Judy Note: Seven Presidential messages will soon play on cell phones worldwide. *Three Eight-hour TV Documentaries will follow on TVs Worldwide 24/7 explaining Mass Arrests, Tribunals, Corruption, Fraud, Pedophilia, Exposing Global Elite Satanic Ritual Abuse of children including their Child Sex Trafficking, Crimes and explaining GESARA's 20 Reforms.*

“Over 50,000 elite troops have been mobilized in a global military *crackdown, targeting the corrupt elite who've enslaved humanity for decades. Right now high-profile*

arrests were sweeping through Texas, Florida, NYC and Washington D.C.” ...JFK Jr. on Telegram

Last week Trump ordered that CIA, FBI and Pentagon documents be declassified and made public.

Those documents showed that the CIA & US Military were plotting to kill Americans.

The CIA was behind JFK, RFK & MLK Assassinations.

The CIA & FBI were involved in Satan Worship, Pedophilia & Child Sex Trafficking.

Every year hundreds of thousands of kids went missing in America, but the Mainstream Media never investigated, nor made the public aware.

The Pentagon has failed multiple audits, and \$billions were missing.

The privately owned Federal Reserve collected all US Taxpayer dollars and sent the monies to the privately owned Crown of England and then on to the privately owned Vatican, and then on to the Cabal privately owned Central Banks across the World. About a month later, the monies were returned to the privately owned US Inc. New York Bank, where US Taxpayers were charged interest to use their own monies – and that interest was the primary reason for the National Debt of an estimated over \$110 Trillion.

Julian Assange warned us, “There is no society anymore. What there is, is a transnational security elite that is busy carving up the world using your tax money. To combat that elite, we must not petition. We must take it over. We must form our own networks of strength and mutual value, which can challenge those strengths and self interested values of the warmongers in this country and in others that have formed hand in hand an alliance to take money from the United States, from every NATO country, from Australia, and ban laundering it through Iraq, Somalia, Yemen, Pakistan and other countries, while washing that money in people's blood.”

No wonder Trump has declared an end to the privately owned Federal Reserve and their privately owned IRS.

Mon. 27 Jan. 2025 BREAKING: Trump and Military Alliance Launch Global Raids—Thousands of Children Rescued as Elite Trafficking Networks Face Total Destruction! ...JFK Jr. on Telegram

- **With Donald Trump now firmly back as the 47th President**, the Military Alliance has unleashed its full power, dismantling the deep state's darkest operations. The recent Iceland raid—where missing children from Canton, Ohio, were rescued—was not an isolated event. It's part of an unstoppable global mission to obliterate elite trafficking networks.
- **Routine for the Military Alliance:** For the Military Alliance, these operations are now standard. Hundreds of missions have been executed worldwide since Trump's return, liberating thousands of children from elite trafficking rings. Underground bunkers, elite compounds, and isolated islands are being raided and dismantled with surgical precision.
- **The Iceland mission, a critical strike against trafficking hubs**, revealed an elite-run logistics network spanning Denver, London, and the Island of Jersey. Advanced surveillance and biometric tracking enabled the Alliance to neutralize these operations in record time.
- **Trump's Leadership: A New Era of Justice:** Under Trump, the Military Alliance has erased the barriers that once protected the elite. Corrupt governments, compromised institutions, and the mainstream media can no longer shield the guilty. With Trump as Commander-in-Chief,

the Alliance operates with total global authority, dismantling the infrastructure that sustained these atrocities.

- **This isn't just about rescuing children.** It's about exposing and destroying the systems that allowed these crimes to exist. Banks laundering money, tech companies enabling trafficking, and global organizations providing cover are all being taken down.
- **Hundreds of Thousands of Children Rescued:** Since the Alliance's operations began, hundreds of thousands of children have been liberated. Hidden facilities equipped with advanced security systems and medical labs have been exposed. Evidence implicating elites in politics, entertainment, and finance is being collected for public trials and tribunals.
- **The Elites Are Cornered:** The Elite's desperation is palpable. Their assets are frozen, communications intercepted, and escape routes severed. Recent attempts to flee to remote bunkers have been thwarted, with key figures taken into custody. The Alliance anticipates every move, ensuring no place is safe for them.
- **Total Exposure Is Coming:** The Military Alliance is preparing for a moment of global reckoning, where the full extent of the elite's crimes will be revealed. Public tribunals, arrests, and undeniable evidence will shatter any remaining illusions.
- **A Future Without Elite Control:** The ultimate goal is to dismantle the system that enabled these horrors, ensuring a future of freedom and justice. With Trump and the Military Alliance leading the charge, the grip of the elites is being destroyed.
- **The storm is here.** The world will never be the same. Stay vigilant—truth and liberation are at hand.

I. No Income Tax, No IRS, No Federal Reserve = NESARA/GESARA Has Arrived

- **Mon. 27 Jan. 2025 Scott Bessent:** “As the new Treasury Secretary, I'm committed to eliminating income taxes, replacing them with a fair consumption tax, and adopting a gold-backed currency. We'll erase debt, restore financial privacy, and unlock new technologies for a prosperous future. The golden age starts now.” https://x.com/Scott_Bessent/status/1884014609872609669?s=19

J. Mon. 27 Jan. 2025 TRUMP ANNOUNCES: NO INCOME TAX, NO IRS! NESARA GESARA IS HERE! ...John F. Kennedy Jr.

- **KABOOM! It's January 26, 2025,** and President-elect Donald J. Trump just dropped the biggest bombshell in American history! Standing before a roaring crowd, he declared: “How about no tax? We could do that. If the tariffs work out, a thing like that could happen!”
- **This is more than a promise—it's the beginning of the NESARA GESARA era,** a golden age where financial slavery ends, and freedom reigns!

- **GOODBYE INCOME TAX, HELLO FREEDOM!:** For over a century, the IRS has drained the lifeblood of the American people. Trump's vision? No more income tax. No more property tax. NO IRS. This isn't just talk. Trump's plan is rooted in history—America thrived without income taxes before 1913. What changed? The Federal Reserve and the IRS were created, enslaving Americans under a corrupt system.
- **Now, Trump is ready to tear it all down and replace it with a fair, simple system:** A 14% flat tax on non-essential goods—no taxes on food, medicine, or housing. A gold-backed currency that ends the Federal Reserve's stranglehold.
- **NESARA GESARA: THE PEOPLE'S RESET:** Debt erased—mortgages, loans, and credit card debt wiped out! IRS abolished—no audits, no harassment. Financial privacy restored—Big Brother is out of your wallet. 6,000 suppressed technologies released—free energy, miracle cures, and more!
- **TARIFFS: TRUMP'S MASTERPLAN:** How will this work? Trump's strategy is simple: tariffs on foreign imports. By taxing global elites and foreign competitors, he protects American workers while funding the government without stealing from your paycheck.
- **1871 AND THE DEEP STATE:** Trump's plan goes deeper than taxes. He's targeting the corrupt system born from the Organic Act of 1871, which turned America into a corporate entity controlled by elites. By dismantling the Federal Reserve and the IRS, Trump is restoring the republic and bankrupting the deep state.
- **THIS IS IT—THE GOLDEN AGE HAS ARRIVED!** Trump isn't just changing policy; he's changing lives. The NESARA GESARA framework ensures: True ownership—no property taxes. Unhackable elections with the new QFS voting system. Global prosperity through humanitarian projects.
- **IT'S TIME TO RISE!** The storm is here, and Trump is leading the charge. The old system is crumbling. Are you ready to embrace the future? Freedom is calling.

K. Mon. 27 Jan. 2025: House GOP Targets IRS: Fair Tax Act to Overhaul U.S. Tax System

Judy Note: The House GOP Fair Tax Act of 2025 as below is slightly different from what Trump proposes (see above #J).

- **The House GOP has unleashed a bombshell:** the Fair Tax Act of 2025—a legislative nuke aimed at abolishing the IRS forever. Imagine a nation without income taxes, death taxes, payroll taxes, or corporate taxes. Instead, a single national sales tax would dominate, shifting the burden to every transaction, leaving the elites nowhere to hide.
- **Why Now?** With the Trump administration poised for a monumental return, the stakes couldn't be higher. The IRS is crumbling: \$20 billion in enforcement funding lost. A leadership

overhaul with Trump-backed firebrands ready to gut the institution. Resistance brewing against Direct File systems, threatening to expose deep-state control over your taxes.

- **The Fair Tax Explained:** This act would impose a 23% tax on goods and services starting in 2027. Critics claim it's a 30% hit, but supporters argue it's the price of freedom from IRS tyranny. The revenue breakdown is clear: 64.83% for general government spending. 27.43% to Social Security and disability funds. 7.74% for Medicare and healthcare trusts.
- **Once implemented,** the tax rate could fluctuate, tied to government spending—a direct way to hold Washington accountable!
- **A Radical Shift in Power:** This isn't just about taxes. This is about freedom from the corrupt swamp. For decades, the IRS has funneled wealth upwards while crushing small businesses and working families. With the Fair Tax, the power returns to YOU. No audits. No loopholes for billionaires.
- **Opposition Panicking:** The left-wing media and their globalist allies label this act “radical” and “unworkable.” Why? Because it threatens their empire. A consumption tax forces the elites and even illegal immigrants to pay their share while empowering American workers.
- **The Trump Agenda:** Under Trump's leadership, this is just the beginning. Plans are in motion to: End taxes on tipped workers. Abolish income taxes on Social Security benefits. Impose steep tariffs on foreign goods, keeping American dollars at home.
- **The Storm Has Arrived:** The Fair Tax Act isn't just a policy—it's a declaration of war on the corrupt institutions that bleed you dry. The IRS is gasping for air, and with Trump back in power, it's only a matter of time before it's obliterated.
- **Are you ready for a future where the Deep State can no longer control your wallet?** The time to rise is NOW. Stay vigilant. Stay loud. The storm is HERE.

L. Mon. 27 Jan. 2025 Elon Musk: DOGE implementing Blockchain Technology in US government operations to track and reduce Federal spending. ...Edward Snowden on Telegram

- **“Elon Musk, the head of the Department of Government Efficiency (DOGE),** is reportedly exploring implementations of blockchain technology in US government operations to track and reduce federal spending.
- **According to Bloomberg,** the DOGE is also looking at using blockchain to secure data, make payments, and manage buildings as part of the DOGE's efficiency push.
- **Personnel from the newly commissioned non-government department** have also met with representatives from public permissionless blockchain networks to consult about potential use by the US government.”

- **Blockchain technology** is going to revolutionize our government in a way that shines the light on everything they do.
- **Every dollar** will be tracked on a blockchain and accounted for.
- **Every bill in Congress** will be put on a blockchain so the American people can read it BEFORE it's voted on, so that they can voice their opinion to their representatives first.
- **And every budget will be on a blockchain** so the American people can see if Congress is representing the citizens or themselves.
- **Everything decentralized**, open and honest.
- **It's going to change everything.** Sunlight is the best disinfectant. Our government will be FORCED to be open and honest. The people in control.

M. Mon. 27 Jan. 2025: BOOM! EBS COUNTDOWN: Trump's Operation Phoenix Crushes the Elites—Vatican Falls, Mass Arrests Surge, and Wealth Redistribution Begins! ...Julian Assange on Telegram

- **The Storm has arrived. As of January 17, 2025,** Trump's Operation Phoenix has escalated into an unstoppable force, delivering blow after blow to the global elite. Tribunals have started quietly, with evidence being prepared for the Emergency Broadcast System (EBS) that will expose the crimes of the century.
- **EBS and the Quantum Shutdown:** Insider leaks confirm that the EBS will activate within weeks, synchronized with a quantum shutdown of the elites' digital networks. The Quantum Financial System (QFS) will sever the old financial grid, leaving no escape for those who profited from humanity's suffering. Trump's Quantum Override Protocols will bypass censorship, broadcasting damning evidence globally—trafficking rings, satanic rituals, and suppressed medical breakthroughs will all be revealed.
- **Mass Arrests and Underground Networks:** New covert operations have dismantled elite-run tunnels beneath cities like Berlin, Buenos Aires, and Bangkok. These tunnels housed trafficking hubs, encrypted servers, and bio-experimentation labs. Whistleblowers describe genetic manipulation experiments aimed at creating subservient populations. The pharmaceutical and biotech industries have been implicated in manufacturing diseases and antidotes for profit and control.
- **The Vatican's Fall:** Raids on the Vatican revealed it as the nerve center of elite corruption. Evidence of Project Dominus, a plan to control global populations through AI, microchipping, and psychological warfare, has been seized. Devices designed to manipulate brainwaves and suppress free thought were confiscated, and Trump's scientists are neutralizing these technologies.

- **GESARA's Wealth Redistribution:** The second phase of GESARA has launched, delivering direct wealth transfers to citizens through Quantum Access Cards (QAC) that bypass corrupt banking systems. These cards ensure identity security and connect to quantum servers powering a decentralized, elite-free digital society.
- **Explosive Server Revelations:** Confiscated servers reveal plans for bioweapons targeting specific populations, orchestrated global blackouts, and staged pandemics. Project Dark Horizon, the elite's endgame, has been intercepted by Trump's team, ensuring their agenda is dead on arrival.
- **Med Bed Advancements and Technology Liberation:** Med Beds are now reversing DNA damage caused by toxic treatments and environmental poisons, technology the elites kept hidden to ensure dependency on their systems. This breakthrough represents humanity's liberation from their control.
- **The Revolution Is Here:** The EBS broadcasts will deliver 10 Days of Truth, exposing ritualistic abuse, orchestrated fear campaigns, and the elites' crimes against humanity. Trump's Operation Phoenix is dismantling their empire piece by piece, ensuring a future of freedom and prosperity.

N. Sun. 26 Jan. 2025 BOOM! JFK, RFK, and MLK Assassination Files Released! The Global Elite Exposed! ...Wikileak Secrets on Telegram

- **Donald Trump has unleashed a political earthquake,** ordering the release of declassified files on the assassinations of JFK, RFK, and MLK. The truth buried under decades of lies is finally breaking through. These aren't just files—they're proof of a global power structure orchestrating hits on anyone who dared to challenge them.
- **JFK: The Ultimate Threat to the Cabal:** JFK's fight to dismantle the CIA, end the Federal Reserve's control, and pull U.S. troops out of Vietnam made him an enemy of the elites. His Executive Order 11110 was a declaration of war against the financial overlords controlling America through debt. Months after signing it, JFK was assassinated in broad daylight. The files now prove it wasn't a lone gunman—it was a planned takedown to preserve their empire.
- **RFK: The Keeper of Dangerous Secrets:** RFK knew too much. He was closing in on exposing the CIA, organized crime, and their role in JFK's murder. His determination to uncover the shadow government's network made him a marked man. These files confirm RFK's assassination wasn't random—it was a silencing of the only man who could reveal the truth behind his brother's death.
- **MLK: A Revolutionary Silenced:** MLK wasn't just a civil rights leader—he was a revolutionary. His opposition to the Vietnam War and plans for economic justice threatened the power structure. The newly revealed files confirm MLK was under constant surveillance and targeted because his movement endangered the elites' grip on society. His assassination was no lone act of hate—it was a calculated hit.

- **The CIA: The Shadow Puppeteers:** The files expose the CIA's fingerprints all over these assassinations. From Lee Harvey Oswald being a manipulated CIA asset to covert alliances with organized crime, the agency played a central role in protecting elite interests.
- **Trump's Declassification: A Turning Point:** For decades, presidents cowered under pressure to keep these secrets hidden. Trump's bold move shattered that cycle, exposing the rot within the system. The mainstream media, controlled by the same elites, is scrambling to suppress the fallout—but the truth is unstoppable.
- **The Call to Action:** This isn't just about history—it's about justice. The American people now have the evidence to demand accountability from those who betrayed the nation. The cabal's time is up, and their reign of secrecy is crumbling.

O. Sun. 26 Jan. 2025 EXPLOSIVE: 51 CIA Agents EXPOSED for Lying About Hunter Biden's Laptop! Patriots Demand Justice! ...John F. Kennedy Jr. on Telegram

- **Donald Trump has stripped 51 intelligence agents of their security clearances after exposing their lies about Hunter Biden's laptop.** These agents, tied to the Deep State, orchestrated a campaign to dismiss damning evidence as "Russian disinformation" and manipulate public perception.
- **The Laptop That Shattered the Lie:** Hunter Biden's laptop is no myth—it's the smoking gun. Reports reveal disturbing content: illegal dealings, compromising ties to foreign powers, and activities that would shock the nation. But instead of investigating, 51 so-called intelligence experts banded together to discredit the New York Post story, branding it as false. Why? To shield the Biden family and protect the Deep State agenda.
- **A Historic Reckoning Begins:** Trump's decision to revoke their security clearances is more than symbolic—it's a declaration of war on those who betrayed their oath to America. These agents swore to uphold truth and defend the nation but chose to perpetuate lies for political gain. This treachery is not just a betrayal of trust—it's an assault on democracy itself.
- **Elon Musk Sounds the Alarm:** Elon Musk's chilling words echo the nation's sentiment: "The hammer of justice has come." And it's coming down HARD. The revelations around these agents confirm what many have suspected—the Deep State will stop at nothing to protect its own, even if it means undermining the very fabric of the country.
- **This Is Bigger Than Just One Scandal:** This isn't just about Hunter Biden's laptop. It's about the pattern of deceit that has plagued our institutions for decades. From Russiagate to this latest cover-up, the Deep State's playbook is clear: distract, deceive, and destroy anyone who threatens their grip on power. But Trump has had enough, and so have the American people.
- **The Fight for Truth and Accountability:** The removal of these agents is only the beginning. Trump is on a mission to drain the swamp, one traitor at a time. These 51 agents, exposed for their lies, are the first domino to fall in what promises to be a historic battle for the soul of the nation.

- **Patriots, Hold the Line:** The Deep State is panicking because the truth is finally coming to light. The battle ahead will be fierce, but this is the fight we've been waiting for. Justice is coming, and with Trump leading the charge, nothing will stop the storm that's about to hit.

- **Stay vigilant. Stay united. The best is yet to come!**

R. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

S. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. T. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions

including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

U. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
