**Seven Kingdom Alliance’s Global Financial Revolution**

**And Takedown of the New World Order**

**Begins on Mon. 20 Jan. 2025**

**With American Restored Republic President Trump Inauguration**

**Trust The Plan**

[My Country, 'Tis of Thee | The Tabernacle Choir](#)

***Judy Note: All would begin with Trump’s inauguration to President of America’s Restored Republic on Mon. 20 Jan. 2025.***

***With 7,000 troops and 25,000 police officers locking down Washington DC for Trump’s Inauguration, the Emergency Broadcast System was set to go live and declare Worldwide Martial Law.***

***Thereafter some regions of the Globe would plunge into darkness so the Cabal’s supercomputers that controlled Mainstream Media Satellites, elections, the Worldwide food supply chain and fiat Global Financial System could be taken down.***

***The new Global Financial System has already been activated by the Seven Kingdom Alliance of Putin’s Russia, Xi’s China, Kim’s North Korea, Trump’s American States, Modi’s India, Bolsonaro’s Brazil and Bin Salman’s Saudi Arabia, along with BRIC’s South African Zimbabwe and 201 other nations.***

*Their Star Link Satellites, Basel III & ISO 20022 gold/asset-backed digital currencies were not only re-writing traditional Banking, they were in the process of destroying the Satan Worshipping, Child Sacrificing Pedophile Cabal Globalist Elite US Inc, UK Crown, Vatican, Chinese Communist Party New World Order plan to rule the World.*

***What We Think We Know as of Thurs. 16 Jan. 2025:***

***In 1983 the US Capitol was bombed by a left wing group, M19 – which was radicalized by the South Los Angeles Venceremos Brigade – which was founded by Communist Democrat Los Angeles Mayor Karen Bass – who went, as did California Governor Gavin Newsom, to China to meet with high level members of the Chinese Communist Party – which had a plan to take over America through creating disasters, chaos and building SMART Cities that would enslave the public. How's that for connecting the dots?***

***The privately owned by Satan worshipping bankers Fed is dead, IRS gone. Trump to introduce the new External Revenue Service (ERS) on Mon. 20 Jan. 2025 and later an expected 14%-15% tax on buying new items only, with no tax on food, medicine, income or anything else – giving US taxes back to The People.***

***With the fires still burning out of control California Governor Gavin Newsom was quick to announce his plan to enact a permanent Emergency Rule Over Los Angeles & establish LA 2.0: “The charred Los Angeles area is going to be “reset” and “re-appropriated” so they can build their SMART City digital prison. UN Agenda 2030 is setting up SMART cities that will essentially FORCE Americans who are living in rural areas into highly controlled and surveilled “15 minute cites.” First it was the Maui Fires, then the Texas Fires & now the Los Angeles Fires. THAT IS PART THE NWO GLOBALIST PLAN TO DESTROY AMERICA. They KNOW we won't go willingly, so they are FORCING OUR HAND.” ...Alex Jones on Telegram***

**C. Wed. 15 Jan. 2025 Q Phones and GESARA: Quantum Phones and the Starlink Network, Powered by Stellar Blockchain ...The 17<sup>th</sup> Letter on Telegram**

- **A Quantum Revolution.** In this digital age, where innovation knows no bounds, Quantum (Q) phones are poised to take center stage. These cutting-edge devices come preloaded with a Stellar wallet, the gateway to unlocking the treasures of the Global Economic Security and Reformation Act (GESARA), including the Universal Basic Income (UBI) distribution. Stellar, the blockchain-based digital currency, is set to

revolutionize the way we transact. But how do Quantum phones and Stellar come together in this cosmic dance of technology?

- **The Starlink Connection: Quantum Internet and QFS.** Enter Starlink, the brainchild of the United States Air Force, World Military Alliance, and the Galactic Federation. This constellation of satellites doesn't just provide global internet access at optical speeds; it also plays a pivotal role in the Quantum Financial System (QFS). Starlink's satellites form the backbone of QFS, ensuring secure and lightning-fast financial transactions on the blockchain.
- **Quantum Starlink Internet: Healing Minds and Breaking Barriers.** Imagine an internet free from censorship, corruption, and the shackles of traditional gatekeepers. Quantum Starlink Internet makes this a reality. With its quantum technology, it not only connects people globally but also holds the power to heal the human mind. The future of mental well-being might just be one Starlink connection away.
- **Project Odin + Starlink + Space Star Network: The Trifecta of Connectivity.** The integration of Project Odin, Starlink, and the Space Star Network promises an open-source revolution in the world of financial transactions. This decentralized network, operating on the Stellar Blockchain, empowers individuals to store and move funds seamlessly. The implications are staggering: a world where financial freedom is truly at your fingertips.
- **STELLAR Network (XLM): The Sentinel of Surveillance.** STELLAR Network (XLM) emerges as the guardian of transparency and surveillance, ensuring that financial transactions remain secure and accountable. In a world where trust is paramount, Stellar's decentralized structure offers the promise of a fair and equitable financial landscape.
- **The Coming Financial Shift: Stellar's Role in Asset Protection.** As global financial systems teeter on the edge, the importance of asset protection cannot be overstated. Stellar emerges as a sanctuary, where assets are shielded from the chaos of market crashes. Over 600,000 assets and funds are poised to find their refuge in these crypto currencies, safeguarding humanity's financial future.

**BOMBSHELL!! GESARA Amendment: Global Blackouts, EBS Activation, 10 Days of Darkness, and Explosive Broadcasts Exposing Rituals by High-Ranking Officials, Secret Financial Transactions, and Cabal Leaders' Plans for Global Crises! [BOMBSHELL!!](#)**

[GESARA Amendment: Global Blackouts, EBS Activation, 10 Days of Darkness, and Explosive Broadcasts Exposing Rituals by High-Ranking Officials, Secret Financial Transactions, and Cabal Leaders' Plans for Global Crises! - Gazetteller](#)

- **The blackouts serve as a strategic tool to disable the hidden control mechanisms of the Cabal.** Beneath the surface, power grids are intertwined with massive, secret supercomputers that run predictive algorithms controlling financial systems, elections, and even the food supply chain. These systems, often referred to as “control hubs,” are what allow the elites to maintain their grip on every aspect of society.
- **The blackouts are designed to fry these systems,** rendering them useless. Military insiders have revealed that specialized teams will infiltrate key facilities during the outages to seize hard drives, servers, and other evidence. This is a coordinated effort to gather irrefutable proof of decades-long manipulation and exploitation.
- **Operation Iron Lock:** While the world plunges into darkness, the simultaneous takedown of the global financial system will occur. This mission targets the shadow banking networks that fund the Cabal. Hidden accounts in offshore havens, laundering operations disguised as humanitarian aid, and covert transactions running through central banks will all be exposed and dismantled.
- **Already, military intelligence has secured access to SWIFT system backdoors and financial institutions tied to corruption.** When the lights come back on, the Quantum Financial System (QFS) will emerge as the new standard, replacing the fraudulent fiat money system. Banks tied to the Cabal will be seized, their assets redistributed to the people.

**Project Odin Mainstream Media (MSM) Elimination:**

- **MSM satellites,** which are not just communication devices but tools of mass brainwashing, will be obliterated during the blackout. These satellites have been broadcasting subliminal messaging, fear narratives, and disinformation for decades. Once they are destroyed, humanity will no longer be subjected to their manipulation.
- **Insiders report that backup MSM systems hidden in hardened facilities across Europe, the U.S., and Asia are already being targeted by precision strikes.** These strikes ensure that no contingency plan can revive their global disinformation apparatus.

**Hidden Technologies Released**

- **Free Energy Systems:** Devices capable of harnessing energy from the atmosphere, eliminating the need for fossil fuels and nuclear power. These systems have been tested and perfected but kept hidden to protect the oil industry.
- **Advanced Sonic Healing:** Medbed-like technologies will be released capable of repairing organ damage, erasing disease, and regenerating tissues. Hospitals controlled by the elites have suppressed these advancements to profit from prolonged suffering.

- **Transportation Breakthroughs:** High-speed maglev train systems and vehicles that operate without fuel will replace outdated, environmentally destructive systems. These have been secretly built under cover of government projects for decades.
- **Food Replication Devices:** Revolutionary machines that can replicate high-nutritional food items from raw materials, eradicating hunger and food shortages. These devices were withheld to perpetuate control through scarcity.

**Emergency Broadcast System (EBS):** The EBS isn't just a communication tool—it's a weapon of mass awakening. Once activated, it will broadcast across every device on Earth, overriding local networks and bypassing traditional communication channels.

**During the Ten Days of Darkness, the EBS will expose:**

- **Global Trafficking Networks:** Video evidence of trafficking operations run by high-profile figures.
- **Election Manipulation:** Detailed breakdowns of how electoral systems were rigged, with hard evidence that leaves no room for denial.
- **Corrupt Judicial Systems:** Documents and recordings showing judges, lawyers, and lawmakers engaged in bribery, fraud, and cover-ups.
- **The EBS will play eight-hour-long films** on a continuous loop, detailing the mechanisms of the Cabal's control over finance, media, health, and more. This content will awaken even the most skeptical individuals.

**Martial Law: A Necessary Measure**

- **When the EBS goes live,** martial law will simultaneously be declared worldwide. This is not an act of aggression against the people—it's a safeguard to maintain order as the truth sends shockwaves across every society. Key elements of martial law will include:
- **Military Oversight:** Soldiers will replace corrupt police forces in major cities to prevent riots and ensure public safety.
- **Supply Chain Security:** Essential goods like food and water will be distributed by the military to prevent artificial shortages created by Cabal operatives.
- **Seizure of Assets:** Properties, funds, and resources tied to elite individuals and corporations will be confiscated and returned to the public.

**GESARA's Ripple Effect on Governance**

- **GESARA will obliterate the old world order,** replacing it with systems built on transparency and fairness. Every government that has been complicit in Cabal operations will be dissolved. Within 120 days of martial law activation, new elections will be held under the Quantum Voting System (QVS), ensuring that only individuals who serve the people, not the elite, take office.

**The McAfee Payload: A Digital Nuke** John McAfee's servers hold the kind of evidence that can destroy the Cabal overnight. The files include:

- **Recorded Meetings:** High-definition audio of elite gatherings where plans for global crises were orchestrated.
- **Personal Communications:** Emails and texts that detail corruption, bribes, and backdoor deals.
- **Dark Market Transactions:** Financial records of human trafficking, organ harvesting, and black-market arms deals.

### **The End of the Cabal's Control Mechanisms**

- **Every system they've built to enslave humanity** is being dismantled in real-time. The old educational systems, designed to dumb down populations, will be replaced with institutions that teach truth and critical thinking.
- **The pharmaceutical industry**, profiting from illness rather than health, will crumble as suppressed cures and preventive technologies are revealed.
- **Hollywood and media empires**, which have served as tools of indoctrination, will be exposed for their roles in perpetuating degeneracy and moral decay.

### **A Quantum Future Awaits**

- **When the blackout ends and the truth is fully revealed, humanity will step into an era of quantum reality.** Free energy, debt forgiveness, and global peace will no longer be dreams but realities. The elites have done everything in their power to prevent this moment, but their time is over.
- **The old world is burning**, and from its ashes rises a new age of freedom, prosperity, and unshakable truth. Prepare, because this is only the beginning. The greatest shift in human history is upon us.

**E. Wed. 15 Jan. 2025 The Role of the White Hats Military ...JFK Awakening Q17 on Telegram**

- **The White Hats military, a coalition of military personnel** committed to restoring justice and order, is the driving force behind Operation Hammer. These individuals have taken an oath to protect and defend their nations against all enemies, foreign and domestic. Their unwavering commitment to this cause has been instrumental in uncovering and dismantling the networks of corruption and criminality.
- **The perpetrators targeted by Operation Hammer** are not just faceless entities; they are individuals and organizations that have wielded power with impunity. These include high-ranking officials, corporate magnates, and influential figures who have engaged in or facilitated crimes against humanity and foreign interference. The White Hats have meticulously gathered evidence, ensuring that the guilty are brought to justice.

- **A Global Operation.** Operation Hammer is not confined to the borders of the United States; it is a global initiative. The reach of this operation extends to every corner of the globe, targeting individuals and entities involved in corruption and human rights abuses. The collaboration with international partners has been crucial in identifying and apprehending the perpetrators, demonstrating the global commitment to justice and transparency.
- **The unfolding of Operation Hammer** has been nothing short of dramatic. The sheer scale of the operation, the high-profile arrests, and the subsequent trials have captured the world's attention. The transparency and efficiency of the JAG tribunals have set a new standard for justice, providing a blueprint for future operations.
- **High-Profile Arrests.** The high-profile arrests have been a key element of Operation Hammer. These arrests have not only brought the perpetrators to justice but have also sent a powerful message to others who may be involved in similar activities. The visibility of these arrests has underscored the commitment of the White Hats military to ensuring that justice is served.
- **The role of the media in Operation Hammer** cannot be overstated. The coverage of the arrests, trials, and sentences has provided the public with a front-row seat to the administration of justice. The transparency of the process has been crucial in building public trust and ensuring that the operation is conducted with the highest standards of integrity.
- **The implications of Operation Hammer** extend far beyond the immediate arrests and trials. This operation has set a new standard for the global fight against corruption and human rights abuses. The executive orders underpinning this operation have provided a robust legal framework for future initiatives, ensuring that the momentum of justice continues.
- **Operation Hammer marks the beginning** of a new era of accountability. The comprehensive approach to identifying and prosecuting perpetrators has demonstrated that no one is above the law. The global collaboration and the use of military tribunals have set a precedent for future operations, ensuring that justice is served swiftly and fairly.

#### **K. Los Angeles On Fire**

- **Wed. 15 Jan. 2025 Alex Jones:** “Over a hundred people have been arrested in Los Angeles for setting fires after the fires started there. These are operatives” (working for the Cabal, who are blaming the fires on Climate Change).
- **Wed. 15 Jan. 2025:** Comedian Eddie Griffin claims that the Los Angeles wildfires are a smokescreen to destroy evidence of a massive pedophile ring. He alleges that elite Hollywood pedophiles are using the fires in an attempt to cover their tracks but insists they will eventually be caught. Griffin also urges people to take note of the celebrities who mysteriously left Los Angeles just before the fires began.

- **IT IS ALL BY DESIGN** He signed the bill into law in 2020, which switched a large portion of firefighters to criminals. Then, DEI practices were implemented to exclude white men. Many top positions are currently held by incompetent DEI hires.
- **Water supplies have been largely cut off** and wasted. How can you run a state so susceptible to fires, yet not even have a fraction of the resources required ready to go?
- **All while billions** are sent to Ukraine and handed to illegal allies.
- **It appears multiple of the burned areas** may be used for apartment buildings to house more immigrants.

**M. Tues. 14 Jan. 2025: BREAKING: LITHIUM PLANT JUST DISCOVERED BY LOS ANGELES FIRE OFFICIALS IN FIRE AREAS – THIS IS MAUI 2.0!** ...John F. Kennedy on Telegram

- **EXPOSED: Lithium found in Los Angeles wildfire zones** – a sinister land grab in full swing! Homes torched, communities erased, and lives sacrificed for corporate greed and government betrayal. This is Maui 2.0, and they'll stop at NOTHING to take what's yours. Wake up and fight back NOW!
- **Lithium Plant Discovery Amid Los Angeles Fires Sparks Concerns of Land Grab** Los Angeles fire officials have unearthed a startling revelation: a significant lithium deposit discovered amidst the smoldering ruins of recent wildfire zones. This discovery has sent shockwaves across the nation, raising concerns of a calculated effort to exploit precious natural resources at the expense of communities.
- **A Tragedy Turned Opportunity—For Whom?** In the aftermath of destructive fires, the resilience of affected communities is often tested. Yet, what if these disasters were not just natural phenomena but strategic opportunities for those in power? The recent lithium plant discovery casts a dark shadow over the true motives behind these relentless fires. Are homes and livelihoods just collateral damage in a greedy quest for minerals?
- **Lithium: The Precious Mineral Driving Modern Exploitation** Lithium, often hailed as the "white gold" of the 21st century, is crucial for batteries powering everything from electric vehicles to smartphones. Its value has skyrocketed, but with this surge comes an

ugly reality: the fight for lithium isn't confined to deserts and mines—it's creeping into neighborhoods and forests, often under the guise of disaster recovery.

- **Maui 2.0: Lessons We Should Have Learned** The eerie parallels with Los Angeles are impossible to ignore. Could these fires have been strategically fueled to clear the way for resource extraction?
- **A Pattern of Exploitation** The speed at which real estate transactions occur post-disaster raises eyebrows, with corporations often swooping in before the ashes cool. Homeowners and small business owners, still reeling from their losses, find themselves outmatched by well-funded entities looking to seize land at bargain prices.
- **The Cost of Lithium: Beyond Dollars and Cents** While lithium's economic value is undeniable, its human and environmental costs are staggering. For those who call these fire-stricken areas home, the discovery of lithium is a double-edged sword, promising economic growth but often at the cost of displacement.
- **A Closer Look: Who Benefits?** As the dust settles on the Los Angeles fires, one question remains unanswered: Who stands to gain from this? Major corporations, government entities, and wealthy investors are often the ones pulling the strings.
- **What This Means for You: The Bigger Picture** The fallout from this discovery will extend far beyond the borders of Los Angeles. The implications are global, affecting how disasters are managed, how resources are allocated, and, most importantly, how people are treated.
- **Conclusion: A Battle Worth Fighting** The lithium plant discovery in Los Angeles is more than a news story—it's a wake-up call. It exposes a grim reality where the fight for precious resources comes at the expense of human lives and environmental health. Communities must rally together, leveraging their voices to demand transparency and fairness. This is not just a battle for land or minerals; it's a fight for dignity, justice, and the right to exist without fear of exploitation.

## N. 9/11

- **Wed. 15 Jan. 2025 9/11 Insurance Fraud:** Only two months before 9/11, the World Trade Center was privatized & sold to Larry Silverstein. Every single morning he ate breakfast in North Tower on the 91st floor, but not on 9/11, his wife made him an emergency doctor appointment that day. He also had bought an insurance plan that 'fortunately' covered terrorism. After the attack, he took the insurance company to court. ## Q.Wed. 15 Jan. 2025 Bombshell: Snowden Exposes HAARP's Sinister Agenda! ...QAnon Warriors on Telegram

- **Edward Snowden's explosive revelations** have uncovered the horrifying truth behind HAARP, the High-Frequency Active Auroral Research Program. Once thought to be a benign research facility, HAARP is now exposed as a weapon of mass control—a tool used by the Deep State to manipulate weather, assassinate enemies, and control minds globally.
- **The Weapon Hidden in Alaska:** Located in Gakona, Alaska, HAARP operates a 36-million-watt antenna array that manipulates the ionosphere under the guise of scientific research. According to Snowden, it is actually used to target individuals and nations, causing "natural" deaths like strokes and heart attacks or destabilizing entire regions through weather manipulation.
- **Global Mind Control:** Snowden revealed that NATO employs HAARP to suppress dissenters, making them act irrationally or insane, discrediting their voices. These waves can even induce homicidal delusions—a terrifying method used to silence opposition.
- **Verified Evidence:** Snowden provided documents from top military officials, confirming HAARP's dark capabilities. These revelations align with earlier claims by whistleblowers like Nick Begich, who described HAARP's ability to manipulate emotional states as disturbingly easy.

- **Worldwide HAARP Installations:** HAARP facilities aren't limited to Alaska. Similar sites in Sweden, Russia, and other nations extend this weapon of mass destruction globally. The U.S. military and corporations like BAE Advanced Technologies are complicit in this international conspiracy.
- **The Fight for Truth:** This is more than a conspiracy; it's a war for humanity. HAARP isn't just about controlling the weather or targeting enemies—it's about enslaving minds, destroying agriculture, and dictating the future of nations.
- **Will You Stay Silent?:** The Deep State thrives on secrecy, and HAARP is its ultimate weapon. It's time to demand transparency, accountability, and an end to HAARP's sinister operations. The clock is ticking, and humanity's survival is at stake.
- **The storm is here.** Will you rise, or will you let the Deep State control your future?

**R. Tues. 14 Jan. 2025: BOOOM! Trump Declares Fauci Guilty of Crimes Against Humanity Over COVID: "Justice Will Be Served for COVID Lies!" ...Julian Assange on Telegram**

- **BREAKING: Donald Trump vows to prosecute Dr. Anthony Fauci** for crimes against humanity, exposing vaccine scandals, corruption, and deceit. Trump's bold move signals the end of an era dominated by lies and betrayal. The American people demand justice, and Trump is ready to deliver!
- **Families Torn Apart by COVID Lies:** COVID-19 wasn't just a pandemic—it was a calculated tragedy. Families were ripped apart, loved ones left to die alone under cruel policies pushed by Fauci and his so-called "experts." They prioritized control over compassion, robbing Americans of basic humanity. Trump's promise to hold them accountable is a reckoning long overdue.
- **Vaccine Scandals Exposed:** They promised a miracle cure but delivered a nightmare: rushed vaccines with horrifying side effects—blood clots, heart attacks, sudden deaths. Fauci silenced dissent and ignored warnings, choosing profit over people. Trump is demanding answers: Why were alternative treatments mocked? Who profited from this chaos? The truth is coming, no matter how deep the corruption runs.
- **Fauci's Fall From Grace:** America's so-called "savior" has been unmasked. Fauci lied to Congress, suppressed dissent, and pushed mandates that destroyed lives. His cozy relationship with Big Pharma was a betrayal of public trust. Trump's declaration is clear: no one, not even Fauci, is above the law.
- **Blocking Biden's Pardon Scheme:** Reports suggest Biden might attempt to pardon Fauci to shield him from accountability. But Trump has vowed to stop it. "No pardons for traitors," he declared, ensuring those responsible face justice. This isn't about politics—it's about saving America's soul.
- **The People Demand Justice:** Americans are outraged. Hashtags like #ProsecuteFauci and #JusticeForCOVIDVictims are exploding across social media. The nation demands

accountability, and Trump hears their cries. His commitment to justice is why millions see him as a true fighter for the people.

- **A Battle for America's Future:** Trump's war isn't just against Fauci; it's against the entire corrupt system that allowed this catastrophe. From Big Pharma to the CDC, no one will escape scrutiny. Investigations, prosecutions, and transparency will define his administration.
- **A Defining Moment:** This is more than politics—this is about saving America. For too long, the elites played power games while Americans suffered. That ends now. Trump's leadership is a beacon of hope, and his promise to prosecute Fauci is a defining stand for truth, justice, and the future of the nation.
- **Stay vigilant. Justice is coming.**

## S. Underground DUMB Tunnels:

### **TUNNELS OF EVIL: White Hats Expose Elite-Funded Border Tunnels Used for Human Trafficking, Organ Harvesting, and Underground Prisons – Operations Blown Wide Open!**

- **On January 13, 2025, shocking new details emerged about a smuggling tunnel from Ciudad Juarez to El Paso.** This isn't just a border security failure—it's undeniable proof of an international operation fueling the darkest agendas of global elites. The White Hats have revealed a sinister network of underground corridors.
- **The Tunnel Network: A Multi-Billion Dollar Operation** What was initially labeled a "single tunnel" is part of an expansive network, spanning miles beneath the U.S.-Mexico border, connecting to major trafficking hubs including Phoenix, Tucson, and Los Angeles. These engineered marvels, funded by dirty money, are equipped with electricity, ventilation, and advanced biometric access controls.
- **Underground "Processing Centers"** Newly uncovered "processing centers" in these tunnels have rooms fitted with restraints and medical devices, used to break victims of human trafficking, preparing them for grim fates like slavery or illegal medical trials. Pharmaceutical-grade chemicals found onsite suggest experimentation on trafficked individuals.
- **Connections to High-Profile Figures** Documents recovered point to offshore accounts linked to high-ranking officials and multinational corporations, involved in laundering money from these operations. Evidence hints at a global conspiracy to exploit humanity, linked to influential politicians and entertainment moguls.
- **The Role of Technology in Concealment** Advanced technologies like electromagnetic shielding are used to hide these tunnels from detection, suggesting involvement of powerful global entities. Some tunnels use materials that block heat signatures, thwarting detection by drones or infrared devices.
- **A Direct Threat to National Sovereignty** The existence of these tunnels represents a disdain for the rule of law, facilitating the trafficking of drugs, weapons, and people.

Insider reports indicate sabotage within border security agencies, with whistleblowers revealing disabled surveillance equipment to aid tunnel construction.

- **The Bigger Picture: A War on Humanity** These tunnels are part of a larger scheme of systematic exploitation by a shadowy global elite. The White Hats are fighting an entrenched system designed to oppress and destroy, highlighting the urgency of their mission to dismantle these networks.
- **The Time to Act Is Now** The discovery of these tunnels is a wake-up call. It's time for patriots to demand answers, hold authorities accountable, and support those bringing these dark operations to light. This is a war against deep-seated evil, and silence is not an option.

**X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
