Judy Note: *An entire Ukrainian battalion has abandoned the front lines, adding to the demise of the Nazi child trafficking Ukraine regime, while a major Category 3-4 Hurricane Milton was forming in the Atlantic and due to hit Florida on Wed. 9 Oct.*

Although, the real news of the day remained in North Carolina:

As far as I know and as of this writing on Sat. 5 Oct. 2024 (eight days after Helene hit North Carolina) government authorities were still grounding both Military Helicopters and private planes and wouldn't give them an ok to fly into North Carolina Disaster Areas with supplies and to rescue victims. Right now the Northern Militia is set up on the back side of the mountain with sniper teams. They have taken out some US Inc. FEMA people. The Texas Militia is on their way.

Walmart has been taken over by the White Hats and was sending 60 trucks of supplies to North Carolina under police protection. Sheriff Tripp Kester of Davidson County NC was calling for local citizens to form militias to protect the Constitution. "It's getting real, y'all. Like I've been saying: We approach shit a bit different down here. [They] picked the wrong state to bully."

A FEMA Director who was acting arrogant and denying aid to North Carolina Flood Victims was beaten by residents 20 miles south of Asheville.

Victims in North Carolina were more convinced than ever that Helene was manmade and a product of the Biden/Harris US Inc. government land grab. It was found there was Cloud Seeding during Hurricane Helene where scientists have admitted injecting Silver Iodide into the Hurricane Wall.

FEMA was not a government agency. It is a private contractor. Warning on the gov \$750.00 handout to victims: before FEMA looks at your property they have you sign a contract with fine print. If you do not pay back that \$750.00 in a period of determined time, you will lose your house and property, all of it. Beware, this is a FEMA land grab.

This is Holocaust II:

- **If you're looking for confirmation that FEMA** is a cabal operation, Pleiadians shared in 2017 that one of their functions is depopulation. "The same mass killings will be continued with hurricanes to come."
 - **Under cover of hurricanes in Houston**, Florida and Puerto Rico, FEMA, staffed by military have begun murdering civilians. Millions were evacuated from these storms. Many thousands have not been seen since. Few victim interviews have been given
 - **Mandatory evacuations in the Florida Keys** meant traffic was diverted along a single route. Military was standing by to shut down traffic. They escorted people from their cars to nearby shelter locations. They thought they were being taken to safety but they were to be murdered. Many were gassed. Some were shot. Bodies burned and buried. Some placed in bags and thrown into ocean from FEMA boats.
 - **Many cars from Houston were kept at stadiums**, Walmarts and deserted areas protected by soldiers. In Houston, many were meant to just drown in their cars or homes when FEMA blew the dam.
 - **Relatives were given various excuses.** The same mass killings have been done in Puerto Rico and will be continued with hurricanes to come.
 - **All Military branches are involved with FEMA.** They are following orders. Some enjoy doing this. Some wish to be free. The alternative is death. This is a mass effort by too many to name.

C. Global Financial Crisis CHECKMATE!!! The Black Swan Event: A Financial Apocalypse with Stock Market and Bitcoin Collapse, Power Grid Blackout, and EBS-Triggered Quantum Energy Revolution

- **The looming Black Swan Event** will trigger a financial apocalypse, devastating not only the stock market but also Bitcoin and other cryptocurrencies. This catastrophic collapse will reach far beyond the financial sector, pulling even the power grid into disarray. As the world teeters on the edge of this unprecedented disaster, the Emergency Broadcast System (EBS) will signal the turning point, ushering in the downfall of the controlling cabal and the start of a new era powered by quantum energy. Are you ready for the reset as the old world crumbles?
- **Financial Collapse: A Black Swan Event on the Horizon:** A Black Swan event is often unforeseen and has far-reaching consequences, especially in finance. This time, however, the collapse won't be limited to stock markets. It will engulf Bitcoin, cryptocurrencies, and potentially disrupt global infrastructures. The fallout could be devastating, triggering a sequence of events that leads to a worldwide blackout, a signal of the need for a total reset of the financial and energy systems as we know them.
- **The Stock Market's Imminent Crash:** The financial system, with its unsustainable levels of debt, excessive Federal Reserve intervention, and unchecked greed of Wall Street, is standing on the brink of collapse. This isn't just another correction or market downturn-it's a complete unraveling. Cryptocurrencies, once seen as safe havens, will be hit just as hard, if not harder. Their collapse will reverberate across markets, making previous financial crises look insignificant by comparison.
- **With the EBS heralding a new age,** we may witness a shift from traditional energy sources like nuclear power to quantum energy, transforming how the world functions. The reset will not only mark the end of the financial order but also the start of a new system that promises to revolutionize the global power structure. Prepare for the end of one world and the beginning of another.

- **HIGH ALERT! 50,000 Elite Troops Mobilized** for EBS Lockdown! 10 Days of Darkness, Mass Arrests, and Nationwide Operations Now in Motion—The Final Phase Has Begun!
- [GESARA-led wealth transfer](#), marks the end of the Cabal's financial control. Quadrillions of dollars in hidden assets—stolen gold, offshore accounts, and vault reserves—[are being reclaimed through the Quantum Financial System \(QFS\)](#). This operation, led by the military, will erase global debts and redistribute wealth to the people, ending centuries of economic enslavement.
- **The IRS is being dismantled**, and taxes imposed by the Cabal are being nullified. Mortgages, loans, and credit card debts are being wiped clean as part of a global jubilee. This is the largest wealth transfer in history, where the people will finally reclaim what was stolen.
- **The troops are not just preparing for mass arrests** but also securing financial centers, ensuring that the elites' wealth is returned to the people. The Cabal's reign is over, and the power of wealth is now shifting back into the hands of the people, marking the dawn of true economic liberation.
- **These troops have been specifically trained for the mass arrests that are scheduled to occur across the country.** The hidden underground bases—where the Cabal's most critical operations have been conducted—are the primary targets. These bases have housed the elite of the elite, the globalists, and dark money financiers who have been pulling the strings for decades.
- **The most significant targets include DUMBs** (Deep Underground Military Bases) located under Denver International Airport, Cheyenne Mountain, and Dugway Proving Ground. These areas are known to be hubs for Cabal activity, and the White Hats have been gathering intelligence on them for years.
- **Reinforcements from the international Alliance have also started arriving in the U.S. over the past several weeks.** The Canadian military, under covert agreements with the U.S. military, has mobilized elite Joint Task Force 2 (JTF2) operatives into Washington State and Montana to assist in operations targeting Cabal-controlled political figures in the Pacific Northwest. More Info on gazetteller.com
- **Troops are preparing for an imminent EBS (Emergency Broadcast System) 10 days** lockdown where large-scale mass arrests will take place across several major cities. Washington D.C., New York, Los Angeles, and Chicago are the prime targets in this operation, but the scope of arrests will extend to all 50 states. Every state capital will

be hit simultaneously, with National Guard units standing ready to back up the Federal Marshals if any resistance occurs.

- **Special units from Russia and Brazil**—both of which have been playing key roles in the BRICS alliance—have arrived in Texas and Florida to assist in operations aimed at taking down Cabal financial institutions that are embedded within major cities like Miami, Dallas, and Houston.
- **These 50,000 troops are now being supported by additional specialized units from Europe.** Sources confirm that French Foreign Legion and German KSK commandos have been inserted into New York City and Washington D.C. in preparation for the high-profile arrests of elite Cabal members, including bankers, politicians, and media moguls who are believed to be the main nodes in the Cabal's propaganda machine.
- **These forces are also tasked with securing high-value targets,** ensuring that key financial institutions do not retaliate by attempting to manipulate markets as the [Quantum Financial System \(QFS\) prepares to go fully online.](#)
- **Fort Bragg, North Carolina,** is currently the staging ground for the largest military build-up since the Second World War. New units from the 82nd Airborne Division, alongside Task Force Orange (the Pentagon's most secretive intelligence-gathering unit), have been brought into Fort Bragg over the last 48 hours. More Info on [gazetteller.com](#)
- **In addition, secret operations are ramping up in military facilities like NORAD (North American Aerospace Defense Command)** in Colorado Springs. This base has been a hub for classified activities for decades, but now, Space Force and Cyber Command are working out of NORAD to neutralize the Cabal's last-ditch efforts to disrupt the QFS implementation.
- **They are targeting Cabal-controlled satellites and cyber assets** that the elites had hoped to use as bargaining chips or weapons to maintain control over global communications and digital currencies.
- **The Starlink satellite network, controlled by the U.S. Space Force, is now fully operational** and ensuring that no Cabal member can escape justice by using traditional or encrypted communication channels.
- **Guantanamo Bay (GITMO)** is also seeing significant new activity. Reports indicate that massive expansions to GITMO's holding facilities have been completed in recent months, in preparation for the mass influx of Cabal prisoners. Military tribunals are set to begin within weeks, and high-ranking global elites will be facing justice for crimes against humanity.
- **The latest wave of prisoners includes financial oligarchs,** tech billionaires, and politicians, many of whom were secretly extracted from their underground bunkers. These tribunals will be broadcast to the public as part of the EBS, exposing the full extent of the Cabal's operations—human trafficking, child exploitation, financial manipulation, and even satanic rituals tied to adrenochrome harvesting.
- **The Cabal's final hope was to trigger civil unrest** and a false flag event to delay or prevent the arrests, but they have been completely neutralized by the White Hats. Their plans to ignite riots and chaos in California and New York have been thwarted by preemptive military action.
- **Special Ops teams have infiltrated** Antifa and BLM cells that were set to be activated for mass violence. Their leaders have already been detained, and plans for a

staged economic collapse in the stock market were shut down by the Quantum Financial System's automatic safeguards.

- **Furthermore, new intelligence leaks suggest that the Cabal was planning to deploy EMP (Electromagnetic Pulse) weapons over key American cities in a desperate attempt to disrupt communications and infrastructure.**
- **However, Project Odin**, which controls all global communications via the Starlink satellite system, has rendered these attacks useless. The EMP devices have already been neutralized, and the White Hats have captured the Cabal's EMP teams before they could launch their attacks. More Info on gazetteller.com
- **The NATO summit in Brussels** that took place in early September 2024 was, unbeknownst to the public, a staged event to draw out the last remnants of the deep state's military leaders. Sources reveal that key military figures from NATO-controlled countries who were still loyal to the Cabal were secretly detained during this summit.
- **These high-ranking officials were planning to orchestrate a counterattack to maintain the Cabal's military control in Europe**, but their arrest marked the final nail in the coffin for the Cabal's military capabilities.
- **As we head into late 2024**, the global stage is set for the complete destruction of the Cabal. The 50,000 elite troops are not just ready to strike—they are already executing the final phase of this operation.

F. Wars and Rumors of Wars:

- **Sat. 5 Oct. 2024: UKRAINE TRIES TO START NUCLEAR APOCALYPSE BY ATTACKING NUKE POWER PLANT** in pre-war Russia's Kursk region, reportedly with at least 4 missiles that are all shot down by air defenses just 3 MILES from power station. A secondary explosion rocks impact site, with huge blast terrifying innocent civilians nearby as baby wails and smoke engulfs area where missile brought down.
- **Tues. 1 Oct. 2024:** At least 25 Iranian missiles hit targets in Israel during the October 1 attack, The Washington Post reports. According to the publication, the rockets penetrated Israeli and allied air defense systems on Tuesday evening, hitting or exploding near at least three military and intelligence facilities. The Israeli Air Force base Nevatim in the south of the country was hit by 20 rockets. Three rockets hit the Tel Nof Air Force base near Tel Aviv. Two rocket strikes were registered near the headquarters of the Israeli intelligence service Mossad, located in Tel Aviv. Experts consulted by The Washington Post conclude that Iran's current strike on Israel was "more successful" than the one carried out in April.
- **The commander of CENTCOM**, the US military's Central Command, General Michael Kurilla, landed in Israel a short time ago. Preparations and coordination ahead of the coming Israeli strike on Iran are on the table.

G. Sat. 5 Oct. 2024 Ukraine It's Happening: Ukrainian Battalion Defects, Cracks Widen in Zelensky's Military! ...Gitmo TV

- **An entire Ukrainian battalion has abandoned the front lines**, returning to the Nikolaev region, signaling deep unrest within Ukraine's military. This courageous defection may be just the beginning as dissatisfaction grows among troops, threatening President Zelensky's grip on the war effort.
- **A Bold Rebellion: Ukrainian Soldiers Refuse to Fight:** These soldiers, forcibly conscripted into a losing battle, are making a powerful statement against Zelensky's leadership. By walking away from their posts, they challenge the very foundation of his war strategy. This act is more than a mere retreat; it's a rejection of the narrative Zelensky has pushed—one that portrays this conflict as a patriotic mission.
- **The Ukrainian Army's Crumbling Loyalty:** The rebellion of these troops highlights the growing dissatisfaction within the ranks. Many soldiers never wanted to be part of this conflict. They are not seasoned fighters but everyday citizens thrust into a war they cannot comprehend. Their defection exposes the cracks in Zelensky's control, raising urgent questions about his ability to lead a disillusioned military.
- **Expect More Defections: A Sign of Internal Collapse?** As morale continues to plummet, expect more battalions to abandon their posts. These brave souls are not betraying their country; they are prioritizing survival. If Zelensky does not heed this warning, he may face an unprecedented mass exodus that could dismantle his military strategy.
- **A Call for Change or a Precursor to Chaos?:** This defection is not just a sign of a failing war effort but a possible catalyst for change. The soldiers' choice to walk away could spark a movement toward peace, urging negotiations to end the violence that has claimed too many lives. However, if chaos ensues within the ranks, it could unravel any remaining cohesion in Zelensky's army.
- **Conclusion: A Battle for Control and Belief:** This defection signifies a critical turning point in the conflict. The Ukrainian military is beginning to turn on its own leaders, questioning their motives and commitment. The future of Ukraine hangs in the balance, fought not only on the battlefield but within the hearts of its soldiers. As dissent grows, will this lead to a peaceful resolution or a deeper descent into chaos? The world watches, and the stakes have never been higher.

H. The Real News for Sat. 5 Oct. 2024: Hurricane Helene Disaster: As far as I know and as of this writing on Sat. 5 Oct. 2024 (eight days after Helene hit North Carolina) government authorities were still grounding both Military Helicopters and private planes and wouldn't give them an ok to fly into North Carolina Disaster Areas with supplies and to rescue victims. - **Sat. 5 Oct. 2024 A SpaceX engineer helping on the ground in North Carolina:** FEMA is not merely failing to adequately help people in trouble, but is actively blocking citizens who try to help! "Hey Elon, update here on site of Asheville, NC. We have powered up two large operating bases for choppers to deliver goods into hands. We've deployed 300+ starlinks and outpour is it has saved many lives. The big issue is FEMA is actively blocking shipments and seizing goods and services locally and locking them away to state they are their own. It's very real and scary how much they have taken control to stop people helping. We are blocked now on the shipments of new starlinks coming in until we get an escort from the fire dept. but that may not be enough."
<https://x.com/elonmusk/status/1842246865234128978?s=46>
- **On Fri. 5 Oct. 2024 FEMA turned back anyone trying to take supplies to the Helene victims.** The situation is. Dry dangerous as there is not room to turn trucks and trailers around making them back down steep winding narrow roads. One man from Charleston spent over \$2000 in fuel driving around all day trying various areas to take supplies and was turned back at every road leading into a disaster zone. He had to take all supplies back to Charleston. The farmers I am working with had to return with supplies as well and are very frustrated. They are no longer accepting donations until they know they will be allowed to deliver. Meanwhile they continue calling different locations all day checking status to know when they can make more trips.
- **My preacher friend and his daughter** headed out early this morning with supply trailer in tow to a church they are praying they can actually arrive without being turned back and drop off supplies at that church then go to several other churches for more drop offs. I'll let you know how their trip goes. Pray for safety for these brave souls and those in need.

- **It is called State Sovereignty.** Something that is preserved under Common Law. All you have to do is read the 10th Amendment. Which clearly have outlines & bylines as to how assistance is rendered to disaster zones. FEMA is supposed to operate in accordance with the state. Not becoming the central authority that override local authorities on all things considered safe & effective. State Rights do not erode under crisis or disaster scenarios where the federal government can operate with impunity and dictate how assistance is

mandated while also hindering those efforts at the same time without that State also having the right to prevent overhead & overreach from imposing and exerting unauthorized authority to the detriment of said areas. FEMA is in a pressure cooker at this time as the world is now realizing they are the sole party preventing aid from reaching the citizens of North Carolina. Now that Elon Musk has posted about how difficult it has become to implement Starlink to help bolster communications to millions of people it will become even more obvious at tomorrow's rally. We are in the thick of this situation with things becoming clearer earmuffs that we have a domestic terrorist organization posing as a agency who presents itself as the altruistic authority with conditions that if not met decides the fate of whether or not you deserve to live or die.

I. Sat. 5 Oct. 2024 Florida Keys: I was able to coordinate several trucks full of supplies to be brought down to the EOC in Marathon. I was privy to the EOC meeting, BUT was informed in that meeting, that all of the semi trucks full of food, water and hygiene supplies were to be turned around and not allowed to be offloaded for distribution by the EOC.

...Mystery Jones on Telegram

- **THE REASON they gave us,** was that these donations were not from companies on their "preferred vendors list" and that they would not accept them or give them to the

residents of the keys impacted by the storm. It was at that point that I realized, this is ALL ABOUT MONEY.

- **These 'preferred vendors'** are getting part of the money being released by the state and federal govt for each disaster. In turn, some of the "vendors" make it on the list because a friend gets them on the list, and in return for getting ridiculously outlandish amounts of compensation for the services they render, they give kickbacks.
- **So accepting outside donations**, even though they are on location and can help people NOW, they would rather let people suffer so they can get their kickbacks.
- **This meeting solidified my resolve to help these people**, regardless of what the greedy officials wanted, we were going to feed the lower keys that were being neglected.
- **I diverted ALL SEMI TRUCKS to the Faro Blanco Resort** in Marathon and filled the entire first floor with pallets upon pallets of food, water and essential supplies and created a food pantry for residents to come and get anything, and however much they needed.
- **From local state troopers to the homeless**, all were given wheel barrels and free reign to get anything they needed.
- **We also delivered supplies down to Big Pine Key.** We helped establish the tent city on Big Pine Key. Big companies like Titos Vodka and Whelen just kept bringing trucks full of everything that was needed. When FEMA FINALLY started handing out boxes of canned goods (limited to one per household), we were filing cars full of food and supplies for people and pets.
- **There is so much more to the story in the Keys** and further from there in other storms we worked- the common theme though, is that the federal government always tries to keep citizens from helping and the local authorities, the ones that live and work in the area are always happy to have outside help.
- **I call out to Elon Musk** and anyone else who can monetarily help people like myself and those that work with me, who have the knowledge and the will to help those devastated by these disasters.
- **Help us side step the red tape** and get the people the relief they need. We are willing, and we are many, and we are ready.
- **Fri. 4 Oct. 2024 General Flynn:** North Carolina is a War Zone! “They’re finding children with ropes on their arms and legs where they were tied to trees by their parents, and their parents are now dead.” keeping them safe from the floods. Groups of illegal aliens looting and raping children. *****Calling all Patriots Hurricane Helene Donations and Help Needed:**

In the Hurricane Helene destruction areas private citizens are making brand new roads themselves to get people out and supplies in as the government was doing nothing and actually preventing aid. Residents report no sign of FEMA, Red Cross or government people helping. Victims are banding together to do it themselves, and could use your help.

Judy Note: I personally would not donate to FEMA or the Red Cross because they are known not to use the money for the purpose it was intended. This is why it is SO important to donate to a local church or to an individual family, or small business. You will know where your help is actually going and that it's actually getting there. Make a direct impact if at all possible.

- **Sat. 5 Oct. 2024:** Diddy's bodyguard claims that his arrest goes beyond just him, implicating all the politicians in New York City, including Mayor Adams, whose house was raided along with those of other officials. He also suggests that the wave of resignations within the city is linked to the Diddy investigation.
- **Sat. 5 Oct. 2024:** **Revealed! Diddy and Epstein Used the Getty Museum's Underground Bunkers for Human Trafficking and Sex Parties!** The revelations about Diddy's involvement in human trafficking and exploitation are more horrifying than initially suspected. New information paints Diddy not only as an enabler but as a key orchestrator of a network disturbingly similar to Jeffrey Epstein's operations. Leaked documents indicate that Diddy kept detailed video footage of these horrific acts—used to blackmail both victims and participants. According to sources, IV fluids were administered after these parties to help victims recover, a chilling echo of Epstein's

methods. The elite's days of hiding behind their wealth and influence are numbered. The truth will come crashing down on them.

- **A new app reveals how Mark Zuckerberg's Meta smart glasses** could become a tool for child traffickers, allowing them to scan anyone on the street and instantly access personal information like home addresses through facial recognition. This technology could be misused by traffickers to monitor children in public spaces, track their movements, and plan abductions with disturbing precision. With the ability to identify and follow children unnoticed, pedophiles and traffickers would have unprecedented access to their targets. Is anyone really shocked that Zuckerberg is paving the way for this dangerous misuse?

M. Satan Worshipping Illuminati Zionist Deep State Cabal Globalist Depopulation Agenda 2030:

- **Sat. 5 Oct. 2024:** China emits more CO2 than the entire developed world combined—approving the equivalent of two new coal plants every week. Why don't Al Gore, John Kerry, Bill Gates, Greta Thunberg or the rest of the totalitarian climate cult ever mention that? Instead they talk about shutting down agriculture, ending meat consumption, banning non-electric vehicles and forcing you to eat insects. Because—since all human activity, including breathing, results in CO2 emissions—the "CO2 is pollution" narrative a merely a pretext to control, regulate and micromanage every intricate detail of your life. It's not really about controlling the environment—it's about controlling YOU.

N. JFK and his brother Joe were kidnapped from Libya as children when their father, Prince Kahlooni was savagely beheaded by the Satanic Sanussi Family. The Kennedys are a Satanic Illuminati Family. So John and Joe Kahlooni, of the bloodline of Jesus and Mary Magdalene were literally raised in Satan's lair. What a greater feat than for the Satanic Elites to think they could manipulate JFK into executing their new world plans. But JFK and Joe knew who they were. They knew their bloodline and their purpose. They were to take down the Devil that controlled this World and truth be told, some of those demons were in the Kennedy Family.

O. P. Sat. 5 Oct. 2024 The Shocking Truth Behind The NESARA Act and The Global Currency Reset: NESARA Act, GCR, Federal Reserve, IRS, Rothschild bankers, White House siege, Bill Clinton, President Donald Trump and GESARA! ...The 17th Letter (JFK Jr.) on Telegram

- **In a groundbreaking stand against financial tyranny**, American farmers took on the illegal land seizures orchestrated by banks, sparking a Supreme Court ruling that exposed a deep-seated web of corruption dating back to the early 20th century. This article explores the dramatic journey of the NESARA Act, a law aimed at restoring stolen funds to the people but met with fierce resistance from the upper echelons of power.
- **The NESARA Act** stands as one of the most audacious and intriguing stories in American history. It's a tale of grassroots defiance against powerful financial institutions, shadowy operations in the highest government corridors, and ultimately, betrayal by the country's top leadership.
- **The Farmers Union Case:** The Start of the Injustice The saga began with the Farmers Union, a collective of determined agriculturalists whose land was being unlawfully confiscated by banks. These financial institutions, bolstered by unchecked power, were wreaking havoc on farmers' livelihoods. The fight for justice led to years of legal battles, culminating in a groundbreaking decision by the U.S. Supreme Court.
- **The Court's ruling uncovered a vast network of corruption**, revealing how the privately controlled Federal Reserve and the IRS, under the influence of the Rothschild banking dynasty, had been draining resources from the American populace for decades.
- **The Hope for Justice:** NESARA's Promise Following this shocking revelation, hope arrived in the form of the NESARA Act. The law was conceived as a means to correct past wrongs, pledging to return stolen wealth to its rightful owners: the American people.

- **However, NESARA's journey was riddled with obstacles.** Even with the Supreme Court's backing, President Bill Clinton, indebted to elite interests, ignored NESARA's call for restitution. His reluctance to act was a stark reminder of the grip financial elites held over the nation's political machinery.
- **A Moment of Reckoning:** The White House Showdown On October 10, 2000, in an unprecedented act of defiance, elite operatives from the Naval Seals and Delta Force, under orders from brave military generals, stormed the White House. Their mission: to force Clinton to sign NESARA into law, by any means necessary. The tension reached a boiling point, with Secret Service and White House security standing down, powerless to prevent history from unfolding.
- **Clinton signed the document**, but the victory was fleeting. His signature, instead of ushering in an era of justice, became a hollow symbol of unfulfilled promises. The law was never enforced, and NESARA, meant to change the destiny of America, was effectively abandoned.
- **Clinton's Betrayal and Presidential Apathy:** Clinton's betrayal set the tone for his successors, who, similarly ensnared by the same web of corruption, failed to act on NESARA. Each new president followed Clinton's path, leaving the American people under continued financial oppression, their demands for justice met with silence.
- **Trump and GESARA:** A New Hope Emerges When hope seemed lost, Donald J. Trump appeared as an unexpected advocate. Known for his unconventional approach and disregard for political norms, Trump reignited the possibility of NESARA. Taking things a step further, he introduced GESARA, a global extension of NESARA aimed at providing financial liberation to countries worldwide.
- **Trump's bold move sent shockwaves through the global elite.** While many viewed it as a risky gamble, Trump pressed on with determination, taking on the powerful interests that had long held the world in their grasp. His actions offered a renewed sense of hope for a future free from financial tyranny, as the struggle for justice and liberation reached beyond American borders.

Q. Sat. 5 Oct. 2024: MASSIVE! Trump's Secret Meetings with Global Leaders to Launch GESARA and the Biggest Wealth Transfer in History! ...John F. Kennedy Jr. on Telegram

- **As the Global Economic Security and Reformation Act (GESARA)** edges closer to becoming a reality, the promise of the greatest wealth transfer in history is setting the stage for a transformation unlike any other. A global metamorphosis is on the horizon, fueled by sophisticated strategies and bold maneuvers.
- **Trump's Pivotal Role in GESARA's Implementation:** Donald Trump, leveraging his post-presidency influence, is at the forefront of this global movement. His role transcends national politics—he's positioning himself as a key figure in restoring economic power to the people.
- **Recent engagements with leaders from nations** such as the UK, Japan, and Saudi Arabia point to a deeper agenda: aligning global powers with GESARA's principles. Though disguised as trade negotiations, these talks are aimed at ensuring international cooperation for wealth redistribution.
- **Strategic Financial Reforms and Technology Upgrades:** Financial systems worldwide are being covertly overhauled to accommodate the new Quantum Financial System

(QFS), which promises transparent, instantaneous financial transactions globally. This system, rumored to use advanced blockchain technology with quantum resistance, will protect financial assets from corruption and technological threats. In parallel, central banks are recalibrating reserves to align with new standards under GESARA.

- **Massive Military Coordination for Asset Protection:** There is a significant uptick in military activity across key strategic locations. The U.S., in collaboration with NATO, has initiated movements near major financial centers and critical infrastructure locations. These deployments are safeguarding the physical and digital assets destined for redistribution and deterring any attempts by the old guard to obstruct the wealth transfer.
- **Infrastructure Overhauls for Public Wealth Distribution Centers:** Globally, new infrastructure is being built, ostensibly as modernization projects. These sites will soon serve as distribution centers for direct deposits, facilitated by the new financial system, ensuring that the wealth transfer is efficient and transparent.
- **Legislative Frameworks Being Adjusted Worldwide:** In the U.S., lawmakers "in the know" are drafting legislation to support GESARA's rollout. This includes abolishing income tax and introducing a more equitable sales tax model, as well as ensuring all debts are forgiven. Similar legislative activities are happening in other GESARA-compliant countries, setting the stage for a unified global shift.
- **Trump's Advocacy for Media Transparency and Education:** Trump has been vocal about the need for media transparency and overhauling the education system to support GESARA's principles. He advocates for a curriculum focused on financial literacy, teaching about the new economic systems and technologies that GESARA will introduce.
- **Global Media Networks Preparation for The Disclosure Day:** Behind the scenes, major global media networks are preparing for The Disclosure Day — a synchronized global broadcast utilizing the EBS to explain GESARA, the wealth transfer, and the new economic system. This broadcast will reach billions, ensuring everyone understands and embraces the changes.
- **The world is on the brink of an economic renaissance**—a revolution that will redistribute wealth and reshape society in ways we are only beginning to understand. With strategic military deployments, legislative changes, and global alliances, the stage is set for a future where balance and justice are restored to the world's economic systems.

The Vatican Underground- Cleared

The Dulce Base- Underground Cleared

The Area 51 Underground Base- Cleared

Orion Group ☐ (Defeated)

Ciakharr Group ☐ (Defeated)

Killy Tokurt Group □ (Defeated)

- **The CIA is connected to the Killy Tokurt Ops.** They are the one who specialize in soul scalping. This is how our government leaders were replaced. Removing the light body & soul and replacing it with a physical vessel void of any connection to source.
- **Sherry Shriner covered this in many videos/audios.** Megan Rose spoke about this in one of her books. Corey Goode is also another source who spoke on the caste system of the Ciakharr who are the top elite in their race.
- **Remember when I mentioned** that people were not ready once they found out who have been eating the children? Guess what was the capitol for the "Child Sex Trafficking" breeding hub?
- **The Vatican:** Do you remember the story or report that came out in July of 2019 where thousands of bones were unearthed in two ossuaries discovered in the Vatican City, as part of an ongoing search for clues into the disappearance of a 15-year-old girl more than three decades ago in 1983?
- **Do you remember the mass grave** full of baby bones found along the shores of Israel's Mediterranean coast, in the ancient seaport of Ashkelon in 2014?
- **Do you remember An Indigenous group** said the remains of as many as 751 people, mainly children, had been found in unmarked graves on the site of a former boarding school in Saskatchewan?
- **As a matter of fact that was a 2,300 page document** that leaked that verified Pope Francis' cover up of a Vatican Pedophile Ring. Did you know 20 Chilean Priests who went public on their connection to that very same Pedophile Ring, were killed in a plane crash right after their meeting with Pope Francis?
- **Back on July 20 2014** the International Common Law Court of Justice in Brussels found defendants Pope Francis Bergoglio, Catholic Jesuit Superior General Adolfo Pachon and Archbishop of Canterbury Justin Welby guilty of rape, torture, murder and the trafficking of children. (Nothing Is Happening?)
- **I highly doubt it.**
- **Two adolescent women told the ICLCJ Court that Pope Francis raped** them while participating in child sacrifices during the Springs of 2009 and 2010 in rural Holland and Belgium. According to a former employee of the Curia in Rome, rapes and murders of children also took place at the Carnarvon Castle in Wales and an undisclosed French Chateau.
- **A Prosecutor introduced notarized affidavits** by eight others claiming to witness these same crimes organized by the Vatican. Another witness testified that they were present during meetings with the then Argentine priest and Bishop Francis and the military Junta during Argentina's 1970's Dirty War.
- **According to the witness,** Francis helped traffic 30,000 children of missing political prisoners into the Vatican Pedophile Ring.
- **Do you know why this has taken so long?** If you knew how vast these underground tunnels are you would understand why certain EOs signed by D. Trump kept getting extensions.
- **The Military at some point** will disclose the battles that went underground. The weapons used. The strategies used. The entries/exits used. The medical technology used. The portals/gateways that were used.

- **You got a glimpse of this during the fight** that went on underground with the Phil Schneider lectures that still can be found on YouTube about the Dulce extraterrestrial confrontation that resulted in lives being lost and him being scarred from it.
- **People are only looking at the human aspect of this process.** They are not looking at this as governments officials serving a unknown species that want world dominion who is an entire different secret government whose base are in these DUMBS-(Deep Underground Military Bases) who control all of our 3 letter agencies who are middlemen/conduits who these covert species use to control Washington.

S. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

T. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

U. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. W. Judy Note: Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com
