**The Forecast**

[Hinge Point - The Forecast \(Official Performance Lyric Video\)](#)

**Judy Note:** *According to three Intelligence Sources, the Cabal has planned a Nationwide Cyber Attack Blackout for Nov. 5 Election Day – that was expected to cause enough chaos that it would nullify the 2024 Election and open the way for Biden to bring in Martial Law – which would ensure the Biden/Harris Administration remained in power.*

*Though, it was rumored that the US Space Force was prepared through Military intervention, to soon activate an Emergency Broadcast Alert so as to reveal to the public, 2024 electoral fraud of an unimaginable scale – including the extensive 2020 voter fraud in the election of Biden and Harris. It was believed that before most ballots were cast, the Military already had a strategic intervention plan in place to ensure 2024 election transparency.*

*Fri. 4 Oct. 2024 saw the launch of a new Global Quantum Financial System (QFS) through the BRICS Alliance and NESARA Law. With a potential Space Force military oversight in the 2024 Election and anticipated NESARA reforms, America stood at the brink of transformation.*

*In other pertinent news I was given word that a husband and wife professional Long Haul Driving Team were bringing a load back thru Blowing Rock, NC. They said that the towns were Ghost Towns. Homes in good condition, cars parked in yards, businesses with lights on, cars parked out front, but.....they saw no people, no dogs, no cats, no livestock, no signs of humans existed. It was as if everyone totally disappeared. The thoughts expressed was the people were bused out too FEMA Camps, killed, or abducted.*

*They said two kinds of vehicles moving around were white with wording on sign of Federal Transportation Department and FEMA. White trucks were moving to hill areas with three cannons mounted on them. They would drive up hills and blast them with water cannons to remove the soil. All hills had been stripped and all timber cut and removed, leaving them barren.*

*The couple believed that it was the government which was removing everything to get to the Quartz and Lithium mines. Kamala Harris' husband was heavily invested in the highly prized rare grade of Quartz and Lithium mines in that area of North Carolina.*

## **B. Global Currency Reset:**

- **Fri. 1 Nov. 2024 Mike Bara:** OK, so just when I was ready to give up on this thing happening before the election, I get this: "The US election will not change the timing. All countries and banks have signed the necessary treaties and are ready. Dinar will lead the way on **Sunday/Monday. Bonds/GCR on Tuesday.**" I guess they decided the chaos of the US election is actually the perfect cover. We will see, but hang in there!
- **Fri. 1 Nov. 2024 TNT Tony via Fred Koch on Telegram:** "TNT seems to confirm Wolvie's Intel. They claim banks had an emergency meeting and they came to the conclusion that they would prepare over the weekend for T4b launch on **Mon. 4 Nov. 2024.**"

## **C. Fri. 1 Nov. 2024 Wolverine Call:**

- **I got some wonderful news**, and I have spoken to paymasters and bank officials. The green light has been given. We are just about to cross the finish line.
- **Our friend Charlie Ward** has always said nothing will happen till after the election. He was dead on, and has never moved from that opinion, and he was absolutely right.
- **The codes have been locked in**, authority has been given, and by next week we will be celebrating. We have million percent assurance it is now all coming through.
- **The main leaders from all countries** (Mauricio may have been included on that), have been called to receive their blessing.
- **I have spoken to the leaders of the platforms**, and they are in the same intel as myself, and also been told same. The Precatorias should be released by Tuesday or Wednesday for people who are in that platform.
- **Each platform is different.** When these people see their money, they then have to release that money to the members (I am not talking about currency, I am talking about bondholders). They will decide when they can release it, because it is not as easy as pressing a green. They must do all by the book, get it all ready, get all the sub-leaders together to release the money to their people. All has to be done to be timed correctly.
- **They have till the 10th of November** to RELEASE ALL OF IT - ALL HAS TO BE RELEASED!!! This has been Verified and vetted.
- **I know we have been going through** "it is coming and it is coming tomorrow" but in speaking to the general paymasters (not the ones in South America) they have assured me that all is now coming.

- **I had the privilege of being on a private call** for a private contractor, and the amount of money is a huge amount of money to come through to be used for humanitarian purposes.
- **The ZOOM call I was in**, I asked them that when all these people come into this enormous amount of money, there will be those who will not be able to control themselves and end up doing things they should not be doing (like drugs, etc).
- **They said “no, that is not going to happen.”** So what happens is when these people do receive this money including yourself, they need to know your vibration is right, and they will be able to check on this. If they feel something is “not right with this person” and they may work with you to uplift your vibration, I suppose. There are many people involved in this that should not be here, as they are not humanitarian, they are not right in their mind as they only are interested in the money, and they only want for themselves, not seeking to help humanitarians.
- **If this applies to anyone of you in these rooms**, you will be surprised at the time of your blessing as you will not receive anything. So make sure your vibration is right.
- **Now for the currencies**, I know everyone has been waiting for their currency notification that should come in with the Grace of God, after the election results on **Tuesday 5 Nov.**
- **We know that Trump is going to win**, but we have heard also, on the other side of this equation, that there will be no election, but hopefully that is right, and then hopefully by **Sunday** we will get the big news that the election has been cancelled, and that the truth has come out, and all this that we have been waiting for.
- **We hope this happens. If not**, we have to wait for the elections results, and we know Pres Trump is going to win, election, and we know Trump is going to win.
- **I know you have been waiting, but this has come from official channels.** God Bless you. Be patient. I know it has been hard on all of you and on me as the messenger. Hopefully, we will have an incredible celebration **next week**. I would like to meet all of you at the get together and give you all a huge hug.

- **Sun. 27 Oct. 2024 BOMBSHELL!** Star Link and Trump Are About to Unleash the EBS – 8-Hour Broadcast Incoming, Followed by 10 Days of Darkness – The Global Elite's Secrets Will Be Exposed!
- **Star Link is more than just satellites;** it's the backbone of global awakening. The Emergency Broadcast System (EBS), powered by Star Link, will expose the elite's darkest secrets, leading us to financial freedom under GESARA.
- **As of October 26, 2024, Trump, Musk, and the alliance** are readying Star Link for full-scale EBS activation. The elite's grip is slipping fast with military takeovers, secret tribunals, and the approach of NESARA/GESARA, reclaiming wealth stolen from the people.
- **Star Link's Role in Exposing the Elite's Secrets:** With 1,700 satellites in low orbit, Star Link covers the globe, bypassing any interference. When activated, the EBS will

take over all devices, delivering the truth directly to everyone. This unstoppable broadcast will stream for 8 hours, sharing confessions, documents, and videos that reveal elite crimes—corruption, child trafficking, money laundering, and more.

- **The elites have feared this day**, knowing that once Star Link launches the EBS, they have no control. These revelations will expose their centuries-long manipulation of governments and economies.
- **The 10 Days of Darkness:** Star Link’s Role in the Global Shutdown: After the 8-hour broadcast, 10 Days of Darkness will follow. Traditional media and social platforms will go silent, with Star Link as the sole source. The alliance will use this period to secure key infrastructure, preventing any elite retaliation. During this time, military tribunals, whistleblower confessions, and hidden truths will be streamed to the world.
- **What Happens After the EBS?** The People’s Reckoning: The EBS will spark worldwide justice. Military tribunals will begin, holding the elites accountable for crimes against humanity. The Quantum Financial System (QFS), powered by Star Link, will replace corrupt banks, ending debt slavery. And with the Quantum Voting System (QVS), free and transparent elections will ensure no more elite manipulation.
- **The countdown has begun. Star Link and the EBS** will unveil everything, shattering illusions and freeing humanity. Prepare, because the revolution is here and unstoppable. Once the EBS starts, the world will see the truth—and the elites’ reign will end.

**G. Fri. 1 Nov. JFK Jr. on Telegram: Imminent Military Intervention:** The Countdown to a Political Earthquake – November 6th An Event, Not Just an Election – Economic Reset with NESARA – 2024 Military Intervention U.S. Election.

- **Uncover the explosive events set to reshape the 2024 U.S. election.** Military intervention and the U.S. Space Force are poised to reveal groundbreaking truths. From ballot security to NESARA economic reforms, monumental changes are coming to safeguard democracy. Prepare for an unprecedented political earthquake.
- **Imminent Military Intervention: The Countdown Begins: As America nears the 2024 election**, a storm is brewing, threatening to shake the nation’s political core. Hints of military intervention, cryptic statements from President Trump, and Space Force surveillance signal seismic events that could alter the country’s future. Former President Trump’s recent warning has raised intense speculation: “6 more days... or maybe 5.” This cryptic countdown suggests a game-changing event could hit on November 5th—the day before Election Day. But why this date?
- **The Space Force is reportedly prepared to reveal electoral fraud of unimaginable scale.** Using advanced surveillance and ballot-tracking technology, Space Force is on the brink of unveiling massive interference in the election process. Their mission: trace every ballot from start to finish, eliminating any chance for tampering and exposing any fraud at a level previously unthinkable. This is no mere technicality; it’s a full-force effort to protect democratic integrity, marking a turning point in how elections are secured.

- **Why November 5th? Military intelligence insiders say Space Force** has planned this intervention strategically to ensure transparency before most ballots are cast. Their goal? Not to halt the election, but to preserve its integrity and reassure Americans their vote counts. By exposing fraud, they'll restore faith in the democratic process, even if it means freezing votes temporarily to achieve that.
- **Space Force: Guardians of Democracy:** Once seen as a far-off concept, Space Force has proven itself as the key protector of election integrity. Armed with satellite and cyber intelligence, it's ready to secure America's election infrastructure. Their technology analyzes data patterns, tracks ballots, and ensures the authenticity of every vote cast. This isn't just about innovation; it's the military's commitment to safeguarding democracy in a time of rising threats.
- **November 6th: Not Just Another Election:** For Trump supporters, November 6th isn't just Election Day—it's a historic day of reckoning. With revelations of fraud, they see the day as a chance to confirm a Trump landslide victory, exposing alleged wrongdoings that have plagued the election system. It's about rewriting the narrative, proving that the people's voice cannot be suppressed.
- **NESARA: The Promise of Economic Rebirth:** Following this anticipated political upheaval, NESARA is speculated to be on the horizon, ushering in sweeping economic reforms. This legislation promises to cancel debt, overhaul financial systems, and stabilize currency by returning to a gold-backed dollar. NESARA could be the solution to systemic financial corruption, leading Americans toward economic freedom and prosperity.
- **A Moment of Transformation: The days before November 6th** may become the most defining period in American history. With potential military oversight, revelations from Space Force, and the anticipated NESARA reforms, America stands at the brink of transformation. Every American must prepare for the truth that lies ahead, a moment that could shake the foundations of the nation and pave the way for a rebirth grounded in justice, integrity, and unyielding truth.

**Q. Fri. 1 Nov. 2024: Clintons and Global Pedophile Rings EXPOSED: Hillary Clinton's Cover-Ups, Ashton Kutcher's CIA Front, and the Elites' Dark Web of Control! ...Carolyn Bessette Kennedy**

- **Enough is enough.** It's time to tear down the lies and confront the dark web of corruption that's infiltrated every level of power. From Hollywood to politics, from Wall Street to royalty, these elites have a single agenda: control at any cost.
- **Forget what you thought you knew about Ashton Kutcher.** His THORN project? Just a CIA front disguised as child protection. Instead of catching predators, it allegedly targets children and manipulates information—one more weapon for the elites to keep enemies in check.
- **And what about Diddy?** This hip-hop mogul's connections to the Clintons, Epstein, and CIA are undeniable. Hillary isn't some bystander; she's at the core, as Epstein was only a pawn in a vast network. Figures like Diddy, Jay-Z, Kamala Harris, and Obama—all part of the same twisted club, wielding their power to silence truth and exploit the vulnerable.
- **The Dutroux Case:** Glimpsing the Elite's Pedophilia Network The Marc Dutroux case in Belgium should have shattered the illusion, exposing the elite-run network trafficking children for torture and murder. Why didn't it? Because royalty, politicians, and military intelligence were implicated, and they couldn't risk exposure. Dutroux's accomplices attended depraved gatherings where wealthy men watched live torture and killings for pleasure. When Dutroux was caught, they did what elites always do: cover it up.
- **Ernie Allen and the Clinton Connection** The Clintons had a man on the inside—Ernie Allen, who ran the National and International Centers for Missing Children. Despite his “hero” image, he allegedly led cover-ups, preserving elite interests. When Belgium panicked over Dutroux's exposure, Allen used Clinton ties to suppress investigations. Judges were replaced, evidence vanished, and key witnesses mysteriously died.
- **Allen's ICMEC** launched as a front for trafficking, funneling millions for child sex rings. The elites controlled the system, treating children like commodities and making Allen the linchpin keeping it all running smoothly.
- **The Final Reckoning:** Expose the Monsters This isn't politics—this is systematic abuse by the most powerful people on Earth. It's about an elite network of pedophiles controlling governments, the media, and the masses. Pizzagate, Dutroux, THORN—they're all connected. The Clintons, Obamas, royal families—they're running scared as brave whistleblowers expose their secrets.
- **We're at the edge of revelation.** The deep state is crumbling, and their lies can no longer contain the truth. They can't silence the millions demanding justice. It's time to face the monsters who preyed on the innocent.
- **No more lies.** The reckoning is here, and justice will not be denied.

**R. Fri. 1 Nov. 2024: BOOOM! Behind The Scenes: Med Beds! Trump's Role in Advancing Med Beds Technology – Benefits for Veterans and Babies ...NSA Secrets Exposed on Telegram**

**Key Features of Med Bed Technology:**

- **DNA Regeneration:** Repairs and regenerates damaged DNA.
- **Organ Regrowth:** Missing organs can be regrown.
- **Eye Damage Repair:** Restores sight to those with vision impairments.
- **Aging Reversal:** Up to 30 years of aging reversed in just 15 minutes.
- **Benefits for Veterans and Babies:** This technology is a game changer for those in need. Veterans suffering injuries will find solace in Med Beds' regenerative capabilities, while babies born with congenital disabilities can receive vital treatments to ensure they grow up healthy.
- **Trump's presidency has paved the way for Med Bed technology** through several executive orders. His efforts are arguably more significant for humanity than those of the past ten presidents combined.

**S. Fri. 1 Nov. 2024: Breaking News! Trump Directs Federal Funds to Sponsor Medbed Healing Centers – Facilities Are Healing Soldiers and Children as the Medical Cabal Faces Collapse! ...Patrick B. Kennedy**

- **President Trump has taken a monumental step in healthcare** by directing federal funds to support Medbed Healing Centers. This is a direct blow to the medical-industrial complex and Big Pharma, who've been desperate to keep this life-saving technology hidden. These healing centers will be available soon, marking the end of the elite's control over your health.
- **These Medbeds are not just machines**—they operate on human consciousness, responding to the brainwaves of specially trained operators. This training is crucial to unlocking the full power of these devices, allowing them to heal at the quantum level. Medbeds don't just treat symptoms, they identify and eradicate the root causes of illness by reading your body's vibrational frequency. The medical world doesn't want you to know this because it threatens their entire business model.
- **Trump didn't just support Medbeds**—he funded them! He pushed this technology into development in secret, bypassing the corrupt systems that wanted to bury it forever. These Medbeds are the future—curing cancer, reversing aging, and rebuilding organs. The cabal is shaking because they know that once this technology is available, their cash cow of endless treatments and lifelong illness will be finished.
- **Underground Medbed facilities are already operational across the U.S.** with over 50,000 Medbeds in place. These centers are healing soldiers and children rescued from

the darkest globalist trafficking networks. The media won't tell you this, but reports are leaking out about miraculous recoveries happening right now in secret.

- **The elites are making a last-ditch effort to stop Medbeds** from being publicly released. They're unleashing fear, orchestrating outbreaks, and causing mass confusion to distract you from the truth. Why hasn't the media told you about Medbeds? Because they are in on it. The pharmaceutical and media industries profit from keeping you sick, and they know Medbeds will destroy their monopoly.
- **But here's what they can't stop:** Medbeds are coming, and with them, a revolution that will break the chains of control the elites have placed on us for generations. Big Pharma is crumbling, and they know their time is up.
- **The Global Power Structure is collapsing as Medbeds** bring freedom to the masses. This isn't just about healing—it's about the fall of the elite's control. Trump has fought for this, and now it's our turn to stand with him. The 10 Days of Darkness are approaching, where the cabal will make one last desperate move to maintain power. But during these days, the truth about Medbeds will be revealed.
- **Prepare for the EBS, prepare for Medbeds,** and most importantly—prepare for FREEDOM. This technology is about to change everything. Share this truth, and spread the word: The elites are terrified, but they can't stop what's coming.
- **Medbeds are here,** and with them, we are on the brink of breaking free from the tyranny of illness and the elite's control.

**Fri. 1 Nov. 2024: ALERT! The CIA's Mind-Control Grid Is ACTIVE! Government's Secret Hive Protocol Exposed—Leaked Files Reveal Nationwide Brainwashing Operation Targeting Millions! ...Gitmo TV on Telegram**

- **The CIA has unleashed a program to establish a global hive mind** through decades of dark experiments and covert projects. No longer satisfied with mere surveillance, they're actively shaping our minds, reactions, and free will on an unprecedented scale.
- **The Blueprint: Decades of Mind Control Unveiled** Forget subtle manipulation. Declassified CIA files from October 2024 reveal a system called the "Thought Capture Network". This framework is built on electromagnetic networks, satellites, Wi-Fi, cell towers, and geomagnetic manipulation to link each human mind.
- **Within this network**, Resonant Control Points (RCPs)—electromagnetic hotspots located in major cities like New York, Los Angeles, London, Tokyo—influence thoughts, emotions, and obedience. In recent months, new RCPs appeared in cities like San Francisco, Hong Kong, and Paris, expanding their grip over densely populated areas.
- **Through these RCPs, the CIA** can manipulate emotions in response to political events and societal shifts. On October 10, 2024, a surge of anxiety hit New York during a protest—no coincidence, but a test activation of the Thought Capture Network.
- **The Hive Protocol: Synchronizing the Mind This isn't just about monitoring.** The Hive Protocol goes beyond surveillance, synchronizing minds into a collective hive controlled by central networks. October 2, 2024, saw a test syncing identical dreams and emotions across isolated groups—a breakthrough in mass mind control.
- **On October 19, 2024, RCPs in London triggered mass hysteria during a rally, causing confusion and unexplainable behavior.** The Hive Protocol is now capable of remote influence over any protest or gathering, synchronizing emotions and responses at the flick of a switch.
- **5G Network Expansions: The Electromagnetic Cage Tightens** Recent 5G towers are **more than just connectivity**—they're nodes in the CIA's Resonance Cage. This closed system blocks independent thought, amplifying submissive behaviors. Increased 5G transmission in September and October 2024 caused mass apathy and spikes of unexplained aggression in places like San Francisco and Los Angeles.
- **Thought Infiltration Units: The CIA's Operatives in Every Major City Documents reveal Thought Infiltration Units**, CIA agents trained in cognitive manipulation, are deployed to target influential communities. Operation Red Mind is using agents to embed and neutralize anyone resisting the Hive Protocol. October 17, 2024, saw an infiltration success in Los Angeles, where an activist was suppressed by subliminal triggers.
- **Ultimate Weapon of Mass Influence: Emotional Surges on Demand** The Emotional Surge Protocol is now fully operational. On October 23, 2024, the CIA triggered a wave of anxiety across Chicago, with reports of people feeling uncontrollable dread. This wasn't isolated; other cities felt coordinated emotional waves, testing their control over public sentiment.
- **Breaking Free: Steps to Resist Their Control** They depend on our ignorance and compliance. Awareness is our only weapon. Stay informed, avoid high-density 5G zones,

and be vigilant during times of heightened tension. Guard your thoughts—this is the fight for the last bastion of freedom, our minds.

- **Every sudden dread, every wave of tension**—this is their control. Fight back with awareness. Don't let them inside your head.

#### **V. Fri. 1 Nov. 2024 High Alert: Gitmo's Military Movements, Elite Bunker Raids—and the Silent War on Pedophile Networks and Corrupt Politicians—Black Ops, Trials, and Executions Unfolding Now! ...Gitmo TV on Telegram**

- **The reckoning is here, and it's more explosive than anyone could have imagined.** What you are witnessing is the strategic takedown of the most insidious network of power the world has ever known. Forget everything the mainstream media has tried to sell you; the real story is unfolding behind the scenes, orchestrated by the Military Earth Alliance and spearheaded by Donald Trump.
- **This is a full-scale war** against the global elites, pedophiles, and corrupt politicians who have sold their souls. Military movements across the U.S. and beyond are ramping up. Gitmo is the epicenter of justice where the true enemies of humanity are being processed and eliminated.
- **Trials and executions are real**, happening daily. Don't be fooled by the media silence—it's a tactic to obscure military efforts to root out every last shred of the Deep State. As of October 30, 2024, covert operations are active in major cities, with Black Ops teams executing raids on underground bunkers and secret compounds hidden in plain sight.
- **Washington D.C. is a ghost town**—not due to bureaucracy, but because Special Forces are dismantling the infrastructure that has kept the cabal in power. Every raid, every arrest, every tribunal nails the coffin of the old guard. Elite units of Navy SEALs, Delta Force, and local militias are coordinating efforts to reclaim control from those who have corrupted our government.
- **High-value targets are flown to Gitmo** in unmarked planes under cover of night. The prisoners being transported are the architects of some of the darkest chapters in history. Executions are carried out in secret, with the clones and doubles seen on screens mere placeholders for those neutralized.
- **Internationally, Military operations are expanding.** NATO fractures under the pressure of these revelations, with Military insiders refusing to play along with the old narratives.
- **In Europe, covert units are dismantling the Vatican's** financial empire, seizing assets that have funded child trafficking networks for decades.
- **The Military presence in D.C. is not about order but a complete takeover.** Special Ops are securing evidence, locking down communications, and targeting the Deep State's operations. The media blackout on these actions is intentional, aiming to keep the public in the dark.

- **The Military Earth Alliance** has been planning this for decades. Every movement, every arrest, every tribunal is part of a master plan. And that moment is now. Trump has unleashed the military to reclaim not just America, but the world from evil.
- **We are witnessing the Great Unraveling.** The takedown of the pedo elites, the exposure of dirty secrets—they are all part of a divine plan.
- **The hunt is in full swing.** We have it all. The Storm is here, and nothing can stop what’s happening. This is the dawn of a new era forged in the fires of truth and justice. The fall of the old guard is just the beginning. The Great Awakening is upon us, and it’s unstoppable!

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**X. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won’t be sentenced until next Feb. 2025.

**Z. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.*

*"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
