- **The day has come. The BRICS nations—Brazil, Russia, India, China, and South Africa—are no longer satisfied with living in the shadow of the U.S. Dollar.** They've dropped the bombshell that could obliterate the American financial system as we know it—a BRICS Currency Note! Although it's not in circulation yet, its mere existence sends a clear message: the BRICS countries are flipping the script on the global financial stage.
- **The BRICS Currency Note—A Revolution in Motion!** The world woke up to a shockwave when the BRICS Currency Note was revealed. This bold move could be the beginning of a financial revolution. For decades, the U.S. Dollar has held the world in its grip, dictating the terms of global trade, finance, and politics. But now, with the emergence of a BRICS currency, the tides may be turning for good.
- **The BRICS note symbolizes a defiant stand against the U.S.-dominated financial system.** Vladimir Putin has taken the reins of this movement, signaling that these nations are ready to break free from the suffocating control of the American financial empire.

- **What Does This Mean for the World?** This is more than just currency. It's a direct challenge to the U.S. dominance. By proposing this currency, the BRICS nations are creating a new financial ecosystem. No longer will they be at the mercy of a single country and its weaponized financial system.
- **The Rise of the BRICS Currency: A Defiant Response to U.S. Control.** For too long, the U.S. Dollar has been used as a financial weapon, enforcing sanctions and manipulating countries that oppose American interests. The BRICS nations have had enough. They're not just talking about change—they're making it happen. This currency will weaken America's ability to control the global economy.
- **The BRICS Currency Note**—whether it's in your hands now or not—signals that the world is ready to move on. The U.S. financial grip is crumbling, and this is just the beginning of a new era where nations will no longer be dictated to by U.S. interests.
- **A Move for Financial Independence:** This BRICS currency is a symbol of economic sovereignty. The 100 BRICS Note that has emerged is a powerful statement—these nations are no longer bowing to the demands of the U.S.-controlled system. They are taking charge of their economic destiny and shattering the chains that have bound them to the American financial order.
- **Implications for the Global Financial Order: The End of U.S. Dominance?** The introduction of this currency could send shockwaves through the global financial system. It's not just about economics—it's about seismic political shifts that could spell the end of U.S. Dollar dominance. The U.S. has used its financial power to project control over the world for decades. But with the BRICS currency in play, that era is over.
- **A Defiant Response to U.S. Sanctions:** Sanctions have been a go-to weapon for the U.S., but the BRICS nations are done playing along. With their own currency in hand, they can circumvent American financial institutions and reclaim their power.
- **The unveiling of the BRICS Currency Note** is more than just an economic maneuver—it's a direct challenge to the global order. The U.S. stranglehold on the world economy is crumbling as these nations rise up and take control.
- **Conclusion: The Beginning of the End?** The BRICS Currency Note could be the start of the end for the U.S. Dollar's reign. As this revolution unfolds, we are witnessing a monumental shift in power—one where the U.S. no longer holds the ultimate financial weapon.

#### **D. Global Financial Crisis:**

**Thurs. 24 Oct. 2024 BREAKING! The American Economy Is About to Crash Harder Than We've Ever Seen And It's All by Design ...John F. Kennedy Jr. on Telegram**

- **The American economy is on the verge of a catastrophic crash**, and it's not by accident—it's all part of the elites' plan to tighten their grip on your life, your money, and your freedom. The crash that's coming will make the past recessions seem like child's

play. This is not a natural market correction, it's a deliberate financial bloodbath orchestrated by those in power, and YOU are the target.

- **They're not just after your money**—they want complete control over every aspect of your life. And the worst part? Most people are asleep, unaware that their entire existence is about to be turned upside down.
- **This collapse isn't incompetence**; it's a calculated attack. The elites are burning down the current system to rebuild one where they own everything—and they want total control. Every dollar, every transaction, your freedom, your future—all under their watchful eye.
- **Look around—inflation is skyrocketing**, the housing market is becoming impossible, and debt is exploding. This is no accident. The economy is being primed for a collapse, and when it happens, the 2008 crisis will look like a joke in comparison.
- **What's their real agenda?** It's simple: control. When the economy collapses, the elites will roll out their "solution", and that solution will be your worst nightmare. Total control over every aspect of your life—that's what they want, and they'll stop at nothing to get it.
- **Don't fool yourself into thinking** your gold and silver will save you. The elites have already set traps for that too. When this crash hits, precious metals won't mean a thing in their new system. They've already planned the next era of control with digital currencies and total surveillance.
- **There is no power vacuum coming**, only new chains being forged. The collapse will only pave the way for a new, even more oppressive system. They've been planning this for decades, and when the dust settles, the elites will hold all the power.
- **Every major crisis—from 9/11 to the 2008 crash to COVID-19**—has been used to tighten their control. The American economy is just the next domino to fall, and the solution they offer will rob you of your freedom.
- **Wake up to the reality.** This crash is coming fast, and it's by design. Resist their narrative. Prepare yourself, build local networks, and start thinking about how to survive without their system. They want you blind, but you have a choice—fight back or be crushed.
- **The Great Reset** is happening right before your eyes. Are you going to be a pawn in their game, or will you wake up and fight for your freedom? The time is now!

#### **BOOM! A message from the vice president John F. Kennedy Jr. Taking Back our Nation.**

...Benjamin Fulford on Telegram

- **Vice President John F. Kennedy Jr.** delivers a powerful message about reclaiming America's freedom. The time has come to restore our nation from the clutches of corruption and evil. Decisive military action is underway, and the corrupt officials

who've ruled above the law for decades will be brought to justice. We are at the brink of renewal, and the time to stand united is now.

- **My fellow Americans, over the next few days**, you will witness the beginning of a new era. The mission is clear, the stakes are higher than ever, and freedom is on the line. Forces that have worked behind the scenes, eroding our rights and freedoms, are about to face justice. It's time to rise as one to reclaim the country that was stolen from us.
- **For too long, these evil tyrants** have operated behind the veil, dismantling everything that makes America a beacon of hope and liberty. But their time is up. The corrupt elites, operating in shadows, have manipulated our laws and rigged our system, but no longer. This is the beginning of the end for them.
- **POTUS' Order and Fail-Safes** have already been set in motion to protect the American people. Major actions are underway, starting with the arrests of key figures. The first domino to fall will be John Podesta, whose arrest is imminent. This is just the tip of the iceberg. A corrupt network is being dismantled, piece by piece.
- **The public must prepare for a great awakening**—a revelation of truths that will shatter everything you've been told. There will be resistance, public riots, organized chaos meant to distract and derail this revolution. But stay strong. These are merely the final gasps of a dying regime.
- **Military control will be necessary.** Special operations are already underway to neutralize threats, ensuring peace and safety while justice is served. Our military is taking decisive action, eliminating those who stand in the way of freedom.
- **The media, complicit in their lies**, has been the mouthpiece for the corrupt elites. But the lies end now. The Emergency Broadcast System will soon be activated, providing direct communication to every American. No more fake news, no more distortions—you will hear the truth directly from the source.
- **Swift, decisive justice is coming** for those who seek to undermine the safety and sovereignty of the United States. Our enemies—both foreign and domestic—are running out of time. The laws have been pre-lifted so that our military can act without restraint, taking down every last one of them.
- **We know the country is divided.** Lies have divided us, but soon, the truth will bring us back together. Once the truth is unveiled, the American people will begin to see the lies for what they are. A new era is dawning—a time where truth and liberty prevail.
- **The storm is here.** America is about to rise again, and those who tried to enslave us will fall. We will not be manipulated anymore. The time for action is NOW. America, stand strong. Together, we will prevail.
- **Trust the plan, patriots.** The greatest battle in history is unfolding before us. This is the beginning of freedom restored.

**L. Thurs. 24 Oct. 2024 CIA Bombshell: Presidents Are SELECTED, Not Elected! CIA Insider Warns "2024 Election WILL Be Rigged!" ...Carolyn Bessette Kennedy**

- **Bombshell news! A CIA insider confirms the 2024 election is rigged**, with U.S. presidents selected by global elites, not by the people. Kamala Harris' life story is nothing more than a CIA fabrication, while Barack Obama's true past is unraveling. America's future is hanging by a thread, but Trump is our only hope to take down the deep state and restore freedom.
- **The Great Deception:** For years, we've been led to believe that our votes decide who sits in the Oval Office. But what if that's all a lie? A CIA insider has dropped a bombshell: U.S. Presidents are selected, not elected, rigged to ensure global elites maintain control. The shocking truth is finally surfacing, and it's waking people up across the nation!
- **Obama, Biden, Harris—all pawns!** These figures weren't propelled to power by the people, but by shadowy forces intent on controlling every aspect of American life. Now, as we inch closer to 2024, the stakes have never been higher. The elites are pulling out all the stops to ensure Biden remains in power while Harris waits in the wings.
- **Kamala Harris: A Manufactured Candidate:** Recent revelations show that Kamala Harris is nothing more than a CIA creation. Her rise to power was carefully orchestrated to serve the elite's globalist agenda. Her entire life story is a fraud, a narrative crafted to fit their need for a compliant puppet. The American people are being deceived, but they're waking up to the truth.
- **Barack Obama: A Puppet of the Elites:** Obama's rise to power wasn't the grassroots movement the media portrayed. His meteoric rise and his presidency were engineered to continue the deep state's agenda, and he is now being exposed. His past, riddled with inconsistencies, was hidden by the same global elite working today to dismantle America's sovereignty. The cracks in the Obama myth are showing, and soon, the full truth will come to light.
- **2024: The Most Rigged Election Yet?:** The CIA insider confirms what we've all feared: the 2024 election will be even more rigged than 2020. The same tricks are being used again—media manipulation, rigged ballots, and misinformation to push the global elite's handpicked candidate. But this time, the American people are watching.
- **The elites fear one thing: Trump!:** Donald J. Trump remains the biggest threat to their agenda. His presidency exposed the Deep State's corruption, and they've been trying to bring him down ever since. The global elites fear him because he isn't one of them. Trump stands for patriotism, freedom, and American independence—the values they want to destroy.
- **They rigged 2020 to stop Trump, but he's not done fighting.** The elites know he's coming back stronger than ever, and they're terrified. That's why 2024 will be the most dangerous election yet. The deep state is prepared to go to extreme lengths to hold onto their power, but Trump's base is stronger than ever.
- **The Awakening Is Happening!:** Across the country, patriots are waking up to the truth. They're seeing through the lies and standing up against the elite's manipulation. This

isn't just about electing Trump—it's about taking back our country, our freedom, and our future. The global elite can't stop the awakening that's sweeping through America.

- **2024 is more than an election—it's a battle for the soul of the nation.** The global elite is desperate, and they'll stop at nothing to hold onto power. But the American people are ready. They want a leader who fights for them, not for the elites. That leader is Donald Trump, the only candidate who stands for freedom and America first.
- **Get ready! The fight for America is about to begin.** Victory is within reach, but only if we stay vigilant. This is our moment!

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**N. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

**O. "Ken and Barbie vs. Goliath IRS":** Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only

thing accepted at the jail. Paul Cromar #567164 Davis County Jail P.O. Box 130 Farmington, UT 84025-0130 Donations for commissary and other needs can be made at: <https://www.miraclesingodwetrust.com/contact/> Venmo to: @Talmage-Cromar OR mail to: The Cromar's PO Box 942 Pleasant Grove, Utah 84062 (you will receive a gift for your contribution)

**P. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to [jailATM.com](http://jailATM.com) and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

**Q. Judy Note:** [HOME | Judy Byington \(judy-byington.com\)](http://HOME|JudyByington.com)

*Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.*

*"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*

**If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com**
