Operation Free World Launches on Fri. 1 Nov.

The Greatest Military Sting and Financial Reset in History

It’s the largest Military Intelligence Operation ever undertaken.

Meanwhile, the Cabal Has Planned a Nationwide Cyber Attack & Blackout Tues. 5 Nov.

**“The US Government Has Been Run by a Terrorist Organization Since January 20, 2021”
...US Mexican Border Chief Aaron Heitke**

Satan’s highest holiday All Hallows Eve goes through Fri. 1 Nov.

It’s a major Satanic Holiday where children are kidnapped, raped and killed.

Please don’t help Satan create fear in children through your Halloween decorations, wording, costumes and activities. Fear gives him power to control them.

A Severe Snowstorm or Cyber Attack Could Cut Off Your Money Supply

It’s only wise to have at least a month’s supply of food, water, cash, medicine and essential items on hand for yourself, your family and to share with others in case of emergency.

Judy Note: The Storm has arrived. The US Government has been run by Terrorist Organizations since the **January 20, 2021** fake Biden inauguration. They prey on innocent children. We must protect them.

It's the fraud and corruption that's in our way. In **March 2024** Kamala Harris received \$500,000 for tipping off P Diddy about a police raid on one of his infamous parties – and no one reported on it. Hollywood Elites were taking 'Adrenochrome Tours' of Ukraine and no one reported on it. Putin Released a 4,000 page report exposing how Elites have rigged the 2024 US Election – and no one knows about it.

On Fri. 1 Nov. 2024 Trump and the Global Military Alliance were taking charge. As a fake **Global War Castle Rock** scenario unfolds, **Operation Free World** will launch raids on the Cabal's final strongholds across 100+ countries. The Global Military Alliance will be targeting the Cabal's Human/Child Sex Trafficking, illegal arms production and bio weapon development.

Trump has planned this takedown of the Century. Another Event called **Operation Autumn Sweep** marks the beginning of the end for some of the most powerful forces hiding in the shadows: Disney, Maxwell, and Epstein—names synonymous with corruption, trafficking and global control.

These Military Movements will also signal the greatest Financial Reset in history! With the Quantum Financial System (QFS) and NESARA/ GESARA, a global reset was already in progress. It's a return to the principles of 1776, bringing digital gold-backed currency.

Basically telling them to figure it out

themselves and then having DSS come in and say, well if you can't figure it out I'm gonna take your kid because you're homeless. You've got to be freaking kidding me. You have people over here trying to donate campers and tiny homes, but the county wants to fight people about having permits to put tiny homes down. BOMBSHELL! Starlink and Trump Are About to Unleash the EBS – 8-Hour Broadcast Incoming, Followed by 10 Days of Darkness – The Global Elite’s Secrets Will Be Exposed!
 ...Gitmo TV

- **Starlink is more than just satellites;** it’s the backbone of global awakening. The Emergency Broadcast System (EBS), powered by Starlink, will expose the elite’s darkest secrets, leading us to financial freedom under GESARA.
- **As of October 26, 2024, Trump, Musk, and the Alliance** are readying Starlink for full-scale EBS activation. The elite’s grip is slipping fast with military takeovers, secret tribunals, and the approach of NESARA/GESARA, reclaiming wealth stolen from the people.
- **Starlink’s Role in Exposing the Elite’s Secrets:** With 1,700 satellites in low orbit, Starlink covers the globe, bypassing any interference. When activated, the EBS will take over all devices, delivering the truth directly to everyone. This unstoppable broadcast will stream for 8 hours, sharing confessions, documents, and videos that reveal elite crimes—corruption, child trafficking, money laundering, and more.
- **The elites have feared this day,** knowing that once Starlink launches the EBS, they have no control. These revelations will expose their centuries-long manipulation of governments and economies.
- **The 10 Days of Darkness: Starlink’s Role in the Global Shutdown:** After the 8-hour broadcast, 10 Days of Darkness will follow. Traditional media and social platforms will go silent, with Starlink as the sole source. The alliance will use this period to secure key

infrastructure, preventing any elite retaliation. During this time, military tribunals, whistleblower confessions, and hidden truths will be streamed to the world.

- **What Happens After the EBS? The People's Reckoning:** The EBS will spark worldwide justice. Military tribunals will begin, holding the elites accountable for crimes against humanity. The Quantum Financial System (QFS), powered by Starlink, will replace corrupt banks, ending debt slavery. And with the Quantum Voting System (QVS), free and transparent elections will ensure no more elite manipulation.
- **The countdown has begun.** Starlink and the EBS will unveil everything, shattering illusions and freeing humanity. Prepare, because the revolution is here and unstoppable. Once the EBS starts, the world will see the truth—and the elites' reign will end.

“These flights simply brought aliens who would have been released in San Diego over to Texas. Each flight cost around \$150,000.” ...US Border Chief Aaron Heitke, served under five different administrations

- **Since January 20, 2021**, the United States government is being run by a terrorist organization.
- **I was ordered by the Biden/Harris terrorist administration to coverup, conceal and manipulate data on the border crisis.** "We have no idea who or what is coming through our country."
- **"At the time, I was told I could not release any information** on this increase in SIAs or mention any of the arrests. The administration was trying to convince the public there was no threat at the border"
- **FENTANYL** "San Diego area sees between 80% and 90% of the methamphetamine and fentanyl seizures annually for our entire country. With little enforcement at the border these drugs were coming through in mass. During my last year in San Diego the price for a single pill of fentanyl for example went from 10 dollars to 25 cents."
- **FUNDING:** "To make matters worse during 2022 and 2023 I had to shut down San Diego traffic checkpoints. Which are critical from drug interdiction. Because the resources had been diverted to PROCESS RELEASE MISSION."
- **THE COVERUP:** "I had to release illegal aliens each day into communities who could not support them. To QUITE the problem two flights a week were provided from San Diego to Texas. Each flight cost approximately \$150,000. This was the administration's way to try to quiet the border crisis."
- **"Through pressure through the Administration** my headquarters became more interested in fiction being portrayed in the media and not at all concerned with reality.
- **We had 2000 or more illegal aliens** sitting between the fences asking to turn themselves in. I WAS TOLD TO MOVE THEM OUT OF SIGHT OF MEDIA."

Transcript, US Border Chief Aaron Heitke: [WATCH 'SPLINTERING BABYLON' FREE, NOW!](#)

Distinguished members, thank you for this opportunity. The only true consequence we have to slow down and discourage people from coming into the United States illegally is sending them back to their country of origin.

Throughout the first three-plus years of this administration, I saw a steady decrease in the countries we could send people back to.

For the first time in my 25 years, in under five different administrations, whether through neglect or on purpose, I saw a large-scale lapse in our ability to return people to their country of origin.

The inability to send people home meant that most people being arrested for illegal entry would either have to be detained or released. The current administration, however, from day one, made a point of decreasing the amount of detention space available, nationwide.

Immigration and Customs Enforcement's [ICE] funding for detention has steadily been cut and private detention eliminated. The fact that so many illegal aliens are being released into the

United States spread, worldwide very quickly. As this happened, the numbers the Border Patrol encountered illegally crossing the border increased exponentially.

The impact to me and my agents were significant. Sectors were ordered to take in and process all the illegal aliens encountered on the border. The Border Patrol saw groups of hundreds and thousands coming into the United States and turning themselves in.

These numbers pulled 80%, 90%, sometimes 100% of the agents on-duty away from the border. Border Patrol zones across Texas, Arizona, and California had no agent presence for weeks and months, at a time. Those who did not want to be caught could simply walk in.

We have no idea who and what entered our country over this time.

Throughout 2022 and 23, I sent agents to Texas and Arizona to count guideways. Those sectors could not even put enough agents in the field to see what they'd missed.

Simultaneously, in San Diego, we had an exponential increase in significant interest aliens. These are aliens with significant ties to terrorism. Prior to this administration, the San Diego sector averaged 10 to 15 SIA arrests per year.

Once word was out the border was far easier to cross, San Diego went to over 100 SIAs in 2022, well over that in 2023, and even more than that registered this year. These are only the ones we caught. At the time, I was told I could not release any information on this increase in SIAs or mention any of the arrests.

The administration was trying to convince the public there was no threat at the border. Fentanyl is another issue. The San Diego area sees between 80 and 90 percent of the methamphetamine and fentanyl seizures annually for our entire country.

With little enforcement at the border, these drugs were coming through in mass. During my last year in San Diego, the price for a single pill of fentanyl, for example, went from \$10 to 25 cents. To make matters worse, during 2022 and 23, I had to shut down San Diego traffic checkpoints, which are critical for drug interdiction because the resources had been diverted to the process and release mission.

The large numbers also had and still have a negative impact on the San Diego community. I had to release illegal aliens by the hundreds each day into communities who could not support them. To quiet the problem, two flights a week were provided from San Diego to Texas.

These flights simply brought aliens that would have been released in San Diego over to Texas. Each flight cost approximately \$150,000. This was the administration's way to try and quiet the border-wide crisis.

Once these flights were stopped and the releases continued, California saw the true economic impact. I received calls from the governor's office, local mayors, and hospital administrators asking me if we could keep injured aliens in custody so the federal government would pay the medical bills. Through pressure from the administration, my headquarters became more interested in the fiction that being portrayed in the media and not at all concerned with reality.

Each time we asked for help in dealing with a new issue, it fell on deaf ears. At times in San Diego, we had 2,000 or more aliens sitting in between the fences asking to turn themselves in. I was told to move them out of sight of the media.

Meanwhile, Border Patrol agents are continually forgotten and neglected by the media in this administration. These agents deal with death, women and children that have been raped, abused, trafficked, bought and sold, families that have spent months in terrible conditions, sickness, and despair. If you look at the dramatic rise in the number of suicides within the Border Patrol, it is directly correlated with the migrant surge.

The agents have been pushed beyond their limit, and this has greatly impacted their physical and mental health. While current numbers of aliens crossing our border are lower in comparison in recent months, there's a reason for this. After nearly four years, this administration finally started to ask Mexico for help in slowing down the traffic through their country.

This and other actions make a difference, but why has it taken so long? All of these tactics were being used before this administration took office, but this administration stopped or greatly limited them. I'm also concerned this will not be maintained. The problems we are facing at the border have solutions.

These solutions can be quite simple and cost far less than the mess currently occupying so much time and money. The return to a policy of enforcing the law and returning illegal aliens to their home countries is required.

Thank you.

M. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

N. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to

be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

O. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

P. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
