US Inc. Dissolved

Martial Law Active

Constitutional Law and Common Law in Effect

Maritime Law is No More

[Hallelujah Chorus, from Messiah | The Tabernacle Choir](#)

Judy Note: Effective immediately, all US government and government corporations have been dissolved due to breach of oath. All statutory and foreign laws are also dissolved. The only legal frameworks that remain in effect are Constitutional Law as outlined in Article 61 of the Magna Carta and established Common Law.

The US Supreme Court of Justice has issued a High Court Warrant for arrests in response to criminal activities associated with the US Government Corporation such as Human Trafficking, Fraud, Drug Smuggling, Breach of Oath, Corruption and High Treason. This especially applies to police officers, judges, solicitors, government workers, social service personnel and anyone involved in the trafficking of children.

Men and women create governments; governments have been inherently designed to serve The People. That all changed for the US in 1813 when the Rothschild, Rockefeller and other New World Order banker families changed the Constitution, created their privately owned US Corporation, formed their own privately owned IRS and Federal Reserve and took control over US Taxpayer monies and the Global Monetary System. This same Deep State government has been laundering Taxpayer Money through their privately owned Tax Offices.

US Inc. has now been dissolved and we are returning to original concepts of the Constitution. This includes the overturning of Crown Maritime Law, and returning America to Common Law – which hands power back to We the People.

As of Mon. 20 Jan. 2025 the privately owned IRS, Fed & Maritime Law were considered dead. The Supreme Court recently ruled that Mortgages, Debt & Foreclosures based on fiat currency such as the US Dollar were invalid and fraudulent.

D. Thurs. 16 Jan. 2025 BREAKING! WHITE HATS EXPOSE DEEP STATE PLOT TO ATTACK TRUMP'S INAUGURATION! ...David Wilcock on Telegram

- **The Deep State's plan to unleash chaos on January 20, 2025, has been exposed.** Leaked intel reveals a coordinated assault on Trump's inauguration, involving explosives, bio-weapons, and infiltrators aimed at framing patriots and recreating January 6 chaos. This isn't just an attack on Trump; it's a direct assault on the American people.
- **Operation Midnight Sabotage: The Deep State's Darkest Plan:** White Hats have uncovered chilling details of the Deep State's Operation Midnight Sabotage, a blueprint for chaos. The plan includes false-flag attacks, sniper deployments, and advanced EMP devices to disrupt communications. Explosives are being smuggled into critical areas, and infiltrators within pro-Trump groups are poised to incite violence, framing patriots as domestic terrorists.
- **Weaponized Pathogens and Bio-Warfare:** The most sinister revelation? The use of weaponized pathogens. Secret biolabs have engineered a virus codenamed "Viper-X," designed for maximum panic. The goal is to release it during the inauguration and blame Trump supporters, paving the way for martial law and draconian lockdowns.

- **Globalist Puppeteers Behind the Curtain:** This isn't just a domestic attack. Leaked communications link the World Economic Forum and United Nations to funding Operation Midnight Sabotage. Their goal? Prevent Trump's presidency and fast-track their globalist agenda, sacrificing American sovereignty for centralized control.
- **Mainstream Media and Social Media Collusion:** Major networks are already framing Trump supporters as threats, while social media platforms are silencing patriots exposing the truth. Algorithms shadowban posts, delete accounts, and throttle dissent. Journalists are complicit, working directly with Deep State operatives to spin their narrative.
- **White Hats Strike Back: Patriots in military intelligence are two steps ahead.** Covert raids have neutralized key Deep State hubs in Virginia and Arizona, uncovering encrypted communications and plans to deploy drones armed with chemical agents. Directed-energy weapons and psychotronic devices aimed at creating chaos have been intercepted and disabled.
- **The Fight for Freedom: This is a war for America's soul.** The Deep State seeks to destroy the America First movement, but their desperation exposes their weakness. Patriots, the truth is on our side, and their lies are crumbling.
- **January 20: A Moment of Reckoning:** The Deep State's plot is unraveling. Stay vigilant, stay united, and prepare for a new era of freedom. Nothing can stop what's coming.

M. Thurs. 16 Jan. 2025: The LAFD whistleblower who exposed California Governor Gavin Newsom ordered them to remove Elon Musk from the Command Post and return the donated Starlink devices has conducted more firefighter interviews ...President Q45-Q47 on Telegram

Firefighters say Gavin Newsom is lying the Pacific Palisades fires water situation, they did run out of water. “A firefighter told me that he was on a street in the Pacific Palisades and not only did he run out of water, but they had insufficient hydrants”

- **The city allegedly did not consult** with the fire department before they drained the reservoir
- **Not only were the hydrants spaced over 1,000 feet apart** but the diameter of the hose holes was extremely small, not big enough to draw water needed
- **In addition to that water reservoir being empty** in the Pacific Palisades holding 117 million gallons of water, they tarped it for environmental reasons
- **Because reservoirs are tarped for “environmental reasons”** that means helicopters can’t access the water and suck out water for fire suppression for aerial help
- **Says firefighters** are “calling bullshit on climate change”
- **Says the fires ARE ARSON**
- **“They had a palisades fire** in the exact same area three years ago caused by homeless, but no one wants to say it and everyone's afraid”
- **Says DEI has hindered response** giving example of women not being able to lift the required weight when saving someone
- **“Insane environmental regulations** that Karen Bass has prioritized” has caused problems
- **“There was also beyond frustration** about this multi-billion dollar water bond that was passed in 2014 by California voters to build reservoirs. It was meant to store and capture water.” Nothing was built. Where did the money go?

“The state needs to clear brush, allow controlled burns, increase water storage, and hire based on performance alone. But Gavin's refusal to implement these solutions just further highlights his incompetence and inability to effectively do this job.”

N. Thurs. 16 Jan. 2025 New World Order Globalist DEW Attack Fires to Destroy America Started Way Before Lahina Maui and at Least By 2016 With the Sonoma and Paradise California fires and Another in Spokane Washington, Kathy Berger

- **The California fire maps start in 2016.** I encourage you to take a look at the maps as there is a pattern. It's Agenda 2030 they are working towards. But these are not normal fires. <https://www.fire.ca.gov/incidents/2016>
- **The first DEW attack** that I know of started the Sonoma California Fire, then Paradise California Fire. Also Spokane Washington was hit by a DEW and burnt down homes. Lahina was way later.
- **If you look at the maps** of fires it is astronomical. Yes some are arson fires started by Deep State. The Deep State is trying to seize the land for it's resources. California has gold and a lot of resources.
- **You can find drone footage of Paradise** where metal wheels on cars melted across driveways. (Pictures of melted tires are also found in Paradise, Lahina and LA fires) That's not a forest fire. By them chem trailing us heavily that adds aluminum oxide which causes fires to burn hotter.
- **Oh and they have purposely been diverting water** as you know. California has plenty of water. Last year's snow pack in Sierra's was record breaking. Snow was 8 to 10 feet deep.
- **We moved to Cali in 1997** and there were few fires. Over the last ten years they have gone off the charts.
- **This Newsom is a Deep Fake.** I do believe they sold us out to the Chinese.
- **I believe Australia** had DEW attacks also. DEWS are on ships, planes, in ground.
- **Also Lawrence Livermore Labs in California** made the world's largest lazer. Why? You can google that and find pics of it. Scary as this tech was made to protect the people but they are using it against the people.

I appreciate your reports. May God Almighty protect us as in "No Weapon Formed Against Us Will Prosper. And the Gates of Hell Shall Not Prevail!" God Bless, Kathy Berger

O. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China's Three Gorges Dam in a tunnel that eventually connects to a 1,500 mile long tunnel that runs between the Vatican and Jerusalem:

CHILDREN who aren't aware of their SURROUNDINGS! You can also see him doing some really DISTURBING stuff to MEN AND CHILDREN!

Thurs. 16 Jan. 2025 UK CHILD TRAFFICKING AND MURDER: Former MP confirms hundreds of children are being sex trafficked into the UK and being sold to Pedophiles involving well known names. MI5 and NCA will not act. The children are used in the sex trade for 3 years and then they are organ harvested.

- **Andrew Bridgen says there is something wrong in our Parliament, when he is attacking a Labour MP who he believes is a Pedophile** and he is getting flak from his own party. He says Pedophilia has been rampant in Leicester and he has passed details of people who are engaged in child trafficking into the UK, names of all of them to the UK Government and no one wants to act.
- **He says it is a big operation involving hundreds and hundreds of children.** They are being flown into small airports. He gave the UK Government the names of the people and the name of the company where they are laundering the money through. He gave the location where the children were being taken to have their photographs taken, the children thinking they were going to go to school, but they were sold to Pedophiles.
- **This information has been sent to MI5 and the National Crime Agency and no one will act.** They are covering it up. He says when you see the names, you see why they will not act, they are known names. These innocent children are being raped for years and then when they are worn out, their organs are harvested and they are murdered in the most atrocious way imaginable.
- **There must be an immediate outcry** and outrage by humanity like never before to stop this atrocious evil from happening to hundreds of innocent children. You must Demand that the UK Government investigate and prosecute everyone involved in this atrocity. Contact MI5, the National Crime Agency and your local MP's and demand the investigation and rescue of these children.

R. Thurs. 16 Jan. 2025: BOOM!! TRUMP'S RIGHT TO TRY ACT REVOLUTIONIZES CANCER TREATMENT! ...John F. Kennedy Jr. on Telegram

- President Trump's Right to Try Act is shattering Big Pharma's stranglehold on healthcare, giving patients access to life-saving drugs like Ivermectin and Fenbendazole that are changing the fight against cancer. Thousands of lives are being saved as the truth Big Pharma tried to hide comes to light.

- **Trump’s Right to Try Act: A Lifeline for Patients:** Signed into law in 2018, the Right to Try Act allows terminally ill patients to bypass the slow FDA approval process and access experimental treatments. Trump declared, “We have saved thousands and thousands of lives!” Patients no longer face endless delays; instead, they have hope and options, cutting through the red tape that once stood in their way.
- **Repurposed Drugs: Big Pharma’s Worst Nightmare:** BOOM! Ivermectin and Fenbendazole are proving to be game-changers in cancer treatment:
Ivermectin, known as an antiparasitic, disrupts cancer cell growth while leaving healthy cells untouched.
Fenbendazole, a veterinary drug, starves cancer cells by cutting off their glucose supply.
Patients report incredible recoveries, and studies are revealing these drugs’ immense potential. But why is Big Pharma suppressing them? Because these affordable drugs threaten their billion-dollar monopoly on patented treatments!
- **Big Pharma’s Greed Exposed:** The pharmaceutical industry thrives on costly treatments, ignoring cheaper, effective alternatives like Ivermectin and Fenbendazole. Critics argue that suppressing these options is a profit-driven agenda. Mel Gibson’s bold statement about these treatments curing advanced cancer has sparked a firestorm, exposing Big Pharma’s motives.
- **Alternative Treatments Offer New Hope:** Doctors defying the status quo have uncovered 18 alternative cancer treatments, combining repurposed drugs, dietary changes, and naturopathic therapies. These breakthroughs are providing patients with options beyond chemotherapy and radiation, proving that the future of medicine is here.
- **Trump’s Vision for Medical Freedom:** The Right to Try Act reflects Trump’s commitment to empowering Americans to make their own healthcare decisions. His leadership has sparked a movement, uniting doctors, patients, and advocates in the fight against cancer and corporate greed.
- **The People Have Spoken:** Critics may question the risks, but for patients facing terminal illnesses, this act is a lifeline. Denying them access to these treatments is nothing short of a death sentence.
- **Conclusion: A Healthcare Revolution:** BOOM! The Right to Try Act has ushered in a new era of hope, proving that the fight against cancer doesn’t have to be controlled by profits. Thanks to Trump’s bold leadership, patients finally have the freedom to choose—and the results are monumental. This isn’t just a victory for healthcare—it’s a victory for humanity.

S. Thurs. 16 Jan. 2025 Tom Fairbanks

All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running

around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Tom Fairbanks Letter to President Trump, Kash Patel and Pam Bondi:

As President Trump's administrative Team is being confirmed, the "elites" continue to distract us from what was said and done. Fortunately, those who have been selected as President Trump's team are in the know and have not been distracted from the truth. Kash Patel's selection, in particular, as the Director of the FBI is one of the best choices there could be, along with Pam Bondi as the Us Attorney General because they, Kash in particular, already know "where the bodies are buried" and are ready to set our house in order!

Those two positions, in particular, are central to restoring our constitutional rights because it was the betrayal of their predecessors who have allowed the travesty of interfering with a sitting president, wasted Billions of dollars, and the capsizing of our judicial system.

In the chaos, we have forgotten what was done. In President Trump's first term, US Attorney General Jeff Sessions appointed John Huber, US Attorney for the District of Utah to investigate Hillary Clinton and the Clinton Foundation. Some might wonder why John Huber? It had to do with his location the the National Security Agency's Data Center located south of Salt Lake City. After all, President Trump said, "We have it all" and where do you think we have it"

Few even know that John Huber gave a report on his findings of the investigation and the millions of dollars spent investigating the Clintons. In January 2020, John Huber reported that "there was nothing to see." President Trump's response was to call Huber , "a human garbage disposal." Then Huber resigned when Joe Biden was sworn in as president of the United States.

However, John Durham took over Huber's investigation and moved it to another state. Remember John Durham and his investigation that we are still waiting to hear about? - Durham's job is not finished and I am sure we will be hearing from him now that President Trump will be back in office.

Personally, I can't wait!!! You see, I personally appealed to John Huber as a whistleblower in 2019 after meeting with the Utah State Attorney General's office following numerous attempts and threats on my life over my filing of three Friend of the Court briefs in the First District Court in Cache County Utah.

Those briefs exposed Satanic Ritual Abuse (SRA) Human & Sex Trafficking, Public Corruption and those involved. I appealed to John Huber after I was told by the Utah State AG's office that it would be a conflict of interest for them to investigate my claims - That was a pretty

interesting admission!

However my story was very personal to John Huber because two years prior to his report that there was "nothing to see," I published a book titled "American Crossroad of Trust," which revealed much of what John Huber was supposed to be investigating.

Seven months later my appeal to John Huber, his office indicted me on security fraud charges and following a kangaroo court full of conflicts of interests, no real legal representation, no defense or witnesses, and interference by the Utah State AG's office, I was sentenced in 2024 and I am currently serving time in Englewood FCI in Littleton Colorado.

Once again, "Not everything is as it appears" and "Where there is smoke, there is fire!" - I am certainly looking forward to America's House to be set in order.

Nothing can stop what is coming!

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

W. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
