Dirty Bombs, Large Drones Invade the US:

There have been many sightings of these UFOs throughout the years. <https://vault.fbi.gov/UFO/UFO%20Part%201%20of%2016/view> **In general, this theory has been discounted** because the drones appear to be manmade, plus there is a video of Military personnel around the drones preparing them for flight into New York.

around Christmas Time, a Scare Event complete with images in the sky that would make the population believe we had been taken over by aliens and needed to do what they ordered.

- **Recently on CNN the Head of Homeland Security, (the biggest child trafficker in history),** was asking for more authority to shoot the Drones out of the sky. A couple of months ago the White Hats announced they had destroyed a facility in Europe that contained this “Alien producing” high technology.
- **Theory: The Drones were part of a Military Office of Global Access (OGA) Operation** – a shadowy 3-letter agency with Drone Bases around the US that has deployed advanced surveillance assets to hunt for a stray nuke or mass-casualty weapon hidden on the East and West coasts.
- **“There are Military Drone Bases all around the US. These Drones are vital for our National Security.** After researching why any drone would fly at night, I think these are either ICE/BP or Military surveillance of Critical Infrastructure for National Security purposes. We are pretty volatile between now & Inauguration Day, but I have a real peace about things — really think the drones are the good guys keeping us safe!”

- **Intel from a verified high-level source with TOP SECRET Special Access** clearance just dropped BOMBSHELL info to us on the mysterious drones being seen across the U.S.
- **These are OUR drones,** tracking gamma rays linked to possible WMDs in a MASSIVE counter-terror operation! The "Office of Global Access" (OGA)—a shadowy 3-letter agency—has deployed advanced surveillance assets to hunt for a stray nuke or mass-casualty weapon hidden on the East and West coasts.
- **Mission Objectives:** (1) Detect communications tied to the device. (2) Partner with law enforcement for rapid response. (3) Prevent mass panic while advancing Intel Operations.
- **Assets in Play:** Low-altitude surveillance aircraft scanning for signals. Special Ops units ready for instant action. Cyber Intel Teams analyzing terror networks.
- **Sources say this could involve a submarine breach** of our SOSUS warning nets or a WMD hidden in a cargo container or vehicle. The stakes are HIGH, and the government’s silence speaks volumes—they fear public panic.
- **OGA’s advanced ISR** (Intelligence, Surveillance, Reconnaissance) tactics, including low-and-slow aerial monitoring, are actively in play.
- **Source warns:** “This intel is leaking NOW. Dirty bomb or worse could already be here! Stay ALERT. This is an active operation with civilian safety on the line. WHY is this being kept from us? WHAT is really happening on our coasts?”

Biden Ignores Trump’s “Shoot Them Down” Demand as Drone Chaos Sweeps America

- **Unidentified drones are swarming across America and Europe,** triggering mass panic. Reports have emerged of drones over the U.S. Ramstein Air Base in Germany and

critical sites like BASF and Rheinmetall. The American defense site War Zone confirmed similar incidents in England and multiple U.S. bases. These incursions remain unexplained, fueling speculation about coordinated threats or incompetence at the highest levels.

- **The FBI has received over 3,000 tips about “car-sized” drones in the skies**, including sightings over Trump’s Bedminster golf course. Trump himself issued a bold demand: “Shoot them down!” Yet, Biden’s regime refuses to act. Homeland Security Secretary Mayorkas admitted, “We can’t just shoot a drone out of the sky,” a weak response that has left citizens terrified.
- **Meanwhile, New Jersey Governor Phil Murphy and New York Governor Kathy Hochul are urging Biden for federal resources as drones swarm their states.** Former Maryland Governor Larry Hogan personally witnessed and recorded dozens of drones over his residence, just 25 miles from D.C. Senator Blumenthal expressed his alarm, blasting the government’s lack of transparency.
- **Shockingly, U.S. Congressman Jeff Van Drew revealed on Fox News:** “From high, credible sources, I can confirm Iran launched a mothership off the East Coast carrying drones.” While Biden dodges accountability, Americans are left in the dark. Coast Guard officers have reported being tailed by over 50 drones, some flying within 300 feet.
- **Adding to the chaos, News Nation revealed that the FBI is “utterly baffled.”** Even mainstream outlets like the Wall Street Journal warn that America’s response is a joke. After ignoring the Chinese spy balloon last year, the Biden administration dismisses the current threat with absurd claims of “no evidence of aliens.”
- **WAKE UP! This isn’t incompetence—it’s deliberate.** America is under siege, and the Biden regime is either complicit or powerless. The storm is here, and patriots must demand answers. Stay vigilant. The truth is being hidden.

D. Global Financial Crisis:

Sun. 15 Dec. 2024 Eric Trump Declares XRP, ADA, ALGO, and HBAR Tax-Free Under Trump Administration! ...Charlie Ward on Telegram

- **Eric Trump has just ignited a financial revolution, announcing that major crypto currencies like XRP, ADA, ALGO, and HBAR** will be 100% tax-free under the Trump administration. This game-changing move positions the U.S. as the global crypto powerhouse, sending shockwaves through the financial world and leaving other nations scrambling to catch up.
- **The Crypto Revolution Begins Now:** Speaking at a major conference, Eric Trump didn't mince words: "Under President Trump, America is open for crypto business. No taxes, no barriers—just innovation." This policy isn't just about tax relief—it's a declaration of financial independence. By eliminating taxes on U.S.-issued digital assets, the Trump administration is creating a crypto sanctuary where innovation thrives and traditional banking crumbles.

- **A Direct Hit on Banks:** Eric Trump unleashed a fiery attack on traditional banks, calling them “archaic relics” that punish the people with fees and inefficiency. “Crypto doesn’t sleep. It doesn’t need a middleman. This is the future—and the banks are terrified.” The message is clear: America is leading the charge toward decentralization and freedom.
- **The BITCOIN Act of 2024: A Bold National Strategy** To secure America’s dominance, the Trump administration is launching the BITCOIN Act of 2024, creating a national Bitcoin reserve and transferring federal holdings to the U.S. Treasury. The goal? One million Bitcoins in five years, solidifying Bitcoin as a national asset and making the U.S. the epicenter of blockchain innovation.
- **Why This Matters:** This isn’t just a policy—it’s a movement. With nations like Italy taxing crypto gains at 42%, America’s zero-tax stance will attract developers, investors, and innovators worldwide. The future of finance is here, and America is taking the lead.
- **Get ready for the crypto revolution**—the storm is here, and the system will never be the same. Banks beware. Blockchain wins.

Sun. 15 Dec. 2024: GITMO Soldiers Expose Rituals, Trafficking Rings, Bioweapons Labs—Elites Taken Down, Tribunals Set to Rewrite History! ...Gitmo TV on Telegram

- **Today, December 15, 2024, marks a critical moment in the GITMO operations** as new revelations shake global power structures. The second spotlight phase is uncovering elite corruption, trafficking networks, and bio-weapons programs, with tribunals set to expose the truth in **January 2025**.
- **December 12: A High-Profile Extraction:** A covert military raid in the South Pacific on December 12 captured a high-value target code-named “Architect.” This individual, a central figure in trafficking networks and elite operations, was found at a hidden offshore facility. Evidence recovered includes encrypted data linking political and corporate elites to child trafficking and arms deals.
- **Upon arrival at GITMO, “Architect” began revealing plans to destabilize Western economies through cyber-attacks in 2025.** These confessions implicate high-profile figures, including unnamed heads of state, in funding these operations.
- **December 14: Biometric Subjugation Programs Unveiled:** Documents labeled “Project Nexus” were discovered during interrogations, exposing plans to use biometric implants for tracking, controlling, and even eliminating dissidents. A raid on a European lab revealed prototypes designed to interface with the human nervous system, disguised as “healthcare technology.” This program was set for mass testing in early 2025, targeting unsuspecting populations.
- **False Flag Warning: End of December 2024:** Intel from a detainee code-named “Oracle” warns of a major false flag event aimed at diverting attention from upcoming

tribunals. Planned cyber-attacks on banking systems and energy grids would create global chaos, providing a pretext for draconian control measures.

- **GITMO soldiers are working with quantum systems to intercept communications and neutralize threats.** Attempts to sabotage GITMO's operations, including a December 14 drone strike on an evidence convoy, have failed, as military forces remain vigilant.
- **The Tribunals: January 2025:** Preparations are underway for tribunals exposing the crimes of elites, including trafficking, bio-weapons, and election interference. Detainees facing trial include former heads of state, CEOs, and military officials. Evidence to be presented includes financial records, video confessions, and links to global criminal operations.
- **Call to Action: Stay Vigilant: The** elites are desperate, but their power is unraveling. The truth uncovered at GITMO will shake the foundations of global power. Stay informed, question media narratives, and prepare for monumental change.

H. Sun. 15 Dec. 2024: ALERT!! 500,000 CHILDREN GONE—HUMAN TRAFFICKING OPERATION EXPOSED! ...Julian Assange on Telegram

- **Half a million children—gone. Not lost, not misplaced—vanished into a meticulously orchestrated system of greed, depravity, and unimaginable evil.** New York City Mayor Eric Adams has unwittingly blown the lid off this sinister operation, exposing numbers that confirm the unthinkable.
- **Half a million children disappeared without a trace. This isn’t just incompetence—it’s a deliberate, global system of trafficking,** funded and protected by the elites. These children didn’t just vanish; they were erased, handed over to “sponsors” who are fronts for trafficking syndicates. Many are sold into labor camps, others into elite-controlled sex trafficking rings, and, most chillingly, some are subjected to organ harvesting and genetic experiments in underground labs—grotesque experiments funded by globalist entities and masked as “research.”
- **Open-border policies, far from being acts of compassion, are pipelines for trafficking, with border chaos serving as a calculated strategy.** NGOs, often praised for their “humanitarian efforts,” are complicit, bankrolled by globalists like the Gates

Foundation, aiding trafficking operations while hiding behind a façade of philanthropy. On the dark web, children are sold like commodities, catering to elites, politicians, and moguls who are protected by their wealth and influence, operating in the shadows while media and tech giants turn a blind eye—or worse, help facilitate these crimes.

- **Trump’s Border Czar, Tom Homan**, is leading the charge against this nightmare, deploying advanced surveillance technology to track traffickers and locate these missing children, but the deep state is mobilizing to stop him, using smear campaigns and legal hurdles to shield their empire of evil. These 500,000 children are not just numbers—they are lives stolen, voices silenced by a system that profits from their suffering, and their disappearance is a battle cry for every patriot.
- **The elites think they are untouchable**, but their walls are crumbling. The reckoning is here. Stand up. Fight back. The storm is upon us.

I. Sun. 15 Dec. 2024 BOOM!!! ENDING THE GENDER BUTCHERS: President Trump’s Plan to Protect Children! ...Julian Assange on Telegram

- **ENDING THE GENDER BUTCHERS:** There are only two genders—male and female—assigned at birth. The greatest threat to children today is the trans ideology pushed by the radical left. There is no such thing as a “trans kid.” These are abuse victims. Our mission: protect children from puberty blockers, mutilation, and lies.
- **Trump’s Bold Plan to Protect Children:** President Trump has declared war on the left’s dangerous gender agenda, calling it what it is: child abuse. Here’s how he plans to stop this madness:
- **Day One Action:** Trump will revoke Biden’s policies promoting so-called “gender-affirming care,” which includes puberty blockers, body mutilation, and surgeries on minors. “No child should ever face this abuse,” Trump says.
- **Executive Order to Stop Gender Ideology:** Every federal agency will be ordered to end all programs promoting sex or gender transition. Congress will be pushed to outlaw child sexual mutilation in all 50 states and ban taxpayer funding for these procedures.
- **Punishing Healthcare Providers:** Hospitals and healthcare providers that chemically or physically mutilate children will lose federal funding under Medicare and Medicaid. These institutions will no longer be allowed to operate unchecked.
- **Victim Justice:** Trump will create a private right of action for victims to sue the doctors who performed these barbaric procedures.
- **Big Pharma Accountability:** The Department of Justice will investigate Big Pharma and hospital networks for covering up the horrific long-term effects of “sex transitions” to profit at the expense of vulnerable children.
- **Schools on Notice:** Any teacher or school official encouraging a child to question their gender will face severe consequences, including Civil Rights violations for sex discrimination and elimination of federal funding.

- **Restoring Family Values:** The Department of Education will promote education on the nuclear family, celebrating the differences between men and women, and protecting parental rights.
- **Only Two Genders, Recognized by Law:** Trump will push Congress to pass a bill recognizing only male and female genders, assigned at birth. Title IX will be restored to protect women's sports, and parents will be empowered to stop any attempt to change their child's gender without their consent.
- **This Madness Ends Now:** "No serious country tells its children they were born in the wrong body," Trump declared. "This is a radical left invention—and under my leadership, it will be destroyed."
- **The fight for our children's future is here.** This evil ideology will not win. Under Trump's leadership, we will end it—for good.

Sun. 15 Dec. 2024 Government Gangsters: The Deep State's Plan to Shield Hunter Biden and Hide Their Crimes! ...Michael Jackson on Telegram

- **Kash Patel, Trump's FBI Director,** exposed a sinister Deep State operation to remove Joe Biden and pardon Hunter Biden to cover up their corruption. Garland, Wray, Fauci, and the CIA all played their parts. The origins of Covid? Lied about. Epstein files? Hidden by Wray.
- **Patel says the FBI must be dismantled**—shut down the Hoover building, turn it into a Museum of the Deep State, and let Americans see the corruption for themselves. The real FBI agents should be chasing criminals, not inflating January 6th statistics to fuel Wray's lies about domestic terrorism.

- **Patel calls for Hunter Biden’s immediate arrest for soliciting prostitution, a crime prosecutable across the U.S.** He demands prosecution for Joe Biden’s illegal overseas money deals—quick, undeniable charges that reveal a broader web of corruption involving Ukraine and beyond. The Hunter laptop? Silenced by the FBI, DOJ, and media—a coordinated Deep State cover-up.
- **The truth? Obama and Clinton have been running the White House for years, not Joe Biden.** Patel exposes top Deep State operatives: General Milley, Mark Esper, William Barr, Christopher Wray, and Merrick Garland. Their lies and schemes will unravel under Trump’s second term.
- **Patel has seen it all—the secret JFK files, the hidden 9/11 report, and more.** He promises to recommend Trump declassify EVERYTHING, including the Epstein files. The Deep State’s days are numbered. These “Government Gangsters” will face justice.
- **The fight will be monumental.** The truth will be unstoppable. Are you ready?

M. Sun. 15 Dec. 2024 Nikola Tesla and His Concepts Regarding the Ether ...Ben Fulford on Telegram

- **Nikola Tesla, the Serbian-American inventor, electrical engineer, mechanical engineer, and futurist,** is often celebrated for his groundbreaking work in the development of alternating current (AC) electrical systems, wireless transmission of energy, and numerous other technological innovations. However, beyond his technical achievements, Tesla held deep and often unconventional beliefs about the nature of the universe, particularly concerning the ether—a hypothetical medium that, at the time, was believed to pervade all of space and serve as the medium for the propagation of electromagnetic waves.
- **Tesla’s ideas about the ether,** while largely speculative, were integral to his worldview and informed many of his experiments and theories. This article explores Tesla’s views on the ether, his related quotes, and the impact of these ideas on his work and legacy. The Concept of Ether in Tesla’s Time

- **During the late 19th and early 20th centuries**, the ether was a widely accepted scientific concept. It was thought to be a subtle, invisible substance that filled all of space, providing a medium for the transmission of light, electricity, and other forces. The ether was seen as necessary because, at the time, waves (such as sound waves) were understood to require a medium through which to travel. Since light exhibited wave-like properties, it was assumed that there must be a medium—hence the ether.
- **However, by the early 20th century, the ether theory began to fall out of favor due to the rise of Einstein’s theory of special relativity** and the results of the Michelson-Morley experiment, which failed to detect the ether. Despite these developments, Tesla continued to believe in the ether’s existence and incorporated it into his own theories.

N. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

O. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won’t be sentenced until **20 Dec. 2024**.

Q. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
