**Judy Note: Operation Free World launches on Fri. 1 Nov. 2024, targeting the Cabal's final strongholds across 100+ countries. The Global Military Alliance is making historic raids, targeting the Cabal's Human/Child Sex Trafficking, illegal arms production and bio weapon development.**

**An Obama False Flag was pending – an event so sinister it would disrupt the 2024 elections. Some call it a Black Swan Event. Expect disruptions, Cyber Attacks and Market crashes. It could be a new Plandemic, or a nationwide Cyber Attack that disrupted the power grid. Lindsey Graham warned of a new 9/11 style attack. Tucker Carlson warned of another assassination attempt on Trump. A Global financial collapse was happening right now with Bank closures, Markets down and Bitcoin having stopped trading. A Blackout was soon expected.**

**The Global Military Alliance is prepared. Every move has been anticipated. Melania's Zebra-patterned outfit at the Madison Square Garden Rally was said to signal Military Code "Condition Zebra," meaning we were in the highest state of readiness for a Global economic shift to obliterate the Elite's power structure and return wealth to The People.**

**With 1,700 satellites in low orbit, Starlink covers the globe, bypassing any interference. When activated, the EBS will take over all devices, delivering the truth directly.**

**Massive wealth redistribution is coming, while debt forgiveness has already started and directly tied to the Global Currency Reset and Revaluation (GCR-RV). Soon, every person on this planet will be debt-free, with enough wealth to live freely.**

**With the Global Currency Reset, Cabal banks were closing worldwide. Desperate for money, JPMorgan Chase, Bank of America and Wells Fargo were leaving Americans defenseless as millions vanish in Zelle scams—refusing to define "unauthorized transactions."**

*Individual states were hurting the most in this financial crisis. “This is Kamala Harris’ America” said Senator Dan McConchie: “We’ve just passed the largest budget in Illinois State history that includes almost a billion in tax increases and nearly a billion dollars on the migrant crisis. So we actually raised your taxes just to spend it on migrants. Democrats cannot be trusted.”*

*The Global Alliance has it’s own DUMBS which work with benevolent extraterrestrials with advanced technologies and strategies are being developed underground to bring down these dark forces once and for all. The Most Infamous DUMBS: Area 51, Dulce, Diego Garcia Area 51, Nevada—epicenter of alien experiments, cloning, and genetic testing. Dulce Base, New Mexico, allegedly hides the horrors of human-alien hybridization, where creatures part-human, part-beast are engineered. Diego Garcia in the Indian Ocean—the alleged destination of Malaysia Airlines MH370—is rumored to house on a mass scale, Alien tech, mind control projects, genetic manipulation, and cloning.*

*Trust the Plan. With Black Swan Events on their way, the Quantum Financial System was active. The Devolution Plan and Martial Law was already in effect for a Continuity of Government. The White Hat Military arrest wars, JAG, GITMO and World Court Tribunals were in effect.*

- **Wed. 30 Oct. 2024:** The U.S. Treasury plans to borrow nearly \$1.4 trillion over six months, with \$546 billion from October to December and \$823 billion from January to March next year, reflecting rising debt and fiscal challenges. ## **D. Wed. 30 Oct. 2024: Exposed! JPMorgan, Bank of America, and Wells Fargo Abandon Americans as \$320 Million Disappears in Zelle Scams! The Shocking Truth Behind Their Silence ...Gitmo TV**

- **JPMorgan Chase, Bank of America, and Wells Fargo are leaving Americans defenseless as millions vanish in Zelle scams**—refusing to define “unauthorized transactions,” the very term that decides if fraud victims get their money back. Their silence is a scandal, costing people their savings and exposing a banking betrayal where profit comes before people.
- **Banks Turn Their Backs on Scammed Americans:** A Senate subcommittee and Consumer Reports reveal the shocking failure of these banks to safeguard their customers. While \$320 million in Zelle scams devastate Americans, these mega-banks sit behind walls of vague policies, refusing to clarify what counts as an “unauthorized transaction”—making it easy to dodge responsibility. This isn’t just negligence; it’s a calculated betrayal, leaving customers empty-handed.
- **A Loophole That Favors Scammers Over Americans:** Americans are losing their savings to Zelle scams, yet the banks refuse to help. Why? A loophole in the Electronic Funds Transfer Act (EFTA) says if a customer “authorizes” a transfer—even if deceived by scammers—banks aren’t liable. This loophole gives scammers a green light while banks rake in profits, turning a blind eye to their customers’ suffering.
- **Silent and Complicit:** The Banks’ Betrayal: When banks won’t define an “unauthorized transaction,” they’re sending a clear message: “We don’t care.” By leaving this term undefined, scammers know they can steal with impunity, and banks are free to deny reimbursements. JPMorgan Chase, Bank of America, and Wells Fargo have remained silent, using this gap to dodge accountability and leave every customer at risk.
- **A Crisis Beyond Finances—Lives in Ruin:** This isn’t just an inconvenience—it’s financial ruin for victims losing retirement savings or bill payments in seconds. Banks claim they value security, but their refusal to protect customers tells a different story. This inaction forces people to face a financial nightmare alone, scrambling to recover lost funds with no support.
- **Senate Report Reveals the Numbers:** A recent Senate report reveals that the Big Three banks denied reimbursement on Zelle fraud claims 62% of the time, a stark increase in callousness since 2019. These numbers aren’t a fluke—they show a deliberate trend, a refusal to protect the very people who keep these banks in business.
- **The Demand for Accountability Starts Now:** It’s time banks clearly define “unauthorized transaction” to stop this dodging and give Americans the security they deserve. Laws must also be updated to close the loopholes banks use to sidestep responsibility. Without swift action, these banks will continue profiting while Americans pay the price.

## **E. Restored Republic:**

**Sun. 27 Oct. 2024 BOMBSHELL! Starlink and Trump Are About to Unleash the EBS – 8-Hour Broadcast Incoming, Followed by 10 Days of Darkness – The Global Elite’s Secrets Will Be Exposed! ...Gitmo TV on Telegram**

- **Starlink is more than just satellites;** it’s the backbone of global awakening. The Emergency Broadcast System (EBS), powered by Starlink, will expose the elite’s darkest secrets, leading us to financial freedom under GESARA.
- **As of October 26, 2024, Trump, Musk, and the alliance are readying Starlink for full-scale EBS activation.** The elite’s grip is slipping fast with military takeovers, secret tribunals, and the approach of NESARA/GESARA, reclaiming wealth stolen from the people.
- **Starlink’s Role in Exposing the Elite’s Secrets:** With 1,700 satellites in low orbit, Starlink covers the globe, bypassing any interference. When activated, the EBS will take over all devices, delivering the truth directly to everyone. This unstoppable broadcast will stream for 8 hours, sharing confessions, documents, and videos that reveal elite crimes—corruption, child trafficking, money laundering, and more.

During this time, military tribunals, whistleblower confessions, and hidden truths will be streamed to the world.
- **What Happens After the EBS? The People’s Reckoning:** The EBS will spark worldwide justice. Military tribunals will begin, holding the elites accountable for crimes against humanity. **K. Wed. 30 Oct. 2024 Operation Autumn Sweep! Over 150 Criminals, Including Disney Employee, Snatched in Major Human Trafficking Crackdown. ...Julian Assange on Telegram**

- **Over 150 criminals, including a Disney employee, were arrested in a major human trafficking bust during “Operation Autumn Sweep.”** This massive sting rescued four victims and exposed online predators targeting minors. Law enforcement’s relentless pursuit proves no one is safe from justice, not even those hiding in plain sight.
- **In a sweeping assault, law enforcement agencies executed one of the largest human trafficking busts in recent memory.** Operation Autumn Sweep tore through a sprawling web of human traffickers and online predators, dragging more than 150 people into the light where they can no longer hide. And the most shocking part? A Disney employee, proof that evil can wear the most unsuspecting mask.
- **The Filth Exposed: 150 Arrests, 4 Victims Rescued** This wasn’t a simple sting—it was a ruthless takedown of criminals trading in flesh and misery. 157 predators, including traffickers and creeps preying on children, were rounded up. Their sick schemes were

shattered in an instant. But justice didn't stop there—four victims were rescued from the jaws of this disgusting trade. Four lives, nearly lost to the shadows, now freed.

- **Disney Employee Caught:** The Hidden Monster One of the most shocking revelations? A Disney employee—someone working at the happiest place on earth—was secretly involved in this vile industry. This isn't some far-off criminal—it's someone who was trusted in a family-friendly place! A gut-wrenching reality check for anyone who still believes these predators only exist in dark corners.
- **The Internet is No Safe Haven** This operation didn't just target the streets—it hunted down online predators, catching those sick monsters who thought they could hide behind their screens, targeting children. They thought the internet offered anonymity, but they were wrong. Now they're behind bars where they belong.
- **Illegal Immigrants and Trafficking:** The Ugly Truth Many of those arrested were illegal immigrants, involved in this twisted network, using their status to hide even darker crimes. This isn't just about illegal immigration—it's about the exploitation of human lives. Operation Autumn Sweep proved that law enforcement won't let them slip through the cracks.
- **This is War—and It's Far from Over** Make no mistake—this is a war. Operation Autumn Sweep dealt a crushing blow, but it's just the beginning. There are more predators out there, waiting to exploit their next victim. But the message is clear: we're coming for you. Law enforcement won't rest until every single one of these monsters is brought to justice.
- **The Global Connection:** Disney, Maxwell, and the Dark Web of Corruption Operation Autumn Sweep is just the tip of the iceberg. The deeper this investigation goes, the more dark connections emerge. Whispers of a link between Disney and the Maxwell family are sending shockwaves. Could this be just the beginning of an explosive revelation that topples some of the world's most powerful entities?
- **33 Years After Robert Maxwell's Death 33 years ago,** Robert Maxwell mysteriously died, leaving behind a shadowy legacy. The timing of these revelations feels like no coincidence. Maxwell's connection to international espionage, combined with Disney's growing scandals, is all starting to come to light. Could this be the moment of reckoning we've been waiting for?
- **The Takedown of the Century** The storm has arrived. Operation Autumn Sweep is more than just a law enforcement bust—it's the beginning of the end for some of the most powerful forces hiding in the shadows. Disney, Maxwell, and Epstein—names that will soon be synonymous with corruption, trafficking, and global control.

- **In 2014, 300 scientists warned Anthony Fauci** would start a global pandemic.
- **Following the high-profile escape of three bugs from U.S. labs**, these 300 scientists sent a letter to President Obama, urging him to shut down Anthony Fauci's gain-of-function research.
- **Obama issued a moratorium and shut down 18 of the worst projects by Anthony Fauci.** In the end, he really didn't shut them down. Instead, Obama moved the research offshore to places like Ukraine, the former Soviet State of Georgia, and the Wuhan Institute of Virology in Wuhan, China.
- **Now, it is widely accepted that COVID-19** originated from that very lab in Wuhan, China.
- **A groundbreaking new film called "Thank you, Dr. Fauci"** is exposing it all, revealing how Fauci's decisions ultimately led to a global disaster.
- **In a move that was all too predictable**, META has already censored the trailer.

**N. Wed. 30 Oct. 2024:** [High Alert: Gitmo's Military Movements, Elite Bunker Raids—and the Silent War on Pedophile Networks and Corrupt Politicians—Black Ops, Trials, and Executions Unfolding Now! - Gazetteller](#)

- **Global Military Alliance** movements across the United States and beyond are ramping up in ways that have never been seen before. Gitmo is the epicenter of justice where the true enemies of humanity are being processed and eliminated.
- **The trials and executions are real**, and they are happening daily. Don't be fooled by the silence in the media—this silence is a tactic, a smoke screen while the military works tirelessly to root out every last shred of the Deep State.
- **Right now, as of October 30, 2024**, there are covert operations happening in major cities across the United States. Black Ops teams are moving under the cover of night, executing raids on underground bunkers, safe houses, and secret compounds that have been hidden in plain sight.
- **Washington D.C. has been a ghost town in recent weeks**—not because of some bureaucratic shuffle, but because the real work is being done by Special Forces units who are systematically dismantling the infrastructure that has kept the cabal in power. Every raid, every arrest, every tribunal is another nail in the coffin of the old guard.
- **Across the country, elite units of Navy SEALs, Delta Force**, and other special operations groups are coordinating with local militias and patriots who have had enough of the lies. There are checkpoints being set up in strategic locations, roadblocks that are about controlling the flow of information and securing key assets.
- **The military presence on the streets** is not about maintaining order; it's about taking back control from those who have corrupted every level of government and society.
- **High-value targets are being flown to Gitmo** under the cover of night, in unmarked planes that don't appear on any commercial radar. These flights are real, and the prisoners

being transported are not your average criminals—they are the architects of some of the darkest chapters in human history.

- **Names you've heard whispered in the corridors of power are now facing the ultimate judgment.** Executions are being carried out in secret, and the clones and doubles you see on your screens are mere placeholders—temporary, soulless puppets standing in for the real monsters who have already been neutralized.
- **Internationally, the reach of these military operations is expanding.** NATO has fractured under the pressure of these revelations, with military insiders refusing to play along with the old narratives. In Europe, covert units are dismantling the remnants of the Vatican's vast financial empire, seizing assets that have funded global child trafficking networks for decades.
- **The City of London, once a financial fortress for the elites, is under lockdown,** with military units raiding underground vaults and secret meeting rooms where the real decisions have been made for centuries.
- **The White House, the Capitol,** and other key government buildings have been surrounded—not for protection, but for a complete takeover.
- **Special Ops are securing evidence,** rooting out traitors, and locking down any and all communications that might be used to warn those still on the run. These movements are coordinated strikes that are targeting the heart of the Deep State's operations.
- **The media blackout on these operations** is not just a coincidence. Controlled by the very elites being hunted, the mainstream outlets are desperate to keep the public in the dark. They won't show you the military vehicles on the streets, the Black Hawks circling above, or the teams moving in and out of buildings with unmarked vans. But the truth is, the operations are happening, and they are happening right now.
- **Satellite images, leaked from insiders,** show increased activity at Gitmo and other undisclosed locations. These sites are being expanded, not shut down, to accommodate the influx of high-profile detainees. And it's not just politicians and CEOs—Hollywood, Silicon Valley, and the tech giants who have aided and abetted this global control scheme are all in the crosshairs. The military tribunals are targeting everyone who played a role, no matter how small, in the systemic abuse of humanity.
- **In Texas, at the border, the child concentration camps** are not just a dark chapter—they are a direct link to the trafficking networks that have been allowed to flourish under the nose of every administration before Trump.
- **The military is moving in,** uncovering tunnels, raiding hidden facilities, and freeing children who have been held in conditions too horrific to describe. This is a rescue operation, a liberation of innocents, and it's being executed with military precision.
- **For those who doubt the scale of this operation,** understand this: the Military Earth Alliance has been planning this for decades. Every movement, every arrest, every tribunal is part of a master plan that has been kept hidden until the right moment. And that moment is now.
- **Trump, as Commander in Chief,** has unleashed the full force of the military to reclaim not just America, but the world from the clutches of evil. This is not going to end until every last member of the cabal is brought to justice.
- **We are witnessing the Great Unraveling.** The fall of the pedo elites, the takedown of the financial overlords, the exposure of every dirty secret—they are all part of a divine plan to cleanse the world of its most corrupt elements.

**O. Wed. 30 Oct. 2024: Explosive Leaks from the BRICS Summit: GESARA and QFS Plans to Destroy the Rothschild Financial Empire – Military on High Alert as BRICS Prepares to End Debt Slavery and Collapse the Old Financial Order! ...Gitmo TV**

- **The biggest takedown in modern history is underway**, and the signs are everywhere. What's hidden from mainstream media? The unstoppable rise of GESARA, the Quantum Financial System (QFS), and a global reset the elites can't stop. For months, covert military operations have prepared for the Emergency Broadcast System (EBS), soon to broadcast a truth they can't silence.
- **The recent BRICS Summit in Kazan** wasn't about diplomacy—it was a high-level meeting to finalize GESARA plans. These nations control 20% of global gold reserves, fueling the greatest wealth transfer in history. GESARA is here to break the chains of debt slavery, with resources redistributed to the people. The shift to a gold-backed currency is closer than most realize, pushing out the IMF and World Bank, and ending the reign of fiat currencies.
- **These plans are no longer theory**—they're in motion now. Elite banks and global institutions face increasing “technical issues” and “cyber disruptions.” This is no accident; it's the preliminary phase of a massive system purge. QFS tests are already running, silently integrating select financial institutions, readying for a decentralized, tamper-proof network beyond government and elite control.
- **White Hats are ensuring this shift** is airtight. GESARA and QFS implementation is supported by military insiders running drills, securing the EBS's flawless deployment. Starlink is fortified and shielded against interference, ensuring the broadcast will reach everyone when it's activated. The message? We're on the edge of a new world, and the QFS has already begun replacing old banking networks, functioning independently from SWIFT and central banks.
- **Meanwhile, BRICS nations** are accelerating de-dollarization faster than anticipated. Brazil, Russia, and China are already bypassing the dollar in trade agreements, leading a precedent the world will soon follow. The military is primed, with special ops at strategic sites, ready for the EBS's global awakening trigger.
- **Around the world, nations like Argentina and Japan** are moving to dismantle oppressive tax regimes, in line with GESARA mandates. These aren't isolated moves but calculated steps toward financial liberation. The EBS won't only reveal economic truths; it'll expose the entire spectrum of corruption that's infiltrated governments, media, and corporations. The “Red File” is ready, filled with evidence of treason, trafficking, and fraud, a final reckoning for those who have enslaved humanity for centuries.
- **Prepare yourself.** Stock up on essentials. October's “Red October” is the beginning of the end for those who ruled from the shadows. The QFS is not just a new system; it's the foundation of a liberated world. The age of secrecy is over, and the final pieces are falling into place.

- **Brace for the storm—the EBS signal** will be the point of no return, and what follows will reshape history. The awakening is here, and it’s unstoppable.

**P. Wed. 30 Oct. 2024 Historic Military Raids Across 100+ Countries: Trump’s Alliance Targets Global Cabal, Human Trafficking, Illegal Arms Production, and Bioweapons Development—All Leading to NESARA/GESARA! ...Carolyn Bessette Kennedy**

- **We are witnessing the dawn of a new era.** A global alliance led by Trump is dismantling the centuries-old cabal that thrived on secrecy, manipulation, and exploitation. This operation is liberating humanity and building a future defined by NESARA/GESARA and the Quantum Financial System (QFS).
- **Since early 2024, covert military operations have intensified worldwide.** In August, a joint U.S. Special Forces operation stormed a hidden cabal base in Argentina, exposing hubs for human trafficking, illegal arms production, and bioweapons development. Vast stockpiles of stolen gold, artifacts, and classified documents—revealing plans for a global pandemic—were seized and destroyed. The cabal’s stranglehold is breaking.
- **In July, “Operation Phoenix Rising” targeted cabal ships off Malta,** exposing networks trafficking gold, weapons, and people disguised as humanitarian aid. Navy SEALs, British SAS, and Italian forces struck swiftly, disrupting a key financial artery of the Cabal and sending a clear message: the Alliance will no longer tolerate these crimes.
- **The Grand Finale: NESARA/GESARA and the QFS:** These are not isolated events; they are strategic moves in a chess game leading to NESARA/GESARA. NESARA wipes out personal and national debts, restoring wealth to the people. Meanwhile, the QFS—an unhackable, gold-backed financial system launching in December—will end corrupt banking, ensuring wealth holds true value.
- **The Federal Reserve’s hidden accounts** are set to be exposed, showing trillions in stolen funds that will be redistributed. Suppressed technologies—zero-point energy, quantum healing beds, anti-gravity propulsion—are prepped for release, marking the end of monopolies and giving power back to the people.
- **Trump’s Strategic Command:** Trump isn’t a symbolic figure; he’s orchestrating a network of allied leaders and tech renegades to bypass Big Tech censorship, ensuring the truth reaches everyone. In July, Trump and world leaders finalized plans for a global tribunal to hold cabal elites accountable, including crimes against humanity.
- **Operation Free World launches November 2024,** targeting the cabal’s final strongholds across 60+ countries. Expect disruptions—cyberattacks, market crashes—but the alliance is prepared, every move anticipated.
- **Prepare for a World Transformed:** The QFS and NESARA/GESARA lay the foundation for a society where financial freedom, free energy, and health are rights, not privileges. The storm is sweeping away the old world order. Trump and the alliance are building a future where truth, prosperity, and power belong to the people.

- **The revolution is here.** Stand with Trump, stand with the alliance, and prepare for a world transformed. The final act has begun, and there's no stopping it

**Q. Wed. 30 Oct. 2024 DUMBs Uncovered! Shocking Secrets Beneath the Earth: Diego Garcia, MH370, Raven Rock, Fort Detrick, and Mind Control ...Gitmo TV on Telegram**

- **DUMBs—Deep Underground Military Bases**—are hidden beneath us, where twisted government operations and alien alliances lurk. From genetic manipulation at Dulce Base to alien tech at Area 51, these secret locations are rumored to hide everything from mind control experiments to human trafficking rings. Could these underground bases be modern-day hellscape? Welcome to the dark truth they don't want you to know!
- **What Lies Beneath: The Dark World of DUMBs** These aren't simple bunkers; they're massive, fortified complexes designed not just for defense but for sinister, covert operations. Over 188 DUMBs exist in the U.S. alone, hidden in remote forests, deserts, and mountains. Think they're for emergencies? Think again. These bases are rumored to be where genetic experiments, cross-breeding projects, and alien technology agreements unfold in secrecy. This isn't sci-fi; this is happening beneath us right now.
- **The Cabal's Hideout: DUMBs and Sinister Agendas** Behind the walls of these DUMBs lies the shadowy Cabal, a force exploiting and experimenting on humanity for power. This is no myth; these underworlds are real. From human trafficking to experiments that cross ethical lines, insiders report unimaginable horrors. Allegedly, hostile alien races like the Reptilian Dracos and Greys collaborate with these hidden forces, conducting horrifying acts that would shake the foundation of any belief in justice or decency.
- **White Hat DUMBs: The Hope of an Earth Alliance** Rumor has it, a resistance called the Earth Alliance fights back against the Cabal from other DUMBs, working with benevolent extraterrestrials to dismantle the Cabal's grip on humanity. Allegedly, advanced technologies and strategies are being developed underground to bring down these dark forces once and for all.
- **The Most Infamous DUMBs: Area 51, Dulce, Diego Garcia Area 51, Nevada**—epicenter of alien secrets. Beneath its surface lies a vast underground network conducting alien experiments, cloning, and genetic testing.
- **Dulce Base, New Mexico**, allegedly hides the horrors of human-alien hybridization, where creatures part-human, part-beast are engineered.
- **Diego Garcia in the Indian Ocean**—the alleged destination of Malaysia Airlines MH370—is rumored to house an underground base beyond any known control.
- **The Dark Science: Mind Control, Genetic Experiments** These bases aren't just hiding places; they're Pandora's boxes of technology and control. Alien tech, mind control projects, genetic manipulation, and cloning are said to be conducted on a mass scale. Alleged teleportation and portal tech are rumored to move people and objects instantly. Imagine a world where your mind is programmable, and humanity is simply a tool for dark purposes.

- **Final Warning: Are You Prepared to Uncover the Depths?** DUMBs represent the ultimate hidden nightmare. With bases like Fort Detrick involved in bioweapons and Site R, the Cold War's secret fortress, connected to a network of deception, the truth buried below us is darker than we've dared to imagine.

**R. Wed. 30 Oct. 2024: BREAKING NEWS! NESARA and GESARA Are Here: The Global Financial Reset is Happening NOW! ...Steve Bannon on Telegram**

- **Patriots, the moment we've been waiting for is upon us.** NESARA and GESARA are no longer just whispers—they're happening right now. The global elite who've enslaved us for centuries are crumbling, and a massive wealth redistribution is imminent. The new world order they tried to impose is falling apart, and a new era of freedom and prosperity is dawning.
- **The Financial Collapse: Banks Crumble, CEOs Resign:** Look around—Silicon Valley Bank collapses, financial markets are in chaos, and top CEOs are resigning by the dozens. This isn't random; it's the dismantling of the corrupt financial system. NESARA is draining the swamp, and the Federal Reserve's time is up. They're desperately pushing Central Bank Digital Currencies (CBDCs), but it's too late. The NESARA-backed, gold-standard US Treasury system is ready to take over, and the old dollar will soon be history.
- **New Currency on the Horizon: Rainbow Notes Are Here:** Have you seen those strange "special edition" bills? That's the new Rainbow Currency, quietly being tested across the country. These gold-backed notes are part of NESARA's plan to wipe out fiat currency and usher in a new era of financial security. The dollar as we know it is about to be replaced—get ready.
- **Corporate Purge: The Elite Are Panicking:** Why are CEOs from Disney, Amazon, and IBM suddenly stepping down? They see the writing on the wall. NESARA is purging the corrupt corporate elite who've profited from our suffering. These resignations are just the beginning—the entire corporate power structure is collapsing.
- **Suppressed Technologies: A World-Changing Revolution:** Get ready for the release of over 6,000 suppressed patents—technologies that will revolutionize our world. Free energy devices, anti-gravity tech, and medical advancements are about to be unveiled. NESARA is forcing the release of these game-changing innovations that the elite have kept hidden for too long.
- **Military Shift: NESARA's Peace Plan in Motion:** Troop withdrawals from Iraq, Syria, and Afghanistan? These aren't policy changes—they're NESARA in action, dismantling the military-industrial complex. The recent "Havana Syndrome"? A warning from NESARA operatives to the deep state—get out or be taken out. The military is being restructured for peace, and the warmongers are being shown the door.
- **Wealth Redistribution: Prosperity for All:** The biggest bombshell? The Prosperity Fund. Massive wealth redistribution is coming. Debt forgiveness is already starting, tied

directly to the Global Currency Reset and Revaluation (GCR-RV). Soon, every person on this planet will be debt-free, with enough wealth to live freely.

- **The Revolution Is Here: Prepare Yourself:** NESARA and GESARA are transforming the world. The signs are everywhere—bank collapses, CEO resignations, new currencies, and a technological revolution. The global cabal is terrified, but they can't stop what's coming. NESARA is inevitable, bringing freedom, peace, and prosperity to every corner of the globe.
- **The time to act is NOW:** Share this message, prepare for change, and step into a world where we, the people, hold the power. The revolution is here—let's be on the right side of history!

## U. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**V. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **W. "Ken and Barbie vs. Goliath IRS":** Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

**X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That

Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

***"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.***

***When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.***

***Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.***

***"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.***

***Now that "22 Faces" has been republished, it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.***
