*“No dream is too big, no challenge too great. Nothing we want for our future is beyond reach.”
...Donald Trump, Five days and counting*

Judy Note: *What we think we know as of Wed. 15 Jan. 2025:*

We know through the Aug. 2023 Maui experience that Satan worshipping pedophiles wishing to land grab, cause chaos and take over the World, had access to California infrastructure with the ability to set fires and then shut off water to fight it, plus cut of the main power supply, air traffic control and communication centers.

We know that both Maui and LA were predetermined sites for the building of SMART Cities.

We know that the same techniques of using Direct Energy Weapons to set and fuel the Maui and LA fires in land grabs so the Deep State Elite could force people into FEMA camps and build SMART cities on the properties to rule the World in their Depopulation Agenda.

We know that Biden is a pedophile with a underground tunnel beneath his 200 acre Ukraine property that has been used for Child Sex Trafficking.

We know that Obama is gay, Michelle is a dude and they, along with Biden, the Clintons and who knows how many other Satan worshipping Elites, held Satanic Pedophile parties and Child Sacrifice rites in an Underground DUMB Tunnel beneath the White House.

We know that Epstein and P Diddy serviced these Elites with their own Satan Worshipping pedophile Child Sacrificing ceremonies.

We know that the US Inc. is a private but bankrupt corporation owned by Satan Worshipping Bankers, Rockefellers, Rothchilds, the British Crown and Vatican who have had control over US politicians and Taxpayer Dollars since the early 1900s.

We know that a large number of illegal immigrant members of the Mafia and gangs – fighting age men – were sponsored by the Democrats to come into the country to cause chaos in line with the New World Order Agenda to take over and enslave America.

We know the purpose for the millions of illegal immigrants being let into the country by the Democrats was so they could, along with mail in ballots, steal the Election as they had in the past – which didn't work this time because Trump had mega support from the American people.

We know a great deal of the food we eat is poisoned on purpose, Cancer is purposefully caused by US Inc, the Covid Vax has caused millions of deaths, drugs were the source of bad health and all they did was make us sick so we would use more drugs and enrich Big Pharma that financially thrived on making us sick – and all were created to depopulate the World according to the Global Elite New World Order Agenda.

We know we weren't sick until we allowed the deadly jabs to enter our bodies. The real Covid Pandemic was manufactured by our own US Inc. government in cooperation with Big Pharma to make us sick so we would use the so-called "prevention" of a vaccine that didn't prevent, but contained caustic ingredients to make us more sick, or dead.

We know the Mass Media was paid by New World Order Advocates to be used as a weaponized tool to manipulate public perceptions and those perceptions were grounded in a Deep State Global Elite Satanic Agenda to depopulate and rule the World.

- **The Admiral was sent to the back of the line and renamed Tier 4A** (really just a pie slice of tier 3). The Admiral's Group was composed of three parts – most notable of which was Tier4a Core groups and 130 VIP groups.
- **Tier 4B, (us, the Internet Group)** is the largest group and composed of the general public who paid attention to the intel – the people who have bought currency and/or bonds and kept up with the reset by way of information on the Internet.
- **Tier 5 The general public** who never paid attention to the Intel.
- **The official GO for Tier 4b** has not been released yet. It can happen any moment. As all Tier1-4b are funded, we await the final release to reach to our level. It's a process. It's tedious and time consuming – making adjustments as needed along the way for accuracy and safety of all involved. It's a very quiet & discrete operation, where the general public is left uninformed for obvious reasons. Pay attention to the levels that are ahead of us. That will help give a better understanding of where we are, in relation to it reaching the 4b level. BUT, it is unfolding. And when it reaches our levels, there will be no doubts. It's coming! Keep the faith.

E. Tues. 14 Jan. 2025 ALERT! Biden Releases Terrorists from Gitmo Just Before Trump Takes Office – Leaks Reveal Elite Globalist Plans to Destroy America! ...Wikileaks Secrets on Telegram

- **Joe Biden's release of 11 hardened Islamist terrorists from Guantanamo Bay** is a deliberate act within a sinister globalist agenda, aiming to destabilize the U.S. and strengthen shadowy global interests.
- **The Deep State's Role in Guantanamo Releases** Military intelligence sources claim this move was orchestrated by a globalist cabal, aiming to dismantle American sovereignty and empower hostile forces. The released terrorists, groomed with advanced psychological techniques, are set to unleash global chaos to justify authoritarian measures.
- **Oman's Role: A Puppet State in Globalist Operations** Contrary to Biden's claims of Oman monitoring these terrorists, insiders assert that Oman is merely a front, with the terrorists planned for redeployment in covert operations across Africa, Europe, and Latin America, crucial to the cabal's strategy.
- **Strategic Timing and Hidden Agendas** Releasing these prisoners ahead of Trump's potential return serves to eliminate witnesses to Guantanamo's dark operations and to obscure the administration's ties to global destabilization efforts. Rumors suggest an imminent false-flag operation to shift focus and undermine Trump's resurgence.
- **The Guantanamo Bay Files: A Trove of Secrets** The rapid detainee release aims to destroy evidence of Obama and Biden administration's covert operations, including funding terrorist groups and conducting clandestine experiments on detainees. Plans to dismantle parts of Guantanamo further aim to erase these records.
- **The Released Terrorists' Mission** The terrorists' assignments include targeted assassinations of nationalist leaders, sabotage of U.S. infrastructure, and online recruitment to radicalize individuals in the West, aligning with a broader globalist agenda.
- **Big Tech and Media Complicity** Big Tech and mainstream media play their part by downplaying the releases and censoring exposés, keeping the public distracted and uninformed about the real risks of these actions.
- **Trump's Potential Return: A Threat to Globalist Plans** Trump's commitment to exposing and dismantling this corrupt network terrifies the globalists. His plans to repurpose Guantanamo for detaining Deep State operatives reflect a direct countermeasure against globalist agendas.
- **A Final Warning** The release of these terrorists represents a critical piece of a larger globalist puzzle threatening America's security and democratic foundations. As the Biden regime's actions compromise national safety, the need for vigilance and preparedness among Americans grows. The battle for America's soul continues, with high stakes for national and global stability.

H.Tues. 14 Jan. 2025 TUNNELS OF EVIL: White Hats Expose Elite-Funded Border Tunnels Used for Human Trafficking, Organ Harvesting, and Underground Prisons – Operations Blown Wide Open! ...David Wilcock on Telegram

- **On January 13, 2025, shocking new details emerged about a smuggling tunnel from Ciudad Juarez to El Paso.** This isn't just a border security failure—it's undeniable proof of an international operation fueling the darkest agendas of global elites. The White Hats have revealed a sinister network of underground corridors.
- **The Tunnel Network: A Multi-Billion Dollar Operation** What was initially labeled a “single tunnel” is part of an expansive network, spanning miles beneath the U.S.-Mexico border, connecting to major trafficking hubs including Phoenix, Tucson, and Los Angeles. These engineered marvels, funded by dirty money, are equipped with electricity, ventilation, and advanced biometric access controls.
- **Underground “Processing Centers”** Newly uncovered “processing centers” in these tunnels have rooms fitted with restraints and medical devices, used to break victims of human trafficking, preparing them for grim fates like slavery or illegal medical trials. Pharmaceutical-grade chemicals found onsite suggest experimentation on trafficked individuals.
- **Connections to High-Profile Figures Documents** recovered point to offshore accounts linked to high-ranking officials and multinational corporations, involved in laundering money from these operations. Evidence hints at a global conspiracy to exploit humanity, linked to influential politicians and entertainment moguls.
- **The Role of Technology in Concealment** **Advanced technologies** like electromagnetic shielding are used to hide these tunnels from detection, suggesting involvement of powerful global entities. Some tunnels use materials that block heat signatures, thwarting detection by drones or infrared devices.
- **A Direct Threat to National Sovereignty** The existence of these tunnels represents a disdain for the rule of law, facilitating the trafficking of drugs, weapons, and people. Insider reports indicate sabotage within border security agencies, with whistleblowers revealing disabled surveillance equipment to aid tunnel construction.
- **The Bigger Picture: A War on Humanity** These tunnels are part of a larger scheme of systematic exploitation by a shadowy global elite. The White Hats are fighting an entrenched system designed to oppress and destroy, highlighting the urgency of their mission to dismantle these networks.
- **The Time to Act Is Now** **The discovery of these tunnels is a wake-up call.** It's time for patriots to demand answers, hold authorities accountable, and support those bringing these dark operations to light. This is a war against deep-seated evil, and silence is not an option.

J. Tues. 14 Jan. 2025: Mel Gibson Drops Bombshell: California Fires Are Just the Start—Energy Weapons, FEMA Camps, Depopulation, and the Push to Force Us Into Smart Cities!

- **Mel Gibson has shattered the illusion surrounding the devastating fires ravaging California and beyond,** exposing a dark and deliberate agenda far beyond what anyone imagined. These fires are not natural disasters or accidents—they are calculated assaults, the prelude to a dystopian plan designed to strip humanity of freedom, property, and identity. The truth is undeniable, and the evidence is overwhelming.
- **The fires, according to Gibson's insiders,** are part of a global operation with chilling objectives: depopulation, forced displacement, and the creation of "smart cities" under total control. These so-called Smart Cities promise innovation but deliver enslavement—constant surveillance, restricted mobility, and digital currencies designed to erase autonomy.
- **Satellite imagery has revealed precise burn patterns** that defy natural explanations, confirming suspicions of Directed Energy Weapons (DEWs) being deployed. These weapons, capable of pinpoint destruction, explain the anomalies—entire neighborhoods incinerated while nearby foliage or elite properties remain untouched. This is not nature; it's warfare, using advanced technology to target and destroy.
- **In the aftermath, residents are herded into FEMA camps** under the guise of disaster relief. These camps, far from offering sanctuary, serve as instruments of control—restricting movement, monitoring individuals, and severing communication. Once inside, leaving becomes nearly impossible, turning temporary refuge into permanent captivity.

- **Adding to the intrigue is a secret meeting in Maui**, attended by tech moguls, politicians, and global elites. This gathering reportedly finalized strategies to use natural disasters, including wildfires, to force residents off their land. Tactics include revoked insurance policies, denied rebuilding permits, and the threat of further "natural" events. The ultimate goal is to consolidate land ownership into the hands of a powerful few, enabling them to dictate humanity's future living conditions.
- **Beneath the surface, California's tunnel systems** reveal even darker truths. Originally built for transportation, these tunnels have been repurposed for trafficking networks, classified technology storage, and possibly bioweapons. The fires conveniently destroy evidence and restrict investigations into this shadowy underworld.
- **One chilling detail Gibson highlighted is the peculiar immunity** of properties with blue roofs or paint during the fires. This is no coincidence. The color blue reportedly interacts differently with DEWs, sparing elite-marked assets while the rest are reduced to ashes. This phenomenon serves as both a marker of elite territory and a psychological reminder of their dominance.
- **Gibson's revelations point to a single, terrifying conclusion:** the fires are the opening act of a global experiment in authoritarian control. By destroying homes, forcing relocations, and eliminating private property, the elites are dismantling independent life to replace it with a society where every move is tracked, every transaction monitored, and every freedom erased. Climate lockdowns, forced relocations, and further engineered disasters are imminent.
- **The time to wake up is now.** Gibson's bravery in exposing this agenda is a call to action. The patterns, anomalies, and evidence are not coincidental—they are part of a meticulously orchestrated plan to reshape society at the expense of humanity. The question remains: will you stand by as they burn away your future, or will you rise, spread the truth, and resist? The clock is ticking, and the fire is coming for us all.

K. Tues. 14 Jan. 2025: The Real Reason California Is Burning: Elite-Controlled DEWs, Globalist Puppets, and the Agenda You're Not Supposed to See! ...EBS Activated With Trump on Telegram

- **The Democrats' handling of the catastrophic Los Angeles fires is no accident**—it's a deliberate assault on American principles, exploiting crises to consolidate power. This calculated move hides a sinister motive: weaponizing nature itself through advanced directed energy weapons (DEWs).
- **Hidden Agendas Behind the Flames:** Whistleblowers suggest these fires, behaving inconsistently and leaving untouched vegetation next to ash, may be fueled by DEWs, part of secret military arsenals. This orchestrated devastation justifies extreme measures under the climate change guise, manipulating public perception and policy.
- **The Real Purpose of "Climate Change":** The climate change narrative is a smokescreen for control. Pushing for electric vehicles and renewable energy technologies

isn't about environmentalism but about enforcing dependency on government-regulated energy, creating a future of energy rationing and rolling blackouts.

- **Manufactured Chaos:** The Democrat Playbook: From undermining institutions to sabotaging energy infrastructure, Democrats create crises to deepen dependence on government, pushing policies that increase surveillance, raise taxes, and control daily life.
- **The Shadow Players Pulling the Strings:** Behind the scenes, globalist elites and organizations like the World Economic Forum aim to transform America into a state where individual freedom bows to collective control. Their "Great Reset" envisions a world where the masses own nothing and elites gain power.
- **The Role of Big Tech and Media:** Big Tech and mainstream media suppress the truth, labeling insiders as conspiracy theorists and silencing dissent. This censorship keeps the public compliant and misinformed, supporting authoritarian measures disguised as public safety initiatives.
- **The Endgame: Totalitarian Control:** This chaos isn't just for political gain; it sets the stage for authoritarian control, normalizing severe measures like mandatory evacuations and surveillance under the pretense of safety, paving the way for a permanent erosion of freedoms.
- **Call to Action:** It's crucial to challenge this narrative, seek the truth, and demand transparency. Stand against this manipulation by exposing the corruption and fighting to preserve the core values of freedom and independence. The battle for America's soul is now.

L. Tues. 14 Jan. 2025 BREAKING: LITHIUM PLANT JUST DISCOVERED BY LOS ANGELES FIRE OFFICIALS IN FIRE AREAS – THIS IS MAUI 2.0! ...John F. Kennedy Jr. on Telegram

- **EXPOSED: Lithium found in Los Angeles wildfire zones** – a sinister land grab in full swing! Homes torched, communities erased, and lives sacrificed for corporate greed and government betrayal. This is Maui 2.0, and they'll stop at NOTHING to take what's yours. Wake up and fight back NOW!
- **Lithium Plant Discovery Amid Los Angeles Fires Sparks Concerns of Land Grab** Los Angeles fire officials have unearthed a startling revelation: a significant lithium deposit discovered amidst the smoldering ruins of recent wildfire zones. This discovery has sent shockwaves across the nation, raising concerns of a calculated effort to exploit precious natural resources at the expense of communities.
- **A Tragedy Turned Opportunity—For Whom?** In the aftermath of destructive fires, the resilience of affected communities is often tested. Yet, what if these disasters were not just natural phenomena but strategic opportunities for those in power? The recent lithium plant discovery casts a dark shadow over the true motives behind these relentless fires. Are homes and livelihoods just collateral damage in a greedy quest for minerals?

- **Lithium:** The Precious Mineral Driving Modern Exploitation Lithium, often hailed as the “white gold” of the 21st century, is crucial for batteries powering everything from electric vehicles to smartphones. Its value has skyrocketed, but with this surge comes an ugly reality: the fight for lithium isn’t confined to deserts and mines—it’s creeping into neighborhoods and forests, often under the guise of disaster recovery.
- **Maui 2.0: Lessons We Should Have Learned** The eerie parallels with Los Angeles are impossible to ignore. Could these fires have been strategically fueled to clear the way for resource extraction?
- **A Pattern of Exploitation** The speed at which real estate transactions occur post-disaster raises eyebrows, with corporations often swooping in before the ashes cool. Homeowners and small business owners, still reeling from their losses, find themselves outmatched by well-funded entities looking to seize land at bargain prices.
- **The Cost of Lithium:** Beyond Dollars and Cents While lithium’s economic value is undeniable, its human and environmental costs are staggering. For those who call these fire-stricken areas home, the discovery of lithium is a double-edged sword, promising economic growth but often at the cost of displacement.
- **A Closer Look: Who Benefits?** As the dust settles on the Los Angeles fires, one question remains unanswered: Who stands to gain from this? Major corporations, government entities, and wealthy investors are often the ones pulling the strings.
- **What This Means for You:** The Bigger Picture The fallout from this discovery will extend far beyond the borders of Los Angeles. The implications are global, affecting how disasters are managed, how resources are allocated, and, most importantly, how people are treated.
- **Conclusion: A Battle Worth Fighting** The lithium plant discovery in Los Angeles is more than a news story—it’s a wake-up call. It exposes a grim reality where the fight for precious resources comes at the expense of human lives and environmental health. Communities must rally together, leveraging their voices to demand transparency and fairness. This is not just a battle for land or minerals; it’s a fight for dignity, justice, and the right to exist without fear of exploitation.

Q. Tues. 15 Jan. 2025 ALERT! Mass Medical Fraud Exposed: Doctors and Hospitals Get Paid More If They Make You Sicker – Big Pharma’s Deadly Agenda Is Killing Millions and Turning Healthcare Into Death Camps! ...John F. Kennedy Jr. on Telegram

- **The corruption in America’s healthcare system is far deeper than mere inefficiency—it's a calculated assault on our well-being**, designed by a shadowy cabal of elites to profit from our suffering. Hospitals and doctors, swayed by massive payouts, are turning into agents of harm rather than healing. *The Global Elites’ Plan: Turning Health Into a Commodity* reveals that these "care" providers are mere cogs in a vast machine, churning out sickness for profit.
- **The true menace lies in the vaccines and drugs** pushed by these institutions—purposely engineered to debilitate us. *The Hidden Hand of Population Control* shows that these interventions are part of a broader scheme to manipulate life spans and fertility, with tech giants amplifying the threat by harvesting our data to tighten their grip over our health decisions.
- **The Insurance Cartel:** Funding the Fraud underscores that insurers are not guardians of health but facilitators of this fraud, rewarding those who toe the line with bonuses while penalizing the advocates of natural, holistic treatments. Hospitals as Death Camps are stark representations of this reality, where experimental drugs and wrongful practices transform spaces of healing into zones of horror, all demonstrated vividly during the COVID-19 crisis.
- **Government agencies like the FDA and CDC** have abandoned their watchdog roles, becoming enablers of Big Pharma by sidelining effective, inexpensive treatments in favor of costly, harmful alternatives. *The Education Scam: Indoctrinating Future Doctors* points to a chilling future where doctors are molded into profit-driven operatives, schooled in symptom management rather than true healing.
- **Media Silence:** *The Complicity of the Fourth Estate* reveals the media's role in this corruption, muzzling truth-tellers and whistleblowers to maintain the status quo, while

the looming threat of Digital Health IDs and Total Control envisages a future where our health, and indeed our very identities, are held hostage in a digital stranglehold.

- **The time for action is now.** We must dismantle this corrupt system, embrace alternative treatments, and reclaim our health sovereignty. The war on our health is a war on our freedom, and it is a war we cannot afford to lose. T

S. Tues. 14 Jan. 2025: A hospital medical coder who goes only by "Zoe" described her experiences for the Children's Health Defense.

- **"I didn't know it was possible for a human to die so horrifically,** so quickly, before they rolled out the mRNA injections...[For] days, patients would be seizing, and no medications would stop it, and eventually they...kinda had to be put down."
- **She witnessed horrors following the rollout of the COVID injections.** Among the unthinkable, and deadly, illnesses were things like encephalitis, gangrene of the spine, blood clots, strokes, and multiple system organ failure.
- **"I didn't know it was possible for a human to die so horrifically,** so quickly, before they rolled out the mRNA injections...It was insane, I've never seen anything like that. The worst of them, they called it sepsis, but it was like instant multi-organ failure. Like, within hours patients would die of liver, lung, kidney... failure [all at once]..." Zoe tells

CHD. She adds that "Some of the records...[from the] emergency crew that found them [the injection victims], it's like their body tried to reject everything and [in] some of these cases their family would be there 30 minutes before, and then within an hour they're dead."

- **Zoe notes that "there were patients coming in with seizures** like I'd never seen before," and that hospital staff "couldn't control some of them." The coder adds, "[For] days, patients would be seizing, and no medications would stop it, and eventually they...kinda had to be put down."
- **"They called it encephalitis**, or encephalopathy, and then later on, even the coding organization...[called it] COVID-19-associated encephalitis," Zoe says.
- **"[T]he clots were insane," the coder notes.** "Never seen clots like that before—even the interventional radiologists that were going in with...scopes where they can do heart interventions and do stents [a stent is a tube usually constructed of a metallic alloy or a polymer] in carotid artery (if you have a stroke going to your brain), normally it's rare to have more than one stent go in, and they were documenting...multiple locations all at once. They had heart attack cases that were like that where they needed massive amounts of stents that they never needed before."
- **Zoe goes on to say that** "There were people that were hiking in their 20s that were totally healthy, that had been running marathons, that suddenly needed a leg amputated because they had a massive blood clot going from their hip all the way down to their leg, and it couldn't be saved."
- **"There were some cases of overnight spinal gangrene**, which I'd never seen before," the coder adds. "And, you know, you can't amputate the spine when it goes gangrenous. Normally they cut out tissue that's dying like that so it prevents further infection and they didn't know what to do. The only thing they could do was...basically replace that part of [their] spine with an implant, that's the best they could do... It was really intense."
- **As for doctors' responses to these horrors**, Zoe says, "[they] were baffled, they weren't connecting the dots." However, she adds that "Knowing what the potential symptoms of a vaccine injury could be, we 100% had all the things I just described." Despite that knowledge, "doctors would never tell [patients] that. They would just say, 'It's a stroke. It's a heart attack. It's a blood clot.' And then they would never connect the two."

U. Fri. 6 Dec. 2024: “PERSISTENT SPIKE PROTEIN FROM mRNA VACCINES MAY CAUSE CANCER” – A SHOCKING STUDY FROM ITALY ...Gitmo TV on Telegram

- **A groundbreaking study from the Center for Global Health at the Istituto Superiore di Sanità in Rome**, led by Dr. Maurizio Federico and funded by the Ministry of Health, exposes alarming risks linked to mRNA COVID-19 vaccines. Despite repeated assurances from officials like former Health Minister Roberto Speranza and ex-Prime Minister Mario Draghi, the findings suggest a darker reality.
- **The Spike Protein’s Deadly Legacy:** The vaccines were touted as "safe and effective," yet evidence now confirms the inflammatory Spike protein persists in the body for months post-injection, traveling beyond the injection site into various organs. This protein, translated from mRNA encapsulated in lipid nanoparticles, is implicated in chronic inflammation, myocarditis, pericarditis, autoimmune diseases, and even cancer.
- **Key Research Findings:** Persistent Spike Production: The Spike protein, abundantly produced post-vaccination, disrupts ACE-2 signaling and cytokine production. This overproduction leads to immune dysregulation, fostering autoimmune responses and tumor reactivation.
- **Immune System Exhaustion:** The study highlights the vaccine's inability to mount effective immunity at the virus’s entry point (respiratory tract), coupled with rapid immune response depletion.
- **Dormant Tumors Reawakened:** Cytokines triggered by Spike/ACE-2 binding can reactivate dormant tumors and exacerbate pre-existing autoimmune conditions.

- **Unresolved Concerns:** Efforts to enhance vaccine efficacy, such as self-replicating mRNA vectors, have been greenlit for trials by Japan, despite known dangers. These technologies may amplify Spike persistence and its associated cellular damage without solving the fundamental issue—failure to elicit neutralizing immunity in the respiratory tract.
- **Call for a Safer Approach:** The study suggests mucosal vaccines as a potential alternative, targeting the virus's entry point and avoiding the severe systemic side effects seen with intramuscular mRNA vaccines. However, the global focus on mRNA technology demands urgent scrutiny to address its risks, especially for vulnerable populations.
- **A Critical Reassessment Is Needed:** The evidence is clear: mRNA vaccine strategies must be reevaluated to prevent catastrophic health outcomes. Persistent Spike proteins and immune system damage are risks humanity cannot afford to ignore. What was sold as a miracle cure now poses questions about trust, transparency, and the safety of millions.

W. Tues. 14 Jan. 2025: Trump is about to change the world. How? Through bold initiatives in free trade and elections. ...Secrets Exposed on Telegram

- **Trump, wielding control over the mightiest military and the Federal Reserve, is forcing the cabal into submission.** He's strategically focusing on three countries to herald the end of their old ways and the dawn of a new era. Trump's actions are setting a precedent for what's to come globally.

- **Why Canada?** Canada's economy is deeply intertwined with the U.S., having benefitted from American taxpayers for years through a massive trade deficit. Trump plans to impose reciprocal tariffs that will reshape this dynamic, compelling Canada to lower their tariffs or face economic turmoil. This move is expected to prompt other nations to follow suit, enhancing global trade fairness.
- **Trump is making tariffs GREAT AGAIN.** He aims to implement a worldwide tariff cap to dismantle cabal control and elevate impoverished nations by ensuring they can fairly utilize their natural resources. Trump envisions a world where free trade is genuinely free, eliminating forced poverty.
- **Why the Panama Canal?** The U.S. built the Panama Canal, a monumental task paid for with American capital and lives. Trump's plan is to democratize its use, allowing universal access at low or no cost, ensuring it serves global trade rather than being a tool for economic coercion.
- **Why Greenland?** Greenland may soon shift from Danish control towards independence or even integration into the U.S. Trump suggests this move will exemplify his broader goal: to return power to the people and ensure fair, fraud-free elections worldwide through innovations like blockchain.
- **The Constitution as a Blueprint for Freedom** Trump believes the U.S. Constitution's emphasis on people's power over government is a model for the world. He envisions a global shift where nations adopt similar frameworks, ensuring true democratic governance.
- **In essence, Trump's vision extends beyond mere policy changes;** it's about reshaping global governance, empowering citizens, and ensuring free trade underpins a new world order. This is not just policy; it's a revolution.
- **Been part of the Plan all along.** Think 7 Kingdoms. Freedom for the World.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Zd. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
