on hand for yourself, your family and to share with others in case of emergency.*

[How Great Thou Art \(youtube.com\)](https://www.youtube.com/watch?v=...)

O Lord my God, when I in awesome wonder
Consider all the worlds Thy hands have made

I see the stars, I hear the rolling thunder
Thy power throughout the universe displayed

Then sings my soul, my Savior God, to Thee
How great Thou art, how great Thou art
Then sings my soul, my Savior God, to Thee
How great Thou art, how great Thou art!

When through the woods, and forest glades I wander
And hear the birds sing sweetly in the trees
When I look down, from lofty mountain grandeur
And see the brook, and feel the gentle breeze

And when I think, that God, His Son not sparing
Sent Him to die, I scarce can take it in
That on the Cross, my burden gladly bearing
He bled and died to take away my sin

When Christ shall come, with shout of acclamation
And take me home, what joy shall fill my heart
Then I shall bow, in humble adoration
And then proclaim: "My God, how great Thou art!"

Judy Note: *It's another Holocaust done by our own US Inc.'s Cabal FEMA, who's goal appeared to be in line with the New World Order Agenda 2030 of depopulating the planet. FEMA was a federal agency which was weaponized during the 2nd term of Obama – who turned it into an international terrorist operation.*

FEMA's gunmen have already been accused of murdering people in Florida and Puerto Rico as they tried to evacuate from hurricanes. A year ago in Aug. 2023 FEMA gunned down victims during the DEW attack fires of Maui. The White Hat Military Alliance had an out-and-out shootout with FEMA employees during that disaster. [Adults & Children Burned Alive As FEMA, Maui Cops Blocked Escape Routes | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)

*Now of great concern was that Category 1 HAARP manmade Hurricane Milton was due to devastate Mexico and the Florida coast on **Tues 8 Oct.** Mandated evacuation orders have been sent out in Florida.*

Hard to believe? Take a look at FEMA's recent actions: FEMA didn't arrive for a week after Hurricane Helene hit in North Carolina, and then not only neglected to begin saving the thousands of stranded victims left without food or water for a week, but confiscated donations, refused delivery of critical supplies, arrested or threatened to arrest people wanting to help and who were making rescues on their own.

Since then FEMA has not allowed both Military Helicopters and private planes to fly into North Carolina Disaster Areas with supplies and to rescue victims, plus they have sabotaged Disaster Relief such as enforcing a Federal Blockade on Elon Musk's Starlink Aid shipments to North Carolina.

Now FEMA has ceased all relief operations and is seizing supplies and donations from citizens trying to assist Hurricane Helene victims across various states, causing growing alarm and unrest.

Here's what North Carolina residents were being told about Hurricane Helene: "Chimney Rock has been told that their entire town is federal property now. There are dead bodies that are lying in the water. There are dead bodies that are lying under trees and in debris, and they can't get to their family members. They can't even go back to their home." [Breaking News! NC People Are Beating Up the Government!!! \(Video\) | Alternative | Before It's News \(beforeitsnews.com\)](#)

Most concerning was that the chaos and confusion created the ideal conditions for Child Traffickers to operate – as happened in Maui. People reported seeing unmarked vans in the disaster areas, taking children away in the dead of night. These are reports coming from the very ground FEMA claimed to be helping. Children were disappearing, and FEMA was doing nothing. Why? Because it's complicity. FEMA was part of the Cabal machinery that allowed these crimes to happen. They're not just failing to stop it; they're enabling it. [BREAKING! Hurricane Helene Cover-Up Exposed: FEMA Camps Operational, Unmarked Vans Kidnapping Kids at Night, Government Refuses Aid While Blocking Volunteers, Leaving Victims to Suffer!— HAARP Triggered the Disaster! - Gazetteller](#)

The federal government has said that that land and all of those bodies are now federal property. Evidently the federal government didn't want to identify any of the bodies. They planned to bulldoze over it and not even count how many people were dead because of this so-called "natural disaster," if you call it that. There was a pastor that was going door to door handing out water, and the request changed from water to body bags. They need body bags, and the feds aren't picking up the bodies. They're literally leaving them to rot." <https://x.com/wallstreetapes> <https://t.me/FreedomForceBattalion>

On 8 May 2003 US Patent US 2003/0085296 was granted: The patent verifies that Hurricanes, Tornadoes and heavy rain can be formed and directed toward certain areas of the country through Cloud Seeding and Sound Wave applications. Residents of North Carolina maintain that during Hurricane Helene planes were observed Cloud Seeding over the area.

To top it off, illegal immigrants (who were being set up to illegally vote Democrat in the next election) were getting free food, cell phones, housing and \$3,500 debit cards out of taxpayer monies sent to FEMA. Such depleted the FEMA budget to 0 so nothing was left for disaster victims.

Meanwhile, the Biden/Harris US Inc. government's meager \$750.00 handout to victims of Hurricane Helene has been set up so that if victims don't pay back the \$750 to FEMA within a certain amount of time, they would lose their homes and properties. It's a land grab by FEMA and the Biden/Harris Administration.

Kamala Harris's husband, Douglas Emhoff was set to profit from Hurricane Helene due to his investments in Albemarle Lithium Mines in North Carolina. **On 24 Sept. 2024** Kamala was successful in getting her husband permits for the Albemarle Lithium Mine to start mining immediately. Emhoff's retirement accounts are also deeply tied to major Cabal funds like BlackRock and Vanguard. BlackRock Owns The Lithium In Chimney Rock/Lake Lure, NC <https://www.citizen-times.com/story/news/2024/10/05/chimney-rock-before-and-after-photos-of-western-nc-post-helene/75514776007/>

The scenarios were reminiscent of (manmade?) August 2005 Hurricane Katrina that caused over 1,392 fatalities (the real number is not known), and the August 2023 Maui and 2018 Paradise California Direct Energy Weapon fires that left bodies everywhere, even in vehicles trying to escape. In all four disasters FEMA didn't appear to be there to supply aid and give help and comfort to the victims, but seemed to have a sole mission to take advantage of victims, clean up their bodies and dispose of them so a real count of the dead couldn't be made, steal from their ravaged properties and later, take possession of their land.

In Paradise 50,000 died, not the 100 reported by the Mainstream Media. In Maui 2,700+ structures were destroyed, 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, with 3,100 still displaced over a year later. The complicit-to-goals of the Cabal Mainstream Media hasn't reported on any of that.

The only difference between the 2023 Maui DEW fires and last week's North Carolina Helene Hurricane disaster was that FEMA arrived in Maui a few days BEFORE the fires started, while FEMA arrived in North Carolina a whole week AFTER Hurricane Helene landed. A little suspicious either way for what was supposed to be a federal disaster relief agency, don't you think?

Now Patriots were fighting back. Sheriff Tripp Kester of Davidson County NC was calling for local citizens to form militias to protect the Constitution. "It's getting real, y'all. Like I've been saying: We approach shit a bit different down here. They picked the wrong state to bully."

The Northern Militia was set up on the back side of a North Carolina mountain with sniper teams. They have already taken out some of the Biden/Harris Administration US Inc. FEMA people. The Texas Militia was on their way. We'd better do something: Next week two major (possibly manmade) hurricanes were headed for land – one going into Mexico and Florida, the other was headed to the UK.

On Sun. 6 Oct. the National Hurricane Center forecast Hurricane Milton to make landfall around the Tampa metro as a Category 1 hurricane. The flooding was predicted to be catastrophic. Many people in FL still haven't received new roofs after Hurricane Ian. To add to worries, citizens insurance was insolvent.

Milton could wipe out the SW Florida coast, yet last week the Biden/Harris Administration announced that there was no money for future disasters (they had spent it all on illegal immigrants). <https://x.com/lauraloomer/status/1842768833464934572?s=46>

*****Calling all Patriots Hurricanes Helene and Milton Donations and Help Needed:**

In the Hurricane Helene destruction areas private citizens are making brand new roads themselves to get people out and supplies in as the government was doing nothing and actually preventing aid. Residents report no sign of FEMA, Red Cross or government people helping. Victims are banding together to do it themselves, and could use your help.

The same was expected when Category 1 Hurricane Milton hit Tampa Florida. Right now rescue boats were needed. If you can respond text Larry Walker United Cajan Navy: 1-850-582-2707

Judy Note: I personally would not donate to FEMA or the Red Cross because they are known not to use the money for the purpose it was intended. This is why it is SO important to donate to a local church or to an individual family, or small business. You will know where your help is actually going and that it's actually getting there. Make a direct impact if at all possible.

The warrants released on Friday made it clear six individuals, all Libyan nationals, had been charged with war crimes including murder, torture, cruel treatment and sexual violence, and some also with rape. According to the ICC the suspects in the six arrest warrants were all members of the Kaniyat militia that was allied to the eastern Libyan National Army and helped it mount a failed 14-month assault on the capital Tripoli in the west.

- **Sun. 6 Oct. 2024 Thread: Eyes On the Children in the Carolinas:** If you're currently in the Carolinas operating on the ground, or impacted by the disaster, you must be Eyes Wide Open both w/ your children, and any orphaned children, in the affected zones. Alejandro Mayorkas @AliMayorkas Kamala Harris @KamalaHarris have presided over the disappearance of more than 300,000 children from the Borders they purposefully opened, and have been caught cooperating w/ cartels and flying violent migrants deep into American inner cities. They are complicit in purposeful kidnapping of migrant children and women, using federal agencies to assist in this criminality. Under Mayorkas and Kamala, perverts and turncoats inside once-storied organizations like FEMA @fema constitute a clear and present threat to our bodily persons as Americans protected by the Bill of Rights, as well as our now-refugee-children in the affected areas.

1. **Do not surrender children in your care and guard**, whether custodial or not, to the custody of federal agents/government representatives, until said representatives are established as trustworthy.
2. **For aid workers inside federal or government agencies, record video** (on whatever available devices) of activities which constitute kidnapping or conspiracy to kidnap and immediately publish to the internet. Do not wait. Give names and locations.
3. **For volunteers, ensure you have several portable sources of batter power/charge before entering affected areas.** Get photos hourly and publish, except where prohibited by law/decency. Ensure any children you take into your care stay w/ you, or are assigned a trustworthy chaperone, until their parents/guardians are found or declared deceased. Keep contemporaneous notes of locations, names of people/any minors w/ you, and record a video-log each day. Immediately forward such videos to trusted family/friends and consider publishing.
4. **Basics First — Ensure children in your care do not wander**, or have dangerous mental health disintegrations, by keeping them busy. Assign tasks at varying degrees of responsibility, w/ special care shown to younger ones. Some can help gather supplies, or watch over the injured, while others can help to babysit the extremely young, and so on. Keep them busy, and in your sight where and when possible.

Behind the public image of George H.W. Bush lies a story that has been buried for decades. This isn't just politics as usual; this is about child sex rings and blackmail at the highest levels of government. Accusations of George H.W. Bush orchestrating a child sex ring to blackmail Congress and top officials have surfaced under the names "Operation Brownstone" and "Operation Brownstar." If true, this dark operation involved luring children to Washington D.C. under false pretenses and exploiting them in the most horrifying ways imaginable. The time for silence is over. H. Sun. 6 Oct. 2024: [Shocking Investigation Reveals CIA Contractor Moved Migrant Children Across America - StatesmanPost](https://statesmanpost.com/shocking-investigation-reveals-cia-contractor-moved-migrant-children-across-america/)

- **[A shocking new investigation](#) has unveiled a disturbing reality in the United States: a CIA-linked contractor, MVM Inc.,** has been moving unaccompanied migrant children across the country, with troubling connections to labor and sex trafficking. The revelations were part of a bombshell report by investigative journalist Anthony Rubin, who exposed how the federal government has lost track of over 300,000 migrant children since the Biden administration began, with many falling into the hands of criminal organizations.

- **The report, titled "Finding the Feds' Missing Children,"** details how MVM, a contractor with deep ties to the CIA, has been tasked with transporting these vulnerable minors from government detention centers to so-called "sponsors." While the Unaccompanied Children (UC) Program is intended to reunite children with relatives or vetted guardians, the investigation found that many were instead handed over to strangers, leaving them at risk of exploitation.

- **MVM, a contractor known for its work in places like Guantanamo Bay and CIA operations in Iraq,** received multi-million-dollar contracts to escort migrant children across

America. However, the report claims that many of these children ended up in dangerous situations, with some being trafficked for labor or sex. Rubin's team tracked down children who had been lost in the system, finding them in dire conditions. One such case involved two young boys who were sent to an abandoned house in New York, with no trace of what happened to them after arrival.

- **The issue of unaccounted-for migrant children has garnered increasing attention, particularly as it comes to light that over 85,000 children are still missing after crossing the U.S. southern border under Biden's watch.** Conservative media outlets have criticized the Biden administration for failing to provide adequate oversight, accusing it of enabling a humanitarian crisis. Left-leaning outlets, on the other hand, have largely ignored the gravity of the situation.
- **Migrant children who enter the U.S. alone are often placed in detention centers before being released to sponsors.** While this system is designed to provide temporary shelter, critics argue that it lacks the necessary safeguards to protect the children. Stories from the investigation reveal how some children were taken from detention centers in the middle of the night, with no opportunity to say goodbye to their friends, and sent to unknown destinations. In one particularly chilling account, a young girl named Alexa shared how her friend, who had also been detained at a facility in Pomona, California, disappeared after being sent to a sponsor, with no word since.
- **The situation raises broader concerns about the U.S. government's handling of the migrant crisis.** The Biden administration has been criticized for its open-border policies, which many argue have exacerbated the issue. The Department of Homeland Security (DHS) admitted earlier this year that it had lost track of over 300,000 children, many of whom were released without court dates or proper follow-up. This lapse has opened the door for traffickers to exploit the system, using threats of deportation and violence to coerce children into labor or sex trafficking rings.
- **As the investigation continues to unfold, there are growing calls for Congress to take action.** Congressman Matt Gaetz (R-FL) has demanded an investigation into the federal agencies responsible for losing track of these children. He has also raised concerns about the involvement of the intelligence community, given MVM's CIA connections. Critics argue that these revelations demonstrate the federal government's inability to manage the migrant crisis, leading to widespread human rights abuses.
- **The scandal has drawn attention to the broader issue of child trafficking** in the U.S., where an already fragile system is struggling under the weight of unprecedented migration levels. With thousands of children still missing, advocates and lawmakers alike are calling for immediate reforms to protect these vulnerable minors and hold those responsible for their disappearance accountable.

I. Sun. 6 Oct. 2024 Child Trafficking Underground DUMB Tunnels ...Carolyn Bessette Kennedy on Telegram

- **The Silent War:** There was a war none of us were aware of happening deep under our feet in the "Deep Underground Military Bases" (DUMBs). They trained our soldiers to fight in

subterranean warzones in 2018. They were trained by our "Space Force". There has been so much going on that we never witnessed. They also called this the "Silent War" or "The Invisible Enemy"

- **Earthquakes were often tunnel systems and DUMBs being caved in.** Artificial Storms were created to flood the tunnels. Explosives underground is a dangerous combination, so the firefights are fierce and sporadic. It took a very special kind of training, and there is very little footage of any of the battles. For obvious reasons. This is metaphorically a battle in hell.
- **There is an hour long video trying to explain it.** It shows the maps of the known DUMBs, their entrances, and the connecting tunnels. It shows the Boring machines that were used to create them. They were able to dig 7 miles of tunnels in a single day. These tunnels stretched out across the entire world. Across oceans. They also had technology that we have never seen before, including levitating trains.
- **That part is more difficult for people to believe,** so I will allow you guys to do the research on your own and provide this video to assist with sparking your curiosity. Eugenics was heavily experimented with in the DUMBs, because it was not held to the same laws. They created creatures, they experimented on children, they abused them. Most of these children never saw the light of day.
- **Don't you remember all of the FEMA camps and tents during COVID?** Did you notice the equipment in some of them? They had humidifiers for children. They had to be accustomed to the surface, as from what I understand is that the pressure is much more intense. They have to be decompressed, or they die fairly quickly. I remember reading a story from a soldier who witnessed it and how it horrified him.
- **Anyway, done talking.** They are not above us, they are beneath us. Outer Space is a distraction. All of that money going to organizations for space exploration was funding tunnel digging among other things.

L. Sun. 6 Oct. 2024 UPDATE! Trump's Military Secretly Replacing Hospital Equipment with Med Beds Nationwide! ...Gitmo TV

- **Brace yourselves, because Trump is about to pull off the biggest maneuver in human history.** Hospitals are being dismantled as we speak, replaced by advanced Med Beds that have the power to heal any illness, reverse aging, and even tap into past life memories.
- **The Deep State is scrambling, Big Pharma is panicking,** and the medical-industrial complex is in meltdown mode because their entire house of cards is about to come crashing down.
- **You've been lied to your entire life.** The medical system, the drugs, the endless treatments—they've kept Med Beds hidden for decades, locked away for the elite while the rest of us suffer. But Trump is blowing the lid off this operation. Med Beds will be in every hospital by the end of this year.
- **Military units are moving like clockwork.** They're not asking permission—they're taking over. Under the guise of "routine maintenance," they're retrofitting hospital rooms with Med Beds. You won't hear this on the news because the media is bought by the very forces that want this tech hidden. But inside sources say Med Beds are already operational in several locations.
- **Entire hospital floors are being cleared out for this new tech.** Staff are being vetted, and those who can't be trusted are reassigned or fired. Trump's insiders have mapped out every step of this operation—a full-scale invasion of the corrupt medical system. And it's all legal, thanks to executive orders the deep state never saw coming.
- **The Med Beds aren't just for big cities**—they're being deployed in rural areas, hidden in plain sight. Mobile units disguised as delivery trucks are rolling across America, transporting Med Beds overnight. Military bases, underground bunkers, abandoned warehouses—these are the staging grounds for the revolution.
- **The Med Beds are weapons of mass liberation.** Advanced tech that can reprogram the human body at a cellular level. Imagine a world where every disease is cured in minutes, aging reversed. Big Pharma thrives on keeping us sick—but with Med Beds, that's over. Cancers gone, heart disease eradicated, dementia reversed.
- **These Med Beds don't just heal bodies—they unlock parts of our minds.** They can reveal suppressed traumas and unleash the full potential of the human brain. The elite's worst nightmare is an awakened populace, and that's what's coming.
- **This ties into Trump's master plan:** GESARA, the return to the gold standard, the collapse of the fiat system. The deep state's fake money, fake science, and fake news have kept us in fear, but Trump has been ten steps ahead. The Med Beds are the final nail in the coffin for the old order.

- **The biggest shift in human history is here**, and the elites are terrified. They can't stop the Med Beds. They can't stop the truth. This is about humanity reclaiming its destiny.
- **Get ready. The Med Beds are already here**, taking their place in hospitals and secret facilities. The light is coming, and the revolution is real. Trump is leading the charge, and the time is now.

- **Tina faithfully performed her duties as clerk** and revealed evidence of manipulation in a recent local city council election as well as the 2020 general election, through the use of the Dominion brand voting machines used in Mesa County 2020.
- **The public has this information because of Tina's brave decision** to expose the truth and utilize top qualified expert, Conan Hayes, cyber security expert with security clearances. Judge Barrett did not allow the jury to learn law regarding execution of public duty which entitles Tina to immunity in order to expose the truth and ensure that Mesa County held fair and accurate elections.

After trial, a private investigator learned that one of Tina's jurors was angry and biased and thought Tina cut her phone wires. This did not happen, nor was it ever disclosed to the court, and Tina will likely get a new trial ordered by the court of appeals. Judge Barrett denied her request for a new trial finding "no evidence of prejudice."
- **Today Tina was strong for you**, just like for the past 4 years, demonstrating strength and perseverance for your freedom.

T. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. W. Judy Note: Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the "22 Faces" re-publication release, please email me at: info22faces@yahoo.com
