Judy Note: A former Head of the FBI has confirmed that 9/11 was orchestrated at the highest level by the U.S. Government. As was the Oklahoma City bombing, JFK & RFK Assassinations,

World Trade Center and Child Sex Trafficking by the Military, CIA and politicians, all with huge cover ups. There was documented evidence that the FBI had advance knowledge of the 9/11 attacks and did nothing to prevent this from occurring.

***This was Trump's mandate** as he was sworn into office in 2016, and he has certainly not only taken on the challenge, but conquered it.*

***The Cabal's hope to create centralized digital control** over every transaction that would give them complete control over society has now been crushed by the Global Currency Reset which was rolling out with Trump's inauguration.*

***Underground networks were being dismantled**, and the darkest secrets are surfacing. Global institutions are losing their grip as people awaken to their true agendas.*

As G. Mack from Cookeville Tennessee wrote me yesterday, "The REAL question to ask is not, what if President Trump already took the oath of office on Thurs.16 January, but rather, who did he take the oath of office to? Was it the US Inc, or We The People for the New Republic FOR America?"

***From the two declarations** that came out on Thurs. (as below), it appeared Trump's loyalties (as I assume would be ours from now on) were to the New Republic FOR America.*

Yeah!!! We are FREE!

A. Possible Timing:

Fri. 17 Jan. 2025: The Intel has broken down into two factions: The "It's tonight" faction and the "After the inauguration" faction. ...Mike Reed

- **Both sides agree on the following:** It's done. Toasted. Roasted. Finished. 165 degree internal temperature. There is nothing left that needs to be done from a paperwork or agreement perspective. Everything is signed, sealed and delivered. HCL: DONE. GOLD TREATY: DONE. TRADE AGREEMENTS: DONE. CODES ISSUED AND READY: DONE. RATES: DONE. NEW TREASURY NOTES IN BANKS: DONE.
- **Points favoring the "It's tonight," Faction:** They can make the announcement in the mosques tonight, which we've always been told they would do. The FOREX would be closed. It's too late for Biden to get credit for it. Yellen would have less than 48 hours to respond. It might precipitate a dollar crash when the FOREX reopens on Sunday, which is the perfect cover. The Iraqi's fear that Trump, once in power, will halt the proceedings and try to secure a better deal for the United States, so they MUST go now before he gets in. They insist that the Dinar revaluation will be announced tonight at midnight eastern time.
- **Points favoring the "After the inauguration," Faction:** Trump gets full credit. Biden cannot steal or interfere. The inauguration itself gives cover in the news. It would still look like a mess that Biden handed over to Trump.
- **On Inauguration Day Mon. 20 Jan. 2025 ten days of Communication Darkness** will begin. The new Star Link Satellite System will show documentaries 24/7 to inform the public about the fall of the Cabal and it's fiat US Dollar, independence for all 209 nations

participating in the Global Currency Reset and the availability of long hidden technologies including Med Beds.

- **On Sat. 25 Jan. 2025, the first phase of the wealth redistribution** will officially commence, directly benefiting millions and marking the start of real community rebuilding efforts.
- **On Mon. 27 Jan. 2025 Med Beds** will be introduced to the public, bringing hope and healing to millions. These advanced technologies will begin their initial rollout, prioritizing those in critical need and children suffering from long term illnesses.
- **On Wed. 29 Jan. 2025 Healing Centers** equipped with Med Beds begin operations in strategic locations worldwide. Training programs will be launched to educate specialists in this life-changing technology. Trump has been working on this Med Bed launch since 2016 when he was first put into office.
- **On Fri. 31 Jan. 2025 public demonstrations of Med Bed capabilities** will be broadcast globally, showcasing their potential to restore health, reverse aging and eradicate disease. A new standard of well being will be established, redefining humanity's relationship with Healthcare.
- **On Mon. 3 Feb. 2025 an international Med Bed Access Program** will be announced, ensuring equitable distribution and usage. Leaders affirm that every individual, regardless of status or location worldwide, will have the right to healing and restoration.
- **On Mon. 26 May 2025 Memorial Day President Trump will host** a massive celebration commemorating the 250th anniversary of the U.S. Independence of 1776. Festivities will start on Memorial Day and continue into July 4th.

Global Financial Crisis:

C. Fri. 17 Jan. 2025 Crypto Currencies vs Regular Banking ...Edward Snowden:

- **Governments worldwide are increasingly wary of cryptocurrency transactions**, as they challenge the traditional financial systems and the control they exert over monetary flows. Unlike bank and card transactions, which are heavily monitored and leave a clear paper trail, crypto operates on decentralized networks, making it harder for authorities to track and regulate.
- **By using traditional banking systems**, governments can monitor every financial move—what you buy, where you spend, and how much you save. This constant surveillance gives them immense power to enforce taxes, fees, and even limit financial freedom.
- **However, crypto currencies disrupt this system** by offering anonymity, decentralization, and borderless transactions, leaving governments scrambling to impose control.
- **The fear stems from the inability to fully regulate crypto transactions**, which could undermine their control over monetary policy, taxation, and anti-money laundering efforts. As a result, governments are doubling down on monitoring traditional financial systems while pushing for stricter crypto regulations, claiming it's for "security" while securing their own dominance over personal freedoms.

D. Fri. 17 Jan. 2025: BOOM: The Truth About Biden's Broadband Push – A Scam to Drain Your Wallet ...Edward Snowden on Telegram

- **Why are Democrats so obsessed with expanding "high-speed internet access"?** Biden's infrastructure bill allocated \$65 billion to broadband, hailed as a game-changer for America. But what's the real story? It's a massive scam, a money-laundering operation disguised as progress, and YOU are footing the bill.
- **The Real Agenda Behind "Broadband Expansion":** This isn't about better internet—it's about federal tax dollars being funneled to local governments as a backdoor bailout. Democrats are using broadband as a cover for wasteful spending that does nothing but create financial nightmares for taxpayers. They promise innovation, but what they deliver is failure.
- **Municipal broadband networks, pushed heavily by Democrats, sound appealing—but they're a trap.** Studies show these government-run systems are ineffective, more expensive, and heavily subsidized by taxpayers. According to the Phoenix Center, prices

in cities with municipal broadband are 13% higher than in cities with private providers. Why? Because these projects are riddled with inefficiency and debt.

- **The Cycle of Failure:** Here's how it works: local governments take out massive loans to build these systems. When they fail to attract enough users to cover costs, they jack up prices, driving consumers away. Eventually, the networks go broke—and guess who gets stuck with the bill? You.
- **The Hidden Costs of Government-Run Internet:** A report from the University of Pennsylvania studied 20 municipal broadband projects. The results? 18 of them failed to cover their costs. Taxpayers didn't just lose money—they were left bailing out these disasters while still paying for private broadband to get reliable service. The Biden administration's infrastructure spending isn't fixing anything—it's creating debt traps for local governments and higher bills for you. This isn't innovation—it's theft.
- **The Free Market Solution:** Private businesses thrive on competition, which breeds innovation and lowers costs. Unlike municipal broadband, private companies have to compete for your business by delivering better services at competitive prices. Government projects, on the other hand, distort markets, eliminate competition, and always leave the public paying the price.
- **The Truth About Biden's Broadband Boondoggle:** Biden's broadband push isn't about improving America—it's about keeping Democrats in power by transferring wealth to local governments under the guise of progress. It's a FALSE PROMISE that leads to higher taxes, skyrocketing utility bills, and failed networks.
- **Taxpayers: You Deserve Better Ask yourself:** why should the government be competing with private businesses in the first place? Their job is to ensure a level playing field, not to create failing systems that burden taxpayers. The Democrats' broadband obsession is just another example of big government overreach, and it's YOU who pays the price.
- **It's time to wake up.** The Democrats won't stop ripping off Americans unless we hold them accountable. The Biden broadband plan is nothing more than a boondoggle, designed to benefit politicians and their cronies—not the American people. Don't let them get away with it.

E. Fri. 17 Jan. 2025

Dear Readers,

I was here scanning the Internet for news. All of a sudden, I realized in my lifetime which started in 1945 that I have been quite naive until a few years ago when I bought currency and everything changed. The world got smaller and I got smarter, more observant, not so naive anymore.

I remember a time when I thought politicians had our back, that the Constitution was the law of the people and land and the Truth really was the Truth and nothing but the truth so help me God.

I was naive and never thought that Fathers, Grandfather's or neighbors would ever hurt our kids. We played outside till way after dark with never a care in the world.

I am not naive anymore. I am a Mother, a Grandmother, a Great Grandmother and by God with my last dying breath I will protect what's dear to me until dirty politicians and EVIL pedophiles are gone from our lives. Then maybe we can trust again, laugh again and be what we came to be, BRAVE, CARING PATRIOTS, loving America.

**God, Bless.

G. Fri. 17 Jan. 2025 BREAKING! WHITE HATS EXPOSE DEEP STATE PLOT TO ATTACK TRUMP'S INAUGURATION! ...Julian Assange on Telegram:
<https://t.me/JulianAssangeWiki>

- **The Deep State's plan to unleash chaos on January 20, 2025,** has been exposed. Leaked intel reveals a coordinated assault on Trump's inauguration, involving explosives, bio-weapons, and infiltrators aimed at framing patriots and recreating January 6 chaos. This isn't just an attack on Trump; it's a direct assault on the American people.
- **Operation Midnight Sabotage: The Deep State's Darkest Plan:** White Hats have uncovered chilling details of the Deep State's Operation Midnight Sabotage, a blueprint for chaos. The plan includes false-flag attacks, sniper deployments, and advanced EMP devices to disrupt communications. Explosives are being smuggled into critical areas, and infiltrators within pro-Trump groups are poised to incite violence, framing patriots as domestic terrorists.
- **Weaponized Pathogens and Bio-Warfare:** The most sinister revelation? The use of weaponized pathogens. Secret biolabs have engineered a virus codenamed "Viper-X,"

designed for maximum panic. The goal is to release it during the inauguration and blame Trump supporters, paving the way for martial law and draconian lockdowns.

- **Globalist Puppeteers Behind the Curtain:** This isn't just a domestic attack. Leaked communications link the World Economic Forum and United Nations to funding Operation Midnight Sabotage. Their goal? Prevent Trump's presidency and fast-track their globalist agenda, sacrificing American sovereignty for centralized control.
- **Mainstream Media and Social Media Collusion:** Major networks are already framing Trump supporters as threats, while social media platforms are silencing patriots exposing the truth. Algorithms shadowban posts, delete accounts, and throttle dissent. Journalists are complicit, working directly with Deep State operatives to spin their narrative.
- **White Hats Strike Back:** Patriots in military intelligence are two steps ahead. Covert raids have neutralized key Deep State hubs in Virginia and Arizona, uncovering encrypted communications and plans to deploy drones armed with chemical agents. Directed-energy weapons and psychotronic devices aimed at creating chaos have been intercepted and disabled.
- **The Fight for Freedom:** This is a war for America's soul. The Deep State seeks to destroy the America First movement, but their desperation exposes their weakness. Patriots, the truth is on our side, and their lies are crumbling.
- **January 20: A Moment of Reckoning:** The Deep State's plot is unraveling. Stay vigilant, stay united, and prepare for a new era of freedom. Nothing can stop what's coming.

Oklahoma city bombing, JFK, RFK assassinations, World Trade Center and Child Sex Trafficking by the Military, CIA and Politicians are all huge cover ups. ...Illuminatibot on Telegram

- **It is confirmed through documented evidence that the FBI** had advance knowledge of the 9/11 attacks and did nothing to prevent this from occurring. He goes on to say that It is very obvious that this whole thing has been orchestrated by the powers at be, at the highest level of our government and he wants the world to know about it.
- **They are using terrorism** as an excuse to take away our constitutional rights and civil liberties, murdering thousands of innocent Americans. 9/11 was all orchestrated. The Twin Towers and building 7 were imploded. The planes did not bring the buildings down. They were imploded deliberately.
- **In the Oklahoma City bombing** they recovered a bomb inside the building that did not go off and it was made by the U.S. Army. This was another U.S. Government terrorist attack against Americans on U.S. soil.
- **As a private investigator when he retired from the FBI** he took on the Jeffrey Robert MacDonald case who was an American medical doctor and United States Army captain who was convicted in August 1979 of murdering his pregnant wife and two daughters in February 1970 while serving as an Army Special Forces physician.
- **During his investigations into the MacDonald case** he received a signed confession from Helena Stoeckley stating that Jeffrey MacDonald did not do it, that it was her Satanic cult group that committed these murders. The courts ignored the confession from her.
- **Helena Stoeckley went on to confess** that this was a large scale drug operation that was being covered up. They were flying drugs in plastic bags in the body cavities of the dead GI's coming out of Southeast Asia. There were military Generals involved, other military personnel officers, Police Officers and investigators for the Army.
- **He also worked the Franklin Coverup Case** involving illegal Government drug operations and Satanic cults. They were taking children out of orphanages and foster homes privately flying them to Washington DC for sex orgies with U.S. Congressmen and Senators. This was filmed and pictures were taken for blackmail control.
- **Through his investigation of the Franklin case** it led him to a Washington DC organization called "The Finders" which is a CIA covert operation for kidnapping children and trafficking them internationally around the world.
- **The children are used for body parts,** satanic ceremonies, human sacrifices and sex slaves. In 1997 he received a tip from an airline employee that 210 children flew out of Denver to New York and then to Paris. The airline employee asked the female adult and two male adults who were with the children, who are these kids? The woman said "Child Protective Services, mind your own business." The employee disappeared.

- **Some of these children are auctioned off** and sold for up to \$50,000 dollars each, their ages are between 2 years old and 21 years old. This was all reported to the United States Customs and is on record with them, but nothing is being done about it. It is all being covered up.
- **We are at war, a war against evil.** They have deceived us, they have terrorized us. They have murdered us and they have raped innocent children. They must be destroyed or imprisoned. They are the Committee of 300 and all their puppets installed around the world at the highest level in our society.
- **Humanity must unite to bring them all down** before they unleash more terror and death upon the world. Be brave, protect the innocent children, fight for freedom and life. Now is the time to act

L. Fri. 17 Jan. 2025: BREAKING! ELITE PEDOPHILES UNDER ATTACK: MILITARY RAIDS UNVEIL DEEP NETWORKS OF ABUSE AND CORRUPTION! ...John F. Kennedy Jr.

- **As of January 2025,** a global military alliance is dismantling elite pedophile networks with unprecedented precision. Military helicopters, unmarked convoys, and black ops teams are striking at the heart of these hidden operations, bringing justice to the innocent and exposing the corruption that has plagued society for decades.
- **Coordinated Military Operations: No Escape for the Guilty:** Reports indicate an increase in high-stakes raids across the United Kingdom and Europe. Private estates, underground bunkers, and even elite social clubs have been targeted. Witnesses describe dramatic nighttime operations involving low-flying helicopters and heavily armed units.
- **In Surrey, a secluded estate was stormed,** revealing hidden rooms, encrypted devices, and evidence of exploitation. Similar operations in Yorkshire and the Midlands have tied the defunct Pedophile Information Exchange (PIE) to ongoing criminal activities. New intelligence has unveiled the secret membership lists of PIE, leading to the identification and arrest of key figures.
- **Underground Bunkers and Luxury Hideouts Exposed:** Advanced military technology has uncovered underground bunkers in London and Manchester, used as meeting points for these predators. Equipped with luxury accommodations and advanced security, these facilities reveal the immense resources behind these networks.
- **International Cooperation: Global Networks in Collapse:** This isn't confined to the UK. Joint military teams have conducted raids on private islands and secret locations across Europe, North America, and Australia. In late December 2024, operations in the Mediterranean led to the arrest of high-profile individuals and the seizure of critical evidence. Offshore accounts and encrypted financial systems used to fund these operations are being dismantled.
- **Advanced Technology and Whistleblower Accounts:** Drones with facial recognition, intercepted communications, and cybersecurity breakthroughs have ensured the alliance's

success. Whistleblowers and defectors have provided critical intelligence, exposing the elite's darkest secrets and leading to the discovery of hidden locations.

- **The Message Is Clear: No More Hiding:** January alone has seen dozens of arrests, with millions in assets seized. High-profile politicians, media moguls, and executives are now under investigation. The alliance has declared there will be no immunity, no matter one's wealth or status.
- **2025: The Year of Reckoning:** The military alliance's relentless pursuit of justice has exposed a system of abuse that once thrived in secrecy. For the predators who believed themselves untouchable, the era of impunity is over. Helicopters overhead and convoys in the streets are now symbols of justice and hope for the victims long ignored.

N. Fri. 17 Jan. 2025 JUST IN! Military Raids Uncover Trillions in Hidden Silver Vaults – QFS Takes Back What's Rightfully Yours! ...Ben Fulford on Telegram

- **The Quantum Financial System (QFS) has struck a crippling blow to the Cabal,** exposing and reclaiming trillions in stolen silver reserves. These massive stockpiles, hidden for decades in underground bunkers, mark a pivotal shift in the battle for humanity's financial liberation.
- **Trillions Unearthed in Military Operations:** Codenamed Silver Horizon, military forces have uncovered silver reserves hoarded by the elites to manipulate global markets:

Nevada Base: 3,000 metric tons of silver bars stored in a Cold War bunker.

Central America: 4,000 metric tons from Guatemala and Mexico, stolen under exploitative policies.

Manhattan Vault: 7,500 metric tons hidden beneath a major banking institution.

With over \$2 trillion in silver recovered this month alone, military insiders confirm this is just the beginning.

- **Silver Powers the QFS Reset:** This reclaimed silver is being rapidly integrated into the QFS, setting the stage for a financial reset. Experts predict silver's suppressed value will soar to \$1,500/oz as its role in quantum technology and global trade is unveiled. Military

engineers have confirmed silver's use in Starlink satellites and quantum processors, solidifying its place in a liberated economy.

- **The Introduction of Silver Certificates: Starting January 2025**, Redemption Centers are launching silver-backed certificates, allowing citizens to exchange fiat for physical ownership of these reserves. Each certificate includes a quantum code tied to the QFS, ensuring transparency and security. Debt relief programs funded by recovered silver are already underway.

Cabal Desperation: Sabotage Fails. The elites are panicking:

Utah Refinery Fire: Evidence linked to the cabal destroyed in a suspicious blaze.

Cyberattacks Neutralized: Starlink's quantum systems stopped coordinated strikes against Redemption Centers.

Smuggling Thwarted: Military forces intercepted 800 metric tons of silver en route to offshore locations.

- **Silver Revaluation and Global Liberation:** The QFS is correcting decades of manipulation, turning silver into a tool for freedom and innovation. Financial insiders hint at a public announcement of silver's revaluation in March 2025, aligning with NESARA/GESARA milestones.
- **The Storm Is Here – Join the Fight:** The Cabal's reign is crumbling. With every silver bar reclaimed, humanity inches closer to financial sovereignty. Watch for Redemption Center updates and prepare for the QFS revolution

O. Fri. 17 Jan. 2025 BREAKING! PENTAGON TREASON EXPOSED! PLOT AGAINST TRUMP REVEALED! ...Julian Assange on Telegram

- **A shocking betrayal has rocked the nation.** A high-ranking Pentagon advisor has been caught red-handed in a plot to undermine President-elect Donald Trump. This isn't just politics—it's treason! Secret meetings with military leaders, conspiracies to block Trump's presidency—this is an all-out assault on our democracy!
- **PENTAGON TRAITORS: BETRAYING THE AMERICAN PEOPLE:** A trusted Pentagon official admitted to attending a "huge meeting" with top military leaders to "protect people from Trump." Protect them from what? A president chosen by the largest movement in American history? This is a blatant defiance of the Constitution and the will of the people. These traitors see themselves as above the law, but the American people won't stand for it. Treason has consequences, and it's time these conspirators face justice.
- **TREASON MUST BE PUNISHED!:** The United States Code is clear: treason carries the ultimate penalty. Undermining the Commander-in-Chief, conspiring against the president-elect—these are acts of betrayal that demand swift and decisive action. We're not talking about one rogue official. This is part of a larger deep state plot, a cancer

within our government working tirelessly to sabotage Trump and the will of the American people.

- **THE DEEP STATE IS REAL AND IT'S ATTACKING TRUMP:** For years, Trump warned about the entrenched elites scheming behind closed doors. He was mocked, but this scandal proves him right. Pentagon officials entrusted with national security are now exposed as traitors, plotting to defy the very people they swore to serve.
- **THE MEDIA'S SILENCE: COMPLICIT IN TREASON:** Where is the media? Silent. Their refusal to report this is an act of complicity. If this were about anyone else, it'd dominate the headlines. But because it's Trump—and because it exposes the deep state—they turn a blind eye.
- **TRUMP'S FIGHT IS OUR FIGHT:** This isn't just an attack on Trump; it's an attack on every American who believes in freedom and democracy. Trump is fighting for us, for our children, and for the future of this nation.
- **WHAT MUST HAPPEN NOW?** Expose the traitors. Prosecute them to the fullest extent of the law. Purge the Pentagon of deep-state operatives. And stand united with Trump in this battle for America's soul.
- **STAND WITH TRUMP OR STAND WITH TREASON!** This is the line in the sand. There's no middle ground. The deep state thought they could stop us in 2016—they were wrong. They think they can stop us now. They're wrong again. The American people are awake, and we're ready to fight. Together, we'll expose the truth, punish the guilty, and reclaim our nation. God bless America, and God bless President-elect Donald J. Trump!

P. Fri. 17 Jan. 2025: Operation Hammer ...The 17th Letter on Telegram

- **In a world shadowed by secrecy, where power struggles and hidden agendas shape our reality, the storm is finally upon us.** Operation Hammer, an unprecedented global initiative, has brought to light the underbelly of corruption, foreign interference, and crimes against humanity. With 450,000 sealed indictments leading to thousands of JAG tribunals, the stage is set for a seismic shift in the fight for justice and transparency.
- **The critical executive orders—13818, 13848, and 13959—are the backbone of this monumental operation,** targeting human rights violators, foreign election meddling, and Chinese military companies. This is not just a battle; it is a war for the soul of humanity.
- **The Unfolding of Operation Hammer.** Operation Hammer is a codename that has sent shockwaves through the corridors of power worldwide. This initiative, spearheaded by the White Hats military, is a coordinated effort to dismantle deeply entrenched networks of corruption and criminality. The sheer scale of this operation is staggering: 450,000 sealed indictments, thousands of JAG (Judge Advocate General) tribunals, and a litany of trials, sentencings, and, in some cases, executions. This is not merely a legal battle; it is a global reckoning.
- **The Genesis of Operation Hammer.** The genesis of Operation Hammer can be traced back to the alarming rise of crimes against humanity and foreign election interference. As

global citizens, we have witnessed the erosion of democratic principles, the manipulation of electoral processes, and the gross violation of human rights. The executive orders 13818, 13848, and 13959 are not just legal instruments; they are the swords of justice designed to cut through the web of deceit and bring the perpetrators to account.

- **Executive Order 13818: Targeting Human Rights Abusers:** Executive Order 13818, signed on December 20, 2017, is a powerful weapon in the fight against human rights abuses. This order enables the U.S. government to impose sanctions on individuals and entities involved in serious human rights abuses and corruption. The global reach of this order means that no tyrant or corrupt official is beyond the grasp of justice.
- **Executive Order 13848: Combating Foreign Election Interference:** Foreign election interference is a dagger aimed at the heart of democracy. Executive Order 13848, signed on September 12, 2018, addresses this critical threat. This order declares a national emergency to deal with the threat of foreign interference in U.S. elections. It allows for the imposition of sanctions on individuals and entities that have engaged in or assisted foreign interference in elections, ensuring the sanctity of the democratic process.
- **Executive Order 13959: Restricting Chinese Military Companies:** The global influence of Chinese military companies has raised alarms about national security and economic stability. Executive Order 13959, signed on November 12, 2020, seeks to address this issue by prohibiting U.S. investments in Chinese companies that support the Chinese military. This order is a decisive step in curbing the expansion of China's military-industrial complex and protecting American interests.
- **The Mechanics of Operation Hammer.** The execution of Operation Hammer is a meticulous and coordinated effort involving various branches of the military and intelligence agencies. The sealed indictments are a testament to the thorough investigations and the gathering of irrefutable evidence against the accused. These indictments cover a wide range of crimes, including human trafficking, corruption, election fraud, and more.

Q. Fri. 17 Jan. 2025: BREAKING: The US Corporation Has Fallen! Trump Leads the Revolution – Sovereignty Restored ...The 17th Letter on Telegram

- **The biggest news of 2025 is here: the US Corporation is dissolved,** and Donald Trump stands as Commander-in-Chief, restoring America's sovereignty. Maritime Law is dead, and the chains that have bound us for centuries are breaking. The revolution has begun—freedom is here.
- **The Collapse of the US Corporation:** For years, we lived under the illusion of freedom while a corporate entity exploited us. That lie has crumbled. America is no longer a corporation but a sovereign nation. Donald Trump has reclaimed the helm, standing as a symbol of resilience and truth. This isn't politics—it's liberation. The chains are broken, and America belongs to the people again.

- **Your Birth Certificate Was the Key to Enslavement:** It's time to wake up: your birth certificate wasn't just a record of your birth—it was a contract. The all-caps name? That wasn't you. It was a corporate entity tied to a fraudulent system. From birth, they tricked you into a life of voluntary servitude. But with the corporation dissolved, those contracts are null and void. You are free.
- **Maritime Law is Dead:** America has been shackled by Maritime Law—a system designed to enslave. The ship crash that changed everything was no accident. It was a symbolic and literal shift, breaking the illusion and paving the way for a return to Common Law. Under this system, you're no longer an asset or commodity—you're a sovereign individual with unalienable rights. This is not just a legal change; it's a revolution of the soul.
- **Trump's Role: Commander-in-Chief of a Sovereign Nation:** Donald Trump refused to accept the fraudulent corporate system, and his stand has restored the Republic. This is about leadership, truth, and the fight for the soul of the nation. Trump's vision is clear: dismantle the system of lies and build a foundation of freedom for generations to come.
- **The End of a Fraudulent Economy:** Your money was never just currency; it was a tool of control. The corporate system exploited your labor while enriching the elite. With the corporation gone, we have the chance to rebuild an economy that serves the people—not the powerful. Imagine a world where your money represents freedom, not enslavement.
- **A Nation Reborn:** From the ashes of deception, a new America emerges. The transition from Maritime to Common Law restores power to We the People. The lies are over, and the truth is out: America is free, and the people are sovereign. This isn't just a victory—it's a resurrection.
- **The Call to Action:** America, it's your time. The lies are exposed, the system is gone, and the future is yours to shape. Stand with Trump. Rise up. Take your place in history. The revolution isn't coming—it's here. Will you claim your freedom, or let this moment pass?

R. Fri. 17 Jan. 2025 The Quantum Leap: Your Star Trek Future ...Edward Snowden on Telegram

- **Quantum teleportation**, first proposed in 1993 and demonstrated in 1998, is a groundbreaking concept that allows for the transfer of quantum states rather than physical matter. This process utilizes a phenomenon called quantum entanglement, a subject of extensive research and countless articles.
- **Over the years, scientists have successfully teleported particles** in various settings—from controlled laboratories to open air, and even into space. These achievements point toward the possibility of advancing teleportation technologies further. Intriguingly, there have even been accounts of advanced psychics moving objects through spatial barriers, hinting at the far-reaching implications of this research.

- **From the perspective of quantum computing**, recent updates in the field provide the computational power necessary to approach the complexities of teleportation. However, the challenges are immense. For instance, teleporting a human would require replicating the quantum states of approximately 10 octillion atoms with flawless precision an extraordinary feat that currently surpasses our technological capabilities.
- **While significant hurdles remain**, the advancements in quantum physics and computing suggest that the dream of teleportation is not as far-fetched as once believed. The future holds infinite possibilities as we continue to push the boundaries of science and imagination.

S. Fri. 17 Jan. 2025: BOOM!! EXPOSING ANTARCTICA: THE ULTIMATE GLOBAL COVER-UP! ...Julian Assange on Telegram

- **Antarctica, the world's most restricted continent**, hides secrets they don't want you to uncover. Behind its frozen façade lies a carefully guarded mystery involving hidden bases, military operations, and untapped resources. The truth about this "forbidden land" is far more sinister than they let on.
- **The Antarctic Illusion: A Narrative of Control:** For centuries, Antarctica has been veiled in secrecy. Every tour, every image, every fact you're fed is part of a controlled narrative. Tourists are shown only tiny, curated sections of the continent, while the rest remains off-limits. Even researchers face extreme restrictions—drones are banned, and every move is monitored. Why? To ensure the real Antarctica stays hidden.
- **What Are They Hiding?: Hidden Bases and Military Operations:** Antarctica is not just a scientific haven. Countries like the U.S., Russia, and China have "research stations" rumored to double as military outposts. These remote locations could house early-warning systems, covert tech experiments, or even secret weapons testing.
- **Untapped Resources:** Beneath the ice lie vast reserves of oil, natural gas, coal, and minerals. The Antarctic Treaty forbids their exploitation under the guise of environmental protection, but the real motive is control. The elites are biding their time, ensuring they can seize these treasures without public interference.
- **Cabal-Controlled Secrecy:** Satellite images of Antarctica show blurred, cropped, or altered sections. Suspicious anomalies point to deliberate attempts to keep critical areas hidden.
- **The Treaty of Silence Signed by 54 nations**, the Antarctic Treaty System prohibits independent exploration and resource extraction. Why do rival powers like the U.S., Russia, and China agree on this? Because controlling Antarctica means controlling its secrets, resources, and strategic potential.
- **Project Odin: MSM and Antarctic Propaganda** Even the media plays a role in perpetuating Antarctica's mystery. Controlled narratives ensure that questions about what's really happening are dismissed or ignored. The treaty, the bases, the restrictions—it's all part of a global agenda to suppress the truth.

- **The Fight for Truth Antarctica** isn't just ice—it's the battleground for control over humanity's future. If they can restrict an entire continent, what else are they hiding from us?
- **It's time to demand answers.** Raise your voice. Share this post. Break through the icy wall of lies and uncover what they don't want you to know. The world deserves the truth!

U. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

V. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make

people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

***It would be most appreciated** if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

***The more we can expose those Satan worshipping perpetrators** who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
