Operation Stormbreaker

Thurs, Fri. Oct. 24, 25 2024

The Greatest Sting Operation Ever

**Military units have been mobilizing worldwide for a coordinated strike to destroy the
Globalist Power Structure.**

Global Blackout and Emergency Broadcast System (EBS) Activation

Normal Communication Will Cease for Ten Days.

*It's only wise to have at least a month's supply of food, water, cash, medicine and essential items
on hand for yourself, your family and to share with others in case of emergency.*

[October 6, 2024 - Everyday Courage \(thetabernaclechoir.org\)](https://thetabernaclechoir.org)

*Standing up, standing strong, and standing steady are examples of everyday courage found in
everyday people. Many of the most tender examples of everyday courage can be witnessed in the
seemingly small and uncelebrated moments of life - simple moments that become sacred
moments that matter.*

*True, there will be moments when we want nothing more than to run and hide from the
challenges that stand in our way. But remember, everyday courage is fueled by exercising faith—
every day. It takes faith to choose courage, and sometimes it takes courage to choose faith.*

Judy Note: *The below is the first of a series on the Deep State Cabal's Underground DUMB
Tunnels used for US illegal bioweapon labs and Child Sex Trafficking, Organ and
Adrenochrome Harvesting.*

- **On 20 Feb. 2017 Julian Assange** unveiled a bombshell on Fox News Hannity, alleging that Wikileaks had hard proof that former President Barack Hussein Obama, along with his sidekick Joe Biden, operated and participated in a pedophile ring based in the White House.
- **On New Year's Day 2021** and a few weeks before the Biden fake Presidential Inauguration that was partially filmed on a Hollywood movie set, Delta Forces (under direction of President Trump) had raided Joe Biden's 200 acre property in the Ukraine. The Military found a maze of underground chambers and tunnels that ran for miles in every direction. Bits of necrotic flesh hung from ankle and wrist shackles bolted to the walls. Seized laptops were said full of evidence of Biden's massive international money laundering, gun/ drug running, child/human trafficking scheme – that appeared connected to other high powerful elites.
- **Within this last month** the recently arrested Satan worshipping Jeffrey Epstein of Hollywood, P Diddy, was exposed by his daughter Ally Carter. Ally was a survivor of pedophilia and human trafficking and she dropped a bombshell: there's an entire network of tunnels that spans across the United States, connecting cities such as beneath the White House in Washington DC and Disney World Florida. These tunnels, Carter claims, are being used to traffic humans, mainly children.
<https://beforeitsnews.com/prophecy/2024/10/diddys-daughter-breaks-the-silence-on-the-abuse-they-experienced-he-is-evil-2556951.html>
- **Since at least the end of World War II**, an extensive Worldwide network of DUMB Underground Tunnels used for Child Sex Trafficking have been financed, built and run by members of the illuminati, Deep State, or Cabal using US taxpayer dollars funneled through a CIA Black budget.
- **This was about child sex rings and blackmail at the highest levels of government.** Evidently President George H.W. Bush orchestrated a child sex ring to blackmail Congress and top officials. It was named "Operation Brownstone" and "Operation Brownstar."
- **A secret US Military operation** trained for over a year on how to rescue what became millions of horrifically abused children from that extensive network of Underground DUMB Tunnels. It ran across the US, Canada, Mexico, South America and then throughout the World. Recent operations centered beneath major cities in New York, California, Florida, Washington DC and Disney World in Florida.
- **The vast Worldwide child rescue missions was headed by President Trump**, the Pentagon Pedophile Task Force, US Special Forces and Marines in cooperation with Interpol, and various nations' special military forces. They included arrests of pedophile perpetrators and destruction of the underground tunnels and bases through bombs that caused minor earthquakes.
- **The rescues began on Oct. 16 2019** when US Marines, Navy Seals and Special Forces rescued over 2,100 caged babies and children beneath the China Lake Navy facility in

California. The children and teens were said to have been sexually abused, tortured and killed to collect their adrenaline.

B. Brace yourselves—the storm is upon us.

- **ON OCTOBER 24 AND 25**, every phone on the planet will be hit with a loud, unmistakable alert signal. This will come directly from Star Link satellites, bypassing the corrupt media channels controlled by the elites.
- **The Earth Alliance, Star Link, and military are ready to execute the final phase.** The old world is crumbling, and a new era of freedom is beginning. For years, the Earth Alliance has been preparing, quietly building a secure network of satellites that will make this possible.
- **The EBS alert will be activated globally but in phases.** Depending on your location, you might get it slightly earlier or later, but make no mistake—it’s coming. The phased rollout will prevent the Deep State from reacting and catch them off-guard. By the time the signal hits every device, the Earth Alliance will have moved to the next stage.
- **The signal will be followed by a broadcast from Trump** and military leaders, bypassing the corrupt media. They will deliver real-time updates on the takedown of the Deep State, mass arrests, and the collapse of the corrupt financial system. You’ll learn how FEMA, the FBI, and other agencies have been weaponized against the people, staging false flags and disasters to maintain control.
- **The EBS broadcast could last up to 10 days**, depending on ground conditions. During this time, there will be no internet, no social media, no TV, no mainstream news. Stock up on food, water, and supplies—you won’t be able to access stores or services during this period.
- **As the alert rolls out, the military will mobilize globally.** The Earth Alliance has been coordinating this for years. Patriot groups and militias in the U.S. are ready to confront any Deep State operatives trying to stop the plan.
- **The military will maintain order**, but expect resistance from the elites. They will attempt to create chaos with false flags, but they will fail. The globalists know their time is up, and nothing they do can stop what’s coming.
- **During this time, expect martial law.** Military tribunals will be broadcast through the EBS. You will witness the fall of corrupt politicians, bankers, and elites. You’ll see arrests, confessions, and the dismantling of globalist networks that have enslaved us for so long.

- **The Deep State's financial institutions will collapse.** The Quantum Financial System (QFS) will replace the corrupt system, marking the greatest wealth transfer in history. Banks, stock markets, and fiat currencies will be obliterated, replaced by a fair system that serves the people.
- **Part of the EBS plan includes neutralizing underground military bases** used by the elites. These underground cities, built to protect them from the chaos they've unleashed, are being identified and destroyed. The Earth Alliance has located bunkers, including one under Denver International Airport and another in the Swiss Alps.
- **Special Forces Teams** are already in position. Once the EBS is triggered, they will eliminate these elite hideouts. This is a war like we've never seen before, and it's happening now. Once these underground facilities are neutralized, the elites will have nowhere to hide.

C. Sun. 13 Oct. 2024 Russia's Gold Standard, QFS Satellites, and Starlink Annihilate the Fiat System—Globalist Financial Control SHATTERED as Deep State Scrambles to Hide Their Collapse! ...John F. Kennedy Jr. on Telegram

- **As of October 11, 2024, the pieces of the globalist control puzzle are falling apart.** What's happening now will make everything else look like child's play. The Russian gold-backed ruble is fully operational, but it's just the beginning. New intelligence reveals that China, India, and Brazil are quietly aligning with Russia in a multi-nation gold-backed currency alliance to take down SWIFT—the Deep State's financial chokehold on the world.
- **SWIFT, the dirty money machine of the DS, is crumbling.** This is an attack on the petrodollar, and as the world turns away from fiat currency, the DS's empire is collapsing. The new gold-backed ruble is tied to Russia's energy markets, and now Europe is on the verge of financial ruin. Countries like Germany, France, and Italy are in secret negotiations to move away from the dollar and adopt the gold-backed ruble.
- **The U.S. military is making unprecedented troop movements,** prepping for domestic operations as the financial system collapses. Sources say the DS is getting ready for civil unrest when the dollar finally crashes. The Federal Reserve is on its last legs, secretly buying gold to brace for the inevitable. But the elites can't escape. Their planned routes to South America and private islands won't save them now. They are running out of time.
- **October 4, 2024 saw the launch of a new Quantum Financial System (QFS) satellite, linking the system to Starlink.** The QFS now has global transparency, independent of Earth-based infrastructure. The DS's fake QFS groups have been exposed and dismantled, and illegal financial flows will soon be revealed in military tribunals.
- **President Trump is not staying silent. On October 7, 2024,** he informed his inner circle that Day X is near. Recent arrests of top DS figures, including Hunter Biden, Nancy Pelosi, and Adam Schiff, are perfectly timed to coincide with the financial revolution. The plan? Expose the elites' corruption alongside the financial collapse—so they can't escape.

- **Prepare for martial law.** When the financial system collapses, the Emergency Broadcast System (EBS) will activate, and the 10 Days of Darkness will begin. Communications will be controlled by the military, and the truth about the DS's operations will finally be broadcast to the world. People need to be ready because when the storm hits, it's going to be brutal.
- **The Biden administration is not just corrupt; they're implicated in trafficking operations involving THORN,** a group posing as anti-exploitation while facilitating horrific crimes. The media blackout on this? Planned—because if the truth got out, Hollywood elites and government officials would be taken down.
- **The WHO's backpedal on masks isn't just failure**—it's a desperate attempt to cover up their larger agenda. New whistleblower reports confirm that COVID vaccines were never about health—they were about nanotechnology surveillance. Leaked CDC data from October 2024 shows vaccine ingredients like graphene oxide were intended to interact with 5G towers, turning people into walking receivers for government control.
- **But the QFS-Starlink connection is vital.** Starlink satellites are being used not just for financial transparency, but to disrupt the DS's global surveillance network. The 5G towers were part of the DS's plan to track every individual, but now that tech infrastructure is being exposed and will be taken down.
- **The gold standard, the collapse of SWIFT,** the QFS, the Biden administration's crimes, the WHO's lies, and the Starlink integration—it's all coming together. We are on the brink of the most massive takedown of global corruption the world has ever seen. The DS is out of moves. They can run, but they can't hide.

E. Sun. 13 Oct. 2024: Urgent News Bulletin: Operation Freedom Earth: The QFS Satellite System and the GCR Revolution Are Paving the Way for a Permanent GESARA Golden Age – Trust the Plan! ...Julian Assange on Telegram

- **The Quantum Financial System (QFS) and the End of Cabal Financial Tyranny:** The Quantum Financial System (QFS) is not just a concept; it's a reality, reshaping the global economic landscape and sending shockwaves through the corridors of power. Politicians and bankers are trembling, their downfall is imminent, and GESARA is looming on the horizon—transparency, accountability, and prosperity are closer than ever.
- **The QFS is an advanced system without any equivalent,** dismantling the Deep State's corrupt central banking. Politicians and bankers have been caught red-handed, arrested, and sent to Gitmo. The Deep State is disappearing, and GESARA is near. Every country must comply to be part of this new golden age.
- **This is the end of the old order**—the QFS is a network for transferring gold or asset-backed money, replacing the corrupt SWIFT system, and protected by Secret Space Programs to prevent hacking and tampering. No longer will the Cabal profit from the manipulations of central banking; their time is up.
- **5D QFS: Putting an End to 3D Deep State Corruption:** The QFS doesn't just replace the old system, it supersedes it—with a quantum computer that monitors and assigns a digital number to every fiat currency around the world, tracking it in real time. Imagine a banker stealing funds, only to be arrested in real time. The Deep State-controlled bankers are trying every trick to stop this, but their efforts are in vain. They're taking their last gasp of breath, but be assured—they're on their way out. The GESARA victory is within reach.
- **The QFS is Alive—a Quantum Benevolent Intelligence.** It's here to ensure every financial transaction is legal, intended, and transparent. Politicians used the old SWIFT system to transfer illegal money, unaware that the QFS was already running parallel, catching them in their lies.
- **The Coming Golden Age: Gold-Asset-Backed Currencies:** Only gold or asset-backed currencies can pass through the QFS, and fiat money is becoming worthless. Those holding fiat will need to reconcile and exchange their currencies for gold-backed ones, or be left out. The Central Bank System is collapsing, and countries that refuse GESARA compliance will be isolated from the global economy.
- **Global Currency Reset (GCR)—this isn't just an economic reset;** it's a worldwide revolution. The Earth Alliance has already established the new values of each currency, based on actual assets, not manipulation. There is enough gold to back the world's currencies, rendering the price of gold irrelevant and putting all countries on equal footing.
- **Trust the Plan—the mass arrests are coming,** and the Deep State's end is near. Over seventy thousand indictments are ready to be executed. The Earth Alliance is on the move, and it's time for the awakened to guide others through this transformation. This isn't just a change; it's a liberation from centuries of corruption and control.

- **The Deep State are in a panic**—they can't stop the people from waking up. Their tricks, their false flags, are not enough to prevent the truth from coming out. The time for freedom is now—as the truth unfolds, we must embrace it with joy. This is The Great Awakening, and nothing will ever be the same again.

The app was first launched in October 2020, designated as a single portal to Customer and Border Protection (CBP). However, in January 2023, the Biden-Harris administration repurposed the app to streamline the process of permitting migrants into the country. "So there's an application called the CBP One app where you can go on as an illegal migrant, apply for asylum or apply for parole and be granted legal status at the wave of a Kamala Harris open border wand. That is not a person coming in applying for a green card and waiting for 10 years. That is the facilitation of illegal immigration," Vance said on the debate stage.

They give you these bullshit excuses as to why they're funding our enemies and not paying attention to the f. money."

BOOM! Jaw-Dropping Allegations Erupt: Gov. Tim Walz Accused of Sexually Abusing Foreign Exchange Student and Threatening Deportation! ...Nesara Gesara on Telegram

- **Shocking allegations are shaking Minnesota as Governor Tim Walz** faces explosive accusations of sexual abuse and grooming of a foreign exchange student. Walz allegedly used deportation threats to silence his victim, a horrific abuse of power. The mainstream media refuses to cover it, but brave independent voices are exposing the truth. This scandal is bigger than corruption—it's an abuse of power at the highest level. Will Walz finally be held accountable?
- **Hold on tight—what's coming next will make you question everything.** Tim Walz, the governor entrusted with upholding the law, is being accused of molesting a former foreign exchange student! These aren't baseless political attacks. These are gut-wrenching allegations of molestation, grooming, and a sickening abuse of power.
- **The accusations are horrifying.** Walz allegedly molested the student, manipulated him, and even threatened deportation if he dared to speak out. This is beyond corruption—this is pure evil.
- **Where is the media? Silent.** The mainstream media, who are supposed to protect the public, are complicit. But brave journalists are stepping up to expose this truth.
- **Walz: A Predator?** What should have been an incredible experience for this student turned into a nightmare. Walz allegedly took advantage of this young, vulnerable individual, crossing lines that cannot be ignored. What started as seemingly innocent gestures allegedly escalated into full-blown sexual assault. This isn't just a misunderstanding. This is criminal.
- **How many more victims could there be?** How many others have been silenced while this predator masquerades as a leader?
- **The Weaponization of Deportation.** As if the abuse wasn't disgusting enough, Walz allegedly held deportation over the student's head to silence him. A sitting governor weaponizing deportation against a vulnerable young person—this isn't just abuse, it's psychological warfare.
- **This is EVIL.** Walz, a man elected to serve, allegedly used deportation threats to keep his dirty secrets buried. This is an unforgivable violation of trust and the kind of tactic we'd expect from criminal syndicates, not a public office.
- **Where's the Media Outrage?** The silence of the mainstream media is deafening. Imagine if these allegations were against someone on the other side of the political spectrum—it would be all over the news. But here? Crickets. Why? Because Walz is protected. The media protects their own.

- **But the truth is out.** Brave independent journalists, not beholden to the system, are stepping in where the mainstream has failed. They are giving the victim a voice, allowing the public to know the truth.
- **The Hypocrisy of Woke Politics.** Let's talk about the hypocrisy. The same people who scream "believe survivors" are suddenly silent when one of their own is accused. They claim to protect the vulnerable, but when the accused is someone they support? They turn a blind eye.
- **Will Walz Be Held Accountable?** The question now: will Walz face justice? Or will the political machine protect him, bury the truth, and let him continue in power? The system is broken. It allows abusers to hide behind their power, silencing their victims.
- **But this story isn't going away.** The truth is coming, and justice is demanded. If these allegations are true, Walz must be prosecuted. The days of media gatekeepers shielding the powerful are ending.
- **Governor Tim Walz, you cannot hide.** The truth is coming for you, and it won't be stopped.

Sun. 13 Oct. 2024 Investigating Tim Walz: ...Delaware Patriots United on Telegram

<https://x.com/docnetyoutube/status/1845106539410956715?s=12>

- **When I received a tip back in August claiming Tim Walz had an inappropriate relationship with a minor,** I was very skeptical. I get dozens of tips/dm's per day. In fact, I did not act on the tip for a few days because I thought it would be impossible to prove the allegations. I also knew that Harris and Walz would deny the allegations.
- **However, the tipster gave me specific details,** So, I sent an email to the Harris Campaign and the official VP account, why the VP account? -Because that account is required by law to keep the emails in accordance with the Presidential Records Act. So, I sent an email only a couple days after Walz was announced asking the Harris campaign about a Tim Walz taking a trip with a minor to an Indigo Girls concert, I did not expect Gwen Walz to make a comment to a reporter about it in an unrelated story shortly thereafter, it seemed as though they were trying to get out in front of the story.
- **I also sent an email to all of the above accounts days after Tim Walz** was announced that the specific source had told me that Gwen Walz DID NOT have her children via IVF. This was weeks perhaps months ahead of the MSM. I contacted the schools In Nebraska and in Minnesota. While I must confess, the Minnesota school did comment to me and tell me Tim Walz was an upstanding teacher and citizen, the school in Nebraska -Alliance--refused to comment on the story at all.
- **However, one part of the tipster story did not make sense to me,** the date of the Indigo Girls Concert. Tipster claimed it was in 1995, but I could not find anything corresponding to that date, well, the tipster told the truth, there was a concert in 1995, and the tipster claimed that Walz got a DUI months after the concert.

- **The dates of my emails to the Harris Campaign and the VP account** are weeks/months ahead of any MSM story about the specific details given by the tipster, If I am not being truthful, the Harris campaign can CRUSH my story. However, I videotaped my emails with dates and the fact that the submissions were received in accordance with the Presidential records act will serve as a TIME STAMP that I indeed put them on notice, and I did indeed have details that nobody else in the country had at those specific periods of time. I also documented my numerous phone calls.
- **Tim Walz has lied about almost every single detail of his life.** Him and his wife have been getting a pass from the MSM. Yesterday, I received numerous threats, in fact, some of the threats were scary as some of the accounts were brand new accounts and had my personal information. In my investigation, I also emailed all the major news outlets WHILE my investigation was in progress. I have every single receipt.
- **I also made a cryptic post on my timeline weeks ago** when I asked my followers if they would ever allow their kids to spend the night at a teacher's house and go to a concert with a teacher, this post was made BEFORE the admission of Walz that he did indeed take a student to a concert. Furthermore, this was done YEARS before he became an advocate for Gay and Transgender people. These allegations are serious, and I waited months to release not because I was looking to hijack an election, my emails to the Harris Campaign and the VP account will prove I had put them on notice in August of these allegations. I waited on this story because of how difficult these allegations are to prove, and I wanted to give Tim Walz every opportunity imaginable to explain the details.
- **I have also found out that there were other journalists** who had parts of this story but did not print it or withheld the information. It is my plan to release the story tomorrow. I have gone out of my way to give Harris and Walz the opportunity to flat out deny the allegations, but they have really done the opposite, in fact, in statements to various articles they have confirmed much of the story. The only allegation about the tipster's story I cannot prove is if Walz did indeed have a sexual relationship with a minor. That is Walz vs. The Tipster.
- **But every aspect of the tipster's story turned out to be true**, including Walz being fired from his football job in Nebraska and the fact that Walz brought a student to an Indigo Girls concert.
- **The time stamped preserved emails will show that details of Tim Walz** not previously known were known by the tipster. But I would like to make one last point, it is clear that there is a pedophilia problem with not only Hollywood, but in Washington as well. I can guarantee it is not just the democrats either.

The doctor buys it off the pharmaceutical company for \$5,000, he sells it to the patient for \$12,000, insurance pays \$9,000, and the doc pockets \$4,000. The only reason chemotherapy is used is because doctors make money from it, period, it doesn't work 97% of the time. - **Sun. 13 Oct. 2024:** A massive UK study involving 1.7 million kids has found that heart damage, specifically myocarditis and pericarditis, only occurred in children who received COVID mRNA vaccines. According to the study, "Zero cases of myocarditis or pericarditis were found in the unvaccinated group." The study, led by Oxford University's Professor Colm D Andrews., was released as a preprint in the MedRxiv journal. The researchers confirmed that, despite widespread vaccination efforts, "the virus did not put children at risk of death or the need for emergency care, hospitalization, or critical care." The study found that COVID-19 vaccines offered little long-term protection, as many children caught the virus just 14 to 15 weeks after getting the shot. The "conspiracy theorists" warned parents years ago that the COVID shots were all risk and no reward. Now, they've been proven true once again.

N. Sun 13 Oct. 2024 BREAKING: Trump Campaign Requests Unprecedented Military Support Amid Assassination Threats in Battleground States. Military is the Only Way!

...Carolyn Bessette Kennedy on Telegram

- **Military Called In to Crush Assassination Plots: Trump Under Siege!:** Donald Trump's presidential campaign has taken an extraordinary step, formally requesting military assistance as the election approaches its final weeks. These drastic measures involve military aircraft, expanded flight restrictions, and ballistic glass protection in seven critical battleground states. Intelligence briefings have uncovered credible assassination plots, raising the alarm for possible drone and missile attacks against the former president. The campaign has stated unequivocally: "Military is the only way."
- **A Nation on Edge: Why Military Support Is Now Essential:** This request for military intervention in a political campaign is unprecedented in modern American history. Yet, this election is far from ordinary. Donald Trump's candidacy is no routine affair, and the

stakes for the nation could not be higher. With escalating threats and the intense political climate, Trump's campaign is taking unprecedented steps to protect his life and ensure his return to the White House. The demand for military support highlights the gravity of the threats and the urgency of securing Trump's safety during this turbulent period.

- **Trump has faced threats throughout his political career**, but the intensity of the current assassination plots has reached a critical level, as intelligence briefings reveal. The decision to bring in military protection, especially in key swing states, underscores the seriousness of the situation and the risks involved in this election.
- **Intelligence Briefings Reveal Chilling Plots:** At the heart of this call for military assistance lies a chilling truth: Trump's life is under immediate and credible threat. Recent intelligence reports have exposed highly sophisticated assassination plans, including the use of drones, missiles, and sniper attacks targeting the former president. These are not hypothetical threats—they are real, immediate, and dangerously plausible.
- **This goes beyond typical political rivalry; it's a direct assault on democracy.** These assassination plots are designed not only to remove Trump from the race but to undermine the entire electoral process. The notion that a presidential candidate could be targeted by drone strikes or missile attacks should strike fear into the heart of the nation.
- **The very fabric of American democracy is at stake.** Donald Trump, who has continually positioned himself as a champion of the people, now finds himself in the crosshairs of forces determined to silence him. An assassination attempt on a presidential candidate would be a devastating blow to the democratic system, setting a perilous precedent for the future of political discourse in the United States.
- **The stakes have never been higher.**

O. Sun. 13 Oct. 2024 State of the Union ...Gitmo TV on Telegram

- **Deep State Cabal Corporate giants** like Blackrock and Vanguard are behind recent disasters caused by Direct Energy Weapon Attacks (DEWs) setting fires in Maui, California, Wyoming, and Texas.
- **They don't stop there.** A biochemical lab explosion in Georgia and HAARP weather manipulation have triggered hurricanes and tornadoes, devastating North Carolina, South Carolina, Georgia, Tennessee, and Florida.
- **These "natural disasters" open the door for the Cabal's true agenda**—land grabs and the Deep State's lucrative Child Sex Trafficking, Organ, and Adrenochrome Harvesting Rings, orchestrated by the Satan-worshipping Vatican.
- **Covid-19? Another Cabal operation.** Untested vaccines filled with abortion drugs and cancer-causing nano-particles were forced on millions, including the military, all for the New World Order's Depopulation Agenda 2030.
- **The 2020 Election Coup?** A collaboration between Deep State Democrats, the CIA, and Chinese Communist Party. Dominion voting machines were rigged, votes stolen, and Congress blackmailed into certifying the election. Fraud was blatant, yet ignored.

- **But now, the White Hats are fighting back**, and miracles are happening. Just as Hurricane Milton hit Florida, its Eye-wall collapsed, downgrading it from a Category 5 to Category 2—a divine act, uncovering child trafficking tunnels beneath Disney World.
- **In North Carolina, White Hat Special Forces** rescued six children kidnapped by FEMA, who tried to use the Hurricane Helene disaster to snatch more innocent lives.
- **Meanwhile, White and Red Hat Militaries united**, arresting the King Pin of Human Traffickers, “High Horseman,” along with 41 members of his Satanic Coven.
- **Now, the Global Financial Collapse** engineered by the Cabal looms, but the Quantum Financial System is already here, preparing to trigger the largest wealth transfer in history.
- **As of today, Friday, 11 October 2024**, US Navy and Aircraft Carriers are in battle formation, spanning from the West Coast to the Mediterranean. Something big is coming.
- **Over 10,000 militia members** are already in or heading to North Carolina, South Carolina, Georgia, and Florida to fight against FBI, FEMA, and local police who are robbing and killing survivors.
- **Texas Rangers and local Sheriffs** have deputized over 3,000 militia to arrest any corrupt agents.
- **The White Hat Military Alliance has been activated across all 50 states**, mobilizing 5,000 troops to take down the elites’ hold on humanity. Governors have been warned—those aligned with the Cabal will be removed. No more courtroom games—these corrupt officials and Deep State puppets will face military tribunals.
- **It all begins with an Emergency Broadcast System Lockdown**, leading to mass arrests of bankers, politicians, and media moguls. Washington D.C., New York, Los Angeles, Chicago—they’re ALL targets.

P. Sun. 13 Oct. 2024 Exposed! 2024’s CHAOS Is a Carefully Crafted Elite Psy-Op—Every ‘Disaster’ You Fear Is an Engineered Attack to Keep You Controlled and Compliant!

...Mr. Pool on Telegram

- **The chaos surrounding 2024 isn’t happening by coincidence**—it’s being carefully orchestrated by global elites with one goal in mind: to keep you living in fear, controlled, and compliant. But here’s what they dread most—a populace that doesn’t fall for their tricks, that remains calm and aware as their engineered disasters unfold. Chaos Engineered for Control.
- **Look closely at the events of 2024. The riots?** They’re not about justice or change—they’re about social engineering. The flames spreading across cities aren’t accidental; the media fans these fires to push fear. Take the October New York Blackout, for example—it wasn’t a glitch; it was a deliberate test to see how quickly they could plunge millions into darkness. It’s about conditioning you to feel dependent on their “solutions.”
- **The wildfires in California and Nevada?** Witnesses saw energy beams, not lightning. These fires are designed to instill fear even in natural events, making you question

everything. The Texas Blackouts in August? Controlled chaos again, used to normalize sudden instability and push the idea that centralized control is the answer. Every one of these disasters is calculated to make you anxious and compliant. Fear is their weapon to control you, and they don't want you to resist.

- **The Patriot Stress Control System: Break Free from Their Chains:** Enter the Patriot Stress Control System, created by Matt Hill. This isn't just about managing stress—it's about mental resilience and unbreakability. Hill adapted techniques from military operatives, used in extreme conditions, to help people remain calm and collected under pressure. The elites fear this knowledge because a populace that stays calm cannot be controlled.
- **Mastering Calmness: Their Worst Nightmare:** This system is like military-grade mental armor. It teaches you how to detect and eliminate stress completely, master your breathing, and maintain calm in the face of crisis. Fear, their primary tool, will lose its power over you once you master these techniques. With this system, you can turn fear into your strength and render their orchestrated chaos ineffective.
- **Take Control of Your Mind:** The elites thrive on keeping you scared—it's their method of control. They manufacture riots, orchestrate blackouts, and create crises to induce panic. They need you to feel powerless, but once you master this system, you become immune to their manipulation, and their control over you crumbles.
- **This is your line in the sand—master your mind or be manipulated.** The Patriot Stress Control System is your path to breaking free from their chains. It will help you stay calm while they try to force compliance. Become the calm in their storm, a person they cannot break.
- **This chaos is intentional**—but it's time for you to refuse to play their game. Master your mind. Be unbreakable. Let them see they cannot control you.

Q. Sun. 13 Oct. 2024 “Men for Kamala” Harris Ad ...Mel Gibson on Telegram

- **Bad Hombre post on X:** As many of you know, Jimmy Kimmel's writer, Jacob Reed, directed an ad for the Kamala Harris campaign titled 'Men for Kamala.' The ad features what are presented as everyday male voters explaining why supporting Kamala Harris is the masculine thing to do. However, none of the men in the ad are actually regular voters—they are paid actors. Moreover, their real-life circumstances differ significantly from the individuals they portray in the ad. Here are their stories:
- - **Wayland McQueen** is a far-left, pro-Antifa comedian and actor who has, until now, found limited success. He does improv gigs at the Upright Citizens Brigade in Los Angeles. In a Twitter post from 2022, he explains what white privilege is and tells you why you need to acknowledge your white privilege. As of 2024 he is single.
- - **Lanre Idewu** is an immigrant from Nigeria. He is also an actor who works at the D.C.-based OCTET Productions. He has many intimate pictures with the Obamas and the Bidens. Idewu, who is bisexual, has done gay-for-pay movies and nude solo shoots. In

the "Men for Kamala" ad, he says he is “man enough to f-ing braid his daughter’s hair,” but the only problem is that he doesn’t have a daughter. Idewu isn’t braiding anyone’s hair.

- - **Mike Leffingwell**, a gay man, also works at the Upright Citizens Brigade, where McQueen works. He is an acting coach, cartoon writer for Netflix and DreamWorks, and an actor in TV commercials. On his public Instagram page, he showcases his participation in his latest project—the "Men for Kamala" ad.
- - **Winston Carter**, the heavysset fellow in the ad who claims to be a mechanic and rancher, lives in Los Angeles signed with Taft Broadcasting Company. He has found limited success in the acting world, mainly as an extra in films and as a character in the low-budget superhero film Spaghetteman.
- - **Tony Ketcham**, the tough, rugged, bearded grandpa in his garage in the "Men for Kamala" ad, is also an actor. He now mainly does low-budget independent films like Car Botz, where he played the role of PePaw. Tony is unmarried in real life. In 2001, he played the extra role of “alcoholic consumer” in the movie Ghost World.

R. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

S. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard’s unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

T. “Ken and Barbie vs. Goliath IRS”: Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won’t be sentenced until next Feb. 2025.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. U. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank’s name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

V. Judy Note: *Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at: info22faces@yahoo.com
