On Sat. 14 Dec. 2024 Debt Forgiveness & Wealth Redistribution began worldwide where millions reported canceled mortgages, student loans, and credit card debts. Official encrypted messages confirm this is just the beginning.

Sun. 15 Dec. 2024 was the beginning of the new Restored Republic Fiscal Year.

On Mon. 16 Dec. 2024 Banks began changing over to the new financial system as the Global Currency Reset rolled out.

By Tues. 17 Dec. 2024 XRP, RLUSD and the Iraqi Dinar went public, while Redemption Centers became fully operational. Banking Systems began processing the new gold/ asset-backed US Treasury Note (USTN).

Wed. 18 Dec. 2024 was the beginning of a Global Financial Collapse.

At the same time the Deep State Cabal introduced us to car size Drones that began combing the East, West and South Coasts, spreading radioactive materials to create chaos.

President Trump has already exposed the Drones – a terrifying False Flag Operation where the Cabal has spread radioactive materials to instill panic, mass surveillance and the collapse of Free Speech. "The military knows about the Drones, the president knows, but they won't tell the people" Trump said.

The Drones could be the basis for overbearing safety measures, surpassing even the Patriot Act – with complete lockdowns, enforced surveillance, and obliteration of privacy under the guise of public safety.

To drive that narrative the Deep State Mainstream Media, ever complicit in spreading disinformation, would then likely escalate the story of a radiological threat, label Whistleblowers as threats and thus prepare the public for a crackdown on Free Speech.

Wed. 18 Dec. 2024 Update: "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **23 Dec. 2024.**

Dear Faithful Friends and Family,

Unless a miracle happens before Monday, December 23, Judge Nielson plans to sentence me. The prosecutors have asked him to give me the maximum possible of an 84-month sentence and require me to pay the “victim” IRS \$723,28.65 in “restitution”. CRAZY!

Unbelievably, Judge Nielson has never addressed any of our motions for judicial acquittal, a new trial, or SCOTUS’ recent Moore vs U.S., a new ruling which has 100% vindicated Barbara and me, but promises to do so and will “only proceed to sentencing if necessary”. Haha!

People have asked if they may come to the court. YES, please! This sentencing hearing is scheduled for **Monday, December 23 at 1:30 p.m. in room 7.300 at U.S. District Court, 351 South West Temple, Salt Lake City. ...Ken Cromar**

F. Restored Republic:

Wed. 18 Dec. 2024 What's Really Happening

- **Trump and the White Hats have signed a Global Peace Treaty** — GESARA/NESARA. But don't be fooled by the so-called "peace." This is not a typical treaty. It's a trap for the enemy. They surrendered a long time ago, but that hasn't been made public. Why? Because we are in the final stages of a secret war.
- **It might look like Trump is working with Zionist enemies in Israel, but here's the truth:** the Global Alliance has already outmaneuvered them. The elites pulling the strings—the ones at the very top—have already fallen. The Rothschilds, Rockefellers, Gates... they're all under control now. They still parade around in public, pretending to hold power, but it's all for show.
- **Trump hasn't joined them—he's replaced them.** He's the true leader now, not just of America but of the entire world. He's taken down the puppet masters and seized the throne. The Zionists and their puppets have no choice but to obey.
- **The King has returned!** The light is breaking through the darkness. But remember, this is all a grand strategy. In war, you don't reveal your hand until the moment of the final blow. Right now, Trump holds all the cards.
- **You need to hold the line. Stay strong. Stay silent.** The storm hasn't passed—it's only building. And when the final act unfolds, the world will see who truly won. The enemy won't even know what hit them until it's far too late. The Storm is here. The plan is in motion. Trust it.

H. Wed. 18 Dec. 2024: White Hats Investigate DARPA's Drone Swarm Operations

- **White Hats have begun a thorough investigation into the mysterious SUV-sized drones swarming over New Jersey,** suspecting a connection to DARPA's covert Project Bluebeam. This project, allegedly involving advanced holographic technology, has raised alarms among investigators seeking to expose hidden operations.
- **Discovery of a Covert Base:** A recent operation in Sacramento led to the dismantling of a clandestine base, revealing startling discoveries: "space planes" and sophisticated holographic projectors. During the raid, White Hats faced significant resistance, resulting in the deaths of several Deep State contractors. However, a breakthrough came with the capture of a key engineer known as "Donaldson."
- **Donaldson's Revelations:** Under interrogation, Donaldson disclosed alarming details about DARPA's advancements during the Biden administration. He revealed that the agency had developed airborne holographic technologies capable of manipulating public perception. These drones, equipped with emitters, could project massive holograms, render themselves invisible, or even alter their appearance mid-flight.
- **Unexplained Drone Activity in the Northeast:** Reports of extraordinary drone maneuvers in New Jersey and neighboring states have surged. Witnesses describe drones performing seemingly impossible movements and vanishing into thin air. According to Donaldson, these phenomena stem from the drones' advanced holographic emitters, creating illusions of large-scale formations and intricate aerial displays.
- **Implications and Ongoing Investigations:** Donaldson's testimony has sparked grave concerns about the potential misuse of such technologies to influence or deceive the public. White Hats emphasize the critical need for transparency and oversight, urging regulators to confront the ethical implications of these advanced systems. Investigations are ongoing, with the aim of fully uncovering the scope of these operations and their intended purposes.

K. SUN. 15 DEC. 2024 BOOM!!! ENDING THE GENDER BUTCHERS: President Trump's Plan to Protect Children! ...Carolyn Bessette Kennedy on Telegram

- **ENDING THE GENDER BUTCHERS:** There are only two genders—male and female—assigned at birth. The greatest threat to children today is the trans ideology pushed by the radical left. There is no such thing as a “trans kid.” These are abuse victims. Our mission: protect children from puberty blockers, mutilation, and lies.
- **Trump’s Bold Plan to Protect Children:** President Trump has declared war on the left’s dangerous gender agenda, calling it what it is: child abuse. Here’s how he plans to stop this madness:
- **Day One Action:** Trump will revoke Biden’s policies promoting so-called “gender-affirming care,” which includes puberty blockers, body mutilation, and surgeries on minors. “No child should ever face this abuse,” Trump says.
- **Executive Order to Stop Gender Ideology:** Every federal agency will be ordered to end all programs promoting sex or gender transition. Congress will be pushed to outlaw child sexual mutilation in all 50 states and ban taxpayer funding for these procedures.
- **Punishing Healthcare Providers:** Hospitals and healthcare providers that chemically or physically mutilate children will lose federal funding under Medicare and Medicaid. These institutions will no longer be allowed to operate unchecked.
- **Victim Justice:** Trump will create a private right of action for victims to sue the doctors who performed these barbaric procedures.
- **Big Pharma Accountability:** The Department of Justice will investigate Big Pharma and hospital networks for covering up the horrific long-term effects of “sex transitions” to profit at the expense of vulnerable children.
- **Schools on Notice:** Any teacher or school official encouraging a child to question their gender will face severe consequences, including Civil Rights violations for sex discrimination and elimination of federal funding.
- **Restoring Family Values:** The Department of Education will promote education on the nuclear family, celebrating the differences between men and women, and protecting parental rights.
- **Only Two Genders, Recognized by Law:** Trump will push Congress to pass a bill recognizing only male and female genders, assigned at birth. Title IX will be restored to protect women’s sports, and parents will be empowered to stop any attempt to change their child’s gender without their consent.
- **This Madness Ends Now:** “No serious country tells its children they were born in the wrong body,” Trump declared. “This is a radical left invention—and under my leadership, it will be destroyed.”
- **The fight for our children’s future is here.** This evil ideology will not win. Under Trump’s leadership, we will end it—for good.

- **The First Strike:** Wright Patterson Air Force Base LOCKS DOWN At Wright Patterson Air Force Base in Ohio, unauthorized drones have forced a total lockdown. - **Boston Logan Airport:** Arrests Amid DRONE CHAOS In Boston, drones flew perilously close to Logan International Airport, causing a standstill that required a multi-agency response. The threat is real—if a drone hits a plane, the catastrophe would be immense.
- **Southern California:** UFOs or Advanced Drone Warfare? Reports from Southern California suggest unidentified flying objects, possibly advanced military drones. The stakes are high: experimental weapons, uncharted surveillance capabilities, with officials cluelessly shrugging off the dangers.
- **Radiation Spikes:** A SILENT KILLER IN OUR MIDST Radiation levels spike across New York and New Jersey. The Lincoln Tunnel flagged for high radiation—why? Could drones with radioactive fuel be leaking? This isn't fiction; it's a potential long-term devastation we're staring at.
- **Military Drones Using Radioactive Fuel?** The Unthinkable Truth Military drones might be contributing to these radiation spikes. Deploying such technology over civilian areas without transparency is reckless—a slow-motion disaster unfolding before us.
- **New Jersey Pilot Loses Power:** A Warning We Can't Ignore A pilot loses control over his plane after approaching a drone. These aren't mere machines; they could be equipped with tech that disrupts aircraft systems—a disaster waiting to happen.
- **Former Governor Chris Christie:** Drones Over My Home! Even high-profile figures like Chris Christie aren't safe. Drones flying over his house indicate no one is out of reach. This invasion isn't just about surveillance—it's an assault on our way of life.
- **New York's Drone Detection System: Too Little, Too Late?** New York rolls out a drone detection system—a mere band-aid on a bullet wound. Can this system prevent radiation leaks or ensure our safety? Hardly.
- **964 Drone Sightings Near Military Bases in NJ** Since November 19 964 drone sightings near military bases in New Jersey since November 19—it's an operation, a coordinated threat, and the response? Inadequate.

- **The Government's Complacency is Killing Us** The Department of Homeland Security denies these sightings are a threat. How much evidence is needed? Are they waiting for a disaster to acknowledge the danger?
- **President-Elect Trump: The Leader We Need in a Time of Crisis** Thankfully, President-Elect Trump promises to tackle this crisis. His leadership could propel America to reclaim control and secure our skies.
- **Final Warning: The Sky is a War Zone We are at war**—a war of technology, surveillance, and infiltration. The skies are a battlefield, and the stakes couldn't be higher. Will we act, or will we let them win? The choice is ours.

N. Mon. 16 Dec. 2024: BREAKING!! NESARA'S SECRET ROLLOUT EXPOSED: MILITARY TARGETS ELITES, GITMO TRIBUNALS BEGIN, AND THE GOLDEN AGE IS HERE! ...Nesara/Gesara on Telegram

- **The long-awaited NESARA plan** is no longer just a theory—it's unfolding with military precision, designed to dismantle elite control and restore power to the people. Behind the scenes, military intelligence and special forces are orchestrating an operation that will reshape the world.
- **Military Operations Driving NESARA:** This isn't a political maneuver—it's a tactical mission. Fort Knox has been secured, stolen gold reserves recovered, and covert teams are ensuring the Quantum Financial System (QFS) is impenetrable. Global military raids have seized assets, dismantled blackmail networks, and neutralized Deep State revenue streams, including drug and human trafficking.
- **GITMO Tribunals in Motion:** Leaked reports confirm secret military trials at Guantanamo Bay. High-profile elites, including banking magnates and political figures, are facing charges for crimes against humanity. Over 500,000 sealed indictments are being executed globally, and wealth amassed through fraud is being confiscated for redistribution under NESARA.
- **The Quantum Financial System:** Unstoppable: QFS is a revolutionary financial network immune to Deep State interference. Using biometric access and quantum AI, it tracks every transaction, exposing corruption at every level. Military intelligence teams have thwarted repeated hacking attempts, ensuring the system's integrity.
- **The White Hats' Role:** White Hat factions within the military and intelligence agencies are leading the charge. Operations like "Clean Sweep" are removing bureaucrats and corporate enforcers tied to elite agendas. The Emergency Broadcast System (EBS) is reportedly prepared to deliver NESARA's truths to the public.
- **What's Next?:** Debt forgiveness, universal income, and a gold-backed currency are on the horizon. Public announcements by NESARA-aligned leaders will signal the start of a new era. The elites are crumbling, and the golden age is within reach.
- **This is the reckoning.** The Deep State's grip is breaking, and NESARA is unstoppable. The storm is here—are you ready?

O. Wed. 18 Dec. 2024 THE HISTORY OF THE NESARA LAW for the UNITED STATES:

- **NESARA was signed into law by President William Jefferson Clinton in 2000**, at gunpoint because the Military forced him to sign it. He wasn't going to.
- **NESARA was to be announced by Alan Greenspan on Sept. 11, 2001**, at 10:00am. This was prevented by the destruction of the World Trade Center by then President George W. Bush, Dick Cheney, Donald Rumsfeld and others involved with this great deception. They murdered 7,000 innocent Americans that day and stole billions in Gold and Silver from Building 7.
- **In early 1993, the U.S. Supreme Court ruled on charges by the Farmer's Union that banks in the U.S. were fraudulently foreclosing on farm mortgages and that the U.S. Government was in collusion with these banks.** The testimony and proof brought into court by a retired CIA Agent led to further evidence and proof that Farmer's Union claims were legitimate. It also led to evidence that the 16th Amendment, the Income Tax Amendment, was never properly ratified by the required number of states and therefore, declared that income taxes were unlawful.
- **Almost unanimously the U.S. Supreme Court Justices ruled in favor of Farmer's Union.:** The Justices recognized that overwhelming evidence proved the U.S. Government and the Federal Reserve Banking System were perpetrating FRAUD in many ways upon Americans.
- **The Justices recognized that to remedy this situation**, massive reformations would be required. When rulings were made by the U.S. Supreme Court, one or more of the justices are assigned to monitor the process by which rulings are carried out.

Q. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

R. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. S. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **23 Dec. 2024.**

Wed. 18 Dec. 2024 Dear Faithful Friends and Family,

Unless a miracle happens before **Monday, December 23,** Judge Nielson plans to sentence me. The prosecutors have asked him to give me the maximum possible of an 84-month sentence and require me to pay the "victim" IRS \$723,28.65 in "restitution". CRAZY!

Unbelievably, Judge Nielson has never addressed any of our motions for judicial acquittal, a new trial, or SCOTUS' recent Moore vs U.S., a new ruling which has 100% vindicated Barbara and me, but promises to do so and will "only proceed to sentencing if necessary". Haha!

People have asked if they may come to the court. YES, please! This sentencing hearing is scheduled for Monday, December 23 at 1:30 p.m. in room 7.300 at U.S. District Court, 351 South West Temple, Salt Lake City.

Good news. There appears to be a remarkable miracle in the works. A secret weapon that has come into play in the last couple of days. I can't explain what it is until it happens.

Believe in miracles. Your prayers that God's will may be done are much appreciated.

With love and Merry Christmas,

Ken (& Barbara)

P.S. Psalms 142 in the New International Version of the Bible reads: Lord, "Set me free from my prison, that I may praise your Name. Then the righteous will gather about me because of Your goodness to me."

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. T. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
