Dedicated to Those Touched by Tragedy

If people don’t like you, it’s Ok. If dogs don’t like you, it’s time to do some self-reflection.

Judy Note: *Two months after the disaster and with FEMA still not bothering to even visit Hurricane Helene Victims in North Carolina, let alone offer help, a volunteer rescuer found three victims frozen to death in their tents on **Thurs. 5 Dec. 2024.***

A few days prior the Chimney Rock North Carolina Mayor said he didn't mind Hurricane victims sleeping in tents in the cold and that FEMA was doing a great job. I don't think so.

James O'Keefe doesn't think so either. Recently he made a trip to the area and confirmed with residents that they were sleeping in tents, some without heaters and have yet to see help from FEMA.

Some victims were promised \$750 if they signed an agreement to pay it back within a year, or their land would be taken away. Some haven't even been offered that. It was reported that FEMA couldn't loan them anymore because they had given their disaster budget away to illegal migrants.

Meanwhile President Joe Biden was overseas pledging billions to other countries and Vice President Kamala Harris, who owned stock in a mine in the area that would profit from the disaster, was nowhere to be found.

Can we really tolerate this in America? Demand Congress do something since FEMA and the Biden/Harris Administration won't!!!

And, here's a second reason to write to members of Congress: Please consider cut and pasting the below Summary on Kaitlynn Hunter and a suspected Child Trafficking Ring using Ohio Foster Care Youth as their victims. Then, send it to your representatives in Congress demanding an investigation:

Alert! Alert! Alert! Sat. 7 Dec. 2024 Update on tortured Ohio Foster Youth Kaitlynn Hunter:

Multiple requests for investigation have been made by myself and readers of this Update to various government entities, everywhere from the Ohio Governor and Attorney General on up to US Senators and Legislators. All to no avail. Perhaps more public pressure was needed in order to get someone to take action.

So far no one has been willing to open an investigation on Kaitlynn, nor on the hundreds of Youth in Ohio Foster Care whom were suspected to be, like Kaitlynn , starved, beaten, raped and put into a Child Sex Trafficking Ring as part of what was believed to be a CIA MKULTRA mind control program.

Why no response to requests for investigation? Could it be that the government agency of Ohio Child Protective Services was holding Kaitlynn because she was a witness to her own and other Ohio Foster Care Youth's beatings, rapes and starvation in a CIA Mind Control Program to prepare them for Child Sex Trafficking?

Critically Ill Kaitlynn Hunter's whereabouts were unknown, except, perhaps to the Guernsey County CPS who took her from the Dayton Childrens Hospital in the middle of the night where she was being observed for a serious head concussion. [UPDATE: Alert! Alert! Alert! God's Children Are Not for Sale! Rescuing Ohio's Foster Children from International Trafficking - A Cry for Help! - amg-news.com - American Media Group](#)

That was only one of six years of torture Kaitlynn had endured while being forced into Ohio Foster Care prison for being home schooled.

On 11 Feb. 2019 Kaitlynn (age 11) was abducted from her home by Ohio Guernsey County Child Protective Services (for being home schooled), an act which landed her in Ohio Foster Care Prison for the next six years. She was now seventeen years old: [Child Protection or Government Tyranny? – Lobbyists for Citizens](#)

Guernsey county CPS has had at least two Foster children die since Kaitlynn was taken in **2019**. But, those deaths were only the ones which have been reported. A Whistleblower (who has a Child Trafficking office inside a group home) maintains that teen girls around 16 years old were placed in the group home where they were deliberately abused, starved and beaten, with caretakers setting up and egging on the abuse. The girls, trying to avoid further abuse, would then run away. A certain male waited outside the group home to catch and rape them. Then they would either be returned to the group home, or just disappear. The ones who disappeared were believed to either be killed or placed in a Sex Trafficking Ring run by the CIA in cooperation with Ohio CPS.

It is my belief after having done extensive research on this, that Ohio Foster Care Youth Group Homes appeared to be the center of a CIA run Child Sex Trafficking Ring that mind controlled their foster care victims in a program called MKULTRA. The CIA MKULTRA Mind Control Programming was brought into the US after World War II, along with several Nazi Mind Control experts, and was the basis for formation of the CIA.

- **On February 11, 2019** Kaitlynn was abducted from her home, by armed Policeman Robert Oakley & CPS Nikki Caldwell

- **On March 5, 2020**, Judge Padden mandated her mother Jeannine Larrick be evaluated and charged with aggravated menacing (alleged crime for yelling at a CPS agent in violation of her 1st Amendment rights).
- **Thereafter, judge Dale Reasoner** ordered that Jeannine be incarcerated in a Psych Ward [Appalacia Behavioral Health] from **June 11 2021, through December 6, 2021**, rendering Jeannine to be incompetent to stand trial, while being FORCE MEDICATED or Strapped to a Table and Injected with unknown Psych Meds, against her will [Nuremberg code violations]; while the court(s) quickly ordered permanent custody of Kaitlynn.
- **After Jeannine was released from the Psych Ward**, she was "suddenly" rendered "competent to stand trial" for alleged "aggravated menacing" charges. Jeannine demanded a Trial by Jury; despite the fact that the Jury found Jeannine "not guilty," of these bogus crimes.
- **Jeannine never got Kaitlynn back** and was further "force medicated" against her will up until **July 22, 2022**.
- **Jeannine stated**, "These Unconstitutional FOREIGN AGENTS are, perhaps the most hostile/evil bad actors I have ever experienced in my life."

During Kaitlynn's six tortuous years in unwarranted Foster Care she has been constantly denied urgently needed medical care while suffering untreated internal injuries from beatings and physical and sexual abuse. Those untreated injuries included what appeared to be blood clots to her eyes, head and ears. For years she has had untreated irregular heartbeats and lack of sufficient oxygen at night, causing her extreme fatigue.

Kaitlynn was also denied prescribed nutrition while trying to recover from a bout with starvation. For over a year Kaitlynn and a fellow foster care inmate claimed they were deliberately starved by their foster mother. Kaitlynn lost 60 pounds, while her fellow roommate, who was nursing a baby, lost over 100 pounds.

During her now six year stay in Ohio Foster Care she has been to over 14 schools, residential group homes, juvenile detention and schools in mental wards. Her various placements resulted from her running away from her abusive situation.

Additionally during the past six years Kaitlynn has not only been denied schooling, but clothing, food and personal necessities. She has run away from foster homes several times to get away from the abuse, attempted suicide on several occasions, has twice been denied her right to file papers in court about her abuse and continually begs to be returned to her mother, whom now she is not allowed to even contact. **Why?**

Kaitlynn was originally placed in state custody because she was being home schooled, yet she has not been in regular schooling since. **Why?**

She was placed at the Dimensional Phases Group Home 45 Oxford Avenue Dayton, OH 45402, where she received a beating around **Sat. 9 Nov. 2024**. She was taken to the Dayton

Children's Hospital, but did not receive treatment for her severe wounds. Instead, she was threatened by CPS Staff (who egged on her abuse) that she was going to be placed in Juvenile Detention. Her mother Jeannine Larrick's request for an emergency CAT scan was denied. (see pictures in this link [UPDATE: Alert! Alert! Alert! God's Children Are Not for Sale! Rescuing Ohio's Foster Children from International Trafficking - A Cry for Help! - amg-news.com - American Media Group](#))

Finally seven days later on Fri. 15 Nov. she was taken for a CAT Scan at the Dayton Childrens' Hospital, but only because I, Judy Byington, had headlined her in my daily Updates and several of my readers were badgering everyone from the Ohio governor to group home owners to get her to the hospital for emergency care for head wounds which were still bleeding.

On Sat. morning 16 Nov. 2024 around 1 am CPS workers came to the Childrens Hospital in Dayton Ohio and removed Kaitlynn. She was supposed to stay in the hospital overnight for observation of a head concussion on request of her mother Jeannine Larrick. CPS took away Kaitlynn's phone, but the mother has word that she told a friend they were planning on moving her out of state to perhaps Indianapolis. Kaitlynn was in a critical health condition where she needed to be in a hospital for diagnosis and treatment. [Alleged Child Trafficker Ohio CPS Abducts Critically Ill Teen From Hospital | Crime All-Stars | Before It's News](#)

During their abduction CPS Workers took away Kaitlynn's phone and threatened her to not use it, even though a prior CPS worker had said she could use her phone in case of emergency such as she was had when they abducted her from the hospital and took away her phone. **Why?**

Ohio Child Protective Services have not allowed the mother and daughter reasonable and regular contact for the past six years Kaitlynn has been in unwarranted foster care while suffering physically, emotionally and psychologically. That alone could be considered emotional abuse of a child – especially one who has no reason to be in foster care.

Kaitlynn has yet to receive medical treatment for serious injuries from a beating including a bleeding head concussion received close to a month ago – which her caretakers not only encouraged the perpetrator to do, but egged on the beating.

Kaitlynn even didn't receive a CAT scan for the injury until six days after, and that was only likely because readers of my daily updates put pressure on CPS to do it through phone calls and emails to authorities. **Why?**

However, results of that CAT scan and Kaitlynn's present whereabouts were now being kept secret by Ohio CPS. **Why?**

During her abduction from the hospital Kaitlynn heard CPS workers say they were going to take her to Indiana. **Ms. Larrick's** communication with her daughter was cut off and she fears for Kaitlynn's life.

Numerous requests for investigation to Ohio political, law and legal authorities from Senator Vance, the Ohio governor and Ohio Attorney General on down to various agencies and police departments have gone unanswered.

As of Fri. 6 Dec. 2024 there has not been an investigation opened on Kaitlynn to my knowledge.

The mother Jeannine Larrick wrote a letter to David Yost Ohio Attorney General asking for an investigation. Ms. Larrick has a letter dated **Sept. 6 2023** from Mr. Yost stating that his office wouldn't intervene (in the abuse Kaitlynn said she was experiencing in Foster Care), essentially stating they represented and would therefore defend CPS, and that Ms. Larrick would need to get a lawyer to represent her charges. E. Judy Note: President Trump, the Q Movement and Global Currency Reset will be changing all of the below and giving tax payer monies and Freedom back to The People. That was why Trump and the Q Movement has had so much opposition. It's all about control of US

Taxpayer dollars, getting away from a corrupt court system, going back to concepts of the original Constitution and thereby re-establishing Freedom for The People:

- **King George III of England financed both sides of the Revolutionary War** and we did not win it. Although the Revolutionary War ended in 1776, British Troops did not leave the US until twenty years later in **1796**.
- **In the meantime in 1783 the United States of America (US Inc.)** was incorporated in London as a territory of Great Britain.
- **US Inc. is in fact**, a privately owned and run corporation that collects US Taxpayer monies for use of the Globalists, who formed their privately owned US Inc. Federal Reserve and US Inc. IRS.
- **Therefore the Federal Reserve and IRS are not agencies of the US Government.** They are owned by private bankers as debt collection agencies of the International Monetary Fund (IMF).
- **The IMF is an agency of the UN**, which is run by the Satan Worshipper, Child Sacrificing Khazarian Mafia (descendants of Cain who wear the Mark of Cain) – the fake Jews who created the Zionist Movement in Israel as a headquarters for, among other nefarious projects, their very profitable International Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring.
- **Elon Musk’s Starlink has uncovered shocking truths about the IRS**, revealing it as a tool of elite corruption. This isn’t just tax fraud—it’s a global conspiracy using the Federal Reserve, IRS and CIA to siphon trillions of taxpayer dollars into black-budget operations, shadow projects, and the elite’s control schemes.
- **The privately owned Federal Reserve** funnels US Taxpayer monies collected by the IRS to the Crown of England – which is owned by the Vatican. About a month later after the Crown, Vatican and their Central Banks across the World have used the monies, it goes back to a Cabal owned bank in New York where they charge interest for the US government to use their own monies. That’s where the US Debt came from.
- **The CIA also uses US Taxpayer money given freely to their unaudited and unlimited Black Budget** to fund tortuous MKULTRA Mind Control of children, people and the Mainstream Media; human and Child Sex trafficking, Adrenochrome and Organ Harvesting Rings; destabilization campaigns and the suppression of free energy technologies.
- **The US has not had a Treasury since 1921** when the Cabal completely took over the US monetary system.
- **There have been no Courts or Judges in the US since 1789.** Executive Administrators enforce the laws by way of codes written in support of the Cabal.
- **You cannot use the Constitution** to defend yourself because you are not a party to it.
- **You do not own property** because you are a slave to the system and slaves cannot own property. Read the deed to your home. You are listed as a tenant.

- **You do not own your children.** Slaves cannot own their children, plus you signed them over to the Cabal when you signed their Birth Certificate.

The Mendocino Triple Junction: A Targeted Hotspot? The Mendocino Triple Junction has long been known as one of the most geologically volatile regions in the United States,

H. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China's Three Gorges Dam in a tunnel that eventually connects to a 1,500 mile long tunnel that runs between the Vatican and Jerusalem:

- **Sun. 10 Nov. 2024:** Worldwide, children have been stolen and sold to elite pedophile rings. Children are tortured, raped, and murdered as part of Satanic ritual ceremonies. The murderers then drink the children's blood and eat their flesh. The blood of children who were severely traumatized before they died, contained Adrenochrome: a natural drug produced by the pineal gland in the brain. Adrenochrome was the highest valued drug in the world. The God these people serve is Satan. ...Steve Bannon on Telegram

I. Fri. 4 Oct. 2024 BOOOM! Judy Byington Bombshell Report: FEMA Refusing to Save Victims, Accept Critical Supplies & Confiscating Donations for Hurricane Helene Victims [Byington Bombshell Report: FEMA Refusing to Save Victims, Accept Critical Supplies & Confiscating Donations for Hurricane Helene Victims | Crime All-Stars | Before It's News](#)

- **In the aftermath of Hurricane Helene**, something very strange, and actually scary, was happening in North Carolina. FEMA agents didn't arrive for a week after the hurricane

hit. When they finally did, they not only neglected to save stranded victims, but also confiscated donations, refused critical supplies, and threatened arrests for those trying to help. Government authorities grounded military helicopters and wouldn't give them the green light to fly.

- **The Mainstream Media isn't covering any of this**, while thousands have gone without food and water for over a week. Bodies are everywhere: floating in rivers, caught in trees. Entire towns wiped out. Volunteers faced threats of arrest just for trying to rescue their neighbors.
- **This is reminiscent of 2023 Maui and 2018 Paradise fires**, when FEMA seemed more interested in covering up evidence than helping victims. In Paradise, 50,000 people died, not the 100 reported by the MSM. In Maui, 97 were confirmed dead, with thousands still unaccounted. Now, North Carolina faces a similar fate—with FEMA showing up late or not at all, and seemingly working to block aid.
- **One North Carolina resident said**, "Marines arrived here a week late, and bodies are still everywhere." First responders are still waiting for orders, and volunteers trying to help are being threatened. The only way into the area was blocked by FEMA, and volunteer truckers hauling in supplies got their tires slashed.
- **Reports suggest that Pete Buttigieg shut down aid flights** into Western North Carolina. The FAA was being uncooperative with pilots trying to bring in supplies. Asheville police were threatening victims for trying to save their own belongings—belongings likely being stolen by FEMA personnel, as has happened before in Maui and Paradise.
- **A resident of Asheville claims that Helene was manmade**—an attempt to grab valuable lithium and quartz for computer chips. Just like in Maui, where they planned a Smart City after destroying traditional land. The Cabal's Blackrock recently signed a \$90 million contract for lithium mined from the very area now devastated by Helene—an area that FEMA quickly made inaccessible.
- **FEMA Director Deanne Criswell** was arrested by US Marines last year for crimes in Maui, but the pattern repeats. It's clear that FEMA and the government simply don't care if people live or die. Instead of using funds for those surviving emergencies, they're being diverted to NGOs for migrants.
- **Rumors are swirling about a militia** being formed to confront FEMA in North Carolina. Patriots are tired of waiting for help that's not coming. When will the Global Military Alliance step in and declare Worldwide Martial Law so we can help each other without government interference?
- **The Deep State Cabal isn't just predicting food shortages—they're planning them.** What's next?
- **Calling all Patriots:** Victims are banding together to help each other, but they need our support. Don't donate to FEMA or the Red Cross—they're known to misuse funds. Direct impact is key: donate to local churches or individuals, make sure help gets where it's needed.

J. Fri. 6 Dec. 2024 Starlink Under Attack! Musk Exposes IRS Corruption, Stolen Trillions, and the Fight to Protect QFS Satellites ...False Flags on Telegram

- **Elon Musk's Starlink has uncovered shocking truths about the IRS**, revealing it as a tool of elite corruption. This isn't just tax fraud—it's a global conspiracy siphoning trillions of taxpayer dollars into black-budget operations, shadow projects, and the elite's control schemes. Now, Musk's revelations are shaking the system to its core.
- **Starlink Unmasks IRS Corruption:** Starlink satellites have exposed the IRS as a financial warfare machine. Documents reveal hidden accounts, phantom taxpayers, and fraudulent audits funneling taxpayer money into offshore slush funds, black-budget projects, and even trafficking networks. The findings point to trillions stolen under the guise of "tax collection" and rerouted to fund covert military ops, political interference, and suppressed technologies.
- **One bombshell revelation highlights phantom taxpayers**, fake entities used to justify massive money transfers. These funds have been traced to shadowy projects, including secret AI research and bioweapons development, implicating elite-run global organizations like the IMF and World Bank.
- **The IRS's Global Role in Elite Control:** Musk's findings show the IRS operates far beyond U.S. borders, as a key player in a global control machine. Taxpayer money has funded human trafficking, destabilization campaigns, and the suppression of free energy technologies. The IRS isn't just robbing Americans—it's financing the elites' dystopian vision.
- **The Fight for the Quantum Financial System (QFS):** The QFS, powered by Starlink, represents the future: a transparent, hack-proof financial system ending manipulation by the elites. Naturally, this has made it a target. Musk's team has uncovered multiple sabotage attempts, including cyberattacks and space-based missions. Despite these efforts, QFS remains unbreakable, signaling the elites' desperation.
- **Musk's Bold Crusade:** High-ranking IRS officials are scrambling as Musk dismantles their operations. Some are allegedly fleeing to evade justice, but it's too late. The data is in Musk's hands, and it's only a matter of time before the entire operation collapses. His ultimate goal? Eliminate the IRS entirely.
- **The End of an Era:** The IRS has been exposed as a tool of the elite's shadow empire, but its downfall is just the beginning. The QFS, protected by Starlink, signals a new era of financial sovereignty, breaking the chains of elite control. Musk's revelations are sparking a revolution, and the fight for freedom has only begun. The IRS is falling—who's next?

Fri. 6 Dec. 2024: "PERSISTENT SPIKE PROTEIN FROM mRNA VACCINES MAY CAUSE CANCER" – A SHOCKING STUDY FROM ITALY ...Gitmo TV on Telegram

- **A groundbreaking study from the Center for Global Health** at the Istituto Superiore di Sanità in Rome, led by Dr. Maurizio Federico and funded by the Ministry of Health, exposes alarming risks linked to mRNA COVID-19 vaccines. Despite repeated assurances from officials like former Health Minister Roberto Speranza and ex-Prime Minister Mario Draghi, the findings suggest a darker reality.
- **The Spike Protein's Deadly Legacy:** The vaccines were touted as "safe and effective," yet evidence now confirms the inflammatory Spike protein persists in the body for months post-injection, traveling beyond the injection site into various organs. This protein, translated from mRNA encapsulated in lipid nanoparticles, is implicated in chronic inflammation, myocarditis, pericarditis, autoimmune diseases, and even cancer.
- **Key Research Findings:** Persistent Spike Production: The Spike protein, abundantly produced post-vaccination, disrupts ACE-2 signaling and cytokine production. This overproduction leads to immune dysregulation, fostering autoimmune responses and tumor reactivation.
- **Immune System Exhaustion:** The study highlights the vaccine's inability to mount effective immunity at the virus's entry point (respiratory tract), coupled with rapid immune response depletion.

- **Dormant Tumors Reawakened:** Cytokines triggered by Spike/ACE-2 binding can reactivate dormant tumors and exacerbate pre-existing autoimmune conditions.
- **Unresolved Concerns:** Efforts to enhance vaccine efficacy, such as self-replicating mRNA vectors, have been greenlit for trials by Japan, despite known dangers. These technologies may amplify Spike persistence and its associated cellular damage without solving the fundamental issue—failure to elicit neutralizing immunity in the respiratory tract.
- **Call for a Safer Approach:** The study suggests mucosal vaccines as a potential alternative, targeting the virus's entry point and avoiding the severe systemic side effects seen with intramuscular mRNA vaccines. However, the global focus on mRNA technology demands urgent scrutiny to address its risks, especially for vulnerable populations.
- **A Critical Reassessment Is Needed:** The evidence is clear: mRNA vaccine strategies must be reevaluated to prevent catastrophic health outcomes. Persistent Spike proteins and immune system damage are risks humanity cannot afford to ignore. What was sold as a miracle cure now poses questions about trust, transparency, and the safety of millions.

- **The Vatican's reign of terror is over!** A coordinated military assault exposed centuries of satanic rituals, human trafficking, and corruption. Trillions in stolen gold were seized, and the evil at the heart of global control has been obliterated. Investigative journalist Judy Byington unveils the brutal truth: The Vatican has fallen, and the reckoning has begun!
- **The Vatican's Dark Reign Ends:** Long a symbol of divine authority, the Vatican stood as a fortress for unimaginable evil. Beneath its sacred façade lay a global network of human trafficking, satanic rituals, and money laundering. Now, in an operation led by the U.S. military and the Q Alliance, justice has been served.
- **In one swift, decisive strike, the 13 ruling bloodlines—the Rothschilds, Jesuits, Kazarians, and their ilk—were executed.** Trillions in gold reserves were confiscated, and centuries of secrets were exposed. The Vatican's empire of corruption has crumbled.
- **The Vatican's Crimes Exposed:** For years, the Vatican served as the command center for global corruption, enabling: Human trafficking: Children sold like commodities; Satanic rituals: Blood sacrifices cloaked as religious ceremonies; Financial corruption: Billions laundered to fund wars and perpetuate misery.
- **The seized evidence**—vaults of documents, recordings, and devices—revealed atrocities beyond imagination.

- **Military Precision:** The Cabal Annihilated: This wasn't a raid; it was a global reckoning. Key players fell: Rothschilds: Masters of banking manipulation; Jesuits: Architects of global deceit; Kazarians: Puppet masters of governments.
- **The Vatican's gold**, now secured in the U.S., ensures this wealth can never fuel evil again.
- **Trump vs. The Pope:** The Vatican Surrenders
- **Months after the raid**, Donald Trump confronted the Pope, armed with irrefutable evidence. Faced with the truth, the Pope surrendered. Every Vatican asset—its wealth, properties, and influence—was signed over to the U.S. military.
- **The Vatican's fall wasn't just financial;** it was a moral collapse. Centuries of power have been reduced to rubble.
- **Freedom from the Bloodlines:** The 13 bloodlines, who ruled the world through banking cartels, political puppets, and media control, are no more. Their power has been stripped, their secrets exposed, and their empire obliterated.
- **The Vatican's gold**, once funding global misery, now secures freedom for the world. This isn't just a victory—it's the erasure of their existence.
- **A New Era Begins:** The fall of the Vatican and the 13 bloodlines marks the dawn of a new world. Evil has been unmasked and crushed. The age of oppression is over, and humanity stands on the brink of liberation.

M. Fri. 5 Dec. 2024 BREAKING: BIDEN FUNNELS BILLIONS TO BIG PHARMA TO PUSH VENOM-LACED "WEIGHT-LOSS" DRUGS—A BIOWEAPON IN DISGUISE!

...Restored American Republic VP First Lady Carolyn Bessette Kennedy on Telegram

- **This is no healthcare reform—it's an assault on Americans.** Biden's administration is pumping billions of taxpayer dollars into Big Pharma, promoting venom-laced weight-loss drugs like Ozempic and Wegovy under the guise of addressing obesity. But these aren't miracle cures—they're ticking time bombs, designed to weaken the population physically, financially, and emotionally.
- **VENOM PEPTIDES: A BIOWEAPON?** These drugs, derived from venom peptides, mimic the toxic effects of reptile venom. Studies reveal they shrink heart and muscle tissues, leading to cardiac atrophy, muscle loss, and long-term dependency. This isn't a side effect; it's a feature. It's not just about profits—it's about control.
- **Biden's move to classify obesity as a "chronic disease" is a Trojan horse** to funnel \$36.8 billion of taxpayer money into Big Pharma's pockets through Medicare and Medicaid over the next decade. This isn't solving obesity; it's securing elite profits while Americans pay the price with their health.
- **CRIPPLING THE NATION:** Research exposes the shocking truth: semaglutide, the active ingredient in these drugs, has devastating effects on cardiac cells and skeletal muscles. Weak hearts, frail bodies, and a growing dependency on medications—this is their plan to make Americans too weak to resist their broader agenda. How deep does it

go? These venom-derived compounds could carry undisclosed agents designed to suppress neurological function or even alter DNA. This isn't speculation—it's a potential reality hidden in plain sight.

- **BIG PHARMA AND THE DEEP STATE: A DARK ALLIANCE:** This is more than greed. It's a coordinated effort by Big Pharma and the deep state to tighten their grip on the population. The timing is no coincidence. With Trump and RFK Jr. poised to dismantle this corrupt system, the Biden administration is scrambling to cement its ties to pharmaceutical giants before losing power. Trump's vision, supported by RFK Jr., is a nightmare for the elites. Their push for venom-derived drugs is a desperate bid to entrench their control before Trump sweeps the board clean.
- **A CALL TO ACTION:** We must reject this agenda. Americans deserve solutions that address the root causes of obesity—processed foods, toxic additives, and sedentary lifestyles—not venom-based drugs that line elite pockets. This is a battle for health, freedom, and sovereignty. Stand with Trump and Kennedy. Demand real reform, transparency, and an end to medical tyranny.
- **The fight for America's future is here.** Will you rise up?

O. Fri. 6 Dec. 2024 BOMBSHELL: Trump's Military Operation to Destroy the Federal Reserve ...Carolyn Bessette Kennedy on Telegram

- **Donald Trump is executing the boldest plan in modern history**, with top military leaders backing the controlled collapse of the Federal Reserve. This globalist institution, a tool of financial enslavement, is now under siege. Classified executive orders have been signed, the Federal Reserve's end is near, and a new era of freedom begins.
- **THE FEDERAL RESERVE EXPOSED:** The Federal Reserve is no government agency—it's a private cartel created in 1913 to control the economy through inflation, debt, and recessions. Trump's executive orders, signed in secure military bunkers, authorize the seizure of Federal Reserve assets, servers, and gold reserves hidden in secret vaults. This is a strike against the corrupt banking elites that have enslaved the world.

- **OPERATION EAGLE'S STRIKE:** High-ranking military insiders confirm Trump's coalition of generals, intelligence officers, and economic patriots has finalized plans to dismantle not just the Federal Reserve but also its global allies, including the IMF, World Bank, and European Central Bank. Intelligence reveals the Fed's collusion with foreign elites to sabotage Trump's leadership by orchestrating a financial collapse. Trump's response? Total annihilation of their infrastructure.
- **MILITARY RAIDS AND CYBER WARFARE:** Special forces have raided Federal Reserve branches, seizing hard drives and documents exposing elite funding of wars and destabilization campaigns. Cyber warfare units have hacked into Swiss banks, tracing trillions in stolen wealth funneled through offshore accounts. This wealth, stolen from the people, will be returned to rebuild America.
- **THE QUANTUM FINANCIAL SYSTEM (QFS):** Trump's plan includes launching a gold-backed currency and the Quantum Financial System, a blockchain-based alternative to central banking. The QFS will destroy the elites' monopoly, allowing direct, secure transactions without globalist interference.
- **ELITES IN PANIC:** Emergency meetings are reportedly being held in Davos and London as global elites scramble to protect their assets. Leaked reports suggest several are fleeing to fortified compounds, knowing their reign is ending.
- **NOVEMBER 28, 2024: THE REVOLUTION IS HERE:** The Federal Reserve's collapse marks the dawn of a new era. Trump's military-backed operation is unstoppable. The elites are falling. America is rising. Prepare for the storm. Trust the plan. Victory is near.

P. Fri. 6 Dec. 2024 BREAKING NEWS ALERT: Joe Biden Pardons Hunter to Shield Himself and the Biden Crime Family from Justice! ...Gitmo TV on Telegram

- **Joe Biden's recent pardon of Hunter Biden** is not an act of compassion—it's a calculated cover-up of the Biden Crime Family's corruption! This sweeping pardon, absolving Hunter of federal gun charges and over \$1.4 million in unpaid taxes, is nothing short of a brazen abuse of power. It's not just Hunter's sins being forgiven—Joe Biden is protecting his own decades of scandals.
- **The Shocking Details:** A Shield for Joe Biden's Secrets The pardon erases all Hunter's crimes starting from January 1, 2014—a date conveniently linked to Hunter's shady deals in Ukraine and beyond. That's the year Metabiota, a company connected to Hunter, began pathogen research in Ukraine. Combine this with his \$50,000-a-month Burisma board position—secured without qualifications—and the picture is clear: Hunter was Joe's golden ticket for influence peddling.
- **Why is this date significant?** Because it coincides with Joe Biden's vice-presidential meddling in Ukraine, following the U.S.-backed coup. It's no coincidence that Hunter's lucrative deals flourished under Joe's watch. This pardon is about erasing a trail of corruption—one that implicates Joe Biden as much as it does his son.

- **The Smoking Gun:** The “Big Guy” Gets His Cut Hunter’s infamous laptop revealed emails referencing “10% for the Big Guy”—a thinly veiled nod to Joe Biden. The mainstream media dismissed these revelations, but the facts are damning. Joe wasn’t a bystander; he was an active participant in the Biden family’s international schemes. This pardon eliminates any chance of uncovering the full extent of Joe Biden’s involvement.
- **Media Silence:** A Betrayal of Truth While the media spins this as a “fatherly act,” it’s a blatant assault on accountability. If this were any other president, it would be the scandal of the century. Instead, the truth is buried, leaving the American people in the dark.
- **This is a National Emergency the Biden family’s corruption cannot be ignored.** Why did Joe Biden pardon crimes starting in 2014? What was Hunter really doing in Ukraine? How deeply was Joe involved? These questions demand answers. This isn’t a theory—it’s an undeniable crisis of justice.
- **The time for silence is over.** The American people deserve the truth about the Biden Crime Family. It’s time to demand accountability.

Q. Fri. 6 Dec. 2024 BREAKING: CHINESE HACKERS STRIKE U.S. TELECOMS IN DEVASTATING CYBERATTACK! ...Nesara Gesara on Telegram

- **America is under siege.** Chinese hackers have launched a devastating assault on U.S. telecom giants, breaching eight major providers, including AT&T and Verizon. This isn’t just espionage—it’s a declaration of war. Sensitive calls, texts, and classified government communications are now in the hands of Beijing’s operatives. The implications are unthinkable.
- **Salt Typhoon: A Digital Pearl Harbor:** This attack, code-named “Salt Typhoon,” has struck the heart of our telecommunications backbone. It’s not just data—they’ve intercepted live communications on an industrial scale. Nothing is safe. Your calls, your texts, even classified exchanges have been compromised.
- **Targets: Trump, Harris, Schumer:** This wasn’t random. It was a calculated assault on Washington’s power structure. Communications from Trump’s campaign team, Kamala Harris, and Senate Majority Leader Schumer are exposed. What secrets does China now hold? What strategies have been stolen?
- **FBI’s Weak Response:** What Are They Hiding?: The FBI’s response reeks of damage control. Few victims have been notified. Why the secrecy? Americans deserve the truth—and action.
- **Beijing’s Arrogance:** China denies everything, mocking the U.S. while analysts trace the attack to their state-sponsored hacker groups. This is their playbook: deny, deflect, and laugh while the U.S. scrambles.
- **Telecom Giants Failed Us:** AT&T, Verizon, and others ignored glaring vulnerabilities, allowing this breach. Their negligence endangered national security. Heads must roll.

- **What's Been Stolen?:** Classified documents are now in Beijing's hands. Strategic plans, sensitive intel—everything America has fought to protect is now exposed. This is a national security disaster.
- **America's Response:** Act NOW or Surrender: Where's the outrage? Where's the retaliation? Economic sanctions, cyber strikes, and cutting ties with Chinese tech—all must happen NOW.
- **Trump's Defining Moment:** President-Elect Trump must lead. His hardline stance on China is being tested. Will he deliver the decisive action his supporters demand? This is his moment.
- **No More Excuses. This is war—**digital warfare. If America doesn't act boldly, it will lose more than data—it will lose its future. The time to fight back is NOW.

S. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. U. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
