**Judy Note: The truth behind Donald J. Trump's upcoming Mon. 20 Jan. 2025 so-called "inauguration":**

*Trump's real power actually began on Nov. 5 2016 when the country came under control of a military occupation. That is, Trump inherited the authority of a War Powers President, a Commander-in-Chief backed fully by the military. Trump then enacted eleven Emergency Executive Orders to consolidate power and extend military control over the government.*

*It was badly needed. International Satan worshipping, Pedophile Child Sacrificing Deep State Global Elites had secured full control of the US/World monetary system and was using the monies for their own nefarious purposes. That included Satanic Worship acts of pedophilia and Child Sacrifice to blackmail politicians and control fraudulent elections of World governments including in the US.*

*The Satan worshipping Deep State Global Elites were all about obtaining money, power and glory. They used that power to money launder US Taxpayer monies back to themselves and to back the New World Government's goals of having complete power over The People of the Earth through establishing SMART cities throughout the Globe where they had complete control over people's bank accounts.*

*Trump's first act the morning of his inauguration was to visit the CIA (the military force behind the Deep State) and declare a war on Child Sex Trafficking. He then worked with the BRICS Alliance toward a Global Currency Reset of 209 nations to gold/asset-backed currencies that traded at a 1:1 with each other.*

*That GCR actually began on Wed. 1 Jan. 2025 when the Deep State Globalists lost control of US Taxpayer monies. But, they weren't about to give up. A catastrophic cyberattack—codenamed "Operation Black Shroud" was set for Wed. 15 Jan. 2025 and aimed to dismantle global financial systems, erase wealth records, and plunge the world into chaos. However, Trump's Quantum Financial System (QFS), impervious to hacking, neutralized the threat.*

*It has been confirmed that arsonists set multiple fires that led to the massive Los Angeles inferno, while Democrats used their political power to not only start the fires, but to block fire mitigation. The fires were set to poison air, water and soil in order to make a Disaster Zone for the NWO Smart City which would entrap citizens – just like they did in Maui two years ago.*

*Now there is a possible manmade Earthquake that will strike Los Angeles within the next two days. And, disasters are said to await 16 other major US cities – all before Trump's "inauguration" on Mon. 20 Jan. 2015.*

*On Trump's side, not only was his Quantum Financial System now fully operational which takes the Deep State Cabal's money away, but Trump's White Hat Global Military Alliance has been rescuing millions of children from Deep State*

*Underground DUMB Tunnels across the World, his new Star Link Satellite System was set to take over the Fake News Mainstream Media, but his Global Military Alliance have been in the process of making mass arrests and holding military tribunals on the Deep State Global Elites.*

### C. Global Financial Crisis:

- **Sun. 12 Jan. 2025:** For over the last two weeks, both security investment companies, Schwab and Ally have denied allowance to sign in. They both claim they are working on problems and will be up soon, but this is going on the 3rd or 4th week and the problem still is not fixed. Could this be due to Quantum Financial System being implemented or the possibility of funds being released? Don't know that either but felt it might be important. ...Gustav Skurdal

### E. White Hats vs The Deep State Cabal:

**Sun. 12 Jan. 2025: BREAKING! Trump's QFS Is Fully Operational! Military Operations Strike Hard, Starlink Satellites Target the Elite, TOTAL PANIC Erupts as Desperate Secret Emergency Meetings Ignite Worldwide! ...Julian Assange on Telegram**

- **The battle for humanity's freedom has escalated into a decisive confrontation**, with Trump's forces executing bold countermeasures against the cabal's most insidious systems of control. On **January 11, 2025**, groundbreaking revelations unveiled the scope of this global operation, pulling back the curtain on truths that will shock even the most resilient minds.
- **The Elite's Cyber Offensive: "Operation Black Shroud":** Intelligence uncovered the cabal's plan for a catastrophic cyberattack—codenamed "Operation Black Shroud"—set for **January 15, 2025**. This operation aimed to dismantle global financial systems, erase wealth records, and plunge the world into chaos. However, Trump's Quantum Financial System (QFS), impervious to hacking, neutralized the threat. With servers protected in fortified underground

bunkers, equipped with quantum encryption, QFS has rendered the cabal's plans futile. A chilling intercepted message from the cabal read: "If we can't control the world's money, we'll destroy it."

- **The Antarctic Fortress: Secrets Beneath the Ice: January 11** exposed details about "The Last Citadel," an underground city beneath Antarctica's ice sheets. Trump's forces uncovered advanced energy labs, sprawling tunnels, and warehouses of ancient artifacts, including energy crystals capable of powering cities. A daring raid led to the capture of elite members, now held for interrogation. The secrets of this hidden fortress reveal centuries of suppressed technologies and plans for domination.
- **The Neural Dominion: AI-Controlled Governance Exposed:** Whistleblowers revealed the cabal's sinister AI project, "Neural Dominion," aimed at replacing human governance with deep-state algorithms capable of monitoring and manipulating thoughts. Biometric implants intended for mass populations were intercepted by Trump's team, and a Starlink-powered electromagnetic pulse dismantled the AI's central hub in Geneva, crippling the program.
- **Maui's Hidden Network: The "Elysium" Complex:** Investigations into the Maui fires unveiled an underground city named "Elysium," linked to human trafficking and genetic experiments. Tunnels connecting Maui to trafficking hubs in California and Australia were discovered, along with detailed records of the cabal's atrocities. This evidence, now in Trump's possession, will soon be revealed in phases.
- **California: A Bioweapons Facility Exposed:** In California, Trump's forces targeted a San Fernando Valley facility masquerading as a pharmaceutical research center. Evidence uncovered included bioweapons designed to target specific DNA sequences, a tool for the cabal's depopulation agenda. The facility's operations have been dismantled.
- **The Vatican: Financial Collapse and Accountability:** Forensic audits of seized Vatican vaults revealed over 900 secret accounts linked to trafficking, arms deals, and drug smuggling. Trump's team froze these accounts, bankrupting key players in the global elite, including royal families and corporate magnates. This financial reckoning has sent shockwaves through the cabal's network.
- **Global Panic and the Cabal's Last Stand:** Leaders of the cabal are scrambling in emergency meetings worldwide, plotting the creation of a "Global Emergency Council" to bypass national governments. Using pretexts like climate crises and cybersecurity threats, they aim to enforce martial law. Anticipating this, Trump's forces are strategically positioned to thwart their plans.
- **The revelations from January 11** mark a turning point in this monumental battle for humanity's liberation, signaling the cabal's impending downfall.

**F. Sun. 12 Jan. 2025 Revolution Disclosed: The Military Occupation Set in Motion by Trump's Executive Orders – The Reality Since November 5, 2016! ... Wikileaks Secrets on Telegram**

- **Disclose: the explosive truth behind Trump's inauguration—a military occupation that began in 2016 and continues today.** Dive deep into the secret power of the Judge Advocate General, military tribunals, and the war for America's future. The old government is gone—it's time to wake up!
- **Military Occupation: The Reality Since November 5, 2016** Let's be clear: the military occupation of the United States didn't begin on **January 20, 2017**. It started earlier, on **November 5, 2016**, when the new military-driven regime's wheels were set in motion. Since that day, the country has been under the control of forces far beyond conventional government's reach. And it's still happening, right under our noses.
- **Donald J. Trump didn't just inherit the presidency; he inherited the authority of a War Powers President,** a Commander-in-Chief backed fully by the military. Most Americans are oblivious to this fact, thanks to media complicity in keeping this truth hidden. But the signs are there for those who dare to look.
- **Emergency Executive Orders:** The Blueprint for Control Under Trump, 11 Emergency Executive Orders were enacted, each a step towards consolidating power and extending military control over the government. These EOs, still in effect today, were not mere policies but a blueprint for maintaining order in a nation on the brink. The Biden administration, nothing more than a puppet, has only extended these orders, ensuring the military's firm grip remains.
- **The Puppet Government:** A Nation Under Siege The current administration is a facade, a puppet government designed to maintain the illusion of democracy while real power lies with the military. The extension of Trump's Emergency Executive Orders is proof. The old system is dismantled, those in power arrested for treason.
- **The Wake-Up Call:** Accepting the New Reality The old system is dead, replaced by military control. The sooner Americans accept this, the better they'll be prepared for the challenges ahead. The government you thought you knew is gone, replaced by a system prioritizing national security and military oversight. Trump's inauguration marked this new era's beginning, and every day since has been a further step into this reality. The old system is gone, and it's never coming back. The military is in charge now.
- **The Future Under Military Rule** The U.S. is no longer the nation it once was; it's now governed by a military regime, operating behind scenes, pulling the strings of the puppet government the public sees. It's time to accept the truth and prepare for what's to come. In this new world, the military reigns supreme.
- **The Hidden Reality of Trump's Inauguration:** A Moment of Military Occupation January 20, 2017, wasn't just a peaceful transition of power. It was the formal start of a military occupation, a day when Donald J. Trump took command of a nation under siege. This was more than an inauguration; it was a clear signal that the military was now in control. The presence of military figures at the inauguration wasn't just ceremonial; it was a declaration of the new era of military justice and power.

**H. Laser Underground DUMB Tunneling by Gregg Ferstay:** Since at least 1972 large nuclear powered Laser Tunneling Machines have been used to make Underground DUMB Tunnels.

I worked underground in those tunnels drilling and blasting from 1968 to 2010. The DUMBS were connected by Mag Lev Trains that traveled at Mach 2 speeds. The air was exhausted in the Shuttle Tubes so there was no wind resistance.

There are DUMB Tunnels under every major world city like Denver and Dallas Fort Worth. There are levels of cities in the tunnels as the earth's crust is 800 miles thick. There are holes at the North and South Poles that you can see at night with the Northern and Southern Lights.

They melt rock at a billion degrees Kelvin and leave the tunnel walls (40+ in diameter) as smooth and hard as glass. The rock is vaporized so there is nothing to remove while tunneling as the machine advances at five plus miles a day.

The deeper ones were lazered down 6.2 miles or 10 kilometers and then a neutron bomb (without radiation) was sent down and detonated. That created a huge cavern from 10 miles to 30 miles in diameter.

The machines with multiple lasers were under US Patent 3693731 issued Sept. 26 1972 and US Patent 3885832 issued May 27 1975 for nuclear powered Laser Tunneling.

**K. Sun. 12 Jan. 2025 EXPOSED! WEF Insider Reveals LA Wildfires Were Engineered to Seize Land for 15-Minute Cities! ...Carolyn Bessette Kennedy on Telegram**

- **The Los Angeles wildfires were not accidents but deliberate actions by the globalist elite, aiming to poison our air, water, and soil and redistribute property to consolidate power.** This sinister scheme aligns with the "Build back better" agenda, intending to reconstruct society under the New World Order's blueprint.

- **Ground Zero: Los Angeles:** LA has become the focal point for a calculated assault on the populace, setting the stage for transforming disaster zones into so-called 15-minute cities—modern-day prisons disguised as smart cities to entrap ordinary citizens.

- **Years of Psychological Warfare:** The onslaught began with COVID and has escalated to include wars, economic crises, and an authoritarian stranglehold, all under the surveillance of a polarizing media fostering division and unrest.

- **Orchestrated Chaos: Direct Energy Weapons:** Evidence suggests that the recent devastating wildfires, the worst in LA history, were ignited by directed energy weapons from Area 51. This theory is supported by unusual fire behavior and strategic insurance cancellations, hinting at foreknowledge by major insurers.

- **The Elite's Land Grab:** Neighborhoods hit hardest, like The Palisades, targeted for transformation into smart cities for the 2028 Olympics, are now the focus of intense land acquisition by global elite entities like Blackrock and Vanguard.

- **Governor's Complicity and Administrative Negligence:** Governor Newsom and other officials exacerbate the crisis, withholding essential resources and diverting funds, illustrating a

betrayal of public trust. LA's leadership, from the mayor to the newly appointed fire chief focusing on diversity over disaster management, displays a flagrant disregard for citizen safety.

- **The Bigger Picture: A Dark Occult Practice** This disaster ties into ancient rituals of fire and blood sacrifices, a continuation of practices by the occult elite to increase their control over humanity, now conducted on a global stage to amplify their power.
- **The Impending Doom:** WEF insider warnings suggest that 2025 is only the beginning of planned chaos, with the elite poised to intensify their war on human health and freedom, using natural disasters as a pretext for enforcing oppressive climate policies and advancing their depopulation agenda.
- **A Call to Action:** This pivotal moment in history demands a strong resistance against the globalist agenda aiming for a Great Reset that threatens to dismantle human civilization as we know it. The battle lines are drawn in a war for our very essence, and it's time to stand up against these machinations with all our might.
- **Judy Note: On Sat. 11 Jan.** Klaus Schwab, founder of the World Economic Forum, more than admitted the LA fires were manmade for the purpose of the New World Order. He said, "From the ashes of LA a Smart City will emerge." [EXPOSED! WEF Insider Reveals LA Wildfires Were Engineered to Seize Land for 15-Minute Cities! Watch The People's Voice Video – amg-news.com – American Media Group](#)
- **According to Ben Fulford,** "The LA land is being "reset" and "reclaimed" to make way for their so-called "Smart City" digital prison. Under UN Agenda 2030, "Smart Cities" are being developed to force Americans out of rural areas and into heavily monitored and controlled "15-minute cities." It's a clear pattern: first the Maui fires, then the Texas fires, and now the Los Angeles fires. This is all part of the globalist NWO plan to destroy America. They know we won't go willingly, so they're leaving us no choice."
- **Ben Fulford: Welcome to Los Angeles – where you stand AGAINST PATRIARCHY and FOR DEI.** **Karen BASS** - Mayor of Los Angeles Salary: \$250,000 annually. Implemented systemic equity and inclusion within the LAFD. Donated surplus resources to Ukraine. **Janisse QUINONES** - CEO of LADWP Salary: \$750,000. Allowed fire hydrants to run dry while Pacific Palisades was burning.
- **Alex Jones BREAKING:** "Brain-Dead LA Mayor Karen Bass, Who Oversaw The Destruction Of Los Angeles, Is A Card-Carrying Communist Agent Working For Cuba."
- **Alex Jones REASON ALERT!** "It Has Now Been Confirmed That The Majority Of The LA Fire Department's Supplies Were Sent To Ukraine Over The Past Two Years & Democrat Leaders Have Overseen The Destruction Of Los Angeles By Firestorm."

- **The fact that the Deep State Cabal likely planned the disaster and set the fires** was further confirmed by how the land was prepared far in advance. Pacific Palisades' primary water reservoir, crucial for firefighting, was completely EMPTY when wildfires erupted. - **White Hats Fight FEMA Brigands in California.** <https://rumble.com/v68f8rm-white-hats-fight-fema-brigands-in-california.html>
- **In the aftermath of Hurricane Helene**, something very strange, and actually scary, was happening in North Carolina. FEMA agents didn't arrive for a week after the hurricane hit. When they finally did, they not only neglected to save stranded victims, but also confiscated donations, refused critical supplies, and threatened arrests for those trying to help. Government authorities grounded military helicopters and wouldn't give them the green light to fly.

- **The Mainstream Media** isn't covering any of this, while thousands have gone without food and water for over a week. Bodies are everywhere: floating in rivers, caught in trees. Entire towns wiped out. Volunteers faced threats of arrest just for trying to rescue their neighbors.
- **This is reminiscent of 2023 Maui and 2018 Paradise fires**, when FEMA seemed more interested in covering up evidence than helping victims. In Paradise, 50,000 people died, not the 100 reported by the MSM. In Maui, 97 were confirmed dead, with thousands still unaccounted. Now, North Carolina faces a similar fate—with FEMA showing up late or not at all, and seemingly working to block aid.
- **One North Carolina resident said**, "Marines arrived here a week late, and bodies are still everywhere." First responders are still waiting for orders, and volunteers trying to help are being threatened. The only way into the area was blocked by FEMA, and volunteer truckers hauling in supplies got their tires slashed.
- **Reports suggest that Pete Buttigieg** shut down aid flights into Western North Carolina. The FAA was being uncooperative with pilots trying to bring in supplies. Asheville police were threatening victims for trying to save their own belongings—belongings likely being stolen by FEMA personnel, as has happened before in Maui and Paradise.
- **A resident of Asheville** claims that Helene was manmade—an attempt to grab valuable lithium and quartz for computer chips. Just like in Maui, where they planned a Smart City after destroying traditional land. The Cabal's Blackrock recently signed a \$90 million contract for lithium mined from the very area now devastated by Helene—an area that FEMA quickly made inaccessible.
- **FEMA Director Deanne Criswell was** arrested by US Marines last year for crimes in Maui, but the pattern repeats. It's clear that FEMA and the government simply don't care if people live or die. Instead of using funds for those surviving emergencies, they're being diverted to NGOs for migrants.
- **Rumors are swirling about a militia being formed to confront FEMA in North Carolina.** Patriots are tired of waiting for help that's not coming. When will the Global Military Alliance step in and declare Worldwide Martial Law so we can help each other without government interference?
- **The Deep State Cabal** isn't just predicting food shortages—they're planning them. What's next?
- **Calling all Patriots:** Victims are banding together to help each other, but they need our support. Don't donate to FEMA or the Red Cross—they're known to misuse funds. Direct impact is key: donate to local churches or individuals, make sure help gets where it's needed.

**O. A Plea for Help Winston Perkins** [perkinstura1968@icloud.com](mailto:perkinstura1968@icloud.com)

Hello My name is Winston Perkins. I am an American citizen born abroad over 18 years old. I flew up to Montreal Canada to visit my mother for Labor Day weekend. After being here for 2 days I fainted while out exploring the city.

A Good Samaritan witnessed me collapse and immediately called 911! The police and an ambulance brought me to the Montreal General Hospital. A physician asked me about my symptoms and deduced that I had kidney stones. He then used an ultrasound to confirm that all the stones were gone. He said that I must have released them on the way to the hospital. He then said that I was free to go!

I asked a nurse to use a phone to call my father (who was a practicing microsurgeon in Atlanta Georgia ). My father told that he would stop what he was doing and immediately fly up to see and assist where he could. My father arrived a few hours later. He asked me if I passed any blood in my urine? I answered "yes". He then smiled and said that he and his 6 brothers suffered the same fate but survived! He then directed me to gather my belongings and follow him to the nurse station to check out.

After signing out we both exited the hospital. We were stopped by the hospital security! They informed us that my father was free to go but that I was not!!! My father said that I should go back inside the hospital and he would get a valid reason for this inconvenience. My father asked to speak to the head of the department. A man approached us and introduced himself as the head of the department. He told us that I would be an ideal candidate for testing a new drug that just was passed by the FDA for its efficacy. My father stopped the physician in his tracks and said "when did it become legal to use human beings as Guinea pigs!?!"

At that moment my father got a call from his realtor who he hired to sell my father's medical practice. The realtor gave my father great news!!! He said that 5 surgeons decided that they were willing to purchase my father's practice for the price my father listed his practice for without negotiation!!! My father said that he would fly back to Atlanta to finalize the transaction in person. My father turned to the head of the department and asked him if it would be ok if I could say for one more night and first thing in the morning go downstairs and take a prepaid limo to the airport and fly back home in the US...ie...NYC? The physician said that my father's request would be fine and with that my father kissed me and he was off.

Within 15 minutes I was told by a hospital worker that he was taking me to another hospital that would better suit my needs!?! In the way to this hospital I asked the driver where exactly was he bringing me to and he answered the Royal Victoria Hospital...geriatric division!?! When we arrived I approached the nurses station and cordially asked the night nurse if she was aware that my presence at this hospital must be a mistake!?! She said that I should go to bed and in the morning tell "my attending physician". First thing in the morning a palilitive physician approached my bed. She came to bascucally inform me about my rights!!! She stated that I could not leave the hospital without being seen by a judge!!! I asked her if this treatment she was putting me through normal protocol!?! She said she could decide who could be majorly inconvenienced at her discretion!!!

Days turned into months and then a year!!! I was coerced into taking to a psychiatrist. He asked me what would like to see things happen immediately and I answered I want to return to my home ASAP! He then informed me that his impression of a patients cognitive ability could easily sway a judge's decision!!! He then said that he would submit a negative report based on what he felt about me...basically his opinion!!!

My day in court felt surreal!!! This geriatric physician swore under oath that she was a good study in university and had experience working with patients who had AIDS!!! First off I don't have AIDS!!! This female was out to get me knowing nothing about me!!! The didn't ask the geriatric physician if she had a degree in this field!!! After going into depth and lying that people with AIDS loose their ability to make rational decisions!!! Another lie!!! After her brutal monologue and the judge asking maybe 2 questions he asked for a recess.

After a short deliberation he was ready to sentence me!!! This was not a criminal case!!! He looked at me and said that he didn't feel comfortable allowing me to live out my life as a free man!!! He said that wasn't convinced that I was fully aware of the danger of my condition and that I could infect innocent naive females!!! Fact at that time I had been positive for over 30 years and never infected anyone!!! This unreal situation felt like a nightmare!!! The civil judge overstepped his jurisdiction!!!

I was sent to an elderly nursing hospice (to languish and die )!!! Government long term living facilities are brutal!!! I never consented to any medication but the social worker said if I refused I would live out the rest of my life in this hellish environment!!!

I was sexually molested by a male physician for an entire year without consequence!!! My fundamental human rights were ignored! My thoughts and my rational was squashed!!! This is torture. I am still here in this vile building!!! I implore to organize an intervention and sue on my behalf for full compensation for torture within a healthcare setting?

Please expedite my claim because I have no faith in these severely indoctrinated souls!

Thank you kindly. **Winston Perkins** 1 438 525 4263 [perkinstura1968@icloud.com](mailto:perkinstura1968@icloud.com)

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**R. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **T. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That

Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.
