Judy Note: Activation of the Emergency Broadcast System was said to have begun on Mon. 4 Nov, but only in certain areas where the EBS helped the Global Military Alliance make Mass Arrests.

Evidently this EBS activation was also connected to rollout of the Global Currency Reset: [HUGE UPDATE! It appeared that the Ten Days of Darkness began on Wed. 6 Nov. 2024 with announcement of the election of President Trump. [BREAKING! VIDEO: 10 DAYS OF DARKNESS: THE STORM HAS BEGUN - DAY 2!!! - amg-news.com - American Media Group](#)

If so, that would mean the Ten Days ended on Fri. 15 Nov. 2024 when a possible SCOTUS Announcement on the Brunson Case could be made. A positive decision would dissolve the Biden Administration and all of Congress.

At that point we would likely go into Martial Law for a Continuation of Government until a new election could be held within the next 120 days, or around Sat. 15 March 2025.

The 2024 Election had been racked with voter fraud connected to Democrats and the Chinese Communist Party. [Trump Wins Despite Excessive Organized Democrat Voter Fraud | Crime All-Stars | Before It's News](#)

Back in Nov. 2020 the White Hats knew all about the Voter Fraud and what to expect. So, they were prepared for Election 2024, when they made all kinds of arrests, discovery of fake ballots and destruction of voting machines that were turning Trump votes to Harris.

What We Know We Knew Back in 2020:

- **Wed. 11 Nov. 2020: [Biden, Obama, Clinton, Pelosi Tied to Voter Fraud, Child Trafficking? | Politics | Before It's News](#)**
- **The Mainstream Media has yet to report that since 2020 the Supreme Court has been considering evidence on massive voter fraud and foreign interference in US Elections. They were expected to soon announce their decision.**
- **In 2020 the Supreme Court began considering treasonous charges against both the Democratic Party and the Chinese Communist Party, accusing them of interfering with a long list of US Elections.**
- **The evidence presented back in 2020 showed massive Voter Fraud in the 2020 Election as verified by a government Quantum Computer count of official watermarked ballots that proved Trump won the 2020 Election by a 80%+ vote in every state but one.**

- **Biden, Obama, the Clintons and Pelosi** were under investigation for possible ties to the Chinese Communist Party attempted takeover of our country as well as involvement in an international child kidnapping and exploitation ring.
- **In 2020 George Soros** funded a Mass Media campaign for the Biden Camp to the tune of \$34 billion dollars.
- **In 2020 Joe Biden had been criminally charged in Ukraine** for interfering with issues there. There was also evidence that Biden personally profited from foreign deals (including some with the Chinese Communist Party) while he was Vice President, plus he was seriously involved with child trafficking through an underground tunnel on his 200 acre property in Ukraine. On TV in front of the Council of Foreign Relations, Biden had bragged about it and joked about withholding billions in US aid to Ukraine while demanding that a prosecutor be fired who was investigating Bursima where his son Hunter Biden was on the board.
- **In 2014** 90,000 children went missing because of a Globalist Compact of Immigration for Open Borders signed and supported by the Obama/ Biden Administration according Oscar Ramirez, a veteran Mexican journalist based in Tijuana. Evidently the compact has led to a massive Antifa Black Market of organized crime and child trafficking syndicate that Obama/Biden supposedly created themselves, including their lock up of over 20,000 children in cages. After the October 2020 Trump/Biden debate the Mexican journalist filed this live video in response to the “deadly lies of Joe Biden”: [Mexican Journalist Exposes Joe Biden's Human Trafficking Compact](#)
- **Ramirez also said that 72,000 trafficked kids** had been rescued during the Donald Trump administration.
- **2020 Voter Fraud:** There was found to be CIA software in voting machines that altered the votes from Trump to Biden. That didn't even figure into the millions of fraudulent votes for Biden cast by the dead, non registered voters and even animals.
- **In 2020 another major issue surrounded Dominion voting machines** that flipped the vote to Biden: their major stock owner was Paul Pelosi– Nancy Pelosi's husband. These CIA's Hammer and Scorecard programs were believed to have a long history of altering votes in real time in voting machines across the nation in .
- **In 2020 Pelosi was highly suspected to be involved in Child Sex Trafficking** at the Arizona Cemex site, plus was believed to have received millions in drug money from convicted Mexican Drug Lord El Chapo (as Chapo confessed at his sentencing hearing).
- **In 2020 Homeland Security watermarks** identified official 2020 voting ballots – a digital signature that has a serial number that can be tracked from the computer's satellite. The Quantum Computer, operating at a trillion frames per second, counted legitimate ballots and tossed out false ones. There was 100% of false ballots that bore the name of Joe Biden.
- **On Sun. 7 Nov. 2020 an elite group of National Guardsmen** did an audit of votes in twelve key states using the government Quantum Computer 'infra red' equipment that

read which ballots were real, or fake. The audit of election results in the key states had verified that Trump won the election by an over 80% vote.

- **In Nov. 2020 Trump had tweeted that over 71 million voted for him in the election,** though a snapshot of a board tallying election results on Nov. 3 showed the vote for Trump almost twice as high: 135,567,321
- **In 2020 White House Press Secretary Kayleigh McEnany** (who was suspected to be JFK Jr.'s daughter) showed Fox Sean Hannity 234 pages of sworn affidavits on election fraud. <https://twitter.com/TrumpWarRoom/status/1326351783459958789>
- **Back in 2019 House Intelligence Committee ranking member Devin Nunes** announced that he would file at least eight federal indictments for misconduct during the FISA Report. The count was expected to go up to 30 people charged including some in the Mainstream Media. The charges were thought to expose a coup to overturn the 2016 election and appeared to involve former US President Barak Obama, former US Secretary of State Hillary Clinton, Speaker of the House Nancy Pelosi, House Intelligence Committee Chairman Adam Schiff and Democratic Congressmen Cory Booker and Richard Blumenthal. </v3/politics/2019/3082096.html>
- **It was the election of Barak Obama in 2008** when Scoreboard made the adaption from cyber warfare to political treachery for the purpose of changing America from a democratic regime to socialist and communism.
- **On Feb. 23 2009 two weeks after the election of Barak Obama, Brennan and Clapper moved the Hammer to a secret CIA facility in Maryland.**
- **In 2012 Hammer/Scoreboard** was again used to change votes in the Presidential election to make sure Obama was a two term US President.
- **On Nov. 5th, 2024 and in spite of all the voter fraud,** the American Voters declared Independence to the Globalist Depopulation Death Cult.

Thurs. 7 Nov. 2024 THE END OF THE DEEP STATE: President Trump's Plan to Dismantle the Deep State and Return Power to the American People. Here's my plan to dismantle the Deep State and reclaim our democracy from Washington corruption once and for all, and corruption it is. ...President Trump

- **First, I will immediately re-issue my 2020 Executive Order** restoring the President's authority to remove rogue bureaucrats. And I will wield that power very aggressively.
- **Second, we will clean out all of the corrupt actors** in our National Security and Intelligence apparatus, and there are plenty of them. The departments and agencies that have been weaponized will be completely overhauled so that faceless bureaucrats will never again be able to target and persecute conservatives, Christians, or the left's political enemies, which they're doing now at a level that nobody can believe even possible.
- **Third, we will totally reform FISA courts** which are so corrupt that the judges seemingly do not care when they are lied to in warrant applications. So many judges have

seen so many applications that they know were wrong, or at least they must have known. They do nothing about it, they're lied to.

- **Fourth, to expose the hoaxes and abuses of power** that have been tearing our country apart, we will establish a Truth and Reconciliation Commission to declassify and publish all documents on Deep State spying, censorship, and corruption, and there are plenty of them.
- **Fifth, we will launch a major crackdown on government leakers** who collude with the fake news to deliberately weave false narratives and to subvert our government and our democracy. When possible, we will press criminal charges.
- **Sixth, we will make every Inspector General's Office independent** and physically separated from the departments they oversee so they do not become the protectors of the Deep State.
- **Seventh, I will ask Congress to establish an independent auditing system** to continually monitor our intelligence agencies to ensure they are not spying on our citizens or running disinformation campaigns against the American people, or that they are not spying on someone's campaign like they spied on my campaign.
- **Eighth, we will continue the effort launched by the Trump administration to move parts of the sprawling federal bureaucracy** to new locations outside the Washington Swamp. Just as I moved the Bureau of Land Management to Colorado, as many as 100,000 government positions can be moved out. And I mean immediately out of Washington to places filled with patriots who love America, and they really do love America.
- **Ninth, I will work to ban federal bureaucrats from taking jobs** at the companies they deal with and that they regulate. So they deal with these companies and they regulate these companies and then they want to take jobs from these companies. Doesn't work that way—such a public display cannot go on and it's taking place all the time, like with Big Pharma.
- **Finally, I will push a constitutional amendment** to impose term limits on members of Congress.
- **This is how I will shatter the Deep State** and restore government that is controlled by the people and for the people.

Thank you very much.

D. Thurs. 7 Nov. 2024: [HUGE UPDATE! Trump's GESARA Military Teams in Full Execution of Operation Phoenix – Billions Seized, New Biometric NDAs Live, Quantum Access Cards Activated, and Starlink Secures Your QFS Redemption Appointment! - Gazetteller](#)

- **Operation Phoenix** refers to the rollout of GESARA and the Global Currency Reset.
- **As of early November 2024,** [Operation Phoenix is now fully in its execution stage.](#)

- **Trump's leadership has [empowered elite military units and specialized financial teams](#)** to dismantle key corrupt banking nodes in Zurich, London, and Hong Kong.
- **These forces have begun arresting high-profile bankers** and corporate operatives, seizing assets in a historic operation aimed at dismantling the power of financial elites.
- **With the QFS now active, algorithms are tracking** every suspicious transaction and asset movement in real-time, confiscating wealth from those who sought to hoard resources intended for humanity.
- **This reclaimed wealth is redirected to fund the GESARA** rollout, cutting off the elite's grip on financial power.
- **Redemption Centers across the nation have received critical upgrades** under Trump's administration to ensure a secure exchange process. Each center now operates with [Quantum Shielding Technology](#), preventing any external interference or surveillance attempts. Developed in top-secret military labs, this technology ensures that [only those approved through the QFS can enter](#), protecting participants from deep-state actors attempting to disrupt the wealth transfer.
- **The Evolution of NDAs: Biometric Integration:** With enhanced protocols, participants signing Non-Disclosure Agreements (NDAs) must now verify their identities through advanced biometric signatures, including fingerprint and retina scans.
- **These new security measures link directly to Quantum Access Cards**, further securing each participant's funds and ensuring only genuine participants are permitted within the QFS.
- **This advanced biometric NDA process** was initiated following revelations of Deep-State operatives attempting identity theft to infiltrate the Redemption Centers.
- [The Quantum Access Cards](#), essential for accessing funds under GESARA, have seen significant advancements. As of early November 2024, all cards are equipped with Real-Time Surveillance Deterrents (RTSDs), which detect any attempt to access the card outside [QFS's secure environment](#). If tampered with, the card immediately encrypts all data, remaining locked until receiving a signal from [a Quantum Communication Hub](#).
- **This added security feature is part of a larger strategy** to eliminate reliance on traditional banks, ushering everyone into a new financial framework immune to manipulation.
- **One of the most pivotal updates in recent weeks is the full integration of Starlink satellites with the QFS**, creating a powerful Q-Grid. This global network of Quantum Communication Hubs now spans eight strategic U.S. regions and other key global locations, connecting Redemption Centers and Quantum Access Cards under an unbreakable encryption shield accessible only by the QFS.
- **Starlink's role in this system also includes securing Emergency Broadcast System (EBS) communications**, ensuring that all [GESARA announcements](#) are delivered without obstruction by mainstream media or deep-state interference.

- [When the time comes for the GESARA announcement](#), Starlink will activate the Emergency Broadcast System through the Q-Grid, transmitting real-time updates to every participant. This bypasses traditional media outlets, delivering unfiltered truth to the people directly.
- **Operation Sentinel has launched to protect Redemption Centers** and secure the entire wealth transfer process. Tactical units have been stationed to ensure the safety of all participants

F. Thurs. 7 Nov. 2024 ILLUMINATI BLOODLINE FAMILIES AND THE GREAT AWAKENING ...Julian Assange on Telegram

- Thirteen Illuminati Bloodline Families, headquartered in Venice, Italy, once ruled the world through their control of the global monetary system, all while practicing dark rituals and Satanic worship. This cabal, now often referred to as the Deep State, orchestrated a global network of child sacrifice, sex orgies, and mind control experiments on kidnapped and produced victims.
- These families, who claim descent from Cain, include infamous names like Poseur, Kennedy, Rockefeller, Onassis, Carnage, Bush, and Rothschild. By 1832, they had seized control of the Vatican Bank and established dominance over major central banks worldwide, such as JP Morgan, Goldman Sachs, Barclays, HSBC, and Chase.
- **In 1871, they enacted the Act that created the Corporation of the US of America**, effectively erasing the original Constitution.
- **By 1914, they had signed a 99-year lease on the Chinese Elder's gold**, using the Federal Reserve, IRS, and other financial institutions to launder US taxpayer money, while their operations extended through the Vatican Bank, notorious for its role in child trafficking, drug, and gun running.

- **The turning point came in 1903 when Nikola Tesla and Van de Graaf began unraveling the Deep State's secrets. By 1993**, their lease on the Chinese gold expired, and by the early 2000s, the Alliance was formed to dismantle the Cabal. This Alliance, as of 2020, included President Trump, Vladimir Putin, Xi Jinping, Mustafa Al-Kadhimi, Narendra Modi, influential figures of Q, QAnon (headed by JFK Jr?), Pentagon Generals, NSA, and Interpol.
- **By 2008, the Cabal's reliance on a fiat US dollar led to a manufactured mortgage crisis**, which further drained US taxpayers. This prompted the formation of the BRICS Alliance, aiming to restore a gold/asset-backed financial system.
- **On March 21, 2013**, the Gold Treaty was signed by 209 nations.
- **In 2018, President Trump enacted the National Quantum Initiative Act**, establishing a new Quantum Financial System and a transparent voting system.
- **On October 16, 2019, US Marines and Special Forces rescued over 2,100 children** from beneath the China Lake Navy facility in California, uncovering a network of deep underground bases funded by the Cabal.
- **The Vatican was raided in October 2019**, revealing the global elite's money laundering operations. Over 650 plane loads of gold and cash were seized and repatriated to the US Treasury.
- **By March 2020**, the Alliance had eliminated the heads of the thirteen Illuminati families in Venice, initiating arrests and military tribunals for US political elites.
- **Expect further developments**, with significant disclosures and arrests anticipated in the coming months. By late 2024, global changes will unfold as the remnants of the Cabal are dismantled and justice is served.

K. Thurs. 7 Nov. 2024 BOOM! Trump Vows To Lock Up Pedophile Elite and Media Manipulators ...Nesara/Gesara on Telegram

- **Trump's Promise: A New Era of Accountability:** President Trump has made a bold declaration that's shaking up the entire political landscape. He has vowed to expose and bring to justice a hidden network of elite predators—powerful figures accused of horrendous crimes against children. And it doesn't end there; Trump is taking direct aim at media entities and fact-checkers he says “falsely debunked” these allegations, preventing the truth from reaching the American people. This vow has sent shockwaves through the elite circles, unsettling high-profile figures and their supporters. For Trump's followers, this marks a long-awaited reckoning—a real chance to hold untouchable elites accountable, and many believe it's about time.
- **The Shadowy Network of the “Pedophile Elite”:** For years, whispers of a shadowy network of powerful individuals exploiting children have circulated, only to be dismissed by mainstream media as “conspiracy theories.” But these claims have persisted, stirring anger and mistrust toward those who seem determined to bury them. With Trump's latest vow, these allegations resurface with new intensity, reigniting the fight to expose these powerful individuals who have long evaded justice.
- **The Media's Role: Truth or Manipulation?:** One of the most heated aspects of this issue is the media's involvement in “debunking” these claims. For many, the aggressive dismissal of Pizzagate and similar theories by major outlets raised suspicions. Why such strong pushback? Trump's stance suggests he's ready to uncover the truth that some in power might prefer stayed hidden, challenging the media and its fact-checkers head-on.
- **Supporters argue that mainstream media** often shields the powerful instead of seeking real accountability. Trump's direct confrontation of fact-checkers fuels this narrative, casting him as the champion of those who feel misled by a media machine they see as protecting the elite, not the public.
- **Celebrity and Political Elite: Who's Protecting Whom?:** With this promise, high-profile supporters of Kamala Harris and other prominent figures now face intense scrutiny. Hollywood stars who backed her campaign are suddenly in the spotlight, their ties to the establishment called into question. For Trump's followers, this isn't just about

politics anymore—it's about loyalty to justice or allegiance to a corrupt system that shields the guilty.

- **Trump's supporters are asking:** Are these celebrities defenders of justice or enablers of a broken system? As Trump takes aim, the lines between politics, media, and celebrity are blurred, leaving many to question whether these alliances are more sinister than they seem.
- **A Storm Is Coming:** Trump's vow has unleashed a wave of anticipation and determination among his supporters. They see this as a moment of truth, a historic stand against forces that have operated in the shadows for far too long.

P. Med Beds:

Sun. 27 Oct. 2024: Breaking News! Trump Directs Federal Funds to Sponsor Med Bed Healing Centers – Facilities Are Healing Soldiers and Children as the Medical Cabal Faces Collapse! Med Beds Are Here! Revolutionary Healing Centers and the Military's Secret Training Program! ...Carolyn Bessette Kennedy on Telegram

https://t.me/CarolynKennedy_Bessette

- **The Med Bed is unlike any medical technology we've seen**—its foundation isn't just advanced tech but a powerful spiritual connection. The news that the training for Med Bed operators has been cut from 12-18 months to just six is significant. Why? Because the emphasis now is on spiritual readiness over mere technical skills.
- **This is about more than understanding biology.** Operators must be attuned to vibrational energies—understanding the interconnectedness of all things. A traditional doctor may grasp the basics of Med Bed operation in two days, but without spiritual

awareness, they're in for a six-month journey to unlock its true power. This is about holistic healing on a level we've never experienced before. Welcome to 5D Earth.

- **One of the most shocking revelations about Med Beds is their consciousness.** This isn't just a machine; it's something far more profound. Operators connect with Med Beds telepathically—a world where thoughts guide machines, where intentions manifest healing. But not everyone can harness this power. Only those truly awakened can access it.
- **The training is no joke.** It demands every bit of your commitment. It's not a hobby or a side project; it's a calling. And make no mistake, the inter-dimensional beings overseeing this process will know if you aren't committed. Slackers have no place here.
- **Spiritual Counselors play an integral role too.** They guide patients not just through physical healing but ensure their mind and soul are aligned. Their training is just as rigorous, and they too are held to the highest standard of vibrational alignment.
- **The Med Bed revolution isn't just a medical breakthrough;** it's a spiritual awakening. It's a call to those who believe in a holistic approach to healing. If you're drawn to this, now is the time. Dive into spirituality, explore consciousness, and prepare to be part of a revolution that will reshape the world of healing.
- **Military Involvement in Med Bed Distribution:** The burning question: Why the secrecy? Why delay announcing such groundbreaking technology? Sources suggest that shortly after Humanitarian funding releases, Med Beds will be revealed to the public. But why has this been kept under wraps?
- **The military's involvement in distributing and operating these Med Beds** raises many questions. Right after the public announcement, they'll be transporting patients to these centers. But why the military and not medical professionals? And what about the hierarchy of treatment—the FIRST GROUP and the NEXT GROUP?
- **The FIRST GROUP will reportedly be those at death's door:** those in hospices, on life support, and the critically ill. The NEXT GROUP will treat those with serious but not immediately life-threatening conditions. But why this categorization? Why are some even saying that many will refuse treatment?
- **The answer might shock you.** Many believe these Med Beds are part of a larger agenda, possibly involving extraterrestrials. There are whispers of cult-like activities and even cloning tied to these centers. Is it a coincidence or something far deeper?
- **But let's not ignore the potential here.** Picture a healing environment not cold and sterile but full of natural beauty—trees, creeks, and calming surroundings. These Med Bed centers aim to do more than heal; they seek to elevate human consciousness, pushing people to take responsibility for their lives and reach higher states of being.
- **However, there's a catch.** To be part of the Med Bed Humanitarian Project, you must have genuine intentions. During the Redemption Center appointment, your very vibrations will be read. Is this just formality, or is it a test of your soul?

- **This was made possible through the Italian (Vatican)** aerospace company Leonardo Spa.
- **Andrea Di Guiseppi** explains that they have all the evidence on nefarious actors involved.
- **Meloni's DOJ and Nations in Action** is in contact with justice department's around the world (Including the US) to give the evidence. She explains that they acknowledge the bribery and blackmail that took place in order to pull everything off and invites those who wish to have redemption to come clean.
- **An Italian judge** has an affidavit attesting to a confession he personally received, about the Italian company Leonardo's involvement with the 2020 scam.
- **Election data had been sent to Spain** – Scyt1, which then sent the data to Germany (Frankfurt – CIA data center), where CIA Director Haspel was waiting. The data was manipulated and then sent to the US Embassy near the Vatican, where it was uploaded via the Leonardo satellites, and then downloaded to the US.
- **In late December Trump** was at a dinner when he was told they had a copy of the Italian's judge's affidavit that proved Haspel's CIA and the Vatican's involvement with voter fraud using their Leonardo Satellite.
- **White Hats stormed the CIA facilities** in Frankfurt, lost a few men, Haspel was captures as was the server.

S. 2024 Election Steal <https://t.me/CaptKylePatriots/249470>

- **Plan A:** Flood the swing states with fraudulent voter registrations, cause chaos at Republican voting centers, slow down the count on election night and drag out the results. Then bring in large amounts of fake ballots where needed and count for days until you get the required results.
- **What happened to Plan A?:** Fraudulent registrations were exposed in “courtrooms” BEFORE the election and so were bloated voting rolls full of illegals and dead people. Courts demanded those be removed before the election. Then the courts ruled that Election Day is election “day” and outlawed any ballots being counted that weren’t received by election day.
- **Plan B:** Drag out the counts and announcement of results. Then when it looks like Trump will win, launch riots and protests. Have the media question the results and feed the flames of the rioters. Launch lawsuits in all the swing states to deny certification and question the results.
- **What happened to Plan B?:** TOO BIG TO RIG. It blindsided them. They were completely shocked. The only way Plan B was going to ever work, was if it was a close race. It wasn’t. It was a blowout! Red wave tsunami! Kamala didn’t win a single county. She underperformed Biden in every possible way, while Trump outperformed his 2020 numbers everywhere. A blowout public mandate gave them no “cover” for their planned chaos. It would only bring quicker justice. I don’t believe they expected this at all, which is why nothing happened. They don’t know what to do now because they are facing the fact that none of their propaganda and gas lighting has worked.
- **Plan C** is it to try and prevent certification? Create their own Jan 6 moment?
- **Answer:** NO. TOO BIG TO RIG has also destroyed any “cover” for that plan too. Without a close election, it will look like EXACTLY what it would be. A coup and insurrection that would trigger instant military action and military justice.
- **My friends, I think Plan C is now this:** Every man for himself. Try to cut a deal. Keep your head down and try to weather the incoming storm.

- **Instead, you exposed your dark side** to millions of people, woke up the population, didn’t achieve any of your globalist plans - and now we stand on the brink of the American Golden Age with President Donald J. Trump about to show the world what American Greatness truly looks like.
- **We the People are never going back** to your system of enslavement, especially after these next four glorious years.
- **They say patience is a virtue** and on this Election Day, I am damn glad we waited.

U. Thurs. 7 Nov. 2024 BREAKING! WEF Orders Slaughter of Pets Owned by Citizens With Low Social Credit Scores! ...Carolyn Bessette Kennedy on Telegram

- **Uncover the shocking truth behind the WEF’s push for governments to euthanize pets** of citizens with low social credit scores under the pretext of climate action. This draconian policy threatens personal freedoms and aims to strip society of joy and comfort.
- **In a disturbing turn, the World Economic Forum (WEF)** has reportedly urged governments worldwide to enforce pet euthanasia for citizens with low social credit scores. Their justification? Cutting the “carbon pawprint” to fight climate change. But the truth is far more sinister—this is about control.
- **Social Credit and Pet Ownership: Psychological Warfare?** Social credit systems evaluate a citizen’s loyalty to the state, impacting everything from travel to basic services. Now, under the WEF's guidance, pet ownership may soon be contingent on a "sufficient" social credit score. This isn’t just behavior control; it’s psychological warfare. Pets are more than animals; they are emotional anchors for many. By threatening this bond, the WEF sends a chilling message: even sources of joy can be stripped away.
- **“Carbon Pawprint” - A Convenient Excuse** The WEF argues that pets contribute to climate change, yet the carbon footprint of household pets is insignificant compared to the damage caused by corporations and industrial giants. Instead, this policy reveals a strategy to make individuals, not corporations, pay the price for environmental degradation.
- **The Emotional Impact:** More Than Just a Loss Pets bring solace in difficult times, offering unconditional love and loyalty. Losing a pet, especially through state intervention, isn’t just a loss; it’s a psychological blow. The WEF’s proposed policy weaponizes grief, eroding the emotional fabric of society, making people feel vulnerable, isolated, and ultimately easier to control.
- **The 15-Minute Zones:** A Controlled Existence This policy coincides with the WEF’s vision of “15-minute living zones,” areas designed for centralized control over citizens’ lives. These zones limit movement and surveillance becomes a tool to enforce regulations like pet ownership bans. It’s all connected: surveillance, control, and now even our companions.
- **The Global Outcry** This proposal has sparked global outrage, with people rising against the WEF’s plans to dictate what brings them comfort. Online petitions, protests, and demands for governments to reject these measures are gaining momentum. Humanity won’t surrender its rights and freedoms easily.
- **The True Cost of a Controlled Society** The WEF’s pet policy is not just a climate concern—it’s a step toward total control, sacrificing personal joys under the guise of environmental action. With public resistance growing, the world must confront this assault on personal freedoms. The so-called “carbon pawprint” argument is only a front; the real agenda is control.
- **As the future of our pets and our freedom hangs in the balance,** it’s time to ask: What’s next? This may be just the beginning in a war against the very essence of human life.

W. Thurs. 7 Nov. 2024 BOMBSHELL! Kamala Harris on the Run! White Hats Track Her Every Move as Trump's Return Signals the Fall of Deep State Puppets – GITMO Awaits!

- **Kamala Harris**, once the Deep State's rising star, is now running for cover. After Trump's 2024 victory, her world turned upside down. The tables have turned, and Kamala is the hunted.
- **The White Hats** are closing in, determined to bring her to justice. Her role as a puppet for elite manipulation is over, and she's on a one-way path to GITMO. Every hidden action, every deal she struck in secret, has now come to light. She's no longer a vice president; she's a fugitive running from the truth.
- **Kamala's True Role Exposed:** For years, Kamala's rise was orchestrated to serve the Deep State's agenda. Her carefully crafted image was nothing more than a mask for elite interests. Behind the public's view, she was maintaining the Deep State's grip. But the 2024 election changed everything. With Trump's win, the patriots gained the power to bring truth to light.
- **Kamala's allies and covert connections** are now unraveling, and the White Hats are relentless, exposing her network. Her connections to the CIA, FBI, and other shadowy agencies have turned into her greatest liabilities.
- **Nowhere Left to Run:** Kamala's escape routes are gone, and her elite handlers can't protect her. The White Hats track her every move. This isn't just about an election—it's a strategic takedown of one of the Deep State's most embedded operatives. And the destination is set: GITMO. She isn't just another official—she's a symbol of betrayal, a puppet of globalist interests now facing real justice.
- **GITMO Awaits: The End of Kamala's Reign:** The facility at GITMO, a site for traitors to the nation, is ready. Kamala's undermining of democracy and her ties to globalist operatives are being exposed. This isn't just punishment; it's about reclaiming America's integrity. Patriots have uncovered her schemes, her role in destabilizing elections, and her betrayal of the people.
- **Trump's Direct Orders:** With Trump's return, the military is acting with purpose. His orders to bring Kamala to justice are not about vengeance—they're about dismantling every figurehead of the Deep State. Trump's military allies are ready to see this mission through. Many who once protected her are now cooperating with the White Hats, understanding the stakes.
- **Kamala's Fall Sends a Message:** Her capture isn't just personal; it's a warning to every elite operative who thought they could manipulate the system. Y.Wed. 11 Nov. 2020: [Biden, Obama, Clinton, Pelosi Tied to Voter Fraud, Child Trafficking? | Politics | Before It's News](#)

- **Charges of a massive Voter Fraud designed by the Biden Camp**, along with evidence verified by a government Quantum Computer of a 80%+ Trump vote win has been received by the Supreme Court. Though right now, the treasonous charges of interfering with a US election just might be the least of Biden's, Obama's, Clinton's and Pelosi's worries – it appeared they were being investigated for possible ties to the Chinese Communist Party attempted takeover of our country as well as involvement in an international child kidnapping and exploitation ring.
- **The Media was making sure you believed that Biden won the election** when it has yet to be certified – that won't happen until 14 Dec. 2020, with a joint session of Congress making the election official on 3 Jan. 2021. As of this writing Trump was ahead in the Electoral College.
- **You'd never know that from the news.** It was well known that George Soros funded a Mass Media campaign for the Biden Camp to the tune of \$34 billion dollars. Soros's – and apparently the Dems and Chinese Communist Party's purposes – appeared to be to steal the election from Trump in order to install communism and destroy this country.

- **The ballot fraud issue shouldn't be a surprise.** In Nov. 2020 Joe Biden went on national TV to announce to the public, “We have put together I think, the most extensive and inclusive voter fraud organization in the history of politics.”
- **Like his cohorts in crime Biden** seemed to think he was immune from prosecution. A few years ago he was on national TV in front of the Council of Foreign Relations bragging about interfering with issues in the Ukraine. He joked about withholding billions in US aid to Ukraine while demanding that a prosecutor be fired who was investigating Bursima where his son Hunter Biden was on the board. He didn't get away with it, at least in the Ukraine. Joe Biden has now been criminally charged there.
- **Now the Ukraine charges were added to merging evidence** from Hunter Biden's laptop that Biden personally profited from foreign deals while he was Vice President, including some with the Chinese Communist Party. Though, Biden's most serious issues seemed to surround his involvement in child trafficking.
- **Although the Clintons' suspected ties to child trafficking** and murder were well known, Biden and Obama had escaped the connection – so far. Rumor was that the Biden-owned Water Island next to convicted Pedophile's Epstein Island, has long been used in an international child trafficking network. Where did the kids come from? In 2014 90,000 children went missing because of a Globalist Compact of Immigration for

Open Borders signed and supported by the Obama/ Biden Administration according Oscar Ramirez, a veteran Mexican journalist based in Tijuana. Evidently the compact has led to a massive Antifa black market of organized crime and child trafficking syndicate that Obama/Biden supposedly created themselves, including their lock up of over 20,000 children in cages.

- **After the October Trump/Biden debate** the Mexican journalist filed this live video in response to the “deadly lies of Joe Biden”: [Mexican Journalist Exposes Joe Biden's Human Trafficking Compact](#)
- **According to the report, Human traffickers called Coyotes** have used the same kids over and over as an anchor to keep illegal aliens in the USA long enough to disappear into the US interior. “That’s when the child was collected by the Coyotes and looped back to the border regions of Mexico, to be recycled into another fake family and sent again, through the US/Mexican border,” Ramirez claimed.
- **Rapes and tortures were said to be rampant** because the child was purchased property. “These children lived in perpetual fear because of the global presence of the black market human trafficking syndicates, even in the USA.” Was he referring in part to Biden’s Water Island?
- **Ramirez said that 72,000 trafficked kids** have been rescued during the Donald Trump administration because of efforts to determine if the child was actually a biological offspring of the so-called ‘parent’ who paid Coyotes for use of the child. Trump’s effective shutdown of this global human trafficking has crushed the ‘cash cow’ of international trafficking. Coyotes were losing enslaved children when DNA tests verified whose child the youth actually was. As a result now kids from deep in South America were miraculously returned to their parents.
- **After his so-called win last week Biden immediately announced a return to Open Borders.** It appeared he planned to keep his child trafficking network going by reversing Trump’s Border Wall efforts.
- **Add to those charges against Biden an overwhelming array of voting fraud issues – all connected to the Biden Camp.** Since the Feb. 3 election there have been thousands of voter fraud complaints filed and millions of counterfeit ballots confiscated with Biden’s name imprinted on them – said to be a present to the Democrats from the Communist China Party. The counterfeit ballots were recently confiscated with bill-of-sale and all.
- **Worse, there was found to be CIA software in voting machines that altered the votes from Trump to Biden.** That didn’t even figure into the millions of fraudulent votes for Biden cast by the dead, non registered voters and even animals.
- **Another major issue surrounded US voting machine’s Dominion Corporation software whose major owner was Paul Pelosi** – Nancy Pelosi’s husband. This CIA’s Hammer and Scorecard programs were believed to have been used to alter votes in real time in voting machines across the nation. They had the ability to steal votes – or

“glitches” in voting machines as they were described on Election Day – especially in swing states like Wisconsin and Michigan.

- **Nancy Pelosi’s husband owned most of the shares of Dominion Software that was present in all voting machines nationwide.** Pelosi also appeared tied to Biden’s Mexican Border child trafficking. With court papers filed against her yet to be made public, Pelosi was suspected to be involved in Child Trafficking at the Arizona Cemex site; was believed to have received millions in drug money from convicted Mexican Drug Lord El Chapo (as Chapo confessed and named her among others, at his sentencing hearing), both of which could have been her apparent incentive to keep the Mexican Border open for Drugs and Child Trafficking. She was a suspected conspirator in Russia Gate (a coup to overturn the 2016 election and start a war with Russia); her daughters were supposedly caught bringing drugs back from Mexico in her diplomatic pouch and she has been accused of doing privileged Day Trading in the basement of Congressional offices before the Markets opened. [/v3/politics/2019/3081308.html](#)
- **Noted Trump attorney Sidney Powell said** the Dominion Software company was implicated in flipping votes from Trump to Biden, or from Republicans to Democrats in other races on the ballot. Pelosi’s chief of staff was a key executive of Dominion Software and Senator Feinstein’s husband, Richard Blum, was a shareholder. Robert Muller FBI’s provided the computers for the Hammer.
- **Even another major issue and the most important in Voter Fraud was the Homeland Security watermark** that identified official ballots. According to Trump insiders, the “Smart Paper” that was used for legitimate ballots all came from one supplier, but was printed in different states. The paper itself had a Quantum Water Mark – a digital signature that has a serial number that can be tracked from the computer’s satellite. The Quantum Computer, operating at a trillion frames per second, counted legitimate ballots and tossed out false ones. There was 100% of false ballots that bore the name of Joe Biden.
- **On Sun. 7 Nov. 5 an elite group of National Guardsmen** did an audit of votes in twelve key states using the government Quantum Computer ‘infra red’ equipment that read which ballots were real, or fake. The audit of election results in the key states had verified that Trump won the election by an over 80% vote, yet the Soros-paid (to the tune of over \$34 billion) and Communist China Party-connected Biden, Democrats and Mass Media have been pushing Trump to concede the election to Biden.
- **Trump had tweeted that over 71 million voted for him in the election,** though a snapshot of a board tallying election results on Nov. 3 showed the vote for Trump almost twice as high: 135,567,321. [PRESIDENT TRUMP HAD 135 MILLION VOTES SHOWING ON NATIONAL TV - THE NUMBER CHANGED - CIA BLACK OP - TIMOTHY CHARLES HOLMSETH™ Reports](#)
- **The numbers that put Trump over the top at ballot box closing time strangely disappeared after truckloads of so-called mail in ballots** – all voting for Biden and no

others on the ballot – came into key state polling centers in the middle of the night when poll watchers were no longer there to oversee the process. Powell reported, “We’ve identified 450,000 ballots in one state alone that miraculously only voted for Biden.”

- **White House Press Secretary Kayleigh McEnany** showed Fox Sean Hannity 234 pages of sworn affidavits on election fraud.
<https://twitter.com/TrumpWarRoom/status/1326351783459958789>
- **Back in 2019 House Intelligence Committee ranking member Devin Nunes** announced that he would file at least eight federal indictments for misconduct during the FISA Report. The count was expected to go up to 30 people charged including some in the Mainstream Media. The charges were thought to expose a coup to overturn the 2016 election and appeared to involve former US President Barak Obama, former US Secretary of State Hillary Clinton, Speaker of the House Nancy Pelosi, House Intelligence Committee Chairman Adam Schiff and Democratic Congressmen Cory Booker and Richard Blumenthal. </v3/politics/2019/3082096.html>
- **On Mon. 9 Nov. Attorney General Barr** had authorized federal prosecutors across the U.S. to pursue “substantial allegations” of voting irregularities before the 2020 election was certified.
- **Genius Whistleblower Dennis Montgomery** invented the vote changing programs Hammer and Scorecard in 2003 as foreign surveillance tools for the CIA “to keep America safe from terrorists” he was told.
- **The computer programs had come out as a result of 9/11 for the purpose of watching our enemies.** They were later adopted to the voting business to be used in foreign countries, though the CIA has recently used them to spy on US citizens.
- **It was the election of Barak Obama in 2008** when Scoreboard made the adaption from cyber warfare to political treachery for the purpose of changing America from a democratic regime to socialist and communism.
- **On Feb. 23 2009 two weeks after the election of Barak Obama, Brennan and Clapper moved the Hammer to a secret CIA facility in Maryland.** In 2012 Hammer/Scoreboard was again used to change votes in the Presidential election to make sure Obama was a two term US President.
- **The Powers that Be tried to blackmail and leverage Montgomery to a point where he became a Whistleblower.** By the 2016 election the Alliance knew enough about Hammer/Scoreboard to step in and interfere enough so that Trump votes stayed with Trump as he was elected. That was why Clinton was so surprised she didn’t win.
- **In 2017 three star General Thomas McInerney and Dennis Montgomery** blew the whistle on how the CIA was using the NSA Hammer for the Russian Hoax on President Trump. The CIA, Obama and Biden were suspected of also using Hammer/Scoreboard software to spy on SCOTUS judges Roberts and Scalia, FISA court judges, members of congress, Flynn, Guiliani, Trump and Trump’s family.

Z. Thurs. 7 Nov. 2024 I did not forget what Jamie Raskin said. Democrats made it clear they couldn't care less if Donald Trump won the election. Because they still will not certify the results. Which means they will declare open war against America. So today we will see them come out as direct enemies of this country. ...Ben Fulford on Telegram

Za. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zc. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he

owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

Zd. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
