Judy Note: *The Deep State US Inc. Biden/Harris Administration and FEMA* was threatening people with arrest for trying to help Hurricane Helene Victims after little or no Government response to the disaster for the last six days. Helene was suspected to have been man made by the Deep State Cabal.

A Tennessee Resident said that FEMA was sending out text messages telling everyone not to help neighbors in need. It read “We don’t want you to donate money or items to anyone but us. Only get your instructions from us and only listen to us.”

I say just ask Maui disaster victims (or victims of any disaster for that matter) how that worked out for them – how much FEMA took advantage of them.

Speaking of corrupt Federal assistance: The FBI just announced they found human meat in the Cabal owned McDonald’s Fast Food meat supply. What they didn’t say was that since at least 2015 – for nine long years – they have known about the meat of children being in the meat supply of US fast food restaurants and the FBI, FDA, and USDA has done nothing about it.

Deep State related Hurricane Helene and McDonalds human meat being forced on the public was just the beginning. A Near Death of Civilization Event – perhaps a Nuclear World War III – has been designed by the Deep State to cause chaos, panic and fear-mongering in their desperate attempt to maintain control. For generations the Luciferian elites, with their pedophile parties and child sacrificing in a twisted desire for power, have used war to create chaos so they could escape accountability,

While the Deep State Cabal Elites were trying to drag us into another global conflict, the White Hats were relentlessly working to prevent it. Taking over the Mainstream News satellites will erase the Cabal’s grip on information, exposing every lie. The real power, though, lays in the Global Alliance’s complete restructuring of the global financial system from a World dominated by Rothschild-controlled banks to a transparent gold/asset-backed system owned by The People.

There will be no November 2024 U.S. Election due to the Near Death of Civilization Event that was expected to cause chaos throughout the US. During the Event Trump and the US Military were set to seize power. Among their long To Do List was the taking down of the Department of Homeland Security, FBI and Deep State Intelligence Agencies, plus restructuring of the Three Branches of US Government – US Presidential Administration, Congress and Supreme Court.

You can do something about helping victims of Hurricane Helene. Though, I suggest no contributions to the Red Cross as your money could go straight to the Cabal – they run it. Just ask victims of the Cabal designed Maui disaster. Their equal sided Red Cross was the same symbol as the Mark of Cain.

“Below are the Governor’s Offices and FEMA Numbers of States that are not allowing We The People to help Hurricane Helene Victims!” ...Brother Johnny on Telegram

North Carolina - Gov. Roy Cooper (919) 814-2000

Georgia - Gov. Brian Kemp (404) 656-1776

Tennessee - Gov. Bill Lee (615) 741-2001

FEMA District Office Region 4 770-220-5200

“It's very simple: Call the Governor's offices and you'll more than likely get a staffer...ask when Supplies and Food will get delivered. [They'll more than likely push you off to FEMA].

“Then tell them, “I read online that people are trying to deliver food, supplies, baby food and your government is threatening to arrest them! **ARRESTING PEOPLE TRYING TO HELP SAVE LIVES!!!**

“Then tell them: “Trucks are getting tires slashed.” (FEMA office will hate you, but oh well).

“Then tell them: “People who voted for the Governor are dying!!! That usually shuts them up!

“Then call you US Rep and leave the same message! We don't trust our Government, but I had a group of die hard Surfers do this last year (Maui Fire Massacre) and it made our government finally cave! They need to give the PEOPLE Answers!

“GOD Bless you all for helping out!!!” ...Brother Johnny on Telegram **Wed. 2 Oct. 2024**

What we think we know as of Wed. 2 Oct. 2024:

- **Hurricane Helene, like in Maui,** appeared to be a deliberate attack by the Cabal to gain control of certain pieces of land. This time it was to take over the North Carolina lithium mining industry. Chip producers around the World rely on this district as the sole supplier of quartz required to refine silicon wafers. Now at six days after the attack the Deep State Biden Administration was finally, but slowly, responding to the desperate needs of Helene victims. Many have been cut off from civilization with no water and people trying to rescue them have been threatened with arrest. Why? The Biden/Harris Administration is providing thousands of illegal immigrants hotels, money, food and transportation – at least until the November Election.

That will be the case soon. You have seen the online videos of the late detonation flashes on the second floor of the WH. The columns have been weakened in preparation for the upcoming explosion," according to the planned demolition of the White House. The explosions can be seen inside, and you can even see the birds in their fear, flying around in panic. Soon 34 well-known satanic buildings around the world will be blown up as a symbol of freedom and the end of the war against

the evil globalists of the Deep State. People will be freed from their corrupt control. The end of the movie will be very soon. <https://www.youtube.com/watch?v=nKGR4FGUJ-k>

The "Strike" is nothing more than a planned outage w/ those workers under N.D.A.s and being paid to PLAY THE PART of striking union workers. It's a military operation to swap out the payments systems for port workers, as well as shipping data updates to negate the ability for human trafficking thru the port systems. A. Wed. 2 Oct. 2024 Hurricane Helene

- **On Fri. 28 Sept. 2024 Hurricane Helene** wreaked havoc across North Carolina, Tennessee and South Carolina, leaving destruction in its wake. All three of these conservative Red States were sites for lithium mining exploration – something the Deep State Cabal wanted control over. Helene collapsed bridges to Spruce Pine North Carolina – a single road that led to the sole supplier of quartz required to refine silicon wafers. Chip producers around the World rely on this North Carolina mining district.
- **Adding to the frustration of the Hurricane Helene disaster**, now six days later residents from these states are reporting a government delayed or no response in providing much-needed aid. They were even arresting people trying to provide supplies to areas. <https://www.dailymail.co.uk/news/article-13917643/hurricane-helene-firefighter-threatened-arrest-jordan-seidhom.html>

- ***ALERT* Tiktok banning and DELETING accounts that post about North Carolina and Lithium!** They are censoring vital information and deleting accounts so the main source of info comes from the MSM which is mostly lies. Immediately blocked within an hour and given a STRIKE. So no warning or demonetization. Straight to ban and strike for me! They are clearly trying to hide information about Helene and it's "Natural" flood that took place.
- **The Hurricane Helene Disaster was another Maui Hawaii 2.0**, which over a year later, was still struggling to recover (with little or no government aid) from Deep State Cabal DEW attacks that decimated the traditional Kingdom of Hawaii capitol of Lahaina in **August of 2023**. For the most part, Native Hawaiians had never wanted for Hawaii to be a state of the US where they paid taxes to the Deep State Cabal's US Inc. For years Native Hawaiians have been attempting to go back to becoming their own Sovereign Kingdom of Hawaii, while the Deep State Cabal wanted to make the valuable Lahaina property into a Smart City where they had complete control over the population. The native Hawaiian residents of Lahaina were now struggling with ownership issues of their now-desecrated land. They had little formal documentation of ownership of their properties that had been handed down to them, generation to generation.

- **“There is no government aid. None. Zero.** What the government is doing right now to the entire state of North Carolina and Tennessee is a nothing short of just plain awful. I do not physically have the words for it because if you don't know, we have not heard from my aunt since Friday because of Hurricane Helene and there is no government aid. None. Zero.
- **“The government is currently trying to arrest people who are delivering supplies via helicopter.** They are threatening to arrest those people. They are threatening to arrest people who are trying to help people survive. My aunt is 70 years old with mobility issues. Anyone know what the government's f*cking doing? Jack sh*t.”
- **“There are entire towns that there is no way in or out.** Those roads are not drivable because of the mudslides and the power lines and the downed trees. There are doctors right now physically walking across that because their cars can't get through to go help these people, to go check on these people.
- **“There is no power, there is no water, they have no supplies, and the government is currently trying to arrest people** who are delivering supplies via helicopter.
- **“Joe Biden said we're doing all that we can** for North Carolina. Kamala Harris is currently having a fundraiser for her campaign in LA and Las Vegas. Not for the people in North Carolina or Tennessee, but for her fucking campaign.

C. Wed. 2 Oct. 2024: EXPOSED! Hurricane Helene Was Engineered to Target Pro-Trump Counties – The Truth They Don't Want You to Know! ...David Wilcock on Telegram

- **Hurricane Helene was no random act of nature;** this was a deliberate act, an engineered disaster aimed squarely at pro-Trump strongholds. The timing, intensity, and targeting were meticulously planned to disrupt the resistance against the elites during this critical election period.
- **Look at the facts.** This storm obliterated areas that are vocal, patriotic, and committed to freedom-loving American values. Hundreds of pro-Trump counties were devastated, infrastructure annihilated, and communities cut off from the outside world. Asheville, Boone, Swannanoa, Unicoi—completely destroyed. Coincidence? The elites don't believe in coincidences; they believe in power and manipulation.
- **This storm was strategically unleashed** just before the most important election in recent history to crush the resistance, displace families, and sow chaos. Power outages, collapsed communication systems—how convenient for them! Critical infrastructure reduced to rubble, with entire neighborhoods swept away, lives uprooted, just as the World Economic Forum predicted a billion people would be displaced by “climate change.” It's not climate change; it's climate warfare.
- **Weather modification isn't new;** it's been hidden from us for decades. Project Cirrus, back in 1947, was only the beginning. HAARP, geoengineering, cloud seeding—these technologies have evolved to the point where hurricanes can be directed like missiles.
- **The chaos surrounding the Waterville Dam** should send chills down your spine. Reported failures led to mass evacuations, but suddenly, it was “never mind, the dam's fine.” Really? This relic was allowed to crumble because they want chaos. They want you scared, displaced, running for your life while they tighten the noose around your freedoms.
- **The media pushes the narrative of a simple miscommunication,** but the evacuation was orchestrated to instill fear. The flooding alone should raise alarms. The Pigeon River swelled, sweeping towns away—not due to lack of investment but intentional neglect. While our infrastructure rots, they spend billions overseas.
- **What's the real motive?** These are not random communities being devastated; these are strongholds of Trump supporters and freedom fighters. What better way to weaken a movement than by annihilating its heart?
- **The storms brewing in the Atlantic at the same time?** Not a coincidence. They're showing us they can unleash chaos whenever they want. The destruction is not just physical; it's psychological warfare. How much can they push before people break? They've weaponized our environment against us.
- **It's time to stop being afraid.** Weather manipulation is real, and the motive is clear: control over any form of resistance. Hurricane Helene isn't just a storm—it's an act of war against those who oppose the globalist agenda.
- **This isn't climate change; this is targeted destruction,** a calculated plan to dismantle opposition and create instability. The devastation of pro-Trump counties is just the beginning. This is a warning, and the battle has just begun. Stay vigilant!

D. Wed. 2 Oct. 2024 ALERT: FBI Uncovers Human Remains in McDonald's Meat Supply.
...John F. Kennedy Jr. on Telegram

Judy Note: Even though they knew about it back in 2015, the FBI said they recently uncovered human body parts in boxes of meat from Detroit Michigan's International Biological, a company that for many years has supplied meat to various fast food restaurants like Burger King and Dominos Pizza, though their main customer was McDonalds International.

- **Back in 2015 children's body parts were found in McDonald's** sausages, potatoes and pancakes in various Japanese McDonald Franchises. The investigation that followed revealed that Japanese franchises obtained the meat from the McDonalds Headquarters in the US. The Japanese McDonald's franchises were closed down – but nothing was even reported on it, let alone done about it in the US.
- **Five years later in 2020 a Rabbi reported that McDonald's was indeed using human parts** in their “beef,” claiming the meat of children was sold to fast food outlets with the number one buyer being McDonalds. Again, legal authorities and the Mainstream Media not only refused to investigate or report on it, but put out that the Rabbi's Report was fake.
- **Yet if anyone were to take even the slightest look into the disgusting situation they would find that McDonalds was owned by the Illuminati's very own Khazarian Mafia**, which was known by their victims – Satanic Ritual Abuse Survivors who had underwent torture and were forced to witness the murder of other children – to be high rollers in the Illuminati – members of whom have long been reported to practice Human Sacrifice, mainly of innocent children, in honor of their God Satan.
- **I wrote about this back on Thurs. 26 Aug. 2021.** At the time it was reported that the FBI, USDA and FDA had placed McDonalds under investigation. If they did anything at all in the four years since, absolutely nothing has been reported – another apparent cover up by all three federal agencies. [McDonalds Chain Closing Globally?: Human Meat, Body Parts Found in Food? | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)
- **The FBI just uncovered something straight out of a nightmare:** human remains found at a Detroit business tied to McDonald's meat supply. This isn't just another rumor – it's a revelation that could shake the fast-food industry to its core and expose the darkest side of the American food chain.
- **What's Happening?** A routine investigation spiraled into a horror show when the FBI stumbled upon boxes of human body parts at a business that allegedly supplies meat to McDonald's. This isn't a simple case of spoiled meat—this is far more sinister. Human remains, body parts, and a twisted network of illegal activity now at the forefront of this explosive story. If true, this means millions of Americans could have unknowingly consumed products from a supply chain tainted with human remains.

- **Corruption Behind the Funeral Industry:** It doesn't stop there. The business at the heart of this scandal, International Biological, is more than just a medical supplier. It's allegedly been illegally trafficking human body parts for years, all under the guise of education and medical purposes. And who's behind this? Art Rathburn, a mortician licensed in Michigan for over 30 years, now exposed as the orchestrator of this gruesome operation.
- **What Does This Mean for You? Let's be real:** if these remains made it into the food chain, this is the biggest scandal McDonald's has ever faced. The implications? Terrifying. Think about the consequences of human remains mixing into what's supposed to be your fast-food meal. This isn't just a fast-food issue; it's a wake-up call to rethink everything we trust about the food industry.
- **The Truth is Unfolding.** The FBI is still piecing this together, but what we know now should have every American questioning the integrity of what's really on their plate. Is this just one supplier, or are there more secrets buried in the fast-food empire?

E. Possible Global Currency Reset, Restored Republic Timing:

- **On Tues. 1 Oct. 2024** the US Inc. Corporation ended their fiscal year without further funding by Congress from the fiat US Taxpayer Dollar, ending the fiat monetary system.
- **Tues. 1 Oct** was also the deadline for all banks to close worldwide which were not Basel III Compliant (have gold backed currency).
- **On that same Tues. 1 Oct.** the Quantum Financial System Global Currency Reset activated with at least 144 countries currencies being gold/asset-backed and trading at a 1:1 with each other, including the new gold-backed US Note of the new United States of America Republic.
- **On Tues. 1 Oct. 2024** the new United States of America Republic began its new fiscal year under a gold-backed US Note.
- **In the first week of October** the Emergency Broadcast System will activate while President Trump and the Global Military Alliance will be executing the largest Sting Operation in history and the EBS broadcasts documentaries 24/7 on the state of those arrests.
- **Wed. 2 Oct. 2024:** 150 bankers who were holding up the RV were arrested today.
Tomorrow Thurs. 3 Oct. the US Debt. Clock will read 0. ...meeting of Restored Republic
- **On Thurs. 3 Oct. 2024** Iraq celebrates their Independence Day.
- **Tues. 1 Oct. 2024 General Flynn Next 37 days:** "We are in a period where we are going to see such a level of desperation in the next 37 days. What you think you have been through already in the last 8 years, what we are about to experience in the next couple of weeks/month plus...I think it's going to blow the minds of people. I think we are going to see things that we have not experienced as a nation."

F. Global Currency Reset:

- **Wed. 2 Oct. 2024 Wolverine:** “Guys, Iraq still has not floated the dinar yet on Forex. Bond payments are definitely started, or about to start. Hearing all good news regarding Bond Holders, but nothing concrete about the RV. There are Whales who have flown to Zurich to go to their appointments and receive their blessings. The RV is very complicated as they are dealing with all the currencies of the world and have them all gold backed. The Pentecostal group is about to release the funds to their members that are going to the event this weekend. They will be given the codes and the PIN number to access their funds. They will be paid first before going to the gala night. I think about 300 people or more are going to the event from various countries around the world. Contracts are starting to get paid.”
- **Wed. 2 Oct. 2024 MarkZ:** “The Historic Bond contact I was hoping could give me an update said they are now under an NDA. I am confident they got paid something at the table or they would not have signed it. A couple other bond folks told me they did get their final paperwork but the plan is not to pay until early next week. So paperwork is final...process is started but they will not get full release of their funds until next week. I wonder if it’s more of an international clearing process to get their spendable funds. In other words, two of my contacts were in a group so funds were given to the paymaster. Then the paymaster has to clear those billions in funds internationally then distribute those funds to all the people in the group. If these billions were moved from Europe to the US- there would be safety checks and balances. This takes awhile. I very much think and am very confident money has been moving on bonds, just not as quickly as we want it to be moving.”

H. Wed. 2 Oct. 2024: Global Financial System Implemented: ...Ariel on Telegram

- **Banks on a Leash:** No more reckless speculation or shady under-the-table deals. For the first time in modern history, the banking system is being held accountable. Gone are the days when Wall Street fat cats could manipulate your savings for their own gains. The gold-backed system will guarantee your hard-earned wealth is protected by real value, not inflated promises.
- **A Government That Works For You:** The era of government inefficiency, waste, and corruption is coming to a close. No more secret deals or hidden agendas that favor a

select few. Instead, programs and policies will focus on serving YOU, the citizen, above all else. Every law, every initiative, will be crafted with your well-being in mind, ensuring you and your family prosper in a system designed for the people, by the people.

- **Wall Street's Days of Manipulation Are Over:** The financial elites are finally being put in check. No longer will Wall Street have the power to rig markets or siphon wealth from the middle class. The rise of decentralized, asset-backed systems like tokenized gold ensures that real value is driving the market, not fabricated bubbles. You'll have the power to invest in real assets, knowing the market can no longer be rigged against you.
- **Ports Flowing With Integrity:** The East Coast port strike has opened the door to transparent and equitable supply chains. The days of backroom deals that created shortages and price hikes are over. Goods will now flow through the ports with fair labor practices, ensuring both workers and consumers benefit from a system built on trust and cooperation. You will finally see the true cost of goods reflect the value of fair and honest trade.
- **Entertainment Industry Revolutionized:** Hollywood's darkest secrets are being dragged into the light. The fall of major entertainment figures signals a new chapter where art, media, and culture will reflect truth and integrity. No more glorification of toxic behaviors or exploitation hidden behind the glamour of fame.
- **Real Time Accountability:** For the first time in your life, you will witness justice unfold in real-time. From government officials to banking moguls and entertainment elites, those who have acted in secrecy or malice are now being held accountable. You will see laws applied equally and fairly, no more playing favorites.
- **A Future For Your Children:** The changes happening today will reverberate for centuries. These shifts aren't just for us—they're for future generations. Your children and grandchildren will inherit a world where truth, integrity, and fairness form the foundation of society. They'll grow up in a country where opportunity and justice are the norm, not the exception.
- **The Return of Law & Order:** The era of chaos is ending, and in its place is a society governed by fair and just laws. This is the foundation of the New Republic, where no one is above the law, and every citizen is protected by the same set of rules. This will give you the confidence to make decisions knowing they are rooted in reality, and that the system will uphold what is fair and right.
- **Historic things are happening today. And it's not even 11:00 yet.** Julian Assange just exposed Mike Pompeo. Naming those names you all want to hear. But I doubt that will be all of course. Because at some point that celebrity that is on that P. Diddy tape will come out and the world will be quite surprised. This is when I think the panic will really set in for the rest of Hollywood.

O. Wed. 2 Oct. 2024 Breaking News! Not Reported! Trump Exonerated for January 6!

...Steve Bannon on Telegram

- **Transcripts Show President Trump's Directives** to Pentagon Leadership to "Keep January 6 Safe" Were Deliberately Ignored – September, 2024
- **Days before January 6, 2021**, President Trump met with senior Pentagon leaders, urging them to do their jobs and protect lives and property. The transcripts show that Trump specifically directed Pentagon officials to ensure the safety of the Capitol, even calling for the use of the National Guard. But those directives were ignored, leading to chaos instead of order.
- **This revelation exposes the lies in the DoD's report**, which had attempted to shift blame elsewhere. In truth, Pentagon leadership prioritized "optics" over protecting lives. Chairman of the Joint Chiefs, Mark Milley, recalls Trump saying, "Make sure that you have sufficient National Guard or Soldiers to make sure it's a safe event." However, Acting Secretary of Defense Chris Miller falsely assured him, "We've got it covered."
- **On January 5, Secretary of the Army Ryan McCarthy placed unprecedented restrictions on the D.C. National Guard**, effectively shackling them from acting without his explicit approval. The Guard was ready to go, but was deliberately held back – while the Capitol fell into chaos.
- **When rioters breached the outer perimeter at 12:53pm, it took five long hours before the Guard was deployed.** Why? "Optics" concerns were prioritized over protecting the Capitol, as shown by Lt. Gen. Walter Piatt's remarks.
- **Chairman Barry Loudermilk demands answers**, and rightly so: "It is very concerning that these Senior Pentagon officials ignored President Trump's guidance AND misled Congressional Leaders to believe they were doing their job, when they were not. The DoD IG's report is fundamentally flawed. We will continue to dig until we are satisfied that the American people know the truth."
- **Why were our heroes sitting on buses, waiting for hours, watching the Capitol fall, unable to help?** Where was Secretary McCarthy, and why did it take two full hours after verbal approval was given to actually communicate it to the D.C. National Guard?
- **These transcripts are a clear testament** to the betrayal of those at the top, who chose to let chaos reign over protecting our nation. As our beloved Capitol was overrun, the Guard was left waiting – for no reason other than a calculated decision to hold them back.

- **We will not let this go unnoticed.** We demand full accountability, and we will keep pushing for the truth until it is heard loud and clear.

P. Wed. 2 Oct. 2024 Beginning of the End ...Carolyn Bessette-Kennedy on Telegram

- October 1st: The Beginning of the End for the Globalists: Mark this date. October 1st is not just the start of a new fiscal year for many organizations; this time, it's different. The Quantum Financial System (QFS) will be fully activated, and the NESARA/GESARA debt forgiveness will kick in. This means global wealth redistribution is about to begin.
- They're trying budget reallocations, mass layoffs, and desperate pivots? All just signs of the old system gasping for air. The Deep State is fighting to keep its head above water, but the tide is rising—and there's nothing they can do to stop it.
- The globalists are on the run. They've tried to manipulate oil prices, incite strikes, cause financial panic, and even threaten a government shutdown, but none of it will stop what's coming. October 1st will be remembered as the day that marked the beginning of the end for these corrupt elites.
- We're on the brink of historic events that will change this country—and the world—forever. The Deep State knows it, which is why they're throwing every dirty trick they have left. But no matter what they do, they can't stop the unstoppable. The Quantum Financial System is here, and nothing will stand in its way.
- Prepare for anything, because the waiting is over. We aren't just witnesses to history; we are about to become part of the greatest revolution the world has ever seen. The storm is here, and we will rise.
- The future belongs to us, and there's nothing the elites can do to prevent it.
- Welcome to the end of the Deep State. Welcome to the rise of the people.

T. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. W. Judy Note: *Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the "22 Faces" re-publication release, please email me at: info22faces@yahoo.com
