I believe in God. I saw Him today in the eyes of a child, in an older couple walking arm in arm, in the smile of a cancer survivor, in a field of flowers and in the stars filling the night sky. I hear God calling to me as I close my eyes to pray. I feel His hand upon me when I am most in need.

Judy Note: Drones Everywhere; Ohio Military Base on Alert; Planes losing power; US Military Bases shutting down; Radiation levels spike in New York and New Jersey.

It was rumored that the large Drones seen across America were actually a Deep State Cabal Military Industrial Complex UFO hoax done to create fear so the public would be banned from using drones and thus create a government monopoly. Supporting that theory was a Deep State Blackrock funded drone found in New York:

https://x.com/ShadowofEzra/status/1868775273971232984?t=rCF5nBGlfA0zgGRiN_Pn6g&s=19

Alex Jones claimed the Drones were from rogue elements in our Deep State government, trying to stoke fear and trigger Continuity of Government (COG) to stop Trump from taking office.
<https://amg-news.com/emergency-shutdown-u-s-air-force-base-in-ohio-on-alert-radiation-level-spikes-in-nj-ny-video/>

Trump appeared to believe that the Drones were Military owned when he said, “The Military knows what’s going on, where they are coming from and what’s happening. Something strange is going on.”

The White Hats have reason to believe the packs of mysterious, SUV-size drones buzzing the skies of New Jersey may be Deep State “Holo-drones” that DARPA created for its sinister Project Bluebeam, which projects sophisticated holographic images in the air.
<https://realrawnews.com/2024/12/white-hats-suspect-drone-swarms-are-darpa-activity/>

Some say that War Drones were spraying poison over America, and the Media was helping them hide it. Radiation levels in New York City were reportedly on the rise, and hospitals were diverting patients for a rapidly spreading “stomach virus.” Could this actually be Acute Radiation Syndrome (ARS)? Early symptoms of ARS included Nausea, Vomiting, Headache and Diarrhea, which matched what many were experiencing in New York. Radioactive material was missing in New Jersey and officials feared a Dirty Bomb had slipped through American Ports.

Nuclear waste material went missing in New Jersey around December 2, 2024, and was reported to the NJ Department of Environmental Protection and the Nuclear Regulatory Commission. The shipping container carrying the material was found both damaged, and empty. Mon. 16 Dec. 2024 Barron Trump: a disturbing mystery has emerged regarding missing nuclear warheads. Since the 1991 U.S.-Russia nuclear reduction agreements, over 80 nuclear warheads, once stored in Ukraine, have mysteriously vanished. In 2020, a U.S. military officer claimed he had personally encountered one of these warheads, which he believed was being transported to the United States. By 2023, drones began appearing over U.S. soil, raising further suspicions. These drones, often of military-grade design, seem to be involved in covert surveillance activities, though their exact purpose remains unclear. Speculation is growing that they could be linked to efforts to track or recover the missing warheads. The public deserves transparency. What happened to these weapons, and what is the role of these drones?

D. Mon. 16 Dec. 2024: BREAKING!! NESARA'S SECRET ROLLOUT EXPOSED: MILITARY TARGETS ELITES, GITMO TRIBUNALS BEGIN, AND THE GOLDEN AGE IS HERE! ...Gitmo TV on Telegram

- **The long-awaited NESARA plan is no longer just a theory**—it's unfolding with military precision, designed to dismantle elite control and restore power to the people. Behind the scenes, military intelligence and special forces are orchestrating an operation that will reshape the world.
- **Military Operations Driving NESARA:** This isn't a political maneuver—it's a tactical mission. Fort Knox has been secured, stolen gold reserves recovered, and covert teams

are ensuring the Quantum Financial System (QFS) is impenetrable. Global military raids have seized assets, dismantled blackmail networks, and neutralized Deep State revenue streams, including drug and human trafficking.

- **GITMO Tribunals in Motion:** Leaked reports confirm secret military trials at Guantanamo Bay. High-profile elites, including banking magnates and political figures, are facing charges for crimes against humanity. Over 500,000 sealed indictments are being executed globally, and wealth amassed through fraud is being confiscated for redistribution under NESARA.
- **The Quantum Financial System: Unstoppable:** QFS is a revolutionary financial network immune to Deep State interference. Using biometric access and quantum AI, it tracks every transaction, exposing corruption at every level. Military intelligence teams have thwarted repeated hacking attempts, ensuring the system's integrity.
- **The White Hats' Role:** White Hat factions within the military and intelligence agencies are leading the charge. Operations like "Clean Sweep" are removing bureaucrats and corporate enforcers tied to elite agendas. The Emergency Broadcast System (EBS) is reportedly prepared to deliver NESARA's truths to the public.
- **What's Next?:** Debt forgiveness, universal income, and a gold-backed currency are on the horizon. Public announcements by NESARA-aligned leaders will signal the start of a new era. The elites are crumbling, and the golden age is within reach.
- **This is the reckoning.** The Deep State's grip is breaking, and NESARA is unstoppable. The storm is here—are you ready?

E. Global Financial Crisis:

Mon. 16 Dec. 2024 BOOM!!! Florida and Texas Are Declaring Financial Independence!

...Nesara/Gesara on Telegram

- **Florida and Texas are taking on the Federal Reserve in a way that's shaking the system to its core!** Florida is exploring gold and silver as legal tender, while Texas has already launched plans for a gold-backed digital currency. The revolution isn't coming—it's here, and it's gold-powered!
- **Florida's Game-Changer: Gold and Silver as Legal Tender!:** Florida has officially begun studying how to make gold and silver legal tender, sidestepping the Federal Reserve entirely. Imagine paying for gas or groceries with hard wealth instead of flimsy paper dollars. This isn't just a bold idea—it's a rebellion against a broken system. Florida is telling Washington: "We don't trust your money anymore."
- **Texas Leads the Charge with Gold-Backed Power!:** Texas isn't waiting. Years ago, it repatriated \$1 billion in gold bullion, and now, it's rolling out a gold-backed digital currency. Forget fiat! Every dollar in this system is backed by real, tangible gold stored in a secure vault.

- **Texas is sending a message loud and clear:** "We're done with your reckless money printing. We've got gold, and we're ready to use it."
- **The Crumbling Dollar: States Are Fighting Back!:** The Federal Reserve's fiat system is failing. Inflation is skyrocketing, and the dollar is losing value every day. States like Florida and Texas are taking matters into their own hands by embracing gold and silver—real money that can't be printed out of thin air.
- **Trump: The Catalyst for Financial Freedom!:** With Donald J. Trump as President-elect, the momentum for this gold-backed revolution is unstoppable. Trump has always called out the Federal Reserve for its destructive policies. Now, under his leadership, we're looking at a financial system built on stability, sovereignty, and sound money.
- **A Gold-Backed America Is the Fed's Worst Nightmare!:** The Federal Reserve's grip on our economy is slipping. Florida and Texas are proving that states don't need Washington's failing fiat currency. This isn't just about money—it's about freedom.
- **Conclusion: The Revolution Is Here!:** The days of the dollar's unchecked dominance are over. Florida, Texas, and Trump are leading the charge toward a gold-backed future. This is about reclaiming power, wealth, and independence. The storm is here. Are you ready?

J. Mon. 16 Dec. 2024: EXPOSED: UKRAINIAN CHILD ORGAN HARVESTING TRAFFICKING "BASEMENTS"! ...Carolyn Bessette Kennedy on Telegram

- **The horrifying truth is out: children in Ukraine are being stolen, trafficked, and exploited under the guise of warzone rescues.** Organ harvesting, adrenochrome extraction, and elite corruption—this is the grotesque nightmare your tax dollars are funding. While the media spins lies about "aid," the reality is a global trafficking network that preys on the most vulnerable.
- **White Angels: Hunters in Disguise:** They claim to rescue children, but the so-called "White Angels" are wolves in sheep's clothing. These Ukrainian paramilitary units are accused of funneling children into trafficking networks, their fate erased in the chaos of war. Why is there no trace of these children? Where are the answers?
- **300,000 Lives Stolen Since Independence:** Over 300,000 people have been trafficked out of Ukraine since 1991. Weak borders, corruption, and desperation make it the perfect hunting ground for predators. The elites and their enablers profit while innocent lives are destroyed.

- **Global Elites' Sick Marketplace:** This isn't just a Ukrainian issue—it's a global operation. Children, organs, and even adrenochrome are traded like commodities in the elites' dark, twisted marketplace. Billionaires, politicians, and corporate moguls aren't just complicit—they're orchestrating this horror.
- **Adrenochrome: The Darkest Secret:** Dismissed as conspiracy, adrenochrome extraction is real. Warzones like Ukraine are fertile ground for this vile practice, with children subjected to unspeakable torture. The elites want this hidden, but the truth is emerging.
- **Trump: The Light in the Darkness:** Under Biden, billions of your tax dollars funded this evil. Trump's return offers hope. During his first term, he fought trafficking relentlessly, signing executive orders and dismantling networks. His leadership is a beacon in this battle against the elites' sinister agenda.
- **No More Silence We must act:**

Demand accountability for every dollar sent abroad.

Spread the truth—the elites can't silence us all.

Support real anti-trafficking efforts that fight this evil.

This is more than a crisis—it's a call to arms. With Trump's leadership, we can end the nightmare. The time is now. Will you stand with us?

K. Mon. 16 Dec. 2024: MED BEDS: TRUMP TO REPLACE HOSPITALS WITH MED BEDS NATIONWIDE BY YEAR'S END ...Nesara Gesara on Telegram

- **Get ready, patriots—Trump has dropped a bombshell announcement:** Hospitals across the nation are set to be replaced with Med Beds by the end of the year! This isn't just another advancement; it's a revolution that will change everything we know about health and life itself. For years, we've been kept in the dark, but the truth is finally coming out. These Med Beds aren't just about healing—they're about reclaiming what's been stolen from us by those who seek to control and suppress. Trump's bold plan is not just a technological upgrade; it's a massive shift that will change how we live, age, and even perceive reality.
- **Here's the kicker: this technology can reverse aging,** and it's already happening. Imagine seeing grandparents looking younger than their own children—this is the future that's coming. But be warned, not everyone will embrace this change. Some will refuse, creating a world where age and appearance no longer match, flipping our understanding of relationships and society on its head.
- **This is about more than just Med Beds.** Trump's push for these technologies ties into a broader plan: GESARA, the return to the gold standard, free energy, and more. These are all pieces of a puzzle that will restore what's been stolen from us for generations. The

deep state has been using fiat currency, fake history, and media lies to keep us enslaved, but their time is running out.

- **People are waking up. All around the world, even in places like Japan, people are rising up against government tyranny.** The media may try to hide it, but the truth is breaking through. The question now is: Will you stand with Trump, with truth, and reclaim your rightful heritage? Or will you stay trapped in the lies of a corrupt system?
- **This isn't just about new technology—it's about a new era.** The choice is clear: Prepare yourself, embrace the future, and take back what's ours. The time is now. Med Beds are coming, and with them, the power to change everything. Are you ready?

M. Mon. 16 Dec. 2024: TRUMP AND KENNEDY UNITE: BIG PHARMA’S LIES EXPOSED – THE REVOLUTION BEGINS! ...Gitmo TV on Telegram

- **Big Pharma is panicking, and for good reason.** Trump and RFK Jr. are tearing down the lies, exposing the autism epidemic linked to vaccines, and revealing how our children were sacrificed for profit. This isn't just a fight for transparency—it's a war against a system built on deception and greed.
- **BIG PHARMA’S SECRET NETWORK:** Pharmaceutical companies don't just sell products—they control politicians, agencies, and the media. They silence anyone questioning vaccine safety through censorship and smear campaigns. Whistleblowers

reveal secret meetings between Big Pharma execs and CDC and FDA officials at luxury resorts, where vaccine schedules are set and dissent is crushed.

- **THE VACCINE INJURY COVER-UP:** The National Vaccine Injury Compensation Program (NVICP) has paid over \$4 billion to families of vaccine-injured children, but this is just the tip of the iceberg. Thousands of cases are buried under legal red tape, leaving families without justice. Trump and Kennedy plan to expose this broken system and bring the truth to light.
- **POPULATION CONTROL THROUGH VACCINES?:** Whistleblowers allege vaccines are being used for global population control. A chilling example: tetanus vaccines in Kenya were found laced with HCG, a hormone causing infertility. Could similar tactics be used in the U.S.? Kennedy is digging for answers, and the elites are terrified.
- **THE REAL REASON THEY FEAR KENNEDY:** Kennedy's mission is to dismantle the revolving door between Big Pharma and federal agencies. FDA and CDC employees are panicking, shredding documents and wiping hard drives to cover decades of corruption. But the truth is catching up.
- **MEDIA COLLUSION:** The corporate media isn't just complicit—they're part of the system. Pharmaceutical companies funnel millions into advertising, ensuring networks like CNN and MSNBC protect their narrative. Leaked emails show coordinated efforts to smear Kennedy, labeling him a "conspiracy theorist" to shut down debate.
- **THE PLAN TO TAKE THEM DOWN:** Trump and Kennedy are preparing independent audits of the CDC and FDA, whistleblower protections, and a complete overhaul of the vaccine approval process. They're working to end Big Pharma's immunity under NVICP, paving the way for lawsuits that could bankrupt the companies responsible for vaccine injuries.
- **THE TIDE IS TURNING:** This isn't just a movement—it's a revolution. The alliance between Trump and Kennedy is exposing the medical-industrial complex and its decades of lies. Every suppressed study and whistleblower account pushes Big Pharma closer to collapse.

N. Satan Worshipping Illuminati Zionist Deep State Cabal Globalist Depopulation Agenda 2030: ...John F. Kennedy Jr. on Telegram

- **Elite Depopulation Plans:** Will the Globalists Succeed in Controlling Billions? Exposed: A chilling agenda emerges, threatening humanity as we know it. The global elite are plotting to depopulate billions under the guise of "saving the planet" while creating a totalitarian New World Order. AI surveillance, Big Pharma control, and economic manipulation are their tools. It's time to wake up and fight back before it's too late.
- **For years, whispers of a sinister plan have circulated**—an agenda to drastically reduce the world's population and consolidate power. The elites claim it's about "sustainability,"

but their true goal is control: fewer people, more resources for them, and total domination over the survivors. This isn't speculation. From policy proposals to international think tanks, the writing is on the wall.

- **The Dark Agenda Behind Depopulation:** Under the pretense of environmentalism, they push ideas that mask a darker purpose. Fewer humans, they claim, means a better environment. But the reality? A world where a select few rule while the masses are enslaved to a system that dictates every aspect of life—who survives and who doesn't.

Their methods are alarming:

- **Economic Domination:** With fewer people, elites monopolize land, food, and water, dictating terms to the rest.
- **Technological Control:** AI surveillance ensures no dissent goes unnoticed, tracking every move, thought, and behavior.
- **Medical Manipulation: Under the guise of "health,"** Big Pharma pushes vaccines and genetic engineering with hidden motives. Paul Stone exposes how these tools could sterilize or control populations, ensuring power remains concentrated.
- **Paul Stone's Warning: A Fight for Humanity:** Paul Stone, a renowned expert on global power dynamics, reveals the elite's ultimate plan: a future where freedom is nonexistent, and humanity is reduced to servitude. "This isn't about saving the planet," Stone warns. "It's about consolidating power and creating dependency." He stresses that the fight for survival begins with awareness. "The elites thrive in darkness. Expose their plans, and their power crumbles."
- **Resistance: How to Push Back:** Stone emphasizes that unity, education, and decentralization are key. Building self-sufficient systems—sustainable farming, local currencies, independent communities—can weaken the elite's grip. "Their strength lies in centralized control. Take that away, and we win."
- **Conclusion: The Time to Act Is NOW:** The elites' agenda isn't just a conspiracy; it's unfolding. But humanity is stronger. By standing together, exposing their plans, and creating alternative systems, we can fight back. The battle for freedom and survival is on—will you rise to the challenge?

Q. Mon. 16 Dec. 2024: BREAKING: Malibu Burns as the Franklin Fire Destroys Homes and Forces Hollywood Elite to Flee! ...US Military Leaks on Telegram

- **The Franklin Fire is ripping through Malibu**, leaving chaos and devastation in its wake. 4,000+ acres incinerated, over 20,000 residents evacuated, and the flames show no mercy. Hollywood's elite are fleeing for their lives. Jay-Z, Beyoncé, Lady Gaga—gone. Mark Hamill remains trapped in a living nightmare. Malibu is in flames, and the fight to contain it is slipping away.
- **This is no ordinary fire.** It's an inferno fueled by a deadly combination of bone-dry winds, overgrown vegetation, and Santa Ana gusts pushing flames at 60 mph. Firefighters are overwhelmed, containment efforts failing. The picturesque hills of Malibu, home to some of the world's wealthiest, now resemble a warzone.
- **Hollywood Evacuates Amid Desperation:** Jay-Z and Beyoncé barely escaped their estate, leaving behind untold wealth. Mark Hamill, beloved Star Wars icon, remains stranded, surrounded by flames. Social media is ablaze with pleas for his rescue. Meanwhile, Lady Gaga's community faces total devastation. The fire doesn't care about fame or fortune—it takes everything.
- **A Disaster Fueled by Nature's Irony:** California's lush winter growth has turned into a tinderbox, feeding the fire's insatiable appetite. Winds whip embers into deadly missiles, spreading chaos. Entire neighborhoods have been wiped off the map. This isn't just Malibu's tragedy; it's California's latest catastrophe.
- **The Human Cost:** Behind the celebrity headlines are thousands of ordinary families, torn from their homes with only minutes to escape. Children cry in evacuation shelters as parents wonder if they'll have anything to return to. Lives are shattered, memories turned to ash.
- **Fighting the Unstoppable:** 2,000+ firefighters are battling an inferno that refuses to be tamed. Helicopters and bulldozers fight valiantly, but containment is at a dismal 20%. Exhausted crews warn the worst may still lie ahead. Resources are stretched to the brink.
- **Malibu burns, but this is more than a local disaster.** It's a stark reminder of nature's power—and humanity's failure to prepare. The time to act is now.

R. Mon. 16 Dec. 2024: Bombshell Report: President Trump's Full REVENGE List Unleashed – THE PAIN IS COMING for No. 47's Enemies! ...Carolyn Bessette Kennedy on Telegram

- **President Trump is back with a mission: retribution.** His second term isn't about diplomacy—it's about justice. The gloves are off, and the targets are clear. From Joe Biden to the January 6th Committee, Trump's list of enemies is long, and his plans for justice are already making waves. This isn't just talk—it's a reckoning.

1. Joe Biden: Corruption Under Fire: Trump has promised a special prosecutor to investigate Biden and his family. Accusations of corruption and treason have fired up his base, who demand accountability for Hunter Biden's dealings and the alleged misuse of power in Washington.

2. Kamala Harris: Border Betrayal: Trump is holding Harris responsible for the border crisis, promising impeachment and prosecution for her "failure" to protect Americans. Immigration reform is front and center, and Trump is ready to deliver with force.

3. Barack Obama: Treason Charges Loom: Accusing Obama of overseeing unlawful surveillance on his 2016 campaign, Trump vows to expose the "deep state" connections behind it. His base sees this as the ultimate fight against government corruption.

4. Hillary Clinton: The Chant Returns: The infamous "Lock her up!" is back. Trump's promise to revisit Clinton's email scandal and alleged corruption resonates deeply with his supporters, reigniting the call for justice.

5. Nancy Pelosi: Stocks and Scandals: Pelosi's actions surrounding January 6th and her family's stock dealings make her a prime target. Trump vows to investigate what he calls blatant abuse of power and privilege.

6. Letitia James: Weaponized Justice: Trump calls out New York's Attorney General for "election interference" and vows to counter the fraud case against him with prosecutorial reform.

7. Liz Cheney: GOP Betrayal: Cheney, a January 6th Committee member, is labeled a traitor. Trump's promise to reshape the GOP starts with ousting disloyal members like her.

8. Jack Smith & Alvin Bragg: Corrupt Prosecutors Special Counsel Smith and DA Bragg are at the top of Trump's list. He calls them examples of a legal system weaponized against political opponents.

9. General Milley: Treason Allegations: Trump accuses Milley of "treasonous" actions during the 2020 transition. His base sees this as proof of a military elite aligned against the American people.

10. Big Tech and Media Giants: Trump's fight extends to Mark Zuckerberg and others, accusing them of manipulating elections and silencing conservative voices.

- **Justice Is Coming For Trump**, this isn't revenge—it's restoration. His second term will be defined by holding the powerful accountable. His base is ready, the list is long, and "the pain is coming." Will America witness the greatest reckoning in history?

S. Mon. 16 Dec. 2024: TRUMP ALLY NAMED "MOST POWERFUL LEADER" IN EUROPE TARGETED FOR ASSASSINATION ...Julian Assange on Telegram

- **Donald Trump was named Time Magazine's "Person of the Year" for 2024**, hailed for "marshaling a comeback of historic proportions" and reshaping the global political landscape. As Trump prepares to retake office, his closest ally, Italian Prime Minister Giorgia Meloni, has been declared the "Most Powerful Person in Europe" for 2025 by Politico Magazine. The report states: "In less than a decade, she has gone from being dismissed as an ultranationalist kook to being the leader Europe and Washington can work with."
- **This announcement comes amid rising tensions after a shocking assassination plot targeting Prime Minister Meloni** was uncovered. The far-right supremacist group Werwolf Division had planned "serious attacks" near the Italian Parliament and the Palazzo Chigi. Police detained 12 suspects during raids across Italy, uncovering plans in advanced stages. The group accused Meloni of being a "fascist who persecutes fascists," underscoring the deep divisions within Europe.
- **Over the weekend, Meloni and Trump met in Paris** to cement their alliance, reinforcing their shared vision as antiwar nationalist populist leaders challenging the globalist agenda. Their growing influence has made them prime targets.
- **Assassination Attempts on Antiwar Leaders:** Meloni's targeting follows a disturbing pattern of recent attempts on the lives of antiwar populist leaders. President Trump himself survived two assassination attempts this year: on July 13 and September 15. In the first incident, the assassin was killed by police snipers; in the second, a Secret Service agent fired six shots at close range but failed to hit the attacker, who was later apprehended.
- **Slovakian Prime Minister Robert Fico**, another antiwar leader, narrowly survived an attack when he was shot five times on May 15. These attacks mirror the historic assassination of President John F. Kennedy on November 22, 1963, who was targeted while attempting to end the Vietnam War.
- **Robert F. Kennedy Jr.**, now part of Trump's incoming Cabinet, has openly accused the CIA of orchestrating both JFK's assassination and the killing of his father, Senator Robert F. Kennedy Sr. Today, it was revealed RFK Jr. is lobbying for his daughter-in-law, Fox Kennedy, to become deputy CIA director, vowing to "get to the bottom" of the agency's role in these assassinations.
- **THE STORM IS HERE.** Antiwar leaders standing against the globalist war machine are under fire, both figuratively and literally. The stakes have never been higher. Patriots, stay vigilant. The battle for freedom is just beginning.

T. Mon. 16 Dec. 2024 Bombshell: Snowden Exposes HAARP's Sinister Agenda!

...Nesara/Gesara on Telegram

- **Edward Snowden's explosive revelations** have uncovered the horrifying truth behind HAARP, the High-Frequency Active Auroral Research Program. Once thought to be a benign research facility, HAARP is now exposed as a weapon of mass control—a tool used by the Deep State to manipulate weather, assassinate enemies, and control minds globally.
- **The Weapon Hidden in Alaska:** Located in Gakona, Alaska, HAARP operates a 36-million-watt antenna array that manipulates the ionosphere under the guise of scientific research. According to Snowden, it is actually used to target individuals and nations, causing "natural" deaths like strokes and heart attacks or destabilizing entire regions through weather manipulation.
- **Global Mind Control:** Snowden revealed that NATO employs HAARP to suppress dissenters, making them act irrationally or insane, discrediting their voices. These waves can even induce homicidal delusions—a terrifying method used to silence opposition.
- **Verified Evidence:** Snowden provided documents from top military officials, confirming HAARP's dark capabilities. These revelations align with earlier claims by whistleblowers like Nick Begich, who described HAARP's ability to manipulate emotional states as disturbingly easy.
- **Worldwide HAARP Installations:** HAARP facilities aren't limited to Alaska. Similar sites in Sweden, Russia, and other nations extend this weapon of mass destruction globally. The U.S. military and corporations like BAE Advanced Technologies are complicit in this international conspiracy.
- **The Fight for Truth:** This is more than a conspiracy; it's a war for humanity. HAARP isn't just about controlling the weather or targeting enemies—it's about enslaving minds, destroying agriculture, and dictating the future of nations.
- **Will You Stay Silent?:** The Deep State thrives on secrecy, and HAARP is its ultimate weapon. It's time to demand transparency, accountability, and an end to HAARP's sinister operations. The clock is ticking, and humanity's survival is at stake.
- **The Storm is here.** Will you rise, or will you let the Deep State control your future?

U. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

V. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#);

X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
