Judy Note: *The Global Military Alliance has confirmed a connection between stolen wealth and Child Sex Trafficking. Offshore accounts funding trafficking routes across continents have been exposed. This Thanksgiving, Special Forces launched a raid on a private island, capturing elites from both financial and entertainment sectors. There were now at Gitmo over 300 high-value detainees, including bankers, Hollywood moguls, and political figures.*

On Thurs. 12 Dec. 2024 lots of drones the size of cars were being reported over Temecula California and New Jersey, where they appeared to be shooting at something. Numerous people reported at least 10-20 possibly large drones hovering over LaGuardia Airport, Queens, Staten Island and other parts of New York, causing panic and flooding 911 call centers.

The Cabal had long promised us a fake Alien invasion to give them an opportunity to take control of the World. The White Hats somewhat foiled those plans last month when they destroyed the European lab that produced the fake images in the sky.

Personally I'm going with Alex Jones' analysis: It was a Psyop set up by the Cabal. For weeks drones the size of cars have been flying over US Air Force Bases and the Powers That Be claim they don't know what they are. <https://t.me/AlexJones> [Real](https://x.com/waynetechspfx/status/1867405199855260156?s=46&t=KbeHKcWo9iYbqqIySY5EJA)

B. Global Currency Reset:

Judy Note: No one knows the exact timing for notification of Tier 4b (Us, the Internet Group) to make their redemption/ exchange appointments. Iraq has long passed their HCL Law (which was needed to establish the Dinar Rate based on oil prices). The US and Canada started paying VIPs on **Wed. 4 Dec, Thurs. 5 Dec, and Fri. 6 Dec**. The Iraqi Dinar was being paid at \$3.49 in-country. **On Tues. 3 Dec**. Kurdistan was using the Dinar in-country at a \$3.28 rate. Rumor was that the Dong had also revalued and had an unknown in-country rate.

This move follows a troubling drop in deal volume, leading to the sudden shutdown of their Miami office, barely a year after its grand opening. Now, the Rothschilds will be left with just three U.S. outposts—in New York, Los Angeles, and Boston—raising questions about the future of their American operations.

D. Thurs. 12 Dec. 2024 BREAKING: PALLETS OF CASH DISCOVERED IN DAMASCUS GOVERNMENT BUILDINGS LINKED TO THE FEDERAL RESERVE:

- **A shocking revelation has surfaced in war-torn Damascus:** pallets of cash, neatly stacked and wrapped, discovered in government buildings. The twist? QR codes on the packages allegedly link them directly to the Federal Reserve Bank of New York. This explosive find uncovers what many have long suspected—a global banking conspiracy funding chaos and war.
- **The Smoking Gun: Federal Reserve Connections:** When scanned, the QR codes on the cash pallets reportedly trace back to accounts tied to the Federal Reserve. This isn't just loose change; it's a staggering amount of money capable of fueling wars, arming militias, and destabilizing nations. This connection to a U.S.-based financial institution raises one glaring question: Why isn't this headline news?
- **Media Blackout and Deep State Silence:** Not a peep from the mainstream media. No investigations, no breaking news alerts—just deafening silence. Why? Because this isn't

just another scandal; it's the unraveling of the very system the elites rely on to maintain control. Congress? Silent. The media? Complicit. The swamp runs deeper than we imagined.

- **Biblical Prophecy and Modern Corruption Collide:** Damascus, a city prophesied in Isaiah 17 to become a “ruinous heap,” now stands as both a literal and symbolic battleground. Years of war have reduced it to rubble, and now, the discovery of these cash pallets adds a chilling layer to the narrative. Could this be orchestrated chaos, funded by the global elite to fulfill their dark agendas?
- **Trump's Moment to Strike:** With Donald Trump set to return to the spotlight, this revelation couldn't be more pivotal. Trump campaigned on promises to expose the deep state and drain the swamp. This discovery is the perfect opportunity to act. He must demand a full investigation, expose the Federal Reserve's involvement, and dismantle the networks funding destruction.
- **The Stakes Couldn't Be Higher:** This isn't just about Syria. It's about a system profiting from war and suffering, a system that operates in the shadows, untouched by accountability. The discovery in Damascus is more than a scandal—it's the key to unraveling a global conspiracy.
- **The Time to Act Is NOW:** Americans must demand answers. The media must be forced to report the truth. Congress must investigate. And Trump must lead the charge. This is a turning point, a chance to expose the corruption that has enslaved nations for decades.
- **The Swamp is deep,** but the truth is deeper. The fight begins now.

The murders then drink the children's blood and they eat their flesh. The blood of children who were severely traumatized before they died, contains Adrenochrome: a natural drug produced by the pineal gland in the brain. Adrenochrome is the highest valued drug in the world. The God these people serve is Satan. It is not the God of Love and Mercy."
...Steve Bannon on Telegram

I. 'Twas the Night Before Christmas when fourteen year-old Maisie Shaw was killed by her United Church of Canada Residential School Principal, Alfred Caldwell. But the crime and cover up of the Canadian genocide continues. The blood of children does not wash away.

...Kevin Annett www.murderbydecree.com, angelfire101@protonmail.com

- **Maisie Shaw, age 14, was murdered by Principal Alfred Caldwell** at the United Church of Canada's Alberni Indian Residential School Vancouver Canada on Christmas Eve, 1946, as witnessed by Harriett Nahanee.
- **Harriett's public naming of the crime 29 years ago** this month began a movement that exposed and prosecuted crimes in the death camps called 'Indian Residential Schools.

'Twas the night before Christmas and all through Rez School, not a child was stirring, for those were the rules.

No stockings were hung on the cold walls so bare, for joy and deliverance would never be there.

The children were clinging in fear to their beds, while visions of floggings danced in their heads.

Matron in her kerchief and Caldwell in his cap had just settled down for a long winter's nap,

when up on the stairway there rose such a clatter they sprang from their beds to see what was the matter.

Moonlight on the edge of the long, stone stairwell gave the luster of mid-day on whom the glow fell.

When what to their wondering eyes should appear but a young girl named Maisie, awash in her tears,

with a mournful expression so heartfelt and sick, that they knew in a moment it was not St. Nick.

She had a thin face and a tiny, shrunk belly and her knees quaked in fear like a bowlful of jelly.

She was dressed all in rags, from her head to her foot, and her clothes were all tarnished with ashes and soot.

As she saw Caldwell coming, his eyes flashing hate, Maisie knew in a moment what would be her fate.

As she sprang to escape, and was turning around, Up the stairs came Caldwell with a furious bound.

He spoke not a word, but went straight to his work, and kicked the young girl, who fell with a jerk,

and toppled downstairs with a thundering crash, and lay on the floor, like a pile of trash.

Then he sprang to the phone, to his team gave a whistle, and away the corpse flew like the down of a thistle.

And he said, *“From our graves to our church archives’ walls, there hide away, hide away, hide away all!”*

Then the Christians exclaimed as truth vanished that night: *“Merry Christmas to us, for might always makes right!”*

J. Thurs. 12 Dec. 2024: Mel Gibson Targets Global Child Trafficking – \$34 Billion Industry EXPOSED!

- **Mel Gibson** is reportedly diving into the horrific \$34 billion global child sex trafficking network in a project that promises to expose the darkest secrets of Hollywood and the elites. This is not just a documentary—it’s a battle cry against an evil empire of corruption and exploitation.
- **Hollywood’s Rotten Core:** The entertainment industry, long celebrated for its glamour, hides a sinister underbelly. From Weinstein to Epstein, the connection between

Hollywood elites and child exploitation is undeniable. Gibson's mission? To pull back the curtain and reveal how the industry's biggest names have profited from this unimaginable evil.

- **The Clinton Connection:** Hillary Clinton's name repeatedly surfaces in the murkiest corners of these allegations. From ties to Epstein to whispers of her involvement in a network of exploitation, the Clintons are no strangers to scandal. The infamous "Frazzledrip" rumor—a supposed video showing unspeakable acts—is frequently mentioned in connection to her and Huma Abedin. Is it fiction, or is there truth hidden in the shadows? Gibson's project could bring us closer to answers.
- **Pizzagate Unveiled:** Citizen journalists have worked tirelessly to uncover evidence linking high-profile politicians, Hollywood elites, and global powerbrokers to pedophile rings. From the infamous Comet Ping Pong Pizza to underground tunnels and mysterious code words in leaked emails, the connections are chilling. Yet mainstream media refuses to investigate, leaving the public to demand accountability.
- **Justice for the Innocent:** This fight is bigger than Hollywood. It's about dismantling a global syndicate of exploitation and bringing justice to the countless children who have suffered. Will law enforcement finally act? Will the elites' power crumble under the weight of undeniable evidence?
- **The Reckoning is Here:** Mel Gibson's courage to confront these horrors could spark a revolution. The time for silence is over. The time for action is now. Demand answers. Demand justice. This is a fight for humanity's future, and we must not lose.

- **THE NEW WORLD ORDER IS HERE!** The World Economic Forum is now reportedly pushing for "Age of Death" laws—a dystopian policy to force people over 70 to seek government approval to live. Fail to qualify? Straight to "suicide pods." This isn't a sci-fi movie; it's the global elite's dark agenda. What's next? They decide who lives or dies? The storm is upon us. Stay vigilant.
- **Solar Chaos and Farming Disruption: In May and October 2024,** massive solar storms wreaked havoc on modern farming, throwing GPS-guided tractors into chaos. Farmers across the Midwest reported "demon-possessed" machinery, ruining crops and causing costly delays. Think solar storms are random? Orchestrated chaos? You decide.

- **Vaccine Fallout Intensifies:** A shocking new study reveals COVID-vaccinated individuals are “shedding” harmful effects onto the unvaccinated. - **Mars Helicopter: A Cover-Up?** NASA’s Ingenuity helicopter crashed in January 2024 but remains active as a “weather station.” Or is it gathering intel for something else? The elite have plans for Mars—they just don’t include you.

The fight for health freedom has been won, and a brighter, more just future begins now.

N. Thurs. 12 Dec. 2024, Julianne Assange on Telegram:

- **The collapse of Big Pharma** marks a turning point in human history. Decades of lies, suppressed cures, and profit-driven manipulation are finally being exposed. The veil has been lifted, revealing how illnesses were perpetuated to maintain control and wealth at the expense of humanity's well-being.
- **With the old systems dismantled**, the era of medical tyranny is over. Governments and independent organizations are stepping forward to rebuild healthcare from the ground up—this time, for the people. Suppressed treatments and revolutionary breakthroughs are being unleashed, bringing hope to millions who were left to suffer under corrupt systems.
- **This is not just a transformation of healthcare**; it is a reclamation of humanity’s right to health and freedom. The days of manipulation and suffering are over. A new system, built on truth and transparency, is emerging, where healing, empowerment, and equity are the driving forces. The fight for health freedom has been won, and a brighter, more just future begins now.

O. Thurs. 12 Dec. 2024: Exposed! Treason in Benghazi: The Real Story Behind Obama and Hillary's Betrayal! ...Mr. Pool Secrets on Telegram

- **The Benghazi cover-up goes deeper than you think.** Obama and Hillary Clinton were not just negligent—they were complicit in the deaths of American heroes. From secret arms deals with terrorists to outright lies told to the American people, the betrayal runs deep. This isn't a story about an unfortunate attack—it’s a deliberate act of treason that cost lives and endangered our nation.

Five Facts You Can’t Ignore About Hillary and Benghazi:

- **Ignored Pleas for Help:** Ambassador Stevens and others repeatedly requested more security in the months leading up to the attack. Hillary Clinton ignored every warning, leaving them vulnerable in a dangerous zone. Why? To cover up illegal arms trades tied to the mission.

- **Deliberate Security Cuts:** Not only were security requests ignored, but Clinton actively reduced protection. Was this to ensure that no witnesses could expose the shady deals going down in Libya? It's more than incompetence—it's premeditated negligence.
- **The Big Lie:** After the attack, Clinton and Obama blamed a YouTube video, knowing full well it was a terrorist strike. The truth? The attack was linked to a failed arms deal Clinton orchestrated, arming terrorists in Libya. The video lie was a smokescreen to protect Obama's re-election.
- **Witnesses Silenced:** Survivors and key witnesses were threatened into silence. The truth they held could have destroyed the Obama administration's credibility, so Clinton's team worked hard to keep them quiet. What were they hiding? Treason at the highest level.
- **Lies Under Oath:** Clinton lied repeatedly to Congress about her role in the attack and its aftermath. When asked about the deaths of four Americans, she callously said, "What difference, at this point, does it make?" Her lies were not just to protect herself—they were to cover up a massive betrayal.
- **Obama's Dark Secret: SEAL Team 6 Betrayed:** But this treachery doesn't stop at Benghazi. Do you know about Extortion 17? Obama's administration sent SEAL Team 6 on a mission they didn't return from. The same SEALs who took down Bin Laden were set up and sacrificed to cover tracks on the illegal weapons scandal. A U.S. Chinook helicopter was shot down, and 38 people, including 15 SEALs, lost their lives. They died because Obama and Hillary needed to cover up the fact that Stinger missiles, sold illegally to Libyan terrorists, had been used against our own troops.
- **The Cover-Up Goes Global:** Obama even stood before the United Nations and lied, blaming the attack on a video, all while knowing the truth. It wasn't about a spontaneous protest—it was about a massive illegal arms deal that funneled U.S. weapons into the hands of terrorists.
- **The Truth Must Come Out!:** Benghazi wasn't a failure—it was a planned betrayal. The actions of Obama and Clinton cost American lives, endangered national security, and covered up crimes that go against the core of our nation. We cannot rest until the full truth is exposed and justice is served.

P. Thurs. 12 Dec. 2024: GITMO EXPANDS: TRIBUNALS TARGET BANKING CARTELS AND HOLLYWOOD'S TRAFFICKING EMPIRE! ...Gitmo TV on Telegram

- **The battle against the global elite** has reached a turning point. As of December 11, 2024, Guantanamo Bay (GITMO) is at the center of history's largest operation to dismantle corruption and tyranny. Military tribunals are in full swing, and high-profile arrests across banking, Hollywood, and government are exposing the architects of humanity's suffering.
- **BANKING ELITES FALL:** The banking cartels' decades-long grip on nations is crumbling. Military raids have seized offshore accounts holding trillions in stolen wealth. Central bankers, CEOs, and their networks of economic manipulation—engineered

collapses, inflation scams, and bailouts—are being taken down. The stolen wealth is being reclaimed for the people in the largest redistribution of power in history. Evidence ties these elites to human trafficking and dark money schemes, proving their crimes were no accident. This isn't just financial justice—it's the dismantling of a corrupt system.

- **HOLLYWOOD EXPOSED:** The entertainment industry's facade is collapsing. Recent arrests target trafficking networks hidden behind "charity foundations" and exclusive events. A-list figures thought untouchable are now en route to GITMO. Thanksgiving week saw a covert military raid intercept elites fleeing to safe havens. These arrests mark the end of Hollywood's role as a hub of darkness and exploitation.
- **BANKING AND TRAFFICKING COLLIDE:** Evidence now confirms the connection between stolen wealth and trafficking. Offshore accounts funding trafficking routes across continents have been exposed. This operation is erasing both arms of the Cabal's power—its financial stronghold and its trafficking empire.
- **GITMO: JUSTICE IN MOTION:** Guantanamo Bay has become a fortress of accountability. Over 300 high-value detainees, including bankers, Hollywood moguls, and political figures, are being tried in military tribunals. Testimonies and evidence are pouring in, ensuring swift and public justice. Preliminary hearings are underway, with sentencing expected soon.
- **THANKSGIVING RAID: A FATAL BLOW:** This Thanksgiving, Special Forces launched a daring raid on a private island, capturing elites from both financial and entertainment sectors. The intel retrieved is dismantling the Deep State's infrastructure, freezing assets, and dismantling networks at an unprecedented pace.
- **THE NEW ERA BEGINS:** The Deep State's grip is broken. GITMO is the stage for justice as the stolen wealth is returned and trafficking networks are obliterated. This is more than an operation—it's a revolution.
- **NOTHING CAN STOP WHAT IS COMING.**

Q. Thurs. 12 Dec. 2024 White Hat Intel:

- **So the Pentagon is bombing countries across the world** for over a century and killing humans by the hundreds and hundreds of millions through a century of war operations, including protecting the U.S. from aerial invasion attacks and has protocols to shoot down any foreign aircrafts identified and unidentified over U.S. soil and CONUS territories.
- **So why haven't the Pentagon tried shooting down just one** of these invasive UFOs/UAPs? Or sending drones to capture up close footage? (Yes we all know the UAPs are fitted with technology that can kill drone batteries and reset-shock- electronics nearby in its vicinity like reset digital clocks and etc ... But the military has also drones that are shock resistant and fitted with protective shielding from short mini EMP blasts that other drones create)

- **Why haven't the Pentagon even tried** to capture one of the UAPs for study and see where it's coming from?
- **Yes eventually the Pentagon is going to capture one**, but it WILL be STAGING FALSE FLAG OPERATIONS
- **Why did I tell you from Q The Storm Rider years ago** that the Ukraine and Russian war would happen and in this time an Alien invasion would take place?
- **This means one of the Alien contact/invasions** is FAKE Pentagon/CIA/ Deep Dark Ops UAPs.
- **But after a real disclosure, an Event is coming.** Between the two EVENTS is military psychological operations to get the world ready. (There is bad Psyops; but also good Psyops that the military+ intelligence use)

S. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

T. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to

be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. U. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **20 Dec. 2024**.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
