**Judy Note: My armchair observations of the unusual Trump inauguration:**

*Fox Newscasters complained that Trump’s swearing in started too early and before Melania had a chance to carry the Bible up to the podium. The Bible and Trump’s hand were covered from sight, but an insider took a picture (posted on Telegram) that showed Trump’s hand stayed to his side while he took his oath of office.*

*That appeared pretty intentional that Trump didn’t put his hand on the Bible while he was being sworn in as President of US Inc. I say that was because from what I understand he had already taken his oath of office, but that was to President of the Restored Republic United States of America. Rumor was that happened on **Thurs. 16 Jan.***

*On the other hand, (Vance’s hand that is), the US Inc. Vice President did swear on the Bible his allegiance to office on Monday – it makes you wonder who was sworn in as Trump’s Vice President of the Restored Republic United States of America on **Thurs. 16 Jan.** Rumor was that JFK Jr. has been playing that part since **July 4 2021.***

*You see, we have unknowingly been living under two sets of rules since Biden's 2020 fraudulent election. One was that Trump handed his authority over to the Military before he left office, remained as Commander-in-Chief and we were living under Martial Law so Trump could catch the bad guys.*

*The second was that Biden wasn't Biden, but played by actors. Evidently Biden was caught in a number of crimes including Child Sex Trafficking on his Ukraine property's underground tunnel, had undergone a Tribunal at GITMO and was hanged well before his so-called fake inauguration in 2021. Sun. 7 Feb. 2021: [Congress, Biden Arrested as Military Rescues Tortured Children From Tunnels Beneath Capitol Hill | Politics | Before It's News](#)*

*On Mon. 20 Jan. House Speaker Mike Johnson just confirmed so when he announced that Joe Biden was never the US President and all decisions were made by Globalists (loyal to the privately owned US Inc.) who were at war with America. Not long ago the House Speaker had finally gained a meeting with Biden, who wouldn't meet with him without a CIA agent present and couldn't remember signing important Executive Orders.*

*Speaking of US Inc. and Washington DC, that District of Columbia's name was changed on inaugural announcements to the City of Washington. Was the city no longer the Globalist owned and run Washington DC?*

*Sitting across the left side of the isle during Trump's inaugural speech were a very glum Biden, Harris, Obama, Bill and Hillary Clinton. They didn't smile, clap or stand up as so many times the audience did while Trump went over the many immediate changes he was going to make to their New World Order Agenda plan of taking over America.*

*After all, Biden wasn't the only one charged with Treason and awaiting arrest. Mon. 10 May 2021: [Biden, Harris, Milley Charged with Treason, Tribunals at White House, Mass Arrests, Martial Law | Politics | Before It's News \(beforeitsnews.com\)](#)*

*Trump's speech reminded me of the 1974 speech that Robert Welch—founder of The John Birch Society—gave that warned of the Globalist plan to destroy America. "A part of that plan... is to induce the gradual surrender of American sovereignty, piece by piece and step by step, to various international organizations, of which the United Nations is the outstanding example."*

*You see Trump has been doing a heck of a lot behind the scenes: Fri. 28 Aug. 2020: [Trump Heads Rescue of Thousands of Tortured Children from Underground Tunnels | Politics | Before It's News \(beforeitsnews.com\)](#)*

*Just by their attitudes during the Monday inauguration the former Presidents Biden, Obama and Bill Clinton, plus wanna-be US Presidents Harris and Hillary made it clear to the general public that they were very against Trump and very much for the Globalist Agenda.*

*But then, why should we worry? None of them were in power anymore. In fact, if Michael Baxter, the official reporter for GITMO, was accurate, all were already dead – with clones and actors acting their part. Just research his website: [Michael Baxter | Real Raw News](#)*

***Baxter's latest article: Mon. 20 Jan. 2025 Michelle Obama aka Michael L. Robinson Arrested & Taken to GITMO.** <https://rumble.com/v6bkoms-michelle-obama-.aka.-michael-l.-robinson-arrested-and-taken-to-gitmo.html>*

*At the 11th hour, Biden issued pardons for multiple members of his family: James Biden, Sara Biden, Valerie Biden Owens, John Owens, Francis Biden. Why? Why pardon someone who wasn't charged with anything? Makes you wonder if they should be. Doesn't really matter anyway. Within a couple of hours of Trump's inauguration, he rolled back all of Biden's Executive Orders in one fell swoop*

*Trump wasn't about to let the Globalists get away with anything anymore. Another rumor going around was that Trump planned his inauguration as a massive sting operation for the Globalists and there were mass arrests going on. That's why he invited Benzos and other big name Globalists.*

*He even had plans for those not attending. Don't you think that it's quite a coincidence that the President of Planned Parenthood died right as everyone was getting seated for Trump's Inauguration ceremony?*

- **Military sources reveal Trump is with several high ranking Generals and Commanders** and very important ex Generals and Elite civilian ex- Commanders including Ezra Cohen-Watnick. They are going to initiate control of the United States military under the command of the United States people.
- **Civilian Control of the U.S. Military:** Civilian control over the US military refers to the doctrine that places ultimate responsibility for a country's strategic decision-making in the hands of the state's civil authority, rather than completely with professional military leadership itself.
- **This means that the military is subordinate to the civilian government,** and that decisions regarding the use of military force are made by elected officials, such as the President and Congress, rather than by military leaders.

- **In the United States, civilian control over the military is established by the Constitution**, which gives Congress the power to declare war and makes the President the commander-in-chief of the armed forces. The War Powers Resolution of 1973 also plays a role in ensuring civilian control by requiring the President to consult with Congress before taking military action.
- **The concept of civilian control** is often seen as a prerequisite feature of a stable liberal democracy. It is intended to prevent the military from becoming too powerful and to ensure that the use of military force is subject to democratic oversight and accountability.
- **It is an ongoing process.** The US military is subject to civilian control on a daily basis, with the President, Congress, and other civilian officials making decisions about military policy and operations.
- **There have been instances in recent years where the balance of power between civilian and military leaders has been called into question.** For example, in 2022, there were concerns that civilian control over the military was eroding, with some commentators arguing that the military was exerting too much influence over policy decisions.
- **It's worth noting that the US has a system of checks and balances**, which ensures that power is distributed among different branches of government, and that no one branch, including the military, has too much power.

- **RETALIATION AND PLANNED OPERATIONS:** Years in the making, Trump and the military are executing reprisal operations. Symbolic moves, like playing "Nessun Dorma," signal the killing of the deep state. Energy helicopters are scanning for nuclear irregularities as preparations for Trump's return accelerate.

**K. Mon. 20 Jan. 2025 Why is the Q Oath Important? ...JFK Awakening Q17 on Telegram**

- **The “Q Oath” is special in that it is a modern-day version** of the revolutionary spirit of the founding fathers of the US. (Note: the “Q Oath” is a loose term referring to the suggestion by QAnon to “take the oath” in post 4510.
- **It is also the ostensible “oath of a digital soldier”** which means, like a military unit, we are pledging to work together to defend and protect the US and further, the spiritual mission started over 200 years ago by the founders.
- **By all accounts, Q, Trump, and General Flynn are quasi leaders.** But, like all true warriors, we more truly follow God, the truth, and law. Thus, whenever anyone person errs or falls off the path of honor (even if it’s POTUS, the Q Team or General Flynn), we do not follow them blindly, we follow God. Hence, the part of the Declaration of Independence wherein it discusses the dissolving of an unjust government when it seeks to go against God’s will.
- **The Q Oath particularly recognizes,** amongst all the things already mentioned, that there are specific objects or mission objectives (defined in post 4509), to identify and disable individuals and groups, with minimum necessary force, in honor of their rights and the rule of law, who we generally call the “children of darkness, the Deep State or the Cabal” and their deceived underlings, our fellow citizens and spiritual brothers and sisters who are confused and misguided. In other words, since the “battle” is an information war, we must use our wits, knowledge, and persuasion to help awaken others to the truth, and limit the impact of false knowledge and disinformation used by the cabal to confuse others.
- **Q admonishes us to use memes and information to spread the truth,** help wake up the sleeping masses, and work with him, and those in law enforcement and government, to remove the corrupt forces who have infiltrated our great nation, and return the power to the people, under God.

#### **L. Mon. 20 Jan. 2025 EXPLOSIVE: Jennifer Aniston ARRESTED! ...QAnon Warriors**

- **Hollywood's darling, Jennifer Aniston, has been caught in allegations of human trafficking and political corruption,** signaling a potential collapse of Hollywood. As the world reels from the shock, questions about the depth of Tinseltown's darkness come to light. Is this the end of an era?
- **THE FIRST INDICTMENT: A CATALYST FOR CHANGE:** Jennifer Aniston's rumored arrest could be the tipping point for Hollywood. Long whispered in conspiracy circles, this event might trigger a "mass awakening," suggesting the entertainment industry is more about hidden agendas and illicit activities than glitz and glamour.
- **FROM AMERICA’S SWEETHEART TO CENTER OF SCANDAL:** Aniston, celebrated since the '90s and born on February 11, now finds her clean public persona clashing with dark accusations. Her birthday's proximity to major events like the Super Bowl adds layers of suspicion to the timing of these allegations.

- **FOLLOW THE MONEY: QUESTIONABLE CHARITY LINKS:** Aniston's extensive philanthropy is now scrutinized. Critics argue that some organizations she supports may have ties to human trafficking and adrenochrome operations. Was her involvement in these charities naive or nefarious?
- **SMARTWATER AND HIDDEN MESSAGES:** Aniston's promotion of Smartwater has taken a dark turn among conspiracy theorists who suggest the brand may be connected to larger, covert operations. The phrase "watch the water" is suspected to carry sinister implications.
- **POLITICAL CONNECTIONS AND CONTROVERSIES:** Aniston's support for high-profile Democrats and her contributions to the anti-Trump Lincoln Project, which has faced its own scandals, raises questions about her influence and the broader implications of her political ties.
- **HOLLYWOOD SYMBOLISM AND HIDDEN AGENDAS:** With Aniston's ex-husband starring in a film rich with cryptic symbols and released on a date with numerical significance, theorists are abuzz about Hollywood's manipulative practices. Her connections may reveal more about the industry's secret power dynamics.
- **ST. JUDE AND UNCOMFORTABLE QUESTIONS:** Aniston's association with St. Jude Children's Hospital brings up disturbing allegations. Critics suggest such reputable institutions could be fronts for darker activities, intensifying scrutiny around her involvement.
- **THE AGING PARADOX AND ADRENOCHROME RUMORS:** The once age-defying Aniston is now subject to rumors about her use of adrenochrome, with some suggesting her recent changed appearance might be due to shortages affecting Hollywood elites.
- **WHY ANISTON'S ALLEGED ARREST MATTERS:** If confirmed, Aniston's arrest could unravel Hollywood, challenging its untouchable status and exposing deep-seated corruption. Her fall could precipitate a broader unraveling of celebrity secrets.
- **THE TIME FOR TRUTH IS NOW:** This scandal isn't just a headline; it's a battle cry for transparency in an industry shrouded in glamour and deceit. As the façade cracks, the call for truth grows louder—can we handle what's revealed?

#### **O. Native Hawaiian DEW Victims of Maui Hawaii**

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**P. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here;](#)

**Q. "Ken and Barbie vs. Goliath IRS":** Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to

make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **20 Dec. 2024**.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. Paul Cromar #567164 Davis County Jail P.O. Box 130 Farmington, UT 84025-0130 Donations for commissary and other needs can be made at: <https://www.miraclesingodwetrust.com/contact/> Venmo to: @Talmage-Cromar OR mail to: The Cromar's PO Box 942 Pleasant Grove, Utah 84062 (you will receive a gift for your contribution)

**R. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsr dwg4>*

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.*

*"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
