Judy Note: *“The Event has been unleashed. It is the final battle between Good and Evil: Castles will fall, royal families will be dethroned and corrupt institutions will crumble” ...John F. Kennedy Jr, American United States VP on Telegram Sun. 26 Jan. 2025.*

There was expected to soon be a Global Blackout, Martial Law and GESARA massive transfer of wealth from the Global Elites back to The People.

What would appear to be another World War brewing would actually be a façade for a Global Military Alliance purge that was dismantling the Satan Worshipping Illuminati power infrastructure that ruled the World: the Vatican, Buckingham Palace, White House and CERN – that the dark side used to control the weather.

A Global Currency Reset to gold/asset-backed currencies of 209 nations, Stock Market Crash and Martial Law will be implemented as the Cabal’s 34 key Satanic sites were destroyed using the Rods of God Direct Energy Weapons.

Meanwhile gold/asset-backed GESARA funds, already taken back from the Vatican Rothschild bankers, would be used by The People to rebuild.

Mass Arrests, Military Tribunals and secret courts were already in action. The Quantum Starlink System will neutralize Mainstream Media’s manipulation of the truth as a global blackout transitions the World to Tesla Free Energy.

“Prepare for the most tumultuous period in human history, VP JFK Jr. said. “The war for our freedom—and the soul of humanity—is now.”

A. Sun. 26 Jan. 2025: The Event Unleashed! Biblical prophecies, Global Blackout, Martial Law, WWII, Tesla's secret tech and Gesara's massive wealth transfer! ...The 17th Letter (American United States VP JFK Jr.) on Telegram Sun. 26 Jan. 2025

- **The clock is ticking toward a monumental shift** that will reshape the world as we know it. What appears to be the brewing of World War III is merely a facade for a deeper, more sinister agenda—a global purge to dismantle the Luciferian strongholds that have ensnared humanity for centuries.
- **This is not merely another war; it's a divine intervention** designed to obliterate the satanic infrastructure ruling over us. This global cleansing will utilize key military targets not as foreign armies or states but as symbols of Illuminati power—the Vatican, Buckingham Palace, the White House, and even CERN with its dark experiments.
- **The Event marks the beginning of this massive upheaval**, with GESARA funds paving the way for rebuilding a cleansed world. This is about resetting the financial system, moving away from Rothschild-controlled banks to rainbow Treasury notes backed by actual precious metals.
- **The destruction of 34 key sites linked to the global Cabal's power will be executed using Rods of God and Directed Energy Weapons.** This isn't just conspiracy theory; it's strategic dismantling, as seen in recent strikes on Tesla Bitcoin servers and data centers.
- **The coming chaos will extend beyond a simple currency reset.** The impending stock market crash and the implementation of global martial law are not mere economic downturns but a deliberate takedown. This will usher in a new world under emergency measures, radically different from what we've known.
- **As the market crashes, so too will the old financial systems tied to the elites.** The portrayed third World War, with its nuclear sirens and mass panic, is merely a distraction from the true agenda: the establishment of a new system aligned with divine justice.
- **Military tribunals and secret courts are already in action**, executing a global purge of betrayal against humanity. These are not rumors; they are realities, with executions and confessions unfolding far from the public eye, unreported by mainstream media.
- **Project Odin, part of the Quantum Starlink system**, will neutralize Mossad's media control, erasing their influence and ending their ability to manipulate the truth. This will coincide with a global blackout essential for transitioning to Tesla Energy—an energy system free from the control of the cabal, signaling the end of their reign.

- **This blackout is strategic, aimed at severing the Cabal's last lines of communication** and disinformation. It's a necessary step to reveal the full extent of what has been hidden from public view.
- **But the transition won't be smooth.** The elites will stage a fake World War III, complete with nuclear threats, to cling to their fading power. They will claim it's for our safety, but it's their final act of desperation.
- **This is not just military training; it's preparation for the largest military operation in history**—the final battle between good and evil. Castles will fall, royal families will be dethroned, and corrupt institutions will crumble.
- **The Event we've been warned about is unfolding.** The signs are clear, marking the shift to a new era under GESARA, revealing hidden truths and empowering the people, not the elites. The storm is here, and there's no turning back.
- **Prepare for the most tumultuous period in human history.** The war for our freedom—and the soul of humanity—is now.

B. Sun. 26 Jan. 2025: BREAKING: THE ELITE ARE FALLING! FINANCIAL MELTDOWN IS HERE! ...Edward Snowden on Telegram

- **The collapse has begun!** Banks are crashing, the Rothschilds are dumping their estates, and BlackRock is DONE—Executive Orders 13818 and 13848 are bringing down the corrupt elite. The cabal's reign is over!
- **For everyone saying, "Nothing's happening," open your eyes!** This isn't a drill. The global financial system is crumbling, and the ones you thought were untouchable—Rothschilds, BlackRock, celebrities—they're ALL falling. This is not a market correction; it's total destruction.
- **The elites are in full panic mode.** Their mansions? Fire sales. BlackRock filing for bankruptcy? YES, it's real. Their house of cards is collapsing, and there's no bailout big enough to save them.
- **Executive Orders 13818 & 13848:** The Game-Changersz; E.O. 13818 targets corruption and human rights abuses, while E.O. 13848 strikes foreign election interference. Together, they're dismantling the financial networks that kept the cabal in power. Their dirty money pipelines? Cut off. Their assets? Seized.
- **The Bank Implosion:** Silicon Valley Bank, Credit Suisse, First Republic—gone. And it's just the beginning. This isn't bad luck; this is justice. The elite built their empire on lies, and it's finally coming apart.
- **BlackRock Falls:** BlackRock, the "Godzilla" of finance, controlled trillions in assets. Now? Bankrupt. Their empire of manipulation is no more. Executive Orders delivered the fatal blow, and they couldn't survive without their corrupt channels.
- **The Global Reset Is Here:** We're witnessing the biggest financial shift in history. The elites are losing trillions, their power is evaporating, and the world is waking up. This is more than a collapse—it's the END of their reign.

- **The Cabal is DONE.** The future belongs to us. LET'S GOOOOOOOOOOOO!!!

C. Possible Timing:

- **Soon ten days of Communication Darkness** will begin. The new Star Link Satellite System will show documentaries 24/7 to inform the public about the fall of the Cabal and it's fiat US Dollar, independence for all 209 nations participating in the Global Currency Reset and the availability of long hidden technologies including Med Beds.

G. Sun. 26 Jan. 2025 SHOCKING: Declassified CIA Docs Reveal Sinister Plot—Trump Declares War on the Deep State! ...John F. Kennedy Jr. on Telegram

- **Declassified and Exposed: Operation Northwoods**, a horrifying 1962 plan, revealed how U.S. military leaders plotted fake terror attacks on Americans to justify war with Cuba. Now, under Trump’s orders to declassify all JFK assassination files, the deep state’s darkest secrets are coming to light.
- **Operation Northwoods: A Betrayal of America.** This wasn’t a rogue idea. It was an official proposal signed by the Joint Chiefs of Staff, outlining a plan to: (1) Bomb U.S. cities and frame Cuba. (2) Destroy a Navy ship, killing U.S. soldiers, to fuel public outrage. (3) Stage fake funerals for fake victims to justify war.
- **The plan was nothing short of state-sponsored terrorism**, targeting American citizens to deceive the nation into war. These weren’t enemies—it was our own government plotting against its people.
- **JFK: America’s Last Defense.** President Kennedy stopped Operation Northwoods, rejecting the twisted plan. But his defiance may have sealed his fate. Was his assassination a result of standing against the deep state? With Trump’s push for full declassification, this question is more urgent than ever.
- **Trump vs. the Deep State.** Fast forward to today: Trump’s fight to expose the truth is tearing the deep state’s grip on America. His commitment to releasing the JFK files is a bold declaration—no more secrets, no more lies. The deep state wanted this buried forever, but now their corruption is unraveling.
- **Why It Matters Today.** If a plan like Northwoods could exist, who’s to say it couldn’t happen again? The same unchecked power, the same disregard for American lives—this isn’t just history. It’s a warning.
- **A Call to Action:** Demand the Truth! This is our moment to hold the deep state accountable. Trump’s leadership has opened the door, but we must demand full transparency. We must never let the government betray its people again.
- **The Deep State thrives in the shadows.** Now, with the truth emerging, it’s time to expose their lies for good. Stand with Trump. Stand for America. Let history remember this as the moment we said: Never again.

J. Sun. 26 Jan. 2025: The below transcription is a Tony Robbins description of an international Child Sex Tourism and Child Trafficking rescue of 71,000 children facilitated by Special Forces and Navy Seals.

- **“My wife and I have saved 71,000 children** from trafficking just in the last 7 years. Working with some of the best organizations I have gone out on those undercover – multiple different trips.
- **I went to Haiti undercover with a group of Navy SEALS** – SEAL TEAM 6 guys, and a couple of CIA guys that are brilliant and we went down to rescue 32 children and they were from 5 different – 6 different madams – and these were 7 to 14 year-old girls and boys – but mostly boys and [they were] chained to a bed doing eight to ten tricks a day”
- **Tony Robbins said. “I unfortunately experienced it.** And I pretended that I was coming here [me being] this very wealthy guy with 30 of my friends. And so we rented this place and we couldn't tell the police because the police were involved. The only person who was the Prime Minister – the President – and so we worked everything out and then he was going to have his Special Forces group come in at the very end. But we had to film it and trap it.
- **I'm seeing things that I just – you can't unsee unfortunately.** The worst part of – I wouldn't call it humanity because these people aren't human. And at the last moment on

the boat someone said, “You’re Tony Robbins”. I was like ‘holy shit’ it was my voice. It didn’t matter, like, my voice is so distinctive and they’d heard it.

- **And while it’s going on I’m watching one of the guys** – brilliant guy doing this negotiation – so convincing. So enthusiastic and ‘we want the young ones and all that stuff – you know, he’s on our side of the table – everything’s being filmed.
- **We’re right off the beach** and then on the beach there’s a place where they’re going to go get the children and that’s got all filming in it. And as he’s doing it there’s three men and a woman and the woman had intuition. And I could sense her – I sensed she senses something off. Fortunately we got it done.
- **We went on there and then the Special Forces** people didn’t show up – and we’re freaking out. The last second they show up. We had to leave the country because also the police come they’ll put us in jail right?
- **We rescued all these kids.** It’s the worst thing I’ve ever seen and the most beautiful thing I’ve ever seen when the freedom is there.
- **And then we funded for them the integration process** to come back from that when you’ve gone through so much trauma – it’s pretty amazing and we use a lot of the tools that I developed there,” Tony Robbins.

K. Sun. 26 Jan. 2025: BOMBSHELL: FBI Files Expose CIA Ties to Satanic Ritual Abuse and Child Trafficking—Trump Targets Deep State Secrets! ...John F. Kennedy Jr. on Telegram

- **Recently declassified FBI documents confirm what whistleblowers have been saying for decades: a secret, government-connected network is involved in child trafficking and Satanic ritual abuse.** These revelations expose dark operations like The Finders and cases like the infamous McMartin Preschool.
- **THE FINDERS: CIA-Linked Child Trafficking Cult:** The FBI’s investigation into The Finders, a shadowy group tied to the CIA, reveals horrific allegations of child exploitation, including ritual abuse, human trafficking, and even sacrifices. In one instance, two members of the group were caught in Tallahassee with six children in filthy conditions, allegedly "weaned from their mothers" and prepped for transport. Evidence linked The Finders to international operations, restricted travel to Communist nations during wartime, and CIA protections that ensured cover-ups at every level.
- **MCMARTIN PRESCHOOL: Ritual Tunnels and Chilling Testimonies:** The McMartin Preschool scandal saw dozens of children recount stories of underground tunnels, Satanic symbols, and abuse. While mainstream media dismissed the case as “moral panic,” the FBI files show investigators uncovered tunnels beneath the school containing bones and pentagrams. Yet, these findings were buried, and charges were mysteriously dropped.
- **WHISTLEBLOWERS TARGETED:** Brave individuals who exposed these evils have paid the ultimate price. FBI special agent Ted Gunderson revealed the depth of government-backed child trafficking networks and Satanic abuse, connecting The Finders

to a global operation. Senator Nancy Schaefer, who exposed corruption in Child Protective Services, was found dead in a suspicious murder-suicide. Bill Bowen, whose documentary exposed CPS corruption, died of a sudden heart attack before completing his work.

- **TRUMP DECLARES WAR ON THE DEEP STATE:** Now, President Trump is taking on the deep state like no other leader before him. He's ordered full declassification of JFK assassination files and is targeting decades of hidden crimes. The deep state thrives on secrecy, but Trump is ripping away the curtain, exposing the rot within Washington's corridors of power.
- **WHY THIS MATTERS NOW:** These revelations aren't just history—they're a warning. The same forces that enabled these atrocities remain embedded in the system. The FBI files prove that powerful agencies covered up evidence, dismantled investigations, and protected predators.
- **A CALL TO ACTION:** This is our moment to demand transparency. Stand with Trump. Expose the truth. Drag the deep state's darkest secrets into the light and ensure these crimes never happen again. The time is NOW. Let's end their reign of terror once and for all. The fight for justice has begun!

L. Sun. 26 Jan. 2025 Trump Declares End to Income Taxes, IRS, Federal Reserve

Sun. 26 Jan. 2025: [KABOOM! Trump Declares the End of Income Taxes! IT MUST BE the NESARA GESARA Era! VIDEO - amg-news.com - American Media Group](#)

NESARA GESARA—The GLOBAL Reset that Will Destroy the Old World!

BOOM #1: Debt Forgiveness – A Total Financial Reset!

POOF! Your crushing debts? **GONE!** All your credit card balances, mortgages, and loans—**wiped clean.** How? Because the entire banking system that enslaved you in endless debt has been built on **illegal activities.** That's right—this isn't just a favor or a bailout. NESARA is **correcting** decades of financial **crimes** committed by banks and governments alike. This is a financial **jubilee**, the likes of which the world has NEVER seen before.

But don't get too comfortable. This only applies to debt tied to the corrupt banking system. If you owe money outside of it, you're still on the hook. This is **selective justice**, targeting the **core of the corrupt financial empire.**

BOOM #2: Tax Liberation – The IRS Gets SMASHED!

Are you sick of handing over your hard-earned cash to the IRS every year? **Say goodbye** to that nightmare! The IRS, which has been acting **unconstitutionally** from the start, is about to be **DEAD AND BURIED.** Income tax? **GONE.** That's right! NESARA **obliterates** income taxes, and it's about time. For years, the government has been siphoning money from your paycheck illegally, and NESARA is going to stop this robbery in its tracks.

In its place, NESARA brings in a simple 14% flat tax on non-essential goods. That means **no taxes** on food, medicine, or used goods. It's fair. It's simple. And most importantly, it keeps the government's greedy hands out of your pocket.

BOOM #3: Federal Reserve—GAME OVER!

The **Federal Reserve**, that shadowy institution that's been pulling the strings behind the scenes for **decades**, is about to be **SNUFFED OUT!** NESARA doesn't just regulate it—it **eliminates** the entire system. Once and for all, we're **kicking the Federal Reserve to the curb** and taking back control of our money.

A new U.S. Treasury-backed "**Rainbow Currency**" will replace the worthless paper dollars we've been using. And guess what? This new currency will be backed by **gold, silver, and platinum—REAL** assets, not the phony money the Federal Reserve has been printing for years. This isn't just reform—it's a **total financial revolution**.

BOOM #4: Constitutional Law Restored – The RESET of America!

It's over for those who have twisted the law and sold our sovereignty to the highest bidder! NESARA returns the U.S. to its rightful foundation: **Constitutional Law**. That means no more laws made in secret backrooms by foreign interests or shadowy powers. The **Title of Nobility amendment** will be reinstated, and here's the kicker: **Hundreds of thousands** of Americans with dual loyalties to foreign powers will be **stripped of their citizenship**.

Let that sink in. College degrees? **Worthless paper!** If you've been operating under foreign control, your game is over. NESARA is sending these traitors packing—they'll be **deported and barred** from ever stepping foot on U.S. soil again. This is more than a reset; it's a **PURGE** of those who have sold out our nation.

BOOM #5: New Elections – A TOTAL Political Overhaul!

The current political system? It's **DONE**. Corruption has poisoned our elections for years, and NESARA is here to **flush it out**. In a matter of **120 days**, all current presidential and congressional elections will be **scrapped**, and new ones will be held under the rule of Constitutional Law. Every **national emergency** declared by the previous regime will be **erased**.

No more rigged elections! The **NewQFS Voting System** is coming, and it's **unhackable**. Voting fraud? **Impossible**. Under NESARA, only those validated through a secure, blockchain system will be allowed to vote. If you thought the corrupt politicians had a chance to hold on, **think again**. NESARA is **burning down** the corrupt house they built.

BOOM #6: Financial Privacy Restored – YOUR Money, YOUR Business!

Say goodbye to the constant surveillance and **hacking** of your personal finances. Under NESARA, your financial privacy is **restored**. The new U.S. Treasury Reserve Banking System will **protect** your money from thieves, hackers, and the prying eyes of Big Brother. The days of the government knowing every move you make are over!

This isn't just about security. It's about **reclaiming** control of your financial life. No more tracking. No more surveillance. Your money is **yours** and no one else's.

BOOM #7: The Suppressed Technology Bombshell – 6,000 Patents UNLEASHED!

Here's the **BIG ONE**. The technology you've never even heard of—the stuff that's been hidden in deep vaults by the global elites—is about to hit the public. We're talking **over 6,000 patents** for mind-blowing technologies, everything from **free energy** devices to **miracle medical cures**.

This isn't science fiction—it's the future that's been kept from us for decades. The energy sector, healthcare, transportation—**EVERYTHING** is about to change. The reason these technologies were suppressed? Because they would **destroy** the power structures that have ruled the world for so long. NESARA is about to **release** these technologies to the public and **explode** the status quo.

BOOM #8: Humanitarian Projects – A Tsunami of Global Change!

It's not just about **tearing down** the old system—it's about **building a better one**. NESARA isn't stopping with just financial reforms. It's launching a wave of **humanitarian projects** that will change lives across the globe. Funding will be available for citizens to take part in massive projects, from providing **housing for the homeless** to **revolutionizing healthcare** and education.

This is a **global movement**. NESARA's influence will spread far beyond U.S. borders, transforming the lives of millions. The age of **greed and scarcity** is ending, and NESARA is ushering in an era of **abundance and prosperity** for everyone.

BOOM #9: Restitution and Redemption – Getting Back What's Rightfully Ours!

NESARA doesn't just stop with **reforming** the present—it also focuses on correcting the **wrongs of the past**. The corrupt elites who've stolen from us for generations? They're going to **pay**. We're talking **restitution** for every unconstitutional act committed upon humanity. All the **hidden taxes, interest payments, and debt slavery** will be accounted for.

And then there's the **Redemption**—your currencies and bonds, including the **ZIM Bonds**, will be exchanged for **higher rates**, with part of the funds allocated for **personal use** and the rest earmarked for **humanitarian projects**. This isn't just about money—it's about **justice**. It's time to take back what's been stolen from us and build a future **free from oppression**.

BOOM #10: The QFS Voting System – A New Era of Unhackable Democracy!

Let's face it—the current election system is a **joke**. Rigged, manipulated, and **corrupt to the core**. NESARA is ripping the old system apart and replacing it with the **NewQFS Voting System**, an **unhackable**, blockchain-secured platform. The days of voter fraud are **over**. Only those who have redeemed NESARA benefits will be eligible to vote.

No more dead voters, no more manipulated machines. Every single vote will be **validated and secure**, ensuring the voice of the people is truly heard. This isn't just a fix—it's a **complete reimagining** of democracy.

Sun. 26 Jan. 2025 House GOP Targets IRS: Fair Tax Act to Overhaul U.S. Tax System

...JFK Awakening Q17 on Telegram

- **The House GOP has unleashed a bombshell:** the Fair Tax Act of 2025—a legislative nuke aimed at abolishing the IRS forever. Imagine a nation without income taxes, death taxes, payroll taxes, or corporate taxes. Instead, a single national sales tax would dominate, shifting the burden to every transaction, leaving the elites nowhere to hide.
- **Why Now?** With the Trump administration poised for a monumental return, the stakes couldn't be higher. The IRS is crumbling: \$20 billion in enforcement funding lost. A leadership overhaul with Trump-backed firebrands ready to gut the institution. Resistance brewing against Direct File systems, threatening to expose deep-state control over your taxes.
- **The Fair Tax Explained:** This act would impose a 23% tax on goods and services starting in 2027. Critics claim it's a 30% hit, but supporters argue it's the price of freedom from IRS tyranny. The revenue breakdown is clear: 64.83% for general government spending. 27.43% to Social Security and disability funds. 7.74% for Medicare and healthcare trusts.
- **Once implemented,** the tax rate could fluctuate, tied to government spending—a direct way to hold Washington accountable!
- **A Radical Shift in Power:** This isn't just about taxes. This is about freedom from the corrupt swamp. For decades, the IRS has funneled wealth upwards while crushing small businesses and working families. With the Fair Tax, the power returns to YOU. No audits. No loopholes for billionaires.
- **Opposition Panicking:** The left-wing media and their globalist allies label this act “radical” and “unworkable.” Why? Because it threatens their empire. A consumption tax forces the elites and even illegal immigrants to pay their share while empowering American workers.
- **The Trump Agenda:** Under Trump's leadership, this is just the beginning. Plans are in motion to: End taxes on tipped workers. Abolish income taxes on Social Security benefits. Impose steep tariffs on foreign goods, keeping American dollars at home.
- **The Storm Has Arrived:** The Fair Tax Act isn't just a policy—it's a declaration of war on the corrupt institutions that bleed you dry. The IRS is gasping for air, and with Trump back in power, it's only a matter of time before it's obliterated.
- **Sun. 26 Jan. 2025: Is Trump Eliminating the IRS and going for a Flat Sales Tax to fund the government?** President Donald Trump was reportedly exploring a radical proposal: eliminating federal income tax and replacing it with revenue generated solely from import tariffs. The idea, which has been circulating among some of Trump's advisors, hinges on the

notion that a sufficiently high tariff on foreign goods could generate enough revenue to fund the government, effectively making income tax obsolete.

- **Sun. 26 Jan. 2025: Trump's talking about no taxes in HR 25!:** “To promote freedom, fairness, and economic opportunity by repealing the income tax and other taxes, abolishing the Internal Revenue Service, and enacting a national sales tax to be administered primarily by the States.” 119th Congress (2025-2026) <https://www.congress.gov/bill/119th-congress/house-bill/25>
- **Sun. 26 Jan. 2025:** President Trump has announced plans to eliminate at least 88,000 IRS agents or reassign them to border enforcement duties.

M. Sun. 26 Jan. 2025: BOOM! JFK, RFK, and MLK Assassination Files Released! The Global Elite Exposed! ...Julian Assange on Telegram

- **Donald Trump has unleashed a political earthquake,** ordering the release of declassified files on the assassinations of JFK, RFK, and MLK. The truth buried under decades of lies is finally breaking through. These aren't just files—they're proof of a global power structure orchestrating hits on anyone who dared to challenge them.
- **JFK: The Ultimate Threat to the Cabal:** JFK's fight to dismantle the CIA, end the Federal Reserve's control, and pull U.S. troops out of Vietnam made him an enemy of the elites. His Executive Order 11110 was a declaration of war against the financial overlords controlling America through debt. Months after signing it, JFK was assassinated in broad daylight. The files now prove it wasn't a lone gunman—it was a planned takedown to preserve their empire.
- **RFK: The Keeper of Dangerous Secrets:** RFK knew too much. He was closing in on exposing the CIA, organized crime, and their role in JFK's murder. His determination to uncover the shadow government's network made him a marked man. These files confirm RFK's assassination wasn't random—it was a silencing of the only man who could reveal the truth behind his brother's death.
- **MLK: A Revolutionary Silenced:** MLK wasn't just a civil rights leader—he was a revolutionary. His opposition to the Vietnam War and plans for economic justice threatened the power structure. The newly revealed files confirm MLK was under constant surveillance and targeted because his movement endangered the elites' grip on society. His assassination was no lone act of hate—it was a calculated hit.
- **The CIA: The Shadow Puppeteers:** The files expose the CIA's fingerprints all over these assassinations. From Lee Harvey Oswald being a manipulated CIA asset to covert alliances with organized crime, the agency played a central role in protecting elite interests.
- **Trump's Declassification: A Turning Point:** For decades, presidents cowered under pressure to keep these secrets hidden. Trump's bold move shattered that cycle, exposing the rot within the system. The mainstream media, controlled by the same elites, is scrambling to suppress the fallout—but the truth is unstoppable.

- **The Call to Action: This isn't just about history—it's about justice.** The American people now have the evidence to demand accountability from those who betrayed the nation. The cabal's time is up, and their reign of secrecy is crumbling.

N. Sun. 26 Jan. 2025: BREAKING: Military Operations Begin! BOOM! US Special Forces Rain Hell on Mexican Cartels and Central American Gangs to Defend Our Nation and Secure the Border! ...Steve Bannon on Telegram

- **BOOM! Trump has unleashed the U.S. military on Mexican cartels** and Central American gangs, declaring total war on fentanyl smuggling, human trafficking, and border threats. Under Trump's fearless leadership, America strikes back, and victory is inevitable!
- **The War Is Here! BOOM!** Explosions echo across Mexico and Central America as the U.S., led by President Trump, delivers justice to cartels poisoning our youth and trafficking our people. These monsters thought they could attack America without consequences. They were wrong.
- **Trump Declares Cartels Terrorists!:** Trump's executive order on January 20, 2025, declared cartels and gangs like MS-13 terrorist organizations. This historic move means the gloves are off: Military strikes target cartel strongholds. Global asset freezes cripple their finances. Intelligence operations dismantle their networks. This is not just policy—it's all-out war.
- **The Cartels: America's Greatest Enemies:** Cartels like Sinaloa and MS-13 are no ordinary criminals; they're paramilitary death squads: Fentanyl Epidemic: Killing 100,000 Americans annually, this is chemical warfare. Human Trafficking: Selling women and children into modern-day slavery. Corruption: Bribing officials, controlling territories, and murdering any opposition. Their reign of terror ends NOW.
- **Heroes on the Front Lines: The U.S. military**—Special Forces, Navy SEALs, and intelligence operatives—is on the offensive: Drone strikes eliminate cartel leaders with precision. Rescue missions save trafficking victims. Border reinforcements ensure no trafficker or drug mule gets through. These warriors are America's sword and shield, delivering justice every day.
- **Why This Fight Matters:** This war is personal. Fentanyl kills our children. Traffickers destroy lives. Our borders are under siege. This is about America's future and sovereignty. Trump's leadership ensures that future is secure.
- **Trump's Vision: A Border Fortified:** Trump is taking border security to the next level: Reinforced walls with advanced tech to detect tunnels. Military surveillance with drones and thermal imaging. Pressure on foreign nations to dismantle cartel operations—or face consequences. This isn't just a border—it's a fortress.
- **The Cartels' Nightmare Has Begun:** Every day, another drug lab is destroyed, trafficking routes shut down, and cartel bosses hunted. The cartels thought they were untouchable. They were wrong.

- **America Reclaimed!:** Imagine a future free from fentanyl, where our borders are secure, and cartels are a thing of the past. Trump is fighting for that future, and with the strength of our military and the unity of our people, victory is inevitable.
- **BOOM! Victory Is Coming:** Under Trump's fearless leadership, America fights to win. God bless our troops. God bless Donald J. Trump. And God bless the United States of America!

Q. Sun. 26 Jan. 2025: SHOCKING: Declassified CIA Docs Reveal Sinister Plot—Trump Declares War on the Deep State! ...QAnon Warriors on Telegram

- **Declassified and Exposed:** Operation Northwoods, a horrifying 1962 plan, revealed how U.S. military leaders plotted fake terror attacks on Americans to justify war with Cuba. Now, under Trump's orders to declassify all JFK assassination files, the deep state's darkest secrets are coming to light.
- **Operation Northwoods:** A Betrayal of America. This wasn't a rogue idea. It was an official proposal signed by the Joint Chiefs of Staff, outlining a plan to: Bomb U.S. cities and frame Cuba. Destroy a Navy ship, killing U.S. soldiers, to fuel public outrage. Stage fake funerals for fake victims to justify war.
- **The plan was nothing short of state-sponsored terrorism,** targeting American citizens to deceive the nation into war. These weren't enemies—it was our own government plotting against its people.

- **JFK: America's Last Defense.** President Kennedy stopped Operation Northwoods, rejecting the twisted plan. But his defiance may have sealed his fate. Was his assassination a result of standing against the deep state? With Trump's push for full declassification, this question is more urgent than ever.
- **Trump vs. the Deep State.** Fast forward to today: Trump's fight to expose the truth is tearing the deep state's grip on America. His commitment to releasing the JFK files is a bold declaration—no more secrets, no more lies. The deep state wanted this buried forever, but now their corruption is unraveling.
- **Why It Matters Today.** If a plan like Northwoods could exist, who's to say it couldn't happen again? The same unchecked power, the same disregard for American lives—this isn't just history. It's a warning.
- **A Call to Action:** Demand the Truth! This is our moment to hold the deep state accountable. Trump's leadership has opened the door, but we must demand full transparency. We must never let the government betray its people again.
- **The Deep State thrives in the shadows.** Now, with the truth emerging, it's time to expose their lies for good. Stand with Trump. Stand for America. Let history remember this as the moment we said: Never again.

S. Jan. 6 Story: My name is Michael Shane Daughtry and this is my January 6th Story.

<https://threadreaderapp.com/thread/1883228690571575373.html>

- **Scamdemic, Scam Election and Scam (False Flag) "Insurrection."** The only time that compares to it was 1856-60 with the slaveholders trying to take over Kansas by force, the Dred Scott Decision, etc. that convinced the North that the South would do anything including invading them with the help of foreign powers to keep slavery. It's obvious the Left will do anything to hold to their power from tax slavery. I am not holding my breath until Pam Bondi starts the thousands of indictments that need to be done to clean up the injustices perpetrated at D.C. jails and Capitol Police, FBI, etc. Grant Noble

I was a Police Officer with SWAT and Sniper Certifications, 20+ years Police experience and over a thousand hours of training. I'm also a Master Gunsmith with a Federal Firearms License and a Gunsmithing Business with over 10 years experience.

On January 6th 2021, I traveled to Washington DC with my wife Tammie to watch the Trump Rally. As the rally was completing, the President of the United States told the crowd to go to the West Lawn and "peacefully" protest, which we did. As we arrived at the West Lawn, the police officers removed the barricades and waved us onto the West Lawn. I had video of this but the FBI later raided my home and confiscated this Video. I never went into the Capital Building or damaged any property but I did later observe people causing damage to the Capital Building so I took a few pictures of these people and then returned to my motel room, we returned home the next morning.

On January 16th, I was charged with trespassing on the West Lawn on January 6th even though the President had ask me to go there and the police had moved the barricades and waved me onto the West Lawn.

The FBI contacted me around midnight and asked me to turn myself into the Federal Marshalls at the Federal Courthouse in Macon by 9:00 am the next morning. I voluntarily turned myself into the Federal Marshalls at the Federal Courthouse in Macon Ga. Upon arrival I was advised by Federal Marshalls that Pelham Police Investigator Adam Lamb, Assistant Chief Rod Williams and Chief McCormick had turned me in to the FBI after finding out I was in DC.

In 2020 I was working as a Police Officer for the Pelham Police Department and also owned a Firearms Gunsmithing Company named "Cazy Coon Armory" My business was named after my pet Raccoon that was named Rocket but we always called him "Crazy Ole Coon". On November 13th 2020, Pelham Police Department Investigator Adam Lamb had showed up to my home stating Police Cheif McCormack had fired me for having a Logo with a picture of a Raccoon on it with the words "Crazy Coon Armory" telling me that the logo had the word "Coon" on it and that made it a Racist Logo. The police department said they didn't know I had an outside business with that name even though it was on my resume and on my application for employment. I had also worked on several of of the Pelham Police Department weapons including pistols and full auto rifles at Crazy Coon Armory.

The paperwork they asked me to sign stated I was being fired for being a Racist. I refused to sign this separation letter. After I was fired, without even being given a chance to resign, I decided to expose the Pelham Police Department and its very corrupt Chief for several of the crimes they had committed and were committing including insurance fraud, illegal gambling and cover ups. I was posting this corruption on my Facebook Page and the City of Pelham's Facebook Page every night which made the Police very angry and this was the reason for turning me into the FBI so they could silence me.

After the Marshalls read me this affidavit, I was put into a jail cell for several hours before being brought before a Federal Magistrate Judge. Even though I was a Law Enforcement Officer with no other criminal record, I was placed in handcuffs, leg irons and belly chains and was advised not to speak. And even though I'm a certified Law Enforcement Officer, have never been arrested or charged with any other crime in my life and had gotten up before daylight and driven over 100 miles to turn myself in, the judge advised me that I was a flight risk and ordered me to wear an ankle monitor, be placed under House Arrest, placed on Pre Trial Probation, forced to post \$25,000 bond and was placed on Tap 4 internet restrictions saying I couldn't use any computers or internet. At that time I was not allowed to make a plea and was not allowed to plea until over 18 months later.

I was appointed a public defender without even being asked. I had a very experienced federal attorney that was willing to take my case for free but I was advised that I could not have an attorney of my choosing and could only hire an attorney from the Washington DC District that was certified to take cases in federal court in DC. The only attorney I could find meeting these requirements wanted over \$100,000 plus \$10,000 per hearing which I had 5, which would have been a total of \$150,000.00 and my case isn't even over yet.

Upon my release from jail late on January 16th, I returned home where my home and firearms business was immediately raided by Federal Agents that were waiting at my property. Numerous Federal Agents searched my home and property without a warrant and all my weapons and ammo were confiscated from my home and from my licensed firearms business, all for a crime that I would not lose my 2nd amendment rights even if I were convicted.

I was forced, with threat of prison, to give Federal Agents:

- *My Email Passwords and User Info with written permission to access these accounts.
- *My Bank Account Passwords
- *My Bank Account Numbers with written permission to access these accounts.
- *My Safe Deposit Box Info with written permission to search this box
- *All my Social Media User Names and Passwords with written permission to access accounts.
- *I was not allowed to change any password or information without permission from the Federal Government.
- *I'm not allowed to take out any new lines of credit without prior Government approval.
- *I was forced to swear under oath that I did not have any money, firearms or other items buried anywhere or have any storage units.
- *I was forced to swear under oath that I did not have any photographs or videos hidden or buried.
- *I was not allowed to possess any phone, camera or recording devices other than the one phone I was allowed by probation to have and the FBI took that phone the next day and kept it for weeks.
- *I was forced, with threat of prison, to fill out a financial statement listing:
 - *My Checking account balances and passwords
 - *My Savings account balance and passwords
 - *Credit Card Balance, and account information and password.
 - *My vehicle loan information and value
 - *My Vehicle Tag #, Year, Make & Model
 - *My home loan information and home and property value.
 - *The amount of cash on hand.
 - *The value of my clothes.
 - *The value of my home furnishings.
 - *Names, Addresses, Birthdays and Social Security Numbers of all my family members.
 - *Names, phone numbers and Addresses of my friends.
 - *Names, Addresses and Birthdays of any Ex Wives and Children.

Early the next morning Federal agents confiscated all my FFL files including my FFL Log Book and 4473 files. Later that day, my home was raided again by Federal Agents who confiscated my phone and searched all my

computers and electronic devices. My phone was not returned for 2 weeks. I was under court order to not use any other phone or computer so I was without any communication with friends, family or my attorneys for two weeks. This also gave the Federal Government access to all my email and text message communications between my attorney and myself.

I was then forced to pay for home phone service and to pay for phone monitoring services and monthly fees for my ankle monitor.

Approximately a year later my home was again searched without a warrant and without any explanation and I was threatened with a probation condition violation if I complained about the searches of my property and that a probation violation would have a 17 year felony sentence. Three weeks later, my home was again raided and all my electronic devices including my phone, computer, thumb drives, hard drives and memory cards were searched then confiscated. My desktop computer was confiscated without explanation and Federal Agents said they didn't know when my computer would be returned. This computer contained all the files needed to file my taxes that month, all my social security files I needed to file for my retirement benefits and all my private correspondence between my attorneys. This computer also contained all the software needed to run my business. My computer and phone were not returned for two weeks. When I received my phone back I noticed that all my pictures and videos that I had taken January 6th were missing including the video evidence I had of the Capital Police removing barriers and waving me onto the West Lawn of the Capital that I was charged with trespassing on. I also noticed my FFL Digital Logbook had been removed from my computer and my FFL Logbook backup files had been removed from my Google Drive Account that I had been forced to give the login information. Federal Agents had already taken my hardcopy FFL Logbook and 4473 files in a previous search of my firearms business so they now had all my FFL Files not even leaving me a copy.

Even though I've only been charged with a non violent, misdemeanor crime, I've been on house arrest for almost two years for a crime that carries a maximum punishment of less than a year. I have not been allowed to plea in this case.

When I asked about my 6th Amendment right to a speedy trial, I was advised by Federal Court Judge Randolph D. Moss that the Sixth Amendment had been suspended due to Covid-19 and the large number of arrest made from the January 6th incident. The Sixth Amendment also gives me the right to a Fair Trial, does this mean I didn't have the right to a fair trial either? I'm not sure how a Federal Court Judge can legally suspend one of the Bill of Rights.

In June 2022, I was told by prosecutors that I could plea guilty to Trespassing on the Grass or face going to court in Washington DC on several other (made up) felony charges that they knew I had not committed. So because I had no chance of a fair trial and facing several false charges, I was forced to plead guilty to Trespassing on the Restricted West Lawn. My plea agreement stated the maximum amount of probation I could receive would be one year but for this non violent misdemeanor crime, I was sentenced to:

- 1: **Two additional months of House Arrest** with Location Monitoring for a total of 18 months.
- 2: **Three additional years of Supervised Federal Probation** with travel restrictions for a total of 4 years and 8 months of Supervised Federal Probation even though the plea agreement I had signed stated a maximum of 1 year probation.
- 3: **Firearm Confiscation and Restrictions** in clear violation of my 2nd amendment rights.
- 4: **Mandatory random drug testing** even though I have no drug history. I have passed all these tests.
- 5: **Mandatory mental health evaluation**, even though I have no mental health history. I passed this test.
- 6: **\$525.00 in restitution for damage to the Capital Building** even though I never entered or even touched the Capital Building. I paid this fine.
- 7: **60 hours of community service**. I completed all the community service.

After my sentencing, my home was again searched by a Federal Probation Agent who searched backpacks, closed closets, closed drawers, including my girlfriends underwear drawers even though they had a court order advising that Probation Agents could only take illegal items that are "In Plain Sight".

My home has now been searched 7 times in 4 years. It's been searched by the FBI, the Federal Marshalls, the DOJ, and Federal Probation several times. Everyone always come wearing SWAT vests and heavily armed even though the only crime I've ever been accused of is illegally walking on the grass.

The government then, using a fake name and phone number, attempted to send firearms to my FFL business through www.guns. on two different occasions in one week. I recognized this persons voice as Assistant U.S. Attorney Graciela Rodriguez Lindberg. Another person then, using another fake name and number called asking if they could bring a firearm to my business for an appraisal. I recognized this person's voice as my probation officer even though he was giving me another name. I told the person that I could not look at the gun and advised him that my business was closed. I also lied and told this person that I was out of state at the time so they would leave me alone. I'm on travel restrictions and can't go out of state so my probation officer almost immediately called and asked my location and when I told him I was home, a person stating he had just spoken to me about the gun appraisal arrived at my home even though I had refused to look at the gun and had told him I was out of state. This person had a different voice, was extremely pushy and would not take no for an answer even when I told him several more times that I couldn't look at his firearm. This person then opened his vehicle trunk stating he was going show the gun to me anyway. At this time I drove away on my off road buggy leaving him at my home. When I later returned home this person was gone. I was then contacted by Police Officer Safety & Training Officials stating my law enforcement certification is being revoked for not reporting my arrest to them even though the federal government had taken my phones, computers, I had federal imposed internet restrictions and was on house arrest with no way to contact POST. Also the Federal Agents who confiscated my phones and computers advised me they would contact P.O.S.T. for me because of all my communication restrictions.

Now I've been contacted by the Department of Justice stating they were processing my request for a refund on my FFL renewal even though I haven't requested a refund. The D.O.J. then contacted me by phone and stated my Federal Firearms License is being revoked even though I haven't committed any crime that would prevent me from possessing a firearm or FFL.

Today I was contacted by my probation officer stating the ATF had contacted him stating that the ATF had requested me to send my FFL files to the ATF and that I had not responded to their request. I hadn't received any requests from the ATF and can't understand why they contacted my probation officer. The ATF has my phone number, Email Address, Mailing Address, and Physical Address that's required for my FFL, I'm very easy to contact. Even though the ATF field officer is required to do regular inspections of my FFL Business, I haven't be contacted by the field officer since I was arrested three years ago and the only correspondence I've had with the ATF was a letter in February 2023 stating I owed them \$90 for my FFL renewal. I sent this letter back with a check which they cashed.

Today the ATF Agent contacted me stating my FFL renewal was denied because I failed a background check and stated I was now a convicted felon and could never own a firearm again. After notifying my attorney, the agent called back the next day stating that the FBI had "accidentally mis-coded" my case into the computer and I was not a felon or restricted person but they refused to give my FFL back even though they now had no reason to deny me. The ATF advised me that I was required by law the send them all my FFL Files. I advised the agent that all my FFL Files had been confiscated the day after my arrest.

Now I've been contacted by an ATF Agent who stated he couldn't find any agency that would admit taking my files and then threatened me several times with felony charges for Retention of Files for not returning 4473 files that the government had already confiscated 3 years previous.

I advised the ATF that my files had been confiscated previously by two unknown government agents who took my files and left without identifying themselves or giving me any paperwork. The ATF Agent called me a liar several times and every time he called me a liar, I hung up on him. I advised the agent that I would try to find a backup copy of my digital log book somewhere but I was going out of state to take my wife to court as a witness in an unrelated case for about a week and that I had court approval for this trip.

A few days later I traveled to court about 5 hours away in Tuscaloosa Alabama and asked my neighbor, who is a Newton Georgia Police Officer, to watch my property and feed our animals until we returned home. On the third day out of state, I received a notification from my security system stating my power had been off but was back on. I was told by authorities that the power had went out for about 30 minutes in the entire city of Newton for an unknown reason.

I looked at my security cameras to check on my home and animals and noticed a package holding my storm door partially open and it had been placed there while the power and my cameras were out. I asked the officer to check the package and asked if he would make sure someone hadn't mailed a firearm to my home FFL for repair because I'm restricted from possessing firearms. The officer stated that the box didn't have a shipping label and appeared to contain FFL files and folders.

It appears that the Federal Agents (DOJ, I believe) who illegally took my files got scared of all the inquiries and returned my files. The only markings on this box was my federal case number. The Officer took the FFL files into evidence, put them into the evidence room at Newton Police Department and contacted the ATF Agent.

The next day the officer called me to say he had notified the ATF about recovering the files and that the ATF Agent was going to recover the files from the police department.

The ATF continued to threaten me with felony charges of Retention of Files even after the files were recovered by the ATF Agent.

I've contacted my court appointed attorney's office 6 times over the past year advising them that I needed to speak with my attorney with no response other than the secretary advising me that the attorney is very busy.

It's now September 2024 and my home has again been searched by the Federal Government who again found nothing illegal in my home.

On January 30th 2024, I contacted my attorney's office and asked for a transcript of my motion for a speedy trial. During this previous hearing, I was advised that I didn't have the right to a fair and speedy trial because the 6th Amendment had been suspended by the Federal Court because of Covid and the large number of arrest during January 6th. My attorney's secretary told me that there was no transcript because the judge said there was no court reporter during this hearing and the video of the proceedings are not available to the public. I was also warned at the beginning of that Speedy Trial hearing that it was a Federal Felony for me to record my own hearing.

This is the type of government corruption that all January 6th defendants have faced and if they can do this to me then they can do it to you one day also. This is just 1 of over 1500 similar stories with many of them much, much worst than mine.

January 20th 2025 President Donald Trump issued me and 1,500 other January 6th defendants a Full Presidential Pardon.

U. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

V. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. W. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running

around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
