“When the time is right, I the Lord, will make it happen.”

...Isaiah 60:22

Judy Note: Satan Worshipping members of Congress tried to pass another out of control debt and spending stopgap funding bill that used an already fiat US Dollar – but Elon Musk alone killed the 1,500 page bill where Democrats demanded huge raises and provisions so Congress couldn't be investigated. [K*LL BILL: Elon Musk Singlehandedly Defeats 1,547 Spending Bill? | WLT Report](#)

Then Trump took 24 hours to reduce the 1,500 page bill to just over 100 pages, but it still didn't pass Congress and because it didn't, the Government will shut down when their funding expires as the clock strikes 12:01 am on Sat. 21 Dec. 2024.

<https://www.nbcwashington.com/news/local/congress-has-to-pass-another-stopgap-funding-bill-what-happens-in-a-shutdown/3784733/>

So, now we have the US Inc. government shutting down because Congress didn't pass a budget for this past year. And, Congress wouldn't pass a budget because they were afraid of a US

citizenship who were mad at a 1,500 page stop gap funding extension bill that contained certain provisions.

Those provisions not only protected Congress people from being held accountable for their actions, but those same Congress people were giving themselves huge raises at a time when the fiat dollar wasn't being accepted for foreign trade, Americans couldn't afford gas, put food on the table and were losing their jobs and homes.

All because Congress had functioned on a fiat US Dollar since 2008 and hadn't functioned on a budget since US Inc. was formed way back in 1918. I mean, you gotta be responsible for yourself at some point, don't you Congress?

What's interesting was the timing to close the broke US Inc. government. As of tomorrow the privately owned US Inc. government would have no money to function on at the same time the new US Restored Republic Treasury was entering their new gold/asset-backed US Treasury Notes into the Global Financial System and therefore burying the US Inc.'s worthless fiat US Dollar.

In other words, why pass a budget on a fiat dollar that would no longer exist?

Besides, according to recent data obtained by Musk's Starlink team, the US Inc. government's IRS was involved in global destabilization projects designed to weaken nations, create chaos, and manipulate economies. In 2024 alone the IRS funneled over \$12 trillion into secret accounts that funded artificial food shortages, weather manipulation, population control and worse, was not just involved in Child Sex Trafficking, but ran the program.

Instead of worrying about a defunct government, let's spend our time Saving the Children by finally facing facts: Evidence has come forward that the privately owned US Inc.'s former President Barack Obama was a Gay man married to a male former First Lady and member of the Oregon State Football Team Michael Robinson, both of whom worshipped Satan.

In both the Obama and Biden Administrations thousands of migrant children were allowed into the country only to disappear as they were "adopted" into a Child Sex Trafficking Ring while pedophile, child sacrificing Satan worshipping Global Elites held parties at Obama's invitation in a Child Sex Trafficking Tunnel beneath the White House.

Popular investigative journalist Tucker Carlson has released multiple videos that show Satanic Blood rituals, Child Sacrifices and much more Devil oriented rites that took place under the White House. Among them were Satanic pedophile rituals, underage porn and the Obama family forcing kids to watch Obama's sexual acts with a man as part of a Satanic Rite.

Of course, we haven't heard a pep about that in the Mainstream Media.

In other news that the Mainstream Media refused to report, a Navy insider Whistleblower has suggested the presence of intelligence and technologies that cannot be linked to any known human source. The US Government is hiding video evidence of orbs with a shimmering, plasma-like glow, displaying no visible means of propulsion; crafts performing anti-gravitational maneuvers while moving seamlessly between air and water, plus an orb matching a U.S. drone's movements before vanishing at incredible speeds.

As a so-called free country we are in big trouble and we don't even know it thanks to our Lame-stream Media. Maybe we need Project Odin:

B. Thurs. 19 Dec. 2024 IRS Crimes: “Ken and Barbie vs. Goliath IRS”:

- **Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.** Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **20 Dec. 2024**.

Wed. 18 Dec. 2024 Dear Faithful Friends and Family,

Unless a miracle happens before **Monday, December 23**, Judge Nielson plans to sentence me. The prosecutors have asked him to give me the maximum possible of an 84-month sentence and require me to pay the “victim” IRS \$723,28.65 in “restitution”. **CRAZY!**

Unbelievably, Judge Nielson has never addressed any of our motions for judicial acquittal, a new trial, or SCOTUS' recent Moore vs U.S., a new ruling which has 100% vindicated Barbara and me, but promises to do so and will "only proceed to sentencing if necessary". Haha!

People have asked if they may come to the court. YES, please! This sentencing hearing is scheduled for Monday, December 23 at 1:30 p.m. in room 7.300 at U.S. District Court, 351 South West Temple, Salt Lake City.

Good news. There appears to be a remarkable miracle in the works. A secret weapon that has come into play in the last couple of days. I can't explain what it is until it happens.

Believe in miracles. Your prayers that God's will may be done are much appreciated.

With love and Merry Christmas,

Ken (& Barbara)

P.S. Psalms 142 in the New International Version of the Bible reads: Lord, "Set me free from my prison, that I may praise your Name. Then the righteous will gather about me because of Your goodness to me."

E. Thurs. 19 Dec. 2024 the BRICS alliance, with nearly 40 countries interested in joining, is leading a global movement to dethrone US dollar dominance.

- **As economies push for de-dollarization and local currency trade, the world braces for a seismic shift in global finance.** This revolution could reshape the future of international trade and challenge US economic power.
- **A financial revolution is brewing.** Nearly 40 countries are ready to break free from the economic chains of the US dollar. Spearheaded by the growing BRICS alliance, nations from Asia, Africa, and South America are uniting to shift away from US dominance and chart a new economic path.
- **BRICS has grown from a coalition of Brazil, Russia, India, China, and South Africa into a powerhouse challenging the old order.** As the US grip weakens, these nations are opting for local currencies in trade, signaling a turning point in global finance. This is more than an economic realignment—this is about escaping the dollar's control and securing economic independence.
- **The US Dollar's Dominance—And Its Cracks:** For decades, the US dollar has controlled global trade, commodity prices, and the financial system. But now, nations are pushing back. The dominance that the dollar has enjoyed since World War II is fading. The system designed to ensure the US's place at the top is being challenged, and BRICS is leading the charge.
- **Countries tied to the dollar are at the mercy of US monetary policy.** When the US raises interest rates, the pain is felt worldwide. This system benefits the US while trapping developing nations in economic strangleholds. The dollar has become a weapon, and many countries are ready to break free.
- **BRICS: The Beacon of De-Dollarization:** BRICS represents a collective effort to escape the US-led financial system. Originally formed to counterbalance Western institutions, BRICS is now spearheading a de-dollarization movement. The nearly 40 countries expressing interest in joining are driven by a desire to shift to local currencies and break their reliance on the US dollar.
- **China is a critical player,** using its influence and initiatives like the Belt and Road Initiative to promote trade in local currencies. It's not just economic pragmatism—it's a

geopolitical move aimed at weakening US power. Russia, too, is pushing hard to de-dollarize, motivated by US sanctions and the need to insulate its economy from American control.

- **A Flood of Interest: Who Are These 40 Countries?** Countries like Argentina, Saudi Arabia, and Egypt are eyeing BRICS as a way to escape the dollar's grip. These nations see the alliance as a pathway to a more balanced global system, one where the US no longer dominates their financial futures.
- **Saudi Arabia's interest is a game-changer.** As the world's largest oil exporter, its potential shift away from the petrodollar system could strike a devastating blow to the US dollar's global standing. If Saudi Arabia begins trading oil in currencies like the yuan, the global financial order could shift dramatically.
- **The Collapse of Dollar Dominance?** The US dollar's dominance won't vanish overnight, but the shift is undeniable. As BRICS expands and more nations adopt local currencies, the demand for the dollar will decline. The days of the US borrowing cheaply and maintaining a massive trade deficit without consequence could be coming to an end.
- **As BRICS grows in power, the global financial order is evolving.** This isn't just about economics—it's about power, influence, and the future of global leadership. The revolution has begun, and BRICS is leading the charge.

That NDA is reported, recorded and stored on your account on the Quantum Financial System. Read the NDA carefully before you sign it. - **Thurs. 19 Dec. 2024 Homan confirms what El Salvador's President said about the migrant gangs vying for control of the US border:** They are literally satanic. "They worship death. They got statues there and memorabilia worshipping death. I've got a video on my phone showing a member of the cartel skinning a man alive to send a message to anybody: If you push back on the cartels, they are not going to just kill you, they are going to make you suffer. We got to save these kids. Over 300 thousand. A lot of them are living life in hell every day. We are going to find some in sex slavery. Some of them are going to be dead. President Trump made that a priority and it is something that needs to be done." Those who tell you that it's cruel that Trump would stop an open border and deport illegals are missing this key component: It is about the children. There are 300 thousand missing children that can easily be in the hands of these cruel satanic gang members. Democrats refuse to acknowledge this reality.

K. Thurs. 19 Dec. 2024 BREAKING MILITARY INTEL! U.S. Navy Insider EXPOSES Shocking UAP Evidence: The TRUTH They Don't Want You to Know! ...Gitmo TV

- **A U.S. Navy insider exposes shocking UAP evidence:** anti-gravity craft, plasma-like orbs, and trans-medium technology. Why is the government hiding this from you? America deserves answers now!
- **A Navy insider reveals startling details about Unidentified Anomalous Phenomena (UAP) and Non-Human Intelligence (NHI),** claiming the existence of high-definition footage showing crafts performing physics-defying maneuvers.
- **What Exactly Are UAP and NHI—and Why Does It Matter?** UAP refers to phenomena or objects in the sky that cannot be identified as conventional aircraft or known natural phenomena—highly-documented by military pilots as performing impossible feats of flight.
- **NHI suggests the presence of intelligence and technologies** that cannot be linked to any known human source—deepening the mystery: If these crafts aren't ours, whose are they?
- **Evidence the Government Can't Deny** The insider describes 4K videos capturing: Orbs with a shimmering, plasma-like glow, displaying no visible means of propulsion. Crafts performing anti-gravitational maneuvers and moving seamlessly between air and water. An orb matching a U.S. drone's movements before vanishing at incredible speeds.

- **The Government's Double Standard on Secrecy** While footage of foreign military crafts is often declassified, UAP and NHI videos remain under tight wraps. This selective secrecy raises questions about what is truly at stake and what is being hidden from the public eye.
- **Orbs and Anti-Gravity:** A Pilot's Nightmare Reports are accumulating of orbs that defy traditional flight logic, challenging our understanding of physics and aerial dynamics. These encounters suggest technology far beyond human capabilities, posing questions about the origins and intentions behind these crafts.
- **Whistleblowers Threatened into Silence** Those who have dared to speak out have faced severe repercussions, including threats of arrest and harm to their families, suggesting a deep-seated need to maintain secrecy at all costs.
- **Congress Has Failed. It's Time for Accountability.** There's a pressing need for a select congressional committee with the authority to: Compel the release of all classified UAP footage. Protect whistleblowers. Demand transparency from aerospace contractors.
- **The Case for Transparency and National Security** Contrary to claims that transparency weakens national security, shedding light on these phenomena could enhance preparedness and restore public trust. Understanding these technologies could significantly advance our own capabilities.
- **A New Era Under Strong Leadership With President-elect Donald Trump's commitment to transparency,** there's an opportunity to align UAP and NHI disclosure with national priorities, reinforcing his stance on strong, accountable governance.
- **The Bottom Line: Demand the Truth** This revelation is a critical call to action. It's time to end the secrecy and bring the hidden truths about UAP and NHI to light. We must advocate for openness to truly prepare for and understand the implications of these phenomena.

L. Thurs. 19 Dec. 2024 500 Years of Lies: Secret Vault Under the Vatican Opened After 500 Years and It Holds Terrifying Discovery – The Lies End Here! ...Michael Jackson on Telegram

- **The Vatican's secret vault,** sealed for 500 years, has been opened—and the horrifying truths inside will destroy everything you thought you knew. Ancient relics, suppressed writings, and explosive discoveries expose the Church's darkest secrets. The lies end here.
- **For centuries, the Vatican has kept a fortress of knowledge hidden.** Now, after 500 years, one of its most mysterious vaults has been cracked open—and the revelations will shake the foundations of history, religion, and humanity. What was found is nothing short of earth-shattering.
- **This isn't just history—it's a monumental revelation.** The Vatican didn't just hide secrets—they hid truths so potent that their release threatens to destroy the very narratives they've maintained for centuries.

- **After immense pressure, the Vatican yielded to demand and researchers uncovered Pandora's box:** ancient writings, priceless artifacts, and hidden agendas that would tear apart the Church's iron grip on knowledge. Why were these secrets locked away? Because they threaten the Vatican's power.

Among the shocking discoveries were:

- **Galileo's Heresy Letters:** Documents revealing the Church's war against science and its attempts to silence Galileo's revolutionary ideas.
- **Michelangelo's Hideout:** A room believed to be a refuge from the Church's wrath, showing the genius's defiance against authority.
- **Raphael's Lost Masterpieces:** Two paintings containing coded messages challenging corruption in the Church.
- **The Vatican Necropolis:** Unearthed bones of St. Peter reveal disturbing burial practices contradicting the sanitized Church narrative.
- **The Codex Vaticanus:** A Bible with annotations that challenge core religious doctrines, exposing manipulation of the word of God.
- **Leonardo da Vinci's Forbidden Genius:** Writings revealing inventions centuries ahead of their time, hidden to protect the Church's outdated worldview.
- **The Vatican's Astronomical Obsession:** Documents about the Church's secret study of the cosmos, acknowledging a universe more complex than their doctrines allowed.
- **WWII Diplomatic Betrayals:** Secret letters revealing the Vatican's focus on preserving its power during the war, at the cost of human suffering.
- **Artifacts:** Mummies linking the Vatican to ancient Egypt, the Shroud of Turin, and a pagan obelisk—pieces of a larger, hidden puzzle.
- **The Vatican kept these secrets buried for control.** They feared the truth would unravel their power. The vault's opening isn't just a historical curiosity—it's a reckoning.
- **The truth is out. There's no turning back.** The Vatican's centuries-long stranglehold on truth is finally being pried loose. The world will never be the same. History is being rewritten, and it's time for the truth to be revealed.

M. Thurs. 19 Dec. White Hats Investigate DARPA's Drone Swarm Operations

- **White Hats have begun a thorough investigation** into the mysterious SUV-sized drones swarming over New Jersey, suspecting a connection to DARPA's covert Project Bluebeam. This project, allegedly involving advanced holographic technology, has raised alarms among investigators seeking to expose hidden operations.
- **Discovery of a Covert Base:** A recent operation in Sacramento led to the dismantling of a clandestine base, revealing startling discoveries: "space planes" and sophisticated holographic projectors. During the raid, White Hats faced significant resistance, resulting

in the deaths of several Deep State contractors. However, a breakthrough came with the capture of a key engineer known as "Donaldson."

- **Donaldson's Revelations:** Under interrogation, Donaldson disclosed alarming details about DARPA's advancements during the Biden administration. He revealed that the agency had developed airborne holographic technologies capable of manipulating public perception. These drones, equipped with emitters, could project massive holograms, render themselves invisible, or even alter their appearance mid-flight.
- **Unexplained Drone Activity in the Northeast:** Reports of extraordinary drone maneuvers in New Jersey and neighboring states have surged. Witnesses describe drones performing seemingly impossible movements and vanishing into thin air. According to Donaldson, these phenomena stem from the drones' advanced holographic emitters, creating illusions of large-scale formations and intricate aerial displays.
- **Implications and Ongoing Investigations:** Donaldson's testimony has sparked grave concerns about the potential misuse of such technologies to influence or deceive the public. White Hats emphasize the critical need for transparency and oversight, urging regulators to confront the ethical implications of these advanced systems. Investigations are ongoing, with the aim of fully uncovering the scope of these operations and their intended purposes.

P. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

Q. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. R. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at

auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **20 Dec. 2024**.

Wed. 18 Dec. 2024 Dear Faithful Friends and Family,

Unless a miracle happens before **Monday, December 23**, Judge Nielson plans to sentence me. The prosecutors have asked him to give me the maximum possible of an 84-month sentence and require me to pay the "victim" IRS \$723,28.65 in "restitution". CRAZY!

Unbelievably, Judge Nielson has never addressed any of our motions for judicial acquittal, a new trial, or SCOTUS' recent Moore vs U.S., a new ruling which has 100% vindicated Barbara and me, but promises to do so and will "only proceed to sentencing if necessary". Haha!

People have asked if they may come to the court. YES, please! This sentencing hearing is scheduled for Monday, December 23 at 1:30 p.m. in room 7.300 at U.S. District Court, 351 South West Temple, Salt Lake City.

Good news. There appears to be a remarkable miracle in the works. A secret weapon that has come into play in the last couple of days. I can't explain what it is until it happens.

Believe in miracles. Your prayers that God's will may be done are much appreciated.

With love and Merry Christmas,

Ken (& Barbara)

P.S. Psalms 142 in the New International Version of the Bible reads: Lord, "Set me free from my prison, that I may praise your Name. Then the righteous will gather about me because of Your goodness to me."

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. S. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic

Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
