Judy Note: *Last Monday I made an appeal to anyone who could be of assistance to an Ohio Foster Care abused teen with head injuries from repeated beatings who not only has been refused medical help, but was deliberately being prevented from getting medical help, plus could be in danger of being Child Sex Trafficked.*

As of this writing two days later, I know of no one who has yet to come to her aid. She continues to suffer – even with pictures to prove her injuries which include a concussion where her one eye has turned brown. In fact, now she may be undergoing even more abuse because she reported her injuries. I don't know. She has been refused phone access to her mother.

Even more concerning, she and other teens in Ohio Foster Care appeared to be being groomed for and in danger of being sex trafficked and/or forced donation of their organs – a lucrative practice of the Child Sex Trafficking industry.

Neither the Ohio Police, nor Ohio State Protective Services have intervened, her caretakers at Dimensional Phases Group Home in Dayton Ohio, who may have contributed to the injury, appeared to have taken steps to cover up the seriousness of the problem, as well as ignored her years of malnutrition, liver problems and injuries from past abuse, plus were refusing to allow her mother to get her medical care.

It was not the only time during her six year stay in Ohio Foster Care she has been severely abused (she was placed in Foster Care because she was being home schooled – yet she has not had proper schooling during her six year unwarranted stay and was not in classes now).

In Foster care her severe medical, malnutrition and emotional needs have been ignored by the broken system. She has had elevated liver enzymes (fatty liver) which went unaddressed for over two years, plus documented malnutrition where she lost over 60 pounds in less than a year, yet she was refused the diagnosed nutrients needed. At one time she and another foster child snuck out at night to steal food because they were simply hungry.

All she wants to do is go home to her loving mother so her needs can be cared for. Although she has restricted access to her phone, I will continue to make daily reports on what I know of her situation.

If you have information about this, or know of children or teens who may have been abused by Ohio Foster Care, Ohio Child Protective Services or Dimensional Phases Homes, or who may be in danger of being Sex Trafficked, please contact me at: info22faces@yahoo.com

In other less important matters, the Federal Reserve remains to be a corrupt entity that has complete control over the collection and use of US Taxpayer monies. The Fed dictates US economic policy without answering to anyone but it's own independent Deep State Cabal Elites.

Long ago these devious, power hungry Satan Worshipers changed the Constitution so that the Fed could sit above both Congress and the President to operate as a fifth branch of government.

These Elites rule over the Court system which answers to only the Crown of England and even has it's own military to enforce rules that it alone dictates what they be – such rules designed to keep us all in debt so these degenerates can have power over us.

Their Satan worshipping practices of pedophilia and Child Sacrifices have been used to blackmail Congress and other Elites so as to ensure and keep their power.

To quote our Restored Republic's Second Lady Carolyn Bessette Kennedy, "Our Founding Fathers fought for freedom from tyranny. Today, we fight against economic chains crafted by these modern-day tyrants. Ending the Fed is a battle for independence, for a fair economy where Americans, not bankers, control our financial future.

"President Trump has joined with Ron Paul to envision an America free from Elite control, where economic policies serve the people, not hidden financial empires. It's time for us to demand freedom, transparency and to end this financial dictatorship.

"Join the fight, stand for America, and let's bring down the Fed once and for all!"

[Final Stage Activated: EBS Alert! Military Takes Over Global Communications to Prepare for Mass Arrests, Worldwide Broadcasts, Reclaiming Stolen Wealth, and Exposing Global Trafficking Rings! - Gazetteller](#)

- **The Emergency Broadcast System (EBS)** is an imminent reality. [Under the leadership of Donald J. Trump](#) and a [global military alliance](#), the final preparations for the EBS activation are underway.
- **This is the operation** that will dismantle decades of control, expose unimaginable atrocities, and shatter the carefully constructed narrative of the Deep State (DS).
- **New intelligence reveals** that these preparations have been months, even years, in the making. [The scope of the EBS operation](#) is unlike anything ever attempted in human history.
- **It is a coordinated, multi-layered assault** on the DS’s information stranglehold, with teams positioned globally to ensure the operation’s success.

Behind the Scenes: The Military’s Covert Operations

- [The military’s role in preparing for the EBS](#) has been nothing short of monumental. As of November 12, 2024, sources indicate that **over 100,000 troops** are positioned globally, tasked with securing vital infrastructure, communication networks, and sensitive intelligence hubs. These troops are operating under strict protocols, with orders to neutralize any attempts by the DS to disrupt the broadcast.
- **Satellite Command Control:** [Starlink, under Elon Musk’s oversight, has been fully integrated into the EBS system.](#) These satellites will override all terrestrial communication channels, ensuring that no signal can be blocked or interfered with by DS-aligned entities. This level of technological redundancy ensures a 100% broadcast success rate.
- **Underground Operations:** [Military teams have been deployed](#) to key underground facilities across the globe. These include former DS strongholds under cities like Washington D.C., London, and Berlin. These facilities housed servers, surveillance equipment, and other critical tools the cabal relied on to maintain control. All of these have now been seized.
- **Media Blackout Preparations:** All major television networks, radio stations, and [internet providers are under direct military oversight.](#) The DS’s propaganda arms,

including tech giants and news networks, will be bypassed entirely. These companies were given advance notice to cooperate or face immediate consequences, with many CEOs resigning or vanishing from public view in recent weeks.

- **Strategic Power Outages:** Power grids in major cities have been prepared for controlled shutdowns to prevent DS operatives from using hidden systems to counter the broadcasts. Expect intermittent outages during the EBS, as these measures are essential to secure the integrity of the operation.

What Will the EBS Reveal?

- **The EBS is designed to deliver the unfiltered truth.** Over **50 terabytes of classified information**, previously hidden from the public, will be broadcast in segments. Each revelation will be supported by video evidence, eyewitness testimony, and leaked documents.
- **The Elite's Shadow Network:** The EBS will expose how the DS controlled governments, banks, media, and **military-industrial complexes to maintain their global dominance**. Expect detailed breakdowns of how organizations like the World Economic Forum (WEF) and the Bilderberg Group manipulated policies to enslave nations economically.
- **Human Trafficking and Exploitation:** Perhaps the most horrifying revelations will center around the DS's global trafficking network. Hidden tunnels, like those beneath Epstein's properties, have been uncovered in nearly every major city. Military raids in locations such as Ukraine, Haiti, and even Antarctica have liberated thousands of children, with video evidence prepared for release.
- **Election Fraud and the DS Agenda:** Evidence from the 2020 election will be shown in excruciating detail, proving the extent of **manipulation that kept Trump from power**. The same DS operatives who orchestrated election interference globally will be named, with some already apprehended in **ongoing military operations**.
- **Pandemics as Weapons:** Documents and videos will reveal how pandemics were engineered by DS-controlled entities like the WHO, NIH, and CDC to enforce lockdowns and strip citizens of their freedoms. Footage from bio-labs in Wuhan and Ukraine will show how viruses were created and deployed.

High-Profile Arrests and Tribunals

- **The EBS is not just about exposing crimes;** it is the launch pad for global justice. High-profile arrests have ramped up significantly in the weeks following Trump's re-election. **Military tribunals are already in progress**, with over **500 top DS figures** currently detained at secret locations.
- **Arrests of Financial Kingpins:** Members of elite banking families, such as the Rothschilds and Rockefellers, have been captured during coordinated raids. These individuals are accused of orchestrating currency manipulations, market crashes, and laundering operations linked to trafficking and black ops.
- **Hollywood's Fall:** The entertainment industry continues to implode, with massive arrests and confiscation of evidence tying executives, directors, and actors to DS operations.

Spielberg's execution was just the start—recently, evidence surfaced implicating an entire network of celebrities in rituals and exploitation schemes.

- **Global DS Takedown:** Heads of state from DS-aligned nations, including Canada, Australia, and Germany, are under investigation. Some have reportedly been placed under house arrest, with their governments quietly transitioning to military control.

The Final Stage: EBS Activation

- The world will go dark momentarily, but the light of truth will shine brighter than ever. As the EBS begins, expect a global broadcast that will last for [10 days of continuous revelations](#).

Military Strategy: Securing the Transition

- [The military is prepared for retaliation](#). DS operatives are expected to attempt false-flag operations to sow fear and chaos. However, every countermeasure has been anticipated:
- **Neutralizing Bioweapons:** Special units have been deployed to dismantle hidden bio-labs that were preparing to release new viruses or toxins as a last-ditch effort. Multiple labs in Eastern Europe and Asia have already been seized.
- **Cybersecurity:** The DS's digital warfare capabilities are being neutralized. [Teams of military hackers](#) have taken control of critical servers, rendering the cabal's ability to manipulate stock markets, cryptocurrency, or infrastructure moot.
- **Civil Unrest Prevention:** Military checkpoints have been established in key cities worldwide to prevent organized riots. Patriots are advised to remain calm and vigilant, as these measures are temporary and designed to maintain order.

D. Tues. 12 Nov. 2024 The below Brunson Petition was presently being considered by the Supreme Court. A ruling in favor would eliminate the Biden Administration and all of Congress.

- **This action is against 388 federal officers in their official capacities** which include President Joseph Robinette Biden Jr, Vice President Kamala Harris, Speaker of the House Nancy Pelosi and former Vice President Michael Richard Pence (“Respondents”).
- **All the Respondents have taken the required Oath to support and defend the Constitution** of the United States of America against all enemies, foreign and domestic, and as such they are liable for consequences when they violate the Oath of Office.
- **Respondents were properly warned and were requested to make an investigation** into a highly covert swift and powerful enemy, as stated below, seeking to destroy the Constitution and the United States, purposely thwarted all efforts to investigate this, whereupon this enemy was not checked or investigated, therefore the Respondents adhered to this enemy.

REASONS FOR GRANTING THIS PETITION Brunson’s complaint alleges fraud, violations of the Oath of Office and touches on acts of treason committed by the Respondents.

- **These serious offenses need to be addressed** immediately with the least amount of technical nuances of the law and legal procedures because these offenses are flowing continually against Brunson’s liberties and life and consequently is a continual national security breach.
- **Voting is the greatest power an individual can exercise in a Republic**; it is Brunson’s personal voice and the way he can protect his personal constitutional protected rights and the U.S. Constitution. See ^ 71 of the Complaint.
- **When the allegations of a rigged election came forward the Respondents had a duty under law to investigate it or be removed from office.**
- **An honest and fair election can only be supported by legal votes**, this is sacred. It is the basis of our U.S. Republican Form of Government protected by the U.S. Constitution.
- **The efforts made, as stated in the complaint, that avoided an investigation of how Biden won the election, is an act of 9 treason** and an act of levying war against the U. S. Constitution which violated Brunson’s unfettered right to vote in an honest and fair election and as such it wrongfully invalidated his vote.
- **This petition is set forth in the interest of justice in protecting Brunson’s right to petition for a redress of grievances against the Respondents**, and ensuring his right of due process against the encroachment of the doctrine of equitable maxim, and charging the Respondents who failed to investigate the allegations of a rigged election by having them removed from office without further delay.
- **Dated: October 13, 2022** Respectfully submitted, Is/ Raland JBrunson

E. Tues. 12 Nov. 2024: ALERT: Emergency Broadcast System Activation Imminent – Major Military Operation to Secure America Underway! ...Carolyn Bessette Kennedy on Telegram

- **URGENT ALERT: The Emergency Broadcast System (EBS)** is on the verge of activation! A high-stakes military operation, led by President Trump, is about to expose deep-rooted corruption and restore order across America. Prepare for potential unrest—stay informed as the full truth unfolds!
- **EBS Activation: America Prepares for Unprecedented Action:** America stands on the brink of history. The EBS will soon cut through media lies, delivering truth straight to every American. This mobilization isn't just a warning; it's a declaration that the time to reclaim America has come. Once activated, every citizen will hear the uncensored truth, unveiling what's been hidden behind closed doors.
- **Martial Law Ready to Secure the Nation:** With EBS activation approaching, martial law is prepared to maintain security. This decisive step, ordered by President Trump, is a necessary shield for American lives. Expect a fortified military presence in key cities to protect against chaos. This isn't overreach; it's a stand to safeguard Americans in turbulent times. Martial law is temporary but crucial, allowing law enforcement to act decisively.
- **Law of War: Sections 11.3 & 11.4 Ground this Operation:** This mission is anchored in the Law of War Manual—specifically sections 11.3 and 11.4. These sections provide the legal framework for reclaiming America. Section 11.3 signifies the end of occupation, while 11.4 confirms military authority against forces threatening our nation. This isn't arbitrary; it's lawful action to protect American sovereignty.
- **Space Force and Special Ops Ready to Execute:** Behind the scenes, Space Force and Special Ops are mobilized. Space Force intelligence capabilities monitor threats, coordinating with ground forces to ensure a swift, precise response. High-value targets are under strict surveillance; they cannot escape justice. With EBS activation, these forces will act decisively.
- **Public Unrest Expected: Prepare for Coordinated Resistance:** When EBS goes live, critical arrests will follow, starting with names like Podesta. Expect organized riots designed to disrupt, not grassroots protests. Military forces are positioned to respond to any attempts at violent upheaval, and while peaceful assembly is respected, violence will face immediate action.
- **Division Among Citizens: Staying Strong Amidst Lies:** Some Americans, manipulated by propaganda, may not grasp the necessity of this mission. But patriots across the country know what's at stake. Our unity is our strength, and those who see the truth must stand firm, for this operation is a battle for America's soul.
- **Trump's Leadership: Steadfast in Action:** Under President Trump, America is taking a powerful stand. EBS activation signals his commitment to the people and his duty to defend the nation. Every decision reflects loyalty to the American people and the mission to secure our future. This operation is not for political gain; it's rooted in loyalty to the nation and its ideals.

- **Prepare for Truth, Justice, and Reclamation:** The days ahead will reveal the faces behind corruption. Arrests will happen, and those who betrayed America will face justice. This is a journey of truth and freedom. Patriots, stay strong, stand with our Constitution, and trust the process.
- **Final Call: Stand Firm as America Transforms:** The EBS activation is a signal that action has begun. This isn't just about arrests or broadcasts—it's a reclamation of American values. The path is uncharted but necessary. Brace yourselves as revelations emerge and history unfolds. The mission to reclaim our nation is here.

I. Epstein Island

- **Judy Note:** Epstein Island was funded by the Cabal to blackmail Global Elites, especially politicians, to do their bidding. The location was a center for Child Sex trafficking and Satanic rituals of pedophile parties and Child Sacrifices.
- **From 1997 till 2011 over 300 politicians and celebrities** visited Epstein's Island, and the evidence such as exclusive photos, and documents found in Epstein's computer, are being published.
- **Tucker Carlson has a video containing a compilation** of Bill Clinton 'having fun' with a lot of girls who are underage on Jeffrey Epstein's Pedo Island.
- **Tucker Carlson has released an expose about Barack Obama's family.** In the expose you can clearly see that Obama's mother was a prostitute who was involved in Satanic rituals and sex parties. You can also see that Barrack Obama was a Gay man who has believed in Satan worship from a very young age.

J. Tues. 12 Nov. 2024: The Cannibal Club: Fact or Fic? ...Julian Assange

- **The guests at this underground lair** weren't just addicted to human flesh. They were also addicted to drugs—alcohol, prescription meds, cocaine, heroin. But the most coveted of all? Adrenochrome.
- **Who extracted it? Dr. Mehmet Oz**, of course. He wasn't just your TV doctor; he was the lair's surgeon, extracting A-chrome during Slaughter Week. His addiction wasn't flesh—it was money. He made millions for every extraction. Dr. Oz might've been the medical pro, but he was in deep. The elites needed him, just like they needed Anthony Bourdain, the chef who'd been involved for years, cooking up human delicacies for the rich and powerful.
- **Bourdain, though?** He was getting tired. He noticed that the cannibals had gotten better at preparing meals without him. Did they really need him as much as they used to? Or was he stuck in this twisted web forever?
- **And then there was Hillary Clinton**—watching, plotting, with that sinister look on her face. She wanted Bourdain to dispose of some new guests from the NXIVM cult. She didn't want any ties to them. Bourdain didn't need to fatten them up; they weren't there for long. But Clinton offered him a sick “favor”—to have his fun with them before he killed them, though Bourdain wasn't like that. That was more Jeffrey Dahmer's style.
- **For Hillary? This was just another day in her twisted world.** Bill Clinton had brought in sex slaves, women on collars—enslaved, drugged, and blank-eyed, moving like robots as they were forced to eat, not even aware of the horror around them. Tom Cruise and Will Smith were among the guests, eyeing the women as if they were nothing but meat.
- **The whole room was filled with power and depravity.** Murder and Slaughter Week couldn't be mentioned with the prey in the room, but the slaves? They were already dead inside. Hillary and Bill Clinton had plans for them, no doubt.
- **But Bourdain knew they wouldn't last long.** The slaves would be killed before the others, for a little extra thrill.
- **This is what the elites do—behind closed doors, in their secret circles.** They feast, they conspire, and they play God. The storm is here, and it's up to us to wake up and take action before we all become their prey. They don't want you to know this. Will you sit back and watch, or will you fight for the truth? Time's running out.

K. Tues. 12 Nov. Breaking News Alert: Jimmy Kimmel Named As 'Diddy Co-Conspirator' in Elite Pedophile Investigation! ...Gitmo TV

- **Jimmy Kimmel and Sean 'Diddy' Combs** face life behind bars on explosive child sex trafficking charges. With whistleblowers stepping forward, this investigation threatens to bring down Hollywood's elite. This scandal has shattered the public image of these high-profile figures and is stirring a storm in the entertainment industry.
- **Hollywood's Dark Underbelly:** The charges against Kimmel and Combs are disturbing and extensive. Sources close to the case allege their involvement in a child sex trafficking

network. Whistleblowers have come forward with chilling accounts, painting a picture of a concealed system of exploitation.

- **Kimmel, the host of “Jimmy Kimmel Live!”**, and Combs, also known as ‘Diddy’, have built respected careers in entertainment. But these revelations expose a horrifying potential truth beneath their public personas. Federal authorities have allegedly amassed substantial evidence linking both men to trafficking rings, and the decision to prosecute together hints at a far-reaching network.
- **Hollywood and Politics:** This case raises serious questions about child sex trafficking within Hollywood and other sectors. Rumors suggest that other high-profile figures, including members of Congress, could be implicated. This could be the tip of the iceberg in uncovering a hidden network of exploitation that’s been allowed to thrive in the shadows.
- **Public Outrage:** The public’s reaction has been one of disbelief and anger. Social media has exploded with discussions, as people grapple with the horror that such prominent figures could be involved in these heinous crimes. As the story dominates headlines, many are left wondering just how deep this corruption runs.
- **Whistleblowers and Insiders:** The courage of whistleblowers has been instrumental in pushing this case forward. They have risked everything to expose the alleged activities within this elite circle. Their testimonies are crucial in unraveling the truth and may lead to a reckoning within the industry.
- **The Path Ahead:** As the investigation progresses, the world waits for justice. This case stands as a powerful reminder that no one is above the law and that those who prey on the innocent will be held accountable.

O. Tues. 12 Nov. 2024 EBS, ARRESTS UNDERWAY ON OVER 700,000 INDICTMENTS, QFS ACTIVATION ...Ezra A. Cohen on Telegram

- **Global Military Checkpoints to Enforce NESARA/GESARA During 10 Days of Darkness! ALERT! 700,000 Indictments Exposed, Arrests Already Underway: EBS Documentaries and QFS Activation...**
- **The storm is here, and there's no stopping what's coming.** Every move has been calculated. Now, the global military alliance is ready to dismantle the corrupt power structures that have oppressed humanity for too long. This isn't business as usual. Military Movements are occurring right under our noses. High-ranking generals, experts in psychological and cyber warfare, have been called back to duty for this critical

mission. Special forces, including Navy SEALs, Delta Force, and British SAS, are deployed within their borders, ready to neutralize key Cabal operatives. This is a coordinated, global takedown, happening in over 100 countries. These movements are surgical, aimed directly at the heart of the Cabal's leadership.

- **The Emergency Broadcast System (EBS)** is coming, and it will change everything. A Worldwide Communication Blackout is imminent. This isn't just about preventing the Cabal from coordinating—it's about installing a secure, quantum internet immune to their manipulations. The old internet, riddled with backdoors and surveillance, will be replaced. Military forces have seized control of satellites, ensuring global communication is locked down when the time comes. The Quantum Financial System (QFS) is in motion. More than a financial reset, it's the end of the Cabal's financial stranglehold. Secret bank accounts, offshore havens, and illicit wealth are being exposed. Trillions in assets are being seized as the world shifts to a new credit-based system that will end debt slavery. Imagine waking up to find your debts—mortgages, student loans, credit cards—erased. This isn't speculation; it's a reality unfolding now.
- **EBS Broadcasts will reveal the darkest truths.** Prepare for documentaries that expose the Cabal's most evil acts—human trafficking, ritual abuse, and more. Whistleblowers have risked their lives to bring this evidence forward. The EBS will broadcast non-stop, delivering these revelations directly to the people. High-profile arrests, confessions, and trials will be shown to the world. The elite's crimes will be laid bare for all to see. Global Arrests are in full swing. Over 700,000 indictments have been filed, and arrests are happening. Private jets are grounded, passports seized, and high-ranking officials taken in the dead of night. This isn't just happening in the U.S.—it's a global phenomenon. Europe, Asia, Africa, the Middle East—no corner of the world is untouched.
- **This is the final countdown. Prepare now.** Follow the EBS instructions, stay vigilant, and brace for what's coming. The Cabal is desperate, and there will be attempts to spread disinformation and create chaos. But remember: nothing can stop what's coming. We are witnessing the great awakening. The old world is ending, and a new world is rising. Stay strong, stay united, and trust the plan. You are the storm.
- **The EBS will sound,** and when it does, FEMA's entire operation will be exposed. The stolen funds, the missing people, the trafficking—it will all come to light. FEMA's camps will become prisons for those who once ran them.
- **Justice is here.** The White Hats are leading the charge, and FEMA's reign of terror is coming to an end.
- **The White Hats know everything,** and they are launching raids on FEMA's secret facilities—underground bunkers, hidden warehouses, disaster camps used to traffic human beings.
- **Every FEMA agent** involved in this grotesque scheme, every official who helped cover it up, will be brought to justice. The Military Alliance is dismantling FEMA's human trafficking network, and this time, there's no escaping the consequences.

- **FEMA's ultimate goal** has always been population control through chaos. Disasters like Hurricane Helene are just opportunities for FEMA to test their sinister agenda. The White Hats have uncovered FEMA's plans for population reduction, codenamed Operation Cull—targeting not just disaster victims but anyone who threatens the deep state's power.
- **The EBS will sound**, and when it does, FEMA's entire operation will be exposed. The stolen funds, the missing people, the trafficking—it will all come to light. FEMA's camps will become prisons for those who once ran them.
- **Justice is here.** The White Hats are leading the charge, and FEMA's reign of terror is coming to an end.

Q. Tues. 12 Nov. 2024: TRUTH BOMB: The Banking Cartel's Biggest Secret: Trillions in Stolen Wealth Hidden by the Elites – Trump's Plan to Take It Back for Humanity!

...Patrick B. Kennedy on Telegram

- **Congress: A Theater of Puppets:** Long heralded as the symbol of democracy, Congress has now been unmasked as a stage for the elite's puppetry. With tens of thousands of bills introduced and only a handful passed—most being mere ceremonial gestures—it's clear this is no case of gridlock but calculated sabotage.
- **During his first term, Trump waged war against this corrupt establishment,** exposing their incompetence and ties to the elite. With a new Republican-controlled legislature backing his vision, real change is finally on the horizon. Term limits, transparency laws, and a total overhaul of government spending are no longer distant dreams but imminent realities.
- **The Debt Spiral: A Tool of Enslavement:** The \$36 trillion national debt isn't just a number; it's a mechanism of control. From the surpluses of the 1990s to the engineered deficits of the 2000s and 2010s, this debt has been a strategic tool used to keep America submissive.
- **Every crisis, from the 2008 financial collapse to the COVID-19 pandemic, has been manipulated to funnel trillions to the elites,** leaving the ordinary citizens crushed under an unsustainable burden.
- **But Trump has a revolutionary plan. By shifting to a gold-backed Quantum Financial System (QFS),** he aims to end the Federal Reserve's endless money printing and free the nation from the chains of interest payments. The stolen trillions will be reclaimed and used to rebuild America from the ground up.
- **The Illusion of Progress Shattered: Donald J. Trump's decisive 2024 presidential victory has exposed the hollow facade upheld by the ruling elite.** For decades, these shadowy figures have manipulated global crises, legislative actions, and financial systems under the guise of democracy and prosperity, enslaving humanity. But now, their grip is breaking. Insights from Poof and Susan echo louder than ever: the machine is falling apart, and the masses are waking up.

- **The People’s Funds: Held Hostage for Decades:** Trillions meant for humanity have been hidden for decades, tied up in ancient trusts and gold reserves. This wealth, which could have eradicated poverty and revitalized nations, has instead been siphoned into black budgets to finance secret projects and shadow governments.
- **Trump is aware of this injustice, and with his return, he’s actively working with international allies,** particularly Asian societies, to release these funds. The QFS, designed to bypass corrupt systems like SWIFT, is key to this mission. The elites are fighting back with sanctions, assassinations, and media blackouts, but their tactics are failing. The era of financial enslavement is ending, and this stolen wealth is finally being returned to its rightful owners—the people.
- **The Banking Cartel: Rigged Against the People:** The banking system, once celebrated as the engine of civilization, is in reality a weapon of control. Poof’s words, “nothing can happen until the smoke clears,” have never rung truer.
- **The system has dangled false promises of relief** while secretly funneling trillions to the elite, keeping ordinary citizens trapped in a cycle of financial dependency. Asian societies have tried to redistribute wealth, but the West’s corrupt banking institutions have deliberately blocked these efforts. This isn’t due to logistical challenges; it’s a calculated move to maintain control.
- **Trump’s Quantum Financial System (QFS): The Ultimate Weapon:** Trump’s QFS, based on blockchain and gold-backed assets, is a game-changer. It bypasses the Federal Reserve and corrupt banks, creating a decentralized financial system immune to manipulation. This isn’t just about draining the swamp; it’s about obliterating it. The QFS will empower the people, dismantle the elite’s stranglehold on wealth, and transform the global financial landscape.

R. Tues. 12 Nov. 2024: Breaking Bombshell! End the Federal Reserve Now! America Under Siege by Financial Tyrants! ...Carolyn Bessette Kennedy

- **America is being held hostage by the Federal Reserve**—a hidden government of elite bankers dictating every move in our economy! Cloaked in secrecy and immune to accountability, these shadowy controllers manipulate our wealth, acting above the law with zero oversight. It’s time to reclaim our economy and stand up against this financial tyranny!
- **The Truth Exposed: The Fed’s Real Agenda** The Federal Reserve isn’t here to help you. This institution is a profit-driven machine for banking empires like BlackRock and the Rothschilds. They’re using the Fed to secure their wealth while the rest of us struggle. Rate hikes? Dollar printing? They’re moves to benefit THEM—not you. This isn’t conspiracy; it’s fact. These elites profit, while middle-class Americans pay the price.
- **America’s New Tyrants: The Federal Reserve:** Imagine an entity so powerful it dictates economic policy without any answer to the people. The Fed sits above Congress, above the President, beyond your reach. It operates as a fifth branch of government, a

hidden power that answers to no one but its own financial backers. This is dictatorship by the dollar, and it's time to dismantle this fortress of elite control.

- **Patriots Arise: Trump and Ron Paul Sound the Alarm** For decades, Ron Paul has sounded the alarm about the Fed's stranglehold on America. Now, he's joined by Donald Trump to put an end to this corruption. Together, they envision an America free from elite control, where economic policies serve the people, not hidden financial empires. This isn't a distant dream; it's a movement, and the time to act is now!
- **Ending the Fed: A Call for True American Freedom Dismantling the Federal Reserve is the most patriotic move we can make.** Our Founding Fathers fought for freedom from tyranny; today, we fight against economic chains crafted by these modern-day tyrants. Ending the Fed is a battle for independence, for a fair economy where Americans, not bankers, control our financial future.
- **A New Vision for America's Economy** Imagine an America where your savings hold value, where inflation doesn't erode your hard work, where policies reflect the needs of the people, not the profits of the elite. This is the future Trump and Paul are fighting for—a sound financial system built on transparency, accountability, and freedom.
- **Stand Up, America! Demand the End of the Federal Reserve!** This is a call to action for every patriot. The Federal Reserve has stripped power from the people and placed it in the hands of elites. It's time for us to demand freedom, transparency, and the end of this financial dictatorship. Join the fight, stand for America, and let's bring down the Fed once and for all!

S. Tues. 12 Nov. 2024 EXPOSED! The Deep State's Final Assault on Trump and MAGA in 2024! ...Patrick B. Kennedy

- **Get ready, patriots! An unprecedented attack** is underway to silence truth and eliminate Trump. This election season isn't just political; it's a war against our freedom. The deep state is pulling every trick out of their bag to erase Trump and seize control over the American people!
- **Operation Take Down Trump: A Coordinated Offensive** The deep state is escalating their efforts, fabricating charges and manipulating investigations to destroy Trump's credibility. High-ranking officials in the DOJ and FBI are working tirelessly to frame him. They're crafting a media frenzy filled with lies designed to paint Trump as guilty and corrupt.
- **Insiders reveal a secret task force is digging into Trump's past**, hoping to concoct evidence linking him to shadowy global networks run by those orchestrating this attack. Their aim? To ensure Trump never returns to power!
- **Operation Election Interference 2024: A Blueprint to Cancel the Election** The stakes are monumental. The deep state is laying the groundwork to cancel the 2024 election outright. Their multi-layered strategy will create chaos, allowing them to claim that voting under such conditions is "impossible."

- **Emergency protocols are being set up in swing states** to suppress Trump voters—delaying voting and restricting access to polls. This is a calculated effort to prevent MAGA supporters from exercising their rights!
- **PROJECT Blue Beam 2.0: Psychological Warfare Project Blue Beam** has been reactivated with high-tech manipulation tactics. Sources say they are testing frequencies to condition the masses through subliminal messaging. The aim is to create fear and despair, paving the way for a shocking reality where the public willingly forfeits their freedoms.
- **AI-Powered Surveillance: The Patriot “Blacklist”** The deep state is using AI to monitor pro-Trump citizens, creating a Patriot Blacklist of high-risk individuals. Those flagged face intense scrutiny, predictive AI tracking their every move. This unprecedented surveillance threatens our rights and could lead to harassment and legal action against anyone daring to support Trump.
- **Globalist Collusion: A War on Sovereignty** This isn't just a battle at home; globalists from the UN and WEF are heavily involved, funneling money to disrupt Trump. They're mobilizing forces like BLM and Antifa, ensuring an anti-MAGA presence in every corner of America. This coordinated effort aims to undermine our sovereignty and manipulate election outcomes.
- **The Deep State's Endgame: A Trump-Free America** Their ultimate goal is to erase Trumpism and MAGA values from our society. New laws are on the horizon that could criminalize support for Trump as “hate speech.” This is not merely a fight against one man; it's an assault on our principles of freedom and resistance.
- **Final Call: Stand, Resist, and Fight for Freedom!** Patriots, the moment has come. This is a fight for America's soul. If we don't act now, our rights will be lost. We must stay vigilant and recognize that this battle transcends the ballot box.
- **Stand strong! The Deep State may have resources,** but they underestimate the resolve of those who refuse to be silenced. We are many, and their time is running out!

T. Tues. 12 Nov. 2024 UPDATE: New List of 209 Countries Connected to the QFS System or in Progress – QFS + RTGS Trust the Plan! ...Gitmo TV on Telegram

- **BOOM!! The Quantum Financial System (QFS) is here!** Out of 209 countries, 179 central banks are now linked, with the remaining gearing up to join. Imagine a world where money flows instantly, without the manipulation or delays of the old system.
- **The QFS, long the subject of speculation** and hushed whispers, is becoming a reality. With 97 of the top 100 central banks covertly aligning, the global economy is entering a new era—one of transparency and unbreakable security. The influence of these powerful banks is undeniable, but with QFS, their role transforms into one that prioritizes financial freedom.
- **Picture it:** a system where every transaction is tracked but beyond manipulation by unseen hands. QFS paired with Real-Time Gross Settlement (RTGS) promises precisely

that—an instantaneous, unhackable financial network, potentially freeing citizens from the hidden levers of the elite.

- **But here's the kicker:** 97 top central banks are already shifting under the QFS+RTGS system, with 82 more smaller banks preparing for this monumental change. This isn't speculation; it's the ground beneath the elites' feet shifting as their control over finance fades.
- **QFS + RTGS: The Financial Revolution** The Quantum Financial System is a technological powerhouse like nothing we've seen. Central banks in key countries are lining up to join: from the Royal Bank of Zimbabwe to the Bank of Japan, People's Bank of China, and the Bank of England—it's a list that spans the globe. Even the Federal Reserve is quietly preparing to transition.
- **This is the great financial awakening.** For too long, the banks held the reins, moving money as they pleased, creating wealth for the elite while regular people bore the cost. But now, the White Hats have leveled the playing field, using QFS to build a financial system where freedom reigns.
- **Every bank joining the QFS means** we're closer to a world free from the manipulation and control of the old guard. With QFS+RTGS, the chains are breaking, and a new age of economic transparency is on the horizon.
- **Hold on to your seats** because this is history in the making. The Quantum Financial System is more than technology—it's the beginning of the end for financial corruption. Trust the plan.

U. Tues. 12 Nov. 2024: BREAKING!! FEMA Unleashed: 350 Trailers at Oscoda's Wurtsmith Airport Packed with Military-Grade Arsenal and Suppression Tools—Underground Prisons, Hidden Bunkers, and Detention Centers Ready to Suppress Patriots! ...The 47th on Telegram

- **It's November 2024.** Patriots may be celebrating Trump's return, but the deep state is moving in the shadows. Oscoda Township, Michigan, is now the hub of FEMA's most aggressive operation yet. This isn't about "preparedness"—it's a plan for federal control, and Oscoda is just the beginning.
- **The 350 trailers parked at Wurtsmith Airport** aren't filled with relief supplies. They're loaded with tools of control and enforcement. FEMA's "staging" operation is nothing less than the creation of a federal stronghold. The truth is in plain sight.
- **FEMA's Arsenal:** Surveillance drones, biometric scanners, riot gear, LRAD sound cannons, and microwave weapons have been spotted within. This isn't hurricane gear—it's a stockpile for civilian suppression. With Trump in power, the deep state is desperate, and FEMA is doubling down on its authoritarian agenda.
- **Oscoda is being fortified.** Under heavy security, construction teams are building underground bunkers at Wurtsmith. These aren't "terminals." Leaked blueprints reveal detention facilities, biometric stations, and secure asset storage. Locals report seeing

unmarked SUVs and drones patrolling, while restricted zones hold shipments of reinforced barriers.

- **The Trailers: Not filled with food or blankets, these mobile command units are outfitted with real-time surveillance,** mobile detention cells, and command systems for federal action. Whistleblowers say these trailers have biometric scanners, facial recognition, and behavioral analytics—not for saving lives but controlling them. Oscoda is ground zero for martial law, disguised as relief.
- **The Plan: FEMA isn't waiting for a disaster; they're creating conditions for one.** Their history of exploiting crises is well-documented. With Trump's win, FEMA's role as the deep state's enforcer is clearer than ever. Manufactured crises will justify their draconian measures, and Oscoda is their prototype for national control.
- **The biometric systems rolling out in Oscoda** will allow FEMA to monitor Americans in real time. Once flagged as a "threat," citizens could be tracked or detained. Oscoda is testing grounds for this dystopian network.
- **FEMA's Hidden Army:** Private contractors, dressed in black with no insignia, have been seen in Oscoda, believed to be from companies like Academi. These aren't aid workers; they're enforcers, ready to act on FEMA's orders, beyond accountability.
- **Underground Facilities: Construction at Wurtsmith includes heavily fortified underground detention centers**—complete with cells and biometric stations. Oscoda's underground facilities aren't for natural disasters; they're for those who resist federal control.
- **The Deep State's Final Move: FEMA's actions in Oscoda** are a direct threat to Trump's authority. As he dismantles the deep state, FEMA acts as a rogue agency, independent of his administration. With Trump back, FEMA is accelerating, knowing its days are numbered.
- **What You Must Do: Oscoda is the first step in a nationwide control network.** Patriots cannot remain silent. Demand answers, expose FEMA's actions, and resist this encroachment on freedom.
- **Trump's return is just the beginning.** The Deep State's most dangerous weapon—FEMA—is still in play.
- **Oscoda is proof that the battle isn't over.** Stand up, take action, and defend your freedom. This is a war, and we will not lose

- **Speaking out for the first time since she was fired,** Marn'i Washington accused the Federal Emergency Management Agency of 'lying' about the scandal, and making her the scapegoat of a wider practice.

- **Washington told DailyMail.com she is seeking an attorney** and is 'at risk' as a result of the backlash she's received. 'I have information that proves FEMA is lying,' she said.
- **In a podcast appearance last night**, she went further - claiming more FEMA employees are guilty of the same bias, but that she is the only one being hung out to dry.
- **'FEMA preaches avoidance first**, and then de-escalation. This is not isolated. This is a colossal event of avoidance,' Washington said in an interview with YouTube podcaster Roland Martin.
- **'Not just in the state of Florida.** You will find avoidance in the Carolinas,' she revealed.
- **She says she was directly following FEMA protocol** when she issued the controversial directive.

W. Tues. 12 Nov. 2024 RFK Jr. Declares War: FDA Departments to Be Wiped Out for Poisoning Americans in a Sinister Plot! ...Carolyn Bessette Kennedy on Telegram

- **It's official: the FDA's days as a globalist puppet are numbered.** Robert F. Kennedy Jr. is on a mission to dismantle this corrupt institution.
- **With Trump's historic third election victory** (after the 2020 steal), a seismic shift is underway. Kennedy isn't talking reform; he's here to uproot a system that's poisoned Americans for decades. His target? The FDA's nutrition sector, which has pushed toxic products into America's food supply. This isn't politics—it's a war against elites who've weakened American health and freedom.
- **The FDA: An Arm of the Globalist Agenda:** For too long, the FDA served globalist elites instead of public health. Kennedy's call to gut entire departments isn't just talk—it's a necessary step to destroy an agency aligned with Big Pharma, Big Food, and dark agendas. Why does America eat foods with banned ingredients that other nations reject? Because the FDA allows poisons to flood the market, colluding with corporations to keep GMOs, artificial dyes, and harmful additives in American diets.
- **Reports reveal the FDA's suppression of natural remedies in favor of patented drugs.** Whistleblowers say the FDA ignored its own scientists' warnings about toxic chemicals. Inside sources indicate top officials took bribes to fast-track approvals while natural solutions were buried to keep Americans sick and dependent.
- **Trump and Kennedy: A Revolutionary Alliance:** Trump's leadership paved the way for a new reckoning. Sabotaged during his first term, Trump is back with RFK Jr. by his side. Together, they aim to do more than drain the swamp—they're here to destroy the machine itself.
- **Kennedy's first move? Tearing down the FDA.** Whistleblowers reveal that his team plans to expose the agency's involvement in globalist schemes, including: Approval of toxic additives that disrupt hormones and increase cancer rates.
- **Suppression of life-saving remedies** for Big Pharma's gain.
- **Collaboration with groups to weaken American health** and sovereignty.

- **Kennedy's goal is to dismantle FDA corruption** and expose the web of control that's infiltrated American governance.
- **FDA's Dark Secrets Exposed:** The FDA's corruption is deep. Behind closed doors, the agency has participated in population control disguised as public health, targeting Americans with toxic programs. Kennedy has whistleblower evidence and declassified documents showing how FDA officials approved banned additives. Why are these poisons allowed? Because the FDA abandoned safety standards to favor profits and globalist plans.
- **The Reckoning Has Begun:** Kennedy's battle isn't just reform; it's a warning to corrupt agencies in Washington: your time is up. Entire departments will fall, and those who poisoned America will face justice. Trump and Kennedy aren't just cleaning house—they're dismantling the globalist system enslaving America.
- **The elites are panicking.** Prepare for the reckoning: the revolution has begun, and it can't be stopped.

X. Tues. 12 Nov. 2024: BOMBSHELL!! Trump Summons 74 World Leaders to Iceland Summit, Nov. 20-23, to Finalize NESARA and GESARA: \$600 Trillion Seized, Military Raids Escalate, QFS Lockdown Begins, and Public Tribunals Set for Dec. 25 to End the Cabal's Reign! ...Gitmo TV on Telegram

- **The storm is here.** Trump's victory in the 2024 election wasn't just political—it was the final blow to the deep state. As elites scramble, their assets are seized, their strongholds infiltrated. The mainstream media spins lies, but Trump's global alliance is executing a master plan decades in the making.
- **NESARA, GESARA, and the Quantum Financial System (QFS)** are unstoppable, dismantling corrupt systems that enslaved humanity.
- **Trump's Iceland Summit: November 20-23, 2024:** Trump has summoned 74 world leaders to Iceland for a covert summit to finalize NESARA/GESARA, marking the end of the globalist cabal. The agenda includes:
- **(1) Redistribution of \$600 Trillion** in hoarded wealth, channeled into humanitarian projects and debt forgiveness.
- **(2) Elimination of Central Banks:** Trump's already dismantled the Federal Reserve, and by March 2025, the European and Japanese banks will follow, ending the fiat money system.
- **(3) Global Arrest Warrants:** Over 5,000 warrants for global elites—politicians, bankers, CEOs—are ready, with tribunal trials imminent.
- **BIS Raid: The Cabal's Nerve Center Destroyed:** The takedown of the Bank for International Settlements (BIS) on Nov. 4, 2024, was a devastating blow. Military forces seized \$23 trillion in assets and classified blackmail material involving elite corruption, trafficking, and genetic experiments. The deep state's financial core is severed.

- **Secret Antarctica Operations: Cabal's Last Refuge:** A Nov. 6, 2024, raid on The Black Fortress in Antarctica exposed: Anti-gravity spacecraft; Cryogenic chambers of “enhanced” operatives; A server farm with the deep state’s sensitive data and extraterrestrial connections. This advanced tech, kept secret for decades, is now under Trump’s alliance control.
- **Vatican’s Fall: Dark Secrets Uncovered:** On Nov. 7, 2024, the Vatican Bank was raided, revealing \$10 trillion in laundered funds and trafficking links. Documents confirm ritualistic practices tied to high-ranking officials. Tribunals for Vatican officials begin December 2024—no deals, only justice.
- **Elon Musk’s Starlink: A Game-Changer:** Musk’s Starlink has become the alliance’s ultimate tool, intercepting encrypted communications and tracking elite escapes. On Nov. 5, 2024, Starlink satellites intercepted stolen gold en route to a bunker in Fiji, leading to a military operation that seized assets and captured fleeing globalists.
- **Biometric Lockdown: Nov. 26, 2024:** The QFS will implement a biometric lockdown on Nov. 26, making the old banking system obsolete. Retina scans, DNA verification, and neural recognition will secure transactions. By January 2025, every human on Earth will be integrated, leaving no room for corruption.
- **Public Tribunals: The Crimes of the Century:** After the Emergency Broadcast System (EBS) activates on Dec. 25, 2024, public military tribunals will reveal the deep state’s crimes—child trafficking, suppressed cures, and mind-control technologies. Over 5,000 arrests have already been made, with more evidence ready to stun the world.
- **Trump’s Final Warning:** In a recent address, Trump promised: “The greatest crimes in human history will be exposed. Elites thought they were untouchable, but justice is coming. Prepare for truth and freedom.”
- **The Countdown to Liberation:** As November unfolds, signs of the cabal’s collapse are everywhere. The Vatican is under military control. The BIS has fallen. The QFS is locking out corruption, and Trump is delivering the final blow.

Y. Tues. 12 Nov. 2024: BREAKING EMERGENCY REPORT: COUP ALERT! Democrat Deep State Moves to Install Harris in the Presidency Ahead of Trump’s Inauguration! Assassination Plot Uncovered, Martial Law Tactics Exposed! ...Gitmo TV on Telegram

- **Breaking News: Whistleblowers reveal a Democrat plot** to install Kamala Harris as President before Trump’s inauguration, sparking a constitutional crisis. Secret Pentagon meetings, assassination plots, and false flag attacks are all being leveraged to push America toward martial law.
- **Deep State Insiders Plotting to Sideline Trump for Harris Takeover:** Top-secret reports reveal a calculated plot by the Democrat Deep State to replace President Trump with Harris before Inauguration Day. This scheme includes assassination plans and staged attacks meant to justify martial law, plunging the nation into chaos and pushing for an authoritarian rule.

- **An Assault on America’s Core:** A hidden alliance within our federal institutions—known as the Deep State—is orchestrating a massive power grab. This network, entrenched in government, seeks to overturn the 2020 election results and install a president of their choosing, disregarding the will of the people. This brazen betrayal of democracy threatens the core of our nation.
- **Secret Pentagon Strategy Sessions: Betraying the Constitution:** Evidence is mounting of covert meetings in the Pentagon, where military and intelligence operatives craft plans to unseat Trump and install Harris. This violation of constitutional duty is a grave betrayal by those sworn to protect America from all enemies. Each secret session adds weight to the mounting evidence of an impending constitutional coup.
- **The Plot to Install Harris: Ruthless and Calculated:** The Deep State sees Harris as a “manageable” puppet, a figure they can control. Their plan involves bending succession laws and manufacturing crises to justify removing Trump and thrusting Harris into office. This strategy disregards the democratic process, tearing at the heart of America’s values.
- **Trump’s Assassination: The Ultimate Move in the Deep State’s Plan:** Disturbing reports suggest the coup includes a plot to assassinate Trump during a public appearance, creating a spectacle to fuel fear and shift power. This horrifying plan aims to use Trump’s life as a pawn, paving the way for “emergency powers” and advancing the Deep State’s agenda.
- **False Flag Terror Attacks to Justify Martial Law:** The plan includes staged terror attacks designed to look like real threats. These false flags would create an atmosphere of fear, allowing for martial law, expanded surveillance, and a crackdown on any dissent. Under Harris’s administration, empowered by these fake crises, federal control would increase, crushing freedoms at the heart of American values.
- **America on High Alert: Standing Against Tyranny:** As these events unfold, unity and vigilance are essential. This crisis will define America’s resolve. We must expose this assault on democracy, hold these traitors accountable, and demand transparency from every level of government. Through collective action, we can protect our constitutional rights, preserve our institutions, and defend the life of our President.
- **This is the moment. We must stand together,** expose the darkness, and reject the tyranny seeking to infiltrate our highest offices. America’s future depends on our unwavering commitment to freedom and a determination to see justice prevail.

Z. Tues. 12 Nov. 2024 EXPOSED: Leaked UN Footage Unveils Sinister Plan to Engineer Global Famine by 2025! ...John F. Kennedy Jr. on Telegram https://t.me/JFK_17_Q

- **Leaked UN footage has exposed a terrifying, decades-old plot with one goal: to manufacture a famine by 2025,** leaving billions hungry, desperate, and ready to be controlled. This plan reveals toxic clouds, chemical warfare in our skies, and engineered environmental destruction—a horrifying future the elites have orchestrated while we looked the other way.

- **This isn't a conspiracy theory—it's the UN itself**, caught on camera, unveiling their chilling endgame to cripple humanity by 2025 through invisible tactics designed to leave us weak and vulnerable. The footage reveals top officials detailing a strategy to dismantle human resilience and control populations on a scale never seen before.
- **The Deception of Chemtrails: Those white streaks in the sky? They're not harmless vapor. According to the footage, they're bioweapons**—invisible assaults on our health and freedom, engineered to weaken, confuse, and slowly poison us. These chemicals infiltrate our bodies without us knowing, impairing our minds, health, and even disrupting entire communities. Every streak in the sky is a silent attack on our strength, a weapon in a war we never knew was being waged.
- **Environmental Apocalypse: The footage exposes deliberate contamination of our ecosystems**—weather manipulation, soil degradation, and toxic infiltration of water sources. This isn't accidental; it's a calculated destruction meant to suffocate life on Earth. Crops fail, water is tainted, and biodiversity crumbles under a chemical assault crafted to destroy us. This is an engineered apocalypse, a strategy to control resources and lives.
- **Man-Made Clouds of Death: The leaked footage reveals these "clouds" aren't natural**; they're engineered agents of death, designed to starve us. The UN plans to use these artificial clouds to disrupt global weather systems, causing droughts and destroying crops. This isn't a natural disaster—it's a calculated attack to collapse the food supply and leave populations desperate. The goal is to turn our air into a noose around humanity's neck as we approach 2025.
- **Famine as a Weapon: Starvation is the oldest weapon**, and the footage reveals the UN's plan to use it on a global scale, breaking humanity's spirit to force compliance. Hungry people are desperate people, willing to sacrifice freedoms for survival. This famine isn't just about food; it's a strategy to dismantle human autonomy and control who eats and who starves.
- **How We Fight Back: This footage has given us the enemy's playbook.** Awareness is our weapon, but it's not enough. Start with local food systems and community-supported agriculture to take food security into our own hands, breaking the chains of dependency they hope to forge. Build community strength, work toward food sovereignty, and detoxify your environment. Strengthen local networks and demand transparency.
- **Conclusion: The Line in the Sand—Will We Resist or Submit?:** The UN's plan to manufacture global famine is real, cold, and calculated. But we're not helpless. This is a line in the sand. We have a choice: resist or allow this nightmare to become reality. Our survival depends on our next actions. Stand with your community, protect your loved ones, and reject this agenda. We will not bow, we will not break, and we will not be silent in the face of tyranny.

Za. Tues. 12 Nov. 2024 Deep Stater and Trump Hater Jack Smith Executed at Guantanamo Bay on Friday for High Treason After Military Tribunal ...John F. Kennedy Jr. on Telegram

- **Jack Smith, known as a ruthless Trump enemy**, met his fate at Guantanamo Bay, convicted of treason at a military tribunal on November 4. White Hats arrested Smith in July after Judge Aileen Canon dismissed the bogus charges against Trump, which led to Smith's swift transport to GITMO. Despite his resistance and constant denials, calling his actions mere "orders," Smith's trial exposed his Trump Derangement Syndrome and deep-seated hatred, shown as he blamed his predicament on Trump, even in his cell.
- **In September, JAG upgraded Smith's charges to High Treason** with a death penalty recommendation. Smith's fury reached a boiling point as he spiraled into rage, and on November 4, he faced his fate in GITMO's south courtroom. Vice Admiral Darse E. Crandall presided over the tribunal, with three USMC officers. Smith, who had declared his counsel incompetent, had no real defense and repeatedly insulted the admiral, calling the tribunal a "kangaroo court."
- **Evidence presented was damning.** Documents from Smith's own devices revealed a chilling vendetta, along with a \$4.2 million payout and an \$86,000/day stipend from the DOJ. Smith's dark digital diary showed him proclaiming himself as the sole qualified individual to "deal with Trump," vowing to make him regret his existence.
- **Crandall's response was swift:** "You played yourself, detainee Smith, and you must answer for your crimes." The panel barely took five seconds to pronounce Smith guilty, sentencing him to hang for his betrayal. Although delayed initially, Smith's execution was scheduled for Friday.
- **On the morning of his execution, Smith learned that Trump had won the election, crushing Kamala Harris in a landslide.** Shown news reports, Smith broke down, screaming, "No, this can't be true. Trump cheated." Hours later, he stood before the gallows as a Marine chaplain offered Last Rites. Smith refused, angrily saying, "If Trump is president, there is no God."
- **Admiral Crandall reminded him:** the Deep State's reign is ending, and all who aided it will face justice. Smith's neck snapped soon after, marking a just end for a notorious Deep State operative.
- **To all veterans and active-duty heroes**, we owe this victory over tyranny to your sacrifice. God bless you all.

Zb. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/

unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zc. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zd. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

Ze. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
