Major Satanic Holiday Where Children Are Kidnapped, Raped and Killed

*It's only wise to have at least a month's supply of food, water, cash, medicine and essential items
on hand for yourself, your family and to share with others in case of emergency.*

***"God did not create us to be driftwood. He gave us the power to act for ourselves and not to be
acted upon, but to see that all things are done in wisdom and order."***

***"The future does NOT belong to Globalists. The future belongs to Patriots. The future belongs
to Sovereign and Independent Nations who protect their citizens, respect their neighbors and
honor the differences that make each country special and unique."***

...President Donald Trump in a speech given to the UN

Judy Note: *The countdown has begun to a Code Red from the Worldwide Emergency Broadcast System Alert. The Global Alliance Military has been gearing up for ten days of Communication Darkness, with major strikes imminent and Mass Arrests across the Globe in progress, along with a takedown of the corrupt Deep State Military Force of FEMA.*

Recently Russian PM Vladimir Putin made an honest and accurate description of America: “The West is run by Satanic Pedophiles. Pedophilia is now accepted as the norm. They’re destroying the institution of family, their cultures & historical identity.”

Since 2016 Trump and his Global Military Alliance have been trying to do something about that. The morning Trump was sworn in as US President he paid a visit to CIA Headquarters and declared a war on Child/Human Sex Trafficking.

Since then over 700,000 indictments against Global Elites have been filed and acted on in secret federal courts across the nation.

From the Weiner, Biden and Clinton Laptops, Epstein and data gathering of the Military Super Computer, the Military has gathered the greatest Blackmailing, Pedophile Evidence of all time against Global Elites, most of whom have committed Crimes Against Humanity and Treason.

For some time the Global Military Alliance has been making arrests and holding Military Tribunals on those so charged. Very soon the Military will be making more extensive Mass Arrests through use of a worldwide Emergency Broadcast System.

They have already declared a full blown war against the US agency charged with helping in disaster, FEMA, which has been engaged in the exact opposite of their mandate to fulfill humanitarian duties. FEMA’s ultimate goal (codenamed Operation Cull) has always been population control through chaos. To reach that goal they have targeted victims of disasters like in the Maui, California and Wyoming fires, Hurricanes Milton, Helene and Katrina, while threatening anyone who goes up against the Deep State’s power.

The Military Alliance recently launched raids on FEMA’s secret facilities—underground bunkers, hidden warehouses and disaster camps used to traffic human beings. They are dismantling FEMA’s human trafficking network and will bring to justice every FEMA agent involved.

Israel is Last: Another common sense statement made by Putin this week was about Israel’s invasion of Palestine. “It’s Palestinian land, and they won’t leave. The more humanitarian problems there are, the more they will be willing to defend their interests.” Putin asserted that the Palestinians from Gaza to the West Bank aren’t going anywhere and hinted that pressuring them through siege only strengthened their resolve to defend themselves. “The Palestinians will not leave,” he said, “that is their land.”

Putin was absolutely right. In 1967 the fake-Jew Khazarians were believed behind the Arab states attack on Israeli forces that captured the eastern half of Jerusalem including the Western Wall of the ancient Temple – they said to establish a Jewish Zion in Israel.

The problem was that the Zionism movement to settle Israel with those of the Jewish Faith wasn't founded by true Jews. It was founded and funded by the Satan Worshipping Child Sacrificing Rothchilds Bankers, in tandem with the UK Crown. They used the Jewish people under a pretense of establishing a Zion, with their real goal of making their own Deep State Cabal headquarters in Israel for their financially profitable Child Sex trafficking ring. It was well known that pedophiles were protected in Israel.

It was believed that it was actually those same Rothchild's fake-Jew Satan Worshipping Child Sacrificing Khazarians behind the latest round of violence between Israel and Palestine. They had no intention of establishing peace in Israel – their headquarters. As part of the New World Order Agenda, they wanted to continue to create chaos. Since World War I they had made high monies off of both sides of wars.

On Oct. 7 2024 it was believed that the militant group Hamas's launch of the deadly attack on Israel where more than 1,400 people were killed, nearly 200 captured, was likely planned and carried out by this same Deep State Cabal. Like I said, it was traditional for the Cabal to fund both sides of war using US Taxpayer dollars.

The Oct. 17 launch of the gold/asset-backed Global Currency Reset and demise of the US Inc.'s fiat dollar that took away the Cabal's money supply, was designed to change all that. That's why Israel was last.

A U.S. Border Patrol Agent requested this data to cross-reference with a Sinaloa Cartel overlay, revealing that 411 devices were likely linked to cartel members, while 147 were associated with trafficking NGOs, including No Más Muertes. Attendees came from various states, including Illinois, Washington, D.C., and Georgia, with many also hailing from Arizona cities like Phoenix

and Tucson. There was a massive cartel-related presence at the event.

C. Global Financial Crisis:

- **Sun. 20 Oct. 2024:** BRICS cooperation with Africa increases the bloc's influence on the global economy – media. The influence of BRICS on the global economy is growing as the number of member countries increases, and the importance of cooperation with Africa is also growing, according to an analytical article in the Zimbabwean newspaper Herald."As the number of BRICS member countries increases, so will the organization's influence on the global economy. One of the most obvious manifestations of this trend is the gradual weakening of the dollar with a view to its replacement in global trade settlements. In the near future, this will be supplemented by such factors as the strengthening of food security in the BRICS countries, the demise of the Visa and Mastercard payment systems, and the gradual abandonment of SWIFT," the article notes. The Zimbabwean publication notes that BRICS is strengthening its position in Africa through large-scale investments, which could create a new source of funding for the continent's development.

J. Sun 20 Oct. 2024: The HUNTER(s) become the HUNTED. The Web of the Ukraine Scandal and Biden's involvement in the Biolabs investments, investments in Metabiota, and their dealings with Eco Health, Fatigue Fauci, Davos Group Funding (World Economic Forum), and their illegal oil dealings and money laundering system is being EXPOSED.

- **This will all connect to Biden's selling US Secrets and classified information** to World Elites in several countries that was connected to insider trading, the creation of the Plandemic, the virus and the viral storm inside the storm. You have more than you know Q. MILITARY is the only way.
- **Hunter BIDEN (+The Big Guy) and Rosa Seneca** are major investors in METABIOTA Inc., a Data Collecting service and a company partnering with industry and governments worldwide to build resilience to epidemics and engineering firm Black & Veach, which is described as "the main supplier of equipment for Pentagon biolaboratories around the world." Lieutenant General Igor Kirillov said the Russian services have so far detected 30 laboratories in 14 settlements in Ukraine involved in "Pentagon's military biological program" in that country. The official claimed the fund invested at least \$2.4 billion in those operations.
- **Nathan Wolfe, founder of METABIOTA**, is partners with Peter Daszak from ECO Health Alliance, where Anthony FAUCI was funneling money for the Gain Of Function project. - **JEFFERY EPSTEIN funding of Biolabs in Ukraine**, through money laundering schemes through Ukrainian banks and oil companies and oil tycoon BURISMA Mykola Zlochevsky who put HUNTER BIDEN as a board member at Burisma from 2014-2019 and helped the Bidens funnel/money launder BILLIONS into Ukraine.

K. Heavy Metals: Why are heavy metals in all of our products even in those which are supposedly natural?

- **Heavy metals are in most products you use**, the air you breathe, and the food you eat. These metals are toxic, and they can build up over time and make you sick.
- **Accumulation of metals can impair brain's function** and development, cognitive abilities and it affects memory. Also, If you're dealing with fatigue, autoimmune issues, or thyroid problems, heavy metal toxicity may be to blame.
- **The good news is that certain heavy metal detox** protocols really work, and they can help you feel more energized, focused, and awesome.
- **If you have never done a real detox before** and you're feeling sluggish and slow, cleansing your system is definitely going to help you feel much better, focused and sharper.

- **Sun. 20 Oct. 2024 The Steal is Real:** [THE STEAL IS REAL \(rumormillnews.com\)](http://rumormillnews.com)
- **Sun. 20 Oct. 2024 Michigan Election Integrity:** Michigan FINALLY cleaned its voter rolls of 330,000 dead people and non-citizens. Despite this herculean effort the state STILL has 100,000 more registered voters than eligible citizens. This creates a huge risk of election fraud. The Rig is on in Detroit, Michigan. The Department of Elections “Accidentally” Deleted Drop Box Surveillance Footage, Violating The Freedom of Information Act. The RNC is now suing the DoE as they requested the footage earlier this year but they never received it. By the time the video(s) were found, it had been recorded over. Poof and just like that, evidence is GONE!
- **Sun. 20 Oct. 2024 The Election is being guarded:** Before votes get flipped in the machines, the original vote is recorded. - **While many are focused on swing state election STEAL operations,** it seems Dallas is being targeted for fraud.
- **The responsibility and authority of this** doesn’t fall under the Attorney General, but the Secretary of State’s Office, which isn’t responding.
- **Why is the Dallas County Sheriffs Office NOT** doing anything to address these very serious concerns?
- **These machines should be SEIZED IMMEDIATELY,** and all others inspected for deficiencies.
- **Where the hell** is Gov. Greg Abbott???

O. Sun. 20 Oct. 2024 The EBS will sound, and when it does, FEMA's entire operation will be exposed. The stolen funds, the missing people, the trafficking—it will all come to light. FEMA's camps will become prisons for those who once ran them. ...GITMO TV on Telegram

- **Justice is here.** The White Hats are leading the charge, and FEMA's reign of terror is coming to an end.
- **The White Hats know everything**, and they are launching raids on FEMA's secret facilities—underground bunkers, hidden warehouses, disaster camps used to traffic human beings.
- **Every FEMA agent involved in this grotesque scheme, every official who helped cover it up, will be brought to justice.** The Military Alliance is dismantling FEMA's human trafficking network, and this time, there's no escaping the consequences.
- **FEMA's ultimate goal has always been population control through chaos.** Disasters like Hurricane Helene are just opportunities for FEMA to test their sinister agenda. The White Hats have uncovered FEMA's plans for population reduction, codenamed Operation Cull—targeting not just disaster victims but anyone who threatens the deep state's power.
- **The EBS will sound, and when it does, FEMA's entire operation will be exposed.** The stolen funds, the missing people, the trafficking—it will all come to light. FEMA's camps will become prisons for those who once ran them.

P. Sun. 20 Oct. 2024 BOOOM!!! Brace for Impact: Martial Law and Military Tribunals Poised to Unleash an Unprecedented Storm in America's Battle for Justice. ...Carolyn Bessette Kennedy on Telegram

- **As the storm brews, America stands at the crossroads of a monumental transformation.** Corruption, deep-rooted in every corner of the system, is about to face the ultimate reckoning. Brace yourselves, Patriots—the Republic's future hinges on the imminent military tribunals and possible martial law as we prepare for justice like never before!
- **Military Tribunals: The Only Way Forward** The deep state, embedded within the U.S. criminal justice system, is more powerful than ever. From rogue intelligence agents to shadow government operatives, these enemies of the Republic have been executing a soft coup against the President. With civilian courts compromised, military tribunals are the only viable path to restoring justice. The Patriot Movement knows that without this decisive action, these traitors will continue to tear America apart from the inside.
- **The Deep State has sunk its claws deep into the judiciary**, ensuring fair trials in traditional courts are impossible. The system is rigged against true justice, and only the

military can bring these monsters to account. Martial law and military tribunals may be the last hope to root out the corruption and save the Republic!

- **Martial Law: A Drastic but Necessary Measure** The Democrat Party, acting through treason and sedition, has created an environment so hostile, so dangerous, that the only logical response may be martial law. Suspending civil liberties, handing over authority to the military—these measures sound drastic, but in times of such unprecedented betrayal, what other choice do we have? These traitors will stop at nothing, and America's future depends on making bold moves NOW.
- **A War of Titans: Nationalists vs. Globalists** This isn't just a political struggle—it's a modern-day war of ideologies. It's Trump vs. the globalists, the Patriots vs. the Deep State. The stakes could not be higher. If Trump and his movement lose, there's no limit to the lengths the Democrat Deep State will go to destroy him, his family, and all that we hold dear. This is more than a fight for the soul of America—it's the final battle for the very essence of the nation.
- **The Deep State, with its tentacles in every corner of D.C.,** won't back down without a fight. And as history has shown, when their plans fail, the globalists will react with fury. We've seen this before in the Bolshevik Revolution—and we must remain prepared. Turbulence is coming, Patriots. Stay vigilant, stay ready!
- **The Call to Patriots: This moment calls for action.** Martial law, military tribunals, or a combination of both—it's the only way forward to restore justice and protect the Republic from being ripped apart. As we brace for impact, one thing is clear: the fight for America's future is underway, and the Patriots will win. Stay strong, stay united, and prepare for the battle of a lifetime!

Q. Sun. 20 Oct. 2024: MASSIVE! TRUMP'S SECRET MEETINGS WITH WORLD LEADERS DEMAND: Return Every Dollar, End Child Trafficking—GESARA's Gold-Backed Reset Will Bring Global Freedom!

- **Trump has HAD ENOUGH.** The patriots have had enough. No more pretending, no more playing by the globalists' rules. The elites are scrambling, their control slipping, as Trump moves forward with a global plan to expose the truth and tear down their twisted power structures. This is GESARA.
- **GESARA isn't just a financial reset.** It's the dismantling of systems that enslaved us for decades. The Federal Reserve, the IMF, the World Bank—they're all coming down. A new gold-backed standard will return wealth to WE THE PEOPLE. The elites' days of debt slavery and hidden technologies are over.
- **In a fiery showdown, Trump exposed the truth behind the Ukraine conflict.** The billions sent for "aid"? LIES! That money fueled child trafficking, black-market deals, and even twisted experiments to extend the elites' lives. This sick machine has been hidden long enough, but TRUMP IS DONE. The establishment's worst crimes are about to be revealed.

- **They've funded wars not for democracy but for profit and control.** The elites create wars to break nations, then swoop in as “saviors” to control them. The Ukrainian war? A cover for their real operations: child trafficking and global manipulation.
- **One of the most earth-shattering technologies under GESARA is the Med Bed**—a device that will heal disease and reverse aging. Med Beds will end the pharmaceutical stranglehold that profits from our suffering. The elites suppressed this technology for years, trapping us in their medical-industrial complex. No more! Med Beds will heal humanity, and Trump is determined to release them.
- **Trump's explosive meeting with Zelensky** was just the beginning. Trump forced him to face the truth—every dollar, every dark operation, every child trafficked. Trump's ultimatum: return it all or be exposed. Trump isn't stopping at Ukraine—he's taking this fight global.
- **Behind closed doors, Trump has been confronting world leaders in Israel, Saudi Arabia, Qatar, and the UK.** These weren't negotiations. These were ultimatums. Trump is done asking for permission. He's demanding accountability. He called out Israel for their surveillance ties and dark intelligence operations. Trump exposed Saudi Arabia for their secret deals and manipulation of oil for power. Trump told them the days of control through oil and fiat currency are over.
- **In Qatar, Trump revealed their human trafficking networks,** disguised as charity. His message was clear: dismantle it or face global exposure through the Emergency Broadcast System.
- **In the UK, Trump confronted the core of the British establishment**—their bioweapons research and deep state agendas. He has proof they used bioweapons under the guise of public health to control and manipulate.
- **The EBS is coming.** It will bypass all media and speak the truth to every home. No more lies, no more censorship. The elites' last defense is collapsing, and Trump is fighting for humanity.
- **The world leaders are facing ultimatums,** not diplomacy. The time of manipulation and lies is over. Trump has declared: align with GESARA, or face exposure. The gloves are off, and the people are taking back their power.
- **October is here,** and Red October is the storm that will change everything. When the EBS activates, the world will hear the truth. Every child trafficked, every war funded, every bioweapon developed—it will all be exposed.
- **Trump is ready,** the patriots are ready, and nothing can stop what is coming.

R. Sun. 20 Oct. 2024: The Emergency Alert System (EAS) is the key weapon in a global operation to dismantle the Deep State, and it's already being tested for the most critical moment of exposure the world has ever seen. These tests aren't just random—they're part of a coordinated global strategy to break the hold of the corrupt elite and bring the truth to light. ...Julian Assange on Telegram

- **On August 11, 2024, a nationwide EAS test** was conducted at 2:15 PM EDT, but it wasn't just a routine test. It was a full-scale simulation, complete with coded transmissions broadcast through high-frequency channels. These transmissions were sent not only to the general public but also to key operatives in the Earth Alliance—the covert patriots fighting back against the Deep State's plans.
- **Insiders have revealed that these tests were meant to prepare the system for the 10 days of darkness**, when the EAS will be the only communication channel left standing, broadcasting continuous streams of truth to every corner of the globe. These broadcasts will reveal hidden information, long-suppressed technologies, and expose the depths of the Deep State's corruption.
- **In early July 2024, sources at Fort Hood confirmed live EAS drills involving military units.** This wasn't just an alert test—it was a full deployment simulation designed to prepare for the coming strike. The Deep State is watching these tests closely, and their desperate attempts to disrupt them have already failed.
- **The Deep State is on the run.** Warren Buffett, one of the financial overlords, dumped \$6.2 billion in stocks. This wasn't a market move—it was a sign that the elite are preparing for collapse. They're selling off assets, buying gold, and securing offshore hideouts, knowing they can't stop what's coming.
- **But the Military Alliance** has infiltrated their plans, and they're using the EAS to turn the collapse into an opportunity to launch GESARA, the global financial reset that will dismantle the corrupt system and return power to the people.
- **The recent EAS test on September 2, 2024**, wasn't an error when strange symbols flashed across screens in New York, Miami, and Los Angeles. This was a coded message for those in the know, a signal that the operation is underway. The Earth Alliance is preparing to reveal everything, and no one in the Deep State can stop it.
- **FEMA, however, is a traitor in our midst.** Once thought to be safeguarding the public, FEMA is deeply compromised, actively collaborating with the Deep State. Insiders have confirmed that FEMA is trying to subvert the EAS, plotting to censor broadcasts and control the narrative during the 10 days of darkness. FEMA has positioned itself as the gatekeeper, working to block the flood of truth that's about to hit the world.
- **Reports have surfaced of FEMA's** closed-door briefings with top military officials and telecom giants, plotting to jam critical transmissions. Their goal? To protect the Deep State's secrets. But the Earth Alliance is one step ahead. FEMA's sabotage attempts are failing, and their betrayal will soon be exposed.
- **The EAS is no longer just a test**—it's the sword that will cut through the lies. The 10 days of darkness will be a total communications blackout, except for the relentless, unfiltered truth the Military Alliance has been preparing to unleash.
- **The Deep State's fortress is crumbling**, and FEMA's betrayal is the final proof that the Earth Alliance is on the verge of total victory. The world will never be the same.

- **The countdown has begun.** This is not a drill. The truth is coming, and the EAS is leading the charge. Prepare yourself.
- **CODE RED! Emergency Alert System Engaged:** Military Alliance Gears Up for 10 Days of Darkness, Major Strike Imminent, Coded Signals Sent, FEMA Dismantled!

S. Sun. 20 Oct. 2024 President Trump is asking everyone to email the below: “TRUMP Rules: Congressional Reform Act of 2017” to a minimum of 20 people, and to ask each of those to do likewise. In three days, most people in the United States will have the message. This is an idea that should be passed around, regardless of political party.

Serving in Congress is an honor and privilege NOT a career. The Founding Fathers envisioned citizen legislators should serve their term (s), then go home and go back to work ... not get all kinds of freebies.

The TRUMP Rules: Congressional Reform Act of 2017

1. **No Tenure / No Pension.** A Congressman/woman collects a salary while in office and receives no pay when they're out of office. And, no more perks go with them.
2. **Congress (past, present, & future) participates in Social Security.** All funds in the Congressional retirement fund move to the Social Security system immediately. All future funds flow into the Social Security system, and Congress participates with the American people. It may not be used for any other purpose.
3. **Congress must purchase their own retirement plan,** just as ALL Americans do.
4. **Congress will no longer vote themselves a pay raise.** Congressional pay will rise by the lower of CPI or 3%.
5. **Congress loses their current health care system** and participates in the same health care system as the American people.
6. **Congress must equally abide by all laws they impose** on the American people (i.e. NO MORE INSIDER TRADING!!!).
7. **All contracts with past and present Congressmen/women are void.** The American people did not make this contract with Congressmen/women. Congress made all these contracts by and for themselves.

NO WONDER THEY'RE FIGHTING EVERYTHING HE TRIES! Pass it on!!!! Let's help TRUMP drain the swamp!! Just hold your finger down then hit forward and send it to everyone you know. Let's help trump get the country straightened out.

T. Sun. 20 Oct. 2024: Global Military Checkpoints to Enforce NESARA/GESARA During 10 Days of Darkness! ALERT! 700,000 Indictments Exposed, Arrests Already Underway: EBS Documentaries and QFS Activation ...Mr. Pool Secrets on Telegram

- **The storm is here, and there's no stopping what's coming.** Every move has been calculated. Now, the global military alliance is ready to dismantle the corrupt power structures that have oppressed humanity for too long. This isn't business as usual. Military Movements are occurring right under our noses. High-ranking generals, experts in psychological and cyber warfare, have been called back to duty for this critical mission. Special forces, including Navy SEALs, Delta Force, and British SAS, are deployed within their borders, ready to neutralize key Cabal operatives. This is a coordinated, global takedown, happening in over 100 countries. These movements are surgical, aimed directly at the heart of the Cabal's leadership.
- **The Emergency Broadcast System (EBS) is coming,** and it will change everything. A Worldwide Communication Blackout is imminent. This isn't just about preventing the Cabal from coordinating—it's about installing a secure, quantum internet immune to their manipulations. The old internet, riddled with backdoors and surveillance, will be replaced. Military forces have seized control of satellites, ensuring global communication is locked down when the time comes. The Quantum Financial System (QFS) is in motion. More than a financial reset, it's the end of the Cabal's financial stranglehold. Secret bank accounts, offshore havens, and illicit wealth are being exposed. Trillions in assets are being seized as the world shifts to a new credit-based system that will end debt slavery. Imagine waking up to find your debts—mortgages, student loans, credit cards—erased. This isn't speculation; it's a reality unfolding now.
- **EBS Broadcasts will reveal the darkest truths.** Prepare for documentaries that expose the Cabal's most evil acts—human trafficking, ritual abuse, and more. Whistleblowers have risked their lives to bring this evidence forward. The EBS will broadcast non-stop, delivering these revelations directly to the people. High-profile arrests, confessions, and trials will be shown to the world. The elite's crimes will be laid bare for all to see. Global Arrests are in full swing. Over 700,000 indictments have been filed, and arrests are happening. Private jets are grounded, passports seized, and high-ranking officials taken in the dead of night. This isn't just happening in the U.S.—it's a global phenomenon. Europe, Asia, Africa, the Middle East—no corner of the world is untouched.
- **This is the final countdown. Prepare now.** Follow the EBS instructions, stay vigilant, and brace for what's coming. The Cabal is desperate, and there will be attempts to spread disinformation and create chaos. But remember: nothing can stop what's coming. We are witnessing the great awakening. The old world is ending, and a new world is rising. Stay strong, stay united, and trust the plan. You are the storm.

U. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

V. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running

around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings. Now 22 Faces has been re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise. The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
