An unlawful, unconstitutional US Joint Resolution for the acquisition of Hawaii was passed by the US Congress in July 1898. There was never a Treaty signed, nor Act passed to acquire the Hawaiian Islands.

The US is a foreign country to the Kingdom of Hawaii Nation, yet the US illegally taxes Hawaiians.

There is 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People. The US federal government cannot touch the Kingdom of Hawaii's gold.

Hawaii has never been, nor was it now, a part of the US and under International Law the Kingdom of Hawaii still exists.

The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.

The resulting fires on Lahaina and Kula were the most devastating mass casualty events in the Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, with over 3,000 still displaced over a year later.

Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now over 3,000 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

We also ask President Trump, US Congress and the American people to please support the victims of the Kula and Lahaina Fires on Maui. Only three homes out of 2,000 homes destroyed have been rebuilt since 2023. A year and a half later more than 3,000 victims are still residing in hotels and makeshift houses while the majority of the homeless population was still living on beaches.

To: An Open Letter to President Donald Trump and the US Congress to recognize the Sovereign Nation of the Kingdom of Hawaii and a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

From: Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

Dear President Trump and members of the US Congress,

This is a request for the United States to recognize the Sovereign Kingdom of Hawaii Nation.

An unlawful, unconstitutional US Joint Resolution for the acquisition of Hawaii was passed by the US Congress in **July 1898**.

At that time and still true as of now, it would be impossible for the US to gain acquisition of Hawaii because there was never a Treaty signed, nor Act passed to acquire Hawaii.

The US is a foreign country to the Kingdom of Hawaii Nation, yet the US illegally taxes Hawaiians. The US federal government cannot touch the Kingdom of Hawaii's gold.

In other words, Hawaii has never been, nor was it now, a part of the US and under International Law the Kingdom of Hawaii still exists.

There is 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The below video shows research and proof that the Hawaiian Kingdom's 170,000 tons of gold is sitting in limbo until the illegal occupation of U.S. Military returns the Kingdom of the Hawaiian Islands back to the rightful Kanaka Maoli, the true identity of the Hawaiian People.

That gold cannot be returned to any self proclaimed Hawaii monarch because our last Queen Liliuokalani died without an heir. Her purpose was left up to the Kanaka Maoli to someday

gather and reclaim all the allodia lands and assets back to the descendants of the ancestors who signed the 1897 KU'E Petitions.

Declarations:

1. **Trillions vs Millions: There is 170 thousand Tons of Gold** owned by the Kingdom of Hawaii that is sitting in the Bank of Hawaii waiting for The Kingdom of Hawaii to be recognized by the international community. The US is a foreign country to the Kingdom of Hawaii Nation, yet the US illegally taxes Hawaiians. The US federal government cannot touch that gold.

Trillions vs Millions

2. **50th State Fraud - A Visit With Williamson Chang: Research and proof that Hawaii exists by protest**, that the annexation of Hawaii to be a Territory and State never happened as there was no consent, nor decree that existed to make Hawaii a US State.

The July 1898 unlawful, unconstitutional US Joint Resolution of Hawaii: It was impossible for the US to gain acquisition of Hawaii. Hawaii has never legally been a State of the US. Under International Law, the Kingdom of Hawaii still exists.

Also. Mr. President, please support the victims of the Kula and Lahaina Wild Fires on Maui. Only three homes out of 2,000 homes destroyed have been rebuilt since 2023. More than 3,000 victims are still residing in hotels and makeshift houses while the majority of the population of homeless people are living on beaches. The homeless crisis has increased since 2023.

G. Wed. 29 Jan. 2025: Suspected major Child Trafficking Operation Franklin County, Mass.

Judy Note: On Wed. 29 Jan. 2025 the below was received from a person with firsthand experience with the matter who wished to remain Anonymous. There is not a known trusted entity to report such to so I am hoping the White Hats will consider looking into the matter:

Today, Wed. 29 Jan. 2025 a few of us attended Franklin / Hampshire County Juvenile Court, 43 Hope Street, Greenfield, MA, to witness what was suspected to be covert operations of a Major Child Trafficking Operation running out of Franklin County, Massachusetts – with Public Officials colluding with each other:

Namely:

- Franklin County Sheriff's Office
- Franklin County Jail "Guards" threaten Inmates of children Being Abducted; claiming: "something BAD Will Happen to you if you don't Keep Your Mouth Shut"). Also Note: Those who speak negatively about Incarcerated Pedophiles are Punished by being Sent to the HOLE.

- Franklin County Police Departments (namely ATHOL Police Department)
- Judge Charles S. Belsky
- Magistrate Kathleen K. Sinoski (sp?)
- Clerks of Court
- Attorney Berk Winslow
- Attorney Linda Sheff (and several other attorneys)

MOST DISTURBING: Franklin / Hampshire County Juvenile Court Website (listing Judge's Names) seems to be Off The Radar (why?)

Ever since this morning's Court Hearing, ATHOL POLICE men along with DCF have been surrounding the Home (multiple times) where mother and grandparents live while Yelling and Banging On The Door. The children are Terrified! Mother and Grandparents Do Not Consent To Having multiple children abducted by ATHOL POLICE men and DCF.

Today there was a line of parents who had already lost their children to DCF awaiting their turn for their covert hearings. After they entered the courtroom, the double doors were Locked during each covert hearing. NOTE: Witnesses were FORBIDDEN To Enter.

Just prior to each hearing, parents receive a Preliminary Hearing, ordering them to appear before the Juvenile Court, and ordered to bring their children with them for "Custody" or "Disposition Of Children." Mind you, there was ZERO Evidence of Neglect or Abuse in the Case, we involved ourselves with today.

The way this child trafficking machine works: Shortly AFTER Franklin County Police falsely arrest Political prisoners (Fathers of Children) into the Franklin County Jail; DCF/CPS Launches a Child Custody Case, while Weaponizing the Juvenile County Court to Issue a PROTECTION ORDER (First-Hand Evidence From An Incarcerated Individual Who Witnessed These Men Begging for Help).

Crimes Against Children while in Massachusetts DCF/CPS Custody are as follows:

Refer to: "Commonwealth of Massachusetts Office of the State Auditor Suzanne M. Bump. Official Audit Report – Issued December 7, 2017 / Department of Children and Families For the period January 1, 2014 through December 31, 2015." Reports of DCF's critical incidents affecting children (being sexually abused, gang-raped, while in DCF custody) in its care to the Office of the Child Advocate.

Refer to: "Office of the State Auditor DIANA DIZOGLIO." Official Audit Report Issued November 7, 2024 / Department of Children and Families For the period July 1, 2019 through December 31, 2023." Reports of DCF prescribing psychotropic meds to children while

in DCF care. DCF oversight of children in its custody receiving psychotropic medication in amounts that exceeded the FDA's recommended dose.

17,891 children in DCF's protective custody were prescribed at least one psychotropic medication. Number of Prescriptions filled: 93,687

The Real Question: Where are these Children Being Trafficked to?

Also: Attorney Linda Sheff has multiple addresses listed. Addresses seem to be Missing From Property Records (Why?)

H. TUES. 28 JAN. 2025: BETWEEN 75,000 AND 80,000 MISSING CHILDREN HAVE BEEN RESCUED FROM TRAFFICKING NETWORKS connected to some of the world's most powerful figures. ...The 47th on Telegram

- **These children were found in sprawling underground facilities beneath the U.S. border**—high-tech hubs equipped with medical labs, holding cells, and advanced transport systems. One base, hidden 100 feet below the desert, was camouflaged to evade detection and revealed horrors beyond belief: cryogenic storage units, evidence of genetic experiments, and classified technology used for inhumane tests.
- **The Elite's Pyramid of Power:** Testimonies from the rescued children expose a system of trafficking that touches every layer of society. Documents revealed lists of high-profile clients, including politicians, CEOs, and entertainers, all participating in these heinous acts. Major banks and corporations facilitated these transactions, hiding the money trails in plain sight. Even more damning, blackmail operations ensured the silence and compliance of these elites—photos and recordings used as leverage to enforce their global agenda.
- **Big Pharma and Silicon Valley: Silent Partners in Evil:** Stockpiles of experimental drugs were found in these facilities, linking Big Pharma to the sedation and manipulation of children. Tech giants were also implicated, with advanced tools used to protect traffickers and censor whistleblowers. These companies provided both the means and the cover to allow this network to thrive.
- **Military Whistleblowers Expose the Agenda:** Insiders have revealed that these trafficking operations were tied to secretive military programs. Children were subjected to trauma-based mind control experiments, aimed at creating programmable individuals for elite control. These black-budget projects, funded by trafficking profits, sought to cement a new form of social dominance.

I. Wed. 29 Jan. 2025: Edward Griffin succinctly explains what the Federal Reserve System actually is: ...Expose the Cabal on Telegram

- **"It's a Cartel.** It's not a government agency, it has the appearance of it being a government agency. They went to great lengths to give it that facade... In it's essence, It's a cartel...
- **They got together.** They drew up the rules and regulations for their own industry.. To self regulate their own industry.. It's what cartels do.
- **Then they sent it to Congress** and they took off the label off the top that said 'banking cartel' and they erased that and they said 'Federal Reserve Act.'
- **Congress passed it into law.** And that's why we think it's a government agency it's because if you don't obey the rules that they set down for their own industry you go to prison."

J. Wed. 29 Jan. 2025: Things are going to change for the U.S. military. Deep State Cabal operations that control Deep State military Generals, Admirals & Colonials through dark operations is coming to an end. ...US Military Leaks on Telegram

- **Military Dark Operations:** Blackmail, Kickbacks, Extortion, Pedophile Operations, Money Laundering, all forms of corruption and conspiracy to politically control high Elite Military Commanders.
- **Military sources reveal Trump** is with several high ranking Generals and commanders and very important ex Generals and Elite civilian ex- Commanders including >Ezra Cohen-Watnick. They are going to initiate control of the United States military under the command of the United States people.

Civilian Control of the U.S. Military

- **Civilian control over the US military** refers to the doctrine that places ultimate responsibility for a country's strategic decision-making in the hands of the state's civil authority, rather than completely with professional military leadership itself. This means that the military is subordinate to the civilian government, and that decisions regarding the use of military force are made by elected officials, such as the President and Congress, rather than by military leaders.
- **In the United States,** civilian control over the military is established by the Constitution, which gives Congress the power to declare war and makes the President the commander-in-chief of the armed forces. The War Powers Resolution of 1973 also plays a role in ensuring civilian control by requiring the President to consult with Congress before taking military action.
- **The concept of civilian control** is often seen as a prerequisite feature of a stable liberal democracy. It is intended to prevent the military from becoming too powerful and to ensure that the use of military force is subject to democratic oversight and accountability.
- **As for when this was last done, it is an ongoing process.** The US military is subject to civilian control on a daily basis, with the President, Congress, and other civilian officials making decisions about military policy and operations. However, there have been

instances in recent years where the balance of power between civilian and military leaders has been called into question. For example, in 2022, there were concerns that civilian control over the military was eroding, with some commentators arguing that the military was exerting too much influence over policy decisions.

- **It's worth noting that the US has a system of checks and balances**, which ensures that power is distributed among different branches of government, and that no one branch, including the military, has too much power.

K. Wed. 29 Jan. 2025 "Main Core" – The Secret CIA Database of Americans Targeted for Martial Law. ...John F. Kennedy Jr. on Telegram

- **A top-secret U.S. government database, "Main Core,"** is said to hold detailed information on millions of Americans deemed potential threats to national security. Developed during the Reagan administration and continuously expanded, this program operates under the Continuity of Government (COG) framework to ensure federal control during catastrophic emergencies.
- **This database doesn't require court orders.** The NSA, FBI, and CIA collect and store data without warrants, including personal and financial records. Reports suggest 8 million Americans are in this system, flagged for surveillance or detention during a crisis.
- **Critics warn of massive civil liberty violations**, with REX 84 and Operation Garden Plot serving as blueprints for mass detentions. REX 84 outlined strategies for controlling civilians, including "subversives," during national emergencies. Operation Garden Plot authorized military responses to civil unrest, as seen during the 1992 Los Angeles riots. The NDAA (2012) allowed indefinite detention of U.S. citizens without trial, fueling fears of government overreach.
- **Are you on the list?** Simply opposing government policies could land you there. Even "suspicious patterns" in emails, bank transactions, or web searches can trigger scrutiny.
- **Edward Snowden's revelations exposed how the NSA feeds data** into Main Core, creating a "mass catalog" of Americans' private lives. Phone calls, emails, web searches, and even credit card transactions are monitored, all archived on government supercomputers.
- **During Martial Law, this database enables the government to instantly locate and detain "threats."** A former intelligence official revealed, "The database identifies 'enemies of the state' for questioning or incarceration in times of panic." The criteria? Vague at best. Protesting, criticizing policies, or even being "unfriendly" could be enough.
- **Think this sounds far-fetched?** Documents prove these programs exist. From Reagan to today, the police state agenda has evolved into something Orwellian. They are watching, cataloging, and preparing. If 8 million were listed in 2008, how many more are now? Do you trust them with this power?
- **This isn't a conspiracy—it's reality.** The question is: Are you ready for what's coming?

L. Wed. 29 Jan. 2025 TRUMP ANNOUNCES: NO INCOME TAX, NO IRS! NESARA GESARA IS HERE! ...Julian Assange on Telegram

- **KABOOM! It's January 26, 2025**, and President-elect Donald J. Trump just dropped the biggest bombshell in American history! Standing before a roaring crowd, he declared:
- **“How about no tax?** We could do that. If the tariffs work out, a thing like that could happen!”
- **This is more than a promise**—it's the beginning of the NESARA GESARA era, a golden age where financial slavery ends, and freedom reigns!
- **GOODBYE INCOME TAX, HELLO FREEDOM!** For over a century, the IRS has drained the lifeblood of the American people. Trump's vision? No more income tax. No more property tax. NO IRS. This isn't just talk. Trump's plan is rooted in history—America thrived without income taxes before 1913. What changed? The Federal Reserve and the IRS were created, enslaving Americans under a corrupt system.
- **Now, Trump is ready to tear it all down** and replace it with a fair, simple system: A 14% flat tax on non-essential goods—no taxes on food, medicine, or housing. A gold-backed currency that ends the Federal Reserve's stranglehold.
- **NESARA GESARA: THE PEOPLE'S RESET:** This isn't just an idea; it's a revolution! Under NESARA GESARA: Debt erased—mortgages, loans, and credit card debt wiped out! IRS abolished—no audits, no harassment. Financial privacy restored—Big Brother is out of your wallet.
- **6,000 suppressed technologies released**—free energy, miracle cures, and more!
- **TARIFFS: TRUMP'S MASTERPLAN:** How will this work? Trump's strategy is simple: tariffs on foreign imports. By taxing global elites and foreign competitors, he protects American workers while funding the government without stealing from your paycheck.
- **1871 AND THE DEEP STATE:** Trump's plan goes deeper than taxes. He's targeting the corrupt system born from the Organic Act of 1871, which turned America into a corporate entity controlled by elites. By dismantling the Federal Reserve and the IRS, Trump is restoring the republic and bankrupting the deep state.
- **THIS IS IT—THE GOLDEN AGE HAS ARRIVED!:** Trump isn't just changing policy; he's changing lives. The NESARA GESARA framework ensures: True ownership—no property taxes. Unhackable elections with the new QFS voting system. Global prosperity through humanitarian projects.
- **IT'S TIME TO RISE!** The Storm is here, and Trump is leading the charge. The old system is crumbling. Are you ready to embrace the future? Freedom is calling.

M. Wed. 29 Jan. 2025: IRS Agents Resign After Trump Threatens Them with Border Duty ...Edward Snowden on Telegram

- **President Donald J. Trump has found a novel way to trim the fat** from a federal agency known for harassing and antagonizing hardworking American citizens. Immediately after he announced his intent to send 90,000 superfluous IRS agents to the border, 1,500 tendered letters of resignation, writing that their training was incompatible with border duty. They wrote that Biden had employed them to enforce tax laws and audit tax evaders, not to don combat boots and patrol El Paso and Eagle Pass.
- **It's unclear if Trump's proclamation was sincere**, but the Biden regime had hired over 80,000 new agents after Biden in 2022 allocated \$80 billion in new IRS funding. Biden claimed the money was to update the IRS' outdated computer system and to replace soon-to-be retiring employees. He had promised the Service wouldn't increase audits on anyone earning under \$400K/year. But that was a bald-faced lie. In 2023, IRS audits on persons earning even \$75K/year increased by 300 percent. Armed agents showed up at peoples' homes unannounced, demanding receipts proving the legitimacy of tax deductions.
- **Many Republicans and MAGA lawmakers saw Biden's \$80 billion dowry for what it was:** An attack on the middle-class and low-income earners. But since Biden was backed by the full force of the Deep State and his puppet masters, Republicans were powerless to repeal his unconstitutional initiative. Biden had also lied about how and when he would dish out the cash to the IRS. He claimed that allotments would take place over 10 years and that it would take the IRS an equal amount of time to hire 80,000 new employees. However, within three months, the IRC received a \$37 billion cash infusion and hired 26,500 fresh agents, giving the IRS more power over ordinary taxpayers. Fearing that Republicans might expose the scheme, the Biden regime accelerated funding and arming the IRS, and by the time Trump resumed his rightful place in the Oval Office on January 20, the IRS was \$53 billion wealthier.
- **Administration and White Hat sources have told RRN that President Trump had considered abolishing the IRS** but, after consulting with advisors, decided that eliminating the agency entirely would be too radical a move.
- **So, Trump and his think tank devised a less extreme alternative:** Threaten to pull Biden's new hires out of their comfortable offices and put them on border patrol, and his announcement to send nearly 90,000 tax officials to Texas and Arizona sent shockwaves rippling throughout the corrupt service. "You know, they're so strong on guns. But these people are allowed to carry guns. So we will probably move them to the border," President Trump stated.
- **The statement aligns with Trump's 'Save America' agenda**, which focuses on reducing the size of the federal government, but infuriated treasury agents who thought they'd earn an easy paycheck harassing the citizenry.
- **Within two days of Trump's proclamation**, 1,500 treasury agents in 15 states submitted resignation letters, with many opining that President Trump was a "capricious bastard" lacking authority to alter their assigned duties.

- **Trump spokesperson Ian Kelley**, White House Special Assistant to the President and the War Room, told RRN, “I can’t say if the President’s going forward with this, but if IRS agents are resigning, that’s a big win for the average American citizen.”

N. Wed. 29 Jan. 2025 FEMA Crime FEMA’s Corruption Exposed in California Fires

...Edward Snowden on Telegram

- **The storm is here, and FEMA’s true face** is being revealed! In fire-stricken California, FEMA agents are turning a tragedy into an opportunity for looting and exploitation. These so-called “helpers” are robbing citizens blind and humiliating those seeking aid.
- **When wildfires consumed over 10,000 acres near Castaic, FEMA swooped in under the guise of "relief efforts."** They set up their tents, promising financial aid to evacuees. But behind the curtains, the truth was darker. A couple who lost their home was denied the \$750 aid because they wore jewelry. FEMA agents mocked them, suggesting they pawn their belongings to survive—and even offered to buy their wedding rings at insultingly low prices!
- **At a Pasadena relief center**, a mother and her teenage daughter were shamed and brushed off after seeking help for their fire-damaged home. FEMA agents dismissed them, citing her Prada handbag—a birthday gift—as proof she didn’t need aid. To top it off, an agent made an outrageous remark about vaccinating her daughter for HPV, a sexually transmitted disease!
- **But FEMA’s evil doesn’t stop there. Reports from the ground confirm FEMA agents have been caught looting fire-damaged homes.** Jewelry, watches, and other valuables left behind by evacuated families are being pocketed. When White Hat operatives intervened, FEMA agents arrogantly retorted that if homeowners cared about their valuables, they wouldn’t have left them behind.
- **White Hats fighting this corruption say FEMA is beyond saving.** This isn’t a case of a few bad apples—this is a systemic problem, rotting the agency from top to bottom. Their crimes have gone unchecked for years, even under previous administrations. Now, even with Kristi Noem as the new DHS Secretary and Cameron Hamilton stepping in as interim FEMA director, insiders are skeptical. Can FEMA really be fixed, or will it remain a tool of oppression?
- **Trump’s White Hat allies are calling for FEMA to be disarmed and dismantled entirely.** Until that happens, they warn, FEMA is not here to help. It’s an enemy of the people, profiting off their pain and exploiting their losses.

S. Wed. 29 Jan. 2025: EXPLOSIVE! MILITARY TRIBUNALS TO EXPOSE CIA'S BLOODSTAINED WAR GAMES, G20 COLLUSION, AND THE DEEP STATE'S RUTHLESS QUEST FOR GLOBAL DOMINATION! ...JFK Awakening Q17 on Telegram

- **Forget everything you've been told.** The Deep State, this insidious cabal, is unraveling right before our eyes. G20 collusion? You bet. The elites have manipulated every institution—UN, NATO, CIA—for their wicked agenda. Now, it's all coming to light.

- **Decades of lies, from New York's UN headquarters to Brussels' NATO command,** were nothing more than smoke and mirrors, hiding the shadowy deals that put the Rothschilds, Rockefellers, and global elites in control. But the narrative is breaking down. China, Russia, and now Africa are rejecting this globalist scheme. A shift in power has begun. The G20 is crumbling, with nations abandoning their roles as puppets for these elitist warmongers.
- **Let's call it what it is: the CIA has been running a worldwide mafia from Langley, Virginia.** They've orchestrated everything—from the 1953 Iran coup to the Vietnam War—serving their masters, not the American people. Operation Mockingbird brainwashed the media, Operation Gladio seeded chaos in Europe, all to tighten the elites' iron grip. But now, they're on the run.
- **Take a hard look at Africa.** This once-exploited continent is turning the tide, joining BRICS and severing ties with the IMF's debt traps. These countries are standing tall, no longer pawns in the Deep State's deadly chess game. BRICS' new alliances signify a death knell for the globalist dream of total control.
- **And don't forget Fauci**—he's no innocent scientist. COVID-19? That was no accident. A lab-engineered virus unleashed to further the elites' agenda. The vaccines? Another tool for population control, all while Fauci funneled billions through DARPA, making Moderna and Pfizer their agents of destruction. Whistleblowers reveal that the first batches were just saline—a trial run for something far more sinister.
- **Military tribunals** are coming, and they will tear the veil off the darkest secrets. The world is awakening. The Deep State is panicking, knowing that their time is almost up. The truth is here, and nothing can stop it.

- **The Biden Crime Family's Shadow Empire** For years, the Bidens exploited Joe's political position to enrich themselves. While Americans struggled, the Bidens raked in millions through shady foreign deals.
- **Joe Biden: The Mastermind Documents,** whistleblower testimonies, and financial records reveal Joe Biden wasn't just aware of these schemes—he orchestrated them. - **Hunter Biden: Selling America Piece by Piece** Hunter Biden’s dealings with foreign oligarchs weren’t innocent business ventures. Emails and bank records expose how he sold access to his father’s power, betraying America for personal profit. Chinese and Ukrainian deals funneled money straight into the Biden empire, making a mockery of American sovereignty.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Y. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Z. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted. The Cromar's PO Box 942 Pleasant Grove, Utah 84062. Donations for commissary: <https://www.miraclesingodwetrust.com/contact/> or Venmo to: @Talmage-Cromar

ZZ. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic

Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
