Judy Note: On Fri. 22 Nov. 2024 Cabal banks were closing all over the World as a final countdown began. Trump's arrival back in office would return Power to the People and set in motion a Worldwide Blackout to cover Mass Arrests of those who have committed Treason and harmed our precious children.

Trust The Plan: It's not The End. It's The Beginning.

In the morning of January 2016 when Trump first took office, the US President Elect paid a visit to CIA headquarters and declared a war on Child Sex Trafficking. Since then he has used the Global Military Alliance to head a massive rescue of millions of children from underground DUMB Tunnels across the Globe.

Now he was following that up by pledging to use Military on Land and Sea to dismantle the drug and Child Sex Trafficking networks throughout the US.

His primary goal was to Save The Children, especially those vulnerable to placement in a Child Sex Trafficking Ring such as Kaitlynn Hunter and her fellow Ohio Foster Care inmates and others caught in the US human trafficking ring, plus those kidnapped by the Cabal's FEMA from disasters they created in Maui and North Carolina.

Fri. 22 Nov. 2024 Kaitlynn Hunter Update:

- **There was no new information on Kaitlynn.** Her mother hasn't heard from her since she was taken from the hospital by Ohio Child Protective Services in the middle of the night where she was to be observed for an untreated brain concussion.
- **It was hoped that the White Hats** had the case open for investigation and she was safe, but there has been no assurance that was happening.
- **What we do know is that no Ohio government agency** would open an investigation on this case of extensive six year abuse of a foster child who had no reason to be in foster care in the first place.
- **Patriots! Let's band together and set Kaitlynn free. Please pray for her and consider contributing to the Kaitlynn Hunter Wants To Go Home Go Fund Me Account.** The money will be used to reunite her with her family after six long years of abuse, starvation, rape and torture while in the Ohio Foster Care System. An Email from a concerned Ohio resident:

To Whom It May Concern;

We the People of the state of Ohio demand to know why the following has not been investigated. It has been over 100 days since a former Cambridge Ohio police officer, publicly resigned, exposing corruption in high places in Ohio, including the mayors office and the police department as well as the corrupt Ohio Bureau of Criminal Investigation (BCI) who covers up for the criminals in public office by ignoring and not investigating reported crimes committed by them.

This includes several reported crimes to Ohio BCI, committed by Ohio public officials, public "servants"

Crimes such as the attacks on police officers who report corruption within their own police department, by other police officers and by the chief of police (see attached public resignation of former Ohio police officer)

Crimes such as the kidnapping of MANY Ohio children, such as [Kaitlynn Hunter](#), now 16 years old, stolen from her mother [Jeannine Larrick](#) 6 years ago, trafficked, assaulted, neglected and abused through the corrupt foster care system. Ordered by by Guernsey County CPS Executive Director Nichole Caldwell and Guernsey County judges Daniel Padden and David Bennett.

Crimes such as the kidnapping of [Lilliana Vitantonio](#), now 11 years old, a kidnapping run through the Lake County Juvenile Court, a trial run quietly behind the closed doors of a corrupt court with no one served notice of the custody trial date, except those involved in the organized crime. Ordered by Lake County magistrate Janette Bell, judge Karen Lawson (now deceased), attorney/judge Paul Malchesky, and guardian ad litem Rebecca "Becky" Castell. No one in Ohio assisting because the kidnapper is the brother of the Ohio state special prosecutor Dominic Vitantonio, with mob connections.

Crimes such as the recorded rape and attempted murder of [Mary Louise Allen](#), a former Psychology Professor from Stark Stake College in Canton Ohio, a rape committed by Ohio Attorney Richard Arnold. A rape, which when reported, the victim Mary Louise Allen was gang-stalked by Ohio public servants, including the police, and when reported to the OHIO FBI was asked by an FBI agent is she was taking psych meds, because she reported her rapist was an Ohio attorney.

We the People of the state of Ohio have been ignored long enough! We are sick and tired of having to live in fear and live in hiding, due to the threats from public officials when we report crimes. Threats to ourselves and to our families.

God Help Us All!

Sincerely,

Another Victim in hiding

D. Thurs. 21 Nov. 2024: Trump Confirms Military Emergency After Biden's Reckless Escalation ... Julian Assange on Telegram

- **President Donald Trump has announced plans** to declare a national emergency and mobilize the military for mass deportations of illegal aliens. This comes amid explosive revelations that the Biden administration authorized Ukraine to fire long-range U.S. weapons into Russian territory, a move seen as a blatant provocation.
- **Biden's decision reportedly came three days ago**, enabling Ukraine to strike Russian targets in the Kursk region. Unelected Ukrainian leader Zelensky ominously declared, "Missiles will speak for themselves." Meanwhile, European leaders are sounding the alarm. EU Parliament Member Florian Philippot warned, "The deep state and its puppet Biden are desperate to trigger World War III before Trump returns to power."
- **Russia's response has been swift and severe.** Top Kremlin officials stated such strikes would mean NATO is at war with Russia. Senator Vladimir Dzhбаров declared, "This is a massive step toward World War III." Psychic Kazheta Akhmetzhanova predicted, "The world is on the brink of catastrophic events."
- **Donald Trump Jr. blasted the Military-Industrial Complex** for its warmongering, accusing Biden of risking global annihilation to lock in trillions in profits. At the same time, NATO countries like Sweden are distributing wartime preparedness pamphlets, and Finland is launching national readiness campaigns.
- **Despite escalating tensions, some NATO leaders are backtracking.** Germany's defense minister announced no approval for long-range missiles to Ukraine. French media has similarly clarified that France and the UK have not authorized strikes deep into Russian territory. Yet, Biden's reckless moves seem aimed at sabotaging Trump's anticipated efforts to broker peace.
- **The stakes are clear.** Putin understands Biden's gambit is designed to complicate the diplomatic landscape for a potential Trump presidency. But Trump's peace-through-strength doctrine remains the only viable path to end the madness.
- **The Biden administration's recklessness highlights** their desperation as Trump's return to power grows imminent. The deep state knows their time is up, and they're willing to gamble with global destruction to cling to control.
- **Stay vigilant.** The storm is intensifying, and those in power will stop at nothing. Hold the line—truth and justice are coming.

F. Thurs. 21 Nov. 2024: PUTIN TO BIDEN: NUCLEAR CHECKMATE! ...Michael Jackson on Telegram

- **Explosive: Ukraine uses U.S. missiles to strike Russia**, igniting Putin's nuclear doctrine! NATO and the U.S. are now in the crosshairs of Russian nuclear retaliation.
- **The unthinkable has happened. Ukraine**, armed with advanced Western weaponry, has officially struck deep into Russian territory. Russian President Vladimir Putin has responded with an ominous declaration, invoking his newly signed nuclear doctrine. This escalation has shattered global stability, bringing the world perilously close to all-out nuclear war.
- **Putin has made it clear: any nation that aids Ukraine in attacks on Russian soil is now a legitimate target for nuclear retaliation.** The era of conventional warfare is over. Welcome to the age of nuclear brinkmanship, where every decision could be humanity's last.
- **THE ATTACK THAT CHANGED EVERYTHING** In a shocking escalation, Ukraine used U.S.-supplied ATACMS missiles to strike Russian targets. This is not just a military milestone—it's a seismic geopolitical shift. For the Kremlin, it's an act of war not just by Ukraine, but by NATO itself.
- **Russia's response was immediate.** Putin declared the strikes a violation of Russia's red lines, invoking his new nuclear doctrine that categorizes such aggression as a joint attack by Ukraine and its Western backers. The fallout from this declaration could engulf the entire globe in a nuclear nightmare.

G. Thurs. 21 Nov. 2024: Trump Launches Unprecedented "Hostile Takeover" Against Biden To Avert World War III

- **Explosive revelations emerge as President Trump takes action to thwart what many believe could spiral into a catastrophic World War III.** Foreign Minister Sergey Lavrov warns that Biden's authorization of Ukraine's long-range missile strikes on Russia marks direct U.S. involvement, a declaration backed by Putin's statement that NATO personnel—not Ukraine—control these missile systems. Putin's stark warning? NATO's involvement equates to direct war with Russia.
- **The Kremlin has escalated the stakes,** with Putin signing a decree authorizing nuclear strikes against NATO countries. Intelligence chief Sergey Naryshkin revealed that NATO's participation in long-range strikes would face retaliation, declaring the expanded nuclear criteria make battlefield defeat impossible. Meanwhile, Congressman Thomas Massie blasted Biden's actions, calling them "an unconstitutional Act of War" and accusing him of being a "deep state puppet."
- **Tensions reach a boiling point as Germany activates its World War III contingency plan,** "Operation Deutschland," while the U.S. Embassy in Ukraine issues urgent warnings about potential air attacks. This escalating chaos underscores a critical moment in global history.
- **Amid this backdrop, Trump is launching** what insiders describe as a "hostile takeover" to dismantle the Biden regime and protect American sovereignty. Refusing to cooperate with politicized agencies like the FBI and the State Department, Trump is sending a clear message: this time, the deep state won't call the shots. His ally, Mike Davis, called it a "hostile takeover on behalf of the American people."

H. Thurs. 21 Nov. 2024: PUTIN'S NUCLEAR DOCTRINE: THE NEW RULES OF WAR
Putin has obliterated decades of nuclear restraint. His doctrine is ruthless: ...Michael Jackson on Telegram

- **Any aggression on Russian territory** involving Western-supplied weapons will justify nuclear retaliation. This extends to any nation that supplied the weapons.
- **The United States, Germany, Poland, and other NATO countries** arming Ukraine could now find themselves in Russia's nuclear crosshairs. This doctrine transforms Ukraine's battlefield into a global flashpoint, making every NATO ally a potential target.
- **BIDEN'S CALCULATION: THE PRICE OF SUPPORTING UKRAINE** Biden now faces a grim choice. His administration has supplied billions in advanced weapons, including the ATACMS missiles that triggered this crisis. Does Biden double down, risking direct confrontation with a nuclear-armed Russia? Or does he scale back support, risking weakness and betrayal of NATO's principles?
- **Every move could tip the balance** toward global conflict. Biden faces the most critical decision of his presidency—one that could define the future of the free world or plunge it into chaos.
- **NATO: FROM DEFENSE TO TARGET** By approving Ukraine's strikes on Russian soil, NATO has moved closer to direct confrontation with Russia. Moscow's declaration

that it is “at war” with NATO leaves little room for ambiguity. NATO’s survival now hangs by a thread. The alliance faces an existential choice: escalate or risk collapse.

- **A GLOBAL NIGHTMARE UNFOLDS** The ripple effects are already felt. In Asia, China reassesses its ambitions. In the Middle East, Iran and North Korea recalibrate their nuclear programs. Global markets collapse, and uncertainty reigns supreme.
- **This is no longer just a European crisis**—it’s a global reckoning that threatens to unravel the international order. Every nation is living in the shadow of what could become the deadliest conflict in human history.
- **THE CLOCK IS TICKING: IS THERE A WAY OUT?** Diplomatic efforts have stalled, and both sides stand firm. The margin for error is razor-thin. Missteps now could escalate the crisis into a global catastrophe.
- **Humanity stands at the crossroads.** Putin’s declaration of “Nuclear Checkmate” is a chilling reminder of how fragile peace is. The decisions made in the coming days will decide whether humanity steps back from the brink—or plunges into the abyss.

- **Sean “Diddy” Combs**, once hailed as a cultural icon, stands exposed as the mastermind of a sprawling criminal network operating from behind bars. From trafficking and blackmail to bribery and intimidation, his empire thrives, even from his prison cell.
- **A Cell Turned Command Center:** From his cell at Brooklyn’s MDC, Combs has built a covert headquarters. Sources reveal he uses smuggled phones and bribed guards, paying over \$200,000 to bypass security. These devices allow him to direct his criminal network, manipulate witnesses, and control operatives on the outside.
- **Reports indicate Combs** has blackmail material on government officials, including illicit recordings used to silence dissent and shield his empire. Witnesses describe his reach as “unstoppable.”
- **Digital Disinformation Warfare:** Combs orchestrates a global propaganda machine to discredit witnesses and sway public opinion. Investigators uncovered payments to offshore firms specializing in disinformation, targeting victims with fake scandals. Anonymous accounts flood social media, spreading lies to manipulate jurors and tarnish reputations.

M. The Old Real News That Never Made The News:

Wed. 30 Aug. 2023 [Where Were Maui's Over 2,000 Missing Children? | Crime All-Stars | Before It's News](#)

- **Over 2,000 Hawaiian children** have remained missing in the past 22 days since what were believed to be Direct Energy Weapon (DEW) Attack fires that decimated Liahana Maui on **8 Aug. 2023**. Only a handful of children's bones have been discovered in the charred remains of Liahana. Over 2,000 little ones just disappeared.
- **School had been called off for the day** and students were loaded on buses to take them home. On Social Media there was speculation amongst the community wondering not only what happened to the students, but what happened to the school buses that picked them up. None of the buses were found – not even in the trail of burnt vehicles found on the highway and on Front St.
- **Hawaii's Democrat governor Josh Green, Maui Mayor Richard Bissen and Liahana Police Chief John Pelletier** (who strangely was Laihana's coroner and also at the Las Vegas shootings) have repeatedly refused to even talk about the missing children who were reportedly home alone when the fires began.
- **All three Hawaiian authorities** were thought loyal to the Deep State in a well planned attempted takeover of valuable Native Hawaiian land for their model "Smart City" – which was designed to gain complete control over the population.
- **As the massive fire raged so hot it melted tires**, Maui Police were ordered to help FEMA employees block escape routes from Laihana, the historical capital of the Kingdom of Hawaii.
- **Those who escaped the blockades** reported that FEMA authorities had issued an order to set up those blockades two days before the so-called "Wild Fires" even began. The resultant road jam imprisoned hundreds of native Hawaiians who died in their cars as the fires raged around them.
- **On Sun. 6 Aug**, two days before the DEW Attacks, 2,500 FEMA personnel began arriving in Honolulu. Two days before the fires began? You would think they knew a disaster was about to happen.
- **All then flew to Maui** and booked themselves into \$1,000+a-night luxury hotels. Two days later as Lahaina burned, most all were 100 miles away, back in

Honolulu, suggesting that the diabolical agency knew that parts of Maui would be set ablaze.

- **In that same two days prior to the fires**, Herman Andaya, Maui's top emergency management official and Eric Lecky, FEMA Mission Support Associate Administrator, met in Lahaina, according to videos in possession of the White Hat Military Alliance which sent in US Marines to get control of the situation. The footage also showed Andaya giving Lecky a tour of Lahaina and advising him where to set up barricades to keep citizens trapped in what would become a disaster zone.
- **On Wed. 16 August, a week or so after the Maui disaster**, US Marines were in Lahaina. Word had come that Maui police and a National Guard infested with CIA agents, were supporting FEMA workers blockages, both by land and by sea, of food, water and needed supplies from reaching Lahaina; refusing to hand out food and water to desperate survivors; had closed down a desperately needed food station and two days before the fires began had secured a Media Blackout within a 12 mile range surrounding Lahaina that had no cell phone, or Internet coverage.
- **The Marines found on Front Street in Lahaina**, a uniformed police officer shooting a pedestrian in the back for unknown reasons. The cop then spotted a bystander filming the incident on a cell phone, and shot him, too. He was the fifth cop whom Marines killed since arriving in Maui late Wednesday afternoon.
- **The Marines also found bloated, bullet-riddled bodies** that floated face down in the ocean and Hawaii National Guardsmen rummaging through pockets of dead islanders and tourists. FEMA and the Red Cross were not only refusing to give out food and needed essentials, but were forbidding citizens access to nearby food, water and shelter.
- **Now over three weeks later the Liahana School District** has reported that 2,040 children were still unaccounted for. No news of the over 2,000 missing children has snuck past the Communication Blackout area where "Special Police" in foreign vehicles stopped people from entering the Killing Field.
- **Governor Green**, Maui Mayor Bissen and Police Chief Pelletier have refused to address the missing children issue. Nor have they successfully addressed why no alarm sounded for the fire, water was turned off and emergency personnel including the fire department were a hundred miles away in Honolulu when the fire suddenly broke out.
- **Of course, the Soros-owned Deep State Mainstream Media** has repeatedly downgraded or even refused to cover the story.
- **The one Liahana morgue** at the hospital and a second at the police station reported only 118 dead, most of them adults.
- **So where were the over 2,000 missing children?** One answer might be found in a massive human/child trafficking line that ran through Lahaina. Hawaii was the base between Australia, Taiwan, China and California for Oprah, Epstein, Zuckerberg, CIA, UN Elites and their international Child Sex Trafficking, Adrenochrome and Organ Harvesting network.

- **The land of Lahaina** was considered the second most expensive real estate in the world and for years those Elites had been buying it up. Most natives refused to sell this land of their heritage, but the Elites were persistent. It was where they planned on building a Smart City where they could control the population.
- **The DEW Attacks** were believed developed by these in the Deep State government:
 - (1) **To kill several witnesses** who were set to expose an International Child Sex Trafficking, Adrenochrome and Organ Harvesting ring centered in Lahaina.
 - (2) **To destroy evidence of Child Trafficking** Tunnels beneath properties owned by Oprah Winfrey, Bill Gates, Mark Zuckerberg and CIA Operation Headquarters.
 - (3) **To test DEW weapons** on humans in preparation for DEW Attacks on other areas where they planned to build Smart Cities.
 - (4) **To test Smart Car** explosions on a mass scale.
 - (5) **To destroy Lahaina** in an ethnic cleansing in order to acquire the native Hawaiian's very valuable land via a carefully calculated land grab.
 - (6) **To free Lahaina land** so it could be developed into a Smart City where residents could be trapped and wear implants that would track them and thus the Deep State could have complete control over their lives.
 - (7) **The Deep State** was trying to find a place to hide and had sunk a lot of money into buying land in Maui – where natives now refused to sell.
 - (8) **Back in 1959** Hawaii independence had been removed by pineapple companies wanting them to be a US Inc. State as a tax source. US Inc. was now officially bankrupt and wanted Hawaii to remain a state and thus hold onto whatever monies the independent corporation could extract.

N. Thurs. 21 Nov. 2024: GESARA / NESARA Global Debt Reset, Contracts Cancellation and Mass Arrests ...Nesara/Gesara on Telegram

- **“LIARS LIE BECAUSE THEY KNOW THE TRUTH!”**: How many individuals do you think would have signed a purported Mortgage if it were advertised as what it truly is: a DEATH PLEDGE?
- **Mortgage dates back to the late 14th century**, with the roots “mort” meaning death in French and “gage” meaning pledge.

- **Knowing that FRAUD VITIATES EVERYTHING** do you think that your ignorance of the genuine facts in the matter, because it's written in French (they told you/us so) excuses those who deceived you and committed fraud against you?
- **To falsify information is indisputably fraud.** “If it looks like a duck, walks like a duck and quacks like a duck, it must be a duck..., even if it is holding a piece of paper that says it is a chicken” (Wild v. Fregein Construction, 68 P.3rd 855 (2003)).
- **“[T]ampering with the administration of justice** as indisputably shown here involves far more than injury to a single litigant. It is a wrong against the institutions set up to protect and safeguard the public, institutions in which fraud cannot complacently be tolerated consistent with the good order of society” (Hazel-Atlas Glass Co. v. Hartford-Empire Co., 322 US 238 (1944)).
- **“There is no question** of the general doctrine that fraud vitiates the most solemn contracts, documents, and even judgments” (United States v. Throckmorton, 98 US 61(1878)).

O. Thurs. 21 Nov. 2024 Controlled and Manipulated: Your Social Security Number is Your Prisoner ID in Their Global Scheme! ...Gitmo TV on Telegram

- **Everything you believe about freedom and justice is a lie.** You're not a citizen with rights—you're a commodity in a rigged system that's been exploiting you since birth. The government, the courts, the banks—they're all part of a massive scam designed to drain your energy, money, and life.
- **Your birth certificate is a receipt** that marks you as property. Your Social Security number? That's your stock ID. You're bought, sold, and traded like livestock on a global market controlled by a shadowy elite.
- **The courts serve the banks.** Judges are enforcers for a financial cartel that sees you as nothing more than a resource to be exploited. Every fine, every tax, every legal document with your name in all caps is a deliberate move to reduce you to a corporate entity, easy to control, easy to tax, and easy to manipulate.
- **The Federal Reserve and IRS?** Not part of the government. They're private entities designed to keep you in debt, to keep you paying, to keep you enslaved. The wars, the economic crashes—none of it is by accident. It's all part of a calculated plan to consolidate power and wealth in the hands of a few while keeping you distracted and powerless.
- **You are not free.** You are not in control. You are a pawn in their game. It's time to wake up, see the chains, and realize the system is working exactly as intended.
- **They own you from the moment you're born** to the day you die, unless you choose to fight back. Stop playing their game.

P. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Q. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

R. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. Paul Cromar #567164 Davis County Jail P.O. S. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running

around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
