Judy Note: On Thurs. evening 19 Dec. in San Diego CA huge amounts of military reinforcements were seen gathering in force. Unusual reports of unknown flying objects continued to be reported across the US. Testimonies from US soldiers say the UFOs were manmade – as part of a Cabal UFO False Flag.

Whispers of Martial Law? California wasn’t the only state suddenly seeing a Military presence. The US appeared to be getting ready for something. Massive amounts of military hardware were being transported across the US by train. Witnesses report an uptick in military movements, sparking questions: what are they preparing for?

In California, a state of emergency has already been declared over H5N1 bird flu, raising fears of another pandemic. Meanwhile, glowing orbs and strange lights take an unsettling interest in large cities and sensitive military bases.

A Government shutdown was avoided on Saturday when the Senate passed an amended bill just before the midnight deadline, but there was no need to celebrate. As Rep Tim Burchett who voted “no” said, “It’s over a trillion dollars and we never even got to read the daggum bill. A \$100 billion in unaccountable disaster assistance that was given to this administration to spend in the next 30 days – not to be accounted for. We don’t trust them with 50¢, we don’t want another \$100 billion unchecked again. There was \$5,700,000,000 in there for submarines. Why? It is a continuation of Pelosi Schumer spending levels.”

A Russian General who exposed the Hunter Biden, Obama and Global Elites’ sinister Ukraine Biolab Plot was assassinated after busting a US run Adrenochrome Factory in Ukraine. “The American Government is planning once again to release Biological Warfare on their Citizens, with Hunter Biden as the co-owner of Biolabs in Ukraine,” Igor Kirillov, Russia’s Biological Defense Chief recently reported just before he was assassinated in Moscow last week. He was set to make the announcement this next week.

FEMA Crime continued as they tried to take over private disaster land in Tennessee. Cyber Attacks were incoming: <https://www.forbes.com/sites/daveywinder/2024/12/19/new-gmail-security-warning-for-25-billion-second-attack-wave-incoming/>

You didn’t see the above in the Mainstream Media and it was absolutely amazing what they didn’t report.

- **Get Ready For Days of Communication Darkness.** The Power to entire World will switch off briefly to install our Starlink Satellite Internet. Shutdowns will occur, but only in certain areas. Banks will close. ATMs and Credit Cards will stop working. Have at least a month’s supply of food, water, cash, medicine and essential items on hand for yourself, your family and to share with others in case of emergency. If you’re unprepared, don’t worry. The Military will supply what you need. Nonstop education will be broadcast, teaching everyone about the true principles of Freedom and Justice.

D. Global Financial Crisis:

- **Fri. 20 Dec. 2024:** The new CR Bill was not what it seemed. Rep Tim Burchett voted NO. Here's why, "It's over a TRILLION DOLLARS, and we never even got to read the daggum bill. We don't trust them with 50¢, we don't a \$100 billion unchecked again. \$5,700,000,000 in there for submarines. Now you gotta ask yourself, what does that have to do with this? It is a continuation of Pelosi Schumer spending levels. God dammt. We can do better. This is not the way to run a government. You all elected us to do it differently, and that's what we need to do."

I. Thurs. 19 Dec. 2024 IRS Crimes: "Ken and Barbie vs. Goliath IRS":

- **Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.** Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **23 Dec. 2024**.

Wed. 18 Dec. 2024 Dear Faithful Friends and Family,

Unless a miracle happens before **Monday, December 23**, Judge Nielson plans to sentence me. The prosecutors have asked him to give me the maximum possible of an 84-month sentence and require me to pay the "victim" IRS \$723,28.65 in "restitution". CRAZY!

Unbelievably, Judge Nielson has never addressed any of our motions for judicial acquittal, a new trial, or SCOTUS' recent Moore vs U.S., a new ruling which has 100% vindicated Barbara and me, but promises to do so and will "only proceed to sentencing if necessary". Haha!

People have asked if they may come to the court. YES, please! This sentencing hearing is scheduled for Monday, December 23 at 1:30 p.m. in room 7.300 at U.S. District Court, 351 South West Temple, Salt Lake City.

Good news. There appears to be a remarkable miracle in the works. A secret weapon that has come into play in the last couple of days. I can't explain what it is until it happens.

Believe in miracles. Your prayers that God's will may be done are much appreciated.

With love and Merry Christmas,

Ken (& Barbara)

P.S. Psalms 142 in the New International Version of the Bible reads: Lord, "Set me free from my prison, that I may praise your Name. Then the righteous will gather about me because of Your goodness to me."

M. WED. 18 DEC. 2024: WHITE HATS INVESTIGATE DARPA's DRONE SWARM OPERATIONS:

- **White Hats have begun a thorough investigation into the mysterious SUV-sized drones swarming over New Jersey**, suspecting a connection to DARPA's covert Project Bluebeam. This project, allegedly involving advanced holographic technology, has raised alarms among investigators seeking to expose hidden operations.
- **Discovery of a Covert Base:** A recent operation in Sacramento led to the dismantling of a clandestine base, revealing startling discoveries: "space planes" and sophisticated holographic projectors. During the raid, White Hats faced significant resistance, resulting in the deaths of several Deep State contractors. However, a breakthrough came with the capture of a key engineer known as "Donaldson."
- **Donaldson's Revelations:** Under interrogation, Donaldson disclosed alarming details about DARPA's advancements during the Biden administration. He revealed that the agency had developed airborne holographic technologies capable of manipulating public perception. These drones, equipped with emitters, could project massive holograms, render themselves invisible, or even alter their appearance mid-flight.
- **Unexplained Drone Activity in the Northeast:** Reports of extraordinary drone maneuvers in New Jersey and neighboring states have surged. Witnesses describe drones performing seemingly impossible movements and vanishing into thin air. According to Donaldson, these phenomena stem from the drones' advanced holographic emitters, creating illusions of large-scale formations and intricate aerial displays.
- **Implications and Ongoing Investigations:** Donaldson's testimony has sparked grave concerns about the potential misuse of such technologies to influence or deceive the public. White Hats emphasize the critical need for transparency and oversight, urging regulators to confront the ethical implications of these advanced systems. Investigations are ongoing, with the aim of fully uncovering the scope of these operations and their intended purposes.

N. Fri. 20 Dec. 2024 Biden is Just a Puppet: White House Insiders Expose How His Collapse is the Perfect Cover for the Globalist Plan to Dismantle America! ...Gitmo TV

- **The truth about Biden's state is just the tip of an iceberg**, revealing a deliberate, coordinated collapse of the United States from within. This isn't mere incompetence; it's a meticulously orchestrated plan, with Biden's decline serving as the perfect distraction for the true forces at play.
- **A Puppet President and the Rise of the Shadow Council** Joe Biden is portrayed not merely as verbally inept but as a figurehead, a puppet president controlled by a Shadow Council of senior intelligence officials, bankers, and corporate oligarchs. These powers orchestrate U.S. policies behind the scenes, exploiting Biden's confusion to enforce their global agenda without public scrutiny.
- **Biden's Confusion Used to Trigger Wars and Chaos** Henry Appel's revelations about Biden's inability to recall critical details underscore the dangers of his cognitive decline. This confusion is reportedly exploited to manipulate international relations and military

actions, particularly in Ukraine, where misinformed decisions have profound implications, redirecting funds through corrupt channels back to the elites.

- **Biden’s Mental Collapse and the Deep State’s “Plan B”** Insiders suggest preparations are in place for Biden's potential removal due to health reasons, positioning Kamala Harris as another puppet in this grand scheme. Biden’s public deterioration is also seen as a litmus test by these elites to gauge how much manipulation the American public will tolerate.
- **Secret “Economic Reset” Deals in the Basement of the White House** Allegedly, Biden’s administration is pushing through economic agreements that would subordinate American economic sovereignty to globalist institutions like the IMF and the World Economic Forum. Meetings held in the secluded areas of the White House finalize deals that strip away U.S. control over its economic recovery and infrastructure projects.
- **The Elite’s Plan for Military Purges Under Biden Reports** from the Pentagon suggest a systematic purge of patriotic military officers under Biden's watch, replacing them with figures aligned with the globalist agenda. This strategic replacement aims to weaken U.S. national defense capabilities and align military operations with the objectives of the shadow rulers.
- **Trump’s Return:** A Nightmare for the Globalists Insiders fear Trump’s potential return, as it threatens to dismantle their elaborate fabrications and expose the covert operations and economic betrayals orchestrated behind Biden’s back.
- **This Is America’s Final Battle** The Biden administration is depicted not as a single leader's failure but as a façade for a more sinister manipulation by global elites. The narrative suggests a catastrophic endgame where American values and sovereignty are dismantled, urging immediate action to prevent the complete realization of this globalist agenda.
- **Wake up and see the manipulation** under the guise of governance—a call to action for every patriot to stand against this orchestrated downfall.

O. Fri. 20 Dec. 2024 Exposed: The Hidden Man Controlling the World – The Untold Story Behind the Most Powerful Operation on Earth ...Mr. Pool on Telegram

- **Meet Larry Fink, CEO of BlackRock** – the shadow ruler shaping the global narrative. This man quietly runs the world, controlling over \$11 TRILLION in assets and shaping the destinies of corporations, governments, and economies alike. His name is rarely mentioned in headlines, yet his influence is everywhere. Beneath the surface lies an astonishing story of unprecedented power and the secret operation that dictates the fate of the modern world.
- **The Rise of BlackRock** Let’s rewind to 2008, the peak of the global financial crisis. While economies crumbled, the U.S. government turned to Larry Fink and BlackRock to stabilize the chaos. From that moment, Larry Fink became the most powerful man during – and after – the crisis, steering governments and markets alike.

- **Fast forward to 2020.** The pandemic struck, throwing the world into another financial tailspin. Once again, the government sought BlackRock's help, further consolidating Fink's power. His influence grew exponentially while the world remained distracted.
- **The Empire of BlackRock** BlackRock isn't just another investment company. It's the largest in the world, a financial titan that controls trillions of dollars. Its client list includes pension funds, sovereign wealth funds, central banks, and more. From Amazon to Apple, BlackRock is the top shareholder in almost every major corporation you can name.
- **And the secret to their dominance?** A cutting-edge software system called Aladdin. With a network of over 5,000 computers, Aladdin tracks the market, predicts risks, and forecasts the future with astonishing accuracy. BlackRock isn't just reacting to the financial world; it's shaping it, always two steps ahead.
- **The Dark Origins of Power** Larry Fink wasn't born into power. He started like an average man, but his obsession with control set him apart. After a meteoric rise on Wall Street, he made a costly mistake, losing over \$100 million for his company. Overnight, his reputation was in ruins.
- **But Larry didn't quit.** Instead, he co-founded Blackstone, an asset manager, before splitting to form BlackRock. From there, he never looked back, building a financial empire unmatched in history.
- **The Hidden Machine** BlackRock's power isn't just in its wealth; it's in its reach. Through Aladdin, the firm wields data and predictive analytics to manage and grow its influence. This isn't speculation – it's fact. Research it yourself on platforms like Yahoo Finance, and you'll see BlackRock at the top of shareholder lists everywhere.
- **What's more, BlackRock's influence extends far beyond finance.** During crises, governments turn to Larry Fink for solutions, granting him control over the very systems meant to regulate him. And the public? They remain unaware, their pensions, savings, and taxes fueling this ever-expanding machine.
- **Why This Matters:** Larry Fink's story isn't just one of personal triumph; it's a tale of how a single man and his company gained control of the modern world. From economic crises to global pandemics, BlackRock's fingerprints are everywhere. Yet, their power operates in the shadows, unnoticed by the very people funding their dominance.
- **This isn't a conspiracy theory.** It's documented, verifiable, and essential knowledge for anyone who wants to understand the forces shaping our lives. Larry Fink runs more than just a company – he oversees a global system that dictates the future.

R. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

S. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. T. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **23 Dec. 2024.**

Wed. 18 Dec. 2024 Dear Faithful Friends and Family,

Unless a miracle happens before **Monday, December 23**, Judge Nielson plans to sentence me. The prosecutors have asked him to give me the maximum possible of an 84-month sentence and require me to pay the "victim" IRS \$723,28.65 in "restitution". CRAZY!

Unbelievably, Judge Nielson has never addressed any of our motions for judicial acquittal, a new trial, or SCOTUS' recent Moore vs U.S., a new ruling which has 100% vindicated Barbara and me, but promises to do so and will "only proceed to sentencing if necessary". Haha!

People have asked if they may come to the court. YES, please! This sentencing hearing is scheduled for Monday, December 23 at 1:30 p.m. in room 7.300 at U.S. District Court, 351 South West Temple, Salt Lake City.

Good news. There appears to be a remarkable miracle in the works. A secret weapon that has come into play in the last couple of days. I can't explain what it is until it happens.

Believe in miracles. Your prayers that God's will may be done are much appreciated.

With love and Merry Christmas,

Ken (& Barbara)

P.S. Psalms 142 in the New International Version of the Bible reads: Lord, “Set me free from my prison, that I may praise your Name. Then the righteous will gather about me because of Your goodness to me.”

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. U. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
