I pray you’ll be our eyes

And watch us where we go

And help us to be wise

When we lose our way

*Pray for the Disaster Victims, Pray for the Children, Pray for the Nation*

**Judy Note: On Monday 13 Jan.** Joe Biden said he was giving \$770 to victims in California who lost everything the fires – that he claimed were caused by Climate Change.

**The fires were caused by Climate Change? Really?** The true problem that fed the still out-of-control fires was obvious: There was no water in fire hydrants or in the water reservoir, long ago monies tax payers allocated for more reservoirs, had never been built – the monies vanished – and the LA Fire Department budget was drastically cut so much so that insurance companies withdrew their home owner policies a few months prior to the fires.

**And, \$770 for people who lost everything? WOW. That's the same amount Biden gave to Hurricane Helene victims in North Carolina** who lost everything, too. Wonder if he's giving it as a loan, like he did for the North Carolina victims, who had to pay it back within a year or they lost the deed to their property – which many did.

**After all, North Carolina was obviously a land grab** to gain control of valuable mines in the area that Kamala Harris's husband had a high investment in.

**Speaking of political involvement in the manmade disasters,** it has been confirmed that “Arsonists set multiple fires that led to the massive LA inferno, while state and federal Democrats blocked fire mitigation prior, ensuring their firestorm's success. The Los Angeles fires were apparently caused by Globalist Elites to poison air, water, soil and make disaster Zone Smart Cities to entrap citizens.” ...Carolyn Bessette Kennedy on Telegram

**Speaking of land grabs, Los Angeles has long been planned to be the home of a SMART City** – just like in Liahona Maui. Maui Victims of fires (believed deliberately caused by Direct Energy Weapons as in LA), received the same \$770 loan, and then lost their land when they didn't pay it back within a year.

**Now Liahona Maui is planned to be a SMART City** – where the Cabal has complete control of the population and their bank accounts.

**How do we know? On Fox News Mon. 13 Jan. 2025** California Governor Gavin Newsom (nephew of Nancy Pelosi in their Mafia family), was talking about his plans for a SMART City in LA to host the Olympics. Instead of saying how he planned to conquer the out of control fires that were still ravaging LA, or how he was helping the victims, Newsom openly bragged about how he was working with the Hawaii governor to build their own SMART Cities.

**To top it off, Kayleigh Kennedy is exposing on Telegram** hidden truths behind the powerful Elite connected to Epstein Island. Names, connections and shocking detail of undeniable evidence were being revealed. Many of these figures were tied to the recent fires in Los Angeles. Kennedy's investigation uncovers secret laboratories and operations hidden in these burned-down properties. Could this be part of a bigger cover-up?

**Mon. 13 Jan. 2025 The Truth Behind Donald J. Trump's Upcoming "Inauguration" on**

**Mon. 20 Jan. 2025: ...Camp Delta on Telegram**

- **Donald J. Trump's authority as a War Powers President** was established on Nov. 5, 2016, signaling the beginning of military-backed control. He implemented eleven Emergency Executive Orders to enhance this military governance.
- **Underneath this facade, an international Cabal of Satan-worshipping,** child-sacrificing Deep State Global Elites dominated the global monetary systems. Their

unspeakable acts were aimed at controlling politicians through blackmail and orchestrating fraudulent elections worldwide.

- **These Elites funneled US taxpayer money back to their coffers**, supporting their vision of New World Government. Their plan included SMART cities worldwide, aiming to control the populace by managing their financial transactions.
- **On the morning of his supposed inauguration**, Trump's first order of business was a visit to the CIA, pledging to dismantle the networks involved in Child Sex Trafficking. He also collaborated with the BRICS Alliance for a Global Currency Reset among 209 nations, ensuring a uniform asset-backed currency system.
- **This reset kicked off as the Deep State lost grip over U.S. taxpayer funds on Wed. 1 Jan. 2025.** Despite their loss, a planned catastrophic cyberattack, "Operation Black Shroud," intended to disrupt global finance on Wed. 15 Jan. 2025, was thwarted by Trump's Quantum Financial System, designed to be hack-proof.
- **Confirmed reports indicate that the recent massive fires in Los Angeles** were acts of arson facilitated by Democrats to promote the agenda of the New World Order by creating disaster zones conducive to SMART city development.
- **An impending manmade earthquake** is expected to hit Los Angeles soon, with potential disasters looming over 16 major U.S. cities before Trump's inauguration.
- **Trump's extensive military alliances** have been active, rescuing millions of children from Deep State-operated underground facilities. His Star Link Satellite System is set to override mainstream media narratives, while mass arrests and military tribunals target the Deep State elites.
- **On Sun. 12 Jan. 2025**, dramatic developments unfolded as Trump's Quantum Financial System became fully operational, signaling intense military operations against the elites, causing widespread panic and secret emergency meetings globally.

With the US Corporation dissolved, Donald Trump has reclaimed his rightful role as Commander-in-Chief, heralding a new era for the American people.

**G. Mon. 13 Jan. 22025 Tik Tok. The countdown continues.** ...JFK Awakening Q17

- **The countdown began in September 2008**, with the outset of this Fourth Turning. Everything that has happened in the last sixteen years has led to this point in history. There is one absolute regarding a Fourth Turning – they never de-escalate. They build towards a crescendo of death and destruction, before a resolution and climax.
- **We are entering the most perilous portion of this Fourth Turning**, where many will die and the battle between evil and good will hang in the balance. In the past week we have seen Ukraine/US/NATO invade Russia, then bomb a nuclear power plant, provoke Belarus, and try to goad Putin into a response which will enable them to openly go to war with Russia.
- **Meanwhile, Israel assassinated the one Hamas leader (in Iran)** trying to negotiate a peaceful resolution to their war, knowing this would provoke Iran to respond in a way

that will make the Israel controlled US Congress go to war with Iran. As a cherry on top, Israel and the US keep bombing Syria, knowing Russia is militarily supporting them against Israel and the US. Carrier groups and subs with Tomahawk missiles are moving towards the Middle East. Russia is bombing Kiev. Belarus is moving troops toward the Ukraine border.

- **We are also led by dementia ridden morons**, low IQ woke bureaucrats, and some of the stupidest world leaders in the history of mankind. I can't help but think of the domino scene in V for Vendetta. With so much chaos across the globe, someone is going to do something stupid, and WW3 will begin.

- **The Democrats' Fatal Pandora’s Box:** In their blind pursuit of Trump, the Democrats shattered the unspoken rule of leaving ex-presidents untouched. That precedent has come back to haunt them. **O. Mon. 13 Jan. 2025 EXPOSED! WEF Insider Reveals LA Wildfires Were Engineered to Seize Land for 15-Minute Cities! ...Carolyn Bessette Kennedy**

- **The Los Angeles wildfires** were not accidents but deliberate actions by the globalist elite, aiming to poison our air, water, and soil and redistribute property to consolidate power. This sinister scheme aligns with the "Build back better" agenda, intending to reconstruct society under the New World Order's blueprint.
- **Ground Zero: Los Angeles:** LA has become the focal point for a calculated assault on the populace, setting the stage for transforming disaster zones into so-called 15-minute cities—modern-day prisons disguised as smart cities to entrap ordinary citizens.
- **Years of Psychological Warfare:** The onslaught began with COVID and has escalated to include wars, economic crises, and an authoritarian stranglehold, all under the surveillance of a polarizing media fostering division and unrest.
- **Orchestrated Chaos: Direct Energy Weapons:** Evidence suggests that the recent devastating wildfires, the worst in LA history, were ignited by directed energy weapons from Area 51. This theory is supported by unusual fire behavior and strategic insurance cancellations, hinting at foreknowledge by major insurers.

- **The Elite's Land Grab:** Neighborhoods hit hardest, like The Palisades, targeted for transformation into smart cities for the 2028 Olympics, are now the focus of intense land acquisition by global elite entities like Blackrock and Vanguard.
- **Governor's Complicity and Administrative Negligence:** Governor Newsom and other officials exacerbate the crisis, withholding essential resources and diverting funds, illustrating a betrayal of public trust. LA's leadership, from the mayor to the newly appointed fire chief focusing on diversity over disaster management, displays a flagrant disregard for citizen safety.
- **The Bigger Picture: A Dark Occult Practice:** This disaster ties into ancient rituals of fire and blood sacrifices, a continuation of practices by the occult elite to increase their control over humanity, now conducted on a global stage to amplify their power.
- **The Impending Doom:** WEF insider warnings suggest that 2025 is only the beginning of planned chaos, with the elite poised to intensify their war on human health and freedom, using natural disasters as a pretext for enforcing oppressive climate policies and advancing their depopulation agenda.
- **A Call to Action:** This pivotal moment in history demands a strong resistance against the globalist agenda aiming for a Great Reset that threatens to dismantle human civilization as we know it. The battle lines are drawn in a war for our very essence, and it's time to stand up against these machinations with all our might.

**P. Mon. 13 Jan. 2025: White Hats Fight FEMA in California ...Julian Assange on Telegram**

- **As flames from the Pacific Palisades encroached upon Mandeville Canyon and Interstate 405, Los Angeles County officials handed sweeping powers to the Federal Emergency Management Agency (FEMA),** effectively placing the region under de facto Martial Law. Evacuation orders and curfews were enforced under the threat of imprisonment, banning residents from venturing outdoors between 6:00 p.m. and 6:00 a.m. FEMA's arrival in Malibu and Woodland Hills on Thursday evening, however, did not go unnoticed, as White Hats mobilized swiftly to counter the agency's movements.
- **"Our mission isn't about protecting elites in Malibu,"** said a source in General Eric M. Smith's office. "It's about challenging FEMA wherever they overstep their bounds. If we help Californians in the process, that's incidental." The source further suggested that FEMA's history—allegedly linked to disasters such as the Maui fires—prompted the general to act when armed FEMA agents entered California's fire-stricken zones.
- **General Smith dispatched 1,500 Marines from Camp Pendleton** with explicit orders to disarm and repel FEMA agents and establish a defensive perimeter to block further FEMA convoys. Meanwhile, support came from US Army Special Operations Command, which sent two Special Forces detachments, and Naval Special Warfare Command, which contributed a SEAL team when credible intelligence emerged about a FEMA barge heading toward Malibu. The SEALs intercepted the barge, disguised as a

hospital ship, and neutralized its armed crew after they refused to surrender. The operation resulted in 15 FEMA fatalities, while only one SEAL sustained minor injuries.

- **Elsewhere, tensions reached a boiling point in Woodland Hills**, where Marines confronted FEMA agents and their California National Guard escorts. FEMA claimed to be delivering emergency supplies, but searches of their vehicles uncovered only firearms and 150 5-gallon cans of gasoline. When questioned, FEMA and the National Guard offered conflicting explanations for the fuel, with the Marines ultimately deducing foul play. A standoff ensued when FEMA personnel and guardsmen became belligerent, reaching for their weapons. The Marines, operating under orders to use lethal force if threatened, swiftly neutralized the aggressors, resulting in the deaths of seven FEMA agents and 11 guardsmen. The cache of weapons and gasoline was seized.
- **Amid the chaos, General Smith's forces** focused on uncovering FEMA's true intentions. "We've been at war with FEMA for years because they've repeatedly demonstrated they're not just about disaster relief," the source noted. "This could be another Deep State ploy to clear the way for Smart Cities, like what we suspect happened in Maui."
- **White Hats remain in California**, determined to expose FEMA's role in the fires and thwart any hidden agenda. "We're not leaving until we know the truth," the source said, underscoring their resolve to challenge FEMA wherever necessary.

#### **R. Mon. 13 Jan. 2025 To The Squares, Simps, & Guppies:**

- **The Sinaloa Cartel**, like all sophisticated criminal organizations, is not a mere gang it is a sprawling, multi-layered enterprise embedded across industries and professions. To dismiss their reach is to underestimate their power. The fire department, like many other institutions in Mexico, can serve as a convenient and covert operational arm for the Cartel.

## What would make the Sinaloa Cartel Useful In California Wildfires?

- **Unrestricted Mobility:** Firefighters can traverse restricted or high-security areas without suspicion.
- **Official Access:** Vehicles and personnel are often granted clearance during emergencies, allowing them to bypass checkpoints and inspections.
- **Neutral Appearance:** The profession's humanitarian image provides an ideal cover for illicit activities.
- **Fire trucks and emergency vehicles** can easily transport drugs, weapons, cash, or even trafficked individuals without raising alarms.
- **Cartel operatives** within fire departments are trained to use emergency routes and equipment to smuggle contraband under the guise of responding to crises.
  - **Example: During wildfire evacuations,** a fire truck could covertly transport high-value assets or sensitive evidence out of a targeted zone under the pretext of rescue operations.
  - **Firefighters with Cartel** affiliations can act as “clean-up crews”:
  - **Setting or exacerbating fires** to destroy incriminating locations, such as drug labs or hidden trafficking hubs. Do you have a better understanding why Mexican firefighters are being flown in now?

- **Revelations Flood In: As of January 6, 2025**, the veil of secrecy has been lifted, revealing deep-rooted deception involving NESARA, GESARA, and hidden alien technologies. These disclosures are reshaping our understanding of global power dynamics.
- **NESARA and GESARA Activation:** Implementation has accelerated, with Redemption Centers worldwide now operational, staffed by biometrically verified operatives. Yet, some nations, like Canada and Australia, are restricted due to their covert cabal alignments.
- **Vatican's Dark Secrets Exposed:** A raid on Vatican archives unveiled the "Black Vault," containing evidence of financial manipulation and mass control spanning centuries, directly tying the Vatican with global financial and intelligence networks.
- **Alien Technology Recovered:** Covert operations have reclaimed alien technologies that could revolutionize energy and health sectors. These include anti-gravity devices and healing chambers, previously hoarded by the cabal to maintain their dominance over global resources.
- **The Shadow Banking Network Unraveled: January 2025** also exposed a hidden elite banking system, the "Shadow Grid," which facilitated vast illegal activities. The Quantum Financial System (QFS) is now tracking and dismantling this network, leading to over 300 high-profile arrests.
- **CRISPR and Global Vaccine Agenda:** Whistleblowers have linked global vaccination efforts to a sinister plan using CRISPR technology for DNA manipulation, aiming to create a compliant workforce. Countermeasures are being prepared to restore human DNA integrity.

- **Human Cloning Labs Exposed: January 2025** brought to light human cloning facilities intended for producing programmable humans to infiltrate key positions globally. These facilities have been dismantled, with all data and equipment seized or destroyed.
- **The Final Countdown Begins:** With each revelation, the old order is crumbling. NESARA and GESARA are moving from myth to reality, marking the start of a new era

of transparency and innovation. This is a critical moment in history; the battle for truth and freedom is intensifying.

#### **U. Mon. 13 Jan. 2025: The Underground War Rages On! Sinister Tunnel Uncovered: New Human Trafficking Passage Fuels Cartel Crimes ...The 17<sup>th</sup> Letter on Telegram**

- **A Bombshell Discovery at the U.S.-Mexico Border:** A hidden tunnel in El Paso exposes a grim reality: cartels trafficking Venezuelan women and smuggling drugs. Our border security battles a war zone beneath our feet, and it's time to crush these underground empires.
- **The Hidden War Beneath Our Feet—Dark Tunnels of Exploitation:** In El Paso, Texas, Border Patrol agents have uncovered a "historic" network of underground tunnels stretching into Mexico, not just for contraband but chillingly used for trafficking Venezuelan women.
- **The El Paso Tunnel: A Gateway to Hell:** This sophisticated tunnel, believed to have been built within the last year, is a meticulously designed corridor for drugs and human misery.
- **Narco-Tunnels: The Underground Crime Highways:** These are not mere holes but engineering marvels—subway systems for criminals, funneling drugs directly into American communities.
- **Human Smuggling: The Darker Truth Beneath the Drugs:** These tunnels are conduits for trafficking vulnerable women into exploitation. Imagine the desperation of Venezuelan women, fleeing chaos only to be thrust into these dark passages.
- **A System Rigged Against Us:** Despite billions poured into border security, criminals ingeniously burrow beneath. These tunnels are not anomalies but symptoms of a broken system.
- **The Global Crisis: Why Venezuelan Women?** Venezuela's collapse has turned its citizens into easy targets for trafficking, with many lured under false pretenses of safety, only to face brutality.
- **A War on Multiple Fronts:** This battle is more than border security; it's a war on organized crime. Cartels exploit every loophole, using tunnels as a weapon in their terror arsenal.
- **El Paso: A Warning and a Reckoning:** The El Paso tunnel is a stark warning and a call to action. We must enhance our defenses, dismantle cartel operations, and protect the vulnerable.
- **The Underground War Continues:** These tunnels declare war against our values and humanity. We must respond decisively

#### **V. Mon. 13 Jan. 2025 Mexico: Drug Cartels Have Complete Control**

- **Drug Cartels own everything in Mexico:** Governments, Media, Hotels, Resorts, Malls, Stores, Hospitals, Police, Etc.
- **Guess what?** The Cartels also work in all of those industries. Why do you think entire busses of tourists can come up missing and no one has been caught?
- **Think I'm lying?** Go look up that story of the 43 missing students in 2014 in Iguala. How do you think all those candidates who were running against Claudia Sheinbaum Pardo were all killed and nothing was done about it? Citizens in Mexico do not even come out at night.
- **All the nightclubs are run by Cartels.** All the bars are run by Cartels. All the strip clubs are run by Cartels.
- **Do you all know how many women came up missing** during those Cancun spring breaks? If the Cartels think you are attractive they will use the Police to arrest you and bring you to a Cartel member and you will be raped and then killed.
- **You can accidentally get on a bus in Mexico as a tourist** and it will be full of smuggled drugs. And you are oblivious to it. You can drive off away from the intended destination where those drugs were supposed to go and be chased down by Police. Who would then notify the Cartels and you come up missing simply because they think you tried to run off with their stash.
- **All you have to do is go watch the interviews with Hector Berrellez.** He gives a detailed rundown on the Cartels and tells many stories of drugs wars and the human collateral damage.
- **The Cartels have a stranglehold on the labor force in the tourist industry in the states.** Someone told me they worked in the ski industry in the 90s and anyone who was not a US citizen was being trafficked by the Cartels.
- **They pay the Cartels for their housing,** ID, P.O. Box, phones, debit cards, etc.

**W. US Court Injustices with Sheriffs, Judges, Police complicit. All Courts are Banks. All Statutes are Bonds. It's all about \$\$\$ in exchange for trafficking the Living Man linked to the Straw Man on the Birth Certificate:**

**Mon. 13 Jan. 2025 THE IRS SCAM – CONTRACTOR’S LIENS ...Edward Snowden**

- **The IRS uses Common Law Contractor's Liens.** Associated with contractors working on homes today, it actually means Contract Law Lien.
- **The scam goes like this:** They send you a notice they think you owe them \$15,000 for profits you earned in 2022. That's actually Notification of Debt Owed (or similar), where you now have some 15 days (or so) to respond saying "no, I don't" in order to vacate the POSTED CLAIM.
- **POSTED comes from old-time towns** where there was a wooden post in the middle of town, where if you had a grievance against someone, if you nailed it up on the POST, then within a couple of weeks, it was assumed you would see it and respond if it was not

true, because everyone in town would see it and rumors would start flying if you didn't. This is where we get the term 'post' (mail) of today, or 'postal service'.

- **So, following Common Law**, when you respond within the allotted time by post (registered mail with a receipt showing you did send it and they did receive it), you now have proof that you had vacated the grievance, forcing them to either drop it, or start all over again with a new claim.
- **Here's the thing: you can CLAIM any grievance you want.** It does NOT have to be valid. If someone fails to respond in the time given, it is assumed you are guilty and owe them whatever it is you're asking for.
- **Next is the Notice of Notification** (these can be referred to slightly differently), where you list that you sent the original Notification on say 7/10/23 and by 7/25/23 you never heard any response to the claim, for instance. Now you get a second chance at refuting the claim or you remain silent, proving positively that you are guilty by your silence.
- **Next they send you a Notice of Collection (or similar).** Where they list when the 1st Notice was sent, when the 2nd Notice was sent, both having been ignored, and now these three notifications will be presented to a judge to issue a collection order with the Sheriff.
- **At this point they send the papers to the Sheriff,** that will settle the debt for them. They can attach bank accounts, lien your home, kick you out of the home, repossess your car, etc. because legally you are guilty and have to now pay up.
- **The problem is, they STOPPED teaching common law to everyone the same time central bankers set up the whole fiat currency** backed by nothing but the lives of Americans and instituted this massive taxation grift. So no one knows these notices are something they HAVE TO RESPOND TO in order to cancel them.
- **The IRS has NO LEGAL RIGHT** to pull this grift on you, but the Central Bankers (that own the IRS, an independent, non-governmental agency) BUY all judges, lawyers, Congress, Senate who now all go about allowing them to get away with it decade after decade.

#### **Y. Mon. 13 Jan. 2025 BOOOM! Breaking News: Mel Gibson Exposes Big Pharma Plot to Suppress Turbo Cancer Cure ...John F. Kennedy Jr. on Telegram**

- **BOOOOM! Mel Gibson's truth bomb:** Big Pharma is hiding a turbo cancer cure linked to vaccines and pushing him into silence. The fight for truth ignites NOW!

- **Mel Gibson Claims Big Pharma Wants Him Dead for Exposing Turbo Cancer Cure:** Whistleblowers risk everything to unveil the billion-dollar cover-up. Gibson asserts Big Pharma is stifling dissenters like him to protect profits from a hidden, revolutionary turbo cancer cure.
- **The Smear Campaign Against Ivermectin:** Once celebrated and Nobel Prize-winning, Ivermectin's image plummeted during the pandemic as media and governments painted it as mere "horse medicine." This campaign wasn't about health; it was about safeguarding Big Pharma's vaccine profits against a cheaper alternative.
- **The Rise of 'Turbo Cancers' – A Trillion-Dollar Tragedy:** Reports and data suggest a scary rise in aggressive, rapid-onset cancers following Covid-19 vaccine rollouts. Big Pharma's influence over regulatory bodies helps them dodge scrutiny over vaccine safety, yet brave voices like Gibson are starting to crack their facade.
- **Mel Gibson's Shocking Revelation – A Hollywood Icon Speaks Out:** Four of Gibson's vaccinated friends developed Stage 4 cancer rapidly. Turning to alternative treatments outside Big Pharma's playbook led them to miraculous recoveries, challenging the industry's monopoly on health solutions.
- **Why Big Pharma Fears the Cure – Profit Over People:** A real cancer cure would shatter the medical industry's profit model, which banks on managing, not curing, chronic illness. Cancer treatments are a \$200 billion per year market. A true cure would disrupt this profit stream entirely.
- **The Science Big Pharma Doesn't Want You to Know – The Case for Alternative Medicine:** Emerging research shows Ivermectin's potential against cancer, but Big Pharma's PR juggernaut overshadows these findings. Gibson's friends are proof that remission is possible through alternative approaches.
- **Breaking the Silence – A Movement Grows:** Worldwide, a movement grows as doctors, researchers, and citizens challenge the status quo, pushing back against turbo cancer secrecy and the suppression of alternative treatments. Social media, despite censorship, serves as a battleground for truth.
- **The Call to Action – Taking Back Control:** This fight is more than medical; it's a battle for autonomy and the right to question authority. It begins with demanding transparency and access to life-saving treatments.
- **Closing Thoughts:** The struggle against turbo cancers and medical tyranny demands boldness. Voices like Gibson's inspire a wave of change, spotlighting the need for truth in a world dominated by deception.

**Z. Mon. 13 Jan. 2025 Trump is about to change the world. How? Through bold initiatives in free trade and elections. ...Gitmo TV on Telegram**

- **Trump, wielding control over the mightiest military and the Federal Reserve, is forcing the Cabal into submission. He's strategically focusing on three countries to herald**

the end of their old ways and the dawn of a new era. Trump's actions are setting a precedent for what's to come globally.

- **Why Canada? Canada's economy is deeply intertwined with the U.S.,** having benefitted from American taxpayers for years through a massive trade deficit. Trump plans to impose reciprocal tariffs that will reshape this dynamic, compelling Canada to lower their tariffs or face economic turmoil. This move is expected to prompt other nations to follow suit, enhancing global trade fairness.
- **Trump is making tariffs GREAT AGAIN.** He aims to implement a worldwide tariff cap to dismantle cabal control and elevate impoverished nations by ensuring they can fairly utilize their natural resources. Trump envisions a world where free trade is genuinely free, eliminating forced poverty.
- **Why the Panama Canal? The U.S. built the Panama Canal,** a monumental task paid for with American capital and lives. Trump's plan is to democratize its use, allowing universal access at low or no cost, ensuring it serves global trade rather than being a tool for economic coercion.
- **Why Greenland? Greenland may soon shift from Danish control towards independence or even integration into the U.S.** Trump suggests this move will exemplify his broader goal: to return power to the people and ensure fair, fraud-free elections worldwide through innovations like blockchain.
- **The Constitution as a Blueprint for Freedom** Trump believes the U.S. Constitution's emphasis on people's power over government is a model for the world. He envisions a global shift where nations adopt similar frameworks, ensuring true democratic governance.
- **In essence, Trump's vision extends beyond mere policy changes;** it's about reshaping global governance, empowering citizens, and ensuring free trade underpins a new world order. This is not just policy; it's a revolution.
- **Been part of the Plan all along.** Think 7 Kingdoms. Freedom for the World.

**ZZZZZZ. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? *"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.*

*"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*
