounded, passports seized, and high-ranking officials taken in the dead of night. This isn’t just happening in the U.S.—it’s a global phenomenon. Europe, Asia, Africa, the Middle East—no corner of the world is untouched.

- **This is the final countdown. Prepare now.** Follow the EBS instructions, stay vigilant, and brace for what's coming. The Cabal is desperate, and there will be attempts to spread disinformation and create chaos. But remember: nothing can stop what's coming. We are witnessing the great awakening. The old world is ending, and a new world is rising. Stay strong, stay united, and trust the plan. You are the storm.

**[B. Breaking News! Global EBS Alert Set to Activate—Prepare Your Phones for Earth Alliance, Mass Arrests, and Military Tribunals on October 24-25! - Gazetteller](#)**

- **As we edge closer to October 24 and 25, the [Earth Alliance, in conjunction with Starlink and other military satellites, is finalizing the intricate global operation that will unleash the EBS worldwide.](#)** A complete information shutdown across the globe.
- **[On October 24 and 25,](#)** every cell phone on the planet will be hit with a loud, **[unmistakable alert signal.](#)** The signal will be transmitted directly from Starlink satellites, bypassing traditional media channels that are controlled by the elites.
- **[The Earth Alliance has been preparing for this for years,](#)** quietly building a network of satellites and secure communication lines that will make this operation possible. **[Starlink, Elon Musk's satellite network, has been commandeered for this very purpose.](#)** Despite the cover stories about providing global internet, the real mission of Starlink has always been tied to the Alliance's plan to overthrow the Deep State.
- **The EBS alert will be initiated globally** but will be activated in phases. Depending on where you are, you may receive the alert slightly earlier or later than others, but make no mistake—it is coming.
- **[Once the EBS hits your phone,](#)** the next phase will begin. The signal will be followed by a broadcast—an unfiltered message from the Earth Alliance, led by Trump and key military leaders. This broadcast will bypass the corrupt media, delivering real-time updates about the takedown of the Deep State, the mass arrests, and the collapse of the corrupt financial system – from human trafficking networks to the manipulation of global wars and natural disasters.
- **[The broadcast will expose how FEMA, the FBI,](#)** and other government agencies have been weaponized against the people, carrying out false flags and deliberate disasters to maintain control.
- **[The EBS broadcast will last for several days—possibly up to 10, depending on the situation on the ground.](#)** During this time, there will be no internet access, no social media, no TV, and no mainstream news. The only source of information will be the EBS, which will provide continuous updates about the arrests, military movements, and the financial reset.
- **You must be prepared for this blackout.** Stock up on food, water, and essential supplies. Have backup power sources ready. You won't be able to go to the store or access online services during this time.
- **[As the EBS alert rolls out, the military will be mobilizing across the globe.](#)** The Earth Alliance, made up of white hat military forces from various nations, has been coordinating this operation for years. **[In the U.S., militias and other patriot groups have already been activated,](#)** and they are ready to confront any Deep State operatives who attempt to disrupt the plan.

- **The military will be tasked with maintaining order**, but make no mistake—there will be resistance from the elites. False flags will be launched to create chaos and confusion. The globalists know their time is up, and they will do everything in their power to stop the Alliance. But their efforts will fail.
- [During this period, martial law is highly likely.](#) Military tribunals will be [broadcast through the EBS](#), and you will witness the fall of the corrupt politicians, bankers, and corporate elites who have been part of this evil system. You will see arrests, confessions, and the dismantling of the globalist networks that have enslaved us for so long.
- **The Deep State's financial institutions will crumble**, and the Quantum Financial System (QFS) will officially take over, marking the beginning of the greatest wealth transfer in human history. The elite-controlled banks, stock markets, and fiat currencies will be obliterated, replaced by a fair and transparent financial system that serves the people, not the elites.
- **Part of the EBS alert preparation includes targeting and neutralizing underground military bases** and secret facilities used by the elites. These underground cities, built by the Deep State to shield themselves from the chaos they've created, are now being identified and destroyed. The Earth Alliance has located several of these bunkers, including one beneath Denver International Airport and another in the Swiss Alps, where top globalists have been hiding.
- **The EBS will not just be a signal for the public**—it will be a signal for the final phase of the military takedown of these hidden strongholds. [The elites think they can escape underground, but they're wrong.](#) Special Forces teams are already on the ground, and once the EBS is activated, they will move in to eliminate these safe havens. This is war on a scale we've never seen before, and it's happening in real-time. Once these underground facilities are neutralized, the elites will have nowhere left to hide.
- **The Earth Alliance, Starlink, and the military** are all in place, ready to execute the final phase of this plan.

Want to hold a seat in the United States of America Republic?  
<https://members.republicfortheunitedstatesofamerica.org>
- **CALL TO ACTION (if you want to be part of the Republic).** It is time to get to know the Republic for the United States of America. We have an interim President and are operational in all 50 states which was done quietly. We have 49 interim governors and finalizing the last one. Most of these governors of the Republic also have appointed their interim staff of Sec of State, Senators, Representatives, Judges, etc. Many are retired military and veterans.
- **The Republic is being privately funded.** You may donate if you want, but you will never be asked. Everything you want to know about the interim government restoring Operations for the Republic under the Constitution for the United States of America is here: <https://republicfortheunitedstatesofamerica.org/>
- **The Republic is now getting ready to stand up as the government that it was before the civil war.** But it's the people who have to overwhelmingly stand up the Republic, not the military. The military is the protector of the Republic and will hold space waiting for the people to provide a civil authority with a legitimate election (separate from the upcoming 2024 election). All we need is for people to join and register (no cost or obligation) to be a member of the Republic at:  
<https://members.republicfortheunitedstatesofamerica.org/>
- **When the United States corporatized government collapses or stopped,** the military will take over the country and declare martial law and our country will be operating under military law until the Republic stands up. When that happens there will be new elections held within 120 days for the reclaimed Republic without the politics. The transition under martial law is expected to take at least 10 days, probably weeks or months. Finances and services are not expected to be available during this period.
- **No more BAR attorneys** as the new law will be Common Law. WA State has already stopped requiring passing the BAR exams.
- **Yes, this information is based on collaborations I have with people** I trust but who cannot claim anything as fact. So do your own research. The two links above are a good start. Remember we literally are in a war that we have to win to keep the Republic.

#### **F. Election Fraud 2024:**

- **Sat. 19 Oct. 2024 Pennsylvania: Anonymous letters threatening violence mailed to Trump supporters in Pennsylvania.** The Post Millennial has learned that some voters in the Philadelphia said they have received threatening letters sent through the US Postal Service using a facsimile of a Trump campaign letterhead. The printed letters begin with the salutation "Dear Neighbor" before briefly mentioning reasons not to vote for Donald Trump and JD Vance but then dive headlong into outright threats. The writer claims, "We know where you live, you are in the data base. There is no knowing what may happen,"

and "your family may be impacted, your cat may get shot."

- **Sat. 19 Oct. 2024 Utah Judy Note:** "We have mail in ballots for seniors here in Utah. A month or so ago my neighbor received his ballot, but his wife didn't. The problem was that he is deceased, while she is very much alive. When I contacted the election department at the State Capitol about it they avoided the question but did say they didn't send out ballots until **Oct. 15**. That was two weeks AFTER my deceased neighbor's ballot was received. I have twice now requested they clarify why a deceased person received a ballot, and also asked why they received it weeks before the ballots were officially mailed out. I have yet to receive an answer."
- **Fri. 19 Oct. 2024 Georgia:** Marjorie Taylor Greene has sounded a dire warning for Georgia, claiming that Dominion machines are already switching Trump votes to Kamala Harris. She insists this mirrors the 2020 election, with ballots allegedly flipping Republican votes to Democrats repeatedly. Greene warns that all swing states are now at serious risk of widespread election fraud.
- **Fri. 18 Oct. 2024:** I just opened my mail-in ballot and something's seriously off. Both the secrecy and return envelopes came already SEALED. Watch as I explain the issue and why it matters. Have you experienced this too? Let me know in the comments! I'm gonna have to open this envelope, use a letter opener or a pair of scissors or something, tape it shut... and it's going to look like my ballot has been tampered with, which means it's not going to be counted. Don't let your vote go uncounted! Please share this video to spread awareness and protect our democratic process. ...Follow the White Rabbit on Telegram

- **Sat. 19 Oct. 2024: The Washington Post has reported** over the last 24hrs that if users engage w/ "election terminology" on Meta's social media platforms Threads, Instagram, and Facebook, the platforms' super-algorithms will auto-censor the content and shadow ban it into the void. The algorithms will kick in even if the user is utilizing private messenger, talk-to-text functionality on their mobile, or if the user vocalizes certain buzz-terms like "election fraud" <https://www.threads.net/@mattnavarra/post/DBLga-aIyNl>

- **Sat. 19 Oct. 2024: The Arizona Senate Audit of the 2020 Election** confirmed beyond a shadow of doubt that Donald J. Trump is the duly elected President of the US. Katie Hobbs and her co-conspirator Adrian Fontes inserted 74, 243 MAIL IN BALLOTS in the Nov 3, 2020 election that are TIED to individuals returned and cast with NO RECORD of them ever being SENT.

#### G. Wars and Rumors of Wars:

- **Sat. 19 Oct. 2024: Hundreds of Hamas Terrorists** have begun surrendering to the IDF in Northern Gaza. This comes just after the IDF issued an ultimatum, "surrender or die."
- **Sat. 19 Oct. 2024: Iran's Supreme Leader Khamenei** says Hamas will survive after Sinwar death. <https://insiderpaper.com/irans-khamenei-says-hamas-will-survive-after-sinwar-death/>

#### H. FEMA Crime:

- **EBS: Worldwide Martial Law Initiated**—White Hats Target FEMA for Human Trafficking and Theft After Stealing Funds and Supplies from Hurricane Helene Victims!
- **The EBS (Emergency Broadcast System)** is here to signal the beginning of Worldwide Martial Law. No more hiding. The White Hats have mobilized 5,000 troops in a coordinated strike aimed at dismantling decades of elite domination. This is a full-scale purge of the deep state, and at the heart of it is FEMA, now exposed for its role in human trafficking and the theft of aid meant for Hurricane Helene victims.
- **This is the final phase of the White Hats' plan** to crush the deep state. FEMA has been caught red-handed—stealing funds, confiscating supplies, and worse, using the chaos of Hurricane Helene to engage in human trafficking under the guise of disaster relief.
- **The Military Alliance** is ready to strike at the heart of FEMA's corrupt operations. FEMA, the so-called agency for disaster relief, is nothing more than a cover for some of the darkest activities of the deep state. Governors have been warned—those who align with the deep state will be removed. Every corrupt official involved in FEMA's atrocities will face swift justice, far from the reach of rigged courts.
- **The White Hats** have gathered irrefutable evidence—tracking every stolen dollar and every secret meeting behind FEMA's operation. FEMA didn't just mishandle Hurricane Helene's disaster relief; they deliberately stole the funds and aid that were meant to save lives.
- **But it gets worse.** FEMA's involvement in human trafficking runs deeper than anyone could imagine. The chaos following Helene gave FEMA the perfect cover to abduct women and children, disappearing them without a trace. Hundreds of victims vanished, and FEMA's hands are all over it.

- **This isn't an accident.** It's the deep state's playbook—chaos and suffering as tools of control. The White Hats know everything, and they are launching raids on FEMA's secret facilities—underground bunkers, hidden warehouses, disaster camps used to traffic human beings.
- **Every FEMA agent involved** in this grotesque scheme, every official who helped cover it up, will be brought to justice. The Military Alliance is dismantling FEMA's human trafficking network, and this time, there's no escaping the consequences.
- **FEMA's ultimate goal** has always been population control through chaos. Disasters like Hurricane Helene are just opportunities for FEMA to test their sinister agenda. The White Hats have uncovered FEMA's plans for population reduction, codenamed Operation Cull—targeting not just disaster victims but anyone who threatens the deep state's power.
- **The EBS will sound**, and when it does, FEMA's entire operation will be exposed. The stolen funds, the missing people, the trafficking—it will all come to light. FEMA's camps will become prisons for those who once ran them.
- **Justice is here.** The White Hats are leading the charge, and FEMA's reign of terror is coming to an end.

**K. Fri. 18 Oct. 2024: BREAKING: Operation Autumn Sweep! Over 150 Criminals, Including Disney Employee, Snatched in Major Human Trafficking Crackdown...Gitmo TV on Telegram**

- **Over 150 criminals**, including a Disney employee, were arrested in a major human trafficking bust during "Operation Autumn Sweep." This massive sting rescued four victims and exposed online predators targeting minors. Law enforcement's relentless pursuit proves no one is safe from justice, not even those hiding in plain sight.
- **In a sweeping assault**, law enforcement agencies executed one of the largest human trafficking busts in recent memory. Operation Autumn Sweep tore through a sprawling web of human traffickers and online predators, dragging more than 150 people into the light where they can no longer hide. And the most shocking part? A Disney employee, proof that evil can wear the most unsuspecting mask.
- **The Filth Exposed: 150 Arrests, 4 Victims Rescued** This wasn't a simple sting—it was a ruthless takedown of criminals trading in flesh and misery. 157 predators, including

traffickers and creeps preying on children, were rounded up. Their sick schemes were shattered in an instant. But justice didn't stop there—four victims were rescued from the jaws of this disgusting trade. Four lives, nearly lost to the shadows, now freed.

- **Disney Employee Caught:** The Hidden Monster One of the most shocking revelations? A Disney employee—someone working at the happiest place on earth—was secretly involved in this vile industry. This isn't some far-off criminal—it's someone who was trusted in a family-friendly place! A gut-wrenching reality check for anyone who still believes these predators only exist in dark corners.
- **The Internet is No Safe Haven** This operation didn't just target the streets—it hunted down online predators, catching those sick monsters who thought they could hide behind their screens, targeting children. They thought the internet offered anonymity, but they were wrong. Now they're behind bars where they belong.
- **Illegal Immigrants and Trafficking:** The Ugly Truth Many of those arrested were illegal immigrants, involved in this twisted network, using their status to hide even darker crimes. This isn't just about illegal immigration—it's about the exploitation of human lives. Operation Autumn Sweep proved that law enforcement won't let them slip through the cracks.
- **This is War—and It's Far from Over Make no mistake**—this is a war. Operation Autumn Sweep dealt a crushing blow, but it's just the beginning. There are more predators out there, waiting to exploit their next victim. But the message is clear: we're coming for you. Law enforcement won't rest until every single one of these monsters is brought to justice.
- **The Global Connection:** Disney, Maxwell, and the Dark Web of Corruption Operation Autumn Sweep is just the tip of the iceberg. The deeper this investigation goes, the more dark connections emerge. Whispers of a link between Disney and the Maxwell family are sending shockwaves. Could this be just the beginning of an explosive revelation that topples some of the world's most powerful entities?
- **Robert Maxwell mysteriously died 33 years ago**, leaving behind a shadowy legacy. The timing of these revelations feels like no coincidence. Maxwell's connection to international espionage, combined with Disney's growing scandals, is all starting to come to light. Could this be the moment of reckoning we've been waiting for?
- **The Takedown of the Century The storm has arrived.** Operation Autumn Sweep is more than just a law enforcement bust—it's the beginning of the end for some of the most powerful forces hiding in the shadows. Disney, Maxwell, and Epstein—names that will soon be synonymous with corruption, trafficking, and global control.
- **Prepare yourself.** This is no ordinary scandal. The world is about to see the truth—and it's more terrifying than anyone could have imagined.

**M. Sat. 19 Oct. 2024 Top-Secret HAARP Facilities Exposed – Edward Snowden Unveils HAARP’s Sinister Global Agenda! ...Patrick B Kennedy on Telegram**

- **NSA whistleblower Edward Snowden has just blown the lid off a terrifying agenda hidden deep in Alaska.** Documents reveal that HAARP, which they claimed was about "scientific research," is in reality a weapon designed to control and manipulate humanity on a global scale.
- **HAARP’s Dark Purpose:** For years, the military has disguised HAARP as a research station, keeping its true mission hidden from the public. According to Snowden’s leaks, HAARP is no innocent experiment—it's a weapon of mass manipulation, targeting people's brains, causing what seem like natural deaths—strokes, heart attacks. This is more than a conspiracy theory. It's happening now, right under our noses.
- **Mind Control at an Unimaginable Level:** Snowden revealed that HAARP can remotely control the minds of those who speak out, turning people into irrational, “crazy” individuals in the eyes of the world. Their goal? Silencing dissenters, using these frequency waves to make their opposition crumble from within. Think about it—the world leaders, media moguls, and CEOs you see on TV are just puppets, controlled through advanced technology. Ever wonder why some of the most powerful voices for truth go silent overnight?
- **Faraday Cage Defense:** Snowden has taken refuge in a Faraday cage, cutting off external radio waves, shielding himself from this global mind-control weapon. Why? Because once you know the truth, you're a target. This technology can destroy lives, discrediting those who dare speak up, reducing them to nothing but “conspiracy theorists.” It’s already happening.
- **The Smoking Gun – Proof of HAARP’s Control:** These documents aren't just hearsay. Snowden shared secret emails from top military officials confirming the horrific truth behind HAARP’s operations. This is no longer speculation—it’s fact. You’re either awake or you're being played. They want you docile, blind, and submissive, all while the elite pull the strings behind the scenes.
- **HAARP’s Reach – More Than Just Alaska:** It’s not just Alaska. There are multiple HAARP facilities worldwide. In Sweden, Russia, even beneath the cover of cell towers

right here at home. They've built a global network to keep their control tight. It's not just a weapon. It's a system of domination, creating chaos, fear, and confusion across the world. Just look at the strange weather patterns, natural disasters, and public figures dropping dead out of nowhere.

- **The Time To Rise Is Now:** Snowden's revelations have shown us that the storm is already here. The truth is far darker than we could ever imagine. But now you know—what will you do with this knowledge? Will you sit back and let the global elites tighten their grip, or will you fight back? Your country, your freedom, your very life could depend on it.
- **Wake Up, Patriots! This is the moment.** The truth is out, and they can't silence us all. Together, we can expose the shadow government and the military machine that's been pulling the strings for far too long. The time has come for action—before it's too late.

#### **O. THURS. 17 OCT. 2024: AARON RODGERS EXPOSES THE SHOCKING TRUTH ABOUT THE COVID DEATH PROTOCOLS ON ESPN ...Secrets of Health on Telegram**

- **First, he explained how early treatments had to be vilified** to make way for the COVID-19 so-called vaccines."In order for the vaccines to get emergency authorization ... it had to be that there were zero early treatments (like HCQ and Ivermectin) that worked against COVID. So what did Dr. Fauci say? There was nothing".
- **Rodgers then detailed the highly toxic and expensive COVID death protocols:** "Somebody gets sick, right, send them home till they got really horrible, horrible symptoms, and then bring them back and put them on Remdesivir, which is \$3,000 per dose, and a ventilator. And the statistics are staggering about people who went [on this protocol], especially on ventilators, especially the elderly. And it's devastating and extremely sad."

**P. Sat. 19 Oct. 2024: The Billionaires Who Manipulated the Weather to Create Superstorm Helene — Find Out Their Terrifying Motives! ...Nesara Gesara on Telegram**

- **Superstorm Helene was no act of nature but a calculated act of aggression orchestrated by the world's most secretive rulers.** This engineered catastrophe was strategically deployed to seize valuable mineral resources and forcibly displace populations, facilitating sweeping land grabs under the chaos of disaster. These actions are part of a broader strategy to consolidate control not just economically but also geopolitically.
- **The storm, manipulated through advanced geoengineering and HAARP technologies,** targeted specific regions essential to the technological and digital dominance of the oligarchy. By controlling these key areas, these unseen elites enhance their power over global technology and infrastructure, extending their influence into every corner of society.
- **The aftermath of Helene saw an unprecedented wave of disaster capitalism.** As the affected communities struggled, the elite swooped in to purchase devastated lands at rock-bottom prices. These newly acquired territories are now being used to build extensive surveillance systems and control centers, which are central to their plans of establishing a global surveillance state.
- **Moreover, the agendas commonly referred to as Agenda 21 and the 2030 Agenda** for Sustainable Development are in reality mechanisms designed to strip individuals of property rights under the pretense of environmental sustainability. These policies are intended to centralize authority and ownership, reducing the global population to mere tenants on their own land, fully dependent on a single, all-powerful government.
- **This calculated deployment of Helene** is just a precursor to more aggressive moves toward global governance. Through the creation of crisis after crisis, these rulers aim to justify the implementation of a One World Government. Such a regime would be authoritarian in nature, controlled by the same elites who currently manipulate global affairs from behind the scenes.
- **The control extends beyond terrestrial ambitions.** With their sights set on space, these oligarchs plan to dominate not only Earth's resources but also to assert control over space-based assets and territories, ensuring their supremacy remains unchallenged in the new frontiers.
- **The global media, tightly controlled by these same powers,** perpetuates a narrative of climate change and natural disasters to mask the reality of geoengineering and environmental manipulation. By directing public attention away from their activities, they maintain a facade of benevolence and concern for sustainability while advancing their true agenda of total control.
- **Superstorm Helene exemplifies how natural disasters are used** as cover for the strategic manipulation of political and economic landscapes. It underscores the necessity

for vigilance and critical examination of global events and the motives of those who seem to benefit from these catastrophes. As these elites continue to plot their course toward global domination, recognizing their tactics is the first step in countering their plans for an authoritarian world order.

**Q. Sat. 19 Oct. 2024 Rig For Red: The Shift of Power To The People (The Hunter's Moon):**  
...Gitmo TV on Telegram

- **You know it's quite peculiar that the hunter's moon will rise later on today for the 1st time of autumn.** I wonder what we should expect? Because isn't today the last time SEC has a chance to appeal their case? Are we in the official transition period? You may want to read more.
- **Will we get a financial reset this week starting on the on the red moon?** Because man this will definitely set off big events to come. As I have always stated Iraq will be the official kick off point to everything.
- **Because if you all didn't know. The term Rig for Red is often used in submarine operations to prepare for stealth movements.** Q-drops reference military intelligence operations happening under the radar, particularly those that involve cleaning out deeply entrenched elements of the Deep State. (Think The Sum of All Fears)
- **What happened to the Deep State in that movie?** The Hunter's Moon could mark the moment when these covert operations become more visible, possibly through indictments or arrests. The military will play a larger role in global affairs under the guise of "financial instability" or other orchestrated crises.
- **On top of that. Q-drops have repeatedly referenced hunting and hunters,** often implying that the pursuers will become the pursued. The timing of the Hunter's Moon suggests this is when those previously in power will start to face public exposure.
- **This could mean more high-profile arrests** or leaks of documents that reveal hidden corruption. For example, movements tied to child trafficking, money laundering, or political blackmail could start surfacing around this period.
- **The EOs targeting financial corruption,** disruptions in the global supply chain, or new sanctions against foreign entities tied to trafficking or human rights abuses could be key. These might not immediately make headlines, but they lay the groundwork for dismantling hidden networks.
- **Also, pay attention to communications blackouts,** or internet outages, especially in key regions, as these could indicate military operations or data sweeps that will target individuals tied to global criminal syndicates. So just in case this occurs you should know the underlying reason behind the why. Do not panic.
- **The Hunter's Moon could signify the start of multiple actions:** a financial reset, significant military actions, indictments of major figures, and moves toward a new global financial system that uproots those in power. Iraq's moves could be the official "kickoff," but the full offensive might span the next several months.

- **As always, with Q-drops, the timing of these events can be symbolic**, but the alignment of dates with the Hunter's Moon and financial markets should be closely monitored. Expect the unexpected. Because the SEC literally has hours left or it has already passed. This is our 1st clue. Take note.
- **Look at the documents signed by the DOD in September 2024.** Look at the financial completion for Iraq to join the WTO. Look at the SEC appeal that basically hasn't been filed. All of that is happening this year. D. Trump told you the military is on standby. The DOD file proves that. We have all the info in the world to underscore where we are in this process.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

**T. "Ken and Barbie vs. Goliath IRS":** Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

October 19<sup>th</sup>, 2024 - Day number 417 behind enemy lines.

Dear Faithful Friends and Family,

We have NOT given up on my being released even though Magistrate Pead failed to grant it last Friday, October 11<sup>th</sup>.

We remain in relentless pursuit of justice and to expose to the American people the IRS corruption.

We have two significant developments this week -

[1] Tuesday, October 15<sup>th</sup> I asked Federal Judge Howard C. Nielson to hold a hearing on the "NEW" Supreme Court ruling that VOIDS the fake federal conviction and immediately release me.

I have reason to believe that Judge Howard C. Neilson was put into this position for "such a time as this". (Esther 4:14) He had originally agreed with us on lawful authority for federal income tax coming from the Constitution, but he had to change to realign his position to the courts and the tenth circuit court of appeals previous BAD rulings, accepting IRS' fake claims under the 16<sup>th</sup> Amendment. Now, with SCOTUS being with us, he can be too!

[2] Thursday, October 17<sup>th</sup>, I asked State Judge Christine Johnson to ignore Prosecutor Jared Perkins' objections to her lifting the "Vexatious Litigant Order" so we can finally officially ask her to VOID the Judgement for NEW exculpatory evidence. We want to expunge our record of the fake felony convictions, even though 364 days of jail time has been served and done. We do this because new evidence proves that we are 100% innocent of "burglary" and "false appropriation" of our own home. (See attachment below.)

Please pray, pray, pray for Howard C. Nielson to have the courage to keep his oath of office and Barbie and Ken's IRS nightmare to end. (James 5:16) Also, please pray, pray, pray for Christine Johnson to smooth the path for getting all state charges cancelled and our record cleared as soon as possible.

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free." Ronald Reagan

Believe in miracles,

Ken (and Barbara)

**U. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Hi Judy,

Tom had a rough week as he has faced the reality of what seems to be preparations for transfer to prison.

This morning, Tom's spirits were high as he told me he could literally feel the prayers of all who are praying for him. He wants everyone to know how very grateful he is for their support!

We have not come this far just to come this far. Tom continues in faith and hope, waiting and watching for God's hand to be revealed in his case. After all, He is a fourth watch God.

Thanks for all you do!

Respectfully,
