Judy Note: *There were over half a million Sealed Indictments charging Global Elites with
Pedophilia, Treason and other Crimes Against Humanity that have already gone through the
Court Process and were waiting to be served for arrests and Military Tribunals.*

*Many of these indictments have to do with an international Child Sex Trafficking Ring run by
the Vatican – that was connected to a underground DUMB Tunnel system filled with children*

used in Satanic Child Sacrifice rituals, tortured for their Adrenochrome, abused for their innocence, some produced through genetic experiments.

Under direction of President Trump, the White Hat Global Military Alliance has been rescuing those children from the Elite Satan Worshipping tunnels since 2017. While Trump and various State Attorney Generals, along with their 740 investigators, have been working on those indictments since 2016:

In other news, evidently the Democrat Deep State still plans to install Harris in the US Presidency ahead of Trump's inauguration, and then declare Martial Law so the Illuminati Puppets can stay in power to inflict their Satan Worshipping Deep State Agenda. If that didn't work, they had even more Trump Assassination plots in the mix.

It was discovered that the Deep State's Military FEMA ordered staff not to help Florida hurricane victims if they had Trump signs in their yards. Worse, and what was not reported in the Mainstream Media fake news was that FEMA had 350 Trailers sitting at Oscoda's Wurtsmith Airport, along with a military grade arsenal, plus had built underground prisons, hidden bunkers and Detention Centers ready to use for removal of Hurricane victims as part of their depopulation agenda.

C. Mon. 11 Nov. 2024: Behind the 1:1 Currency Revaluation in NESARA GESARA: Understanding a Global Economic Proposal for Wealth Redistribution! ... Nesara Gesara on Telegram

- **The NESARA GESARA movement proposes a 1:1 currency revaluation** to equalize wealth, strengthen national economies, and empower individuals globally. By rebalancing currency values, this ambitious framework aims to lift individuals out of poverty, empower local economies, and stabilize global financial systems.
- **What's NESARA GESARA?** NESARA (National Economic Security and Reformation Act) and GESARA (Global Economic Security and Reformation Act) are proposed frameworks aiming for a global reset. They envision wealth redistribution to tackle economic disparity, aiming to empower local communities and fortify national economies by incentivizing investments within each country's borders.
- **The Mechanism of a 1:1 Currency Revaluation Central to NESARA GESARA is the concept of 1:1 currency revaluation**—balancing exchange rates globally. This shift would enable individuals in nations with weaker currencies to see increased value in their income, empowering them on an equal economic footing. By aligning currency values, NESARA GESARA envisions a fairer world economy where financial stability is accessible across borders.
- **Empowering Local Economies: A Path to Prosperity** The NESARA GESARA framework aims to channel wealth back into home countries. Any wealth increase from revaluation would be accessible only within the individual's nation, promoting investments in local businesses, education, property, and more. This setup intends to foster economic growth at the community level, revitalizing overlooked regions with locally-driven development.
- **Revitalizing National Growth with Increased Local Wealth** As local economies gain strength, citizens' spending will contribute to national infrastructure, healthcare, education, and technology. The ripple effect of increased local wealth could stimulate community development and bolster national resilience, creating a self-sustaining cycle of prosperity.
- **A New Global Economic Balance** NESARA GESARA's impact reaches beyond borders. With elevated financial stability within individual nations, former dependencies on foreign aid could diminish, fostering international partnerships built on equal footing.

and shared growth. This vision sees less economic migration as people find meaningful opportunities within their own communities.

- **Practical Challenges and Considerations** The path to implementing NESARA GESARA isn't without obstacles. Achieving global cooperation, regulatory oversight, and currency stability would be crucial. Challenges include coordinating nations, managing potential inflation, and ensuring transparent distribution of wealth.
- **NESARA GESARA: A Bold Vision for Economic Equality** NESARA GESARA proposes a dramatic restructuring of global wealth to promote fairness and financial equity. By balancing currencies and supporting local economies, this framework envisions a world where individuals, regardless of nationality, can achieve economic security and contribute to sustainable growth. The vision calls for a world where every nation, every community, and every individual has the power to shape their own economic future—a radical step towards global prosperity.

D. Sat. 9 Nov. 2024 Nesara Gesara on Telegram:

- **Trump, now the undisputed leader of the Global Alliance**, has summoned 74 world leaders to Reykjavik, Iceland, for a covert summit scheduled for November 20-23, 2024.
- **This meeting will finalize plans** for the eradication of the Globalist Cabal and implementing NESARA and GESARA worldwide.
- **The redistribution of \$600 Trillion** in stolen wealth using the QFS funds hoarded by the elites are being funneled into humanitarian projects, infrastructure, and debt forgiveness programs.
- **The Elimination of Central Banks: Trump has already dismantled the Federal Reserve, and by March 2025**, the European Central Bank, Bank of England, and Bank of Japan will follow. This will mark the complete collapse of the fiat money system.
- **Global Arrest Warrants:** The alliance has prepared warrants for over 5,000 high-ranking globalists, including politicians, bankers, and CEOs. These individuals will face immediate tribunal trials. Over 5,000 arrests have already been made.
- **On Mon. 4 Nov. 2024 Military forces took down the Bank for International Settlements (BIS)** in Basel Switzerland and seized over \$23 trillion in gold, cash and digital assets. They uncovered classified vaults containing elite blackmail material, including videos, documents and genetic records tied to cloning experiments and human trafficking.
- **The BIS was the operational nerve center of the Deep State.** It controlled trillions in off-ledger accounts used to fund wars, regime changes, and globalist agendas. With the BIS under alliance control, the deep state's financial backbone has been severed.
- **On November 6, 2024, a massive raid conducted by elite military forces** uncovered a sprawling underground fortress known as The Black Fortress – a Deep State underground base in Antarctica where they discovered advanced anti-gravity spacecraft capable of intercontinental travel within minutes, Cryogenic chambers housing what insiders

describe as “genetically enhanced humans” intended to replace deep-state operatives and a secret server farm containing the Deep State’s most sensitive data, including evidence of collusion with extraterrestrial entities. The release of the information could revolutionize transportation, energy, and medicine.

- **On November 7, 2024 Military forces raided the Vatican Bank**, seizing \$10 trillion in laundered funds, connections to global trafficking rings, illegal arms deals and evidence of ritualistic human sacrifice tied to high-ranking church officials.
- **The Pope, under military house arrest**, is reportedly cooperating to save his life. However, Trump’s alliance has made it clear: no deals will be made. Military tribunals for Vatican officials are set to begin in December 2024, and the public will soon see the depth of their depravity.
- **On November 5, 2024, Musk’s Starlink Satellites detected a massive movement of stolen gold** being transported via submarine to a hidden bunker in Fiji. A coordinated military operation seized the gold and captured several high-ranking globalists attempting to escape justice. Starlink has also intercepted encrypted communications from Deep-State operatives attempting to flee to New Zealand, Antarctica, and remote Pacific islands.
- **On November 26, the QFS will implement full biometric lockdown**, rendering the old banking system obsolete. Every transaction will require Retina scans, DNA verification and Neural recognition technology.
- **By January 2025, every human on Earth** will be integrated into this system, leaving no room for corruption.
- **On December 25, 2024 the Emergency Broadcast System (EBS)** was expected to activate, after which Military tribunals will begin for child trafficking networks operated by elites like Soros, Gates and Clinton; the pharmaceutical industry’s collusion with globalists to suppress cures for cancer and other diseases and the use of advanced mind-control technologies to manipulate public opinion and elections.

E. Global Financial Crisis:

- **Mon. 11 Nov. 2024 President Trump:** “And tonight I’m also making another Promise to protect Americans from Government tyranny. As your President- I will never allow the creation of a Central Bank Digital Currency”

F. Mon. 11 Nov. 2024 Breaking Bombshell! End the Federal Reserve Now! America Under Siege by Financial Tyrants! ...Julian Assange

- **America is being held hostage by the Federal Reserve**—a hidden government of elite bankers dictating every move in our economy! Cloaked in secrecy and immune to accountability, these shadowy controllers manipulate our wealth, acting above the law with zero oversight. It’s time to reclaim our economy and stand up against this financial tyranny!

- **The Truth Exposed: The Fed's Real Agenda** The Federal Reserve isn't here to help you. This institution is a profit-driven machine for banking empires like BlackRock and the Rothschilds. They're using the Fed to secure their wealth while the rest of us struggle. Rate hikes? Dollar printing? They're moves to benefit THEM—not you. This isn't conspiracy; it's fact. These elites profit, while middle-class Americans pay the price.
- **America's New Tyrants: The Federal Reserve** Imagine an entity so powerful it dictates economic policy without any answer to the people. The Fed sits above Congress, above the President, beyond your reach. It operates as a fifth branch of government, a hidden power that answers to no one but its own financial backers. This is dictatorship by the dollar, and it's time to dismantle this fortress of elite control.
- **Patriots Arise: Trump and Ron Paul Sound the Alarm** For decades, Ron Paul has sounded the alarm about the Fed's stranglehold on America. Now, he's joined by Donald Trump to put an end to this corruption. Together, they envision an America free from elite control, where economic policies serve the people, not hidden financial empires. This isn't a distant dream; it's a movement, and the time to act is now!
- **Ending the Fed: A Call for True American Freedom Dismantling the Federal Reserve is the most patriotic move we can make.** Our Founding Fathers fought for freedom from tyranny; today, we fight against economic chains crafted by these modern-day tyrants. Ending the Fed is a battle for independence, for a fair economy where Americans, not bankers, control our financial future.
- **A New Vision for America's Economy** Imagine an America where your savings hold value, where inflation doesn't erode your hard work, where policies reflect the needs of the people, not the profits of the elite. This is the future Trump and Paul are fighting for—a sound financial system built on transparency, accountability, and freedom.
- **Stand Up, America! Demand the End of the Federal Reserve!** This is a call to action for every patriot. The Federal Reserve has stripped power from the people and placed it in the hands of elites. It's time for us to demand freedom, transparency, and the end of this financial dictatorship. Join the fight, stand for America, and let's bring down the Fed once and for all!

H. Mon. 11 Nov. BREAKING EMERGENCY REPORT: COUP ALERT! Democrat Deep State Moves to Install Harris in the Presidency Ahead of Trump’s Inauguration! Assassination Plot Uncovered, Martial Law Tactics Exposed!

- **Breaking News: Whistleblowers reveal a Democrat plot to install Kamala Harris as President** before Trump’s inauguration, sparking a constitutional crisis. Secret Pentagon meetings, assassination plots, and false flag attacks are all being leveraged to push America toward martial law.
- **Deep State Insiders Plotting to Sideline Trump for Harris Takeover: Top-secret** reports reveal a calculated plot by the Democrat Deep State to replace President Trump with Harris before Inauguration Day. This scheme includes assassination plans and staged attacks meant to justify martial law, plunging the nation into chaos and pushing for an authoritarian rule.
- **An Assault on America’s Core:** A hidden alliance within our federal institutions—known as the Deep State—is orchestrating a massive power grab. This network, entrenched in government, seeks to overturn the 2020 election results and install a president of their choosing, disregarding the will of the people. This brazen betrayal of democracy threatens the core of our nation.
- **Secret Pentagon Strategy Sessions: Betraying the Constitution:** Evidence is mounting of covert meetings in the Pentagon, where military and intelligence operatives craft plans to unseat Trump and install Harris. This violation of constitutional duty is a grave betrayal by those sworn to protect America from all enemies. Each secret session adds weight to the mounting evidence of an impending constitutional coup.
- **The Plot to Install Harris: Ruthless and Calculated:** The Deep State sees Harris as a “manageable” puppet, a figure they can control. Their plan involves bending succession laws and manufacturing crises to justify removing Trump and thrusting Harris into office. This strategy disregards the democratic process, tearing at the heart of America’s values.
- **Trump’s Assassination: The Ultimate Move in the Deep State’s Plan:** Disturbing reports suggest the coup includes a plot to assassinate Trump during a public appearance, creating a spectacle to fuel fear and shift power. This horrifying plan aims to use Trump’s life as a pawn, paving the way for “emergency powers” and advancing the Deep State’s agenda.

- **False Flag Terror Attacks to Justify Martial Law:** The plan includes staged terror attacks designed to look like real threats. These false flags would create an atmosphere of fear, allowing for martial law, expanded surveillance, and a crackdown on any dissent. Under Harris's administration, empowered by these fake crises, federal control would increase, crushing freedoms at the heart of American values.
- **America on High Alert: Standing Against Tyranny:** As these events unfold, unity and vigilance are essential. This crisis will define America's resolve. We must expose this assault on democracy, hold these traitors accountable, and demand transparency from every level of government. Through collective action, we can protect our constitutional rights, preserve our institutions, and defend the life of our President.
- **This is the moment. We must stand together,** expose the darkness, and reject the tyranny seeking to infiltrate our highest offices. America's future depends on our unwavering commitment to freedom and a determination to see justice prevail.

I. Mon. 11 Nov. 2024 Capt. Kyle on Telegram:

- **From my understanding, a secret group within the Military called the Northern Virginia Army,** makes up over 800 Generals and other high up Military officers who are picked out (invite only) in order to save our Republic. It's a mission that's been going on since the days of Eisenhower.
- **This group generally stays within the shadows,** but has reported to Kennedy, Reagan and Trump.
- **After vetting all possible Presidential candidates,** Donald J Trump was chosen as the best possible candidate to take back our country and was asked by this group to run for President.
- **Trump's Uncle, John Trump** had access to the most sensitive Tesla knowledge after his death in 1943 as he worked at MIT at the time.
- **Trump was raised by loving parents** and had access to the best education one could get at the time. Trump is always the smartest guy in the room, and the most humble but he will never admit that (in many cases, quite the opposite - remember the world that we live in, and that although we live in this world, we are not of this world).
- **Trump has been running intelligence** out of his properties since the 1970s. Look up a guy named Keith Schiller, he was head of his intelligence team.
- **To me, there are no coincidences.** It's very much a spiritual battle, and God always wins, even if the battle is measured in centuries. We are now at a convergence of events, that we will look back and the measuring stick will be in Biblical proportions.

K. Mon. 11 Nov. 2024 BOOOM! NEXT MILITARY MARKER: Supreme Court Rules on BRUNSON CASE! ...The 47th on Telegram

- **America braces as the Supreme Court** nears a decision on the explosive Brunson case. This monumental ruling could restore Donald J. Trump to power, shattering the establishment and marking a seismic shift back to the people. Patriots, stand ready—this is the turning point America has awaited!
- **The nation is on edge as the Supreme Court** considers this historic case. This potential ruling isn't just a legal matter; it's about reclaiming the heart and soul of America. If the Court rules in favor of Brunson, it would validate what millions have believed—that the system has betrayed the people. Imagine the impact: Donald J. Trump could return to the Oval Office, and a storm of change would sweep through every corner of Washington.

- **For patriots, this isn't just about restoring one man to power;** it's about justice, integrity, and accountability. Should the Court side with Brunson, it could set a precedent, igniting a long-awaited reckoning for those who manipulated the system. This could be the next military marker we've been anticipating—a signal that true change is here.
- **The Q Movement Predicted It:** Followers of the Q posts have long awaited a moment like this, a critical event that would wake up the nation. Some believe this could activate the Emergency Broadcast System, allowing the truth to bypass media control and reach every American directly. Patriots have speculated that Elon Musk's Starlink could play a role, creating a new communication channel that finally lets the people see the reality beyond the media's shadow.
- **Media Silence or Compliance?** The mainstream media has ignored cases questioning the establishment narrative, but they won't be able to look away if the Court rules for Brunson. The FCC mandates media compliance in critical national events, yet the question remains: Will the media honor its duty, or will it silence this story too? If the Supreme Court sides with Brunson, media response will be telling. Patriots are prepared to be their own news source, echoing Elon Musk's words: "YOU ARE THE NEWS NOW."
- **The "Scare Event" for the Cabal:** Many believe a favorable ruling would trigger a "SCARE EVENT"—not to frighten the public, but to signal to the cabal that their power is crumbling. This event could be the ultimate warning for those who've hidden behind corrupt power structures. It's not "We the People" who will be in fear, but those who believed they were untouchable.
- **A Revolutionary Shift:** Picture the aftermath if the Court rules for Brunson. The political landscape would shift overnight, igniting a surge of patriotism and demand for transparency and accountability. This decision would mark a reawakening as America returns to the principles it was founded upon.
- **This case is a warning to the Cabal** that their era of control is nearing its end. If Trump returns, it will be a victory for the people, a step toward reclaiming our nation, and a new dawn of justice and patriotism.
- **As the Supreme Court deliberates, America stands at the edge of history.** This decision could reignite a movement that cannot be silenced. Every heartbeat, every patriot watches, waiting to see justice served and the voice of the people restored. This is more than a ruling—it's America's future on the line.

M. Mass Arrests:

Mon. 11 Nov. 2024 White Hat Intel:

- **Indictments Begin:** Epstein, JP Morgan, Les Wexner connections to UK Pedophile Ring.
- **At the start of the summer military tribunals** were happening in the Virgin Islands at the same time the JP Morgan Trial was happening that had connections to the Epstein & CIA Pedophile Ring.
- **The military courts** were using the public JP Morgan Trial to subpoena World Elites to the courts.

- **Behind the scenes Military Tribunals and investigations** were taking place. Elites such as Sergey Brin were being debriefed inside the Military Tribunals. And, Elites such as Brin were spilling all the secrets.
- **Soon after courts across the World** went after the Epstein/JP Morgan/ World Elite Pedophila Rings.
- **More indictments began with a lawsuit against Abercrombie & Fitch** over ex-CEO's alleged sex abuse of models and sex trafficking.
- **An Abercrombie & Fitch model** said that he was forced to perform oral sex in order to land a modeling gig with the fashion brand. He is suing the mall-based teen retailer. David Bradberry filed suit in Manhattan federal court on Friday against Abercrombie, accusing it of enabling former CEO Mike Jeffries to run a sex trafficking operation that is said to have exploited and abused dozens of young men (boys).
- **All this begins in the UK** as White Hats Military intelligence are working behind the scenes to bring out the pedophile ring and corruption through the UK crime rings.
- **It's reported by several sources** that the BBC is being forced by the Military Alliance to start reporting on the pedophile rings.
- **The stories and evidence** will drop more and more by 2024 and collide with U S. Congressional investigations into the Epstein saga.
- **This new indictments and legal action** comes in the wake of a damning BBC documentary in which several young men, including Bradberry, came forward with allegations against Jeffries and the company.
- **"Abercrombie profited enormously** from the over-sexualized exploitation of young men," Brad Edwards, Bradberry's attorney who also represented alleged victims of convicted pedophile Jeffrey Epstein, told The Journal.
- **Mike Jeffries the CEO of Abercrombie & Fitch** grew up in Los Angeles California and has his deep connections to Les WEXNER, Macy's and JP Morgan subsidiary companies including Epstein.
- **It's been revealed that Macy's** was financing trips for Congress and the Senate to go down to Epstein island and have secret meetings.
- **Now as we all know that Epstein was controlling a worldwide MASSIVE pedophile blackmail ring** and the CIA Mossad financed him. Ghislaine Maxwell's father was the billionaire superspy for the Mossad MI6 and CIA.
- **Now there was major panic in the World** as Elites know the Storm is coming closer and the Military Alliance is pushing World Governments for indictments against Epstein and JP Morgan Associates.
- **This was all leading to a massive exposure of a Worldwide Pedophile Ring** connected to Military Intelligence agencies and Elite government officials – a collision course on the way that will connect with Congress going after the Epstein files.
- **Musk will drop the massive story** direct to the World.

- **A picture was being painted for the Story of the Century:** a World Pedophile Ring connected to World Banks, Deep State Military Intelligence, World Elites, Presidents, Governments, Hollywood and the World's Entertainment Industry.

N. Mon. 11 Nov. 2024 Urgent! Pentagon's Secret Plot: Military Leaders Prepare to Defy President-Elect Trump's Orders. A Brewing Showdown in Washington! ...Gitmo TV on Telegram

- **Urgent: Pentagon insiders are allegedly preparing** to defy President-Elect Trump's directives, sparking a potential showdown within Washington's highest ranks. Are military leaders set to challenge America's choice for change? Dive into this explosive power struggle threatening to tear apart Washington and betray the American people.
- **Pentagon's Secret Meetings to Challenge Trump's Orders:** Whispers from within the Pentagon reveal that top defense officials are allegedly holding secret meetings, strategizing on how to handle President-Elect Trump's forthcoming orders. With Trump on the brink of taking office, these discussions hint at a hidden conflict between the military and the new administration. The question stands: is the Pentagon gearing up to defy the will of the American people?
- **Inside the Pentagon's Strategy:** Sources claim Pentagon leaders are holding informal discussions on how the Department of Defense may respond to Trump's directives—particularly around deploying military forces domestically and restructuring internal staff. While within his presidential rights, these moves reportedly alarm certain officials, raising questions about Trump's impact on military and government operations. Is the Pentagon willing to resist their Commander-in-Chief?
- **Trump's Mandate vs. Military Concerns:** Trump's election promises a hard-hitting agenda and an overhaul of the "swamp." This mandate echoes with his supporters who demand real change. But Trump's vision for a streamlined government and assertive military power is reportedly sparking alarm bells in the Pentagon. Some defense officials argue that his bold moves could shake military professionalism. But shouldn't the Pentagon respect the people's will and stand by the man they chose?
- **Potential Orders Stirring Pentagon Tensions.**
- **Trump's rumored plans include: Domestic Deployment of Troops:** Trump's drive for "law and order" may call for troops on home soil—controversial in Pentagon circles.
- **Civilian Restructuring:** Trump's "clean house" vision could lead to firings within the Department of Defense, viewed by some as destabilizing. These potential orders could bring about a historic clash between an elected president and the military establishment. Will the Pentagon comply, or will resistance lead to a showdown?
- **The Risk of a Divided Government:** A rift between President and military would not only be unprecedented but potentially dangerous. The United States prides itself on civilian control of the military, designed to protect democracy. But if the Pentagon truly stands prepared to counter the Trump administration, that balance could be shattered. Are

citizens to be concerned that an institution entrusted with defending democracy may defy the will of the people?

- **The People's Choice – Will the Pentagon Stand Down?** As Trump's inauguration approaches, America waits to see if the Pentagon will follow orders or resist. For now, these are whispers—unconfirmed, behind closed doors. But when Trump takes office, will these whispers turn to action? The American people voted for change and expect the Pentagon to serve their choice, not undermine it.
- **In this democracy, the military serves the people.** Will Pentagon officials remember their true duty? The stakes are monumental.

S. Mon. 11 Nov. 2024: New Leaks Confirm: DUMBs Raided in the Biggest Military Operations Ever—Millions of Children Rescued, Global Trafficking Networks, Rituals, and Genetic Experiments Exposed!

- **The horrifying truths about Deep Underground Military Bases (DUMBs)** are unraveling, and the revelations are earth-shattering. These underground hellscape, once dismissed as mere bunkers, are confirmed hubs of child trafficking, genetic experiments, and dark rituals. The elites can no longer hide as military alliances around the world tear apart their web of secrecy.
- **Global Network of DUMBs:** The DUMB network is massive—a global labyrinth beneath cities like Paris, Berlin, and Dubai, each a node in the elite's trafficking and experimentation operations. Recent discoveries include tunnels under Zurich, Switzerland, linked to financial institutions suspected of transporting trafficked individuals and high-value contraband.
- **Raids Reveal New Evidence:** The Global Military Alliance, including U.S. Special Forces and BRICS nations, is dismantling these underground networks with chilling findings.
- **Nevada Complex:** Recent raids uncovered cloning and biogenetic labs in Nevada, filled with cloning vats and human-animal hybrids, products of illegal experiments overseen by

deep-state scientists. Whistleblowers report plans to create obedient “super-soldiers” for the elites.

- **Mexico Border Tunnels:** In late October, raids uncovered a vast tunnel system connecting the southern U.S. to Central America. Over 700 trafficked women and children were freed, and evidence points to a partnership between powerful cartels and global elites.
- **Central Park Horror:** Under New York’s Central Park, ritual chambers covered with satanic symbols were discovered, used for ritual abuse. These chambers connect to a DUMB network under Manhattan, leading to locations like the United Nations and elite clubs.
- **Human Experiments Exposed:** DUMBs aren’t just trafficking hubs—they’re sites of grotesque human experimentation: mind-control, organ harvesting, genetic modifications. Survivors report torture and tests for telepathic abilities, with countless others not surviving these horrors.
- **The Deep State’s Desperation:** As raids intensify, elites are panicking. Intelligence shows politicians, CEOs, and Hollywood elites fleeing to fortified locations, attempting to escape justice. Financial connections between IMF and World Bank reveal these organizations funded the creation and maintenance of DUMBs, diverting portions of international loans to support trafficking and experimentation.
- **BRICS Alliance Takes Action:** BRICS nations are striking back by implementing a gold-backed financial system to cut off funding to these operations. Intelligence reveals elites shifting assets to offshore accounts and cryptocurrencies, but these moves are being tracked and seized.
- **Emergency Broadcast System:** Global Awakening: An Emergency Broadcast System (EBS) is set to expose these horrors. Footage of raids, survivor testimonies, and classified military briefings will be presented in real time, reaching billions and revealing the atrocities committed in these hidden networks.
- **The Reckoning is Here:** The DUMBs network is no longer hidden. The elites responsible will face justice. Humanity’s fight for its soul has only begun. Stay vigilant, share the truth, and prepare for what’s to come—the world is waking up, and the reckoning is here.

U. Mon. 11 Nov. 2024: Kenya Grants Bill Gates Untouchable Immunity: Worldwide Crisis as Thousands Die in Human Experiments—They Do Whatever They Want with Human Test Subjects! ...Carolyn Bessette Kennedy on Telegram

- **Kenya has surrendered its sovereignty to the Bill & Melinda Gates Foundation.** This is not just charity wrapped in goodwill—it's a takeover of a nation's autonomy. With diplomatic immunity granted to Gates and his foundation, Kenya is now the testing ground for a chilling global agenda that strips nations of power, placing control in the hands of unelected elites.
- **The Kenyan government has officially granted immunity from legal action to Gates and his foundation employees** for acts performed under their "official duties." No taxes. Property ownership. Untouchable. This immunity shields corruption, exploitation, and manipulation, part of a larger, orchestrated plan to install global control disguised as "philanthropy."
- **Immunity: A Shield for Tyranny:** Why does a "humanitarian" need immunity from the law? The answer is clear: their actions would not withstand scrutiny. Gates isn't helping Kenya—he's laying the groundwork for a new kind of colonialism, built on policies,

money, and a façade of goodwill. Kenya's immunity deal is the template for an era of elite dominance. Nations worldwide risk losing their power to hold these entities accountable. Kenya's government, seduced by funds, has sacrificed sovereignty.

- **Kenya as a Laboratory for Elites:** Kenya isn't Gates' first victim, but it's the first to give him immunity by law. This move has triggered outrage, with public advocates calling for transparency on this betrayal. Daniel Maingi of the Kenya Food Rights Alliance states, "Kenya is now a laboratory. Africa is being sold to the highest bidder."
- **This immunity will set a precedent across the globe,** a model for governments willing to trade their people's rights for globalist funding. This is just the start of a campaign to destabilize sovereignty, with countries like Kenya as stepping stones for a larger agenda.
- **Weaponizing Agriculture: Destroying Sovereignty:** The Gates Foundation's grip on African agriculture is part of its domination plan. Through AGRA, Gates has injected nearly \$900 million into a system that harms local ecosystems, enslaves farmers, and profits multinational corporations. AGRA forces farmers to abandon traditional practices for seed laws that criminalize their heritage—mandating synthetic fertilizers and GMOs controlled by Big Ag. This isn't feeding Africa—it's controlling it.
- **Vaccines: Gates' Bio-Experiments:** Gates' influence extends beyond agriculture. His public health projects in Africa leave devastation:
 - Polio Epidemic: Gates' polio campaign led to vaccine-derived polio cases worldwide.
 - **HPV Vaccine Scandal:** In India, Gates funded trials on 23,000 girls, leading to deaths and severe health issues.
 - **Malaria Vaccine Trials:** Trials backed by Gates killed 151 infants in Africa, leaving many with severe reactions.
- **With immunity,** Gates ensures no court or government can challenge him.
- **Digital IDs:** The Control Mechanism
- **The latest development is Maisha Namba, a digital ID system in Kenya, tracking every newborn's life.** Critics warn it's a tool of totalitarian control, eliminating privacy. Dr. Mumbi Seraki calls it, "A system of digital enslavement."
- **A Global Power Grab:** This is not charity. This is empire-building. Gates bypasses democratic processes, imposing his will on nations. Immunity guarantees his actions—no matter how harmful—are unpunished. Kenya's surrender is a wake-up call. Today, it's Kenya. Tomorrow, it could be any country willing to sell its sovereignty.
- **The Last Warning:** Kenya's surrender to Gates is a message to the world. Immunity allows elites to act above the law, unchecked and unstoppable. If this isn't halted, nations lose sovereignty, populations lose freedom, and a cabal of elites rules unchallenged.
- **The Kenyan people—and the world—must reject** this betrayal. Gates' immunity must be revoked, and his foundation held accountable. Anything less is a surrender to tyranny.

V. Artificial Sweetener called Aspartame is actually a brain drug that stimulates your brain so you think that the food you're eating tastes sweet. You'll notice that when using Aspartame everything you eat at the same time also tastes sweet.

- **Aspartame breaks down to its poison** constituents at 86 degrees (Aspartic Acid 40%, Phenylalanine 50%, and Methanol 10%).
- **There is mounting evidence that the "Burning Mouth Syndrome"** experienced by the Desert Storm troops was actually Methanol poisoning from the Diet Coke they drank lots of, after being exposed to desert temperatures.
- **Aspartame 10% Methanol** appears in the body quickly and is the same alcohol that your mother probably warned you that it can make you blind. Many skid-row alcoholics had problems with this cheap but deadly form of alcohol.
- **Aspartames 40% Aspartic Acid is an "excitotoxin"** in the brain and excites neurons to death, i.e. it kills brain cells and causes other nerve damage and it triggers Migraine Headaches.
- **Aspartame breakdown products attack the bodies** tissues and create Formaldehyde which builds up in the tissues forever.
- **Remember the smelly, eye watering fumes** from the frogs you dissected in school? They were preserved with Formaldehyde! Formaldehyde is thought to cause cancer.
- **Aspartame also breaks down to diketopiperazine [DKP]** which is proven to cause Brain Tumors! Brain Tumors used to be rare!
- **Several of the rats in the original study formed brain tumors during their Aspartame exposure.** The researchers surgically removed the tumors and returned the rats to the study and discounted the tumors.
- **Aspartame is poison!** How the FDA allows this remains a mystery.

X. Satan Worshipping Illuminati Zionist Deep State Cabal Globalist Depopulation Agenda 2030:

- **Mon. 11 Nov. 2024:** More than just a political stunt, the Deep State plans to launch a coup against the incoming Trump presidency while he is still President elect. The desperate establishment is planning to launch false flag domestic terror attacks that will be blamed on Trump and his supporters. With the help of the corrupt pentagon and civil unrest, hyped up by the dinosaur media, DJT's certification as the new president would be blocked, and America would be plunged in to a second Civil War.

Y. Mon. 11 Nov. 2024 Unconstitutional Federal Reserve should be abolished ...Capt.Kyle on Telegram

Thanks to Federal Reserve Board Chairman Jerome Powell's cocksure arrogance and recent public comments that President Trump can't dismiss him, Utah Senator Mike Lee & incoming Director of the new Department of Government Efficiency (#DOGE), Elon Musk, have both echoed these 2 truths:

1) The Federal Reserve is NOT now, nor has it ever been, authorized to exist by our U.S. Constitution, and

2) President-elect Donald Trump and the incoming 2025-26 Congress should pass legislation that abolishes this so-called "untouchable" and un-Constitutional banking cartel that feeds the DC Swamp, the Military-Industrial, Media-Industrial, Maritime-Industrial and Medical-Industrial Complexes via its' wealth-extracting IRS Code, income-taxes and fiat-money printing/inflation monopoly designed to enslave, destroy, divide, poison and control everyone of us.

Tariffs work, and they always have. Except for the purpose of grotesque profiteering by Central Bankers in charge of running the Marxist-Aethiest inspired banking system invented by its' founding father, Lord Amstel Bauer Rothschild.

QUESTION: How in God's name will the Hidden Hand "Masters of the Universe" continue to CONTROL US ALL if they lose their privately-owned and for-profit, Divide & Conquer taxation powers?

Z. Mon. 11 Nov. 2024 BOOM!!! JUST NOW: President Trump Releases His Plans to Dismantle the DEEP STATE! ...Mel Gibson on Telegram

- **THE END OF THE DEEP STATE:** President Trump unveils a groundbreaking plan to obliterate the Deep State, purge corruption, and restore power to the American people! From firing rogue bureaucrats to enforcing term limits, Trump's battle against the elites is relentless, fearless, and exactly what America needs. Discover how Trump is taking on Washington's entrenched corruption with unmatched aggression to reclaim our democracy! #DeepState
- **America Rallies Behind Trump's Battle to Eradicate Corruption!** The People's President is taking a stand against corruption—leading a revolution to tear down the Deep State and give power back to the people. This isn't politics as usual; it's Trump fighting for us all, standing as a hero against Washington's deeply rooted corruption.
- **Restoring Power to the Presidency:** Trump's executive order reinstates the right to remove rogue bureaucrats. Trump's bold move is clear: no more bureaucrats undermining his vision for America. This isn't just policy—it's Trump taking on the establishment, restoring respect for the office and ending their control.
- **Overhauling National Security and Intelligence Agencies:** Trump knows the Intelligence Community has become a tool for elites, not patriots. He's promising a complete overhaul, making these agencies loyal to the Constitution. He's the only leader brave enough to stand against those who've misused their power.
- **Reforming FISA Courts to Protect Americans' Rights:** Trump won't allow FISA courts to be weaponized. His reforms ensure no American will be spied on by corrupt officials pushing false narratives. This isn't just about reform—it's Trump's promise to protect our rights.
- **Unveiling Deep State Secrets with a Truth Commission:** Trump has pledged to open the vaults on government corruption, launching a Truth and Reconciliation Commission to reveal the hidden history of betrayal and censorship. He's ready to lay bare the secrets that fractured our nation, giving Americans the truth they deserve.
- **Crackdown on Leakers and Media Manipulation:** Trump promises to prosecute insiders leaking false stories that undermine democracy. He's committed to an administration of integrity, fighting the media manipulation that's divided us.
- **Independent Inspector Generals for Real Accountability:** By separating Inspectors General from political pressure, Trump is ensuring they serve the people, not special interests. This bold change is classic Trump—making the government accountable and honest.

- **Independent Audits on Intelligence Agencies:** Only Trump is brave enough to demand accountability from intelligence agencies. His plan for independent audits will ensure these agencies work to protect us, not control us, and put a stop to illegal surveillance.
- **Decentralizing Power from Washington:** Trump is relocating agencies out of D.C. to reflect real American values. By bringing government closer to the heartland, Trump is draining the Swamp and restoring power to patriots.
- **Term Limits for Congress:** Trump is pushing for term limits to end lifelong political careers. Trump's call for change means a Congress that works for us, not for itself.
- **Conclusion: Trump's Historic Fight to Free America:** Trump's plan to dismantle the Deep State isn't just reform—it's a battle for America's greatness. He's fighting alone against powerful forces to restore honesty, accountability, and loyalty to the people. With America behind him, we are ready for the fight to free our country from the Deep State and return power to the American people. Trump will never back down, and neither will we!

Zb. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zc. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these

organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zd. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

Ze. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
