**Judy Note:** [Alert! Alert! Alert! God's Children Are Not for Sale! Rescuing Ohio's Foster Children from International Trafficking - A Cry for Help! - amg-news.com - American Media Group](#)

*I was encouraged today, but quickly fell back into being pissed off. Bruised and battered Foster Child Kaitlynn Hunter was finally taken to a hospital, where nine days after her beating she was finally given a Concussion diagnosis, with a Cat Scan ordered – but it had been nine days since*

*she was beaten in her Ohio Group Home and she had spent them not only without medical care, but without being allowed to talk to her very caring mother.*

***Even more concerning was that she would stay in the hospital just overnight and then be released to her abusers – the Ohio Foster Care System – and all without being able to talk to her mother.***

***And, that small feat of finally getting her medical attention was only accomplished after an army of concerned readers and listeners of this Update made calls to the Ohio Governor, Ohio Attorney General, Child Protective Services, Sheriffs, Ombudsmen, White Hats, Red Hats ...and anyone else they could think of.***

***Realizing her child was at the hospital mother Jeannine Jarrick called, only to find out CPS would not allow the hospital to give her any information about her child's critical condition. Jeannine did find out from a nurse that CPS did not give the hospital any medical records on Kaitlynn (they said they had none), so she told the nurse that Kaitlynn suffered from asthma and was allergic to Benadryl.***

***Too late. Kaitlynn shouted that she was having an allergic reaction right then to the Ketimine and Benadryl she had been given.***

***The lack of hospital records was concerning. Mom said Kaitlynn has been having fainting spells after being forced to have 19 vaccines and a birth control chip installed by her Ohio Foster Care providers.***

***Sixteen-year-old Kaitlynn now has anxiety and asthma, and a recent trach in her ear for headaches that she's been experiencing for a couple years. After she was placed in foster care for being home schooled, she was transferred to over 14 different schools and residential group homes, juvenile detention and mental wards.***

***During this time she has had other untreated concussions from beatings during her forced stay in the state system. Kaitlynn's overly dilated pupils from prior beatings have gone untreated. She needed follow up eye surgery which has never been addressed. Kaitlynn cannot see well and has had no glasses since they went missing last September.***

***The latest beating occurred on Wed. 6 Nov, after which she has undergone continuous pressure, pain and needle feelings in her skull – that went untreated. She also had a brain fluid leak and another knot appear on her skull – that also went untreated. She has forgotten how to spell certain words, was having trouble pronouncing some words, had some slurring of words and was very agitated – also untreated.***

***Three days after her beating Kaitlynn wrote, “Today when I woke up my left eye was a different color than my eyes usually are, which appeared to be a sign of head trauma. Along with that my***

*eyes have been dilating consistently for the past few years unaddressed which is why my mother was concerned about the possibility of prior unaddressed head trauma.”*

***During her six long years in Ohio Foster Care she has suffered dissociation that was believed caused by extreme trauma experienced during her stay. She has had elevated liver enzymes (fatty liver) which went unaddressed for over two years, plus documented malnutrition where she lost over 60 pounds in less than a year, yet she was refused the diagnosed nutrients needed.***

***Apparently tomorrow Kaitlynn’s short hospital stay will end and without being allowed to have her loving mother by her side, she will be returned to the custody of the Dimensional Phases Group Home in Dayton Ohio where she was abused – the very place where the staff uncaringly stood by and watched her being beaten ten days ago, even seemingly enjoying it.***

***That’s like throwing a sick battered baby into a hungry lion’s den. Kaitlynn is at high risk of further abuse because of her witness to the state’s torture of her. Why else wouldn’t they let her have contact with her mother?***

***I used to work in Child Protective Service and Juvenile Court. If I had placed an at risk child back into the place where they were tortured, the Judge and all of the system would have been immediately down on me, along with any caring parent who would be quick to file a lawsuit.***

***Not in Ohio, where it appears to me that perpetrators of a very lucrative Satan loving Child Sex Trafficking Ring had infiltrated the Court, Child Welfare and Political Systems.***

***No. The only safe place for Kaitlynn was with her mother, and the broken CPS System was not about to go there. Even though a court had ruled that the reason for her original placement in foster care was not valid, she has not been released from her torture prison.***

***Yet, there was no reason why Kaitlynn couldn’t go home, other than the broken Ohio Foster System wouldn’t let her go, or even allow her to talk to her mother.***

***It is my humble opinion that like other youths in Ohio Foster Care, it’s very likely that Kaitlynn has been mind control programmed. Satanists can’t afford to have that discovered.***

***Kaitlynn is not alone in her abuse. Thousands of youth are trapped in the caustic Ohio Foster Care System. Please keep up your calls, emails and prayers until we bust open the Child Sex Trafficking rampant in our society and get victims like Kaitlynn back to their own loving homes.***

**B. Global Financial Crisis:**

**Sat. 6 May 2017:** [Child Sacrifices Held to Control Global Banking System | Celebrities | Before It's News](#) [Child Sacrifices Held to Control Global Banking System](#)

- **Brussels: The global elite Ninth Circle Child Sacrifice Cult** recently began to lose their total control over the world's economy and retaliated by scheduling child sacrifices at Catholic facilities in Rome, Montreal, London, Paris, Brussels, Geneva, Frankfurt, Tara, Ireland and Washington (DC).
- **On April 30 eight children were saved from child sacrifice in Europe**, though rescue attempts didn't go so well for others. On that same Sunday several ITCCS agents working with the International Common Law Court in Brussels were arrested for trying to save children from Ninth Circle pedophilia and murder rites in both Washington DC and Vancouver Canada.
- **The Ninth Circle was a powerful and secretive group** centered in Eastern Europe better known as the Cabal. Since at least 1694 our world monetary system Collateral Trust Accounts have been fraudulently abused by the Cabal's corrupt Satanic members.
- **The Ninth Circle was believed to be centuries old, globally based, and funded by the international monetary system** with monies filtered through the privately owned IRS, Federal Reserve and Vatican Bank. They ran the world global accounts out of a central bank in England controlled by the Rothschild family.
- **Ninth Circle members were thought to utilize the Chinese, Mexican and Italian Ndrangheta Mafias** for drug and arms dealing, kidnapping, human trafficking, child exploitation, harvesting their victim's organs for monetary gain, pedophilia parties, tortuous mind control of children and human sacrifices in Satanic rites held on a regular basis.
- **Since at least the creation of the CIA after World War II and known as "The US Shadow Government,"** these global elite Ninth Circle members were said by victims to have used a CIA black budget and Nazi mind control methods to exploit children in Satanic pedophile and human sacrifice parties, developed them into "Super Spies," plus created wars and ruled governments throughout the globe. **C. Fri. 15 Nov. 2024: BOOOOM!!! The BRICS Currency Note: A Game-Changer in the Global Financial Arena! ...Carolyn Bessette Kennedy on Telegram**

- **The day has come. The BRICS nations—Brazil, Russia, India, China, and South Africa**—are no longer satisfied with living in the shadow of the U.S. Dollar. They've dropped the bombshell that could obliterate the American financial system as we know it—a BRICS Currency Note! Although it's not in circulation yet, its mere existence sends a clear message: the BRICS countries are flipping the script on the global financial stage.
- **The BRICS Currency Note—A Revolution in Motion!:** The world woke up to a shockwave when the BRICS Currency Note was revealed. This bold move could be the beginning of a financial revolution. For decades, the U.S. Dollar has held the world in its

grip, dictating the terms of global trade, finance, and politics. But now, with the emergence of a BRICS currency, the tides may be turning for good.

- **The BRICS note symbolizes a defiant stand against the U.S.-dominated financial system.** Vladimir Putin has taken the reins of this movement, signaling that these nations are ready to break free from the suffocating control of the American financial empire.
- **What Does This Mean for the World?** This is more than just currency. It's a direct challenge to the U.S. dominance. By proposing this currency, the BRICS nations are creating a new financial ecosystem. No longer will they be at the mercy of a single country and its weaponized financial system.
- **The Rise of the BRICS Currency: A Defiant Response to U.S. Control:** For too long, the U.S. Dollar has been used as a financial weapon, enforcing sanctions and manipulating countries that oppose American interests. The BRICS nations have had enough. They're not just talking about change—they're making it happen. This currency will weaken America's ability to control the global economy.
- **The BRICS Currency Note**—whether it's in your hands now or not—signals that the world is ready to move on. The U.S. financial grip is crumbling, and this is just the beginning of a new era where nations will no longer be dictated to by U.S. interests.
- **A Move for Financial Independence:** This BRICS currency is a symbol of economic sovereignty. The 100 BRICS Note that has emerged is a powerful statement—these nations are no longer bowing to the demands of the U.S.-controlled system. They are taking charge of their economic destiny and shattering the chains that have bound them to the American financial order.
- **Implications for the Global Financial Order:** The End of U.S. Dominance? The introduction of this currency could send shockwaves through the global financial system. It's not just about economics—it's about seismic political shifts that could spell the end of U.S. Dollar dominance. The U.S. has used its financial power to project control over the world for decades. But with the BRICS currency in play, that era is over.
- **A Defiant Response to U.S. Sanctions:** Sanctions have been a go-to weapon for the U.S., but the BRICS nations are done playing along. With their own currency in hand, they can circumvent American financial institutions and reclaim their power.
- **The unveiling of the BRICS Currency Note** is more than just an economic maneuver—it's a direct challenge to the global order. The U.S. stranglehold on the world economy is crumbling as these nations rise up and take control.
- **Conclusion: The Beginning of the End?** The BRICS Currency Note could be the start of the end for the U.S. Dollar's reign. As this revolution unfolds, we are witnessing a monumental shift in power—one where the U.S. no longer holds the ultimate financial weapon.

#### E. Fri. 15 Nov. 2024: Global EBS Countdown Begins ...John F. Kennedy Jr. on Telegram

- **Underground Operations:** Military units have overtaken underground DS facilities in major cities worldwide, including Washington D.C., London, and Berlin. These strongholds, full of surveillance equipment and servers, are now under control. For the first time, the cabal's backbone has been crushed.
- **Media Blackout:** Major news networks, tech giants, and social media are under military control. Propaganda will be wiped out, making way for unfiltered truth. CEOs in these networks have resigned or vanished in the past few weeks, knowing what's coming.
- **Strategic Power Outages:** The power grids in urban centers are primed for controlled shutdowns, ensuring DS operatives can't use backup systems to interfere with the broadcast. Expect intermittent outages—these aren't accidents; they're steps to secure EBS integrity.
- **What Will the EBS Uncover? Revealing the Cabal's Operations:** The EBS will broadcast hidden files—over 50 terabytes of classified documents, eyewitness testimony, and more. You'll see evidence of how the WEF, Bilderberg, and other elite circles manipulated global economies and governments for their sinister goals.
- **Human Trafficking Networks:** Shocking truths will expose global trafficking rings. Tunnels beneath major cities, similar to those near Epstein's properties, were uncovered. Military raids in locations like Ukraine, Haiti, and Antarctica have saved thousands. Get ready for sickening details the DS tried to bury.
- **Election Manipulation Unveiled:** Evidence of 2020 election fraud will be revealed, showing the DS's reach in rigging elections and keeping Trump from office. The same people behind this have also been meddling in elections worldwide. Some are already in custody as we speak.
- **Pandemics as Control Tools:** EBS will expose documents proving pandemics were engineered by DS-linked groups like the WHO and CDC to keep the world in fear. Bio-labs have been uncovered—proof of lab-created viruses used to enforce lockdowns and strip away freedoms.
- **Mass Arrests and Tribunals Begin High-Profile Arrests:** Since Trump's return, arrests have escalated. Military tribunals are underway, with over 500 DS figures detained. Justice is imminent.

- **Financial Kingpins Seized:** Elite families, including Rothschilds and Rockefellers, have been captured, facing charges from currency manipulation to funding black ops. Their role in market crashes and laundering will be exposed.
- **Hollywood's Collapse:** Executives, directors, and actors have been implicated in DS rituals. With evidence seized, Hollywood's web of deception is disintegrating.
- **Global Takedown Underway:** Leaders from DS-aligned countries, like Canada, Australia, and Germany, are under investigation, some reportedly under house arrest. Military takeovers are happening quietly, ensuring DS networks crumble.
- **EBS Launch Imminent:** The world will momentarily go dark, but soon 10 days of unfiltered truth will broadcast to every home. Prepare for a cascade of revelations that will change everything.
- **Military Action for Secured Transition Neutralizing Bio-Labs:** Special forces are actively dismantling hidden labs preparing bioweapons. Labs in Eastern Europe and Asia have already been seized.
- **Cybersecurity Dominance:** Military hackers have seized DS servers, nullifying their grip on stocks, crypto, and infrastructure. Digital warfare is under control.
- **Preventing Civil Unrest:** Military checkpoints will prevent organized DS-led riots. Patriots, remain vigilant—this is a temporary but necessary action for safety and order.
- **Stay Alert. The Final Storm Is Here.**

**F. Fri. 15 Nov. 2024 BREAKING: National Guard Deployed! Gangs Seize US Cities! America Under Siege! ...47<sup>th</sup> on Telegram**

- **EMERGENCY ALERT:** The National Guard has been deployed as gangs and drug cartels seize control of major U.S. cities! This is urban warfare, and law enforcement is struggling to keep up. America is under attack from within—this is no drill!
- **Crisis Erupts Across Major U.S. Cities! Texas, California, and Michigan are in full crisis mode.** Armed gangs have taken control of entire neighborhoods, turning once-safe communities into battle zones. Thousands of Americans are trapped in their homes as criminals hold them hostage. The National Guard is now on the ground, pushing back against this unprecedented threat.
- **Texas Under Siege—El Paso Held Hostage!** In El Paso, gangs have seized control of entire apartment complexes, evicting residents or forcing them to pay outrageous rents under the threat of violence. This is domestic terrorism, and it's spreading fast. In San Antonio, a gang took over the Padia Apartments, converting 300 units into their fortress. Police raids have arrested 19 gang members, but this is only the beginning of a much deeper network.
- **National Guard Deployed—Nationwide Lockdown!** This isn't just a Texas problem—California and Michigan are also in the line of fire, with National Guard troops deployed in multiple cities. The situation is so dire that the Guard has been ordered to secure borders, shut down trafficking routes, and reclaim territories from gang control. This

operation is expected to drag on for months, possibly even longer. America's cities are becoming war zones.

- **The Drug War Spirals Out of Control!** These aren't just street gangs. This is part of a global drug trafficking network, and it's winning the war on drugs. Meth, fentanyl, and other deadly substances are pouring into cities, leaving Americans dying in record numbers. Addiction rates are skyrocketing, and law enforcement is overwhelmed. The cartels aren't just pushing drugs—they are destroying communities from within.
- **Migrant Crisis at the Border—A Perfect Storm.** As if the gang warfare wasn't enough, the southern border is about to face a massive migrant caravan heading north. Thousands are on the move, threatening to overwhelm an already strained Border Patrol. This could turn into a humanitarian disaster as political tensions rise ahead of the 2024 elections. Will former President Trump's potential return bring a crackdown on the border crisis? Only time will tell, but the clock is ticking.
- **America at War Within—What's Next?** This is not just a local problem—this is a national emergency. The National Guard's deployment is a desperate measure to stop the violence, but the fight is far from over. Will America be able to reclaim its streets from these criminal organizations? The future of the nation's security hangs in the balance.
- **FINAL WARNING! Law enforcement and military forces are being stretched thin.** If this siege isn't broken soon, the consequences could be catastrophic. America is on the brink, and the battle to save it has only just begun. Stay informed, stay prepared.

#### **G. Fri. 15 Nov. 2024 White and Red Hats Unite to End FEMA ...Julian Assange on Telegram**

- **White and Red Hats have set aside their differences** to face a common enemy: The Federal Emergency Management Agency (FEMA), a corrupt institution that has terrorized and robbed patriotic citizens for decades.
- **Over the past six years, White Hats have battled FEMA** in disaster zones ravaged by fires, floods, and storms. Each time, they've uncovered FEMA agents tormenting and pillaging innocents whose lives have been destroyed by these disasters. According to sources from Gen. Smith's office and U.S. Army Special Operations Command, White Hats have neutralized over 860 FEMA personnel, including high-ranking officials, while current director Deanne Criswell awaits a military tribunal at GITMO. But the Deep State, using AI, CGI, and holography, keeps her in the public eye.
- **In 2022, White Hats attacked FEMA's stronghold**, the Mount Weather Emergency Operations Center, a fortified underground bunker packed with enough firepower to start a war. While they seized the facility, FEMA's grip on power remains unshaken. White Hats say FEMA's evil runs deep, with its structure designed to survive leadership losses. Only a mass culling can bring FEMA to its knees.
- **Following geo-engineered hurricanes Helene and Milton, Red Hats**—composed of active-duty, retired military, and non-federal law enforcement—launched their own

offensive after FEMA's armed presence in North Carolina went unanswered. Led by Colonel Kurtz, they stormed Asheville to halt FEMA's takeover. There, they witnessed FEMA and ATF agents breaking into homes, stealing firearms, jewelry, and cash. When an elderly woman protested, she was thrown to the ground, and a FEMA agent declared, "This ain't your property anymore." He was immediately shot dead by Red Hats. Similar incidents occurred across the region.

- **Instead of helping, FEMA confiscated relief supplies**, leaving the wounded and displaced to suffer. Red Hats retaliated, wiping out dozens of feds infringing on citizens' rights, though they suffered losses as well.
- **The battle escalated at Chimney Rock**, where Red Hats confronted FEMA forces protecting the area's valuable lithium deposits. After FEMA ambushed and killed 12 Red Hats, Col. Kurtz made a desperate plea to Gen. Smith for unity. Following an emergency meeting, White Hats agreed to join forces, and together they drove FEMA off the mountain, even shooting down a FEMA helicopter.
- **Yet the fight is far from over.** The next day, a federal convoy, under orders from "President Harris," blockaded Chimney Rock. Union forces, refusing to surrender, began picking off federal agents from elevated positions. The battle continues, with Union forces using their tactical advantage to hold their ground.
- **Elsewhere, Union troops have engaged FEMA in Florida**, and more updates on that front will follow.
- **In closing, our source said Gen. Smith and Col. Kurtz** have united in their shared mission to crush FEMA. As one source said, "Sometimes uniting against a common enemy brings people closer together."

**M. Fri. 15 Nov. 2024: FBI Orchestrated January 6th to Destroy Trump's Patriots – U.S. Army Special Forces Veteran Jeffrey McKellop Exposes the Deep State's Dark Plan! ...The 47<sup>th</sup> on Telegram**

- **January 6th wasn't a spontaneous event—it was a trap.** A carefully planned operation by the Deep State, designed to destroy Trump's patriots. Jeffrey McKellop, a decorated U.S. Army Special Forces veteran, has become a political prisoner, locked away by the

very government he defended for over 30 years. His story proves the conspiracy to dismantle Trump's movement and silence anyone who dares to challenge the deep state.

- **The truth they don't want you to know?** Capitol Police didn't fail that day—they engineered the chaos. McKellop witnessed it firsthand. An elderly woman was pushed down the stairs three times, sparking the crowd exactly as planned. It was a deliberate move to provoke violence, giving the feds an excuse to brand patriots as domestic terrorists. This was no accident—it was orchestrated.
- **McKellop has been brave enough to raise the Entrapment Defense**, exposing undercover FBI agents who infiltrated the crowd. These agents weren't just watching—they were inciting the crowd, baiting patriots into confrontations with the police. McKellop has already identified two agents, and the FBI is scrambling to cover it up. They know if the truth gets out, their entire narrative collapses.
- **The FBI, DOJ, and Capitol Police** worked together in this coordinated takedown. They needed January 6th to paint Trump's base as extremists and justify their assault on patriots. McKellop's case is unraveling their plot. He's been imprisoned for over three years, subjected to solitary confinement, psychological abuse, and forced to sign documents to absolve his captors. But they haven't broken him.
- **McKellop is calling on patriots to stand firm**, reject plea deals, and fight back. The Supreme Court is on our side, and his case could expose the deep state's role in orchestrating January 6th. This isn't just about McKellop—it's about the return of Donald Trump. The deep state is terrified of Trump's comeback in 2024. They know what's coming: a total purge of the DOJ, FBI, and the corrupt institutions behind this attack.
- **Trump will not let this stand.** When he returns, executive pardons will free every political prisoner, including McKellop. And the deep state operatives who tried to destroy America will face justice.
- **This is a war for America's future.** The elites tried to destroy Trump's supporters, but they've only made us stronger. McKellop's fight is just the beginning. The truth is coming, and nothing can stop it.
- **Trump is coming back, and with him**, the reckoning they fear. Stand with McKellop. Stand with Trump.

## **N. Satan Worshipping Illuminati Zionist Deep State Cabal Globalist Depopulation Agenda 2030: World Economic Forum Depopulation Agenda: The Weapons of Choice**

1. **Weather Modification:** Artificial disasters are designed to starve entire populations. Crops, homes, lives wiped out overnight.

2. **Illegal Immigration:** This isn't about welcoming refugees. It's about breaking the system, overloading resources, and forcing societal collapse. Less stability = fewer births.

3. **Fluoride:** They claim it's for your health, but long-term exposure lowers IQ and fertility, weakening entire generations.
4. **DEI (Diversity, Equity, Inclusion):** It's not about equality. It's designed to divide, to break down traditional values, shatter unity, and weaken population growth.
5. **GMOs:** Genetically altered food isn't just weird science—it's weaponized. Chronic illness, infertility? Not a coincidence.
6. **Food Coloring:** Laced with toxins and carcinogens, it's a slow poison that ensures your early demise.
7. **Hair Chemicals:** Ever wondered why infertility rates are rising? It's in your products, absorbed through your skin. They want you sterile.
8. **Chemtrails:** Disguised as "cloud seeding," these sprays are toxic. They rain down death, reducing lifespan and population.
9. **Carbon Footprint:** "Climate control" policies are just another tool to starve you out, control energy and resources, leaving people destitute.
10. **Economic Manipulation:** Crippling the economy is a deliberate tactic. Poverty means fewer children, more death.
11. **Bioweapons:** Releasing diseases specifically targeting certain groups, creating global chaos and mass casualties.
12. **Media/Entertainment:** It's no accident they glorify unhealthy lifestyles, nihilism, and degeneracy. They encourage mental illness and reduce population growth.
13. **Environmental Toxins:** Pollution? No—deliberate infertility agents, spread far and wide.
14. **Birth Control:** Direct. Effective. Keeps the population in check.
15. **Pharmaceuticals:** The pills they give you are designed to weaken your immune system, shorten your lifespan, and stop you from reproducing.
16. **Vaccines Poisoning:** Disguised as public health, but in reality? Infertility agents, straight into your bloodstream.
17. **Crop Destruction via Weather Modification:** Droughts, floods, extreme weather—they're not accidents. They're planned, driving entire populations toward starvation.
18. **Land Control and Regulation:** Restricting farmland, pushing food scarcity to starve out the masses. They're taking the land for their own agenda.

- **It all traces back to The Global 2000 Population Reduction Plan**, which began during the Carter Administration. This global genocide has its roots in the Club of Rome and was planned as early as **1972**.
- **They've been implementing this for decades**, quietly pulling the strings, and now it's coming to the surface. This agenda isn't hidden anymore, it's right in front of us—and it's accelerating. From Porton Down to Lithium deposits in Wyoming and North Carolina, they've been setting this up for years.
- **Klaus Schwab was groomed by Henry Kissinger**, a Rockefeller disciple, to carry out these depopulation schemes. Schwab's father, a Nazi collaborator, helped shape this horrifying legacy. The connection is undeniable—all roads lead to global control and depopulation. Wake up, they aren't hiding it anymore. The storm is here!

**O. Fri. 15 Nov. 2024 BQQQM! President Trump's 2nd Declaration of Independence! ...Mr. Pool on Telegram**

- **The American people, with the utmost respect for the founders of America and the framers of the original Declaration of Independence**, humbly emulate their measured response to rising tyranny and despotism. They believe it is their moral obligation, especially those with knowledge and opportunity, to work on behalf of the people, choosing unity over division, nationalism over globalism, and sovereignty over submission. They hold that all human beings have equal value, that America was founded under God, and that their God-given rights cannot be abridged without due process.
- **The Second Declaration of Independence, however, distinguishes itself from the original in seeking independence from a different object.** Despite warnings and safeguards, a cabal of foreign investors and private interests has gained possession of America's wealth, labor, and future, even reaching into the lives of children. Regardless of interpretations of events like the adoption of a “corporate” constitution or amendments impacting the people, the fact remains that foreign groups lay claim to America's assets. Rather than dwell on motives or speculate based on theories, the people seek a comprehensive solution: independence from all claimants, regardless of their origin or hidden agendas.
- **Enumerating the transgressions clarifies how these events shaped America's current challenges:** The Civil War devastated America's economy, divided families, and left the nation in financial need. Foreign investors offered aid but demanded governmental control to secure their investments.
- **By 1871, Congress, overwhelmed by debt**, formed a partnership granting these investors administrative authority, effectively surrendering America's independence. With growing control, foreign interests began to prioritize their agendas over the people's welfare, embedding themselves in Washington, D.C., and steering governance.
- **By the early 1900s, these investors controlled the press**, allowing them to manipulate public perception to protect their actions. They also promoted the misleading idea that

America was a democracy, fostering unrest and undermining the founders' vision of a Constitutional Republic designed to protect minority rights and prevent factional rule.

- **In 1913, they founded the Anti-Defamation League** to discredit anyone exposing their influence. That same year, the 16th Amendment empowered them to tax Americans directly, despite this power being prohibited by the original Constitution, raising questions about the legitimacy of its ratification.
- **The 17th Amendment allowed Senators** to be elected by popular vote, compromising a key safeguard of the Republic, as previously they were appointed by state legislatures to balance the House's public influence.
- **Also in 1913, they established the Federal Reserve**, a foreign-controlled central banking system, despite warnings from presidents such as Jefferson and Jackson.
- **Finally, in 1920, Congress**, through the Independent Treasury Act, transferred the U.S. Treasury's assets, including gold and silver, to the Federal Reserve, thus surrendering national financial sovereignty.
- **These events, once obscured, now come to light**, guiding America toward a renewed commitment to independence from foreign influence and reclaiming the vision set forth by its founders.

**T. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.*

*"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
