Judy Note: *EMERGENCY Appeal to the White Hats – or anyone who could be of
assistance to a Ohio Foster Care abused teen with head injuries from repeated beatings who has**

been refused medical help and, like other teens in the Ohio Foster Care System, were at risk of being put into a Child Trafficking Ring: See #K of this Update for more details

This is a desperate plea to help save sixteen year old Ohio Foster Care victim Kaitlynn Marie Hunter who is in need of immediate medical attention and an emergency cat scan due to injuries sustained after a beating on Fri. 8 Nov. 2024.

Kaitlynn suffers severe head trauma from repeated beatings, has been refused medical care for it, police nor state protective services have refused to intervene, her caretakers at Dimensional Phases Group Home in Dayton Ohio, who appeared to have contributed to the injury, were taking steps to cover it up, as well as ignoring past injuries from beatings, plus were refusing to allow her mother Jeannine Jarrick to get her medical care – and it was not the only time during Kaitlynn’s six year unneeded stay in Ohio Foster Care that her severe medical, malnutrition and emotional needs were not only likely caused by, but ignored by the broken system.

Even more concerning, Kaitlynn and other teens in Ohio Foster Care also appeared to be in danger of being sex trafficked and/or forced donation of their organs – a lucrative practice of the Child Sex Trafficking industry.

- **Kaitlynn claims she was bullied, bitten, kicked** and punched, while her head was being slammed over and over onto the ground, while the Care Taker Adults egged on Kaitlynn’s torturer on **Fri. 8 Nov. 2024.**
- **On Sat. 9 Nov. 2024 Kaitlynn wrote,** “Today when I woke up my left eye was a different color than my eyes usually are, which was a sign of head trauma. Along with that my eyes have been dilating consistently for the past few years unaddressed which is why my mother was concerned about the possibility of prior unaddressed head trauma. Ohio Child Protection Services has done nothing to protect me.”
- **Pictures of Kaitlynn show severe bruising and injuries** throughout Kaitlynn’s entire body, her neck, shoulders, arms, elbows, knees, fingers, hands, ears, and most concerning, to her eyes (which have turned brown) and head.
- **Kaitlynn has been in Ohio Foster care** for six years at which time she has had elevated liver enzymes (fatty liver) which went unaddressed for over two years, plus documented malnutrition where she lost over 60 pounds in less than a year, yet she was refused the diagnosed nutrients needed.
- **Presently, Care providers and authorities** have refused to respond to pleas for a cat scan and medical care even though she had several previous head injuries for other beatings.
- **Executive Director Nicole Caldwell** will not allow Kaitlynn’s mother Jeannine Larrick to get Kaitlynn medical care.
- **For six years Kaitlynn has claimed** to be neglected, starved, tortured and abused both physically and mentally while in the Ohio Foster Care System and has the photos to prove it, but has not been allowed to file court documents.
- **Kaitlynn is one of thousands of trafficked children** who have been transferred to multiple Ohio Foster Homes. She is presently in what is considered a high Child Trafficking area. Of great concern was that Ohio State ID agents signed Kaitlynn up as organ donor.

- **Kaitlynn says in a notarized statement**, “In Ohio Foster Care I have been abused physically and mentally, starved, taunted, and pushed to the point of attempting taking my life not once, but multiple times by the pain and suffering I have endured and continue to endure in state custody.”
- **Kaitlynn is not in school**, yet the only reason the state of Ohio removed Kaitlynn from her loving family, was because she was being homeschooled.
- **“I, Kaitlynn Marie Hunter**, wish to return back home to my mother where my needs will be met and I will be safe.”
- **Dimensional Phases Group Home in Dayton, Ohio** Ladona Herd, Administrator 937-469-2907 **See further details in # of this update.**

Judy Note: What we think we know as of Mon. 11 Nov. 2024:

Q is the 17th Letter of the Alphabet, while the Letter 17 is considered the greatest operation in the history of the world. Headed by President Trump, the Q Movement supports the Global Currency Reset and is behind forming and running the Global Military Alliance.

Right now the Global Military Alliance is arresting and bringing to justice, over half a million Illuminati Deep State Cabal Globalists.

Those Globalist’s New World Order Agenda 2030 is designed to completely control The People by depopulating the World, creating bio-weapon vaccinations and food shortages, plus implementing a fiat digital banking system that controlled what, how and where you spent your money.

In cooperation with Trump, Tucker Carlson has released videos of Puff Diddy’s sex parties on his boat, Barrack and Michelle Obama “having fun” with underage boys and girls, Epstein and Puff Diddy parties on Epstein Island, Satanic parties that included Satanic rituals and human sacrifices and videos of Puff Diddy drugging people to have intercourse with him and other Elites.

Mel Gibson has also released videos showing Satanic worship including Child Sacrifices by Global Elites that took place beneath the White House. Recorded in 2008, one video shows Jeffrey Epstein, Bill Clinton, Prince Andrew, Barack Obama, Joe Biden and many more Elites engaging in Satan Worship and Child Sacrifice.

Tucker Carlson also released an expose about Barack Obama’s family. In the expose you can clearly see that Obama’s mother was a prostitute who was involved in all kinds of Satanic rituals and sex parties. You can also see that Barrack Obama was a Gay man who has believed in Satanic worship since young age.

- **Sun. 10 Nov. 2024:** Worldwide, children have been stolen and sold to elite pedophile rings. Children are tortured, raped, and murdered as part of Satanic ritual ceremonies.

The murderers then drink the children's blood and eat their flesh. The blood of children who were severely traumatized before they died, contained Adrenochrome: a natural drug produced by the pineal gland in the brain. Adrenochrome was the highest valued drug in the world. The God these people serve is Satan. ...Steve Bannon on Telegram

D. Sun. 10 Nov. 2024 Breaking Bombshell! End the Federal Reserve Now! America Under Siege by Financial Tyrants! ...John F. Kennedy on Telegram

- **America is being held hostage by the Federal Reserve**—a hidden government of elite bankers dictating every move in our economy! Cloaked in secrecy and immune to accountability, these shadowy controllers manipulate our wealth, acting above the law with zero oversight. It's time to reclaim our economy and stand up against this financial tyranny!
- **The Truth Exposed: The Fed's Real Agenda** The Federal Reserve isn't here to help you. This institution is a profit-driven machine for banking empires like BlackRock and the Rothschilds. They're using the Fed to secure their wealth while the rest of us struggle. Rate hikes? Dollar printing? They're moves to benefit THEM—not you. This isn't conspiracy; it's fact. These elites profit, while middle-class Americans pay the price.
- **America's New Tyrants:** The Federal Reserve Imagine an entity so powerful it dictates economic policy without any answer to the people. The Fed sits above Congress, above the President, beyond your reach. It operates as a fifth branch of government, a hidden power that answers to no one but its own financial backers. This is dictatorship by the dollar, and it's time to dismantle this fortress of elite control.
- **Patriots Arise:** Trump and Ron Paul Sound the Alarm For decades, Ron Paul has sounded the alarm about the Fed's stranglehold on America. Now, he's joined by Donald Trump to put an end to this corruption. Together, they envision an America free from elite control, where economic policies serve the people, not hidden financial empires. This isn't a distant dream; it's a movement, and the time to act is now!
- **Ending the Fed:** A Call for True American Freedom Dismantling the Federal Reserve is the most patriotic move we can make. Our Founding Fathers fought for freedom from tyranny; today, we fight against economic chains crafted by these modern-day tyrants. Ending the Fed is a battle for independence, for a fair economy where Americans, not bankers, control our financial future.
- **A New Vision for America's Economy** Imagine an America where your savings hold value, where inflation doesn't erode your hard work, where policies reflect the needs of the people, not the profits of the elite. This is the future Trump and Paul are fighting for—a sound financial system built on transparency, accountability, and freedom.
- **Stand Up, America! Demand the End of the Federal Reserve!** This is a call to action for every patriot. The Federal Reserve has stripped power from the people and placed it in the hands of elites. It's time for us to demand freedom, transparency, and the end of this financial dictatorship. Join the fight, stand for America, and let's bring down the Fed once and for all!

E. Fri. 8 Nov. 2024: Federal Reserve Chairman Jerome Powell says he is REFUSING to resign if Trump asks him to. ...White Hat Intel on Telegram

- **Ok, tough guy...You don't have to leave**, but Trump will just SHUT DOWN THE FED on day one and you will be without a job. How about that?!
- **First off, the Federal Reserve IS NOT A US GOVERNMENT AGENCY.** It is a FOREIGN Central Bank that was installed without concern of the American people as a way to siphon any Real wealth (Gold) into the hands of offshore Globalists. They wanted to keep us in perpetual debt slavery FOREVER.
- **Our country's wealth was sold out to a FOREIGN Central Banks** that we call the "Federal Reserve" which is NOT "Federal" in the least.
- **They are actually operating unconstitutionally on US soil** since their inception in 1913 when Wilson passed the act after it was written in secrecy on Jekyll Island along with the IRS which is the enforcement arm of the Fed.
- **BOTH NEED TO BE ABOLISHED** so that America can return to REAL PROSPERITY.
- **People wouldn't need to take out ridiculous loans** if the Federal Reserve didn't intentionally create inflation with FIAT money that isn't backed by anything & at the same time artificially raising interest rates.
- **The system is literally created to keep all of us in perpetual debt slavery**, so you can't live without taking out more outrageous loans they know you will not be able to pay back.
- **If you recall, right before Trump left in 2020** the Federal Reserve was consolidating under control of the US Treasury.
- **President Trump will DESTROY the Federal Reserve** using tariffs, Freeing ALL Americans from perpetual debt slavery.

Also attached, is a spreadsheet listing names of Foster Home Supervisors.

Especially notice:

Deirdre Grennan, Supervisor of 103 Foster Homes

Nancy Gress, Supervisor of 97 Foster Homes

Kelly Weaver, Supervisor of 86 Foster Homes

Foster Home house multiple children/teens with little to no budget to care for them.

I have known Jeannine since 2015; and I am keenly aware of her story. Kaitlynn is one of thousands of trafficked children who have been transferred to multiple Foster Homes; she has begged to be returned to her mother multiple times; she is in desperate need for medical attention; the powers that be refuse to get involved, thereby leaving Kaitlynn with no medical help.

2015 - Kaitlynn was abducted by Police because she was Home Schooled, now she has been denied an education and is not attending school. Kaitlynn has been abused, neglected, she lacks food, clothing, medical attention, etc., similar to just about every Foster child in Ohio State custody. These atrocities have been occurring nationwide, but for some reason Ohio is rife with these incidences.

Thank you for your attention to this matter - I pray that the crimes against humanity/children nation and worldwide ends soon.

Blessings to you and yours,

Keyna Welenc, still standing

In Re: Kaitlynn Marie Hunter - Age16 Unlawfully placed at: Dimensional Phases Group Home 45 Oxford Avenue Dayton, OH 45402

Deirdre M. Grennan - Supervisor/Social Worker

I Jeannine Larrick, declare under penalty of perjury that the foregoing is true and correct.

We need assistance to save Kaitlynn from the daily abuse she continues to suffer at the hands of agents of the state of Ohio, and the multiple foster homes and group homes they continue to place her in. Kaitlynn needs immediate medical attention and an emergency cat scan; due to injuries she sustained to her head and throughout her entire body, after she was beaten by a resident at the group home, she was recently placed in. She needs to feel safe and be free from her captors and from the Dimensional Phases Group Home in Dayton, Ohio where she is now being abused and neglected.

The Dayton Children's Hospital, the state of Ohio, and CPS have all failed Kaitlynn and allowed the abuse to Kaitlynn to continue to this day. On Kaitlynn's Ohio State ID agents of the state of Ohio signed her up as organ donor. Kaitlynn is presently not enrolled in any school, yet the reason the state of Ohio removed Kaitlynn from her loving family, is because she was not attending school and was being homeschooled.

Agents of the state of OHIO, claim that they have the right to decide what is in the best interest of this child. So, agents of the state of Ohio have decided that it is in Kaitlynn's best interest to continue to get relocated constantly from one foster home to another and one group home to another. Kaitlynn has now been relocated 3.5 hours away from me. Guernsey County CPS which operates under Executive Director Nicole Caldwell, will not allow me to get Kaitlynn and take her to be treated.

Guernsey County CPS which operates under Executive Director Nicole Caldwell was given custody of Kaitlynn unlawfully, through fraud and deceptive practices in collusion with the Guernsey County Juvenile Court, which operates its business under Judge David Bennett. While they were all colluding to steal Kaitlyn from me, Judge Daniel Padden of the Guernsey County Common Pleas Court, did his part by signing an unlawful order to have me locked up at the Athens Lunatic Asylum, which has been renamed the Appalachian Behavioral Healthcare Clinic.

Judge Daniel Padden ordered several male agents there to hold me down, against my will and force drug me intravenously with psychotropic drugs. I was threatened that this would happen over and over again, if I did not take the psychotropic drugs by mouth. Dangerous psychotropic drugs which Judge Daniel Padden ordered me to take, while he colluded with Judge David Bennett and Nicole Caldwell to steal Kaitlynn from me.

Judge David Padden, without any authority to do so, kept me locked up and drugged up in that psychiatric ward for 6 months, until the process of stealing Kaitlynn was completed. When I was finally ordered to be released from that psychiatric torture, by Judge Padden, it was because Judge Bennett, and Nicole Caldwell, had accomplished what they set out to do. They had terminated my parental rights and granted custody of Kaitlynn to the state of Ohio.

Kaitlynn has now been a ward of this state for almost 6 years. Kaitlynn has been neglected, starved, tortured and abused both physically and mentally, under agents given authority by the state of Ohio to claim that all of this is in Kaitlynn's best interest.

Kaitlynn has since, attempted suicide more than once. She has not attended school for several months now, is being denied medical attention and we fear she is suffering from a concussion amongst several other injuries she has suffered in the foster homes and group homes they have placed her. And from the most recent attack she suffered at this new group home.

Kaitlynn was recently bullied, attacked and assaulted on 11/06/2024 at the Dimensional Phases Group Home, where she was placed under orders from the Guernsey County CPS, which operates under Executive Director Nicole Caldwell.

According to Ohio state records, Dimensional Phases Group Home was licensed by an ODJFS Licensing / Certification Specialist at Ohio Department of Job and Family Services named Brett Couch. The home, according to Ohio state records, is to be supervised by one of their agents named Deirdre M. Grennan, who coincidentally is also the supervisor of over 100 other foster care and group homes throughout the state of Ohio.

What kind of supervision is going on when a 16-year-old child is being bullied, bitten, kicked and punched, while her head is being slammed over and over onto the ground, while the adults who are paid to supervise, instead are egging on the torture of this child. They watched and did nothing to stop it, and then prevented the criminal attack against Kaitlynn from being reported by eye witnesses which they also control. We have now come to find out that employees at the hospital with a duty to report domestic violence and abuse to a child, failed as well. Instead, they try to cover it up, all the while knowing that the numerous blunt force trauma to Kaitlynn's head on 11/06/2024 could very well cause her to have a concussion.

Attached, are photos which I received of the severe bruising and injuries, throughout Kaitlynn's entire body, her neck, shoulders, arms, elbows, knees, fingers, hands, ears, and most concerning, to her eyes and head.

This is in addition to other head traumas she has been victim of, since being ordered to the custody of agents of the state of Ohio. All injuries and head traumas to Kaitlynn have continue to be ignored.

Watch the 2019 bodycam video of Guernsey County Sheriff Deputy Oakley attacking Kaitlynn's mother, Jeannine Larrick inside her home, while Nicole Caldwell, the Guernsey County CPS Executive Director, stood there waiting for him to handcuff Jeannine, so she could steal Kaitlynn and her brother, who were both screaming, crying and visibly traumatized by what they were witnessing.

[Child Protection or Government Tyranny?](#)A summary of the crimes committed toward our family in our home by agents of the state of Ohio was posted on [Lobbyists for Citizens](#) 2/2/2023.

This involves many other Ohio children in foster care as well.

Subject: Affidavit

I, Kaitlynn Marie Hunter, swear under pains and penalties of perjury that the following is true.

I, Kaitlynn Marie Hunter, am sixteen years old, born on December 12th, 2007. I have been in foster care for five almost six years and I have fallen through the cracks of the foster care system.

My brother and I were taken into Guernsey county custody February 11th of 2019 on charges that were later acquitted on September 16th, 2022, in which custody should have been returned to my mother Jeannine Larrick based on the fact that she never abused or neglected me or my brother.

Though my life wasn't that of a movie star, I was taken care of by my mother, she wasn't perfect, but she tried and to this day tries for me. Since then, I have lived all over Ohio in several foster homes, residential, respites and kinships. My mental, physical health and needs being neglected in the situations my county knowingly left me in.

I was abused physically and mentally, starved, taunted, and pushed to the point of attempting taking my life not once but multiple times by the pain and suffering I have endured and continue to endure in state custody.

Some of the unaddressed medical neglect includes my pinkie finger permanently unable to fully bend due to foster parents not following up with doctor's appointments and it then later being too late for surgery to reattach the tendon. Me losing my old orthodontist because nobody took me to my appointments and my insurance money being stolen by said orthodontist which caused my bottom braces unable to be put on and treatment to be paused at my new orthodontists for now over a year. Elevated liver enzymes found when I was younger which turned out to be fatty liver that went unaddressed and not brought up by doctors for over two years, and documented malnourishment. Jeannine Larrick

I lost over 60 pounds in less than a year and I still am having fainting spells from this. I was supposed to be drinking Ensure daily and taking meds to make my appetite bigger but I haven't had access to Ensure so I haven't been doing so. When I was being starved at Kearston Prides, I had to support my foster nephew's, foster sisters and my needs, spending over seven thousand dollars of mine and my parent's money buying things that my foster parents were paid to take care of. The only time I ever really interacted with Kearston was when she woke me up for school or picked me up. When I was 12, I lived in Coshocton with Britney Stripe where I was not properly fed so me and my foster sister were sneaking out and stealing food from gas stations and Walmart right before covid shut down everything.

Britney moved houses without us and eventually the private agency Journey Home caught on once they saw bruises on me at a pool day, due to the older kids beating me up. I was physically abused at Sandra Pipp's and told to kill and cut myself. I started to self-harm living there.

The placement that caused me the most psychological and physical damage was Fox Run. There was not a day that went by without something going down. I ended up with a black eye on my second day there and watched a girl turn blue in the face while staff just watched and waited to cut the towel off of her neck. I was constantly in fights or being jumped. Staff didn't do much to help and would provoke fights between youth and it was said they would re-watch the fights on tapes and laugh. I was there for 6 months without anyone coming to check on me even though I would report what was going on.

Throughout all of this my mother has been fighting for and supporting me every step of the way. She has been the only consistent person in my life and one of the only few people that has fought for my needs. I have been to eighteen separate places in total, including the group home in which currently live as of November 9th, 2024. I was

placed back into custody after a kinship placement decided they didn't want me anymore, in which I had to go to a group home because no foster home was willing to accept me as a placement.

There are four other girls who are placed here as well, two of which are enrolled in online school, one not being forced to work on her schooling and the other unable to because her computer hasn't been working for over two weeks. Staff is aware and has not made any efforts to get the youth back on track. Me and the other youth are not enrolled but the other youth has been here for close to a month and a half. I have not consistently been doing schooling since September and I am still not enrolled. They lost my transcripts from freshman year because of how often I have been moved, so now I am required to complete those credits again.

The area in which they placed me is a high child trafficking area and if I go to public school I will be required to catch the city bus. Throughout my time in county care, I have endured trauma that requires major psychological therapy in which I have not been able to fully access. This trauma makes it extremely hard to trust anybody at all, leaving me to mostly stick to myself and always leaves me on edge with anybody I'm around. This is a mental battle within itself because it leaves me very lonely but I prefer to keep my guard up than allow someone to try to hurt me.

Within these past five years I have been subjected to abuse and neglect by the hands of those who were supposed to protect me. On Wednesday, the 6th, I was assaulted by another youth at the group home I live in. Me and said youth had fought a day prior in which staff had told us to finish whatever we still had on our chest when we returned home. Instead, I had gone upstairs and gave the staff all the youth's contraband, but instead I was instructed to keep quiet about her having the alcohol and Benadryl because she had stolen it while we were out door-dashing and grocery shopping with staff. Staff were aware they would be getting in trouble for her having it to begin with. It is remarkably easy to gain access to such things here because some staff leave us completely unsupervised.

When the youth was tripping off the Benadryl staff had thought she had picked up someone's laced blunt in the parking lot off staff's apartment complex and I was instructed to babysit her and make sure she got into the shower. But instead, said youth decided to run around naked, trying to sit and lay down on my bed for close to almost an hour, dismissing any attempts to get her dressed or back in the shower.

I eventually had to make the night shift staff yell at her to get dressed. I told Mrs. Deon about the contraband anyway because that same staff had sat on the porch and tried to provoke another fight between me and the youth. I overheard this and called the police fearing for my safety but when the police officers arrived, they didn't believe me because staff had said it wasn't true. They left and less than an hour later the youth was trying to provoke another fight with me.

The youth started yelling and provoking another child making said child cry thinking they were siding and talking bad about her with me. but then apologized whenever she realized the youth wasn't. Everything had eventually calmed down because it was time for everyone to go to sleep and the nightshift had arrived. The next day, I had gotten lectured for calling the police because it caused the group home to be billed a \$300 dollar fine. According to Mrs. Deon The fight and drama was dropped but after dropping Mrs. Deon at her house, we went out door-dashing with staff then we went to the library around 5pm. We went back to the house after it had closed at six because me and another youth were hungry.

When we got home Neveah Vaughn got out of the car with her hoodie on and tied, she started yelling at me trying to provoke me and I yelled back but didn't hit her. I went up to the front door and was waiting for the staff to unlock it so I could go inside when she started to attack me. Before I knew it, I was on the ground slamming my head and body into the cement porch. When I hit the ground, I saw stars and heard a ringing noise. She climbed on top of me and sat on my chest while hitting me and choking me.

The staff watched without any attempt to help me and was on facetime with Mrs. Deon saying "look at this" instead of trying to call the police. Another youth, Keyshia Gibson called the police, and that same youth was instructed to go inside when they arrived, refusing to let her talk to the police about what had happened.

The staff that night was the same staff who was trying to provoke another fight between me and said youth from the night prior. It took a while for an ambulance to be dispatched, the police were the first ones on the scene and when they got there, they spoke to staff first then they spoke to me as well but didn't do anything for me to be able to press charges even though I had stated I wanted to. When the EMTS arrived, they examined me and went inside the house to examine the other youth as well but cleared her because she didn't have any injuries and took me to Dayton's Children's hospital.

At the hospital, they asked me questions about what had happened and about my current mental wellbeing. They looked over my injuries but didn't do any testing besides a urine sample. Before the hospital took my phone, saying it was in their policy to do so, I called my mother because I was scared and didn't know what to do.

My mother called the nurse to inform him that I had prior head trauma and would need a CT scan, but they didn't bother to do one, even though I had a knot the size of a baseball on my head that I could cup my hand around.

After my head was slammed into the cement and when she got off me, I could not hold my head up or upper body up because it was extremely heavy, I could not stand for around 2-3 minutes. I had a raging headache after the fact and when I went to the hospital, I was extremely tired, I was told I could go to sleep but I knew better than to do so considering they didn't check the extent of my injuries and just glanced over them giving me a painkiller similar to Advil but the name I cannot remember.

Since then, I have had extreme headaches and pressure in my eyes worse than I have ever experienced before. When I experience these headaches, I also experience a dissociative state. I sat in the hospital from around 6:00 pm to almost 2:00am. The next day being monitored not for my head but because they were concerned about my mental health. While being at the hospital, the nurses had me under the impression that the group home was filing charges on me and that I would be going to JDC that night and any time I expressed to the nurses or behavioral health specialist that I wanted to press charges on the youth for assaulting me, they told me they couldn't aide me at all with that because they were not qualified to do so.

Not too long after I was informed, I wouldn't be going to JDC, Mrs. Naomi, a staff member from the group home, came to pick me up. Once I returned to the group home I went to sleep, the next day everything was mostly calm but it hurt to move even the slightest movement of my neck or right arm caused excruciating pain, my body felt heavy, and my head was raging with pain and extremely sensitive to the point I couldn't lay my head down in certain ways or brush my hair, and my thumb is still numb from the first fight four days ago in which she tried to bite it off.

The youth was not punished in any way, and still has access to social media where she was posting pictures of me and is at this point harassing me by waltzing into my room or purposely invading my space. Staff were and are aware and letting her do so.

Today when I woke up my left eye was a different color than my eyes usually are which is a sign of head trauma. Along with that my eyes have been dilating consistently for the past few years unaddressed which is why my mother was concerned about the possibility of prior unaddressed head trauma.

Child protection services have done anything but, protect me. I, Kaitlynn Marie Hunter, wish to return back home to my mother where my needs will be met and I will be safe.

N. Sun. 10 Nov. 2024: EXPOSED: The Hidden Network of 10,000 Deep Underground Military Bases (D.U.M.B.s) – A Global Conspiracy Unveiled ...Gitmo TV on Telegram

- **Beneath our feet lies a world shrouded in darkness and secrecy**—a network of over 10,000 Deep Underground Military Bases (D.U.M.B.s) that stretch across the globe. These aren't just military bunkers; they're part of a sinister plan by the global elite to maintain control over humanity, operating far beyond the reach of any government oversight.
- **The Dark Underworld:** 10,000 D.U.M.B.s Across the Planet Imagine a vast labyrinth of underground bases, hidden from the public eye, where the most horrific activities take place. Over 10,000 of these bases exist worldwide, with 1,800 in the United States alone. These facilities aren't just military outposts; they are massive underground cities connected by high-speed trains, built for purposes that defy the imagination.
- **Unthinkable Atrocities:** Human Captivity and Bio-Experiments Within these bases, unspeakable horrors are said to occur. Reports of human experimentation, especially on children, are whispered among those who dare to investigate. These facilities allegedly host bio-research labs developing weapons designed to target specific DNA, viruses meant to decimate populations, and other forms of biological warfare. These aren't just theories—they're terrifying realities hidden from the world.
- **The Elite's Secret Army:** Engineered Super Soldiers One of the most disturbing revelations is the existence of engineered super soldiers, bred and conditioned within these D.U.M.B.s. These soldiers, created through a twisted combination of genetic engineering and cybernetics, are designed to be the ultimate weapons—loyal, fearless, and nearly invincible. Their purpose? To protect the secrets of these underground bases and to enforce the will of the global elite.
- **The Vatican-Jerusalem Tunnel:** A Sinister Connection Adding to this web of deceit is the recent discovery of a 1,500-mile tunnel connecting the Vatican to Jerusalem, reportedly filled with a staggering hoard of gold. This treasure trove, transported by an

armada of 650 planes, is rumored to be part of the Vatican's secret wealth, hidden away for centuries and now uncovered as part of this global conspiracy.

- **A Global Web of Control:** The Super Elites At the heart of this conspiracy are the so-called "Super Elites"—a tiny fraction of the global population who pull the strings from the shadows. These are the same elites who control the military-industrial complex, the media, and even the highest levels of government. Their reach is so vast that over 800 million individuals within the global military and intelligence complex answer to them, ensuring that their grip on power remains unchallenged.
- **The Puppet Masters: Rothschilds, Rockefellers, and Khazarian Bloodlines** Behind the scenes, powerful families like the Rothschilds and Rockefellers, along with ancient Khazarian bloodlines, have been orchestrating this control for centuries. Their influence spans continents, manipulating world events to maintain their dominance. Their goal is not just to amass wealth but to control humanity itself.
- **The White Hats: A Glimmer of Hope** But not all hope is lost. A group of brave individuals within the military, known as the White Hats, are fighting back. These warriors operate in the shadows, working tirelessly to expose the truth and dismantle the structures of oppression. They are the last line of defense against this global conspiracy, dedicated to restoring justice and freedom to humanity.
- **The Final Hour: A Call to Action** We stand on the brink of a new era, where the truth will finally be revealed. The age of ignorance is over. The forces of darkness will be exposed, and the world will see the light of truth. But we must be vigilant and ready to act. The future of humanity depends on our willingness to confront the darkness and reclaim our freedom. The time for revelation is now—will you be ready when the final battle begins?

O. Sun. 10 Nov. 2024 Trojan Horse – McAfee Military Operations: CHEYENNE Mountain, Military Intelligence, CIA, Deep State, Military Coups, International Money Laundering ...Carolyn Bessette Kennedy on Telegram

- **McAfee Software has emerged as a Trojan Horse**, penetrating the heart of government institutions, elites, and military networks worldwide. Beneath the surface lies an intricate web of corruption, human trafficking, planned military coups, and international money laundering. What was once a tool for cybersecurity has become a key to unlocking the darkest secrets of the Deep State.
- **The McAfee Data**, now securely held by the United States Space Force, exposes a labyrinth of deception involving the Democratic National Committee, CIA, and the shadowy Deep State. Brace yourself, because this revelation is set to upend the entire global power structure. Epstein's secrets, Hunter Biden's laptop, and Julian Assange's mystery are just the tip of the iceberg.
- **McAfee Software** was never just about protecting systems. Hidden within its code, it was gathering critical information, revealing the sinister moves of the world's most

powerful figures. What they never saw coming was McAfee's real mission—to expose the global elite's darkest dealings. The revelations of human trafficking and secret agendas tied to the DNC, CIA, and Deep State are nothing short of explosive.

- **The United States Space Force**, particularly Cheyenne Mountain, now safeguards this data, becoming an unlikely keeper of the truth. The shocking extent of global political intrigue is coming to light. Congress is preparing for the storm, as McAfee's digital treasure trove contains details that could rock the foundations of global power. Epstein's web of corruption, the Biden laptop secrets, and Assange's truth-telling efforts will no longer be hidden.
- **The Alliance's Bold Infiltration.** McAfee played both sides, gaining the trust of the Deep State while secretly infiltrating their networks. 32 terabytes of evidence now sit in the hands of Military Intelligence, exposing everything from human trafficking to cryptocurrency-funded operations. This is no ordinary takedown—it's a dismantling of the very systems that have controlled the world for decades.
- **As leaks drip out, Trump, Musk, and even the Supreme Court** are at the center of this unraveling conspiracy. The Deep State's grip is slipping, and their desperate attempts to suppress these truths are failing. The Alliance's military operations are unrelenting, the truth cannot be stopped.
- **McAfee's Trojan Horse was the weapon** the Deep State never expected, and now, everything is collapsing. The Deep State's operations—human trafficking, military coups, and financial manipulations—are crumbling as the military's evidence is leaked to the public.
- **Conclusion: Trust the Plan.** John McAfee turned the tables on the Deep State, risking his life to reveal their corruption. With every leak, the world moves closer to justice, as the Alliance's strategic plan dismantles the empire of deceit. "You have more than you know -Q." The end of the Deep State is near, and the light of truth is unstoppable.
- **The Plan is unfolding.** Trust the Alliance. Trust the Patriots. Victory is ours.

P. Sun 10 Nov. 2024: Joe Biden's Last Betrayal: \$425 Million to Ukraine in a Desperate Cash Grab!

- **Joe Biden, the outgoing president drowning in scandal, has approved another \$425 million in aid to Ukraine**—a final betrayal before Donald Trump, the rightful President, reclaims power to end this madness.
- **As Americans struggle, Biden's team funnels taxpayer money into what's become the biggest international money-laundering scheme.** This isn't about "helping Ukraine." It's about covering tracks, silencing whistleblowers, and protecting the deep state's global dominance. Ukraine has long been the playground for corrupt elites, from Hunter Biden's Burisma deals to secret biolabs. This aid package, rushed without oversight, only serves the elites.

- **Biden’s Presidential Drawdown Authority** lets him pull weapons from U.S. stockpiles, leaving our military under-equipped. Officially, the package includes Stingers, Javelins, HIMARS ammo, and more, but sources reveal something darker—classified tech, experimental AI, and bio-defense mechanisms are shipped under the guise of “support,” as Ukraine becomes a testing ground for dangerous technologies.
- **Insiders hint that portions of these shipments vanish into black markets** or end up with NATO-linked militias. With \$186 billion already poured into Ukraine, Americans are left asking: Where did it go? Biden claims it’s for “defending democracy,” but this is globalism at work, draining America to empower foreign elites.
- **In April, Biden signed a \$95 billion foreign aid bill** with untraceable spending, backing Zelensky’s so-called “victory plan”—a plan prioritizing Ukraine’s elite while leaving American families to suffer inflation and job insecurity. Zelensky is a puppet, presenting his polished agenda during his September Washington visit. What did he secure? Western taxpayers’ money to rebuild Ukraine while globalist corporations reap the profits.
- **Trump’s Return is a looming threat to this agenda.** The globalists are panicking. Trump has promised to dismantle the Ukraine funding pipeline, audit every dollar, and expose hidden biolabs and untraceable arms deals. Biden is scrambling to hide the evidence before Trump reclaims his rightful position.
- **While Biden drains billions overseas,** America’s own military and citizens suffer. Domestic weapon shortages have left the U.S. vulnerable, while average Americans face rising costs and insecurity. Biden’s priorities are clear: foreign interests over American lives.
- **Ukraine is the deep state’s crown jewel**—a hub for money laundering, trafficking, and covert deals. But with Trump’s return, this empire of corruption faces its end. Biden’s final aid package is not solidarity; it’s desperation.
- **Patriots, stand firm.** The era of the deep state is ending. Trump’s America is coming back, and the truth will set us free.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

R. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. S. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested well over a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next **Feb. 2025**.

Update: November 9, 2024, day #438 of my IRS Kidnapping Nightmare

Dear Patriot Friends and Family,

"...where the spirit of the Lord is, there is liberty." 2 Corinthians 3:17 Trump's landslide victory was huge and feels like it's day number one, new birth for America doesn't it? It appears that we the people, as a nation, are being given a chance to repent and change our ways and stand up for and protect the liberties God has given us. I hope we will! With the Senate going red this means that Trump's judicial appointments to the courts should go through with flying colors and this helps warn the current judiciary, including ours in Salt Lake, to beware.

UPDATE: The prosecutors for the USA have had two weeks to respond to our Motion To Void And Vacate The Jury Verdict. They did nothing. In light of the recent miraculous *Moore vs United States* SCOTUS ruling that proves the IRS has incorrectly and unlawfully prosecuted me with a law that doesn't actually exist, they **MUST** let me go **NOW!** But how do we force them to obey the law?

On Friday, October 8th, we filed a Writ Of Habeas Corpus in the federal court. A Habeas Corpus basically says, "prove you have actual lawful authority to hold Paul Kenneth Cromar -- or let him go now." The law also requires them to prove it within three days or release me.

This is basic Constitutional law. They can't stall any longer, as they must respond within the three days. The IRS/DOJ claimed the 16th Amendment allowed, "non-appropriated direct federal income tax". They're wrong. We've just proved to them that they are out of harmony with the Constitution and the Supreme Court's recent decision in *Moore vs USA*. Turns out the DOJ was wrong since December 2023 when the *Moore* case was argued before the nine SCOTUS justices. But they went ahead and fraudulently prosecuted me anyway! This Habeas Corpus

means that I should be called into court in the next few days and if the court is honest and honorable, I should be released by the end of the week.

I've never felt closer to my freedom than I do right now. Your prayers are working! Don't stop now. Please pray for Judge Howard C. Nielson to have the courage to do justice and make this historic decision that not only helps Barbara and me, but will help all Americans.

Humbly and gratefully,

Ken (and Barbara)

P.S. "I will praise you, oh Lord, with all my heart; though I walk in the midst of trouble, you preserve my life. You stretch out your hand against the anger of my foes; with your right hand you save me. The Lord will fulfill his purposes for me. Set me free from my prison, that I may praise your name." NIV Psalms 138:1,7-8 and Psalm 142:7

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. T. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
