*It's only wise to have at least a month's supply of food, water, cash, medicine and essential items
on hand for yourself, your family and to share with others in case of emergency.*

Prayers Up!

Judy Note: *A catastrophic Geomagnetic Storm was set to hit Earth on Sat. 5 Oct, although the affects that may trigger potential earthquakes, widespread blackouts, satellite communication breakdowns and serious damage to our global power infrastructure may not be felt for a couple of weeks. I was rumored that the Storm was another product of the Cabal's weather manipulation. They were trying to create chaos in line with their 2030 Agenda to take complete control over the population.*

In line with their agenda, the Cabal has been busy trying to create World War III in the Middle East. Israeli Airstrikes have triggered a Middle East Crisis, as Russia commanded 1.5 million to flee Israel right now.

The Deep State Cabal's international Child Sex Trafficking ring has also been very busy. Rumor was that one of the main reasons the Port workers went on strike (that has now ended) was that they had been hearing children yelling for help inside containers they were unloading. Having reported it to superiors, they were frustrated at having no response. It was assumed that the White Hats took care of the situation and in the process, ended the strike on Thurs. 3 Oct.

As part of the White Hat Agenda to take down the Cabal they will be destroying 34 Satanic sites around the World. The White House (that has been covering up underground tunnels of a massive Child Sex Trafficking Ring) was one of the first on their agenda to be blown up.

The worst goings on (as if there could be any worst) was taking place with victims of Hurricane Helene. A source in North Carolina revealed that, despite 1,000 troops being fully prepared for deployment, they remained sidelined because FEMA Region 4 and Governor Roy Cooper have yet to issue the critical mission orders, delaying a potentially urgent response.

Law enforcement in Asheville, North Carolina was warning business owners that they could be arrested for attempting to recover items from their damaged establishments.

A tearful woman from Western North Carolina described the horrifying scene of babies' bodies floating down the river, while mainstream media ignores it. With deep emotion, she urges the nation to see this as a wake-up call and warns people not to trust the news, which she believes is concealing the real death toll.

Volunteer rescuers have been threatened with arrest if they tried to help victims. FEMA and the Red Cross have shown up at high schools and confiscated donated funds.

In Tennessee local donations for Hurricane Helene victims were stolen by Fed:

To top it off another Tropical Storm named Leslie, has formed in the Atlantic and is currently about 500 miles southwest of the Cabo Verde Islands. Leslie is forecast to strengthen into a hurricane in the coming days. Like the man made Helene Hurricane, Leslie's path was said set for the same areas as Helene landed on.

. Thurs. 3 Oct. 2024 Breaking News: Helene in Western, NC from people in Asheville:

-**The hospital can no longer sterilize equipment.**

-**There are so many bodies in cars** you can NOT count. Bodies are laying everywhere.

-**There is NO AID** except rescues

-**100 times more dire** than Katrina

-**Rescue hasn't even started** in most areas

-**Literally Gov Roy Cooper is doing nothing** but sent 500 reservists

-**Zero federal help** there

-**Last night CNN cut off Asheville spokesman** when she started to criticize the response from Roy Cooper and Biden

-**Death Toll from Katrina** about 1,600. This will be WAY past y that. There are thousands missing.

The following was written by a former Vet who served multiple tours in Iraq who was trying to help victims of Hurricane Helene in the North Carolina Region: "Things are getting really bad, really quick. This entire area is a war zone, even if not directly "destroyed" by flood waters.

"There are men, women and children starving, without water and sanitation. No fuel. People can't get to any distribution points because they have no fuel. People are walking on foot and dragging wagons.

"The majority of federal and state assets are being diverted to the incorporated areas of Asheville, Black Mtn, etc. and without a deliberate effort yet into the rural unincorporated areas. People are suffering, and communities are rapidly moving to isolation and self-defense and policing.

"There are bodies floating down the rivers. There are bodies stuck in the tops of trees. Linemen entering destroyed areas are finding dozens of children as young as three walking thru

the mud near naked, crying for their parents, some with ropes still tied on their arms attached to broken lumber where clearly their dead parents had last ditch tied them to something.

“I was talking to a lineman yesterday about how he’s finding heads and limbs every time debris is removed. Entire communities are just Gone. Gone. Gone. Nothing to repair and in some of the areas, no one to even help anymore – just dead bodies, with a stench increasing by the day.

“The death count WILL be in the thousands. Desperation is increasing, and most vets are lying on their roofs with rifles. Local rural gas stations, markets etc have clear militias forming with men in hodge podge gear and rifles patrolling. We are self-policing now.”

This year Biden/Harris gave over \$24 billion to the Deep State Ukraine, over \$11 billion to the Satan Worshipping pretend Jews of Israel (Khazarian Mafia), almost \$2 billion to Ethiopia, over \$1 and a half billion to Jordan, the same to Jordan and Egypt, and around \$1 billion each to Afghanistan, Somalia, Yemen, Congo and Syria.

Worse, Biden/Harris took more than a billion tax dollars allocated to FEMA for disaster relief and used it to house illegal aliens including \$20 million to open a welcome center for illegal immigrants for a long-term migrant transfer site and respite shelter in San Diego. That’s \$9,000 per illegal immigrant who have entered the U.S.

In contrast, Americans who have lost everything to Hurricane Helene will be getting \$750 each, courtesy of FEMA. FEMA has blown all of their funds on illegals, but they’ll never admit it. The Federal Emergency Management Agency can meet immediate needs “but we don’t have enough funding to make it through the hurricane season,” Homeland Security Secretary Alejandro Mayorkas told reporters on Wednesday.

- **Thurs. 3 Oct. 2024 More Americans On The Ground Saying Kamala Harris’ FEMA Blocking Them From Helping Hurricane Helene Victims.** “They’re all leading us to the Donation Center command post, which is FEMA. They’re not gonna allow us to do anything. Nobody’s allowing us to put boots on the ground, get the saws started, things cleaned up. We just went past where the hospital was or is, where those people were stranded. We can’t get anywhere. They don’t care” ...@SGTnewsNetwork
- **Thurs. 3 Oct. 2024 The Biden Administration has had either little or no response to care for victims of Hurricane Helene.** Biden announced that FEMA doesn’t have the funding to respond to another major storm. They have money to fund every war on Earth, and the money to house, feed and provide sex changes for illegal immigrants, but nothing for the American People. They are presently funding housing for 10+ million illegal immigrants: <https://nypost.com/2024/10/03/us-news/feds-say-theres-no-money-left-to-respond-to-hurricanes-after-fema-used-640-9m-this-year-on-migrants/>

- **Chief Duston Waycaster and Assistant Chief Chris Melton** were the two who threatened to arrest a volunteer who was using his helicopter to rescue stranded victims of Hurricane Helene.
- **Wed. 2 Oct. 2024:** According to an Intel source, the White House will be blown up very soon. "Concrete barricades have been erected around the White House so that the detonation explosion (when the White House is blown up) will not be transmitted to the street and the surrounding area. That will be the case soon. You have seen the online videos of the late detonation flashes on the second floor of the WH. The columns have been weakened in preparation for the upcoming explosion," according to the planned demolition of the White House. The explosions can be seen inside, and you can even see the birds in their fear, flying around in panic. Soon 34 well-known satanic buildings around the world will be blown up as a symbol of freedom and the end of the war against the evil globalists of the Deep State. People will be freed from their corrupt control. The end of the movie will be very soon.

I think we are going to see things that we have not experienced as a nation.”

B. Thurs. 3 Oct. 2024 Warning! X7 and X9 Solar Flares Are Just the Start – Elite-Planned Blackouts Coming as X11 Flares Hit in Sequence! ...NESARA/GESARA on Telegram

- **Prepare Now:** The Elites won’t stop until they force us into darkness.

- **If you think yesterday's X7 and today's X9 solar flares** were the end of it, think again. This is only the beginning. Stronger solar flares are forecasted, and it's all part of the Deep State's relentless plan.
- **The Elites have just started pulling the trigger**, and their weapons are aimed at our freedom, our ability to communicate, and our way of life. The sun is now their tool, manipulated by the unseen hand orchestrating events for years.
- **The X9 flare wasn't the peak**—it was the precursor to something even bigger. Reports are surfacing, whispers from those in the know, indicating more massive flares—potentially even X10 or higher—are coming. These flares are expected to be aimed at Earth, timed to strike when we're most vulnerable, plunging us into chaos.
- **We face potential total grid collapses, communications blackouts, and chaos that the Deep State will use to further their power.** They are pulling the strings, coordinating these "natural" events, and they are about to unleash an assault like no other. Think X9 was bad? The next ones will be even more devastating.
- **The prediction of stronger flares isn't coincidence.** The elites have timed this to coincide with their broader agenda of destabilization. Rolling blackouts will become full-blown power collapses, and in that darkness, they will tighten their grip. We are about to witness turmoil that breaks societies apart—and they are banking on it.
- **A FINAL WARNING: TIME IS RUNNING OUT:** Time is running out to prepare. Stronger solar flares mean greater disruptions, and we cannot afford to be caught off guard. Stockpile non-perishable food, water, and power supplies. Acquire solar-powered generators or batteries that don't rely on their grid. Develop an emergency communication plan that doesn't rely on their controlled systems.
- **When these stronger flares hit**, you must be ready for complete isolation, standing on your own without falling into their trap of dependence.
- **The Elites have already started pulling the trigger**, and they won't stop until we're kept in the dark, begging for their solutions. But we are not helpless. We can prepare, we can resist, and we can refuse to let this orchestrated chaos become the chains that bind us.
- **The coming days will test us all.** Stronger solar flares are predicted—prepare now, before the elites plunge us further into darkness.

C. Global Currency Reset:

- **Thurs. 3 Oct. 2024 Bruce:** “The information last night was pointing toward today in a 24 hour period for the shotgun start. Well so far we have not received the notifications but the intel was really good - it's all done and now prospects of this going over the weekend are really strong.”
- **Thurs. 3 Oct. 2024 Wolverine:** “I know people who have had appointments at banks, but they are under NDAs and not talking. We know private contractors are being paid.”
- **Thurs. 3 Oct. 2024** Central Bank of Iraq Governor Ali Al-Alak announced on Thursday the launch of financial transfers to Turkey according to a new mechanism carried out in the euro currency. - **Thurs. 3 Oct. 2024 FED Dollar Vs USA Treasury Dollar:** The U.S. Federal Reserve note has lost 99.7% of its purchasing power since its inception and is essentially at zero. But we're about to enter a rebound phase with the introduction of the new U.S. Treasury Dollar, which will pay us dividends because we'll hold the real-world assets backing it. This shift is set to increase our purchasing power dramatically, potentially 20X. <https://x.com/chrismartenson/status/1841636020187431216?t=AvufoFMJcS-2-ajlApGyPg&s=35>

- **Government officials had a town meeting** with all of the residents of Chimney Rock and basically told them the town was being bulldozed, bodies and all and the land was being seized by the federal government.
- **They would not be able to move back** and basically their homes the ones that were standing were no longer theirs and the federal government owned it all.
- **I don't know what crazy play for land this is**, but there's a lot of conspiracy about lithium mines and let me just tell you, as someone who lives in Charlotte and has friends who live in the area of Western North Carolina, they are not being helped and this is actually being a stand down operation by federal government.
- **Our friend owns an Airbnb in Chimney Rock.** They had a town meeting yesterday and someone from the federal government told them all of those things in the town meeting, but doesn't want the information getting out.
- **Also, they are not picking up the bodies.** The stench of the bodies everywhere is insane and for some reason, the government does not want to pick up the bodies.
- **One pastor of a local church was** going to order to door delivering water and they changed their delivery request to body bags because so many of the homes that they've gone to have needed body bags, we're trying to keep the body count. They're not picking up the bodies. They don't wanna identify the bodies and they're just leaving them to rot in the streets.
- **Chimney Rock, NC is** one of the many small towns wiped out by Hurricane Helene. The lack of coverage is a travesty.
<https://x.com/endwokeness/status/1840500261712007614?s=46>
- **Something evil is going on in the NC mountains.** Just today we filled up a trailer for a shelter in Hendersonville NC that had no food for tons of moms and babies. All the stores round are empty or locked.
- **In Chandler NC 2000 people haven't eaten** anything or drank in 6 days and just got an SOS message out for help. I'm trying to tag the Cajun Navy and operation airdrop but people are dying by the minute.
- **Multiple tuckers have reported having tires slashed.** Our friends from Chimney Rock said they have heard multiple stories of people being robbed at gunpoint making supply runs. Two people that drove down to Charlotte yesterday and today one that we helped said bodies in trees, all over ditches in major roads back. Something weird is going on here in NC.
- **Someone with a large national megaphone needs to amplify** how bad it is. People are now starting to die trapped. My town is Operation Air Drop NC central command. They need pilots with planes and now are asking just for trucks. People with big equipment are needed.
- **More than anything the nation** needs to put pressure on Washington to deploy the National Guard asap. The 82nd was begging to go since Saturday but has been told to stand down.

- **Every fucking Apache** we have should be flying rescue missions. Please amplify the message!!!
- **Thurs. 3 Oct. 2024 six days after Hurricane Helene devastated North Carolina:** “Just spoke to a friend of mine in law enforcement in NC...he said that they have, and I quote: "Already used over 500 body bags, and there are bodies in trees, mud, cars, houses, everywhere. No Federal support whatsoever. ...We The Media on Telegram
- **Thurs. 3 Oct. 2024 six days after Hurricane Helene Asheville Western North Carolina** is still under water.
- **The Burra Burra Copper Mine** is devastating hundreds of thousands of acres in three states at the junction of Tennessee, Georgia, and North Carolina.
- **A former police officer and licensed helicopter pilot** with rescue experience from South Carolina took his helicopter to western North Carolina after Hurricane Helene devastated the area. He saw a couple in dire straights on the top of a mountain, loaded up the handicapped wife and left his copilot to help her husband. When he grounded the chopper he was approached by Chief Duston Waycaster and Assistant Chief Chris Melton who threatened to arrest him for using his helicopter to rescue stranded victims of Hurricane Helene. They said he didn't have the right to rescue and would arrest him if he continued. He took the wife to another area and continued the rescue efforts. ...Ginger from Liberty Lounge
- **Thurs. 3 Oct. 2024 It seems like the Hurricane Helene devastation** has a direct connection to the Regime's desire to create a Russia-Ukraine scenario between China and Taiwan, justified on semiconductors. Hurricane Helene's devastation in North Carolina could disrupt the World's Semiconductor Industry because Spruce Pine, North Carolina is home to high-purity quartz mines owned by two companies: Sibelco North America and The Quartz. - **A large X7 and a second larger X9 solar flare** were headed to Earth. Charged particle arrival time for the X7 was Thurs. 3October.
- **Particle arrival time** for the larger X9 class flare is to arrive in 2 days on October 5th!
- **What I'd expect from these:**
- **First of all you get the Northern Lights** (Southern Lights) Aurora that people can visibly see.
- **Then that electrical power converts to DC energy** when it is absorbed by Earth's magnetic field. The energy goes to "ground" which is ultimately the electromagnetic core of the Earth.
- **Within a few days of the arrival of large charged particle storms**, we usually see an Earthquake increase starting a few days after arrival of the storm.
- **Time frame** on this usually goes like this:
- **First a storm happens from the sun**, charged particles sent towards Earth.
- **Usually takes 2-3 days for those particles to physically arrive....** then about 1 full day of actual airglow Northern lights... then about 1 day to absorb into Earth.
- **Then 1 day to come back up** as new deep earthquakes and shallower larger earthquakes.
- **Whole process takes about 6-7 days** from the point of the storm on the Sun to the point where the Earthquakes begin to do their thing.
- **Then, assuming there are no more solar storms**, it takes about 1 week to spread out earthquake wise.
- **Now we're at about 14 days** from the original solar storm by the time the Earthquakes start to die down.
- **If any other solar events happen** in that 14 day period, it can add an INCREASE to the increase or at least carry on the original disturbance further.

J. Thurs. 3 Oct. 2024 The Longshoreman Strike has ended, so there will be no halt to the Supply Chain.

- **Nearly a quarter of the world's seaborne oil trade** is carried through the Strait of Hormuz. If Iran's oil facilities are attacked this could launch a regional war, which would have a huge affect on shipping in the straight. In fact it could come to a grinding halt. The U.S currently has at least 1 Aircraft Carrier Battle group in the straight in case war breaks out. CHINA receives a large portion of their oil from the Mid East which goes through the straight.
- **The US Sea Ports along the East and Gulf Coasts that are on strike** are responsible for over 50% of goods and services. **On Thurs. 3 Oct. 2024** Biden announced he would not step in and force the hand of the Federal Government on negotiations. If the strike lasts for a month there would be roughly 150 billion in loss. To get through the backlog would take nearly six months.
- **What STOPS when ports close:** Ports handle many types of goods and services, including: Some of the most common commodities shipped through U.S. ports include crude petroleum, coal, iron and steel, food and farm products, forest products, and soil, sand, gravel, rock, and stone. Dry bulk goods include coal, other minerals, scrap metal, fertilizers, rice, corn, and sulfur. Dry bulk goods are often transported by train to a port, where they are then loaded onto a ship. Containerized goods include electronics, clothes, furniture, and sports equipment. Emergency services: Ports can accommodate emergency vessels and personnel, such as the hospital ship USNS Comfort that docked at Port 90 in Manhattan during the COVID-19 crisis. Ports are also vitally important commercial centers that connect water and land transportation. They play a key role in global supply chains and international trade.
- **Thurs. 3 Oct. 2024 With Port Strike there is panic toilet paper buying:** The Normies will need to add Depends to that list.

M. Thurs. 3 Oct. 2024: QQQM!!! Trump and Military Trigger DHS Cover-Up—P. Diddy's Arrest to Expose Kamala Harris, Epstein, and the Clintons ...Ben Fulford on Telegram

- **Shocking exposé! Trump and the military have unearthed a massive DHS cover-up,** with P. Diddy's secret arrest set to uncover ties to Kamala Harris, Epstein, and the Clintons. This explosive scandal is primed to shake America to its core and dismantle the deep state once and for all.
- **P. Diddy's Dark Secrets and the Deep State's Collapse:** What if I told you P. Diddy, the famous rapper, was caught in a conspiracy so deep it leads to the highest levels of government? This isn't just a celebrity scandal—it's a story that links Diddy to a web of political elites and military operations, with Trump at the helm, ready to expose the Deep State's dirty secrets. The ties run through Kamala Harris, Epstein, and the Clintons, setting up the biggest political takedown the world has ever seen.
- **A Military Coup in Motion:** The mainstream media won't touch this, but Trump and his allies have set in motion a plan that involves military forces, the FBI, and DHS to reveal a web of human trafficking and financial corruption that will destroy the deep state. The DHS's cover-up of P. Diddy's arrest is just the beginning. As the layers peel back, Kamala Harris, Bill Clinton, and Epstein will be exposed for their complicity in sex trafficking and extortion schemes.
- **Trump's Secret Operation:** While Trump's enemies scream "conspiracy theory," the reality is that Trump's administration is silently working to implode the FBI, CIA, and DHS, revealing a world of corruption they've been trying to hide. The White Hats within the military and government have intel that will send shockwaves through the nation.
- **P. Diddy's Triple Agent Role:** Diddy isn't just a music mogul; he's now a triple agent working to expose the deep-rooted corruption in the U.S. government. Flipping him was part of Trump's plan, forcing him to betray his old allies and leak crucial information that could topple Kamala Harris, the Clintons, and their deep-state cronies. The White Hats are working tirelessly to unleash this damning evidence—tapes, intel, and more—that could lead to indictments like we've never seen before.
- **Kamala Harris The Deep State's Downfall:** Kamala Harris has been desperately trying to cover her tracks, but the clock is ticking. Her involvement in secret sex parties, connected to Epstein's operations, will be the nail in the deep state's coffin. The White

Hats are winning, and when the truth comes out, it's over for Harris, the Clintons, and the entire corrupt establishment.

- **The Final Blow: Civil Unrest and Trump's Restoration of Order.** In the coming months, the chaos will reach civil war-level intensity as Trump's second round of indictments hits. The deep state's power will crumble, but only after America faces unrest like never before. As the truth comes out, the deep state's financial ties to Epstein and human trafficking will be exposed, with banks like BlackRock tied to global corruption.
- **Brace yourselves.** The fall of the deep state is here.

- **BRAVO....** Michael Connett, Paul Connett, Ellen Connett, & all of the Fluoride Action Network Nationwide! <https://fluoridealert.org/key-topics/epa-lawsuit/>
- **History has been made.** After 7 years of pursuing legal action against the U.S. Environmental Protection Agency (EPA) over the risk posed to the developing brain by the practice of water fluoridation, the United States District Court of the Northern District of California has just ruled on behalf of the Fluoride Action Network and the plaintiffs in our precedent-setting court case. A U.S. federal court has now deemed fluoridation an "unreasonable risk" to the health of children, and the EPA will be forced to regulate it as such. The decision is written very strongly in our favor, and we will share it in its entirety tomorrow. Below is an excerpt from the introduction of the ruling:
- **"The issue before this Court is whether the Plaintiffs have established by a preponderance of the evidence that the fluoridation of drinking water at levels typical in the United States poses an unreasonable risk of injury to health** of the

public within the meaning of Amended TSCA. For the reasons set forth below, the Court so finds. Specifically, the Court finds that fluoridation of water at 0.7 milligrams per liter ("mg/L") – the level presently considered "optimal" in the United States – poses an unreasonable risk of reduced IQ in children..the Court finds there is an unreasonable risk of such injury, a risk sufficient to require the EPA to engage with a regulatory response...One thing the EPA cannot do, however, in the face of this Court's finding, is to ignore that risk."

- **In this moment, I want to recognize attorney Michael Connett** for pursuing this case and leading the effort every step of the way. He's a true superhero to all of us here at FAN. Many other amazing team members were also involved in making this a reality and deserve great appreciation and thanks, including our co-plaintiffs and all of you who donated and spread the word about our case. Take a moment to celebrate this momentous occasion tonight, wherever you are. After 7 years, we all deserve it.

Q. Thurs. 3 Oct. 2024 BOOOM! I BREAK My Silence to Slam CIA Stooze Mike Pompeo and MAGA Wolves ...Julian Assange:

- **I've broken my silence today** to deliver a powerful message to all of you. I'm calling out CIA stooze Mike Pompeo and the so-called 'MAGA wolves' who persecuted me. This is a scathing critique of the war on truth and a demand for accountability. Will Trump finally confront those who acted in his name? The fight for free speech and exposing government lies continues.
- **I am Julian Assange, the founder of WikiLeaks**, and today I send a shockwave through the political world. In my first public address since regaining some semblance of freedom, I call out two wolves in MAGA hats—those who led the prosecution against me—and denounce the CIA's role in perpetuating a global war on truth. My words come at a critical time, as America reckons with its actions in an increasingly polarized world.
- **I am not just a whistleblower;** I've become a symbol of the war on truth. The big question now is, who will be held accountable for persecuting me—a man who revealed the military-industrial complex's dark underbelly? Will Trump set the record straight? It's time for answers, accountability, and an honest reckoning with the truth of what has happened to me and why.
- **I won't mince words.** I was prosecuted by two wolves in MAGA hats. They worked tirelessly to silence me, not for any crime, but for exposing uncomfortable truths about the U.S. government. I'm not attacking Trump directly—I'm accusing those who operated in the name of "Make America Great Again" while betraying its ideals of freedom and justice. Who were these wolves? The answer is clear: former CIA Director Mike Pompeo, who openly branded WikiLeaks a "hostile non-state intelligence service."

- **The CIA has long sought to silence whistleblowers and journalists.** Pompeo, under the guise of national security, aggressively targeted me. I was never a threat to national security—I was a threat to those in power who wanted to keep their actions hidden.
- **By exposing these secrets,** I showed how intelligence agencies manipulate narratives and control public perception. In a world that prides itself on freedom, I became the target—a stark reminder that truth-tellers are punished, while war criminals walk free.
- **Let me underscore a harsh reality:** war is sold on lies, and truth-tellers pay the price. Governments worldwide chose to shoot the messenger rather than face the real crimes I exposed. My persecution isn't about security; it's about power.
- **If they can suppress the truth,** what hope is there for freedom? For democracy? This isn't just my fight; it's a fight for everyone who believes in a just world, where truth and accountability prevail.
- **Donald Trump has a chance here**—a chance to reclaim the narrative by addressing my situation head-on. If he truly wants to drain the swamp and fight for truth and freedom, then he must take a clear stand for me and those who risk everything to expose the truth. To Make America Great Again, Trump must confront the injustices against me and make it clear that those who expose uncomfortable truths will be protected, not hunted.
- **The fight for truth is far from over**—now, it's time for everyone to decide which side of history they want to stand on.

R. Thurs. 3 Oct. 2024 The Silent War in Deep State Underground Military Base Tunnels:
<https://rumble.com/v5gpqld-the-silent-war.html>

- **There was a war none of us were aware of happening deep under our feet in the "Deep Underground Military Bases" (DUMBs).** They trained our soldiers to fight in subterranean warzones in 2018. They were trained by our "Space Force". There has been so much going on that we never witnessed. They also called this the "Silent War" or "The Invisible Enemy"
- **Earthquakes were often tunnel systems and DUMBs** were being caved in. Artificial Storms were created to flood the tunnels. Explosives underground is a dangerous combination, so the firefights are fierce and sporadic. It took a very special kind of training, and there is very little footage of any of the battles. For obvious reasons. This is metaphorically a battle in hell.
- **This was an hour long video trying to explain it.** It shows the maps of the known DUMBs, their entrances, and the connecting tunnels. It shows the Boring machines that were used to create them. They were able to dig 7 miles of tunnels in a single day. These tunnels stretched out across the entire world. Across oceans. They also had technology that we have never seen before, including levitating trains.
- **That part is more difficult for people to believe,** so I will allow you guys to do the research on your own and provide this video to assist with sparking your curiosity. Eugenics was heavily experimented with in the DUMBs, because it was not held to the

same laws. They created creatures, they experimented on children, they abused them. Most of these children never saw the light of day.

- **Don't you remember all of the FEMA camps** and tents during COVID? Did you notice the equipment in some of them? They had humidifiers for children. They had to be accustomed to the surface, as from what I understand is that the pressure is much more intense. They have to be decompressed, or they die fairly quickly. I remember reading a story from a soldier who witnessed it and how it horrified him.
- **Anyway, done talking. They are not above us**, they are beneath us. Outer Space is a distraction. All of that money going to organizations for space exploration was funding tunnel digging among other things.

S. Thurs. 3 Oct. 2024 Med Beds ...John F. Kennedy Jr. on Telegram

- **UPDATE! Trump's Military Secretly Replacing Hospital Equipment** with Med Beds Nationwide!
- **Brace yourselves, because Trump is about to pull off the biggest maneuver in human history**, and they don't want you to know about it. Hospitals are being dismantled as we speak, replaced by advanced Med Beds that have the power to heal any illness, reverse aging, and even unlock your mind's full potential.
- **The Deep State is panicking**, Big Pharma is losing control, and the medical-industrial complex is about to collapse. They've kept Med Beds hidden for decades, reserved only for the elites, while the rest of us suffer and die from diseases that should have been cured years ago. Trump is flipping the script and bringing these miracle machines to the people, starting now!
- **Behind the scenes, military units are moving with precision.** Under the guise of "renovations," they're secretly replacing old hospital equipment with Med Beds. The mainstream media won't cover this, but sources are leaking the truth—Med Beds are already operational in secret locations, running tests on selected patients. Hospitals are clearing entire floors for this technology while vetting staff to ensure secrecy. The deep state never saw this coming, but Trump has been planning it for years.
- **Here's the kicker: these Med Beds aren't just rolling into big cities.** They're being deployed in rural areas, hidden in plain sight. Mobile units, disguised as ordinary delivery trucks, are transporting Med Beds across America, setting up in military bases, underground bunkers, and even abandoned warehouses.
- **By the time the Elites realize what's happening, Med Beds will be everywhere**, and it will be too late for them to stop it. These Med Beds aren't just machines—they are weapons of mass liberation. They can cure cancer, heart disease, and dementia in minutes, reprogram the body at a cellular level, and even unlock hidden parts of the mind. Big Pharma's business model is dead—keeping us sick to sell more drugs is over!
- **The Elite have been feeding us lies, poisons, and distractions**, but once these Med Beds go live, the people will awaken. Imagine remembering your past lives, unlocking

your true potential, and shaking off the shackles that have kept us in the dark for centuries.

- **This ties directly into Trump's master plan—GESARA**, the return to the gold standard, and the collapse of the corrupt fiat system. The Deep State has used fake money, fake science, and fake news to enslave us. But Trump's push for Med Beds is the final nail in their coffin.
- **We are on the edge of the biggest shift in human history**, and the elites are terrified. They're throwing new pandemics, financial crises, and lies at us, but they can't stop what's coming. The Med Beds are already here, taking their place in secret facilities across the country.
- **Get ready to witness the fall of the old guard**. The revolution is real, and Trump is leading the charge. The time is now—are you ready to break free?

W. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Y. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Z. Judy Note: *Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the "22 Faces" re-publication release, please email me at: info22faces@yahoo.com
