[I'll Go Where You Want Me to Go](#)

It may not be on the mountain height
Or over the stormy sea,
It may not be at the battle's front
My Lord will have need of me.
But if, by a still, small voice he calls
To paths that I do not know,
I'll answer, dear Lord, with my hand in thine:
I'll go where you want me to go.

I'll go where you want me to go, dear Lord,
Over mountain or plain or sea;
I'll say what you want me to say, dear Lord;
I'll be what you want me to be.

Perhaps today there are loving words
Which Jesus would have me speak;
There may be now in the paths of sin
Some wanderer whom I should seek.
O Savior, if thou wilt be my guide,
Tho dark and rugged the way,
My voice shall echo the message sweet:
I'll say what you want me to say.

Judy Note: *Biden's Regime is using CCP-Backed Chinese Drones to unleash Project Blue Beam and brainwash the masses for the ultimate fake Alien Takeover?*

Top experts have found that the mystery drones that have been harassing US Military Bases and major cities along the East, West and Southern Coasts, were made, flown and controlled by China – in cooperation with their long time ally Deep State Globalist US President Joe Biden – whose real personage was nowhere to be found, though whose clone that was in cognitive decline, has long been controlled by Deeper State Globalist former US President Barak Obama, whose own clone now was wearing out.

Think about what that means. America, are we in deep trouble?

“UFO researcher Dr. Steven Greer has issued a chilling warning, claiming a major government False Flag Operation is imminent, designed to sow chaos and conceal the truth. He describes the situation as “very dangerous” and alleges that efforts are being made to stage events to distract from reality.

“Greer predicts that within the next 30 days, whistleblowers from six secretive black sites will come forward, unveiling a covert program dating back to the late 1950s. According to him, the Globalist Deep State is scrambling to maintain its grip on power as insiders expose their secrets.

“He also claims the government possesses advanced electromagnetic pulse weapons and technology capable of downing UFOs, cautioning that a dangerous escalation is planned between now and early January—just before Trump could take office.” ...The Q News Patriot on Telegram Sat. 21 Dec. 2024

A. Sun. 22 Dec. 2024 IRS Crimes: “Ken and Barbie vs. Goliath IRS”:

- **Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.** Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won’t be sentenced until **23 Dec. 2024.**

Wed. 18 Dec. 2024 Dear Faithful Friends and Family,

Unless a miracle happens before **Monday, December 23**, Judge Nielson plans to sentence me. The prosecutors have asked him to give me the maximum possible of an 84-month sentence and require me to pay the “victim” IRS \$723,28.65 in “restitution”. CRAZY!

Unbelievably, Judge Nielson has never addressed any of our motions for judicial acquittal, a new trial, or SCOTUS’ recent Moore vs U.S., a new ruling which has 100% vindicated Barbara and me, but promises to do so and will “only proceed to sentencing if necessary”. Haha!

People have asked if they may come to the court. YES, please! This sentencing hearing is scheduled for **Monday, December 23 at 1:30 p.m.** in room 7.300 at U.S. District Court, 351 South West Temple, Salt Lake City.

Good news. There appears to be a remarkable miracle in the works. A secret weapon that has come into play in the last couple of days. I can’t explain what it is until it happens.

Believe in miracles. Your prayers that God's will may be done are much appreciated.

With love and Merry Christmas,

Ken (& Barbara)

P.S. Psalms 142 in the New International Version of the Bible reads: Lord, "Set me free from my prison, that I may praise your Name. Then the righteous will gather about me because of Your goodness to me."

D. Long Term Structured Zim Payout System for Humanitarian Projects: QFS, NESARA, XRP, and Stellar – Redemption Rate = The Amount Paid For Each Zim Dollar... Julian Assange on Telegram

- **ALERT: The Quantum Financial Revolution is Here!** The Structured Payout System stands as the cornerstone of the Quantum Financial System (QFS), offering a transformative approach to managing redemption funds. This intricate system ensures secure, long-term cash flow for humanitarian projects while dismantling the control of traditional banking systems. The Redemption Rate determines the value of your Zim Dollar bonds during the appointment, activating Digital Gold Certificates in the QFS. This process guarantees that your funds are protected and utilized for humanitarian efforts over a term of your choosing, whether 10, 25, 50, 100 years, or beyond, as approved during your Redemption Appointment.
- **At the heart of this system lies the distinction between the Primary Principal, which calculates the redemption's total value, and the Secondary Principal, which is the actual amount deposited in your QFS account.** Payments are structured as a percentage of the Primary Principal—typically 10% annually—providing consistent funds for your projects. Immediate access to these funds, without waiting periods or external restrictions, ensures flexibility and control. Administered by the Alliance, these funds are safeguarded, securing your financial future against manipulation.
- **The Quantum Financial System (QFS) is nothing short of a revolution.** Built to overthrow the cabal’s stranglehold on global finance, it leverages quantum computing and artificial intelligence to create a decentralized, asset-backed economy. Unlike traditional systems that rely on fiat currencies and central bank policies, the QFS operates on tangible assets like gold, platinum, and oil. Real-time fraud detection powered by quantum technology ensures transparency and security, enabling swift action against any attempted manipulation. This shift represents a new era of financial freedom, where individuals and nations regain control over their financial destinies.
- **As the world transitions to the QFS,** the revaluation of the Iraqi Dinar and the integration of NESARA, XRP, and Stellar signal the dawn of a stable, value-driven

economy. The Structured Payout System aligns with this transformation, allowing Sovereigns to secure their futures and plan for long-term humanitarian impact. The Med Bed technologies further expand the possibilities, making it imperative to choose structured terms wisely, potentially extending beyond 100 years for those dedicated to rebuilding a better world.

- **The Cabal and their banking puppets are losing their grip as the QFS rises to redefine global finance.** This monumental shift empowers humanity, ensuring that financial resources serve the people rather than being tools of oppression. The Structured Payout System and the QFS are instruments of liberation, giving Sovereigns the ability to plan, budget, and execute projects that will shape the next century.
- **Now is the time to embrace this transformation,** setting aside disinformation and focusing on the truths provided by the Alliance. Humanitarians, the future is bright, and the tools for change are within your grasp.

H. Sat. 21 Dec. 2024: Obama's Global Spy Network Targeted Trump: New Evidence of Globalist Collusion, Secret Courts, and Black Sites Exposed! ...Nesara/Gesara on Telegram

- **The Deep State Is on the Brink of Collapse:** Here's the truth they can't bury: the Deep State is imploding. Obama's treason, once hidden behind layers of deception, is now exposed. Whistleblowers are stepping forward. Leaked documents are emerging. Patriots in the intelligence community are risking their lives to bring the truth to light.

- **The Elite’s Fear of Trump: Why They Had to Stop Him:** Why would Obama risk treason to stop Trump? Because Trump is the only president in modern history who wasn’t owned by the elites. He’s not a puppet. He doesn’t answer to globalist bankers, multinational corporations, or secret societies. His promise to “drain the swamp” wasn’t just a slogan—it was a declaration of war against the shadow rulers who’ve controlled America for decades. The elites knew Trump would expose their playbook. He was set to dismantle globalist trade deals, end endless wars, and pull America out of the clutches of foreign influence. More importantly, Trump’s presidency threatened the financial pipelines funding the Deep State. Without endless wars and manufactured crises, their cash flow dries up.
- **Fabricating Scandals: The Russia Hoax and Beyond:** The Deep State didn’t just spy on Trump—they manufactured evidence to create a smokescreen of scandals. The infamous Russia hoax wasn’t born from legitimate intelligence; it was a byproduct of Project Fulsome. Phony dossiers, funded by Clinton allies, were funneled through Obama’s network and legitimized by corrupted intelligence officials. The FBI and CIA, once trusted agencies, became tools of globalist oppression.
- **The Treasonous Web of Project Fulsome:** Project Fulsome wasn’t simply an intelligence operation—it was a covert war. Obama activated the highest levels of the intelligence community, partnering with Britain’s GCHQ to circumvent U.S. laws that would have made his domestic spying operation illegal. Why the U.K.? Because the globalists running GCHQ are just as invested in maintaining the power structures that Trump threatened to dismantle. Insiders reveal that Project Fulsome utilized advanced digital surveillance tools, originally designed for counter-terrorism, to monitor Trump’s communications.
- **Barack Obama, hailed as a hero by the elites,** orchestrated a high-stakes betrayal that has shaken the foundation of America. Evidence now proves that Obama weaponized global intelligence networks in an act of treason so audacious it makes Watergate look like a petty theft.
- **Join the Fight Against the Cabal:** Obama’s treason proves that the elites will stop at nothing to maintain their grip on power. But their arrogance will be their downfall. Patriots, the time to act is now. Demand accountability. Share the truth. Prepare for the next wave of revelations, because they’re coming. The Deep State is crumbling, but we must remain vigilant. The betrayal runs deep, and the fight is far from over. Stand with Trump. Stand with freedom. And never stop exposing the lies that have kept us enslaved. The world is watching, and history will remember who stood for truth.

I. BREAKING: Obama Named in Explosive Pedophile Investigation Linked to Diddy – The Scandal That Could Shatter the Nation! ...Benjamin Fulford

- **Barack Obama, once the untouchable icon of the left**, now faces the storm of his life. Federal investigators have reportedly linked him to an alleged pedophile ring tied to Sean “Diddy” Combs. Evidence is mounting, and insiders suggest it’s only a matter of time before the full truth is revealed.
- **The Democrats' Fatal Pandora’s Box:** In their blind pursuit of Trump, the Democrats shattered the unspoken rule of leaving ex-presidents untouched. That precedent has come back to haunt them. Now, Obama is poised to become the first former president to face prosecution, thanks to the very legal weaponization his party unleashed.
- **The Evidence That Could End It All:** Reports claim video evidence exists, directly linking Obama to the investigation. This isn’t baseless conjecture—this is reportedly cold, hard proof. Such evidence could tear apart not just his legacy but the entire Democratic Party.
- **A Shadow Presidency Unmasked:** Critics have long accused Obama of running the Biden administration from behind the scenes. If the allegations are true, this isn’t just a criminal scandal—it’s a crisis of legitimacy. Was the man allegedly involved in such heinous acts also pulling the strings of power?
- **The Media’s Role in the Cover-Up:** For years, the media shielded Obama, dismissing any criticism as baseless or bigoted. Now, with the evidence too damning to ignore, their silence implicates them as co-conspirators in covering up years of corruption and deceit.
- **A Party in Collapse:** The Democratic Party, already fractured, is imploding under the weight of this scandal. Obama’s downfall will leave a permanent stain on every Democrat who once revered him, raising questions about their judgment and complicity.
- **The Reckoning Has Arrived:** Obama’s legacy is crumbling, and the American people demand justice. This isn’t just about one man—it’s about proving that no one is above the law. The storm is here. The reckoning begins now.

J. Sat. 21 Dec. 2024: Proof Obama Rigged It All: Elections, FBI Raids, and Secret Deals with China—The Real Agenda They Don’t Want You to See! ...Julian Assange on Telegram

- **ALERT: The Reckoning Has Begun—Obama's Desperate Cry for Help:** Barack Obama’s speech at the Democracy Forum on December 5, 2024, was not a rally for preserving democracy. It was a desperate plea from an embattled operative whose years of deceit and manipulation are unraveling. Cloaked in rhetoric about rigged elections and government weaponization, Obama’s message was less about safeguarding democracy

and more about shielding himself from an imminent reckoning. The walls are closing in, and the web he and his allies have spun for over a decade is coming apart.

- **Obama’s speech was layered with coded messages to his globalist cronies**, thinly veiled threats, and outright lies meant to distract from his regime’s crimes. The so-called “protector of democracy” has been exposed as one of the masterminds behind the weaponization of government institutions. From targeting Tea Party groups through the IRS in 2013 to authorizing illegal surveillance on Donald Trump’s 2016 campaign using the discredited Steele dossier, Obama laid the foundation for the corruption we see today.
- **The FBI, under James Comey, became Obama’s personal enforcer**, orchestrating years of bogus investigations to undermine Trump’s presidency. Now, in a stunning act of projection, Obama accuses Republicans of election interference, even as his fingerprints are all over the Democratic Party’s history of rigged elections. Ballot harvesting, unsecured mail-in voting, and late-night vote dumps in swing states—hallmarks of the 2020 election—were perfected during his tenure.
- **Leaked documents reveal a secret Democratic “Election Task Force” created in 2014 under Obama’s direction**. Collaborating with Big Tech giants like Facebook and Google, this task force suppressed dissenting voices, amplified establishment narratives, and buried stories like the Hunter Biden laptop scandal. The result? A stolen election and a nation robbed of the truth.
- **Obama’s influence extends beyond U.S. borders**. Leaked State Department documents confirm his globalist agenda, including backdoor deals with foreign leaders that prioritized elite interests over American sovereignty. Operation Apex, a covert agreement with China in 2012, allowed Beijing to steal U.S. intellectual property in exchange for political leverage, accelerating China’s rise as a global superpower. Obama didn’t just permit this—he orchestrated it.
- **Even more damning are his ties to the Bilderberg Group**, the shadowy cabal behind the push for centralized digital currencies and global social credit systems. Obama’s policies were heavily influenced, if not dictated, by this group, whose agenda seeks to strip nations of autonomy and enslave populations under technocratic rule.
- **Hidden within Obama’s “global initiatives” is a secretive fund**, established in 2015, funneling billions into radical left-wing organizations worldwide. Disguised as social justice programs, this fund has incited riots, disrupted elections, and suppressed populist movements. Recent leaks link it to the violent uprisings in France in 2023 and the orchestrated migrant crisis in Europe, all aimed at weakening borders and increasing reliance on centralized control.

K. Sat. 21 Dec. 2024 Russia: SHOCKING ASSASSINATION! Russian General Investigating Ukraine Biolabs Blown to Pieces in Moscow! ...US Military Leaks on Telegram

- **EXPLOSIVE! Lt. Gen. Igor Kirillov**, the Russian general exposing U.S.-backed bioweapons labs in Ukraine, has been assassinated in Moscow. This is no coincidence—

Hunter Biden, Obama, and the global elites are implicated in this sinister plot. They thought they could bury the truth by killing him. They were wrong.

- **In a chilling act of violence, an IED hidden in a scooter** exploded in a Moscow neighborhood, killing Kirillov and an aide. Ukrainian intelligence confirmed it was a targeted strike ordered by Kyiv's Security Service (SBU). This wasn't random—it was a calculated attempt to silence a man who was unmasking the West's dangerous biological experiments in Ukraine.
- **Kirillov's Revelations: A Threat to the Global Elites:** Kirillov wasn't just another general. As the head of Russia's investigations into biological warfare, he uncovered evidence linking U.S.-backed Ukrainian labs to gain-of-function experiments—designed to create more deadly viruses. His findings implicated Western elites and vaccine giants like Pfizer and Moderna in profiting from engineered pandemics.
- **Hunter Biden: The Smoking Gun:** Kirillov traced funding for these labs directly to Hunter Biden's investment firm, Rosemont Seneca. Financial documents and emails revealed Hunter's involvement alongside George Soros, exposing deep connections to Ukraine's controversial labs. Just as this evidence came to light, Hunter received a sweeping federal pardon covering crimes from 2014 to 2024. Coincidence? Hardly.
- **Obama's Hand in the Plot:** Kirillov's investigation also pointed to Barack Obama. As a senator, Obama helped fund a Level-3 biolab in Odessa in 2010. Under the guise of research, these labs allegedly became breeding grounds for bioweapons. Kirillov argued that this was the foundation of a network designed to serve U.S. military interests, with devastating consequences for global health.
- **The Global Web of Corruption:** The plot deepens with Nathan Wolfe, known as the "Virus Hunter." Wolfe's company, Metabiota, received millions from the U.S. Defense Department and Gates Foundation. Wolfe openly supported gain-of-function research and had ties to Jeffrey Epstein, adding another layer to the tangled web Kirillov was exposing.
- **A Message to Patriots: The Fight Isn't Over:** Kirillov's assassination proves the elites are desperate. But his death cannot silence the truth. President-elect Trump must demand an investigation into these revelations. This is a battle for justice, and we will not back down.
- **The elites may think they've won,** but Kirillov's legacy will live on. Let his death be the spark that ignites the fight for accountability. The time for reckoning is now.

N. Sat. 21 Dec. 2024 STARLINK EXPOSES THE IRS'S DARK EMPIRE – TRILLIONS STOLEN, HUMAN TRAFFICKING, AND BLACK-BUDGET CRIMES UNCOVERED!

...Nesara/Gesara on Telegram

- **Elon Musk's Starlink has unleashed explosive revelations about the IRS's role in funding global chaos, trafficking networks, and covert operations.** As of December 2024, Musk's team has laid bare the deep corruption at the heart of the IRS, sending shockwaves across the world.
- **Starlink intelligence has uncovered "Operation Dominion Nexus," a covert IRS operation funneling \$12 trillion into black-budget programs in 2024 alone.** These funds are tied to sinister projects aimed at destabilizing nations and enforcing elite control. Payments to corporations to destroy crops and engineer artificial food shortages, forcing populations into submission, have been exposed. Evidence also links these funds to weather manipulation programs, including the advanced HAARP 2.0 system, used to unleash hurricanes, droughts, and wildfires on dissenting regions. Even more chilling, population control bioweapons targeting specific groups while protecting the elite have been identified. These crimes are not accidents but calculated moves to control humanity while enriching the globalist cabal.
- **Leaked financial data reveals that the IRS is directly funding human trafficking operations spanning the U.S., Europe, and Asia.** Funds labeled as "foster care subsidies" have been misused to support child exploitation programs. Encrypted communications intercepted by Starlink reveal high-ranking IRS officials coordinating with global trafficking networks to supply elites with their "resources." This shocking betrayal of public trust has ignited outrage worldwide.
- **Starlink has further exposed an alliance between the IRS and rogue military factions to silence whistleblowers and patriots.** Key operations include "The Phoenix Directive," a secret assassination program targeting over 3,000 individuals in 2024. Rogue factions have also weaponized satellites with IRS backing, using them to create

“natural disasters” to suppress dissent and target resistance movements. As Starlink unveils these dark alliances, the scale of corruption becomes undeniable.

- **The Global Elite, desperate to suppress Starlink’s revelations, have launched sabotage attempts against Musk’s network.** This includes deploying quantum disruption technology designed to crack Starlink’s encryption, launching rogue satellites carrying biological payloads aimed at SpaceX engineers, and orchestrating false flag cyberattacks to discredit Musk’s initiatives. Yet, Starlink engineers continue to thwart these attacks, reinforcing Starlink as an unstoppable force for truth.
- **Among the most startling revelations, Starlink has intercepted communications revealing the IRS’s role in hiding extraterrestrial technology.** Black-site contractors funded by the IRS are reverse-engineering alien tech for elite use, with facilities identified in Nevada and Antarctica. Musk has vowed to release this information, stating unequivocally, “Humanity deserves to know.”
- **Further exposing their agenda, the IRS, in collaboration with tech giants, is developing the “Digital Collar System,”** a biometric financial enslavement program. This system aims to eliminate cash and force all transactions through traceable digital accounts. Non-compliance would be penalized through financial restrictions tied to health data, while social credit scores would limit access to funds, travel, and employment. Musk has issued a stark warning: “This system is the death of freedom,” urging patriots to adopt the QFS and resist its implementation.
- **High-ranking IRS officials are now fleeing to bunkers** as Starlink tracks stolen wealth and exposes their crimes. Musk’s revelations have sparked a global movement demanding the IRS’s dismantling and the return of stolen funds. The collapse of the IRS appears imminent, and with it, the elite’s grip on power weakens.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

S. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own

organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. - **Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.** Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **23 Dec. 2024**.

Wed. 18 Dec. 2024 Dear Faithful Friends and Family,

Unless a miracle happens before Monday, December 23, Judge Nielson plans to sentence me. The prosecutors have asked him to give me the maximum possible of an 84-month sentence and require me to pay the "victim" IRS \$723,28.65 in "restitution". CRAZY!

Unbelievably, Judge Nielson has never addressed any of our motions for judicial acquittal, a new trial, or SCOTUS' recent Moore vs U.S., a new ruling which has 100% vindicated Barbara and me, but promises to do so and will "only proceed to sentencing if necessary". Haha!

People have asked if they may come to the court. YES, please! This sentencing hearing is scheduled for **Monday, December 23 at 1:30 p.m.** in room 7.300 at U.S. District Court, 351 South West Temple, Salt Lake City.

Good news. There appears to be a remarkable miracle in the works. A secret weapon that has come into play in the last couple of days. I can't explain what it is until it happens.

Believe in miracles. Your prayers that God's will may be done are much appreciated.

With love and Merry Christmas,

Ken (& Barbara)

P.S. Psalms 142 in the New International Version of the Bible reads: Lord, “Set me free from my prison, that I may praise your Name. Then the righteous will gather about me because of Your goodness to me.”

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
