***Judy Note: We pray President Trump does not forget pardons for True Patriots like Ken Cromar and Tom Fairbanks, plus more than we want to know about, who sit in prison because of our corrupt legal system:***

**“Ken and Barbie vs. Goliath IRS”:** True Patriot Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested and has been sitting in jail for over a year. It could happen to any of us, and probably has to more than we want to know.

**All True Patriot Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

***Just a few of Trump's accomplishments by Day One:***

***Trump's declassification of the Epstein files was likely to confirm that politicians, billionaires and Hollywood icons were part of a sick global network protected by unelected players who controlled our country – bureaucrats, intelligence agencies and corrupt politicians who have conspired for decades to dismantle American sovereignty.***

***Trump was withdrawing the US from WHO, the World Economic Forum and the United Nations, which have long operated as tools for centralizing power, reduced individual freedoms, and created a global system of control.***

***For instance, since 2020 the WHO has secretly expanded its influence through a network of covert agreements with governments and private corporations. These agreements grant the organization unprecedented power to override national sovereignty in the event of a declared "health emergency."***

***Trump has exposed Facebook, Google and Twitter as tools of control, censoring dissent and manipulating elections.***

***Trump's release of classified 9/11 files will expose the lies. Insiders claim key players within the government allowed, or even enabled, the attacks to justify endless wars and surveillance.***

***Trump has designated Cartels, including the dangerous Tren de Aragua, as foreign terrorist organizations. He will use the Alien Enemies Act to remove them.***

***Trump and Musk were starting a new Stock Exchange within the US.***

***Trump's Global Military Alliance has launched strikes against Global Elite safe havens by monitoring Elite activity in real-time, cataloging financial transactions, encrypted communication and covert operation. The Alliance is using disinformation campaigns to sow confusion among the elites, forcing them to make mistakes that expose their operations.***

***They have uncovered Cabal operational bases, offshore accounts, shell corporations, black-market dealings, Human Trafficking routes, underground tunnels and bases.***

*The Alliance is systematically dismantling an infrastructure of Global Elite control that spans the globe from secret energy facilities to hidden communications networks, plus seized control of key Cabal broadcasting facilities.*

*They have targeted heads of state, CEOs, financial magnates and other influential operatives who have orchestrated the globalist agenda. They are freezing their assets and redistributing their wealth to The People.*

*The Alliance is working to restore Constitutional and Common Law, erasing the corrupt laws and regulations imposed by the elites. Right now Mass Arrests are being conducted, complete with public tribunals.*

*Soon an EBS will reveal ritual abuse, human trafficking, suppression of medical advancements, the banking Cartel, and governing structures of the United Nations, World Economic Forum and World Health Organization.*

## **B. Global Currency Reset:**

### **Tues. 21 Jan. 2025 Wolverine:**

- **“We were told that everything was going to start today,** and guess what? It IS to start today. I mean notifications should come out, and everything starts tomorrow with funds being released.
- **I have spoken to platform owners** and they have the payment orders. And tomorrow, things will start rocking!
- **Not everyone starts tomorrow.** It is a process. Some will start tomorrow, some will start the next day and the next, but it starts from tomorrow onwards.
- **Some platforms will go Feb 1st or 2nd,** some platforms a bit longer. But with the Grace of God, tomorrow is to be D-Day.
- **Iraq was to start yesterday.** But it looks like this will start TODAY. It is now 4 a.m. in Iraq, and hopefully in a couple of hours' time, that Dinar will go international on the Forex and we will get the big news in a couple of hours' time so we can celebrate.
- **This has been a long journey for all of us.** Many of people have been told to go to the banks for quite a while and nothing has happened, but now it seems all is ready. The Liquidity and money is there and we are ready to go.
- **Just yesterday, I put a post about thanking Charlie Ward.** I have spoken to Charlie a couple of times, and he told me a while back that nothing would happen till Biden is removed, and that was nearly two years ago. It would not make sense for Biden to get all the glory. However, I was still getting all the intel otherwise, and others were also getting

intel to the otherwise: Bruce, MarkZ, and others were used to create misinformation to catch the “bad people”

- **Am I being used now? I do not think so**, no, because the people I have spoken to, people who actually have appointments with banks, and I’ve seen bank accounts all is ready to go. **THIS TIME IT IS REAL. IT IS REAL!** Am I excited.
- **I am excited because tomorrow** I know we will be able to celebrate.
- **In Australia, we have the HSBC.** We were told we may have Citibank, but HSBC is the one in Australia. In America there is Wells Fargo and Bank of America. Chase got removed from the RV a while ago. For England, I believe it is HSBC.
- **You will find out your location** when you call your 800 number and they will give you the information.
- **Yellow Dragon Bonds** as soon as we get the message that those tables are closed, they will be closed on that platform. All platforms will be closed.
- **Mike Baraba:** I have two contacts on the B side of it, will not mention platforms and two people in Iraq who tell that the vote they were to take, is to be done later, and we should wake up to it tomorrow (paraphrased). I will have my phone on ring tonight for any calls or texts.

- **Tues. 21 Jan. 2025** US reaches it’s debt limit, Trump has to do something to fund the government.
- **MarkZ:** “My Asian Contact said he was expecting the RV on **Tues. 21 Jan. or Wed. 22 Jan.**
- **On Sat. 25 Jan. 2025, the first phase of the wealth redistribution** will officially commence for the general public. ...JFK Jr. on Telegram

### C. Global Financial Crisis:

- **Mon. 20 Jan. 2025: Outgoing Treasury Secretary Janet Yellen** announced that the United States will reach its debt ceiling on **January 21**, putting President-elect Donald Trump in the position of addressing a national fiscal emergency immediately after taking office. This unexpected warning leaves the incoming administration scrambling to prevent a government default. In a letter to House Speaker Mike Johnson (R-LA) and other congressional leaders, Yellen explained that the Treasury would begin “extraordinary measures” to avoid breaching the debt limit. These measures include suspending federal investments in key retirement and

healthcare funds until the debt ceiling is either raised or suspended. “The debt limit does not authorize new spending, but it creates a risk that the federal government might not be able to finance its existing legal obligations,” Yellen wrote, pressing Congress to act promptly.

- **Tues. 21 Jan. 2025** A NY Sun article argues that divergent central bank policies and interest-rate cuts spark “beggar-thy-neighbor” currency devaluations, undermining free trade by tilting competitive advantages and fueling retaliatory tariffs. It highlights how the Bretton Woods system once provided the stable monetary foundation that enabled robust postwar growth, and proposes that President-elect Trump restore a gold-backed dollar to reestablish both U.S. leadership and a fair playing field in global trade.

By not having his hand on the Bible while taking the Oath of Office, Trump avoided the conflict of swearing allegiance to two organizations, in conflict with one another. Either that or, Trump already took the Oath of Office already on **January 16, 2025** with JFK Jr as his Vice President. Either way, a technical conflict was avoided, paving the way for some important future event. You can't build a strong country on a foundation where conflict is embedded with its very outset. **E. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China's Three Gorges Dam in a tunnel that eventually connects to a 1,500 mile long tunnel that runs between the Vatican and Jerusalem:**

**F. Tues. 21 Jan. 2025:** Breaking news shakes the glitz and glamour of Hollywood to its core: wildfire investigators have uncovered a vast subterranean tunnel network beneath Los Angeles.

- **This labyrinth of hidden passages**, allegedly tied to a sinister child trafficking operation, has been linked to some of Hollywood's most exclusive neighborhoods. According to investigators, these tunnels connect A-list celebrities' mansions to a main artery stretching through Hollywood and Pacific Palisades.
- **Even more disturbing**, branches of this network reportedly held dozens of children—some rescued alive, others tragically not.
- **As the mainstream media scrambles to cover up** the discovery and distract the public, we're here to uncover the chilling truths they don't want you to hear.
- **Whistleblowers have been warning** that the US is riddled with secret tunnel networks used by child sex traffickers.
- **Jewish tunnels in New York** featuring bloodied mattresses and children's cots shocked the world earlier this year.
- **Hunter Biden expressed his love** of a notorious tunnel network in the form of a tattoo on his back.
- **According to investigators, Diddy has also been exposed using tunnels for trafficking purposes.** He bought a house near the Playboy mansion which infamously featured tunnels connecting the nearby residences to the mother lode.
- **Yes, the same Playboy that published photos of a nude 10-year-old Brooke Shields.** If that is what they considered appropriate for the magazine, imagine what they considered appropriate behind closed doors.

Whenever a studio or room was illuminated in red, it signified sexual activity, with some of the women involved being underage. A woman also alleged that Diddy and his team had the power to traffic and sell her to anyone they chose.

**G. Tues. 21 Jan. 2025: BREAKING: Bombshell Report Exposes European Royals in Human Hunting Parties and Child Sacrifice! ...Julian Assange on Telegram**

**Judy Note: I wrote this article back on Tues. 14 June 2014:** [European Royals Killing Naked Children for Fun at Human Hunting Parties? | Celebrities | Before It's News \(beforeitsnews.com\)](#)

- **Explosive allegations have surfaced, accusing European royals of horrifying crimes.** Eyewitnesses testified before the International Common Law Court of Justice, describing children being drugged, stripped, raped, hunted, and murdered in grotesque rituals involving global elites. The testimonies expose a dark network of power operating behind the scenes, shielded by wealth and influence.
- **Eyewitness Accounts Reveal Chilling Details:** Survivors recounted being forced to participate in these “human hunting parties,” where children, ages 14 to 16, were pursued through forests like prey. Witnesses described gruesome acts, including mutilation and the display of body parts as trophies.
- **Key figures implicated include former Pope Ratzinger, King Albert of Belgium, and members of the Dutch royal family.** Allegedly, these atrocities took place on estates and properties guarded by royal forces, ensuring secrecy.
- **One woman testified to witnessing the torture and murder of children at a hunting event in Belgium.** Another claimed to have seen Pope Ratzinger kill a child during a ritual in 1987. These horrifying acts, shrouded in secrecy, appear to be part of the Ninth Circle Satanic Cult, a network accused of ritual child sacrifices for power and control.
- **Historical Evidence of Abuse and Cover-Ups:** The court heard accounts linking these crimes to historical patterns of abuse. In Canada, the remains of Indigenous children were uncovered at residential schools tied to the Catholic Church and the Crown. Allegations against Queen Elizabeth and Prince Philip regarding the disappearance of children in 1964 remain unresolved.
- **Documents provided to the court reveal connections between Vatican officials, Nazi collaborators, and child sacrificial cults.** The “Knights of Darkness,” allegedly established by the Jesuits and the SS, were identified as key players in these rituals, with Ratzinger named as a participant.
- **A Global Web of Corruption:** Testimonies suggest these crimes span continents, implicating elites in Europe, North America, and beyond. Evidence points to the use of juvenile detention centers to supply victims and the systematic cover-up of these atrocities by powerful institutions.
- **Justice Demands Action:** The ICLCJ is calling for global accountability. Witnesses and whistleblowers have been offered amnesty and financial rewards for exposing the truth. As new evidence emerges, the court vows to dismantle this horrifying network.

## H. Tues. 21 Jan. 2024 Revolution Disclosed: The Military Occupation Set in Motion by Trump's Executive Orders – The Reality Since November 5, 2016! ...QAnon Warriors on Telegram

- **Disclose: the explosive truth behind Trump's inauguration—a military occupation that began in 2016 and continues today.** Dive deep into the secret power of the Judge Advocate General, military tribunals, and the war for America's future. The old government is gone—it's time to wake up!
- **Military Occupation: The Reality Since November 5, 2016** Let's be clear: the military occupation of the United States didn't begin on January 20, 2017. It started earlier, on November 5, 2016, when the new military-driven regime's wheels were set in motion. Since that day, the country has been under the control of forces far beyond conventional government's reach. And it's still happening, right under our noses.
- **Donald J. Trump didn't just inherit the presidency; he inherited the authority of a War Powers President,** a Commander-in-Chief backed fully by the military. Most Americans are oblivious to this fact, thanks to media complicity in keeping this truth hidden. But the signs are there for those who dare to look.
- **Emergency Executive Orders: The Blueprint for Control Under Trump,** 11 Emergency Executive Orders were enacted, each a step towards consolidating power and extending military control over the government. These EOs, still in effect today, were not mere policies but a blueprint for maintaining order in a nation on the brink. The Biden administration, nothing more than a puppet, has only extended these orders, ensuring the military's firm grip remains.
- **The Puppet Government: A Nation Under Siege** The current administration is a facade, a puppet government designed to maintain the illusion of democracy while real power lies with the military. The extension of Trump's Emergency Executive Orders is proof. The old system is dismantled, those in power arrested for treason.
- **The Wake-Up Call: Accepting the New Reality** The old system is dead, replaced by military control. The sooner Americans accept this, the better they'll be prepared for the challenges ahead. The government you thought you knew is gone, replaced by a system prioritizing national security and military oversight. Trump's inauguration marked this new era's beginning, and every day since has been a further step into this reality. The old system is gone, and it's never coming back. The military is in charge now.
- **The Future Under Military Rule The U.S.** is no longer the nation it once was; it's now governed by a military regime, operating behind scenes, pulling the strings of the puppet government the public sees. It's time to accept the truth and prepare for what's to come. In this new world, the military reigns supreme.
- **The Hidden Reality of Trump's Inauguration: A Moment of Military Occupation January 20, 2017,** wasn't just a peaceful transition of power. It was the formal start of a military occupation, a day when Donald J. Trump took command of a nation under siege.

This was more than an inauguration; it was a clear signal that the military was now in control. The presence of military figures at the inauguration wasn't just ceremonial; it was a declaration of the new era of military justice and power.

**I. Tues. 21 Jan. 2025: STARLINK IS READY TO SEND EBS SIGNAL TO ALL CELL PHONES IN THE WORLD, JUST WAITING FOR THE GREEN LIGHT ...Mr. Pool on Telegram**

- **Starlink is about to transform emergency communications globally.** It's not just another tech launch—this is the beginning of a revolution, one that could reach every cell phone in the world. Imagine that. No one out of reach. Starlink is waiting for the go-ahead to send Emergency Broadcast System (EBS) signals directly to billions of devices.
- **We are in the calm before the storm.** A technological and political shift is on the verge of happening. Starlink, Musk's brainchild, could be the key player in a global plan much larger than any of us thought possible. Some say it's tied to Q's sting operation. Others point to the looming DEFCON One alert, the highest level of military readiness.
- **What's coming? A system that can reach everyone, instantly.** Starlink was supposed to bring internet to remote areas. Now, it's something much bigger: every cell phone becomes a lifeline, capable of delivering life-saving alerts in real time. No one is left in the dark. This is total global communication, like nothing we've ever seen.
- **The implications? Massive.** In moments of crisis—natural disasters, terrorist attacks, anything—the EBS signal can give instant updates, even in the most isolated areas. This is about control, power, and safety. The world is waiting for the green light.
- **DEFCON One Alert:** we've never been closer to the edge. What if this alert is linked to Starlink's signal? Think about it—coincidence? Hardly. Something huge is brewing.
- **Followers of Q are already buzzing.** The grand sting operation to expose corruption on a massive scale may be tied to this. Could the EBS signal be the final piece in Q's plan? Once activated, it could drop the truth to billions at once.
- **We're about to witness a new era of global communication.** The potential is staggering: every phone on the planet receiving emergency alerts, anytime, anywhere. The world is on the brink of something monumental. Stay sharp. When this goes live, it could change everything.

**J. Tues. 21 Jan. 2025: BOOM! Trump's JFK, RFK, and MLK Files Bombshell: The Truth That Will Change Everything! ...Carolyn Bessette Kennedy**

- **Breaking: On Inauguration Day 2025, President Donald J. Trump has set the nation ablaze with a promise unlike any before.** He vows full transparency on the assassinations of JFK, RFK, and MLK. No more secrets. No more lies. America, brace yourselves—the truth is coming! “It's all going to be released.” These words, spoken with conviction, signal the end of decades-long cover-ups. Trump has committed to exposing every classified file tied to the assassinations of John F. Kennedy, Robert F.

Kennedy, Martin Luther King Jr., and more. Files that, for too long, have remained hidden from the American people.

- **Why This Matters Now: The assassination of JFK in 1963 has haunted the nation for over six decades.** The official story of Lee Harvey Oswald as the “lone gunman” never sat right with millions of Americans. Whispers of CIA involvement, mafia ties, and even foreign governments linger. Now, Trump’s bold pledge offers the chance to shatter the narrative and uncover what really happened. But it’s bigger than JFK. The assassinations of RFK and MLK in 1968 remain shrouded in mystery, with doubts cast on the official stories of lone killers. Could there have been coordinated efforts to silence these transformative leaders? Trump’s promise has reignited hope that the truth will finally be revealed.
- **The Deep State Connection: What did JFK know that made him a target?** His clashes with the CIA over covert operations and his threat to dismantle the agency point to a darker narrative. Many believe the so-called “deep state” orchestrated his assassination to protect their agenda. If Trump’s disclosures confirm this, it could rewrite history—and reveal the true nature of power in America.
- **Trump’s Legacy: A President of Transparency:** Unlike his predecessors, Trump has proven he’s unafraid to challenge the status quo. This isn’t just a promise—it’s a declaration of war against secrecy. If he delivers, this move will cement his legacy as the leader who dared to pull back the curtain.
- **What’s Next?: The files could reveal it all:** CIA plots, mafia connections, or even attempts to stifle the civil rights movement. If even a fraction of these truths come to light, the impact will be seismic, shaking politics, academia, and the media to their core.
- **America, Get Ready: This is the moment.** This is the storm we’ve been waiting for. January 20, 2025, will go down in history as the day the fight for transparency took center stage. The truth is out there—and Trump is about to unleash it. Stay tuned.

**O. Income Tax IRS Federal Reserve Going Down:**

**P. Tues. 21 Jan. 2025 Declassified: IRS and Federal Reserve Caught Red-Handed in Massive Economic Enslavement Scam! ...JFK Awakening Q17 on Telegram**

- **In the hidden corridors of what we call our government lies a deception of epic proportions—the Internal Revenue Service (IRS).** This agency, falsely portrayed as a legitimate branch of the government, is in fact a tool wielded by the global elite to further their control, expand their wealth, and tighten their grip on the average citizen.
- **The IRS is often seen as a cornerstone of the U.S. Government, but in reality, it is a critical cog in a well-oiled machine of oppression.** Historical evidence reveals a dark truth that whistleblowers like William Cooper have risked, and even lost, their lives to expose. Cooper revealed the IRS for what it truly is: a fraudulent institution designed to drain the wealth of the masses and funnel it into the pockets of the elite. According to Cooper, the federal income tax is a tool of theft, enforced under the guise of legality, when in truth, no law requires most Americans to pay it.
- **This vast scam was solidified with the secretive creation of a separate Federal Revenue Service in Puerto Rico**, a move reeking of legal evasion and dubious intent. The 16th Amendment, often cited as the constitutional basis for the income tax, is a masterpiece of misdirection. While it grants Congress the power to levy taxes, it does not mandate that individuals must pay an income tax—a crucial distinction ignored by those in power to deceive the public.
- **The IRS exploits this ambiguous language to force compliance**, using fear as its primary weapon against anyone who dares to question or resist. What’s even more alarming is the depth of the conspiracy involving the IRS. Buried within the tax code and enforced by the IRS are mechanisms deliberately designed to impoverish the middle class and widen the wealth gap. These are not accidental oversights; they are calculated tools of economic warfare meant to keep the rich richer and the average American economically shackled and easier to control.

- **This system of economic servitude is upheld not just through tax collection but through psychological warfare**—audits, penalties, and threats are all part of the IRS’s arsenal. The agency presents itself as all-powerful and all-knowing, fostering a climate of fear that ensures compliance.
- **The IRS’s true role extends beyond mere economic control. It acts as a gatekeeper, maintaining social order and preventing any real economic threats to the elites.** By keeping the population in a state of economic uncertainty and dependency, they suppress the entrepreneurial spirit and innovation that could challenge their dominance.
- **Amidst this dark reality, the actions of leaders like President Trump,** who took on these corrupt establishments, stand out as beacons of hope. Trump’s presidency marked a direct confrontation with these shadowy figures, with efforts to dismantle the undue influence of the Federal Reserve and bring transparency to the IRS. His actions were not just political—they were revolutionary, aiming to break the chains that bind the American spirit and wallet.
- **The fight against the IRS and its masters goes beyond taxes; it’s about reclaiming the American Dream.** It’s about exposing and dismantling a system rigged to benefit the few at the expense of the many. As we continue to uncover the extent of their deception, we must rally, resist, and rebuild. The truth is our weapon, and with it, we must cut through the lies that have long enslaved us.
- **This is a call to awaken from complacency,** to stand united, and to take back what is rightfully ours before it’s too late.

**Q. Tues. 21 Jan. 2025: The IRS and Income Tax is COMING TO AN END in America!** The External Revenue Service was the first step to achieve this goal. Trump’s Commerce Secretary said we were going to get rid of income taxes and make foreign governments and corporations pay to do business in America. Our government will be paid for with tariffs. It’s going to happen. The only question is: How soon will it happen? ...Edward Snowden

**R. Mon. 20 Jan. 2025: KABOOM! The Era of NESARA! Trump Paves the Way to Abolish Income Tax with Tariffs! Here’s the Deal!** ...Mr. Pool Secrets on Telegram

- **BREAKING:** Trump’s bold plan to abolish income tax by replacing it with tariffs could be a game-changer for every American! Inspired by NESARA and McKinley’s economic success, this move could put more cash in YOUR pocket, shrink government waste, and fuel a NEW era of American prosperity.
- **A Historic Turn:** Trump is tapping into America’s wealth potential by reviving the tariff strategy that McKinley successfully used in the late 1800s. Imagine an America where the government is funded by tariffs on foreign goods, and your earnings are finally untaxed! McKinley’s tariff-based model brought the U.S. unprecedented surplus wealth — a time when bridges, dams, and national parks were funded without taking a dime from American paychecks.

- **Flashback to McKinley’s Legacy:** Back in 1887, tariff income was so high the government had more money than it could spend! It’s this model that Trump aims to reignite, bringing America back to an era of economic independence. Picture it: foreign entities paying to sell in America, while citizens keep every dollar they earn.
- **Trump’s Vision:** NESARA’s Dream, Our Future: Trump’s tariff proposal aligns with NESARA’s promise of returning power to the people. Without income tax, Americans would keep more of what they earn, with the government funded directly through tariffs on foreign goods. This isn’t just a financial move; it’s a revolution. Imagine more cash in your pocket, more power in your hands, and America thriving on international wealth!
- **Tariffs vs. Income Tax:** A Modern Economic Shift: This isn’t just about saving you money; it’s about ending a taxation system that’s buried Americans in complexity and bureaucracy. No income tax means a leaner government, less IRS interference, and a boost in disposable income for every American.
- **Why This Works:** With tariffs, foreign companies pay their way into the U.S. economy, filling our coffers while we keep our earnings intact. This isn’t just patriotic; it’s economically brilliant. Every dollar YOU earn stays with you — and our nation thrives on the wealth of international trade.
- **Downsizing Government Bureaucracy with Musk’s Efficiency:** Imagine if someone like Elon Musk streamlined the government to align with this vision. With his knack for efficiency, he could eliminate bureaucratic waste, transforming America’s financial landscape into a leaner, stronger, and more self-sufficient powerhouse.
- **Trump’s Tariff Talk:** No Coincidence!: This isn’t just a campaign gimmick. Trump is paving the way for a seismic shift that would unshackle Americans from income tax once and for all. The model worked over a century ago — and with the right strategy, it can work again, empowering Americans to thrive on their own terms.
- **A Vision for NESARA’s Promise:** Economic Sovereignty Returns!: Imagine an America where YOUR hard-earned dollars aren’t siphoned by income tax. NESARA’s concept of returning economic power to the people aligns with Trump’s vision, giving Americans the freedom to grow, save, and build their future without the IRS breathing down their necks. This is the dream of NESARA, reimagined for a modern America.
- **What Does This Mean for YOU?:** Higher disposable income, simplified finances, and an America First economy driven by U.S. citizens, not bureaucrats. This is the revolution you’ve been waiting for — a call for economic freedom and national pride. With Trump’s tariff plan, America is on the brink of reclaiming its economic sovereignty, and YOU are the key to making it happen.

**S. Tues. 21 June 2025:** [BREAKING! Trump’s Military Alliance Launches Final Strike Against Global Elites! Bunkers Destroyed, Safe Havens Exposed, and Quantum Operations in Full Force – The Cabal’s Collapse Has Begun! - Gazetteller](#) Trump’s Military Alliance Launches Final

## Strike Against Global Elites! Bunkers Destroyed, Safe Havens Exposed, and Quantum Operations in Full Force – The Cabal’s Collapse Has Begun!

**Phase One: Global Surveillance and Intelligence Operations:** The backbone of the alliance’s strategy is an unparalleled intelligence network powered by Quantum Grid technology. This system monitors elite activity in real-time, cataloging every financial transaction, encrypted communication, and covert operation. Using this quantum-based surveillance, the alliance has uncovered:

1. **Elite Strongholds:** Hidden underground facilities, secret bunkers, and luxury compounds that have served as operational bases for the cabal.
2. **Financial Networks:** Offshore accounts, shell corporations, and black-market dealings that have kept the elites insulated from legal consequences.
3. **Human Trafficking Routes:** Pathways and networks used by the elites to engage in their most heinous crimes, including trafficking.

**Military Special Forces units** are already targeting these locations. Recent reports of unusual seismic activity and unexplained explosions near suspected elite bunkers suggest that precision strikes are underway. These are not accidents—they are coordinated efforts to collapse the infrastructure that has allowed the elites to operate with impunity.

**Phase Two: Decapitation of Leadership Networks:** The Alliance’s primary focus is to neutralize the key figures within the elite’s hierarchy. This involves targeting heads of state, CEOs, financial magnates, and other influential operatives who have orchestrated the globalist agenda. Arrests are being conducted under the cover of secrecy, with plans for public tribunals to follow once the dust settles.

- **Covert Detentions:** High-value targets are being detained quietly to prevent public panic and elite countermeasures.
- **Asset Seizures:** Military units, in cooperation with the Quantum Financial System, are freezing assets and redistributing wealth as part of GESARA’s wealth transfer initiatives.
- **Psychological Warfare:** The Alliance is using disinformation campaigns to sow confusion among the elites, forcing them to make mistakes that expose their operations. Trump’s administration is reportedly overseeing these actions, ensuring that no elite figure escapes accountability.
- **Military Tribunals** are being prepared, and insiders suggest that classified evidence, including video recordings, encrypted files, and witness testimonies, will be made public during these proceedings.

### **Phase Three: Destruction of Elite Infrastructure**

The elites have spent decades building an infrastructure of control that spans the globe. From secret energy facilities to hidden communications networks, this infrastructure is critical to their survival. The Alliance is systematically dismantling it:

1. **Underground Bases and Tunnels:** Using advanced weaponry such as bunker-busting missiles and directed energy weapons, the military is destroying subterranean facilities that house weapons, technology, and trafficking operations.
2. **Energy Monopolies:** Free energy technologies suppressed by the elites are being released to the public, rendering the traditional energy industry obsolete. This move not only cripples the elites financially but also liberates humanity from their control.
3. **Media Networks:** The mainstream media, long a propaganda tool for the Cabal, is being targeted. Military operations are rumored to have seized control of key broadcasting facilities, ensuring that the truth can be disseminated without interference.

**Phase Four: Public Disclosure and Mass Arrests:** As the Alliance's operations gain momentum, the stage is being set for public disclosure. The Emergency Broadcast System (EBS) is expected to deliver a series of shocking revelations about the crimes of the global elite. These broadcasts will feature irrefutable evidence of:

- **Ritualistic abuse** and human trafficking.
- **Manipulation of global events** to maintain control.
- **Suppression of life-saving technologies** and medical advancements.
- **Simultaneously, mass arrests will occur.** High-profile figures will be paraded before the world, their crimes exposed in the most public and humiliating way possible. These arrests will signal the collapse of the old world order and the dawn of a new era.

**Elite Safe Havens No Longer Safe:** The Elites have long relied on secure safe havens to evade justice. These include:

- **Isolated Islands:** Luxury compounds equipped with private airstrips and advanced security.
- **Underground Cities:** Facilities capable of sustaining life for decades, hidden beneath mountains and deserts.
- **Space-Based Escape Plans:** Rumors of Elite plans to flee Earth have been confirmed by whistleblowers. The Alliance has reportedly neutralized these plans by disabling rogue space programs. The Military Alliance is systematically targeting these locations. Leaked reports suggest that entire underground cities have been flooded or collapsed, cutting off the elites' escape routes.

**Phase Five: The New World Order's Collapse: The final phase of the military plan** involves the complete dismantling of the mechanisms that allowed the elites to maintain control. This includes:

- **The Banking Cartel:** The Quantum Financial System is rendering traditional banking obsolete. Central banks are being dismantled, and their assets are being redirected into prosperity funds for humanitarian projects.

- **Global Governance Structures:** Institutions like the United Nations, World Economic Forum, and World Health Organization are being exposed as tools of the Cabal. Plans are in place to replace these corrupt organizations with systems that prioritize sovereignty and transparency.
- **Cultural Reset:** The Alliance is working to restore Constitutional and Common Law, erasing the corrupt laws and regulations imposed by the elites.

**Trump's Vision: A Future Without Elite Oppression:** Trump's leadership is not just about erasing the past—it's about building a future where humanity is free from elite manipulation. His administration is prioritizing:

- **The release of suppressed technologies,** including food replication devices and medical advancements.
- **The implementation of holographic education systems** to replace corrupt institutionalized learning.
- **A decentralized communication network** that ensures freedom of speech and privacy.

**A Call to Action: Stay Vigilant:** The military alliance's efforts are unprecedented, but they are not without risk. The elites are desperate, and their final acts of defiance could include false flag attacks, economic sabotage, and attempts to incite global conflicts. Patriots must remain vigilant, informed, and ready to support the alliance in any way necessary.

**The world is on the cusp of liberation.** With Trump at the helm, the military alliance is executing a plan that will forever change the course of history. The elites' reign is over, and humanity's golden age is within reach. Prepare for the storm, patriots—the final reckoning is here.

**Z. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
