Shutdowns will occur, but only in certain areas. Banks will close. ATMs and Credit Cards will stop working. Have at least a month’s supply of food, water, cash, medicine and essential items on hand for yourself, your family and to share with others in case of emergency. If you’re unprepared, don’t worry. The Military will supply what you need. Nonstop education will be broadcast, teaching everyone about the true principles of Freedom and Justice.

Judy Note: What's killing the cadaver dogs, horses and wildlife in southwest North Carolina and eastern Tennessee?

Answer: It's the toxins in the water – toxins produced by Cabal owned mines and spread by floods that ravaged the land after the Cabal's manmade Hurricane decimated the area in an attempt to take over.

Toxins so strong they eat rescuer's boots as they trudge through the poisoned mud. Toxins that makes everyone, every animal, everything sick as adults and children wait in tents for rescue – that never comes while President Biden tourspromising millions to....., Harris vacations in Hawaii and North Carolina and Tennessee governors ignore victim pleas for help, claiming no money is available because they spent billions on illegal migrants brought into the country by Democrats as they unsuccessfully tried to steal the 2024 Election. On 28 Nov. 2024 the below official documented Notice 1 was sent to all FBI offices. So far, no answer has been received.

On 28 Nov. 2024 a similar official documented Notice 1 was sent to 13 different shows at Fox News, Watters, Hannity, the Five, Fox Report, Levin, Gutfield, American HQ, Fox and Friends ect. No response.

On 18 Nov. 2024 a similar official documented Notice 1 had been filed with Jim Jordans office, US House and US Senate regarding Ohio Child Protective Services and Nichole Calwell and their egregious abuse of Kaitlynn and other Ohio Foster Care Youth. No response so far on that one either.

RE: Notice 1: FBI agents engaging in Child Trafficking or complicit transgressing Executive Order 13818, Saving Kaitlynn Hunter's life.

Dear Head of this FBI Office:

As you know the American people have little trust in our Federal or State governments anymore. What when on with President Donald J. Trump, with Lisa Page and Struct, and what is going on now with Kaitlynn Hunter now has our faith in government is almost nonexistent. It Seems Page is involved again.

We are sending this to every field office we can find an email, or fax number as we also know there are still good, dedicated men and women in the FBI to give notice of the gross negligence, maladministration, and the willful and deliberate conspiracy and crimes against humanity "some" upper level agents are complicit with and covering up. My uncle was a Chief of Police and put corrupt cops in jail. Only thing he hated more that criminals, is one with a badge.

The main purpose of this is to separate the Sheep from the goats. (See Mathew 25:31-46) We realize the majority of the boots on the ground FBI agents are dedicated awesome public servants who put their life on the line every day. We thank you for that, but need you to stand up now to and corruption that has infested our governments. All the sheep need to protect themselves from what is coming after the new administration takes control. "He who has ears let him hear" (Revelation 2:7) Please be a Hero not a heretic.

We have attached information, and I am sure you can easily verify these facts, and we beg you to recure Kaitlynn Hunter, Lilly and countless others from being tortured. Look hard at the photos in these affidavits. **Would you like your child to be tortured like this?** (See affidavit of Jeannine and Kaitlyn attached with photos.)

Next, I have attached a Fax to CPS and Jim Jordans office dated 11.18.24 filing an official claim/Notice to Nichole Calwell of the egregious abuse also sent to the Ohio house and senate.

No response and she was removed from the hospital at 1 am, taken by Dayton police and CPS to our knowledge not to be heard from since. Kidnapping is a federal crime you Maine office work with me to return kids in the past.

Finally, I have attached nine screenshots naming numerous co conspirator's and a more detailed reporting of these crimes can be see on [Restored Republic via a GCR Update as of November 28, 2024 – The US Military News](#).

- **Thurs. 5 Dec. 2024 Russia:** By the looks of it, Putin whipped out a new Russian ICBM that NATO defense systems cannot intercept, but did NOT attach nuclear payloads to them. Putin just exercised extreme restraint, while also showing Ukraine/NATO that they are outgunned. This should be front page news on every outlet, but for some reason, it's not. Perhaps it's because this situation does not fit their narrative that Putin is this Hitler-esque loose-cannon who wants to conquer the world. Putin is showing restraint. He wants diplomacy, not nuclear war. But the West continue to poke the bear. We cannot wait until January 20th. We need Trump in office right now.

H. US Court Injustices via the Cabal: ...Anon by email Thurs. 5 Dec.

- **In some areas of the country Sheriffs, Judges and Police are complicit with the Court.** All Courts are Banks. All Statutes are Bonds. It's all about \$\$\$ in exchange for trafficking the Living Man linked to the Straw Man on the Birth Certificate.
- **Political prisoners reported that in Missouri and Colorado** Attorney/Lawyers failed to show up at court proceedings all week including my Son, who was released on bail on **Mon. 2 Dec. 2024.** The moment we arrived, the Security Guard said "I don't know what's going on but we're understaffed today - everyone called in sick."
- **When we entered the court room,** there were all new faces (judge, all attorney/lawyers, Court Officials (except one). We assumed it was because of the Habeas Corpus that we filed into Federal Court last week (with Proof of Summons).
- **There is definitely something going on** - the local county jail released several men this week.
- **The men in this jail all have codenames,** my son's codename was "Jail Lawyer" - he was the ONLY one in jail representing himself - all others have court-appointed attorneys (one man has a private attorney).
- **Many of these guys have been in jail for two years** waiting for their first court appearance. They were curious why my son has had multiple court appearances while they're still waiting; (sickening).
- **For three months, my son prepared judicial paperwork** for guys in prison: FOIA requests, Attorney No Authority, Cease & Desist, Motions, etc. and often there was a line

outside of my Son's pod of guys waiting to ask questions or to borrow his Black's Law Dictionary.

- **The guys still in jail call my son to report the status of others** - my Son has cried many times for these guys (93% have no injured party). Their stories are heart-wrenching; several were trafficked into psych wards, force medicated and/or strapped to tables and injected with unknown psych meds - aren't these Nuremberg Code Violations?
- **My Son learned from jail** that Police Departments utilize what's called "Confidential Informants." These "informants" are weaponized by Policemen to call the Police Station to report any kind of infraction or made-up story - in my Son's case, he was arrested for standing on a public sidewalk.
- **Police Reports were rife with hearsay**, libel, slander, defamation of character, etc. The men in jail were sharing and comparing their stories with each other - it turns out several cases indicated the same pattern in Police Reports utilizing the same "Confidential Informant (s); grotesque miscarriage of Justice.
- **Judy, ever since 2015, we've sat through dozens of court sessions** - it's obvious that the ONLY agenda of Attorney/Lawyers [in lower courts] is to obtain an indictment using Statutes (all Police Reports that I have seen are rife with Statutes, libel, slander, defamation of character, etc. Absent: probable cause, lawful warrant, due process, injured party.
- **ALL codes, statutes, rules, regulations are Unconstitutional** and lacking Due Process "Rodriguez v. Ray Donovan (U.S. Department of Labor), 769 F. 2d 1344, 1348, (1985) [Emphasis added].
- **It's like a Mafia Crime Spree.** The corruption runs deep; Sheriffs, judges, etc are complicit. All Courts are Banks; all Statutes are Bonds; it's all about \$\$\$ in exchange for trafficking the Living Man linked to the Straw Man on the Birth Certificate.
- **My Son told the guys in jail** - "for years I've been in search for trusting relationships- then I go to jail to discover they're all here." These guys plan to stay in touch. My Son said if it were not for his experience in jail, he would have never met these guys nor the level of corruption and human trafficking via The Police State.

I. Thurs. 5 Dec. 2024 BREAKING: Obama Named in Explosive Pedophile Investigation Linked to Diddy – The Scandal That Could Shatter the Nation! ...Benjamin Fulford on Telegram

- **Barack Obama**, once the untouchable icon of the left, now faces the storm of his life. Federal investigators have reportedly linked him to an alleged pedophile ring tied to Sean "Diddy" Combs. Evidence is mounting, and insiders suggest it's only a matter of time before the full truth is revealed.
- **The Democrats' Fatal Pandora's Box:** In their blind pursuit of Trump, the Democrats shattered the unspoken rule of leaving ex-presidents untouched. That precedent has come

back to haunt them. Now, Obama is poised to become the first former president to face prosecution, thanks to the very legal weaponization his party unleashed.

- **The Evidence That Could End It All:** Reports claim video evidence exists, directly linking Obama to the investigation. This isn't baseless conjecture—this is reportedly cold, hard proof. Such evidence could tear apart not just his legacy but the entire Democratic Party.
- **A Shadow Presidency Unmasked:** Critics have long accused Obama of running the Biden administration from behind the scenes. If the allegations are true, this isn't just a criminal scandal—it's a crisis of legitimacy. Was the man allegedly involved in such heinous acts also pulling the strings of power?
- **The Media's Role in the Cover-Up:** For years, the media shielded Obama, dismissing any criticism as baseless or bigoted. Now, with the evidence too damning to ignore, their silence implicates them as co-conspirators in covering up years of corruption and deceit.
- **A Party in Collapse:** The Democratic Party, already fractured, is imploding under the weight of this scandal. Obama's downfall will leave a permanent stain on every Democrat who once revered him, raising questions about their judgment and complicity.
- **The Reckoning Has Arrived:** Obama's legacy is crumbling, and the American people demand justice. This isn't just about one man—it's about proving that no one is above the law. The storm is here. The reckoning begins now.

J. Thurs 5 Dec. 2024 Obama's Hidden Truths: The Crimes You're Not Supposed to Question

- **Barack Hussein Obama** must face justice for his orchestrated war crimes, scandals, and relentless assaults on American principles. The time has come to demand accountability for the uncountable misdeeds that tarnish his legacy and endanger the foundation of freedom.
- **The Murder of SEAL Team 6:** The suspicious deaths of SEAL Team 6 members following the Bin Laden raid raise unanswered questions. Who ordered their deaths? Why was this elite team targeted? The public deserves the truth, not a cover-up.
- **Drone Killings: Judge, Jury, Executioner:** Obama's infamous "kill list" transformed him into an executioner. Civilians, including a 16-year-old American citizen Abdulrahman Al-Awlaki, were obliterated without trial. This isn't national security—this is tyranny.
- **Libya's Destruction: A War of Choice:** Under Obama, Libya was reduced to rubble, all under the guise of humanitarian intervention. Gaddafi's assassination, cheered by Hillary Clinton, destabilized an entire region, creating a breeding ground for extremism.
- **Obama's "Green Scams" and Economic Sabotage:** Remember Solyndra? Billions of taxpayer dollars vanished into Obama's failed "green energy" initiatives. These were nothing but payouts to political allies while ordinary Americans suffered.

- **Operation Fast & Furious:** Obama’s administration armed Mexican cartels with weapons that later killed Americans. This botched operation wasn’t incompetence—it was deliberate chaos to push gun control.
- **Weaponizing the IRS:** The IRS was turned into Obama’s personal gestapo, targeting conservatives and silencing opposition. This wasn’t just abuse of power—it was an assault on the First Amendment.
- **An Administration of Radical Extremists:** From appointing unapologetic communists to elevating Islamist sympathizers, Obama’s administration was a haven for dangerous ideologies. Why were these extremists given the reins of power?
- **The Unforgivable Betrayal of Israel:** Obama isolated Israel, America’s closest ally, while emboldening Iran. His policies were nothing short of treasonous.
- **Wake Up, America!:** This isn’t just about politics—it’s about survival. Obama’s calculated destruction of America’s moral and economic backbone demands outrage. Share the truth. Demand justice. We can’t let this betrayal go unanswered.

N. Thurs. 5 Dec. 2024 Starlink Under Attack! Musk Exposes IRS Corruption, Stolen Trillions, and the Fight to Protect QFS Satellites

- **Elon Musk's Starlink has uncovered shocking truths about the IRS,** revealing it as a tool of elite corruption. This isn't just tax fraud—it's a global conspiracy siphoning trillions of taxpayer dollars into black-budget operations, shadow projects, and the elite's control schemes. Now, Musk's revelations are shaking the system to its core.
- **Starlink Unmasks IRS Corruption:** Starlink satellites have exposed the IRS as a financial warfare machine. Documents reveal hidden accounts, phantom taxpayers, and fraudulent audits funneling taxpayer money into offshore slush funds, black-budget projects, and even trafficking networks. The findings point to trillions stolen under the guise of “tax collection” and rerouted to fund covert military ops, political interference, and suppressed technologies.
- **One bombshell revelation highlights phantom taxpayers,** fake entities used to justify massive money transfers. These funds have been traced to shadowy projects, including secret AI research and bioweapons development, implicating elite-run global organizations like the IMF and World Bank.
- **The IRS's Global Role in Elite Control:** Musk's findings show the IRS operates far beyond U.S. borders, as a key player in a global control machine. Taxpayer money has funded human trafficking, destabilization campaigns, and the suppression of free energy technologies. The IRS isn't just robbing Americans—it's financing the elites' dystopian vision.
- **The Fight for the Quantum Financial System (QFS):** The QFS, powered by Starlink, represents the future: a transparent, hack-proof financial system ending manipulation by the elites. Naturally, this has made it a target. Musk's team has uncovered multiple sabotage attempts, including cyberattacks and space-based missions. Despite these efforts, QFS remains unbreakable, signaling the elites' desperation.
- **Musk's Bold Crusade:** High-ranking IRS officials are scrambling as Musk dismantles their operations. Some are allegedly fleeing to evade justice, but it's too late. The data is

in Musk's hands, and it's only a matter of time before the entire operation collapses. His ultimate goal? Eliminate the IRS entirely.

- **The End of an Era:** The IRS has been exposed as a tool of the elite's shadow empire, but its downfall is just the beginning. The QFS, protected by Starlink, signals a new era of financial sovereignty, breaking the chains of elite control. Musk's revelations are sparking a revolution, and the fight for freedom has only begun. The IRS is falling—who's next?

O. Thurs. 5 Dec. 2024 Canada: BREAKING: Trump Proclaims Canada Should Become the 51st State, Trudeau as Governor! ...Nesara Gesara on Telegram

- **Donald J. Trump has shaken the global political landscape with an audacious proposal:** If Canada cannot sustain itself without benefiting from \$100 billion annually from the U.S., it should abandon its sovereignty and join the United States as the 51st state. Trump even suggested that Justin Trudeau could serve as governor of this new state. This bold vision signals a deeper agenda rooted in economic dominance and political consolidation, challenging the status quo and leaving critics scrambling.
- **Canada's Sovereignty Questioned:** Trump's Vision of Unity: Trump's statement isn't just a jab at Justin Trudeau—it's a declaration of dominance. He's never shied away from confronting international allies he feels take advantage of America. His message is clear: if Canada cannot stand independently without U.S. support, it may as well become part of the American family. Offering Trudeau the role of governor highlights Canada's reliance on the American economy. For Trump's supporters, it's a masterstroke of leadership, demonstrating America's upper hand.
- **America First, Canada Second:** Reshaping Power: For years, the U.S. has been Canada's largest trading partner, with the relationship heavily favoring the northern neighbor. Trump's America First doctrine questions why America should continue to support a country that cannot sustain itself. If Canada were to become the 51st state, the unification of North America would create an economic powerhouse capable of rivaling China and the European Union. This is as strategic as it is bold, designed to secure American dominance for decades.
- **Trudeau as Governor: A Bold Move:** By offering Trudeau a governorship, Trump makes a clear statement about leadership. For Canadians, this could be seen as a wake-up call about their dependency on the U.S. For Trump's supporters, it's a move that cements his image as a president who demands accountability from allies.
- **The Seven Kingdoms: A Biblical Vision:** Trump's plan goes beyond North America, aligning with his vision of seven unified kingdoms that echo biblical prophecy. This strategy envisions North America as a foundation for a superpower bloc, including Pacific nations like Australia and New Zealand, reshaping global geopolitics under America's leadership.

- **Trump's Legacy: Bold and Unstoppable:** Trump's leadership thrives on audacity. His proposal to Trudeau is a masterstroke of political strategy, forcing a rethinking of America's relationships with allies. Where others fear controversy, Trump uses it as a tool to advance his vision. Critics label this imperialism, but his supporters see it as the future of American leadership. The idea of Canada as the 51st state is provocative, but Trump's track record shows his ability to turn bold concepts into reality.
- **A Turning Point in Global Politics:** Trump's proposal signals a dramatic shift in America's diplomacy. The days of passive relationships are over. Under Trump, the U.S. is unapologetic, rewriting the rules to ensure dominance.
- **Could Canada become the 51st state?** While some dismiss the idea, Trump's leadership forces the world to adapt to his vision. His presidency is more than politics—it's history in the making. With his unmatched ability to lead, America's future is brighter and bolder than ever.

P. Thurs. 5 Dec. 2024: [Q] is a United States Military Intelligence operation, working hand-in-hand with the President of the United States. Some could easily argue that Donald J. Trump was hand chosen years ago by the United States Military to aid them in this critical and historic operation [Q] is not a single person, but a team of high-ranking persons with ["Q"] level security clearance, executing operations that have been planned for many years (the plan). Some of the objectives are: A) A massive information dissemination program meant to 1) expose massive global corruption and conspiracy to the people. 2) Cause the people to research further to aid further in their "great awakening". B) Root out corruption, fraud and human rights violations worldwide. C) Return the Republic of the United States to the Constitutional rule of law and also return "the People" worldwide to their own rule. In short, the [Q] operation is the greatest criminal sting and anti-treason/sedition event in world history. It certainly does appear that we as a country are lawfully living out The Declaration of Independence once again. Due to the classified nature of much of the information/evidence [Q] team holds, they can not just come right out with it, however, they can drop breadcrumbs that the people, often the 8chan "Anons", can dig into and help us all discover the truth. Further, it must be understood that the enemies in this war are monitoring [Q] as well. Therefore, some of the information [Q] drops is strategically MISINFORMATION/ DISINFORMATION . Think Military game theory and "THE ART OF WAR" by Sun Tzu. Sure, none of us want to filter through and try to discern truth from falsehood, however these warfare tactics really cause "We The People" no harm when they must be used, however they are devastating to the enemy and a necessary part of warfare. Military planning at its finest!

Q. Thurs. 5 Dec. 2024 BREAKING: BIDEN FLOATS PREEMPTIVE PARDONS IN DESPERATE MOVE TO PROTECT HIS INNER CIRCLE ...American Thinker on Telegram

- **Breaking: Biden's White House descends into chaos**—plotting unprecedented preemptive pardons for Schiff, Fauci, and Cheney. The plan? Shield them from Trump’s wave of justice.
- **Hunter Biden’s sweetheart deal** was just the blueprint. Federal prosecutors gave him a slap on the wrist for years of tax and gun-related offenses, testing the waters for backlash. Now, Biden’s administration is doubling down, preparing to protect Schiff, Fauci, and Cheney the same way.
- **Joe Biden isn’t bending the rules—he’s shattering them.** Leaked reports reveal the White House is actively debating preemptive pardons for high-profile allies like Adam Schiff, Anthony Fauci, and Liz Cheney. Pardons for people who haven’t even been charged yet. The audacity is staggering, and the timing couldn’t be more telling.
- **This brazen move, orchestrated by White House counsel Ed Siskel,** reeks of panic. Biden is scrambling to shield his inner circle from Trump’s looming return—a president-elect who has vowed to clean house and hold the elite accountable.
- **Trump’s victory has already sent shockwaves through Washington.** His promise to investigate Schiff’s Russia hoax, Fauci’s pandemic policies, and Cheney’s January 6th crusade has Biden’s team running scared. These preemptive pardons are not just about shielding allies; they are an admission of guilt and a desperate attempt to avoid the reckoning.
- **The preemptive pardon plan is unprecedented in its shamelessness.** While legally possible, it’s deeply controversial. Historically, Gerald Ford’s pardon of Richard Nixon after Watergate caused national outrage. Yet Biden is willing to risk repeating that political fallout—not for national healing, but to protect the political elite from Trump’s justice.
- **As Biden considers shielding his allies, Americans are left wondering:** If they’ve done nothing wrong, why the rush to preemptively pardon them? The answer couldn’t be clearer. The swamp is panicking, and Biden is leading the charge to protect his own.

S. Thurs. 5 Dec. 2024 TERRIFYING: HAARP's Deadly Experiments Unleashed – Paralysis, Neurological Attacks, and Animals Dropping Dead! ...Gitmo TV on Telegram

- **The HAARP facility in Alaska is no research station—it's a weapon of mass destruction.** In 2024, its horrifying capabilities have become undeniable. People are sick, animals are dying, and even the weather seems weaponized.
- **A Silent War on Humanity: Reports show locals near HAARP suffering severe migraines, dizziness, muscle spasms, and temporary paralysis.** These symptoms coincided with strange high-pitched frequencies audible across Alaska, described as a “metallic hum” that disrupts sleep and induces panic. This isn't a coincidence. Independent researchers link these effects to HAARP's directed energy experiments, targeting human biology. Insiders confirm it's no longer just research—it's psychological warfare, testing how to control populations using electromagnetic frequencies.
- **Animal Deaths and Ecosystem Collapse:** Unprecedented numbers of birds with burned feathers and wildlife found dead, showing internal damage as if micro waved. Fish in nearby rivers show mutations consistent with electromagnetic radiation. The once-thriving ecosystem is eerily silent. What's killing them, and why is it spreading?

- **Weaponized Weather and Earthquakes:** From unseasonal hurricanes to record heatwaves and inexplicable earthquakes, 2024 has seen disasters that defy natural explanation. Spikes in HAARP activity correlate with these events, with satellites recording electromagnetic disturbances over affected areas.
- **In November, a 6.8-magnitude earthquake struck South America** in a historically inactive region, following electromagnetic anomalies. Coincidence? Or proof HAARP is now triggering earthquakes and volcanic eruptions?
- **Whistleblowers Silenced:** Insiders revealing HAARP's plans vanish or meet mysterious deaths. One whistleblower exposed "Operation Resonance," a program testing mass paralysis via electromagnetic pulses, only to die in a "freak accident." Another insider disappeared after revealing HAARP's link to space-based lasers.
- **The Global Grid of Control:** A network of satellites launched in 2023 amplifies HAARP's reach worldwide. These satellites turn Earth's atmosphere into a weaponized grid, making no region safe from engineered disasters like droughts, famines, and blackouts—all disguised as "natural" phenomena.
- **The Ionosphere's Dark Secret:** HAARP's tampering with the ionosphere risks global consequences: ozone depletion, geomagnetic storms, and satellite failures. In July 2024, a geomagnetic storm knocked out power to over 10 million Americans, blamed on "solar flares," but evidence points to HAARP.
- **The Time to Act Is Now:** HAARP isn't about science—it's about control. The facility in Alaska is waging a silent war on humanity, hiding behind "research" while testing weapons that could enslave the planet.
- **We are at war, even if we cannot see the enemy.** The truth cannot stay hidden. Stay vigilant, spread this message, and prepare. If HAARP isn't stopped, the consequences will be irreversible.

T. Thurs. 5 Dec. 2024 PEDOPHILE PENCE INTERROGATED AT GITMO: THE TRUTH FINALLY REVEALED! ...Gitmo TV on Telegram

- **Mike Pence, once the "loyal" Vice President, has been exposed as a traitor and predator.** Arrested on Thanksgiving night, Pence now faces charges of treason and sexual crimes against minors. He has been flown to Guantanamo Bay, where military interrogators are uncovering the darkest secrets of his depraved double life.
- **A HISTORY OF CORRUPTION:** According to sources, Pence's descent into depravity began in 2003 when he fell into a network of Adrenochrome-fueled degenerates. His crimes escalated during his tenure as Indiana's governor, where concrete evidence ties him to the sexual abuse of minors, including incidents at the Governor's Mansion in 2015. One victim tragically took his own life, while four others are now prepared to testify at his tribunal.
- **"RECOVERING PEDOPHILE"?:** Under intense questioning, Pence confessed to being a "recovering pedophile," blaming his actions on Adrenochrome addiction and peer

pressure. He claimed to have stopped abusing minors a decade ago, insisting he is now “born-again” and only engages in consensual adult relationships. But investigators didn’t buy his excuses. They confronted him with proof of his recent crimes and made it clear: his sins will not be forgiven.

- **J6 BETRAYAL AND DEEP STATE COLLUSION:** When pressed on his betrayal of President Trump during the certification of the 2020 electoral votes, Pence revealed a chilling confession: Hillary Clinton had threatened to kill his family and expose his pedophilia if he didn’t comply with her demands. Pence also admitted to a harrowing encounter at Walter Reed, where he was abducted by Deep State operatives, including Antony Blinken, and coerced back into their control.
- **THE END GAME:** Pence’s interrogation revealed layers of treachery and cowardice. Investigators, while bluffing about potential deals, emphasized that justice will be served. Whether it’s by rope or other means, Pence’s fate is sealed.
- **A military tribunal is pending,** but the departure of Vice-Admiral Darse E. Crandall has left questions about who will oversee the proceedings. Nevertheless, the message is clear: traitors like Pence have no escape.

This is a 3 part post to the Agenda 47 page. The page is linked below if you'd like to share an outside link with others, as well as to the other 2 parts

- **President Donald J. Trump announced** a bold plan to return power back to the American people by cleaning out the Deep State, firing rogue bureaucrats and career politicians, and targeting government corruption.
- **This plan will also end the ongoing weaponization** of the justice system that targets its political enemies simply because of their political or religious beliefs.

PRESIDENT TRUMP’S PLAN TO SHATTER THE DEEP STATE AND RETURN POWER TO THE AMERICAN PEOPLE “I will shatter the Deep State, and restore government that is controlled by the People.” - President Donald J. Trump

CLEAN OUT THE DEEP STATE: President Trump has announced a ten-point plan to dismantle the deep state and reclaim our democracy from Washington corruption:

- 1. On Day One,** re-issue 2020 executive order restoring the president’s authority to fire rogue bureaucrats.
- 2. Overhaul federal departments and agencies,** firing all of the corrupt actors in our National Security and Intelligence apparatus.
- 3. Fundamentally reform the FISA courts,** ensuring that corruption is rooted out.

4. Establish a Truth and Reconciliation Commission to declassify and publish all documents on Deep State spying, censorship, and abuses of power.

5. Launch a major crackdown on government leakers who collude with the media to create false narratives, pressing criminal charges when appropriate.

6. Make every Inspector General's Office independent from the departments they oversee, so that they do not become protectors of the deep state.

7. Establish an independent auditing system to continually monitor our intelligence agencies to ensure that they are not spying on our citizens or running disinformation campaigns against the American people.

8. Continue Trump administration effort to move parts of the federal bureaucracy outside of the Washington Swamp, just like President Trump moved the Bureau of Land Management to Colorado. Up to 100,000 government positions could be moved out of Washington.

9. Ban federal bureaucrats from taking jobs at the companies they deal with and regulate, such as Big Pharma.

10. Push for a Constitutional Amendment to impose term limits on members of Congress.

Trump's Agenda: <https://www.donaldjtrump.com/agenda47/agenda47-president-trumps-plan-to-dismantle-the-deep-state-and-return-power-to-the-american-people>

FIRE ROGUE BUREAUCRATS AND CAREER POLITICIANS: President Trump's plan will ensure that federal bureaucrats and politicians are held accountable to the American people.

- **Currently, removing corrupt or poor-performing federal workers** is time consuming and cumbersome. Firing underperforming employees takes a year or longer, and is often completely impossible.
- **One study found that over a ten-year period**, federal employees were fired at a rate of less than one in one thousand per year.
- **Additionally, Congressional term limits** are necessary to curb the rise of career politicians—the reelection rate for House members is 94% and over the past half century has not fallen below 80%. The re-election rate for the Senate in 2022 was 100% and has not fallen below 75% since 1982.

TARGET GOVERNMENT CORRUPTION: President Trump's plan targets the corruption that has plagued our federal government and harmed Americans.

- **The Biden administration** has weaponized the FBI and DOJ to target conservatives, Christians, and their political enemies.
- **A leaked and since-withdrawn FBI memo** recently revealed that FBI agents were likening traditional Catholics to “domestic terrorists.”
- **Bureaucrats from the FBI and DHS** directly colluded with social media companies during the 2020 election to censor Americans’ speech.
- **During the Russia collusion hoax**, government officials routinely selectively leaked information to the media to further their anti-Trump narrative.
- **The FISA Court process was corrupted by the Obama-Biden administration.** In the leadup to the 2016 election, the FISA court issued multiple warrants to spy on members of the Trump campaign that were later declared invalid by the Justice Department Inspector General because the FBI made “material misstatements” in obtaining them.
- **The Justice Department’s Inspector General** found that in their applications for FISA warrants, the FBI made 17 significant “errors” and “omissions.”
- **The Justice Department’s Inspector General** found that the “central” piece of evidence the FISA warrants relied on was opposition research from the Clinton campaign.
- **An FBI lawyer** admitted that he forged an email in an attempt to ensure that the Obama-Biden administration’s spying on the Trump campaign through FISA warrants could continue.

Trump's Agenda: <https://www.donaldjtrump.com/agenda47/agenda47-president-trumps-plan-to-dismantle-the-deep-state-and-return-power-to-the-american-people>

"Here's my plan to dismantle the Deep State and reclaim our democracy from Washington corruption once and for all, and corruption it is."

First, I will immediately re-issue my 2020 Executive Order restoring the President's authority to remove rogue bureaucrats. And I will wield that power very aggressively.

Second, we will clean out all of the corrupt actors in our National Security and Intelligence apparatus, and there are plenty of them. The departments and agencies that have been weaponized will be completely overhauled so that faceless bureaucrats will never again be able to target and persecute conservatives, Christians, or the left's political enemies, which they're doing now at a level that nobody can believe even possible.

Third, we will totally reform FISA courts which are so corrupt that the judges seemingly do not care when they are lied to in warrant applications. So many judges have seen so many applications that they know were wrong, or at least they must have known. They do nothing about it, they're lied to.

Fourth, to expose the hoaxes and abuses of power that have been tearing our country apart, we will establish a Truth and Reconciliation Commission to declassify and publish all documents on Deep State spying, censorship, and corruption, and there are plenty of them.

Fifth, we will launch a major crackdown on government leakers who collude with the fake news to deliberately weave false narratives and to subvert our government and our democracy. When possible, we will press criminal charges.

Sixth, we will make every Inspector General's Office independent and physically separated from the departments they oversee so they do not become the protectors of the Deep State.

Seventh, I will ask Congress to establish an independent auditing system to continually monitor our intelligence agencies to ensure they are not spying on our citizens or running disinformation campaigns against the American people, or that they are not spying on someone's campaign like they spied on my campaign.

Eighth, we will continue the effort launched by the Trump administration to move parts of the sprawling federal bureaucracy to new locations outside the Washington Swamp. Just as I moved the Bureau of Land Management to Colorado, as many as 100,000 government positions can be moved out. And I mean immediately out of Washington to places filled with patriots who love America, and they really do love America.

Ninth, I will work to ban federal bureaucrats from taking jobs at the companies they deal with and that they regulate. So they deal with these companies and they regulate these companies and then they want to take jobs from these companies. Doesn't work that way—such a public display cannot go on and it's taking place all the time, like with Big Pharma.

Finally, I will push a Constitutional Amendment to impose term limits on members of Congress.

“This is how I will shatter the Deep State and Restore Government that is controlled by the people and for the people” DHT

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

W. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Y. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he

done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsr dwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
