**Judy Note:** *This week the largest transfer of wealth in human history – rich to poor – quietly took place, exposing a Deep State Illuminati plan to enslave humanity that included fear mongering the public into submission and the CIA's Role in Satanic Ritual Abuse and Child Trafficking.*

**Wernher von Braun, the infamous scientist from Operation Paperclip,** warned of the ultimate lie—the alien hoax designed to bring the masses into submission of the Deep State. “It’s a lie,” Von Braun said. Last month that Deep State Global Elite Alien Hoax went out the window when the White Hat Global Alliance destroyed Deep State European facilities, though of great concern was the radioactive material that was said to have recently gone missing in New Jersey, while radiation levels spiked there and in New York.

**Was that False Flag fear mongering** by the Deep State?

**In retaliation for losing their source of income – the fiat US Dollar – the Deep State Military Complex** was believed behind a (False Flag?) radiation scare, plus large drones covering the country, planes losing power and US Military Bases shutting down.

**According to Mr. Pool on Telegram, more verified high-level intel** has revealed that the large drones swarming our skies belonged to the U.S. government, hunting for weapons of mass destruction (WMDs) hidden on American soil. Rogue nukes, dirty bombs and gamma ray signals over the East and West Coasts.

**The Office of Global Access (OGA) was running a DEFCON-level operation** with a mission to locate neutralize and hide the terrifying truth from the public. Insiders confirm this was the most dangerous counter-terror mission in decades, and we’re already in the red zone. A Shadow War in the Homeland

**Military units were on standby, ready to storm suspected targets.** Cyber warfare teams were intercepting communications tied to WMDs. The OGA is deploying classified tech to detect threats in real time while keeping YOU in the dark.

**Rogue submarines may have slipped past defenses,** hiding nukes near port cities. Millions of cargo containers enter U.S. ports annually—any one of them could hide a deadly device. Drones

were actively tracking radiation signals. The threat was said to be real, and the government was scrambling to confirm.

**But, which government?** *The Deep State Global Elite's US Inc. which wanted to take over the World? Alex Jones claimed it's one of the greatest psychological operations in history.*

**Meanwhile the Mainstream Media** *was nowhere to be found, having been paid to hide it all.*

**Why the Silence?** *If word got out, chaos would reign. Markets would crash, streets would flood, and panic would spread. But their silence risks lives. Are they protecting us, or protecting themselves?*

**Trump's America: A Turning Point.** *Under President-elect Trump, secrecy won't be tolerated. He's "America First," and you can expect action. Trump has the boldness to expose these threats and fight back against the shadowy forces endangering us all.*

**What You Can Do?** *Stay vigilant. Report suspicious activity—low-flying drones, strange port activity, or anything out of the ordinary. As citizens, we're the last line of defense.*

**America, we're in BIG trouble,** *and we don't even know it. The question isn't if a threat exists—it's what happens next. The time to act is NOW. Stay alert, stay informed, and fight for your future.*

## **B. Global Currency Reset:**

**Judy Note: Beware of Banks:** Yes, there are many banks exchanging certain currencies including the Iraqi Dinar right now. **WARNING:** They will give you the present street rate, not the much higher rate you can receive at an official Redemption Center.

**Most of the larger Banks are owned by the Cabal** – and they are going broke with the new financial system. In the very near future they will not even be handling our money. So it is not surprising that Banks are now advertising to exchange your currency with them. One lady said she had an

**Banks are also saying** that there is no such thing as a Redemption Center. Not true.

**Be aware you will get a much higher rate** at an official Redemption Center, plus a bank is not authorized to redeem Zim.

**On Tues. 17 Dec. 2024** Ripple USD Stablecoin (RLUSD) launched, the Iraqi Dinar was being paid out at it's new revalued rate of just under \$8.00 in-country (the international rate has not yet stabilized on the Forex and wouldn't be until **Mon. 23 Dec**); Rumors swirled that the Vietnamese Dong has followed suit and XRP went live.

### **Tues. 17 Dec. 2024 Bruce:**

federal; interest paid on credit cards and bank loans, and for the Cabal trading our birth, death, marriage and divorce certificates.

- **GLOBAL CURRENCY RESET The final countdown:** The wait is over, patriots. The Storm is here, and the gears of history are turning faster than ever. ### **D. Tues. 17 Dec. 2024: [Massive Leaks: QFS Saving Nations, Activated Worldwide by White Hats, Erasing Trillions in Debt, Destroying the Deep State's CBDC Rollout, and Ending Central Banks' Debt Slavery! - Gazetteller](#)**

- **The Quantum Financial System** has been activated Worldwide by the White Hats, erasing trillions in debt, destroying the Deep State's CBDC rollout, and ending Central Banks' debt slavery!
- **The Quantum Financial System (QFS)** is a powerful, rapidly expanding financial architecture actively disrupting the globalists' plans. Over the past few months, new

developments have surfaced, showcasing the QFS's undeniable impact on global finance and its critical role in dismantling the deep state's agenda of centralized control through the Digital Public Infrastructure (DPI).

- **Here are [the latest updates](#)** that demonstrate the unparalleled strength and integration of QFS, proving it to be the ultimate tool for humanity's financial liberation.

## 1. Major Rollout: Asset-Backed Digital Currencies Activated in Key Nations

On **October 15, 2024**, the White Hats officially launched **asset-backed digital currencies** in several strategic nations, including **Russia, India, Brazil, and Hungary**. Unlike the central bank digital currencies (CBDCs) being pushed by globalists, these currencies are **100% backed by gold, silver, and other tangible assets**, rendering them immune to inflation and manipulation.

- **India:** The Reserve Bank of India (RBI) announced a shift from the fiat rupee to a **Quantum Gold-Backed Rupee**, [facilitated by the QFS](#). The move has already stabilized the economy, with inflation dropping by 7% in just one month.
- **Brazil:** Brazil's government revealed that its new Quantum Real has attracted billions in foreign investment, thanks to its transparency and incorruptibility.
- **Russia:** On November 1, 2024, Russia's Quantum Ruble was activated, bypassing Western sanctions and integrating seamlessly into the global QFS network. This integration is part of a larger plan to **neutralize the fiat-based global financial system**, which has enslaved nations under debt and corruption for decades.

## 2. Integration with Global Trade: Quantum Nodes Deployed

A groundbreaking development occurred on **November 3, 2024**, when **Quantum Trade Nodes** were activated in **Dubai, Singapore, and Frankfurt**. These nodes act as **transactional gateways**, allowing nations to trade securely without reliance on traditional banking systems like SWIFT. The Quantum Trade Nodes provide instantaneous, transparent settlement of transactions, cutting out the need for intermediaries.

- **Dubai:** The Dubai Trade Council reported that 60% of its exports and imports are now settled using QFS protocols, eliminating transaction delays and corruption.
- **Singapore:** Singapore's integration of Quantum Nodes has made it the fastest-growing hub for global trade, processing over **\$100 billion in QFS-backed transactions** in just two weeks.
- **Frankfurt:** Germany's trade systems have seamlessly linked with QFS, reducing cross-border payment times from days to seconds.

These nodes highlight the **global reach of QFS** and its ability to bypass corrupt banking systems controlled by the deep state.

## 3. Military Integration: Securing Global Financial Freedom

On **October 28, 2024**, leaked documents confirmed that the **U.S. Space Force** has deployed **quantum satellites** to secure QFS operations worldwide. These satellites, equipped with cutting-edge encryption, ensure that QFS transactions are immune to hacking or

interference. [This military integration demonstrates](#) that QFS is not just a financial tool but a **critical element of global sovereignty**.

In addition, **Special Operations Forces** in alliance with the White Hats have successfully dismantled several deep-state-controlled data centers that were key to implementing the Digital Public Infrastructure (DPI). These operations, conducted in **Switzerland, Belgium, and Canada**, have crippled the globalists' ability to spy on QFS transactions.

#### 4. Quantum Access Cards: A Revolutionary Tool for the People

On **November 10, 2024**, **Quantum Access Cards (QACs)** were launched in **Canada, Australia, and the United States**, enabling citizens to directly access their QFS accounts. These cards, embedded with quantum encryption technology, allow for secure transactions, instant currency conversions, and seamless integration with [QFS's asset-backed currency system](#).

- **Canada:** Citizens have already reported that QACs offer complete transparency in transactions, with no hidden fees or government oversight.
- **United States:** Over 5 million QACs were distributed within the first week, with users praising the system's ease of use and unmatched privacy.
- **Australia:** The Australian government has announced plans to phase out fiat currency entirely by 2025 in favor of QFS integration.

The introduction of QACs proves that QFS is not just for nations or institutions—it's for the **people**, empowering individuals to take control of their financial destinies.

#### 5. The Fall of the Globalists' CBDCs

The deep state's dream of controlling humanity through **Central Bank Digital Currencies (CBDCs)** is collapsing under the pressure of QFS. Since **September 2024**, several nations have abandoned their plans for CBDC adoption after seeing the transparency and fairness of QFS.

- **Italy:** The Italian government scrapped its CBDC pilot on **October 20, 2024**, citing public opposition and the superior performance of QFS-backed alternatives.
- **South Africa:** On **November 5, 2024**, South Africa announced its withdrawal from the globalist-controlled CBDC initiative, opting to explore QFS integration instead.
- **Argentina:** The Argentine Central Bank admitted on **November 12, 2024**, that its CBDC trials had failed to gain public trust, [paving the way for a QFS-backed system](#).

#### E. Restored Republic:

[RED ALERT!! Military Forces Launch Global Raids: Trafficking Hubs, Vatican Ritual Chambers, Human Farms, and Elite DNA Experiments EXPOSED as World Leaders Panic! - Gazetteller](#)

- **The silent war is no longer silent. As of December 17, 2024,** the military raids across the globe have entered a new phase of intensity and precision. Leaked reports confirm that coordinated strikes are dismantling the strongholds of the elites and their subterranean empires, one by one. [These raids are not random](#)—they are deliberate, surgical takedowns of the deepest, darkest networks that have enslaved humanity for centuries.
- **The scale of these operations is unlike anything humanity has witnessed.** [Special operations forces](#), backed by intelligence from global whistleblowers, are targeting underground bunkers, trafficking hubs, black site laboratories, and secret facilities that most couldn't fathom existed. The war is raging in the shadows, but its victories are starting to surface.
- **The Global Bunker Network: Humanity's Hidden Nightmare:** Insiders confirm that **an interconnected underground bunker network** spans the globe, linking major cities, remote islands, and secret military bases. These facilities are not just bunkers—they are cities beneath cities, hidden for decades. Built with unthinkable amounts of taxpayer money and covert funding, they are equipped with futuristic technology, luxury quarters for elites, and infrastructure to sustain life indefinitely.
- **The latest military operation in Switzerland, beneath the Alps, revealed a sprawling base hidden 5 miles underground.** Soldiers described it as a fortress of evil, complete with human trafficking chambers, cloning laboratories, and walls lined with priceless stolen art and gold bullion. Military forces reportedly seized hard drives containing evidence of elite meetings where plans for global depopulation and AI-controlled slavery were discussed.
- **But what shocked operatives most was [the human farms](#)**—chambers where hundreds of individuals, primarily women and children, were kept in conditions akin to livestock. These individuals were being used for genetic harvesting, organ extraction, and other unspeakable practices tied to the adrenochrome trade. Units on the ground described it as “hell on Earth.”
- **In Colorado, raids on Denver International Airport uncovered long-suspected tunnels and bunkers leading to [massive underground chambers](#).** This location, rumored for decades to house sinister operations, was revealed to be a hub for elite evacuation routes, ritualistic gatherings, and trafficking pipelines. Reports indicate that military forces seized crates of encrypted files and holographic technology that allowed elites to communicate across continents undetected.

**F. Tues. 17 Dec. 2024: DEVELOPING! GITMO Soldiers Expose Rituals, Trafficking Rings, Bioweapons Labs—Elites Taken Down, Tribunals Set to Rewrite History! ...Gitmo TV on Telegram**

- **December 15, 2024, marked a critical moment in the GITMO operations** as new revelations shake global power structures. The second spotlight phase is uncovering elite

corruption, trafficking networks, and bioweapons programs, with tribunals set to expose the truth in January 2025.

- **December 12: A High-Profile Extraction:** A covert military raid in the South Pacific on December 12 captured a high-value target code-named “Architect.” This individual, a central figure in trafficking networks and elite operations, was found at a hidden offshore facility. Evidence recovered includes encrypted data linking political and corporate elites to child trafficking and arms deals.
- **Upon arrival at GITMO, “Architect” began revealing plans** to destabilize Western economies through cyberattacks in 2025. These confessions implicate high-profile figures, including unnamed heads of state, in funding these operations.
- **December 14: Biometric Subjugation Programs Unveiled:** Documents labeled “Project Nexus” were discovered during interrogations, exposing plans to use biometric implants for tracking, controlling, and even eliminating dissidents. A raid on a European lab revealed prototypes designed to interface with the human nervous system, disguised as “healthcare technology.” This program was set for mass testing in early 2025, targeting unsuspecting populations.
- **False Flag Warning: End of December 2024:** Intel from a detainee code-named “Oracle” warns of a major false flag event aimed at diverting attention from upcoming tribunals. Planned cyberattacks on banking systems and energy grids would create global chaos, providing a pretext for draconian control measures.
- **GITMO soldiers are working with quantum systems** to intercept communications and neutralize threats. Attempts to sabotage GITMO’s operations, including a December 14 drone strike on an evidence convoy, have failed, as military forces remain vigilant.
- **The Tribunals: January 2025:** Preparations are underway for tribunals exposing the crimes of elites, including trafficking, bioweapons, and election interference. Detainees facing trial include former heads of state, CEOs, and military officials. Evidence to be presented includes financial records, video confessions, and links to global criminal operations.
- **Call to Action: Stay Vigilant:** The elites are desperate, but their power is unraveling. The truth uncovered at GITMO will shake the foundations of global power. Stay informed, question media narratives, and prepare for monumental change.
- **The tide is turning, and the reckoning is near.** Humanity’s liberation is in sight.

...Michael Jackson on Telegram

- **The truth about Watergate isn't what you've been told.** This wasn't just political espionage—it was a cover-up of unimaginable evil. Beneath the surface lies a shocking connection to Pedogate, a sinister web of child trafficking and blackmail that implicates the highest levels of power.
- **In 1972, CIA operative Frank Sturgis**, one of the Watergate burglars, revealed during interrogation that their mission was to recover "The Book." This wasn't about election strategies. "The Book" contained damning evidence of politicians—both Democrat and Republican—who paid to rape children, detailing their twisted proclivities. Nixon's obsession with destroying tapes and quashing investigations suddenly makes sense. What was he hiding?
- **The truth is horrifying:** Watergate was a smokescreen, a warning from the Deep State to any politician daring to expose the pedophile network controlling Washington. Nixon's downfall wasn't just about politics; it was a brutal message: stay silent, or be destroyed.
- **The same forces behind this network have existed for decades**, operating in the shadows, compromising politicians, and using child trafficking as their ultimate weapon of control. Rothstein, a retired NYPD detective, uncovered identical child sex rings worldwide. Australia, the UK, the U.S.—all connected, all part of the same monstrous operation.
- **Rothstein confirmed that intelligence agencies like the CIA and MI6 are not protecting nations but instead facilitating human trafficking**, blackmail, and child abuse to keep the global elite in power. These networks are fortified by money laundering and protected by corrupt systems designed to bury the truth.
- **This isn't just history—it's happening now.** The Deep State's grip on power is sustained through fear, compromise, and unspeakable crimes. But their secrets are unraveling.

- **Wake up, patriots!** Watergate wasn't just a break-in—it was a glimpse into the evil empire that rules the world. Nixon was taken down because he knew too much. Today, we fight to expose the truth they tried to bury. The storm is here. They can't hide forever.

**Tues. 17 Dec. 2024: EXPOSED: OPERATION PAPERCLIP & WERNHER VON BRAUN'S WARNING ABOUT THE ALIEN HOAX! ...US Military Leaks on Telegram**

- **The truth has been hiding in plain sight:** Wernher von Braun, the infamous scientist from Operation Paperclip, warned of the ultimate lie—the alien hoax. His chilling prediction wasn't science fiction; it was a strategy. The alien “threat” is the final deception, designed to enslave humanity under totalitarian control. “The last card they play will be the alien card, and it's all a lie.” Von Braun's words weren't just a warning; they were an inside confession. A staged alien invasion is the final playbook of the elites—a manufactured crisis to justify weapons in space and total global domination.
- **THE ALIEN CARD: THE ULTIMATE LIE:** We've been conditioned for decades. Hollywood blockbusters, government “disclosures,” and media hysteria have primed us to fear the alien narrative. But von Braun revealed the truth: there are no aliens coming to invade or save us. The alien threat is a lie, crafted to terrify the masses into compliance. Think about it: why now? Why the sudden surge of UFO sightings and “leaked” Pentagon footage? It's all part of the psychological operation. Fear softens the masses. The ultimate goal? Total control.
- **SPACE WEAPONIZATION: THE POINT OF NO RETURN:** Von Braun warned that placing weapons in space would be humanity's downfall. These tools aren't for defense—they're for domination. Space-based weapons give the elites unchecked power to surveil, target, and eliminate dissenters anywhere on Earth. Once deployed, there's no escape.
- **From the Cold War to the Alien Hoax:** The Elite's Playbook Von Braun exposed the steps of manipulation:  
**The Cold War:** Fear of nuclear annihilation justified endless wars and defense budgets.  
**Rogue Nations & Terrorism:** Convenient enemies to justify surveillance and control.  
**Environmental Crises:** Exploited to centralize power.

**The Alien Threat:** The final step—a fabricated global emergency to cement totalitarian rule.

- **COVID-19: THE TRIAL RUN:** The pandemic was a beta test. Fear, lockdowns, and compliance paved the way for what's coming. The alien hoax will amplify the tactics of fear and control, leaving humanity with no way out.
- **THE TIME TO ACT IS NOW:** This isn't a conspiracy—it's their plan. Von Braun exposed it. We must resist the alien hoax, reject space weaponization, and demand the truth. Freedom's survival depends on it. Spread this message before it's too late!

**L. Tues. 17 Dec. 2024: If Donald Trump had not been elected president or if the peaceful transition of power is disrupted in January, the following five scenarios could unfold largely as a result of actions taken by those seeking to undermine him:**

**1. A New Pandemic Engineered by the Elites:** A fabricated global health crisis could be orchestrated, with artificial justifications for the mass culling of livestock and the destruction of agriculture. This would lead to severe shortages of organic food. In response, major tech and pharmaceutical companies, backed by political elites, could introduce synthetic nutritional pills, claiming to provide all the necessary nutrients for a day's survival. Along with this, mandatory vaccinations might be enforced, giving the government unprecedented control over the population.

**2. The Dollar's Collapse as the World's Reserve Currency:** Reckless financial policies, driven by globalist interests, could result in the U.S. dollar losing its status as the world's primary reserve currency. This would trigger a catastrophic collapse of the American economy, significantly damaging the GDP and leading to widespread poverty and hunger. Elites pushing for global control would be primarily responsible for the devastation, leaving ordinary Americans to bear the brunt of the economic fallout.

**3. World War III on U.S. Soil:** Political actions aimed at weakening the U.S. could escalate into a third world war, bringing direct military conflict to American soil. This could lead to mass casualties and depopulation in key regions of the country. The political elites, in their pursuit of globalist goals, would place American lives at risk, severely compromising the nation's ability to defend itself and further weakening its position on the world stage.

**4. Open Borders and Increased Terrorism Risk:** Open border policies, championed by the left, could invite an influx of immigrants from high-risk terrorist regions. This would make schools, shopping malls, and public events vulnerable to attacks. The push for unchecked immigration, driven by political correctness and the desire for votes, would increase national security risks, exposing Americans to greater threats from terrorism and undermining public safety.

**5. The Fragmentation of the United States:** A disrupted transition of power could create political chaos, leading to the fragmentation of the United States. States might seek secession,

declaring themselves independent from the federal government. This would mark the end of the U.S. as a unified nation and potentially the collapse of America as a global superpower. The nation would descend into internal conflict, further weakening its global standing and leaving it vulnerable to external threats.

**These scenarios are not mere speculation,** they represent the potential consequences of political instability and the undermining of a peaceful transition of power. The actions of those who seek to destabilize the country for their own agendas could plunge the U.S. into an era of chaos, economic ruin, and geopolitical decline.

**M. Tues. 17 Dec. 2024 BREAKING MILITARY INTEL! U.S. Navy Insider EXPOSES Shocking UAP Evidence: The TRUTH They Don't Want You to Know! ...Gitmo TV on Telegram**

- **A U.S. Navy insider exposes shocking UAP evidence:** anti-gravity craft, plasma-like orbs, and transmedium technology. Why is the government hiding this from you? America deserves answers now!
- **A Navy insider reveals startling details** about Unidentified Anomalous Phenomena (UAP) and Non-Human Intelligence (NHI), claiming the existence of high-definition footage showing crafts performing physics-defying maneuvers.
- **What Exactly Are UAP and NHI—and Why Does It Matter?** UAP refers to phenomena or objects in the sky that cannot be identified as conventional aircraft or known natural phenomena—highly-documented by military pilots as performing impossible feats of flight.
- **NHI suggests the presence of intelligence** and technologies that cannot be linked to any known human source—deepening the mystery: If these crafts aren't ours, whose are they?
- **Evidence the Government Can't Deny** The insider describes 4K videos capturing: Orbs with a shimmering, plasma-like glow, displaying no visible means of propulsion. Crafts performing anti-gravitational maneuvers and moving seamlessly between air and water. An orb matching a U.S. drone's movements before vanishing at incredible speeds.
- **The Government's Double Standard on Secrecy** While footage of foreign military crafts is often declassified, UAP and NHI videos remain under tight wraps. This selective secrecy raises questions about what is truly at stake and what is being hidden from the public eye.
- **Orbs and Anti-Gravity:** A Pilot's Nightmare Reports are accumulating of orbs that defy traditional flight logic, challenging our understanding of physics and aerial dynamics. These encounters suggest technology far beyond human capabilities, posing questions about the origins and intentions behind these crafts.

- **Whistleblowers Threatened into Silence** Those who have dared to speak out have faced severe repercussions, including threats of arrest and harm to their families, suggesting a deep-seated need to maintain secrecy at all costs.
- **Congress Has Failed. It's Time for Accountability.** There's a pressing need for a select congressional committee with the authority to: Compel the release of all classified UAP footage. Protect whistleblowers. Demand transparency from aerospace contractors.
- **The Case for Transparency and National Security** Contrary to claims that transparency weakens national security, shedding light on these phenomena could enhance preparedness and restore public trust. Understanding these technologies could significantly advance our own capabilities.
- **A New Era Under Strong Leadership With President-elect Donald Trump's** commitment to transparency, there's an opportunity to align UAP and NHI disclosure with national priorities, reinforcing his stance on strong, accountable governance.
- **The Bottom Line: Demand the Truth** This revelation is a critical call to action. It's time to end the secrecy and bring the hidden truths about UAP and NHI to light. We must advocate for openness to truly prepare for and understand the implications of these phenomena

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**Q. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **S. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
