E. Fri. 10 Jan. 2025 WHITE HATS ARREST ANTIFA MILITANTS IN DC ... Wikileaks Secrets on Telegram

- **In a decisive crackdown in Washington D.C., 25 ANTIFA activists** were arrested by a White Hat task force as they attempted to disrupt an important political event. These militants, who were found at a JAG internment facility, are said to be planning chaos during the upcoming electoral certification. This task force includes Marines, Army Rangers, and specialists from both JAG and the Army Criminal Investigation Division, all mobilized to safeguard the event.
- **Our source from General Eric M. Smith's office reported that ANTIFA**, known for its previous assaults on the Capitol, has grown more unpredictable and violent. Notoriously, on January 6, 2021, ANTIFA members disguised as Trump supporters were the first to escalate the Capitol breach. Recently, they have been stocking up on firearms and even conducting tactical exercises in secluded woods, indicating a dangerous escalation in their activities.
- **On a recent operation, plainclothes agents acted swiftly to detain a dozen ANTIFA members in D.C.** These suspects were apprehended after dining at La Grande Boucherie, where they had rented vehicles stocked with tear gas launchers and a variety of munitions, including flash-bang grenades and 12-gauge shells. Despite their claims of being "loyal Republicans," CID quickly uncovered their true intentions.
- **Several of the arrested were previously known to the FBI as informants** who had engaged in violent protests. Upon interrogation, three confessed their allegiance to an ANTIFA militia intent on undermining prominent political figures, revealing connections to other members poised to wreak havoc in the city.
- **With this significant arrest, the military has reinforced its presence**, ensuring control over security measures in D.C. This operation not only prevented potential chaos but also sent a clear message: the military is now leading the charge in maintaining order and security. The effort to capture all involved continues as the authorities remain vigilant against threats to peace and political stability.

J. Fri. 10 Jan. 2025: ALERT! Biden Releases Terrorists from Gitmo Just Before Trump Takes Office – Leaks Reveal Elite Globalist Plans to Destroy America! ...Gitmo TV on Telegram

- **Joe Biden’s release of 11 hardened Islamist terrorists from Guantanamo Bay is a deliberate act within a sinister globalist agenda**, aiming to destabilize the U.S. and strengthen shadowy global interests.
- **The Deep State’s Role in Guantanamo Releases** Military intelligence sources claim this move was orchestrated by a globalist cabal, aiming to dismantle American

sovereignty and empower hostile forces. The released terrorists, groomed with advanced psychological techniques, are set to unleash global chaos to justify authoritarian measures.

- **Oman's Role:** A Puppet State in Globalist Operations Contrary to Biden's claims of Oman monitoring these terrorists, insiders assert that Oman is merely a front, with the terrorists planned for redeployment in covert operations across Africa, Europe, and Latin America, crucial to the cabal's strategy.
- **Strategic Timing and Hidden Agendas** Releasing these prisoners ahead of Trump's potential return serves to eliminate witnesses to Guantanamo's dark operations and to obscure the administration's ties to global destabilization efforts. Rumors suggest an imminent false-flag operation to shift focus and undermine Trump's resurgence.
- **The Guantanamo Bay Files:** A Trove of Secrets The rapid detainee release aims to destroy evidence of Obama and Biden administration's covert operations, including funding terrorist groups and conducting clandestine experiments on detainees. Plans to dismantle parts of Guantanamo further aim to erase these records.
- **The Released Terrorists' Mission** The terrorists' assignments include targeted assassinations of nationalist leaders, sabotage of U.S. infrastructure, and online recruitment to radicalize individuals in the West, aligning with a broader globalist agenda.
- **Big Tech and Media Complicity** Big Tech and mainstream media play their part by downplaying the releases and censoring exposés, keeping the public distracted and uninformed about the real risks of these actions.
- **Trump's Potential Return:** A Threat to Globalist Plans Trump's commitment to exposing and dismantling this corrupt network terrifies the globalists. His plans to repurpose Guantanamo for detaining Deep State operatives reflect a direct countermeasure against globalist agendas.
- **A Final Warning** The release of these terrorists represents a critical piece of a larger globalist puzzle threatening America's security and democratic foundations. As the Biden regime's actions compromise national safety, the need for vigilance and preparedness among Americans grows. The battle for America's soul continues, with high stakes for national and global stability.

K. Fri. 10 Jan. 2025: Anyone who thinks Trump is part of the Deep State, you are mistaken. ...US Military Leaks on Telegram

- **The Deep State's greatest trick** was convincing the world they did not exist.
- **They already had complete control before Trump**, and 99%+ of the public were completely asleep. Why would they wake all of us up if they already had complete control? Why would they put forth all of this resistance and ammunition towards Trump, if he was one of them?

- **All Trump has done is expose the existence of the Deep State**, how they operate, how the media is controlled, etc. If Trump was one of them, why would he expose all of that? Why would he expose Epstein island? Why would he expose the humanitarian crisis at the border? Why would he expose the swamp?
- **Same goes for Elon.** If Elon was one of them, he wouldn't have exposed how the Deep State were using widespread censorship, and he wouldn't have stolen one of their most valuable brainwashing/narrative management assets, Twitter.
- **Same goes for RFK Jr.** If he was one of them, he wouldn't have exposed how the Deep State profit off of our illness and are poisoning our food supply. He wouldn't have exposed all that CIA/USAID nefarious activity.
- **If we were all already asleep**, why would they go through this big power struggle, and wake up hundreds of millions of normies, and expose themselves in the process? They wouldn't. They would have just kept us all asleep.
- **That's why they fear people like Trump**, Elon and RFK Jr., and attack them 24/7. Because these are the People trying to wake all of us up.

L. Fri. 10 Jan. 2025 DUMBS BREAKING: Worldwide Raids Uncover DUMBs' Horrors—Thousands Rescued from Elite's Underground Atrocities as Global Alliance Closes In!

...Benjamin Fulford

- **A seismic shift is underway as the Global Military Alliance intensifies its assault on Deep Underground Military Bases (DUMBs)**, dismantling these elite strongholds and exposing unspeakable crimes hidden beneath the surface.
- **Since January 7, 2025**, the world has been witnessing a coordinated effort to liberate victims and bring perpetrators to justice.
- **Rescue Missions Unfold Worldwide:** Across continents, over 3,000 victims have been freed from these concealed bases, thanks to operations spanning North America, Europe, and Asia. Advanced technologies like Elon Musk's Starlink network are being employed for pinpoint precision in locating these facilities and ensuring rapid rescue responses.

Unimaginable Discoveries

- **Berlin, Germany:** A sprawling DUMB beneath the Reichstag was revealed to house over 500 children subjected to gruesome medical experiments.

- **São Paulo, Brazil:** A trafficking hub concealed within the city held over 700 victims in conditions designed for breeding and experimentation.

- **Denver, USA:** Beneath Denver International Airport, a massive underground complex held over 1,200 individuals subjected to trafficking and horrifying "AI-human integration experiments."

- **The Role of AI in DUMB Operations:** Advanced AI systems are shockingly being used to manage trafficking operations, monitor victims, and enforce compliance through biometric punishments. These technological horrors underscore the lengths to which the deep state has gone to maintain control over its clandestine empire.
- **Starlink's Crucial Role:** Starlink's real-time surveillance capabilities have been a game-changer in these operations, allowing precise targeting of DUMBs and uninterrupted communication despite attempts by the deep state to disrupt efforts with EMPs. The satellite network ensures a level of transparency and efficiency that has left the perpetrators vulnerable.

Emerging Evidence of Ritual Sites and Cloning Labs

- **Washington D.C.:** Ritual abuse sites uncovered beneath the Capitol have linked prominent officials to chilling acts of inhumanity.

- **Zurich, Switzerland:** A clandestine cloning facility designed to replace world leaders with controllable replicas was exposed, revealing horrific experiments on unwilling victims.

- **Global Military Alliance Steps Up:** Specialized forces equipped for underground combat are leading these efforts, not only rescuing victims but also providing humanitarian aid and apprehending high-profile individuals tied to these crimes. Former officials and corporate executives are among those facing imminent justice.
- **Imminent Global Broadcast:** The Emergency Broadcast System (EBS), powered by Starlink, is preparing to release undeniable evidence of these atrocities. Live testimonies, footage from inside the DUMBs, and comprehensive accounts of the crimes will soon reach every corner of the globe, breaking through media suppression and unveiling the full truth.
- **A New Dawn Approaches:** The battle against these underground horrors is nearing its apex. With each raid, the reign of terror orchestrated by the deep state crumbles further. The world stands on the brink of a new era—one of justice, transparency, and freedom from the shadows of elite control. The reckoning is here, and humanity's liberation is within reach.

M. Fri. 10 Jan. 2025: Stefani Tyler on Telegram:

- **So let me get this straight...** Nikola Tesla dies, and the ONLY person allowed access to his safe—the one containing all his most secret inventions—is John G. Trump, a brilliant MIT scientist and, oh yeah, Donald Trump's uncle, who conveniently says, "nothing to see here" while the government quietly packs up Tesla's life's work.
- **Then, in 1958,** a Trackdown episode features a conman named Walter Trump selling people a "magic wall" to save them from the end of the world.

- **But WAIT—it gets weirder:** back in the 1890s, Ingersoll Lockwood writes about Baron Trump, a kid from “Castle Trump” going on wild adventures with a guide named Don, and then writes *The Last President*, where chaos breaks out in America after the election of an outsider.
- **Fast forward to 1953** and Wernher von Braun—the father of rocket science—publishes a book about humans colonizing Mars led by a guy literally called Elon!!!
- **And, today we’ve got Elon Musk**, who runs Tesla (named after Nikola Tesla!) and is obsessed with getting us to Mars and is not only working with Trump but quite literally got him elected and has even visited his magic wall.
- **How is this not the wildest**, most ridiculous, too-weird-to-be-real conspiracy of coincidences ever? Like, who’s writing this timeline?

N. Fri. 10 Jan. 2025: BIBLICAL BOMBSHELL! “I Caught Them All!” The Explosive Truth Behind SAM 239 and Pence’s Shocking Betrayal!...Nesara/Gesara on Telegram

- **BREAKING: The shocking truth behind SAM 239 and Mike Pence’s betrayal!** From secret plots to biblical connections, discover how Trump declared ‘I caught them all!’ and exposed the swamp’s darkest secrets. A must-read for patriots ready for the fight of our time!
- **What if I told you the greatest betrayal** in modern political history happened in the shadows while Americans watched fireworks? While the National Mall roared with patriotic celebrations, Vice President Mike Pence boarded a Gulfstream jet for what should have been a routine trip. Halfway through, his plane was ordered back to Washington, with the Air Force call sign changing mid-flight from AF2 to SAM 239—a designation for live military operations. This wasn’t just an ordinary recall. This was a **BIBLICAL POWER MOVE** by President Donald J. Trump, a leader who said it himself: “I caught them all!”
- **The Flight That Exposed Everything On July 4th.** America celebrates its independence, but behind the scenes, a battle for the nation’s survival is waging in silence. Pence’s Gulfstream leaves Washington under the standard Air Force call sign VP2. Halfway to Indiana, everything changes. Trump recalls Pence, ordering his immediate return to D.C. Then, the unprecedented happens—the flight’s call sign changes to SAM 239, or Special Air Mission 239, signaling a critical military operation.
- **STOP AND THINK:** Why would the vice president’s routine flight suddenly morph into a military mission? What did Trump uncover that required Pence’s abrupt return? The answers are as shocking as they are damning.
- **SAM 239: A Biblical Warning or a Military Code?** The call sign SAM 239 connects directly to the Bible: “And David knew that Saul secretly practiced mischief against him; and he said to Abiathar the priest, Bring hither the ephod.” — 1 Samuel 23:9

- **This passage speaks of betrayal**—Saul plotting against David, much like Pence allegedly plotted against Trump. Trump, like David, acted swiftly, thwarting a plot that could have had catastrophic consequences for the presidency and the nation.
- **The Betrayal: Pence’s Secret Deals and Dark Past** Just days before the SAM 239 mission, Pence flew to New Hampshire to meet with the Kissinger Group, a shadowy cabal allegedly plotting to overthrow Trump. Reports suggest this meeting included plans for an assassination plot against Trump.
- **Pence’s betrayal runs deeper than secret meetings.** As governor of Indiana, he’s been dragged into disturbing allegations involving child trafficking and satanic ritual abuse. Tory Smith, a whistleblower, accused Pence of unspeakable crimes against children.
- **Trump’s Decisive Action:** “I Caught Them All!” Donald Trump has been warning us for years. “I caught them all!” These weren’t just words. They were a declaration of victory over the swamp—a promise to expose the lies, betrayal, and evil lurking in the highest levels of government.
- **The events of July 4th** prove that Trump’s leadership is nothing short of biblical. While the nation celebrated its independence, Trump worked behind the scenes to protect America from its enemies—both foreign and domestic. SAM 239 wasn’t just a flight; it was a BATTLE CRY for justice.
- **Breaking News: The War Is Not Over** As Trump prepares to return as president-elect, the swamp should be trembling. The events of SAM 239 were just the beginning. With Trump back in the fight, the truth will come out, the swamp will be drained, and justice will prevail.
- **“I caught them all!”** Trump’s words echo louder than ever. The biblical battle for America’s future has begun, and Trump is leading the charge.

P. Judy Note: *The California fires were highly suspected to be manmade for the below reasons, the main being to destroy the land so the Cabal could use it for a 15 min. city where they could completely control the population.*

So far more than 30,000 acres destroyed, more than 1,000 structures damaged or destroyed, over 180,000 people displaced, more than 100,000 residents remain under evacuation order, \$57 billion in economic damage and the wild fires were still out of control.

As of Fri. 10 Jan. 2025 more than 880 National Guard members from the @TheCalGuard, @NVNationalGuard, and @wyoguard were supporting multiple air and ground firefighting efforts as wildfires rage across the Los Angeles Basin and Southern California.

- **On Wed. 8 Jan. 2025, the day the three initial fires began Biden** ordered air space restriction over California fire for fire fighting planes for a day and a half while he was in the area. ...Alex Jones on Telegram
- **California had 7.5 billion to build on their water fund.** Eleven years later nothing has been done. The fires couldn't be stopped because there was no water in the reservoirs, nor fire hydrants.
- **Satellite footage shows all three major fires in Los Angeles, California starting at the same time. Fires were started far away from each other in the same moment:** A video has appeared on the Internet that shows from a Satellite point of view, that the original three LA fires were started all at once, in the same moment.
<https://www.youtube.com/watch?v=5ma4SZu-35I>
- **Thurs. 9 Jan. 2025:** "Governor Gavin Newscom refused to sign the water restoration declaration put before him that would have allowed millions of gallons of water, from excess rain and snow melt from the North, to flow daily into many parts of California, including the areas that are currently burning in a virtually apocalyptic way. He wanted to protect an essentially worthless fish called a smelt, by giving it less water (it didn't work!), but didn't care about the people of California. Now the ultimate price is being paid. I will demand that this incompetent governor allow beautiful, clean, fresh water to FLOW INTO CALIFORNIA! He is the blame for this. On top of it all, no water for fire hydrants, not firefighting planes. A true disaster!" ...Donald Trump on Telegram

- **EXPOSED: LA Wildfires Engineered for 15-Minute Cities, Claims WEF Insider:** A chilling revelation suggests the recent Los Angeles wildfires were orchestrated by the global elite as part of a plan to transform disaster-stricken areas into 15-minute cities—compact, hyper-controlled urban hubs marketed as "smart cities." Critics argue these are no more than open-air prisons designed to limit freedom and centralize control. **Land Seizure and 15-Minute Cities:** The fires primarily ravaged areas like the Palisades,

earmarked for redevelopment into model smart cities ahead of the 2028 Olympics. Land previously owned by families for generations is now vulnerable to acquisition by corporate giants like BlackRock and Vanguard, WEF partners driving the 15-minute city agenda.

- **Directed Energy Weapons Allegations:** Insiders claim these fires, the worst in LA's history, were ignited using directed energy weapons allegedly deployed from Area 51. The fires are said to display irregular behavior, defying natural fire patterns. Meanwhile, California Governor Gavin Newsom has attributed the devastation to climate change, a narrative critics label a convenient cover-up.
- **Insurance Companies' Suspicious Moves:** In the months leading up to the fires, major insurance companies canceled fire policies on hundreds of thousands of homes, leaving families unprotected. These actions have fueled suspicions of premeditation, with insurance giants allegedly aligning their strategies ahead of the disaster. State Farm said they didn't renew 69% of the Palisades home insurances because the city and county of LA had suspended brush removal. People who had lived in their home for 75 years Insurance cancelled their fire insurance right before the fire.
<https://x.com/EricAbbenante/status/1877603735834378581>
- **A Pattern of Exploitation:** Parallels to similar land grabs in Maui add weight to these claims. Families left destitute are offered meager compensation, while the elite profit from rebuilding plans. Critics warn this is part of a broader strategy to centralize power and control under the guise of innovation and environmentalism.
- **The Bigger Picture:** This alleged orchestration is seen as the next phase of the global elite's agenda, following years of psychological warfare through pandemics, economic instability, and authoritarian measures. As these claims emerge, the fight for truth and accountability intensifies, with growing calls to resist the exploitation of disaster-stricken communities.

"I was doing the Rogan podcast and I was kind of ill at ease while we were talking because I knew my neighborhood was on fire. So I thought, I wonder if my place is still there. When I got home, sure enough, it wasn't there ... The vehicles were gone, everything. It was completely toasted. I've never seen such a complete burn. It's like someone did it on purpose to really destroy every aspect of it."

- **Some connected the fires with Governor Newsom's high speed rail scam:** Newsome accepted billions for construction of a high speed rail line that never completed, the money vanished.
- **A map of the high speed rail line matches up exactly with the California burn scars of 2018, which were suspected to have been caused by DEW Attacks.** The probability of those two geometries being identical organically, is less than one percent. So then, we are forced to ask what is the cause of this anomaly? PG&E power company was responsible for the 'Camp' fire and that is why they settled out of court (did not want public discovery of facts and related events).
https://www.youtube.com/watch?v=XYcuh_bNXKE
- **On Wed. 8 Jan. the high speed rail line also matched the path of a strange cloud** that rained over Area 21 and then carried by the jet stream to where the fires started in southern California. [What I found about the FIRES!ðŸ”¥ You wont like it!!! | EU | Before It's News](#)

Fri. 10 Jan. 2025 Manmade Disasters For Profit ...Gitmo TV on Telegram

- **The fires are a way to do an industrial job but not have to pay for it.** Fires allow them to avoid imminent domain payments/legislation-- or payment of the residents for the land, directly. The 'disaster' funds allow them to do the clean up on tax payer monies. On top of all of that they get paid for extra expenses/hours of disaster in hourly wages and increase of monthly user rates etc. (so they abuse and traumatize us and then make us pay them for doing it) the only people getting paid by federal money for clean up are their crony corporations.
- **If you look at the volume of people that will need loans** for new homes and businesses, it looks like it could be as much as a third of the state. So, the amount of land held in collateral at the bank is about a third of the total land mass. (This is just my assessment from a lay person's view. The actual math can be discovered).
- **So, if the top shareholder of PG&E at the time of the fires is Black Rock** and it is also the owner of all the major banks... you have motive. (Crimes against humanity?) They would also stand to benefit from all of the development of the new communities around the rail project, etc.

BREAKING: TRUMP MUST IMMEDIATELY BAN BLACKROCK AND FOREIGN BUYERS FROM EXPLOITING AMERICA'S DISASTER ZONES

- **Trump must urgently prohibit BlackRock** and foreign entities from exploiting disaster-stricken American communities like California, Tennessee, and Maui to safeguard our nation's future.
- **Exploitation in Disaster Zones:** Imagine wildfire-ravaged California neighborhoods and East Tennessee lands, where families once lived, being swiftly bought by foreign interests and corporate giants like BlackRock. These areas are being sold while locals are still grappling with their losses—this is the harsh reality tearing at the fabric of our country.
- **Urgent Call to Action:** President Trump needs to take decisive action now. This isn't just about vigilance; it's about protecting the American dream from those who profit from calamity.
- **They're Not Helping—They're Profiteering:** When entities like BlackRock enter disaster zones, their goal is not to aid recovery but to maximize profits. Americans find themselves displaced, their lands sold off to the highest bidder—often foreign or corporate giants looking to flip the property for substantial gains.
- **A Betrayal of American Values:** The essence of America—opportunity and fairness—is undermined when disasters become opportunities for foreign investors and corporate entities to capitalize on chaos, often backed by tax dollars and government incentives.
- **Trump's Role in Defending American Sovereignty:** President Trump has the chance to stand firm for Americans by banning these predatory purchases and declaring it a matter of national security and sovereignty.
- **Running Out of Time:** The clock is ticking, and with every passing day without intervention, disaster survivors are closer to losing their homes and heritage permanently. Countries like Canada and New Zealand have set precedents by restricting foreign land ownership—why not America?
- **Human Stories of Loss and Exploitation:** Families across affected areas have witnessed their properties being targeted by investors immediately after disasters, receiving offers that are a fraction of their land's worth, echoing a larger narrative of dispossession and loss.

A Call for Immediate Action:

- **Trump Must:** Issue an executive order to stop these exploitative purchases. Push for legislation that protects local ownership of disaster-affected properties. Enforce stricter real estate transaction oversight in vulnerable areas.
- **This is about more than just policy—it's about the soul of America.** It's about ensuring that the promise of recovery and resilience is real and attainable, not just another opportunity for profit at the expense of American citizens.
- **President Trump, the nation looks to you to protect its land and its people.** Will you act to preserve the heart of this country, or will you allow it to be carved up by foreign and corporate interests? The time to decide is now.

Q. Native Hawaiian DEW Victims of Maui Hawaii

. The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

R. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here;](#)

S. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **20 Dec. 2024.**

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. T. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
