As of Sat. 23 Nov. 2024 it's been 17 days since tortured Ohio Foster Child almost seventeen year-old Kaitlynn Hunter was taken in the middle of the night **Fri-Sat. 6 Nov. 2024** from the Dayton Childrens Hospital by Ohio Child Protective Services.

She was supposed to be in the hospital for overnight observation for a brain concussion from a beating four days prior that she had yet to receive treatment for. [Alleged Child Trafficker Ohio CPS Abducts Critically Ill Teen From Hospital | Crime All-Stars | Before It's News](#)

Kaitlynn is to be a prime witness for a Child Sex Trafficking Case against the State of Ohio Child Protective Services, the very people who abducted her from the hospital, who appeared to have neglected her critical medical needs and who now appeared to be holding her hostage with no means to call for help from her sole support person, her mother Jeannine Jarrick.

What we know: After two weeks of myself and many other readers of this Update making calls and emails with pleas to investigate practices of Ohio Protective Services, obtain badly needed medical care for Kaitlynn, plus save her from more abuse, no Ohio government agency from the Governor and Attorney General on down has acknowledged our requests, opened an investigation, let alone put any effort at all into saving Kaitlynn.

It's absolutely disgusting. If you have any information on Kaitlynn's situation, or on abuse of children and youth in the Ohio Foster Care System, please email Judy Byington at: info22faces@yahoo.com.

Kaitlynn is suffering untreated head trauma, continuous pressure on her brain, pain and needle feelings in her skull, has a brain fluid leak, two knots on her skull, has trouble pronouncing, can't spell and slurs words; is highly agitated and her left eye has turned brown. For the past several years she has suffered Dissociation as a result of past trauma such as being starved for a year where she lost 60 pounds and denied prescribed nutrition to regain her health. Eyes have been dilating for the past few years as a result of past beatings. She was in need of an eye operation from a prior beating months ago. She has been without her clothes, schooling and glasses since last Sept. She has been raped and abused throughout her six year stay in Ohio Foster Care and has tried to commit suicide several times. [Alert! Alert! Alert! God's Children Are Not for Sale! Rescuing Ohio's Foster Children from International Trafficking - A Cry for Help! - amg-news.com - American Media Group](#)

All the while she has been denied contact, or had very little contact, with her one support person, her mother Jeannine Jarrick.

This is a clear case of six years of brutal abuse on a child who has a loving home to go to and no reason to be in foster care in the first place.

Below is a Sat. 9 Nov. 2024 Affidavit signed by Kaitlynn that she attempted to file in court, but was refused:

I, Kaitlynn Marie Hunter, swear under pains and penalties of perjury that the following is true.

I, Kaitlynn Marie Hunter, am sixteen years old, born on December 12th, 2007. I have been in foster care for five almost six years and I have fallen through the cracks of the foster care system.

My brother and I were taken into Guernsey county custody February 11th of 2019 on charges that were later acquitted on September 16th, 2022, in which custody should have been returned to my mother Jeannine Larrick based on the fact that she never abused or neglected me or my brother.

Though my life wasn't that of a movie star, I was taken care of by my mother, she wasn't perfect, but she tried and to this day tries for me. Since then, I have lived all over Ohio in several foster homes, residentials, respites and kinships. My mental, physical health and needs being neglected in the situations my county knowingly left me in.

I was abused physically and mentally, starved, taunted, and pushed to the point of attempting taking my life not once but multiple times by the pain and suffering I have endured and continue to endure in state custody.

Some of the unaddressed medical neglect includes my pinkie finger permanently unable to fully bend due to foster parents not following up with doctor's appointments and it then later being too late for surgery to reattach the tendon. Me losing my old orthodontist because nobody took me to my appointments and my insurance money being stolen by said orthodontist which caused my bottom braces unable to be put on and treatment to be paused at my new orthodontists for now over a year. Elevated liver enzymes found when I was younger which turned out to be fatty liver that went unaddressed and not brought up by doctors for over two years, and documented malnourishment. Jeannine Larrick

I lost over 60 pounds in less than a year and I still am having fainting spells from this. I was supposed to be drinking Ensure daily and taking meds to make my appetite bigger but I haven't had access to Ensure so I haven't been doing so. When I was being starved at Kearston Prides, I had to support my foster nephew's, foster sisters and my needs, spending over seven thousand dollars of mine and my parent's money buying things that my foster parents were paid to take care of. The only time I ever really interacted with Kearston was when she woke me up for school or picked me up. When I was 12, I lived in Coshocton with Britney Stripe where I was not properly fed so me and my foster sister were sneaking out and stealing food from gas stations and Walmart right before covid shut down everything.

Britney moved houses without us and eventually the private agency Journey Home caught on once they saw bruises on me at a pool day, due to the older kids beating me up. I was physically abused at Sandra Pipp's and told to kill and cut myself. I started to self-harm living there.

The placement that caused me the most psychological and physical damage was Fox Run. There was not a day that went by without something going down. I ended up with a black eye on my second day there and watched a girl turn blue in the face while staff just watched and waited to cut the towel off of her neck. I was constantly in fights or being jumped. Staff didn't do much to help and would provoke fights between youth and it was said they would re-watch the fights on tapes and laugh. I was there for 6 months without anyone coming to check on me even though I would report what was going on.

Throughout all of this my mother has been fighting for and supporting me every step of the way. She has been the only consistent person in my life and one of the only few people that has fought for my needs. I have been to eighteen separate places in total, including the group home in which currently live as of November 9th, 2024. I was placed back into custody after a kinship placement decided they didn't want me anymore, in which I had to go to a group home because no foster home was willing to accept me as a placement.

There are four other girls who are placed here as well, two of which are enrolled in online school, one not being forced to work on her schooling and the other unable to because her computer hasn't been working for over two

weeks. Staff is aware and has not made any efforts to get the youth back on track. Me and the other youth are not enrolled but the other youth has been here for close to a month and a half. I have not consistently been doing schooling since September and I am still not enrolled. They lost my transcripts from freshman year because of how often I have been moved, so now I am required to complete those credits again.

The area in which they placed me is a high child trafficking area and if I go to public school I will be required to catch the city bus. Throughout my time in county care, I have endured trauma that requires major psychological therapy in which I have not been able to fully access. This trauma makes it extremely hard to trust anybody at all, leaving me to mostly stick to myself and always leaves me on edge with anybody I'm around. This is a mental battle within itself because it leaves me very lonely but I prefer to keep my guard up than allow someone to try to hurt me.

Within these past five years I have been subjected to abuse and neglect by the hands of those who were supposed to protect me. On Wednesday, the 6th, I was assaulted by another youth at the group home I live in. Me and said youth had fought a day prior in which staff had told us to finish whatever we still had on our chest when we returned home. Instead, I had gone upstairs and gave the staff all the youth's contraband, but instead I was instructed to keep quiet about her having the alcohol and Benadryl because she had stolen it while we were out door-dashing and grocery shopping with staff. Staff were aware they would be getting in trouble for her having it to begin with. It is remarkably easy to gain access to such things here because some staff leave us completely unsupervised.

When the youth was tripping off the Benadryl staff had thought she had picked up someone's laced blunt in the parking lot off staff's apartment complex and I was instructed to babysit her and make sure she got into the shower. But instead, said youth decided to run around naked, trying to sit and lay down on my bed for close to almost an hour, dismissing any attempts to get her dressed or back in the shower.

I eventually had to make the night shift staff yell at her to get dressed. I told Mrs. Deon about the contraband anyway because that same staff had sat on the porch and tried to provoke another fight between me and the youth. I overheard this and called the police fearing for my safety but when the police officers arrived, they didn't believe me because staff had said it wasn't true. They left and less than an hour later the youth was trying to provoke another fight with me.

The youth started yelling and provoking another child making said child cry thinking they were siding and talking bad about her with me. but then apologized whenever she realized the youth wasn't. Everything had eventually calmed down because it was time for everyone to go to sleep and the nightshift had arrived. The next day, I had gotten lectured for calling the police because it caused the group home to be billed a \$300 dollar fine. According to Mrs. Deon The fight and drama was dropped but after dropping Mrs. Deon at her house, we went out door-dashing with staff then we went to the library around 5pm. We went back to the house after it had closed at six because me and another youth were hungry.

When we got home Neveah Vaughn got out of the car with her hoodie on and tied, she started yelling at me trying to provoke me and I yelled back but didn't hit her. I went up to the front door and was waiting for the staff to unlock it so I could go inside when she started to attack me. Before I knew it, I was on the ground slamming my head and body into the cement porch. When I hit the ground, I saw stars and heard a ringing noise. She climbed on top of me and sat on my chest while hitting me and choking me.

The staff watched without any attempt to help me and was on facetime with Mrs. Deon saying "look at this" instead of trying to call the police. Another youth, Keyshia Gibson called the police, and that same youth was instructed to go inside when they arrived, refusing to let her talk to the police about what had happened.

The staff that night was the same staff who was trying to provoke another fight between me and said youth from the night prior. It took a while for an ambulance to be dispatched, the police were the first ones on the scene and when they got there, they spoke to staff first then they spoke to me as well but didn't do anything for me to be able to press

charges even though I had stated I wanted to. When the EMTS arrived, they examined me and went inside the house to examine the other youth as well but cleared her because she didn't have any injuries and took me to Dayton's Children's hospital.

At the hospital, they asked me questions about what had happened and about my current mental wellbeing. They looked over my injuries but didn't do any testing besides a urine sample. Before the hospital took my phone, saying it was in their policy to do so, I called my mother because I was scared and didn't know what to do.

My mother called the nurse to inform him that I had prior head trauma and would need a CT scan, but they didn't bother to do one, even though I had a knot the size of a baseball on my head that I could cup my hand around.

After my head was slammed into the cement and when she got off me, I could not hold my head up or upper body up because it was extremely heavy, I could not stand for around 2-3 minutes. I had a raging headache after the fact and when I went to the hospital, I was extremely tired, I was told I could go to sleep but I knew better than to do so considering they didn't check the extent of my injuries and just glanced over them giving me a painkiller similar to Advil but the name I cannot remember.

Since then, I have had extreme headaches and pressure in my eyes worse than I have ever experienced before. When I experience these headaches, I also experience a dissociative state. I sat in the hospital from around 6:00 pm to almost 2:00am. The next day being monitored not for my head but because they were concerned about my mental health. While being at the hospital, the nurses had me under the impression that the group home was filing charges on me and that I would be going to JDC that night and any time I expressed to the nurses or behavioral health specialist that I wanted to press charges on the youth for assaulting me, they told me they couldn't aide me at all with that because they were not qualified to do so.

Not too long after I was informed, I wouldn't be going to JDC, Mrs. Naomi, a staff member from the group home, came to pick me up. Once I returned to the group home I went to sleep, the next day everything was mostly calm but it hurt to move even the slightest movement of my neck or right arm caused excruciating pain, my body felt heavy, and my head was raging with pain and extremely sensitive to the point I couldn't lay my head down in certain ways or brush my hair, and my thumb is still numb from the first fight four days ago in which she tried to bite it off.

The youth was not punished in any way, and still has access to social media where she was posting pictures of me and is at this point harassing me by waltzing into my room or purposely invading my space. Staff were and are aware and letting her do so.

Today when I woke up my left eye was a different color than my eyes usually are which is a sign of head trauma. Along with that my eyes have been dilating consistently for the past few years unaddressed which is why my mother was concerned about the possibility of prior unaddressed head trauma.

Child protection services have done anything but, protect me. I, Kaitlynn Marie Hunter, wish to return back home to my mother where my needs will be met and I will be safe.

Patriots! Let's band together and set Kaitlynn free. Please pray for her and consider contributing to the Kaitlynn Hunter Wants To Go Home Go Fund Me Account.

The money will be used to reunite her with her family after six long years of abuse, starvation, rape and torture while in the Ohio Foster Care System. [GiveSendGo | Kaitlynn Marie Hunter wants to go HOME!](#)

D. Fri. 22 Nov. 2024 BOOM! THE GITMO LIST REVEALED: TREASON, MILITARY TRIBUNALS, AND THE INSURRECTION ACT – WHERE THEY GO ONE, THEY GO ALL! ...JFK Jr. on Telegram

- **The Tide is Turning:** Justice is sweeping through the ranks of those who betrayed the United States. From military tribunals to sealed indictments, the Alliance is methodically dismantling the Deep State. Guantanamo Bay has expanded, preparing for the influx of traitors facing justice under the Insurrection Act and charges of sedition and treason.

- **The Insurrection Act Unleashed:** Originating in 1954, the Insurrection Act grants the President authority to deploy military forces to suppress insurrection and restore order. In this unprecedented moment, it serves as the foundation for holding those accountable for undermining the Constitution.
- **The GITMO Roll Call:** From political elites to corporate moguls, the list of those detained or executed for treason grows daily. Hillary Clinton, John Brennan, James Comey, Hunter Biden, George Soros, Anthony Fauci, Kamala Harris, and Joe Biden are just a few of the names tied to crimes against America. Guantanamo Bay, once a symbol of secrecy, now serves as the epicenter of this justice revolution.
- **Subversion Exposed:** Stalin’s 1937 plan to destabilize America finds new life in today’s Deep State operatives. Biden and his allies weaponize these tactics, pushing the nation into chaos. Yet, the Alliance, armed with the Insurrection Act and 18 U.S. Code Chapter 115, fights back.
- **18 U.S. Code Chapter 115 - TREASON & SEDITION:** Treason, rebellion, and seditious conspiracy are punishable by death or life imprisonment. The law is clear, and the tribunals are delivering. Public records confirm justice is underway for high-profile figures, including those presumed untouchable.
- **The Movie Unfolds:** What you see on screens is often a façade. Doubles, body clones, and deep fakes maintain the illusion while the real players face consequences. The storm is upon us, and transparency is on the horizon.
- **A Call to Patriots:** This isn’t conspiracy—it’s revelation. The arrests, executions, and tribunals are real. Trust the plan. GITMO is active. Justice is happening. The Deep State’s days are numbered. Where we go one, we go all. Stay vigilant, stay strong, and prepare for the truth to emerge!

H. Fri. 22 Nov. 2024 MKUltra Never Died: The CIA's Active Program is Using Silent Arrow, Tavistock, and a Global Mind Control Network to Control You Right Now! ...False Flags on Telegram

- **MKUltra was never shut down.** The government's claims are lies crafted to protect their ongoing control agenda. What started as Cold War paranoia was always about dominating the human mind—and it's more advanced than ever.
- **Evidence from the 1970s Senate hearings shows that MKUltra didn't fail—it succeeded beyond the CIA's wildest dreams.** The so-called end was a pivot, a rebranding. Today, MKUltra lives on, more sophisticated and dangerous than before.
- **The Blueprint of Global Control MKUltra's roots** were in LSD experiments and psychological torture. Now, its methods can manipulate individuals and entire populations without their knowledge. This isn't fiction; it's reality. Silent records from 2024 reveal MKUltra's integration into modern technology—affecting everything from social media to healthcare, with the goal to program entire societies.
- **Smartphones: The New Mind Control Devices** Your smartphone is no longer just a tool—it's a weapon. The CIA has weaponized 5G networks to influence thoughts, emotions, and behaviors. Leaked files from an NSA contractor in 2023 confirm MKUltra technology in devices, using electromagnetic pulses to trigger emotional responses. Social media is a testbed for global mind control, engineered to control the masses.

- **Controlled Events: The New Experiments Today's “unexplainable” events** are live trials on the unsuspecting public. Mass shootings and false narratives often involve individuals with no history of violence—MKUltra-linked treatments are common among shooters. Protests are hijacked using psychological manipulation techniques, turning peaceful demonstrations into violent chaos. Psychological Disruption Units are deployed to destabilize public movements.
- **Jeffrey Epstein: The CIA’s Front Man for Mind Control** Jeffrey Epstein was more than a billionaire—he was a CIA asset. His island was a mind control lab where drugs and psychological conditioning were used to break and program individuals. Epstein’s death didn’t end this operation; it ensured its secrecy.
- **Children: The New Frontier of Control** The most sinister aspect of MKUltra is its focus on children. Schools have become laboratories for psychological manipulation, collecting behavioral data through AI-driven monitoring systems. By 2030, a generation of compliant citizens will be programmed, incapable of dissent.
- **Tavistock Institute and the Global Network of Control** The Tavistock Institute has been a key player in MKUltra’s global operations, influencing everything from global media to political campaigns. Leaks from the 2024 U.S. elections confirm Tavistock’s involvement in manipulating voter behavior using psychological tactics.
- **Silent Arrow: The New MKUltra Project Silent Arrow**, confirmed by whistleblowers, uses satellite-based tech to influence brain activity globally. Its capabilities include implanting false memories, inducing compliance via electromagnetic frequencies, and triggering emotional responses to government directives.
- **The Ultimate Goal: The End of Free Will** The CIA, Tavistock, and their collaborators aim to eradicate free will, using neural implants, digital IDs, and AI behavioral tracking. The World Economic Forum’s push for “cognitive transparency” is just the beginning.
- **By 2035, they will have a fully programmable, obedient global population.**
- **Conclusion: Wake Up Before It’s Too Late** MKUltra never ended. It evolved into Silent Arrow, Tavistock’s network, and the technology embedded in your devices. Every thought, every emotion is being guided. This is not paranoia; it’s reality.
- **The time to act is now.** Reject the narrative, fight the control, or risk losing your mind.

I. Fri. 22 Nov. 2024 High Alert: Gitmo’s Military Movements, Elite Bunker Raids—and the Silent War on Pedophile Networks and Corrupt Politicians—Black Ops, Trials, and Executions Unfolding Now! ...Nesara Gesara on Telegram

- **The reckoning is here, and it’s more explosive than anyone could have imagined.** What you are witnessing is the strategic takedown of the most insidious network of power the world has ever known. Forget everything the mainstream media has tried to sell you; the real story is unfolding behind the scenes, orchestrated by the Military Earth Alliance and spearheaded by Donald Trump.

- **This is a full-scale war against the global elites,** pedophiles, and corrupt politicians who have sold their souls. Military movements across the U.S. and beyond are ramping up. Gitmo is the epicenter of justice where the true enemies of humanity are being processed and eliminated.
- **Trials and executions are real,** happening daily. Don't be fooled by the media silence—it's a tactic to obscure military efforts to root out every last shred of the Deep State. As of October 30, 2024, covert operations are active in major cities, with Black Ops teams executing raids on underground bunkers and secret compounds hidden in plain sight.
- **Washington D.C. is a ghost town**—not due to bureaucracy, but because Special Forces are dismantling the infrastructure that has kept the cabal in power. Every raid, every arrest, every tribunal nails the coffin of the old guard. Elite units of Navy SEALs, Delta Force, and local militias are coordinating efforts to reclaim control from those who have corrupted our government.
- **High-value targets are flown to Gitmo** in unmarked planes under cover of night. The prisoners being transported are the architects of some of the darkest chapters in history. Executions are carried out in secret, with the clones and doubles seen on screens mere placeholders for those neutralized.
- **Internationally, military operations are expanding.** NATO fractures under the pressure of these revelations, with military insiders refusing to play along with the old narratives. In Europe, covert units are dismantling the Vatican's financial empire, seizing assets that have funded child trafficking networks for decades.
- **The military presence in D.C. is not about order** but a complete takeover. Special Ops are securing evidence, locking down communications, and targeting the Deep State's operations. The media blackout on these actions is intentional, aiming to keep the public in the dark.
- **The Military Earth Alliance** has been planning this for decades. Every movement, every arrest, every tribunal is part of a master plan. And that moment is now. Trump has unleashed the military to reclaim not just America, but the world from evil.
- **We are witnessing the Great Unraveling.** The takedown of the pedo elites, the exposure of dirty secrets—they are all part of a divine plan.
- **The hunt is in full swing. We have it all.** The storm is here, and nothing can stop what's happening. This is the dawn of a new era forged in the fires of truth and justice. The fall of the old guard is just the beginning. The Great Awakening is upon us, and it's unstoppable!

J. THURS. 21 NOV. 2024: CONTROLLED AND MANIPULATED Your Social Security Number is Your Prisoner ID in Their Global Scheme! ...Gitmo TV on Telegram

- **Everything you believe about freedom and justice is a lie.** You're not a citizen with rights—you're a commodity in a rigged system that's been exploiting you since birth.

The government, the courts, the banks—they're all part of a massive scam designed to drain your energy, money, and life.

- **Your birth certificate is a receipt that marks you as property.** Your Social Security number? That's your stock ID. You're bought, sold, and traded like livestock on a global market controlled by a shadowy elite.
- **The courts serve the banks.** Judges are enforcers for a financial cartel that sees you as nothing more than a resource to be exploited. Every fine, every tax, every legal document with your name in all caps is a deliberate move to reduce you to a corporate entity, easy to control, easy to tax, and easy to manipulate.
- **The Federal Reserve and IRS?** Not part of the government. They're private entities designed to keep you in debt, to keep you paying, to keep you enslaved. The wars, the economic crashes—none of it is by accident. It's all part of a calculated plan to consolidate power and wealth in the hands of a few while keeping you distracted and powerless.
- **You are not free.** You are not in control. You are a pawn in their game. It's time to wake up, see the chains, and realize the system is working exactly as intended.
- **They own you from the moment you're born** to the day you die, unless you choose to fight back. Stop playing their game.

K. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

L. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like

M. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested over a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next **Feb. 2025**.

Update: Sunday, November 17th, 2024 day number 446 of my "adventure" kidnapping nightmare by the IRS/FBI.

Did you ever see the movie "The Count of Monte Cristo" starring Jim Caviezel? (from "The Passion of the Christ")? I've been reading this epic tale of wrongful imprisonment and the adventure of escape and retribution, written by Alexandre Dumas in 1844. It tells the story of Edmund Dantes, who was thrown into prison for a crime he did not commit. I didn't know that the book was inspired by a real-life case of wrongful imprisonment.

Well, I can sure relate! This has been a very hard thing for Barbara and me to do.

Marching into hell for a heavenly cause is not easy by definition. Little did we know that making ourselves available to His service would include exposing the corrupt and deceitful IRS, and the slavery it's brought to America illegally. Most people have no idea that all the money does not go to the Treasury, but to the Federal Reserve, which is a privately owned banking cartel that has been stealing the cream of this nation now for over 100 years. But as the Lord said, "let my people go that they may serve me" Exodus 10:3.

Our job has been to "rebuke the transgressor that the tongue of the slanderer may cease its perverseness." (Doctrine and Covenants 112:9)

But being in hell has given me an opportunity to serve others. The following is my testimony about how God's work is done and how sometimes we're actually blinded to it, even when it's happening right in front of us, right in front of me here in jail. I have been frustrated lately wondering if having scripture study with some of my friends/inmates has been of any value. But then I remembered the scripture "where two or three are gathered in my name I am in the midst of them." Matthew 18:20.

Ninety percent of the people in jail here are here because of drugs, whether they are dealers or users or have committed crimes relating to those issues. Eighty-six percent (86%) of the people who come into this jail will be back again the statistics tell us. However, when people are engaged in religious activity, that number drops to 60%.

The effects of drug use are noticeable in some people. It's not uncommon for someone to come into the jail extremely skinny because of their drug use. They forget to eat - they're so busy getting high. So, you'll see people try to gain weight by scraping food off of other people's trays when they're put to be taken away so they can fatten up and be ready to start taking drugs again when they get out. How sad.

Recently a guy I'll call Andy joined our scripture group. He told of having been under 100 pounds, though now he was at 130, but he still looked really skinny.

Andy said every time he comes into jail he would turn to God but when he left he always turned away. He was not proud of himself but it was a fact. He didn't want to commit to even trying to change because he knew he couldn't trust himself.

Andy seemed to know that when he would get out he would go back to dealing drugs at his favorite secret path near a park and especially to work the girls. Andy knew how to get young girls hooked. He would give them a free sample and once hooked, they would start paying, but when they couldn't pay he would take sex in exchange. Many young women had fallen for it. Andy was loving the drugs and the great money and lots of sex with various women. I was disgusted.

I had seen this kind of story once before when I first got here. A gregarious guy I'll call Charlie was doing a great job of fattening up because he knew he was leaving soon. He was planning to get back to his drug dealing and the great money and all the "free sex", but for one problem, "I know God doesn't want me to do this anymore, AND that instead I'm actually supposed to use what I know to help people get off of drugs and stop this lifestyle." But he knew he was going back to work the streets.

I remember thinking "if I could work on him a little bit and just slow him down, maybe I could help to save just one girl from his influence." And actually it's not just one girl, because when one girl succumbs to the drugs and sex it ends up affecting many other people. Her parents are devastated and suffer with her. And then siblings and friends, and extended family who suffer and anguish over her and the self-destructive behavior that brings them close to death, and all too often actually leads to an overdose and a funeral. Such has been the tragic legacy of fentanyl which has killed, I believe, hundreds of thousands of young Americans; mostly manufactured in China, and shipped in like enemy soldiers by mostly Mexicans and other Latinos.

It was a long battle, but Charlie did actually change. He was so resolved by the time he left that it was a joy to see him determined to go out and help others. Surely at least one girl and her family and friends were spared the "nuclear blast" of drugs. (Fentanyl, heroin, meth, etcetera). And maybe many more than one and who knows but what Charlie actually did the same by helping others get off of drugs?!

So, back to Andy, who more recently was about to leave the jail. He came to me on the night before he left very excited and proud to share with me a piece of paper that had on it written a dozen things that he was determined to do once he got out, which included never taking drugs again and never trying to hook anyone and stay away from seducing women. He had connected with God and made covenants with him that he would not go back to that lifestyle, that he would go home to stay with his mother and help her because she needed him and that he was a new man.

I realized in this moment that probably at least one, at the very least, one girl was saved from Andy and at least one girl was saved from Charlie and that I may have actually made a difference.

Remember the parable of the lost sheep? "What man of you, having an hundred sheep, if he lose one of them, doth not leave the ninety and nine in the wilderness, and go after that which is lost, until he find it?"... "I say unto you, that likewise joy shall be in heaven over one sinner that repenteth, more than over ninety and nine just persons, which need no repentance." Luke 15:4,7

In conclusion, it has been a privilege to actually be in this jail and rub shoulders with so many decent and kind-hearted people who have lost their way; but there for the grace of God, go I. I've been lucky and blessed in the life I've had and it has been a privilege to work with these friends and help them find a better way. Remember, God said, "Eye hath not seen nor ear heard the things that God has prepared for those that love him." 1 Corinthians 29. All of us are fallen and prodigals in one way or another, but all of us are sons and daughters of God, and God has great plans for us. "Wherefore thou art no more a servant, but a son; and if a son, then an heir of God through Christ." Galatians 4:7.

Barbara and I cannot tell you how grateful we are for your prayers. We have been strengthened and have been resolved to carry on and finish our mission, "Barbie & Ken vs Goliath IRS". The end could be this coming week, with a habeas corpus relying on the Supreme Court's new decision in *Moore v United States*, which exonerates us 100%, that may set me free, or it could be 6 to 8 1/2 years more of my life in federal prison if sentenced as per the desires of the prosecution. Whatever the date of my release, know how grateful I am for your generosity and prayers that have kept me and Barbara going. May God bless you.

Believe in God's miracles, Ken and Barbara

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. N. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Fri. 22 Nov. 2024 Tom Fairbanks Update: Tom was moved to the Englewood Federal Correctional Institute in Colorado a week ago. He says, he is "getting the full experience" of life on the inside. It is an experience that is awkward, complex, convoluted and challenging. He has been on lock down more than not since arriving, which makes it difficult, but he is in good spirits. He feels a deep sense of gratitude for all that has been done in his behalf. Please thank your readers for their prayers and support. He can literally feel the power of their prayers. Thanks again! Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
