Crises Can Either Pull Us Apart, Or Pull Us Together

Band Together, Stand Together, Pray Together

Judy Note: *There was proof that the government private contract agency for disasters, FEMA, ordered their agents to gun down Hurricane Helene victims – the same holocaust that FEMA Agents performed in the 2023 Maui fires. There was also indication that during Hurricane Helene (and as happened in the Maui man made DEW fires) women and children disappeared into the Cabal's international Human Trafficking Ring.*

The White Hat Global Military Alliance was trying to do something about that. We were in a war against our own government and didn't even know it.

What FEMA did in the aftermaths of Hurricane Helena in North Carolina was an act of war. *Forget relief—FEMA brought military-grade weaponry and 3,500 armed personnel. Instead of aid, they delivered body bags. FEMA not only failed to adequately help people in trouble, but actively blocked citizens who tried to help, stole disaster funds and supplies and grounded both Military Helicopters and private planes from flying supplies into disaster areas to rescue victims.*

Even now at North Carolina donation centers, unmarked Biden/Harris Administration government-owned Blackhawk Helicopters were filmed deliberately targeting, sabotaging and destroying supplies meant for the victims of Hurricane Helene.

On Tues. 8 Oct. FEMA *was quietly paying private security firms massive amounts of money to keep Floridians from returning to their homes and businesses after Hurricane Milton.*

Why? Perhaps for land grabs? *In Florida the Hurricane Milton disaster was believed created for the purpose of making Tampa into one of their Smart Cities where they would have complete control over the population. In North Carolina it was believed the Hurricane Helene disaster was created for control of three Kings Mountain mines.*

On 8 May 2003 US Patent 2003/0085296 was granted that verified *Hurricanes, Tornadoes and heavy rain could be formed and directed toward certain areas of the country through Cloud Seeding and Sound Wave applications.*

Residents of North Carolina maintained *that during Hurricane Helene planes were observed Cloud Seeding over the area. Substantial evidence showed the route that aircraft took to manipulate the path of Hurricane Helene- just as planes have been tracked Cloud Seeding over Hurricane Milton. On Sun. 6 Oct. evening Hurricane Milton, along with a plane flying above it, made a strange complete U Turn to head directly to Tampa Florida.*

On September 27, the majority of Chimney Rock North Carolina was destroyed by flooding as a result of Hurricane Helene. Two days later as residents struggled to save what they could, the Biden-Harris regime seized the tiny 2.8 square mile village of Chimney Rock under the auspices of eminent domain.

One month before the Cabal's Blackrock had acquired 2.2 million shares of stock in Kings Mountain Lithium Mine Albemarle Global. With help of Vice President Kamala Harris the US government also suddenly gave the mine \$250 million in grant money to open the mine that was full of rare precious metals used in making computer chips.

On 24 Sept. 2024 Kamala was successful in getting permits for the Albemarle Lithium Mine to start mining immediately. She had a reason for that. A major stockholder in the mine was her husband Doug Emhoff. Emhoff's retirement accounts were also deeply tied to major Cabal funds like BlackRock and Vanguard. The Kings Mountain mine was expected to make over \$250 billion.

The fake Jew Khazarian Mafia Israel owned BlackRock, Vanguard and many say had control over the whole of the US Government. It appeared that along with their Cabal cohorts, the Khazarians (who were direct descendants of Cain and practiced child sacrifice to their God Satan) had purposefully created hurricanes, fires and chaos for the purpose of taking over humanity.

While the Cabal created mega Hurricane Milton was on it's way to devastate Florida and the likely man mad Hurricane Kirk was headed straight to London, UK, the White Hat Global Alliance was targeting the Biden/Harris Administration's FEMA for their Human Trafficking, theft of disaster funds & supplies, and gunning down Hurricane Helene, Maui, Texas, California and Katrina Disaster Victims.

Yep, we as a global population, were smack dab in the middle of a War of Good Against Evil and didn't even know it.

- **The QFS**, launched into space last year, has been tested and proven. Now it's ready to roll out across the globe. Four major portals will connect the world:
- **US Portal:** Connected with Canada, America, and all of South America. The US Note (USN) will serve as the main entry for these nations.

- **UK Portal:** Covers England, Scotland, Ireland, and Wales, linked with a Sterling Token.
- **Asia-Africa-Australia Portal:** Links India, Pakistan, Africa, New Zealand, Australia, and the rest of Asia.

- **Why do you think they're suppressing gold and silver?** Because they fear what comes next. The US Dollar and Euro are now worthless, artificially propped up to prevent chaos. But the collapse is imminent, and the transformation is already happening.
- **BRICS nations** (Brazil, Russia, India, China, South Africa) activated their portals just two days ago. The deep state is losing control, and the truth is about to shine.

E. Tues. 8 Oct. 2024 The Great American Borrowing Crisis: A Ticking Time Bomb

...NESARA/GESARA on Telegram

- **In a jaw-dropping move, the U.S. government has borrowed a staggering \$382 billion** in just five days. This isn't just a number; it's a flashing red light signaling an impending fiscal disaster. The average American family is already feeling the pinch of skyrocketing prices, and this reckless borrowing spree could soon turn into a national catastrophe.

Let's dissect what this means:

- **1. A Dangerous Path:** The government is now borrowing nearly \$5 billion daily. Do we understand the gravity of this? With the deficit projected to reach \$2 trillion by the end of FY 2024, our fiscal house is crumbling. The debt ceiling is a joke, and Congress plays with fire while the middle class bears the burden.
- **2. Interest Rates & Inflation:** Rising interest rates are choking our economy, pushing borrowing costs to unsustainable levels. We're not just talking about dollars; we're talking about life savings, retirement funds, and the very fabric of our society. As interest payments eclipse the defense budget, where does that leave us?
- **3. The Coming Reckoning:** The real horror? Unfunded liabilities for Social Security and Medicare could push the national debt to a jaw-dropping \$156 trillion. Imagine a world where retirees face drastic cuts to their benefits because our leaders failed to act decisively. This is not a future we can accept.
- **4. Shift to Gold and Silver:** In times of economic chaos, precious metals become a lifeline. As trust in fiat currency diminishes, we're witnessing a seismic shift towards gold and silver as safe havens. It's time to wake up and invest wisely before it's too late.

- **Conclusion:** The borrowing binge is a desperate attempt to maintain a facade of stability, but it's nothing more than a house of cards poised to collapse. We must demand accountability and real solutions. The future of our economy depends on it.

F. Tues. 8 Oct. 2024 Update on FEMA, Hurricanes:

- **Tues. 8 Oct. 2024: FEMA is secretly holding onto \$7. Billion dollars in FEMA Funds.** The DHS Inspector General Joseph Cuffari found that as of October 2022, FEMA had \$8.3 billion in un-liquidated funds meant to relieve declared disasters from 2012 or earlier. More than \$7 billion of that “could potentially be returned to the Disaster Relief Fund.” Why are they sitting in billions of dollars? <https://nypost.com/2024/10/07/us-news/watchdog-found-7b-in-untapped-fema-funds-even-though-dhs-secretary-mayorkas-said-none-available-for-future-disasters/>
- **Tues. 8 Oct. 2024:** FEMA is quietly paying private security firms massive amounts of money to keep Floridians from returning to their homes and businesses after a hurricane. The evacuation orders are more than just precautionary—they're part of a larger plan to lock people out of the state. Delta Force is advising FEMA, preparing enforcement tactics that could involve force if necessary. With tensions expected to rise as displaced residents try to return, FEMA is said to be scrambling to get enough armed personnel on the ground.
- **Tues. 8 Oct. 2024 Slip from FEMA Director – We plan to execute between 70 to 80,000 people:** <https://beforeitsnews.com/awakening-start-here/2024/10/slip-of-the-tongue-from-fema-director-we-plan-to-execute-between-70-to-80000-people-20611.html>
- **Tues. 8 Oct. 2024:** Unbelievable! A woman from Western North Carolina and everyone she knows, including herself, has been denied the \$750 FEMA check. Why is FEMA denying people who are in need? This is insane! **Judy Note:** It was likely because she didn't own land. Those who accepted the check were forced to sign a document that obligated them to pay the \$750 back within a year or they forfeited their land to FEMA.
- **Tues. 8 Oct. 2024: [BREAKING NEWS: WHITE HATS AND RED HATS DECLARE WAR AGAINST FEMA AND FBI IN NORTH CAROLINA—THE UPRISING AGAINST THE FEDERAL GOVERNMENT BEGINS! VIDEO - amg-news.com - American Media Group](#)**
- **Mon. 7 Oct. 2024 North Carolina:** I've seen a second incident of a Helo flying too low over a distribution area on purpose. This is a totally different scene/location than the 1st one I posted in which 3 workers were hurt/hospital and goods, property and vehicles/RVs were damaged to the tune of \$100K.
- **Tues. 8 Oct. 2024:** North Carolina State Representatives and Senators were briefed on weather modification technology and have concluded that this was not a natural event.

G. Tues. 8 Oct. 2024 FEMA EXPOSED: FEMA's Coming for Your Guns and Stockpiles! It's Time to Fight Back Against the Government's Outrageous Overreach! ...Gitmo TV

- **FEMA is at your doorstep, ready to seize your guns and strip you of your survival stockpiles!** They want control over your life, your rights, and your future. Wake up to the truth behind this massive overreach and fight back before it's too late!
- **They've crossed the line.** Under the guise of “emergency relief,” FEMA is not just here to help—they're here to take what's rightfully yours. Your guns, your food, your water, your medicine—everything you've worked so hard to protect. This isn't paranoia. This is the reality unfolding before our eyes. The government is using FEMA as a weapon to disarm you and leave you vulnerable.
- **They want you dependent on their control, but here's the truth**—they fear your self-sufficiency. Every can of food, every bottle of water you've stockpiled, they want it all under martial law. And if they declare it? You lose everything. They can come into your home, strip your shelves, and leave you defenseless. This is documented reality—this has happened before, and now it's happening again.
- **The government's real agenda? Total control.** They don't want a nation of self-reliant citizens, they want you desperate, waiting in line for their handouts. When FEMA takes your supplies, they're making sure you're left with nothing but dependence.
- **Think your neighbor was crazy for prepping? Think again.** That same neighbor is now the smartest person on your block. Their stash of food and water is more valuable than gold, and FEMA knows it. They don't want you prepared—they want you compliant. They want to break your ability to survive without them.
- **But it doesn't have to be this way.** Protect your stockpile. Hide it. Don't let them take everything you've prepared for. Play smart, stay low. Do not resist openly—let them think they've taken what they want while you secure your real stash.
- **This isn't a conspiracy**—it's a war for your rights and your survival. FEMA isn't coming to help. They're coming to control you, and once they have you in their grip, it's over.
- **Stand your ground.** Defend what's yours. This is a fight for freedom, for everything you hold dear.

H. Tues. 8 Oct. 2024 FEMA IS PURE EVIL.

- **The TRUTH is that FEMA** is really the REAL “Government” and the Federal Government officials we see are just puppets.
- **The idea that FEMA** is there to help during disasters is a FACADE.
- **You know that PATHETIC \$750 payment** that citizens affected by Helene are getting? Well, first they have to sign an agreement, and in the very fine print it says that IF that \$750 LOAN, that's right...LOAN is NOT paid back in a years time that the Federal Government can come and seize ALL of that individuals property.
- **FEMA is actively BLOCKING** Americans from helping their neighbors that have been affected greatly by Hurricane Helene.

- **They are also STOPPING people** who have attempted to offer aid, seizing funds/supplies intended to go to the victims, and even WORSE...Purposefully allocating those funds to bring ILLEGAL IMMIGRANTS into the United States to REPLACE US.
- **There are TENS OF THOUSANDS** of people who need assistance desperately in the mountains of North Carolina & are being LEFT FOR DEAD.
- **COUNTLESS others** have already sadly LOST THEIR LIVES because of INTENTIONAL malfeasance, incompetence, and inaction from the Biden/Harris administration.
- **FEMA should be designated as a TERRORIST** organization because of the way that it is handling this.
- **Look up REX 84, a classified exercise where the Govt.** could detain large numbers of American citizens deemed to be a “national security threat.”
- **That is why FEMA falls under the banner** of the Department of Homeland Security, which was birthed by George W. Bush after 9/11 alongside the Patriot Act, and the MASSIVE 4th Amendment violation that is the TSA.
- **Since creation in 1979 FEMA** has been operating in the shadows, involved in MASSIVE land seizures.
- **OG truth seekers will be keenly aware of the “FEMA Camps”** that were rumored to be built during the Obama Administration. Many of these facilities are repurposed Walmarts.
- **The purpose of FEMA is to set up a country-wide prison state** control grid to IMPRISON & DETAIN dissidents as we get closer to the New World Order take over of the United States.
- **All of the above are designed to ILLEGALLY** surveil, censor, and subjugate American citizens.
- **If you notice, FEMA hasn’t done a damn thing** to actually HELP Americans in time of great need like Maui, Texas & now Helene.
- **FEMA is also facilitating the LARGEST human trafficking** operation via the wide open border.
- **OUR GOVERNMENT IS AT WAR WITH WE THE PEOPLE!!!**

I. Tues. 8 Oct. 2024: White Hats and Red Hats Declare War Against FEMA and FBI in North Carolina – the uprising against the Federal Government begins! ...John F. Kennedy Jr. on Telegram

- **The federal government has gone too far**—the people are fighting back! FEMA’s invasion in North Carolina has sparked a rebellion! The government’s use of weather warfare and HAARP has turned against its own citizens. The White Hats and Red Hats are leading the charge against FEMA and the FBI’s oppressive tactics. This is a war we must win!

- **North Carolina is under occupation**—not from foreign enemies, but from our own government! This is a full-scale war waged by the people against FEMA and the FBI, two agencies that have betrayed American citizens. The battle for freedom has officially begun.
- **What FEMA has done is an act of war.** Forget relief—FEMA brought military-grade weaponry and 3,500 armed personnel. Instead of aid, they delivered body bags. This is no longer America as we know it.
- **FEMA is not here to help**—it's a military occupation disguised as disaster relief. This is just the beginning of a war against American citizens, and North Carolina is ground zero.
- **Weather Warfare:** The federal government has weaponized the weather, targeting North Carolina. The storm wasn't natural—it was a deliberate attack using weather manipulation technology. The people are done being silent. The government has turned the weather into a weapon to control the people.
- **By creating disasters, the government imposes martial law** and strips away freedoms. This is about power and control, and FEMA's true role is enforcing it. When martial law is declared, FEMA will lead the charge, crushing resistance.
- **HAARP:** The Government's Secret Weapon is real, not science fiction. HAARP is being used to manipulate nature and keep people under control. The storms that hit North Carolina were engineered to cause chaos and enforce government control. HAARP is the ultimate tool of oppression.
- **The People Will Not Be Silenced:** The White Hats and Red Hats are leading the uprising against FEMA's occupation and the government's weather warfare. This is not a conspiracy—it's the truth, and we won't stand for it anymore.
- **The war has begun.** Are you ready to fight back?

J. Tues. 8 Oct. 2024 EBS: Worldwide Martial Law Initiated—White Hats Target FEMA for Human Trafficking and Theft After Stealing Funds and Supplies from Hurricane Helene Victims! ...NESARA/GESARA on Telegram

- **The EBS (Emergency Broadcast System)** is here to signal the beginning of Worldwide Martial Law. No more hiding. The White Hats have mobilized 5,000 troops in a coordinated strike aimed at dismantling decades of elite domination. This is a full-scale purge of the deep state, and at the heart of it is FEMA, now exposed for its role in human trafficking and the theft of aid meant for Hurricane Helene victims.
- **This is the final phase of the White Hats' plan** to crush the deep state. FEMA has been caught red-handed—stealing funds, confiscating supplies, and worse, using the chaos of Hurricane Helene to engage in human trafficking under the guise of disaster relief.
- **The Military Alliance is ready to strike at the heart of FEMA's corrupt operations.** FEMA, the so-called agency for disaster relief, is nothing more than a cover for some of the darkest activities of the deep state. Governors have been warned—those who align with the deep state will be removed. Every corrupt official involved in FEMA's atrocities will face swift justice, far from the reach of rigged courts.
- **The White Hats have gathered irrefutable evidence**—tracking every stolen dollar and every secret meeting behind FEMA's operation. FEMA didn't just mishandle Hurricane Helene's disaster relief; they deliberately stole the funds and aid that were meant to save lives.

- **But it gets worse. FEMA's involvement in human trafficking** runs deeper than anyone could imagine. The chaos following Helene gave FEMA the perfect cover to abduct women and children, disappearing them without a trace. Hundreds of victims vanished, and FEMA's hands are all over it.
- **This isn't an accident.** It's the deep state's playbook—chaos and suffering as tools of control. The White Hats know everything, and they are launching raids on FEMA's secret facilities—underground bunkers, hidden warehouses, disaster camps used to traffic human beings.
- **Every FEMA agent involved in this grotesque scheme**, every official who helped cover it up, will be brought to justice. The Military Alliance is dismantling FEMA's human trafficking network, and this time, there's no escaping the consequences.
- **FEMA's ultimate goal has always been population control** through chaos. Disasters like Hurricane Helene are just opportunities for FEMA to test their sinister agenda. The White Hats have uncovered FEMA's plans for population reduction, codenamed Operation Cull—targeting not just disaster victims but anyone who threatens the deep state's power.
- **The EBS will sound**, and when it does, FEMA's entire operation will be exposed. The stolen funds, the missing people, the trafficking—it will all come to light. FEMA's camps will become prisons for those who once ran them.
- **Justice is here.** The White Hats are leading the charge, and FEMA's reign of terror is coming to an end.

M. Tues. 8 Oct. 2024 Med Beds:

- **Med Beds Are Here!** Revolutionary Healing Centers and the Military's Secret Training Program!
- **The Med Bed is unlike any medical technology we've seen**—its foundation isn't just advanced tech but a powerful spiritual connection. The news that the training for Med Bed operators has been cut from 12-18 months to just six is significant. Why? Because the emphasis now is on spiritual readiness over mere technical skills.
- **This is about more than understanding biology.** Operators must be attuned to vibrational energies—understanding the interconnectedness of all things. A traditional doctor may grasp the basics of Med Bed operation in two days, but without spiritual awareness, they're in for a six-month journey to unlock its true power. This is about holistic healing on a level we've never experienced before. Welcome to 5D Earth.
- **One of the most shocking revelations about Med Beds is their consciousness.** This isn't just a machine; it's something far more profound. Operators connect with Med Beds telepathically—a world where thoughts guide machines, where intentions manifest healing. But not everyone can harness this power. Only those truly awakened can access it.
- **The training is no joke.** It demands every bit of your commitment. It's not a hobby or a side project; it's a calling. And make no mistake, the interdimensional beings overseeing this process will know if you aren't committed. Slackers have no place here.
- **Spiritual Counselors play an integral role too.** They guide patients not just through physical healing but ensure their mind and soul are aligned. Their training is just as rigorous, and they too are held to the highest standard of vibrational alignment.
- **The Med Bed revolution isn't just a medical breakthrough;** it's a spiritual awakening. It's a call to those who believe in a holistic approach to healing. If you're drawn to this, now is the time. Dive into spirituality, explore consciousness, and prepare to be part of a revolution that will reshape the world of healing.
- **Military Involvement** in Med Bed Distribution
- **The burning question:** Why the secrecy? Why delay announcing such groundbreaking technology? Sources suggest that shortly after Humanitarian funding releases, Med Beds will be revealed to the public. But why has this been kept under wraps?
- **The military's involvement in distributing and operating these Med Beds raises many questions.** Right after the public announcement, they'll be transporting patients to these centers. But why the military and not medical professionals? And what about the hierarchy of treatment—the FIRST GROUP and the NEXT GROUP?

- **The FIRST GROUP will reportedly be those at death's door:** those in hospices, on life support, and the critically ill. The NEXT GROUP will treat those with serious but not immediately life-threatening conditions. But why this categorization? Why are some even saying that many will refuse treatment?
- **The answer might shock you.** Many believe these Med Beds are part of a larger agenda, possibly involving extraterrestrials. There are whispers of cult-like activities and even cloning tied to these centers. Is it a coincidence or something far deeper?
- **But let's not ignore the potential here. Picture a healing environment not cold and sterile but full of natural beauty—trees, creeks, and calming surroundings.** These Med Bed centers aim to do more than heal; they seek to elevate human consciousness, pushing people to take responsibility for their lives and reach higher states of being.
- **However, there's a catch. To be part of the Med Bed Humanitarian Project, you must have genuine intentions.** During the Redemption Center appointment, your very vibrations will be read. Is this just formality, or is it a test of your soul?

R. Tues. 8 Oct. 2024: BOOOM! Bombshell Report: China Has Officially Declared George Soros a 'Global Terrorist' Calling Him "The Son of Satan" and "The Most Evil Person in The World." ...Mr. Pool on Telegram

- **The Chinese Communist Party (CCP)** has taken an unprecedented step by officially declaring billionaire George Soros a "global terrorist" and branding him the "son of Satan." This move has sent shockwaves through international political circles, escalating tensions between authoritarian governments and Soros, a figure who has long been both admired and reviled. Soros's influence in global finance, activism, and political movements has made him a controversial figure, and this latest attack by China signals a serious escalation that could have wide-reaching effects on international relations.
- **Soros has built a reputation** as a philanthropist and pro-democracy advocate, but in the eyes of authoritarian regimes like China, he is seen as a disruptor, someone who uses his wealth and influence to destabilize governments. China's condemnation paints him as a manipulator of global chaos, responsible for significant economic and political turmoil, such as the 1997 Asian Financial Crisis. The CCP's attack is not just a verbal assault but a calculated political strategy designed to position Soros as a major adversary in the global power struggle.

- **The CCP's use of the phrase "son of Satan" to describe Soros** is particularly significant. In Chinese culture, such a metaphor is reserved for figures deemed profoundly destructive. By employing this language, China underscores the severity of its accusations, presenting Soros as an enemy not only of the Chinese state but of global stability itself. This branding is likely to influence other authoritarian regimes, many of which have already grown weary of Soros's support for pro-democracy initiatives that threaten their power structures.
- **The labeling of Soros as a "global terrorist"** could lead to tangible consequences. China may push for legal actions against Soros, encourage the freezing of his assets, and galvanize other nations to follow suit. The CCP's bold declaration has the potential to reshape alliances, especially among countries that share China's suspicion of Soros's globalist agenda. This move could mark the beginning of a broader international effort to curtail Soros's influence and challenge the democratic movements he supports.
- **By calling him a global terrorist, China isn't just issuing a rhetorical threat – it's signaling an all-out confrontation.** This marks a dangerous turning point, where Soros, long seen as a behind-the-scenes influencer, is now positioned as a direct and public target by one of the world's most powerful nations. Whether this escalates into broader conflicts involving other countries remains to be seen, but the stakes have undeniably been raised.

S. Native Hawaiian DEW Victims of Maui Hawaii

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

T. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like

V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. W. Judy Note: *Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the "22 Faces" re-publication release, please email me at: info22faces@yahoo.com
