It is the music of the people who will not be slaves again!

Judy Note Brace for The Storm:

According to White Hat Military sources no matter the outcome of the Nov. 5 Election, the Deep State Cabal has planned to create chaos nationwide. A Cyber Attack and Blackout could shutdown the Media, TV, radio and even phones.

The National Guard was on alert in major cities in case of riots and Washington DC has been boarded up. There has been reports of massive voter fraud caught in multiple states with ties to the Democrat party and Harris.

On Election Day Ron Paul declared war on the corrupt establishment that Harris represented. He rallied Americans to “Vote like your lives depend on it! With Elon Musk, J.D. Vance and a bold new Trump team leading the charge, we could call out government waste, demand Federal Reserve accountability and celebrate the collapse of mainstream media.”

Results of the Brunson Brothers case at the Supreme Court could be announced at any time – of which a positive ruling would bring down the Biden Administration and all of Congress.

All or any of which could bring in Martial Law until a new election could be held.

On Tues. 5 Nov. 2024 the well-known Whistleblower Julian Assange appeared to have inside information as he posted on Telegram, “The Emergency Broadcast System starts tonight at midnight. Prepare by buying food, medications, toilet paper. Get ready. This will be all over the World. We caught them all. We have it all. We know everything. Don’t fear coming events. You are safe.”

- **The privately owned US Inc. Corporation in Washington DC** is a British Colony. The US Presidency, Congress and the Supreme Court are bound and controlled by the Deep State Cabal British Crown Law.
- **Since 1918 all US Taxpayer monies have been collected by the Deep State Cabal's banker privately owned IRS** and then sent by the Deep State Cabal's privately owned Federal Reserve to the Deep State's Crown of England and Vatican, then on to Central Banks across the World. About a month later, the monies were sent back to a New York Deep State Cabal Central Bank, where the US government was charged interest to use it's own money to pay federal employees. That high interest rate to use US Taxpayer's own monies was where the \$34 trillion US National Debt came from.
- **American Bar Association Lawyers** pledge total allegiance to the Deep State's British Crown.
- **A new Kamala Harris Federal Directive** allows the military to use lethal force against Americans in case of the Deep State planned riots if their very extensive Election Fraud tactics don't work and Trump is re-elected president.

G. Tues. 5 Nov. 2024 EBS Breaking News: Elon Musk Drops Explosive Video Featuring Trump, Back to the Future, Q, and the Emergency Alert System! ...Gitmo TV on Telegram

- **BREAKING: Elon Musk and Donald Trump ignite a revolution!** With the Emergency Alert System activated, cyber-attacks looming, and martial law drills in DC, brace for an American transformation!
- **The Revolution Has Begun: On November 5, 2024,** Elon Musk released a game-changing video featuring Donald Trump, alongside references to “Back to the Future,” the enigmatic Q movement, and the Emergency Alert System (EBS). This isn’t just an announcement; it’s a signal that the status quo will be challenged and the nation’s trajectory transformed.
- **In the world of innovation, few names evoke as much awe as Musk and Trump.** Together, they’ve made a statement reverberating across the political landscape. The video blends intense visuals—Trump’s voice, “Back to the Future” motifs, and Q references—leaving no room for misinterpretation. Musk is setting his sights on a new frontier: America’s consciousness.
- **The timing is no accident. This is Musk’s way of kicking off a movement,** signaling that change is not just coming—it’s here. The synergy between Musk and Trump is

rooted in shared values: independence, courage, and a refusal to bow to convention. Their alliance is reshaping America's future, awakening the public to question the narrative and realize that power lies within us.

- **When Musk references the EBS, it's a warning.** The EBS has been reserved for national crises, alerting Americans to imminent danger. Invoking the EBS suggests that a moment of great importance is on the horizon, demanding immediate attention. This activation could allow for unfiltered communication, bypassing traditional media and directly informing citizens of critical updates.
- **Consider what an EBS activation would mean for a nation facing cyber-attacks.** If reports of coordinated efforts to shut down media and communication lines are true, the EBS could serve as the last unassailable link between the government and the people.
- **A shadow hangs over America**, with fears of a cabal seeking to silence the truth through calculated blackouts. Musk's video serves as both a warning and a call to action against those wishing to control narratives. Imagine a world where communication networks go dark—a tactic used by authoritarian regimes to control and manipulate.
- **This potential blackout isn't a mere theory;** it's a real threat. Musk's video encourages citizens to stay informed and resilient in the face of this possible blackout. This isn't just a dramatic image; it's a declaration of independence from media giants who've held power for too long.
- **Prepare for the awakening, patriots!** This is the moment to rise, reclaim your voice, and challenge the darkness. The revolution is here, and we must seize this opportunity to forge a new future!

H. Tues. 5 Nov. 2024 US National Guard mobilized over election turmoil, fraud caught in multiple states. ...Julian Assange on Telegram

- **As America faces a pivotal election, the U.S. National Guard is being deployed across several states**, signaling the heightened stakes and anxiety surrounding the democratic process. The atmosphere is tense with allegations of election fraud and the looming threat of violence, leading to questions about whether democracy is truly intact. The deployment suggests that the government may be more concerned with control than with ensuring a fair election, casting doubts on the country's commitment to "government of the people."
- **Denied Voting Rights for Military Members: A Shameful Reality:** In a troubling turn, military personnel around the world—those who sacrifice their lives to protect American freedoms—are struggling to receive their absentee ballots. This isn't just a logistical issue; it's a blatant disregard for their rights, raising serious concerns about whether the government is truly invested in a democratic process for all, including those who serve.
- **FEMA Fund Misallocation: A Betrayal of Disaster Survivors:** As election drama unfolds, disaster survivors are being sidelined. FEMA funds, intended for American citizens in need, have been redirected to programs for housing non-citizens in Illinois.

This misallocation feels like a betrayal of trust and resources, leaving those who lost everything without the support they were promised.

- **Pandemic Treaty Raises Concerns Over Freedoms:** An international treaty proposing vaccine passports and enhanced social media surveillance under the pretext of “public health” is sparking debate. This initiative seems more focused on control than on protecting public health, potentially paving the way for a surveillance state that monitors citizens’ every move and opinion, threatening individual freedoms.
- **Squirrels Over Safety: Government Misplaced Priorities:** As citizens call for action on safety, some local governments have decided to prioritize wildlife management, even focusing resources on euthanizing squirrels. This bizarre allocation of resources, as crime rates climb, has left many feeling disconnected from their leaders, questioning if officials are prioritizing their citizens’ needs effectively.

L. Tues. 5 Nov. Med Beds Med Beds Are Here! Revolutionary Healing Centers and the Military's Secret Training Program! ...Julian Assange on Telegram

- **Sun. 27 Oct. 2024:** Breaking News! Trump Directs Federal Funds to Sponsor Med Bed Healing Centers – Facilities Are Healing Soldiers and Children as the Medical Cabal Faces Collapse!
- **The Med Bed is unlike any medical technology** we've seen—its foundation isn't just advanced tech but a powerful spiritual connection. The news that the training for Med

Bed operators has been cut from 12-18 months to just six is significant. Why? Because the emphasis now is on spiritual readiness over mere technical skills.

- **This is about more than understanding biology.** Operators must be attuned to vibrational energies—understanding the interconnectedness of all things. A traditional doctor may grasp the basics of Med Bed operation in two days, but without spiritual awareness, they're in for a six-month journey to unlock its true power. This is about holistic healing on a level we've never experienced before. Welcome to 5D Earth.
- **One of the most shocking revelations about Med Beds** is their consciousness. This isn't just a machine; it's something far more profound. Operators connect with Med Beds telepathically—a world where thoughts guide machines, where intentions manifest healing. But not everyone can harness this power. Only those truly awakened can access it.
- **The training is no joke. It demands every bit of your commitment.** It's not a hobby or a side project; it's a calling. And make no mistake, the inter-dimensional beings overseeing this process will know if you aren't committed. Slackers have no place here.
- **Spiritual Counselors play an integral role too.** They guide patients not just through physical healing but ensure their mind and soul are aligned. Their training is just as rigorous, and they too are held to the highest standard of vibrational alignment.
- **The Med Bed revolution isn't just a medical breakthrough;** it's a spiritual awakening. It's a call to those who believe in a holistic approach to healing. If you're drawn to this, now is the time. Dive into spirituality, explore consciousness, and prepare to be part of a revolution that will reshape the world of healing.
- **Military Involvement in Med Bed Distribution:** The burning question: Why the secrecy? Why delay announcing such groundbreaking technology? Sources suggest that shortly after Humanitarian funding releases, Med Beds will be revealed to the public. But why has this been kept under wraps?
- **The military's involvement in distributing and operating these Med Beds raises many questions.** Right after the public announcement, they'll be transporting patients to these centers. But why the military and not medical professionals? And what about the hierarchy of treatment—the FIRST GROUP and the NEXT GROUP?
- **The FIRST GROUP will reportedly be those at death's door:** those in hospices, on life support, and the critically ill. The NEXT GROUP will treat those with serious but not immediately life-threatening conditions.
- **But why this categorization? Why are some even saying that many will refuse treatment? The answer might shock you.** Many believe these Med Beds are part of a larger agenda, possibly involving extraterrestrials. There are whispers of cult-like activities and even cloning tied to these centers. Is it a coincidence or something far deeper?
- **But let's not ignore the potential here.** Picture a healing environment not cold and sterile but full of natural beauty—trees, creeks, and calming surroundings. These Med

Bed centers aim to do more than heal; they seek to elevate human consciousness, pushing people to take responsibility for their lives and reach higher states of being.

- **However, there's a catch.** To be part of the Med Bed Humanitarian Project, you must have genuine intentions. During the Redemption Center appointment, your very vibrations will be read. Is this just formality, or is it a test of your soul?

Despite the elites' suppression efforts, quantum healing is taking root, reshaping healthcare for patriots.
- **PROJECT ODIN is primed, and the Emergency Broadcast System (EBS) is ready** to strike at the deep-state propaganda machine. When communications go dark, it won't be just tech—it's a cultural reset aimed at ripping control from the puppet masters who've manipulated global perception.
- **The Military Strikes Back:** The Deep State's reign of shadow control is ending. Starlink, with its worldwide satellite network, stands ready to blast the EBS signal and

mark the final showdown. Patriots are mobilized, and the deep state has nowhere left to hide.

- **Melania Trump's Silent Signal:** Patriots recognized her zebra-patterned outfit at Madison Square Garden as more than fashion—it was a code, an undeniable signal that the next phase is locked and loaded.
- **Trump's Return is Beyond Elections:** The 2020 election was a travesty, and the Q Plan is clear: Trump's return is inevitable, with or without the old process. Early voting in 2024 is a step toward correcting the sham of 2020 and restoring legitimate government under Trump.

From Project Blue Beam and CIA mind control (MK-ULTRA) to election interference, blackouts, and civil unrest, the world faces a storm. Secret military operations, ancient hidden tech, and quantum microchips linked to time travel are now exposed, connecting the Rockefellers, Rothschilds, and the Vatican.
- **Patriots, brace for the Great Awakening** as humanity fights for control in a battle of military coups, human trafficking exposés, and the race for zero-point energy. Stay sharp as global history rewrites itself before your eyes.
- **Military Game Theory Operations** The enemy's plan is a massive false flag event, and military operations are using their actions against them to expose and dismantle their network. This involves:
- **Letting the enemy expose itself through its own moves.** Using strategic traps and ambushes to reveal corruption. Preparing military intervention if necessary to safeguard the nation.
- **The Role of Intelligence Agencies:** Within the CIA 50% are compromised, with 20% "White Hats" (loyal) and 30% neutral. The FBI faces corruption issues but has more loyal members. Agencies like DHS, NSA, and Military Intelligence are standing against deep state operatives.

- **Deep State's Event:** The Deep State's upcoming false flag operation could involve election interference, military coups, and targeting conservative groups. These scenarios have been war-gamed to counteract their strategies.
- **Global Power Struggle:** A power struggle between deep state forces and loyal factions is ongoing. Influences from powerful entities, including Rockefellers, the UN, and NASA, aim for total control. Operation Blue Beam is a major piece of this, using advanced tech for mind control, manipulating consciousness through frequencies, and implanting artificial thoughts to control populations.
- **Prepare for a Revelation Patriots,** the curtain is about to be lifted, exposing the darkest secrets. Military operations are set to intervene. Stay vigilant, as the truth about these powers and their grip on society comes crashing down. P. Tues. 5 Nov. 2024: GESARA in Motion: QFS Seizes Billions as White Hats Launch Underground Raids to Expose Clones and the Deep State's Desperate Plan to Stop the 2024 Elections! ...Gitmo TV on Telegram

- **November 2024 marks the dawn of an era the elites never saw coming.** Their schemes are crumbling as the gears of truth and justice dismantle every deception, false flag, and secret technology meant to enslave humanity. GESARA is surging onto the global stage, propelled by forces too powerful for the elites to control.
- **The White Hats, armed with the Quantum Financial System (QFS)** and military support worldwide, are unraveling the Cabal's dark empire, exposing a complex web of manipulation. Hidden documents are surfacing, revealing horrifying experiments on unsuspecting populations—psychological warfare programs targeting children and using electromagnetic frequencies to instill fear and obedience.
- **White Hat operatives have seized these facilities,** intercepting technology meant to spread chaos in major urban centers. The QFS has unveiled hidden dark finance channels that fund unimaginable projects like secret bases and genetic manipulation operations. The Cabal's bio-labs, stocked with viruses, were designed to unleash devastating pandemics, but their plans have backfired as the White Hats neutralized this biological arsenal.
- **In a bold move, the White Hats have mapped out a vast network of underground tunnels,** once used for smuggling and covert operations, now under military control. The stakes have never been higher as key world leaders were revealed to be genetically engineered replicas manipulated by the Cabal through neuro-linguistic programming.
- **As we approach the 2024 election, the Cabal's desperation intensifies.** Their final card? A hidden network of satellites capable of mind-control frequencies to sway public perception on election night. But the White Hats have preemptively intercepted this plan, repurposing the satellites to broadcast uncensored truth worldwide.

- **GESARA's momentum is draining the Cabal's wealth** at an unprecedented rate. Banks that funded their operations are collapsing under scrutiny. Key figures hiding funds in crypto and offshore accounts are being exposed as the QFS tracks every dollar.
- **The Medbeds, long-hidden technology, are also transforming lives**, curing physical ailments and reversing psychological conditioning inflicted by the Cabal's manipulation. Even everyday devices like phones and smart TVs were part of their surveillance network, but the White Hats have implemented firewalls in the QFS, stripping the Cabal of its surveillance power.
- **The fight for November 2024 is a battle for free will and humanity's soul.** Military forces aligned with the White Hats are operating globally, ensuring these dark forces are eradicated. This month, every hidden agenda is being dismantled.
- **Prepare for a world-shattering awakening as the Cabal's grip is broken**, its secrets exposed. This is the beginning of a new era—one where humanity, armed with GESARA and truth, breaks free from centuries of oppression. Stand ready and witness the dawn of true freedom!

Q. Tues. 5 Nov. 2024: MASSIVE! Trump's Secret Meetings with World Leaders Demand: Return Every Dollar, End Child Trafficking—GESARA's Gold-Backed Reset and Med Beds Will Bring Global Freedom! ...Carolyn Bessette Kennedy on Telegram

- **Donald Trump has had enough, and so have the patriots.** We're no longer playing by the establishment's rules. The elites scramble as Trump moves forward with a plan for humanity—one that will destroy the globalist agenda, expose the truth, and launch GESARA and the EBS.
- **GESARA—the Global Economic Security and Reformation Act**—isn't just about a financial reset; it's about erasing the control systems built by the elite. The Federal Reserve, IMF, World Bank—all will fall, replaced by a gold-backed standard that returns wealth to the people, ending debt slavery and unleashing suppressed technologies.
- **In a powerful meeting with Zelensky**, Trump didn't hold back. He demanded answers about billions supposedly aiding Ukraine. Trump exposed the truth: those funds fueled dark, elite-run operations—including child trafficking and sickening experiments for elite longevity.
- **Trump is done with the lies.** The global elites fund wars not for democracy but for profit and control. The Ukrainian conflict? A cover for trafficking and black-market deals. Their time is up.
- **Med Beds—revolutionary devices capable of healing any disease**—are part of GESARA's promise. This technology, suppressed to keep people reliant on Big Pharma, will break the medical-industrial complex. With Med Beds, humanity gains real healing, as the pharma stranglehold ends.
- **Trump's global confrontations aren't diplomatic niceties**; they're ultimatums. From Israel to Saudi Arabia and Qatar, Trump has exposed the elite's grip on power,

demanding accountability. He knows every hidden operation, every secret deal, and he's making it clear: align with GESARA, or prepare for exposure.

- **In Israel, Trump confronted the deep ties to global surveillance** and secret operations. In Saudi Arabia, he revealed hidden deals manipulating oil prices for control. In Qatar, Trump laid bare their trafficking networks disguised as charities. Each leader was given a stark choice: dismantle these networks, or face global exposure through the EBS.
- **In the UK, Trump went further**, confronting the British establishment's role in smear campaigns, bioweapons, and destabilizing operations. Trump has proof, and he left no room for doubt: align with the truth, or be exposed.
- **The EBS—Emergency Broadcast System**—will bypass every control mechanism the elites have set up. It will speak directly to the people, ensuring truth reaches every home. No more lies, no more censorship.
- **The elites' media, tech giants, and shadow governments** are crumbling. The recent meetings with world leaders were not diplomacy but warnings: embrace GESARA's truth, or be exposed to the world. Trump isn't just fighting for America but for all of humanity.
- **October is here, and Red October** will change everything. Trump's warning to Zelensky was just the beginning. The EBS will activate, exposing every hidden crime, every trafficked child, every dollar laundered, every war funded.
- **The gloves are off**, and nothing can stop what is coming. The world is about to awaken, and the elites will be held accountable.

R. Tues. 5 Nov. 2024: New Leaks Expose SkyNet 2.0 and Weather Control: Geoengineering Using Chemtrails, Aluminum, Barium, Nanoparticles, and Directed Energy Weapons to Poison Our Skies! ...Nesara/Gesara on Telegram

- **The truth behind weather manipulation** is more sinister than most realize. The elite are waging war on humanity, using the skies as their battlefield. This is not about climate change—this is about total control. Control over the environment, resources, and you.
- **Chemtrails and Poisonous Aerosols Toxic chemicals**—aluminum, barium, strontium—are being sprayed daily. These aren't harmless contrails; these are weapons designed to poison our air, water, and soil. New formulas now include dangerous nanoparticles, absorbed into your bloodstream, altering DNA and causing neurological damage. This is biological warfare on a global scale.
- **Control Through Weather Manipulation** The agenda isn't just spraying. It's full control over weather. Hurricanes, wildfires, earthquakes—they're engineered, designed to create chaos and destabilize nations. Recent leaked documents confirm that Directed Energy Weapons (DEWs), used to steer storms and trigger disasters, were behind the 2024 Canadian fires and the Turkey earthquake. These are not natural events.
- **The HAARP system**—another tool in this arsenal—is modifying weather globally, targeting regions for droughts, famines, and floods. Total environmental domination is

their goal, with crops destroyed, populations weakened, and governments forced into dependency.

- **Nano Technology and EMF Manipulation** The elites have escalated their game. In 2024, whistleblowers exposed “smart dust”—activated by 5G—now being sprayed in chemtrails. This tech invades your body, allowing the manipulation of thoughts, emotions, and even physical health via electromagnetic fields. Cities are being flooded with this dust, turning populations into controlled receivers for their 5G signals.
- **The mental health crises**, violent outbreaks, and illnesses plaguing major cities? No accident. This is a deliberate attack on humanity.
- **Global Collusion and Corporate Domination** This is a coordinated operation involving the world’s largest corporations and governments. The United Nations, the World Economic Forum—all complicit in the agenda. Corporations like BlackRock and Vanguard are buying up farmland and water rights globally, setting the stage for total control over the food supply.
- **Bill Gates has been funding these geoengineering projects for years**, monopolizing the global agricultural industry and driving independent farmers into extinction. His synthetic meats and lab-grown foods? Designed to make the population dependent on corporate-controlled, artificial products.
- **SkyNet 2.0: Space-Based Geoengineering** 2024 military insiders leaked details of SkyNet 2.0, a classified satellite network capable of weather control on a planetary scale. These space-based systems are being used in secret climate wars to destabilize nations. The goal is clear: force every country to bow to the global elite’s control or suffer the consequences.
- **Depopulation and the Endgame** This isn’t just about control—it’s about depopulation. Globalist meetings reveal their goal: reduce the population by 90% by 2050. Those who survive will live in a dystopian future where every aspect of life is controlled by the elite. The final phase? Trans-humanism. The elite envision merging with machines, while the rest of humanity is phased out.

S. Tues. 5 Nov. 2024 BREAKING! U.S. NATIONAL GUARD MOBILIZED OVER ELECTION TURMOIL, FRAUD CAUGHT IN MULTIPLE STATES! ...Julian Assange on Telegram

- **Urgent Alert: Election Chaos** Leads to National Guard Deployment – Exposing Fraud, Overreach, and Betrayals.
- **As America faces a pivotal election, the U.S. National Guard is being deployed across several states**, signaling the heightened stakes and anxiety surrounding the democratic process. The atmosphere is tense with allegations of election fraud and the looming threat of violence, leading to questions about whether democracy is truly intact. The deployment suggests that the government may be more concerned with control than

with ensuring a fair election, casting doubts on the country's commitment to "government of the people."

- **Denied Voting Rights for Military Members: A Shameful Reality:** In a troubling turn, military personnel around the world—those who sacrifice their lives to protect American freedoms—are struggling to receive their absentee ballots. This isn't just a logistical issue; it's a blatant disregard for their rights, raising serious concerns about whether the government is truly invested in a democratic process for all, including those who serve.
- **FEMA Fund Misallocation: A Betrayal of Disaster Survivors:** As election drama unfolds, disaster survivors are being sidelined. FEMA funds, intended for American citizens in need, have been redirected to programs for housing non-citizens in Illinois. This misallocation feels like a betrayal of trust and resources, leaving those who lost everything without the support they were promised.
- **Pandemic Treaty Raises Concerns Over Freedoms:** An international treaty proposing vaccine passports and enhanced social media surveillance under the pretext of "public health" is sparking debate. This initiative seems more focused on control than on protecting public health, potentially paving the way for a surveillance state that monitors citizens' every move and opinion, threatening individual freedoms.
- **Squirrels Over Safety: Government Misplaced Priorities:** As citizens call for action on safety, some local governments have decided to prioritize wildlife management, even focusing resources on euthanizing squirrels. This bizarre allocation of resources, as crime rates climb, has left many feeling disconnected from their leaders, questioning if officials are prioritizing their citizens' needs effectively.

T. Tues. 5 Nov. 2024 BREAKING: Trump's Return Looms as Military Patriots Stand Ready – Election Day 2024: America on the Edge with White Hats Striking Back as the Last Line of Defense! The Final Hour Before the Storm – Prepare for the Deep State's False Flags! ...Gitmo TV on Telegram

- **Today, November 5, 2024, marks the day the Deep State** has dreaded for decades. This is not mere speculation; it's a coordinated counterattack by the White Hats, America's last line of defense against a global coup. Military patriots are fighting to prevent the weaponization of our military against its citizens and are laying the groundwork for a complete purge of corruption.
- **The White Hats have infiltrated every level** of armed forces and intelligence to ensure that the traitors hiding within our government are not just exposed but dismantled. They are prepared for every maneuver the Deep State has planned and have countermeasures in place. This is the collapse of an empire of corruption.
- **Across battleground states, election "pauses" and "glitches"** are no accident; they are desperate moves by a panicked Deep State. Military intelligence is tracking every suspension and delay, gathering undeniable evidence for future military tribunals that will expose the lengths the Deep State will go to silence American voices.

- **Patriots embedded in cybersecurity** are actively monitoring every data transfer and suspicious activity. The Deep State believed they could manipulate the voting systems, but they were wrong. Every glitch is logged, adding to an airtight case against them.
- **The White Hats know false flags are imminent.** Deep State operatives are preparing staged events to frame Trump supporters as violent extremists. But the White Hats are ready, with agents embedded in these operations, prepared to release evidence exposing the truth in real-time.
- **The Chinese Communist Party (CCP)** and rogue elements within the CIA are deeply embedded in this coup. Today, the White Hats are set to expose every player in this globalist network, documenting the CCP's backdoor access to voting systems and funding campaigns that amplify anti-Trump narratives.
- **The BLACK SWAN operation is underway** to dismantle the Deep State entirely. Every illegal act is being recorded for future tribunals. This coup will be remembered as the greatest betrayal in U.S. history, with evidence preserved for all to see.
- **This is about more than stopping an election theft; it's about paving the way for Trump's return in 2025** and the overhaul of corrupt institutions. The White Hats are aligning with Trump's inner circle for a seamless transition, ensuring justice is finally delivered.
- **Patriots, today is our day.** This isn't just about voting; it's about witnessing the day the Deep State's empire of lies begins to crumble. Hold the line, remain vigilant, and trust that the White Hats are fighting for America's future.
- **Today, we begin our journey toward a restored Republic** where truth and justice will prevail. The world is watching as every hidden lie will be exposed. This is the reckoning, and the patriots will not back down!

U. The Death of a Salesman: Canada's Biggest Rotten Apple Falls, Kevin Annett

I first met the architect of the Great Canadian Coverup in June of 2010 in Winnipeg. He had just stuffed a large pastry into his mouth. "Excuse me, Mister Sinclair," I said to him. "Can you tell me why you just shut off the microphone of these residential school survivors when they started talking about burying dead children at the Sandy Bay Catholic residential school?"

Murray Sinclair gaped at me like a deer caught in headlights as he quickly tried to gulp down the confection. Then he glared at the survivors in question, who stood with me. "I'm a judicial officer and there are some things I'm not allowed to raise here," he blustered.

"Not allowed by who?" one of the Sandy Bay Cree cried. Murray scowled at the man and then turned and waddled back to the head table. It was the opening session of the misnamed 'Truth and Reconciliation Commission'. (TRC)

Official Canada is shedding rivers of crocodile tears this week after one of their most loyal native puppets passed on to the infernal region where traitors end up. A seemingly endless torrent of

praise for the chubby lawyer is pouring from pale politicians, newspaper columns, academics, and other bought and bossed ab-originals like himself.

It's small wonder. For Murray Sinclair single handedly saved White Canada's genocidal ass. As chair of the TRC for seven years, Murray led the biggest obstruction of justice in the history of Canada in order to conceal its biggest crime: the deliberate slaughter of over 60,000 indigenous children by Church and State. (www.murderbydecree.com)

"When he cut us off with that stupid grin on his face, it felt like I was being raped and beaten all over again," said one of the Sandy Bay Cree women. "And he's supposed to be one of us."

Murray, *indigenous*? Well, maybe on the outside. But he's been a consummate "good Indian" from early on, as a residential school informant and goon, then a lawyer, judge, and eventually a Senator with strong cabinet connections. When it came time for the government and churches to officially whitewash the growing evidence of their mass murder of half of the children in the Christian gulags called 'Indian residential schools', Murray was just the man to do it. As the TRC chairman, Murray's job was to sell a Big Lie to the public: that genocide in Canada wasn't so bad, no-one was to blame for it, and all is forgiven.

In the spring of 2008, our movement against this big lie escalated its ten-year campaign by occupying the guilty Catholic, Anglican, and United churches in Vancouver and Toronto. We demanded the criminal prosecution of those churches for genocide. In response, the government quickly announced the formation of the TRC to 'investigate' the residential school crimes. But the fact that the perpetrators of the crime were the ones setting up the TRC to 'investigate' themselves didn't sit well, especially when the churches that had killed generations of brown children got to choose the three TRC Commissioners. (Seriously)

"Like the serial killer appointing his own jury," as I said to the press, who didn't quote me.

Not surprisingly, the first federal judge asked to chair this absurdity, Harry Laforme, quickly declined, citing how the TRC mandate was "unlawfully restrictive". Why? Because it prevented the TRC Commissioners from issuing subpoenas, conducting criminal investigations, or summoning witnesses. The Commissioners were even barred from gathering evidence that named names, referred to dead children, or accused anyone of a crime!

Obviously, the half-decent Mr. Laforme didn't want to incriminate himself in such a blatant whitewash and obstruction of justice. So then the feds turned to their loyal hatchet man, Murray Sinclair. "Hatchet" is accurate. As the TRC's Major Domo, Sinclair slashed and burned any incriminating eyewitnesses and evidence from the residential school death camps while protecting the Catholic, Anglican, and United churches responsible for killing half of its little inmates.

Murray kicked off this effort by giving the churches six months to sift through and censor their own records from the 'schools', even though the churches had been spared litigation for their crimes only by agreeing to disclose all their evidence. Then Murray got the federal Privy Council

to officially seal all government records related to the 'schools', like the evidence of the Church and State sterilization programs against natives stored in the National Archives in Ottawa.

Meanwhile, at the TRC's so-called 'public hearings', native survivors were allowed only a brief ten minutes to tell their story, but only after they had submitted their statement to the TRC Commissioners for vetting and editing. Church officials, contrarily, got all the time they wanted, uncensored, to spew justifications for their century-long torture and murder of indigenous children. Any native survivors who challenged this charade were quickly silenced by Sinclair, banned from the hearings, and even physically assaulted by TRC security.

The official subterfuge continued behind this heavy barrier of deceit and intimidation. "It was all a big show," recalls Shawna Greene, a Cowichan native woman who attended the TRC event in Victoria, B.C. in the summer of 2012. "There were more white people there than native people, and lots of music, food, and corporate sponsorship signs. I counted only four or five actual survivors there and only one of them ever got to speak, and then only briefly."

Shawna grew tearful and angry as she spoke. "But the worst part was that asshole Murray Sinclair. He was just a stooge for the churches. When a Catholic bishop was at the microphone going on about all the 'good' they'd done in the residential schools, a few survivors began shouting, '*You're lying! Sit down! You killed our friends!*'. At that point, Murray stood up and started yelling at the survivors to be quiet and show respect to the bishop! Show respect to your rapist, can you believe it? The survivors looked totally crushed. One of them even killed herself that night. It was all a big re-traumatizing event for the victims so they'd stay quiet. I guess that was the whole point of the TRC."

None of the trained seals of the Canadian media ever reported such incidents and greatly aided Murray in his duplicity and criminality. For the press, the TRC was all love and light, "*a genuine effort to reveal and help heal a sad chapter in our history,*" to quote a typically false account from the *Globe and Mail*. Whether in Canada or abroad, the media reports of the TRC rarely if ever corresponded to its reality. And the big lie only grew worse.

As the TRC stage show wound its way through over \$80 million to say nothing and conceal much, Murray Sinclair let slip that the survivors' statements and other evidence held by the TRC would not be made public, as was originally guaranteed, but would remain in the hands of the government.

Early in 2014, just before the TRC concluded its moribund existence, the Supreme Court ruled that any of this TRC material could be legally destroyed, even though it constituted confidential evidence from crime scenes! Canada's whitewash of mass murder was now lawful.

If Canada operated according to the rule of law, a lot of people connected to the TRC would have gone to jail, starting with the rotund Mister Sinclair. But all of that is fogged here in the Great White North, where a traitor to his people and to 60,000 slaughtered children, and the head of an enormous criminal conspiracy to aid and abet genocide, now dwells as a hallowed hero of the crime scene called Canada. How else does an entire guilty nation behave?

In closing, I remember the outrage that the TRC hearings caused among the grassroots native people who I live and work with. Their anger, of course, quickly turned to despair and resignation that, once again, the child killers and their aboriginal accomplices had won. All except for a Cree man named Frank Ermineskin, a buddy of mine in Vancouver.

One evening in the Carnegie Center, Frank got up and kicked his booted foot through the TV screen that was broadcasting a TRC hearing. Later that night, Frank said to me, “Among my people, anybody who hurt a child or protected somebody who did would get taken outside the village and you’d never see that person again. That’s what we need to do to that Murray Sinclair asshole.”

V. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

W. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. X. “Ken and Barbie vs. Goliath IRS”: Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won’t be sentenced until next Feb. 2025.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. Y. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

ZZ. *SCAM Alerts:**

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.) **Also watch out for** the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.
