*When the EBS activates, the world will hear the truth. Every child trafficked, every war funded,  
every bioweapon developed—it will all be exposed.*

*Trump is ready, the patriots are ready, and nothing can stop what is coming.*

*It's only wise to have at least a month's supply of food, water, cash, medicine and essential items  
on hand for yourself, your family and to share with others in case of emergency.*

**Defending Independence**

[Fourth of July Special \(Live at West Point\) - Music & The Spoken Word \(youtube.com\)](#)

*Some of the most generous people have no money and some of the wisest have no education,  
while some of the kindest can't be indoctrinated because they stand up for Truth.*

**Judy Note: The bottom line on FEMA:** *It's a criminal enterprise that has been terrorizing,  
robbing and murdering disaster victims, kidnapping their children for Global Elite Sex  
Trafficking and making land grabs for their own profit ever since Bill and Hillary Clinton  
empowered the agency in 1993. FEMA doesn't serve the will of American citizens, it serves the  
will of the New World Order.*

*Ten days after Hurricane Helene hit North Carolina residents have still not seen help from FEMA. In fact FEMA continues to cut off roads to prevent volunteers from coming in, and stealing supplies that does get past their barriers.*

*FEMA has threatened volunteer helicopter pilots and called them “Terrorists” who were bringing in supplies to remote areas of North Carolina where people have been trapped for over ten days.*

*FEMA Agents have actually been seen killing disaster victims in North Carolina – leaving their bullet ridden bodies to float down a river – just as they did in Maui in August of 2023 where bullet ridden bodies of disaster victims were seen floating in the ocean after FEMA arrived.*

*And just as in Maui, after the Florida and North Carolina hurricanes FEMA brought in truckloads of guns and ammunition instead of food and relief supplies. We saw the same kind of response during Hurricane Katrina where FEMA Agents were ransacking damaged homes and stealing whatever they could.*

*Just how long are the American people going to put up with FEMA? [WHITE AND RED HATS AMBUSH FEMA IN FLORIDA \(rumormillnews.com\)](#)*

*The below is the second of a four part series on the Satan Worshipper Global Elite’s Child Sex Trafficking Underground Tunnel System that runs across the Globe.*

- **An international child trafficking ring run by the Vatican and funded by the CIA with US Taxpayer dollars** appeared to account for thousands of children who went missing every year in the US. Most of the little ones appeared to vanish from society by way of a vast Satanic Worshipping Global Elite Underground Tunnel Network that ran throughout the US, Canada, Mexico, South America and under the sea to Europe, Asia and Australia.
- **Children were stolen, or produced by kidnapped teens to the order of global and political elites in both the US and UK.** The system utilized well known organizations including some state Protective Services, namely in Arizona, Ohio and California. UNICEF, NATO, the Red Cross, children’s charities in Africa and those out of Hollywood were believed to help in the kidnap and torture of children.
- **A Underground Tunnel buried deep beneath the Vatican: In March 2020** the Global Military Alliance repatriated to the US Treasury, 650 plane loads of gold, cash and precious artifacts including books containing a hidden history of earth from the Vatican tunnel. The tunnel was buried 5 miles underground and ran for 150 miles to connect with Cabal headquarters in Israel and Switzerland.

- **The military also arrested** 13-demon-bloodline families, Mafia heads, the Pope and 350 personnel in the Vatican.
- **The Vatican, which runs the International Child Sex Trafficking Ring**, has refused requests for excavation of over 40 child mass grave sites believed filled with the mutilated bodies of over 50,000 Canadian Native Children who went missing from the Anglican, United Church of Canada, though mainly 80 Catholic native residential schools across Canada.
- **Underground Tunnels beneath White House, Washington DC:** In early 2021 Marines carried out of a sophisticated network of Underground Tunnels beneath Washington DC and the White House, traumatized children, some of whom have never seen the light of day, pregnant preteens, deformed babies, piles of little corpses whose bodies were apparently used for organ harvesting, children locked in cages, electro-shocked and traumatized in order to harvest their blood – Adrenochrome for the elites to drink.

### D. Your QFS Account:

- **DO NOT fall for someone saying they will set up your QFS Account** so you can access money in it. All they are doing is collecting your personal information so THEY can steal your money.
- **Everyone already has their own QFS account set up,** and it contains all of your personal data and your DNA. THERE IS NOTHING TO SET UP!!!
- **All of us have money that is ours in these accounts.** This is money you’ve earned throughout your life. The money from your birth certificate is already deposited into that account, as well as payments for loans you've requested, student loans, mortgages, etc. You don’t need Zim Bonds or Dinars to set up a QFS Account.
- **After everyone has exchanged,** the general public will be called, summoned to the redemption center, given a QFS card, and will be able to use their money.
- **At some point we will have to sign a non-disclosure agreement (NDA)** and won't be able to speak about this topic.

## F. Restored Republic:

### **MASSIVE! Trump’s Secret Meetings with World Leaders Demand: Return Every Dollar, End Child Trafficking—GESARA’s Gold-Backed Reset Will Bring Global Freedom!**

...NESARA/GESARA on Telegram

- **Trump has HAD ENOUGH.** The patriots have had enough. No more pretending, no more playing by the globalists’ rules. The elites are scrambling, their control slipping, as Trump moves forward with a global plan to expose the truth and tear down their twisted power structures. This is GESARA.
- **GESARA isn’t just a financial reset.** It’s the dismantling of systems that enslaved us for decades. The Federal Reserve, the IMF, the World Bank—they’re all coming down. A new gold-backed standard will return wealth to WE THE PEOPLE. The elites’ days of debt slavery and hidden technologies are over.
- **In a fiery showdown, Trump exposed the truth behind the Ukraine conflict.** The billions sent for "aid"? LIES! That money fueled child trafficking, black-market deals, and even twisted experiments to extend the elites’ lives. This sick machine has been hidden long enough, but TRUMP IS DONE. The establishment’s worst crimes are about to be revealed.
- **They’ve funded wars not for democracy but for profit and control.** The elites create wars to break nations, then swoop in as “saviors” to control them. The Ukrainian war? A cover for their real operations: child trafficking and global manipulation.
- **One of the most earth-shattering technologies under GESARA is the Med Bed—a** device that will heal disease and reverse aging. Med Beds will end the pharmaceutical stranglehold that profits from our suffering. The elites suppressed this technology for years, trapping us in their medical-industrial complex. No more! Med Beds will heal humanity, and Trump is determined to release them.
- **Trump’s explosive meeting with Zelensky was just the beginning. Trump forced him to face the truth—**every dollar, every dark operation, every child trafficked.

Trump's ultimatum: return it all or be exposed. Trump isn't stopping at Ukraine—he's taking this fight global.

- **Behind closed doors, Trump has been confronting world leaders in Israel, Saudi Arabia, Qatar, and the UK.** These weren't negotiations. These were ultimatums. Trump is done asking for permission. He's demanding accountability. He called out Israel for their surveillance ties and dark intelligence operations. Trump exposed Saudi Arabia for their secret deals and manipulation of oil for power. Trump told them the days of control through oil and fiat currency are over.
- **In Qatar, Trump revealed their human trafficking networks,** disguised as charity. His message was clear: dismantle it or face global exposure through the Emergency Broadcast System.
- **In the UK, Trump confronted the core of the British establishment**—their bioweapons research and deep state agendas. He has proof they used bioweapons under the guise of public health to control and manipulate.
- **The EBS is coming.** It will bypass all media and speak the truth to every home. No more lies, no more censorship. The elites' last defense is collapsing, and Trump is fighting for humanity.
- **The world leaders are facing ultimatums, not diplomacy.** The time of manipulation and lies is over. Trump has declared: align with GESARA, or face exposure. The gloves are off, and the people are taking back their power.
- **October is here, and Red October is the storm** that will change everything. When the EBS activates, the world will hear the truth. Every child trafficked, every war funded, every bioweapon developed—it will all be exposed.
- **Trump is ready,** the patriots are ready, and nothing can stop what is coming.

- **Mon. 14 Oct. 2024: Best Of Humanity, North Carolina Hurricane Helene Aftermath:** We Investigated The Helene Disaster in North Carolina, What We Found Will SHOCK You. In the aftermath of Hurricane Helen in a devastating Category 4 storm, countless communities in Asheville North Carolina are left grappling with severe flooding, road destruction, and lack of access to basic supplies. With over 80 million people affected, volunteers have stepped up to fill the gap left by government agencies. In this video, we spotlight the tireless efforts of everyday Americans who are working to deliver essential resources to those in need, despite FEMA roadblocks and lack of national media coverage.
- **Mon. 14 Oct. 2024: Hurricane Victim Reporting FEMA Using Locations Barely Affected By Hurricane Damage As Photo Ops.** Also says FEMA still shutting down donation sites and denying aid. "FEMA came in, handed out MREs and bottles of water to this one specific, very large trailer park out in Canler. Here is the issues behind it. They used that as a photo op. That was not one of the harder hit areas that needed those supplies right when they decided to come and hand them out. There are still places over in the immediate disaster zone that I have friends living in apartment buildings and trailers that are in areas that were completely decimated, they're still without power, they don't have water, they have no way to cook fresh foods, they can't wash their clothes, they can't take baths, FEMA has not responded to those people. What FEMA has done is gone out into areas like Candler that were not that hard hit, that are easily accessible and never lost access to the main roads. FEMA is causing a huge issue within our community. A lot of my friends and my family and my local community have to go to these donation sites that FEMA is shutting down and not replacing. I filed for the FEMA disaster. I've gotten nothing. My bills are due. God forbid they start shutting down donation sites and we can't get the food that we need. Because there are thousands of us here. Thousands of us. And all FEMA has done is come in and made it worse for us. It's a problem."

- **Tues. 8 Oct. 2024:** Seven days after Milton comes Hurricane Nadine. Nadine will hit roughly the same area, which means some places in Florida will have seen three major hurricanes in three weeks time.
- **On Mon. 7 Oct. 2024** a NOAA plane was observed cloud-seeding the mega Hurricane Milton as it made a strange U turn to head straight for the Florida Coast. At the same time Milton grew to a Stage 5 Hurricane, the largest in history. It was believed that it

descended into a Stage 3 just before it hit the Florida Coast just because of White Hat intervention.

- **Mon. 14 Oct. 2024:** Earlier this year thousands of Floridians witnessed green Lasers shining over their homes at night. “It’s unclear what the planes were doing.” Later it was told the planes belonged to a company called LLC & were conducting a bathymetric scan using LIDAR to map coastal areas. These Lasers were also spotted over Maui last year. It’s extremely strange how no other Coastal States spotted the same Phenomena - probably just yet another coincidence right? Truth is stranger than fiction. ... White Hat Intel on Telegram

- **Sat. 11 Oct. 2024 Burnsville North Carolina:** Kamala Harris’ FEMA left these people alone and with nothing. Unpaid American volunteers providing their own equipment risking their lives, sometimes almost fully submerged in water clearing Hurricane destruction in Burnsville, North Carolina.
- **Trump:** Immediately visible with relief efforts and funding. Went boots on ground IMMEDIATELY with Helene and staged massive efforts in advance of Milton. Locals are WELL aware of everything he has done to mitigate the stress of not just TWO massive storms but also the pain of the aftermath.
- **The Biden/Harris Administration...** Absolutely useless. In fact, they 100% pissed pretty much everyone off with exception to die hard Democrats who would vote for a transvestite cockroach before they'd vote Trump.
- **The Longshoremen strike** added fuel to the fire against Biden/Harris as our Port is NECESSIC to getting goods and fuel into the affected areas quickly. Allowing the Union to hold a population hostage for a 66% pay increase to NOT digest well down here.
- **FEMA... is a word that is being uttered with absolute disgust** as they sit in their air conditioned hotel rooms, trailers and vehicles and fret about volunteer donations and funding simply because they don't control it. Those volunteers have been the difference between life and death in EVERY affected state along with local and state emergency response. Had it NOT been for them, the number of casualties would be Much higher. Not to mention the number of people we lost to these storms is being suppressed in a massive way. There are still thousands missing.
- **Just giving you guys some perspective.** Understand this: Those of us living in impacted areas don't care if we have to canoe, backstroke or crab crawl to our voting precinct... We WILL be there, and this time people WILL NOT tolerate "3am power outages", mail in votes appearing suddenly or mass ballot harvesting. People ARE DONE.
- **After Hurricane Helene’s devastation, FEMA deployed 3,500** armed personnel to North Carolina, bringing no relief supplies—only weapons and body bags. As always, they came prepared for war, not aid.

- **Residents of Chimney Rock faced even more horrifying treatment.** After the Broad River flooded the village, FEMA seized Chimney Rock under eminent domain, leaving residents with no choice but to evacuate or face death. FEMA agents threatened to shoot those who refused to leave, even pointing rifles at those with nowhere to go. One man, who barely survived the forced evacuation, described seeing neighbors gunned down. “There are bodies everywhere, bullet holes in all of them,” he said
- **As FEMA terrorized North Carolina,** the White Hats finally responded. After a call from Col. Kurtz, leader of the Red Hats, General Smith sent reinforcements. Red Hats had already lost 12 men trying to protect Chimney Rock’s lithium deposits, fighting a pitched battle against FEMA and FBI forces.
- **US Marines arrived, joining the Red Hats in skirmishes across Asheville and Chimney Rock.** Special Forces out of Camp Liberty ambushed FEMA personnel, destroying 15 vehicles and killing 23 agents. Despite losses, including four Special Forces members, White Hats and Red Hats fought bravely.
- **In Chimney Rock, FEMA agents barricaded themselves in the Esmeralda Inn,** shooting at the coalition from the upper floors. Many good men fell in the battle, but the White Hat/Red Hat alliance prevailed, breaking FEMA’s grip on the area.
- **As of now, both sides have sent reinforcements.** White Hats and Red Hats vow to remain until every corrupt federal agent is driven out or killed. The battle rages on.

**H. Tues. 1 Oct. 2024** [CODE RED! Emergency Alert System Engaged: Military Alliance Gears Up for 10 Days of Darkness, Major Strike Imminent, Coded Signals Sent, FEMA Dismantled! - Gazetteller](#)

- **The Emergency Alert System (EAS)** is the linchpin of a global operation to dismantle the Deep State, and it’s already in full test mode, gearing up for the most significant exposure of hidden truths the world has ever seen.
- **The EAS tests have intensified,** not just in frequency but in scope, as the Earth Alliance fine-tunes the system to ensure that when the moment arrives, the EAS will strike like a lightning bolt across every screen, every device, and every communication channel worldwide.
- **Recently, on August 11, 2024, a nationwide EAS test** was conducted at exactly 2:15 PM EDT, but this was no ordinary test. This was a full-scale simulation that went beyond mere alert tones or text messages.
- **It included a series of coded transmissions broadcasted** through high-frequency radio channels and satellite systems, meant to reach not only the general public but also key operatives within the Earth Alliance.
- **Sources close to the operation have confirmed that these tests included encrypted messages** intended to coordinate movements and actions of military units across various undisclosed locations, including high-security sites like Cheyenne Mountain Complex in Colorado, which is known to house NORAD and other critical defense operations.

- **In early September 2024**, reports from insiders at Fort Hood, Texas, revealed that a series of live drills were conducted involving full deployment of the EAS. This included not just the broadcasting of emergency alerts but also the integration of tactical data links used by military and intelligence agencies.
- **These tests are part of a larger strategy** to ensure that when the 10 days of darkness commence, the EAS will function flawlessly, delivering continuous streams of truth to every corner of the globe without interference. These tests are so detailed that they've even involved simulations of cyber attacks to stress-test the resilience of the EAS infrastructure against potential sabotage attempts by the Deep State's remnants.
- **In another unprecedented move**, the EAS went live in several localized areas with unannounced, unscheduled tests on September 16, 2024, in places like New York City, Miami, and Los Angeles.
- **Residents in these areas reported receiving alerts that didn't match the usual EAS test formats**; instead of the typical "this is a test" message, they received garbled transmissions and flashes of symbols that some believe to be encoded messages meant for those in the know.
- **It's no coincidence that these tests are taking place** in major population centers—these are strategic moves designed to test the EAS's capability to handle dense urban environments where the Deep State's influence is most deeply rooted.
- **The urgency of these tests has ramped up dramatically.** Just last month, on August 28, 2024, an EAS test took place that included a 90-second video broadcast in specific locations, showing clips of classified military operations and blurred-out documents. While publicly dismissed as a "technical error," those in the loop understand that this was no mistake.
- **It was a calculated preview of what's to come**—a glimpse into the types of disclosures that will be released during the 10 days of darkness. This was a shot across the bow, a clear warning to the Deep State that the Earth Alliance is ready to reveal everything.
- **The Deep State is scrambling** because they know what's at stake. They've been monitoring these tests closely, and their attempts to disrupt them have so far failed. The Earth Alliance's control over the EAS is ironclad.
- **On August 5, 2024**, reports surfaced that a cyber attack aimed at the EAS infrastructure was thwarted by a rapid response from U.S. Cyber Command. This attack, believed to be orchestrated by Deep State operatives still embedded in key positions, was a last-ditch effort to delay the inevitable.
- **But the Earth Alliance has eyes everywhere**, and their response was swift, shutting down the breach before it could cause any real damage. This was not just a defense—it was a declaration of superiority in the ongoing information war.
- **However, the true threat may lie within our own borders.** FEMA, the agency that should be safeguarding the EAS for public good, is deeply compromised and actively working against the mission of the Earth Alliance.

- **Insider leaks have confirmed that FEMA is not merely a neutral player but is actively collaborating with Deep State operatives**, conducting closed-door briefings with top military officials and telecommunications giants. These meetings aren't about ensuring the smooth operation of the EAS—they're about how to subvert it.
- **FEMA's involvement is not about protecting the public; it's about controlling the narrative.** The agency has been plotting to override civilian communication networks, with plans to censor, delay, or alter broadcasts to protect Deep State interests.
- **FEMA has positioned itself as a gatekeeper of information**, actively seeking ways to disrupt the flow of truth that the EAS is poised to deliver.
- **Reports have emerged that FEMA is strategizing** to selectively jam or block critical EAS transmissions, using sophisticated countermeasures to disrupt broadcasts that threaten to expose their allies within the Deep State.
- **FEMA's leadership is said to be deeply embedded with Deep State operatives**, making them complicit in efforts to hide the truth from the public. Their agenda is clear: to maintain the status quo and shield those who have wielded power from the shadows for far too long.
- **FEMA is a rogue agency acting as the Deep State's shield**, working tirelessly to undermine the very system designed to expose their corruption. This has turned FEMA from a supposed protector into an adversary of the truth, a direct threat to the mission of the Earth Alliance and the public's right to know.
- **The EAS tests are active maneuvers in the Earth Alliance's strategy** to dismantle the Deep State's grip on the world. Specific plans have been put in place to use the EAS to reveal long-suppressed information about everything from illegal bio-labs hidden in plain sight to secret treaties that have sold out national sovereignty to globalist interests.
- **These broadcasts will not be simple news segments**—they will be comprehensive, eight-hour exposés that leave no stone unturned, complete with names, dates, and documents that will prove the Deep State's guilt beyond any shadow of doubt.
- **As these EAS tests continue to escalate**, expect more of these so-called “technical errors” to occur, which are, in reality, previews of the flood of disclosures on the horizon. The EAS is an active offensive weapon designed to tear down the walls of deception.
- **The 10 days of darkness** are not merely a disruption—they are a total reset. During this period, the world will be plunged into a communications blackout like never before. The EAS will be the sole voice, and that voice will be relentless, hammering the truth home with an intensity that the Deep State cannot counter.
- **They can't hide, they can't run**, and they certainly can't spin their way out of this one. The Earth Alliance has ensured that the EAS will operate on an unbreakable loop, continuously cycling through every piece of damning evidence they've gathered over the decades.
- **The final countdown is on**, and the EAS tests are the ticking clock that signals the end of the Deep State's reign.

The buildings pictured of it are only a small part of what lays beneath – one very large building six stories high and six football fields long buried beneath the ground. It does not employ local people. They are maintenance workers who fly in from somewhere and live in trailers and motorhomes. The people who actually run the mega computers work remotely in far off states. It is highly guarded, of course. It was rumored that when Trump first took office he made a secret visit to inspect the center.

**N. Mon. 14 Oct. 2024 The GLOBAL DE-DOLLARIZATION is happening RIGHT NOW!  
...Carolyn Bessette Kennedy on Telegram**

- **And what does this BRICS initiative really mean for the world's economy?** This isn't just another economic move—it's a direct STRIKE BACK at the weaponization of the U.S. dollar! The elites have long used the dollar as their ultimate tool to CONTROL the global financial system and FORCE their agenda on any nation that doesn't fall in line with their sinister policies.
- **Countries like Russia and Iran** were the first to see through the lies, and now, more and more nations are WAKING UP to the truth. BRICS isn't just creating a new system; they're DESTROYING the old one.
- **Lavrov has spoken**—sanctions are the weapon of the West, but their time is running out. Anyone, any country, could be next in the crosshairs of the globalist agenda. But BRICS is here to change the game. And the real shocker? Even Janet Yellen, the U.S. Secretary of the Treasury, can't hide it anymore. She KNOWS these sanctions are BACKFIRING and driving the world towards a massive rejection of the U.S. dollar!
- **The BRICS nations are not just protecting themselves**—they're setting the stage for the collapse of the global dominance of the dollar.
- **America's entire system is at RISK.** Imagine what happens when the dollar is no longer the king of global trade. The implications are HUGE. The U.S. economy is tightly bound to the dollar's power—and that power is SLIPPING away. The question is: Are you ready for what comes next?
- **The elites are scrambling.** The system they built is CRUMBLING. The storm is brewing. Are you paying attention?

**O. Mon. 14 Oct. 2024 BQQQM!!! QTSR Behind the Scenes: The Great Exposure of Weather Weapons! ...NESARA/GESARA on Telegram**

- **The explosive truth about White Hats military operations, HAARP, and Project Cirrus** is finally here! The deep state elites have been using weather weapons to manipulate storms, control the climate, and push global chaos. This is Generation Warfare, where weather control has become a tool for globalists to dominate! The Great Awakening is now—stand up, expose the lies, and fight back!
- **We're living in unprecedented times where secret military operations and Deep State activities are being exposed.** The globalist agenda is crumbling as patriots worldwide realize the truth—weather manipulation is no longer science fiction. White Hats are pushing back against the elite's dirty tricks, revealing how HAARP and other technologies are used to create storms and drive global disorder.
- **This storm is real, not just a metaphor.** We're talking about man-made storms designed to distract, control, and devastate. The deep state wants you to believe in "climate change", but what if that's just a cover for something much more sinister? They've been controlling the weather for years, and now patriots are uncovering it all.
- **The White Hats are at the helm, exposing how the CIA, Pentagon, and globalist elites have been running secret programs to control the weather.** They've been

perfecting these technologies for decades, creating artificial hurricanes, causing droughts, and manipulating weather patterns for their own political agendas.

- **From HAARP to Project Cirrus**, these technologies have given them the power to destroy economies and create chaos anywhere, anytime. The patents are there. The science is there. Military insiders have known for years what's going on behind the scenes. Now, it's our turn to take action and expose these secrets.
- **This isn't just about weather—it's about control.** The global elite have linked their climate agenda to financial surveillance. It's all part of their plan to control YOU. By linking carbon emissions to a digital ID system, they can track every move you make and monitor your social credit score. It's the ultimate control mechanism, hidden under the guise of saving the planet.
- **Weather weapons and election chaos? You bet.** In the lead-up to the 2020 elections, two massive hurricanes were man-made to cause chaos. This wasn't a random event—it was a strategic move by deep state operatives to steer the outcome in their favor. Marjorie Taylor Greene exposed it first, with insiders confirming that weather control technology was involved. YES, they control the weather, and they've been doing it for years.
- **The mainstream media and tech giants are working overtime** to scrub this truth from the internet, but they're failing. The truth is spreading faster than they can contain it. Podcasts, alternative platforms, and even Elon Musk's X are broadcasting the revelations to millions. The truth cannot be stopped!
- **The storm is here, and YOU are a part of it.** The awakening is global. This is not just another conspiracy theory—this is reality backed by military intelligence and years of hidden research. Stand up, share the truth, and don't let the deep state continue their weather manipulation in the shadows.
- **The battle has just begun**, and we are the storm that will bring down their entire climate change narrative. Keep pushing, keep exposing, and don't let them win. The White Hats are fighting behind the scenes, but they need YOU to keep the pressure on. The storm is upon us, and it's unstoppable. Together, we will expose the deep state and take back control of our world

**P. Mon. 14 Oct. 2024 BREAKING: Trump Campaign Requests Unprecedented Military Support Amid Assassination Threats in Battleground States. Military is the Only Way!**  
...Deep State Falling on Telegram

- **Military Called In to Crush Assassination Plots: Trump Under Siege!:** Donald Trump's presidential campaign has taken an extraordinary step, formally requesting military assistance as the election approaches its final weeks. These drastic measures involve military aircraft, expanded flight restrictions, and ballistic glass protection in seven critical battleground states. Intelligence briefings have uncovered credible assassination plots, raising the alarm for possible drone and missile attacks against the former president. The campaign has stated unequivocally: "Military is the only way."

- **A Nation on Edge: Why Military Support Is Now Essential:** This request for military intervention in a political campaign is unprecedented in modern American history. Yet, this election is far from ordinary. Donald Trump's candidacy is no routine affair, and the stakes for the nation could not be higher. With escalating threats and the intense political climate, Trump's campaign is taking unprecedented steps to protect his life and ensure his return to the White House. The demand for military support highlights the gravity of the threats and the urgency of securing Trump's safety during this turbulent period.
- **Trump has faced threats throughout his political career,** but the intensity of the current assassination plots has reached a critical level, as intelligence briefings reveal. The decision to bring in military protection, especially in key swing states, underscores the seriousness of the situation and the risks involved in this election.
- **Intelligence Briefings Reveal Chilling Plots:** At the heart of this call for military assistance lies a chilling truth: Trump's life is under immediate and credible threat. Recent intelligence reports have exposed highly sophisticated assassination plans, including the use of drones, missiles, and sniper attacks targeting the former president. These are not hypothetical threats—they are real, immediate, and dangerously plausible.
- **This goes beyond typical political rivalry;** it's a direct assault on democracy. These assassination plots are designed not only to remove Trump from the race but to undermine the entire electoral process. The notion that a presidential candidate could be targeted by drone strikes or missile attacks should strike fear into the heart of the nation.
- **The very fabric of American democracy is at stake.** Donald Trump, who has continually positioned himself as a champion of the people, now finds himself in the crosshairs of forces determined to silence him. An assassination attempt on a presidential candidate would be a devastating blow to the democratic system, setting a perilous precedent for the future of political discourse in the United States.
- **The stakes have never been higher:** Third assassination attempt on Trump right before the elections; what are they doing to our Trump?

**T. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to [jailATM.com](http://jailATM.com) and register. **U. Judy Note:** *Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.*

*“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
